Value. Choices. Success.

It's all at MCC

Fast Facts 2013-14 >

Vision

MCC — leading the way to success in our local and global community.

Mission

MCC excels in teaching, learning, and empowering individuals to succeed in our local and global community. We serve as a resource for college and career readiness, transfer education, workforce development, and life-long learning.

Values

Individuals & Community:

MCC encourages active citizenship and embraces the diversity of people and ideas.

Innovation:

MCC delivers cutting-edge instruction and service.

Integrity:

MCC upholds the highest standards of ethics and public stewardship.

Learning:

MCC champions individual student success that reflects the highest academic standards.

Service Excellence:

MCC makes a positive difference in the lives of our students, community members, and each other through meaningful relationships.

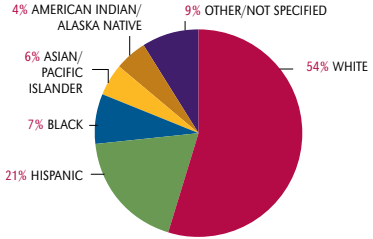
11% indicate other intents such as meeting university requirements, transferring without a degree or certificate, and seeking college credit while in high school.

57% of students primarily attend classes during the day, 19% attend during the evening, 20% attend in a non-traditional manner such as online or a mix of day and night, and 3% attend on the weekend.

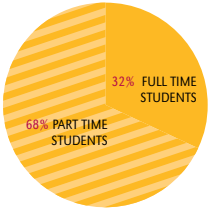
Average class load is 9 credits

317 international students (on an F1 student visa) from 47 different countries

Ethnicity



Enrollment



MCC is accredited by The Higher Learning Commission and is a member of the North Central Association. www.ncahlc.org Phone: 1-800-621-7440

MCC Southern and Dobson Campus
MCC Red Mountain Campus

Students pursue their educational goals at two state-of-the art campuses equipped with modern classrooms, wireless technology, research labs and outdoor teaching spaces. Both campuses offer comprehensive transfer degrees, career and technical education, student services, and student clubs and activities.

MCC Downtown Center

Home to the MCC/NAU Connection, Fire Science/EMT, community education and the Virtual Incident Command Center (VICC), MCC's Downtown Center offers unique university transfer options and workforce-related degree and certificate programs.

MCC eLearning

Earn your online degree or certificate anytime, anywhere with over 500 convenient online classes. When you choose MCC, you can be confident that your courses are fully accredited and you'll be learning from supportive faculty who design your online course content for a valuable learning experience. MCC currently offers over 20 online degrees and certificates, including options such as the Associate in Arts, Associate in General Studies and other awards in the fields of business, emergency management and justice studies.

98% of 2012-13 MCC graduates said they were satisfied or very satisfied with the overall quality of instruction at MCC.

Faculty And Staff

343 full-time faculty
(one third hold a doctorate)

930 adjunct faculty

390 administrative, professional, and support staff

98% of MCC students said they would recommend MCC to a friend or family member

Programs and Degrees

Students can choose from a wide range of program options suited to their learning needs: prepare to transfer to a university, start a career, upgrade skills needed for the workplace, or pursue personal interests.

TRANSFER COURSES AND DEGREES

Associate in Arts, Associate in Business, Associate in Science, Associate in Transfer Partnership, Associate in General Studies, and the Arizona General Education Core (AGEC, a 35-credit hour block of general education courses).

CAREER AND TECHNICAL PROGRAMS

Over 150 Associate of Applied Science degrees and Certificates of Completion, designed for students to improve career options or enter the job market.

CONTINUING AND COMMUNITY EDUCATION

Hundreds of noncredit personal-interest classes provide all age groups opportunities for lifelong learning in the arts, technology, fitness and personal development fields.

DEGREE	TITLE	NO. OF AWARDS
AA	Associate in Arts	965
AS	Associate in Science	170
AAS	Nursing	165
AGS	Associate in General Studies	157
AB	Associate in Business - General Requirements	108

Campus Life

MCC offers a total collegiate experience that enhances academic programs and promotes student development. Extracurricular and cocurricular programs include student clubs and organizations, service-learning opportunities, international activities including study abroad, fine and performing arts, speakers and forums, and a full array of intercollegiate athletics.

Over 40 student clubs and organizations

MCC Athletics offers 16 intercollegiate sports with over 300 student athletes.

Last year, 1,737 MCC students performed 42,125 hours of service-learning.

Planning

The college broke ground this year for a new Performing Arts Center and Art Gallery. These new state-of-the-art facilities will showcase the talents of students, faculty and staff and will provide a venue for community members to enjoy the performing arts. The Art Gallery is scheduled to open Spring 2014 and the Performing Arts Center will open in Summer 2014.

2013-2014 Budget

Mesa Community College has a total operating budget of $98.6 Million for FY 2013-14. Revenues flow through the Maricopa County Community College District to the 10 member colleges.
