

Property Name Museum Ready

Location Manhattan, NY

Bedrooms 11

Baths 7

Lot Size

Asking Price \$ 3,000,000

Description

Designed by Mark Campton in 1893, offered is one in a row of five transitional Queen Anne/Neo-Renaissance brownstones. Television's Third Watch, music videos, commercials, and several major motion pictures were filmed in this house. The details have been restored to as when built and include tiled fireplaces, red pine floors, mahogany staircases, French bath tiles, Brazilian granite, European windows, and many upgrades.
