

Department of Mathematics and Computer Science Tuition Award 2010

The faculty and staff of the Mesa Community College Department of Mathematics and Computer Science support students in a variety of ways. One way is by contributing money to reward students for their hard work and educational consistency by helping them with MCC tuition costs. The Math/Computer Science Awards committee will determine one recipient of a \$500 tuition award to be applied in Fall 2010 based on the following application.

Criteria for Application

- Completed at least one semester of math or computer science at MCC (C grade or higher)
- Completed at least 12 credit hours at MCC (C or higher in each course)
- Completed at least 6 credit hours at MCC in Fall semester 2009 (C grade or higher)
- Currently enrolled in at least 6 credit hours at MCC
- No withdrawals or incomplete grades at MCC during 2009 or 2010
