

### FEB. 9-SATURDAY

**Walk United:** For many of our community members, the most basic needs are not being met. Many go without food, the appropriate clothing, shelter or financial resources to help them become productive citizens. Mesa Community College recognizes this need. In partnership with Mesa United Way, MCC will host Walk United at 9 a.m. on Saturday, Feb. 9, to support MCC students and Mesa community members. The event will feature a 5K walk/run beginning on the Southern and Dobson campus. All proceeds will go towards supporting those in need, including student scholarships and Mesa United Way. Registration costs for Walk United are:

- \$20 for adults before Jan. 15
- \$25 for adults from Jan. 15 -Feb. 9.
- \$10 for students/children under the age of 16
- \$15 for a ghost walker/runner (joy for someone else to be able to walk/run)

Additional opportunities are available for those interested in sponsorships, volunteering their time or donating food to the United Food Bank. For further information about Walk United, to register for the run/walk or to offer your services visit: <http://www.mesacc.edu/community/walk-united>.
