

**MCC Guide to General Studies Course Values - Effective Summer / Fall 2009 Only
(Advisement and Transfer Services updated 7-2-09)**

This guide reflects the course values listed on the Course Equivalency Guide (www.aztransfer.com/CEG), which is part of the AZ Course Applicability System (www.aztransfer.com). These values are subject to change. Students are held responsible for their own educational progress and final course selection. This list applies to the following degrees only: AA, ABUS-GR, ABUS-SR, AS, AAE, AAFA, ATP. Generally, a course can only meet one of the requirements/values listed, but individual degree policies refer to exceptions. General education course lists for the AAS and AGS degrees, as well as a complete list of MCC's degrees and certificates may be found at: www.maricopa.edu/academic/ccta/curric/progmc.php For assistance, contact your MCC advisor (480-461-7222) or an advisor at your transfer college or university. CAUTION! Script lettering indicates changing values for course. Seek advisement and check Course Equivalency Guide for latest course value status.
