All students and employees who park a motor vehicle on College property **must** register their vehicle and display a valid parking permit on the vehicle. The permit, issued by Mesa Community College, is valid for **all** Maricopa Community Colleges.

You must have a **valid photo ID**, such as a driver's license or state ID card, as well as your license plate number. Bring your form, ID and information to Student Life or Public Safety at either campus.

On autos or trucks, parking permits should be placed or affixed on the inside of the lower front windshield (driver's side) or lower left back windshield (driver's side) so that they may be viewed from the outside. On motorized cycles, the permit shall be placed or affixed where it can be seen without difficulty on the front fender or fork. Temporary permits shall be placed on the dashboard so it may be easily viewed from the outside. If there are any questions or problems concerning the parking permit please speak with a Public Safety Officer or find out more on the Public Safety website.

Please fill out form completely and direct any questions to:
