

# First Class Activity Questions

Please e-mail me with all of the answers to the following questions. Please put "First class Activity" in the subject line. Your e-mail must be received by Sunday August 30th, 2009.

The assignment is worth 20 points on your Homework Grade, each day late results in (-4) points

1. Take the following survey and report your score:  
<http://www.mc.maricopa.edu/other/distance/dlsurvey.html>
2. What do you think this score indicates about you and your success in this online course?
3. Summarize the characteristics of a successful online student by selecting one of the websites listed under "Personal Requirements" found at  
<http://www.mc.maricopa.edu/~freddie/OnlineReady.htm>

Answers to 4-13 can be found by reading through the Mat082 homepage or in Course Compass under "Course Materials", "Syllabus", "Daily Schedule", "Support".

- 
4. What **MUST** be in each subject line to an email to your instructor?
  5. If you are inactive in the course will you be withdrawn by the instructor? Explain consequences.
  6. What is the phone number for Technical Support (bottom of Mat082 homepage or look under "Support", towards the bottom there is a link "Call us")? Know this number, you very well may need it!
  7. What, if anything, is necessary to physically turn in (verses online or email) to your instructor?
  8. What must you do before getting access to each of the multi-chapter quizzes? Can you submit quizzes late? Explain.
  9. What is the last possible day to take your Final Exam?
  10. Can you turn in a chapter quiz or take the final exam before the date listed on the

calendar (explain)?

11. In the syllabus, under the Online Chapter Quizzes section, what does it say regarding calculators?
12. Looking at the daily schedule (not the course calendar), what section should you be working on 10/6/09?
13. Where or how can you get tutoring for the course?

Answers to 14-15 can only be found while in Course Compass.

- Select "**Course Materials**".

14. Under "Helpful hints", briefly the process for completing any given chapter's assignment.
15. While going through the tutorial of "[How to Enter Answers Using the MathXL Player](#)" there are 8 headings describing the different topics of the tutorial. The 1<sup>st</sup> and 2<sup>nd</sup> are "Welcome" and "The Player Window". What are the remaining 6 headings?
16. Copy the following and print your name after it. **"I have read and understood the items in the Syllabus, Schedule, and Course WebPages. I understand if I stop participating after submitting the 1<sup>st</sup> quiz, I will not be withdrawn unless I ask my instructor and I will receive an F"**
