Please log in to your My Clinical Exchange account to update your AZ Regulatory Modules Rotation Checklist.

Click on "Active Rotations"

The screenshot shows the My Clinical Exchange account dashboard. At the top, the user is logged in as [redacted] and is currently on the Home page. The account status is "Paid (expires 2/27/2023)". Below this, there is a table for "My school compliance requirements" with one entry: "Nursing Checklist (Mesa Community College)". The integration info for this checklist is "Provider Name: American DataBank (Complio)" and "Status: Account Linked". The status is "I am making edits but have not submitted for approval". Below the table, there are tabs for "Alerts", "Active Rotation(s)", "My Request(s)", and "Notifications". The "Active Rotation(s)" tab is selected and circled in red. Below the tabs, there is a section titled "My Alerts! - 5 requires your attention." with a list of alerts: "Contact Phone # is missing in your account profile", "Emergency contact information is missing or incomplete in your account profile", "Rotation # 425250 - One or more orientation modules not yet completed", "Rotation # 425250 - Checklist not in compliance", and "Rotation # 425250 - One or more online tests not yet completed". A red arrow points from the "Active Rotation(s)" tab to the "Nursing Checklist" row in the table above.

Click on the rotation # next to the AZ Regulatory Modules rotation checklist.

The screenshot shows the My Clinical Exchange account dashboard, similar to the previous one. The "Active Rotation(s)" tab is selected and circled in red. Below the tabs, there is a section titled "1 Scheduled/Ongoing Rotation(s)". Below this, there is a table with the following data:
