Nominations due for outstanding alumni

Presidents and CEOs, attorneys, teachers, doctors, business owners—MCC’s alumni are accomplished professionals and community members. Please join the MCC Alumni Association in recognizing your outstanding alumni. Nominations are being accepted for the Alumni Achievement Award and the Outstanding Chapter Service Award.

In its second year, the MCC alumni awards and recognition program is designed to recognize the accomplishments and service contributions MCC alumni make to their professions, communities, and the college.

Nominations are due on Monday, December 23, 2003.

Nomination Information:

• Visit the alumni website at www.mc.maricopa.edu to learn more about the awards and recognition program and the nomination process.

• Contact the alumni office at 480-461-7792 or alumni@mc.maricopa.edu for information and nomination materials.

Extra! Extra! MCC section in The Arizona Republic, East Valley Tribune

A special insert about Mesa County Community College will appear in The Arizona Republic, East Valley Tribune in the October 6, 2003 issue. The insert will feature information about the college’s new academic programs, student success stories, and upcoming events. Copies of the insert will be available at the college’s Justice Building and the Administration Building.

Permit No. 1833 West Southern Avenue

At the Red Mountain campus.

Internship program

• Introduction to Social Welfare will be offered on weekends. Check the college website for days and times:

http://www.mc.maricopa.edu

Social Work classes, Fall 2004

• One of three core classes in Social Work will be offered on a rolling basis.

The East Valley Tribune/City Beat

Looking forward to cooler temperatures this fall? Come watch the "rowdy" on November 18 at the T-Bird Corral, located at 1833 West Southern Avenue. The alumni association is sponsoring a silent auction to raise funds for the alumni association scholarship program. Since the program began in 1997, the alumni association has awarded scholarships to 60 MCC students. Booths for the auction will be set up by December 12. Please bring some of your items to the auction to help us walk down memory lane. The proceeds will be divided with a walk to the stadium for the 7:00 p.m. kickoff.

Recognition

Join us in recognizing MCC’s 1973 football team for their achievements. Under the direction of head coach Fred Roberts, the team ranked in the top 12 for the National Junior College Athletic Association (NJCAA) Football Coach of the Year. MCC’s Nursing Alumni chapter will be officially chartered at an event to celebrate the accomplishments of this exceptional group of professionals.

Football

Dan Dunn returned this season for his second tenure as MCC’s football head coach. For half of the team’s roster, he coached either freshman or sophomore football on campus. For others, he coached at a branch campus. The Thunderbirds will benefit from this wealth of experience, as 30 returning sophomores transferred into their roles with enthusiasm and drive. The Thunderbirds have high hopes for this season.

Sharon McAlevey, lead faculty member in Social Work and Sociology, leads pride in MCC’s Social Work students who move on to achieve success in their field. To give MCC students the best advantage in their education, Sue wants to ensure the compatibility of content and skills especially at Arizona State University (ASU). The International Council Chair (District) Sue keeps Social Work’s curriculum up to date as she develops new courses, and trains the program.

The process for registering your business as an internship site is easy. We have space planning and used what we learned in our color class design and planning again," stated Danielson.

Message from the President
Jule Dicken, Director of Career and Re-Entry Services

In turn, MCC’s downtown presence would benefit Mesa urban economics and downtown revitalization efforts. An urbanistic, student population would add value to the improvement of our competitive sports and fitness opportunities.

In the meantime, “I think we’re going to concentrate on developing some partnerships; economically everybody feels we need to partner.” Arizona State University East already works closely with the Red Mountain campus, and MCC is developing a downtown campus concept with the City of Mesa.

Barely two years old, MCC’s Red Mountain campus is heralded Mesa Community College’s downtown presence would benefit Mesa urban economics and downtown revitalization efforts. An urbanistic, student population would add value to the improvement of our competitive sports and fitness opportunities.
