Value. Choices. Success.

It’s all at MCC

Fast Facts 2014-15
Vision
MCC — leading the way to success in our local and global community.

Mission
MCC excels in teaching, learning, and empowering individuals to succeed in our local and global community. We serve as a resource for college and career readiness, transfer education, workforce development, and life-long learning.

Values
Individuals & Community: MCC encourages active citizenship and embraces the diversity of people and ideas.

Innovation: MCC delivers cutting-edge instruction and service.

Integrity: MCC upholds the highest standards of ethics and public stewardship.

Learning:
MCC champions individual student success that reflects the highest academic standards.

Service Excellence:
MCC makes a positive difference in the lives of our students, community members, and each other through meaningful relationships.

Students pursue their educational goals at two state-of-the-art campuses equipped with modern classrooms, wireless technology, research labs, and outdoor teaching spaces. Both campuses offer comprehensive transfer degrees, career and technical education, student services, and student clubs and activities.

**MCC Downtown Center**

Home to the MCC/NAU Connection, Fire Science/EMT, and the Virtual Incident Command Center (VICC), MCC Downtown Center offers unique university transfer options and workforce-related degree and certificate programs.

**MCC eLearning**

Earn your online degree or certificate anytime, anywhere with over 500 convenient online classes. When you choose MCC, you can be confident that your courses are fully accredited and you’ll be learning from supportive faculty who design your online course content for a valuable learning experience. MCC currently offers over 20 online degrees and certificates, including options such as the Associate in Arts, Associate in General Studies and other awards in the fields of business, emergency management and justice studies.
Faculty And Staff

354 full-time faculty (one third hold a doctorate)

861 adjunct faculty

412 administrative, professional, and support staff

98% of 2013-14 MCC graduates said they were satisfied or very satisfied with the overall quality of instruction at MCC.

Programs and Degrees

Students can choose from a wide range of program options suited to their learning needs: prepare to transfer to a university, start a career, upgrade skills needed for the workplace, or pursue personal interests.

TRANSFER COURSES AND DEGREES

Associate in Arts, Associate in Business, Associate in Science, Associate in Transfer Partnership, Associate in General Studies, and the Arizona General Education Core (AGEC, a 35-credit hour block of general education courses that transfers to state universities).

CAREER AND TECHNICAL PROGRAMS

Over 150 Associate of Applied Science degrees and Certificates of Completion, designed for students to improve career options or enter the job market.

CONTINUING AND COMMUNITY EDUCATION

Hundreds of noncredit, personal-interest classes provide all age groups opportunities for lifelong learning in the arts, technology, fitness and personal development fields.

Campus Life

MCC offers a total collegiate experience that enhances academic programs and promotes student development. Extracurricular and co-curricular programs include student clubs and organizations, service-learning opportunities, international activities including study abroad, fine and performing arts, speakers and forums, and a full array of intercollegiate athletics.

Over 40 student clubs and organizations

MCC Athletics offers 16 intercollegiate sports with over 380 student athletes.

2014 NJCAA Division II Women’s Basketball and Men’s Baseball Champions

Last year, 1,139 MCC students performed 29,235 hours of service-learning.
Planning

MCC broke ground on a new 17,000-square-foot Enrollment Center on the east side of campus in 2014. This new facility is intended to improve student recruiting and retention, and to provide current and prospective students with “one-stop” resources for admissions and records, registration and advisement, financial aid, and cashier services. The new Enrollment Center is scheduled to open in 2015.

2014-2015 Budget

Mesa Community College has a total operating budget of $100.1 Million for FY 2014-15. Revenues flow through the Maricopa County Community College District to the 10 member colleges.

Financial Aid / Scholarships

Federal financial aid awarded last year to 11,974 students: $57,839,674
Scholarships awarded last year to 3,254 students: $3,980,812

Tuition

$84 per credit hour for Maricopa County residents
