*A great
beginning to a
brighter future.*

OUR VISION: To encourage global awareness for our campus, and community.

OUR MISSION: To develop a Global Center through international student services, study abroad programs, event programming, service excellence, and opportunities for internationalizing the campus with faculty partnerships to encourage global citizenship and student success.

WELCOME TO MESA COMMUNITY COLLEGE.
A GREAT *beginning* TO A *brighter* FUTURE.

Mesa Community College awaits you, where the sun always shines! Whether your goal is to transfer to a four-year university, complete a career program, or simply improve your English, MCC will provide it. With more than 27,000 students who attend MCC annually, over 75 degree programs to choose from, and an ESL program, MCC will provide you with an excellent educational experience. An accredited institution, MCC's International Education Program provides services to over 200 F-1 students from over 45 countries. We will support your needs with advising, workshops, programming opportunities, and a chance to meet new friends. We look forward to meeting you!

-ANNIQUE NESTMANN, *Director of International Education*

"Mesa is very centrally located, the people are so nice, and MCC offers a great Accounting program. The faculty and staff here make you feel at home!"

HYE MIN LEE,
ACCOUNTING MAJOR FROM SOUTH KOREA

"One thing I really like about MCC is the quality of education. Classes are smaller than a university so you get all the attention you need from your teachers and they always help you. I have made a lot of friends through all the clubs and activities I am involved in."

PARISA, GENERAL STUDIES MAJOR
FROM IRAN

DEGREES AVAILABLE

At MCC, you can study for a transfer degree, or a non-transfer degree. The transfer degrees (AA/AS/AGS/AAFA) are designed to give you all that you will need to transfer to a four-year university, and you will have completed the first two years of a Bachelor's Degree. For a list of over 70 Bachelor Degrees available for which you can complete your first two years at MCC, please visit <http://www.mesacc.edu/programs/by-degree>. A non-transfer degree will allow you to complete a program for a specific professional goal, and give you the tools you need to start or enhance your career.
