Henry Ford College will host the Great Lakes Academy Foundation Leadership Program Oct. 19-23 in the Community Room of the HFC Welcome Center on the main campus, 5101 Evergreen Road.

The purpose of the program is to help develop the leadership skills of area educators, administrators and executive leadership at colleges, universities and school districts in southeast Michigan. Participants will enjoy workshops and break-out sessions focused on effective leadership. This is the first time HFC is hosting this leadership

event. HFC will assign two chair academy facilitators to facilitate the Great Lakes Academy.

The Chair Academy, a department of Mesa Community College in Mesa, Ariz., and the Maricopa County Community College District in Tempe, Ariz., is dedicated to delivering exemplary leadership development. The Chair Academy has offered world-class, competency-based, leadership development programs for college and university leaders since 1992.

Those interested in registering for the Great Lakes Academy Foundation Leadership program at HFC Oct. 19-23 can do so by emailing Cecilia Yocham, the Chair Academy event coordinator, at leadership@chairacademy.com. Online registration is currently open. All interested individuals must ensure that they are registered no later than Sept. 18.

HFC employees interested in attending this program should contact Cynthia M. Eschenburg, vice president of Administrative Services, at 313-845-9821, or via email at cmeschenburg@hfcc.edu.
