Note: Although some documents may instruct the holder not to photocopy them. The USCIS had advised the Department of Education that these documents and others may be photocopied if done for lawful purposes such as documenting citizenship for the purpose of determining eligibility.

Note: The social security number is generally used as a Student Identification Number. Students who choose not to disclose their social security number will have a unique Student Identification Number assigned. Failure to provide a correct Social Security Number may preclude the determination of eligibility for in-state residency, resulting in out-of-state tuition.
