It’s all at MCC.

INCREDELY AFFORDABLE

CIVIC ENGAGEMENT

STUDENT SUCCESS

NATIONALLY RECOGNIZED

HIGHLY REGARDED FACULTY

ONLINE CLASSES

FREE STUDENT RESOURCES
Welcome to MCC

At MCC, we are dedicated to your success. In addition to an outstanding faculty and a comprehensive array of transfer and career and technical education programs, our college offers a multitude of services to support your education. Among those services are on-line student support, tutoring, counseling, financial aid and career advisement.

Each year we initiate projects designed to support and enhance your experience at MCC.

• Online degrees – MCC now offers more than 30 degrees and certificates completely online, providing you convenient and flexible options to complete your education. The list continues to grow and can be viewed at www.mesacc.edu/elearning/online-degrees-certificates.

• Support for students – Many MCC students test into developmental English, Math, and Reading classes for several reasons, including returning to school after a long hiatus. Through a grant from the U.S. Department of Education, MCC is developing new resources and programs, some of which may help you complete development coursework more quickly so that you can move into college-level coursework. If you test into development courses, ask the department offering the course what special resources might be available to help you succeed. My office also offers a mentoring program for students taking developmental education courses; information is available on MCC’s Connect for Success webpage.

• Campus Construction – At the Southern and Dobson campus, state-of-the-art Enrollment and Student Centers are being built. Once completed, all enrollment processes will be housed in one building, a luxury that our Red Mountain students have enjoyed for many years. Additionally, the Kirk Student Center is undergoing a phased renovation and expansion to provide enhanced space for student clubs, support services, and gathering places to eat and relax.

Research has long shown that students who stay on campus between classes and become part of the campus life have higher success rates. MCC has much more to offer than I can include in a single letter. Find out what is happening at MCC by visiting our calendar, Facebook, and Twitter pages, take advantage of the many resources available to help you succeed, get to know your classmates and your professors, and, most of all, get involved!

On a final note, I know that attending college requires a huge commitment of time and money. At times you may wonder if it’s worth the work and sacrifice. I personally can attest to the value of education in my own life. Data from the College Board Advocacy and Policy Center also documents numerous benefits, such as higher earnings, higher probability of employment, and more likely to receive health insurance benefits and pensions.

I know that you have many choices on where to attend college. Thank you for choosing MCC – my staff and I are committed to helping you succeed. I wish you all the best in your academic endeavors.

Shouan Pan, Ph.D.
President, Mesa Community College
Enrollment Success Steps

1. Set-up Online Student Account. Go to
   my.maricopa.edu

1. Create Your Student Center
   (This can be done online from anywhere.)
   Go to my.Maricopa.Edu and click on “first time users start here.”
   Follow instructions provided to obtain your maricopa enterprise ID (meid) and password, student id, and official student email account.
   (Students who do not wish to use their social security number must complete a student information form in person at admissions and records.)

2. Be Admitted To Mcc And Apply For Financial Aid
   • Go To My.Maricopa.Edu
   • Click Login
   • Enter Your User Id (Meid)
   • Enter Your Password
   • Click Sign In To Go To Your Student Center
   • In Your Student Center, Click Mcced Admissions Under Admissions
   • Select Mesa Community College As College Of Choice
   • Select Type Of Program (Degree And Certificates Or Credit/Non Credit)
   • Select Term And Continue With Steps To Complete Admissions Form

Financial Aid
   Apply For Financial Aid, Scholarships And/Or Veterans Education Assistance At Www.Mesacc.Edu/Students/Financialaid. For More Information Call The Financial Aid Office: Southern & Dobson Campus, 480.461.7441; And Red Mountain Campus, 480.654.7733.

3. Activate Your Official Student Email Account
   • Go To Www.Maricopa.Edu/Google
   • Enter Your Meid And Password
   • This Email Will Be Used For All College Communications And Can Be Forwarded To Your Personal Email Account.

4. Take The Placement Tests
   (Allow Three Hours On Campus)
   Preview Sample Test Questions And Recommended Course Placement

5. Meet With An Academic Advisor
   (Required For All New Students)

6. Register For Classes And New student orientation (Required For All New Students)
   After Meeting With Your Academic Advisor And Completing Your Individual Education Completion Plan, Register For Classes And New Student Orientation:
   • Go To My.Maricopa.Edu
   • Click Login
   • Enter Your User Id (Meid) And Password
   • Click Sign In To Go To Your Student Center
   • Click Add A Class Under Academics
   • Select Term (Semester), Career (Credit/Non-Credit), And Mcc, Then Click Continue
   • Click Search
   • Find Your Classes By Course Subject, Enter Course Number As Listed On Your Individual Education Completion Plan. For Example, Course Subject: CPD, Course Number: 150.
   • Click Search And Continue As Prompted
   • Proceed With Prompts As Appropriate
   • Click Next Button
   • Continue Enrollment Process Until Prompted With Message Saying Success: This Class Has Been Added To Your Schedule.
   • If You Are Not Sure Your Class Has Been Added Successfully, Please Call 480.461.7700 For Assistance.

7. Pay Tuition And Fees
   • Online: Go To My.Maricopa.Edu And Log In To Your Student Center
     Under Finances, Click Make A Payment
     Select Pay By Credit Card, Echeck Or Pay By Payment Plan
     • In Person: At The Southern & Dobson Campus Or Red Mountain Campus Cashier Services.
       • By Phone: To Pay By Credit Card, Call The Southern & Dobson Campus At 480.461.7000 And The Red Mountain Campus At 480.654.7200.
       • Bymail: Cashier Services, Southern & Dobson Campus, 1833 W. Southern Ave., Mesa, AZ 85202.
       • For More Payment Information, Call Cashier Services: Southern & Dobson Campus, 480.461.7400
         Red Mountain Campus, 480.654.7755

8. Buy Or Rent Textbooks
   Purchase Or Rent Textbooks At The Southern & Dobson Campus Bookstore,
   480.461.7225; Or Go Online At Www.Mesacc.Edu/Students/Bookstore

9. Obtain Your Student Photoid Card And Parking Permit
   Obtain Your Free Student Photo Id Card And Parking Decal, Required For All Students. For Southern & Dobson Campus Visit Student Life, Located In The Kirk Student Center. For Red Mountain Campus Visit The Mesquite Building, Enrollment Services (1st Floor).

10. Attend All Of Your Classes
    MCC Supports And Encourages Student Success And Program/ Degree Completion. Our “Success From Day One” Agenda Encourages All Students To Be Prepared For And Attend The First Day Of Class. Students Who Attend The First Day Of Classes Are Often Most Successful.

HISTORY AND DESCRIPTION OF MESA COMMUNITY COLLEGE

Mesa Community College is the largest of ten colleges that make up the Maricopa County Community College District (MCCCD) in metropolitan Phoenix, Arizona. The District originated with the opening of Phoenix Junior College in 1920 with an enrollment of 15 students. Phoenix Junior College was part of the Phoenix Union High School District. In 1960, Arizona’s legislature passed laws that established county-wide junior college districts to be administered by the Arizona State Board of Directors for Junior Colleges and by governing boards elected by the public. Two years later, Arizona voters enthusiastically created the Maricopa County Junior College District to expand affordable college education throughout the 9,200 square-mile county. To achieve this mission, the MCCCD Governing Board created three extensions of Phoenix College – one in northeast Phoenix, one in northwest Phoenix, and one in Mesa. The following year, in 1963, students began attending classes in the cramped quarters of a leased church building in an old church building at the corner of Main Street and Extension Road. Two years later, MCCCD transformed the Mesa extension of Phoenix College into Mesa Community College.

The change from “junior” college to “community” college is significant because it recognizes the growing and changing nature of our community’s educational needs. The junior college model had focused on providing general education courses that students could apply toward a baccalaureate degree at a university. The broader community college model recognized that citizens have a wide-range of educational needs. While many look to community colleges for general education courses, others seek career and technical training to improve their employment prospects or update skills they need in their current positions. Others attend community college to seek lifelong learning opportunities for their own edification.

In the fall of 1966, Mesa Community College opened its 160-acre campus at the corner of Southern and Dobson Roads with four permanent buildings. Through the years, as enrollment increased, temporary buildings were used as classrooms and offices, which permanent buildings eventually replaced. Construction continues as MCC works to meet community needs.

A second full-service campus – MCC at Red Mountain – in northeast Mesa at Power and McKellips Roads, a former location of a Rio Salado Community College extension, was established in 2001. Mesa Community College also has a presence at it’s Downtown Center, at Centennial Way and Williams Field, which is home to several specialized programs, and it’s Phoenix-Mesa Gateway Center, home to the State’s only Mortuary Science program.

From the original 15 students enrolled at Phoenix Junior College, Maricopa Community Colleges now serve more than 250,000 students annually, 23,000 of whom attend MCC. Approximately 40% of all residents of Maricopa County have attended one or more of the Maricopa Community Colleges. As the largest of those colleges, MCC remains dedicated to providing education of the highest quality at the most affordable cost and in the most convenient locations to the members of our community.

MCC VISION, MISSION, AND VALUES

VISION MCC – leading the way to success in our local and global community.

MISSION MCC excels in teaching, learning, and empowering individuals to succeed in our local and global community. We serve as a resource for college and career readiness, transfer education, workforce development, and lifelong learning.

VALUES Individuals & Community - MCC encourages active citizenship and embraces the diversity of people and ideas.

- Innovation- MCC delivers cutting-edge instruction and service.
- Integrity- MCC upholds the highest standards of ethics and public stewardship.
- Learning- MCC champions individual student success that reflects the highest academic standards.
- Service Excellence- MCC makes a positive difference in the lives of our students, community members, and each other through meaningful relationships.
ACCREDITATION
Mesa Community College is accredited by the Higher Learning Commission (HLC) of the North Central Association (NCA) Phone: (800) 621-7440.

The Nursing Program is accredited by the National League for Nursing Accrediting Commission, 61 Broadway, 33rd Floor, New York, NY, 10006, and approved by the Arizona State Board of Nursing.

The MCC Evelyn H. Warren Child Development Lab and the MCC Children’s Center are accredited by the National Association for the Education of Young Children (NAEYC).

The Associate in Applied Science in Mortuary Science Program is accredited by the American Board of Funeral Service Education (ABFSE), 3414 Ashland Ave., Suite G, St. Joseph, MO 64506, 816-233-3747, or online at www.abfse.org

The Veterinary Technology/Animal Health Program is accredited by the American Veterinary Medical Association

The Dental Hygiene and Dental Assisting Programs have Accreditation through the American Dental Association’s Commission on Dental Accreditation (COD)

ASSESSMENT OF STUDENT OUTCOMES
Student outcomes assessment is a term used to describe the measurement and documentation of what MCC students are achieving in their studies at the college. Faculty members define the outcomes of college programs and develop measures to assess them. The program includes three primary assessment areas: general education, career and technical education, and developmental education. For students pursuing their general education studies at the college, eight areas are assessed: Written and Oral Communication, Arts and Humanities, Cultural Diversity, Information Literacy, Scientific Inquiry, Numeracy, Problem Solving/Critical Thinking, and Global Awareness. The general education outcomes are assessed according to the following criteria:

Communication
1. Write a clear, well-organized paper using documentation and quantitative tools when appropriate.
2. Construct and deliver a clear, well-organized verbal presentation.
3. Interact in a collaborative, synergistic manner within a small group problem solving meeting.
4. Maintain an interpersonally effective climate within a one-to-one dyadic interchange.

Numeracy
1. Identify and extract relevant data from given mathematical situations.
2. Select known models or develop appropriate models that organize data into tables or spreadsheets, graphical representations, or symbolic/equation format.
3. Obtain correct mathematical results, and state those results with the qualifiers.
4. Use the results.

Problem Solving/Critical Thinking
1. Identify a problem or argument.
2. Isolate facts related to the problem.
3. Differentiate facts from opinions or emotional responses.
4. Ascertain the author’s conclusion.
5. Generate multiple solutions to the problem.
6. Predict consequences.
7. Use evidence or sound reasoning to justify a position.

Scientific Inquiry
Demonstrate scientific inquiry skills related to:
1. Hypothesis: Distinguish between possible and improbable or impossible reasons for a problem.
2. Prediction: Distinguish between predictions that are logical or not logical based upon a problem presented.
3. Assumption: Recognize justifiable and necessary assumptions based on information presented.
4. Interpretation: Weigh evidence and decide if generalizations or conclusions based upon given data are warranted.
5. Evaluation: Distinguish between probable and improbable causes, possible and impossible reasons, and effective and ineffective action based on information presented.

Arts and Humanities
1. Demonstrate knowledge of human creations.
2. Demonstrate an awareness that different contexts and/or world views produce different human creations.
3. Demonstrate an understanding and awareness of the impact that a piece (artifact) has on the relationship and perspective of the audience.
4. Demonstrate an ability to evaluate human creations.

Information Literacy
1. Determine the extent of information needed.
2. Access the needed information effectively and efficiently.
3. Evaluate information and its sources critically.
4. Incorporate selected information into one’s knowledge base.
5. Use information effectively to accomplish a specific purpose.
6. Understand the economic, legal, and social issues surrounding the use of information, and access and use information ethically and legally.

**Cultural Diversity**
1. Define culture and subculture.
2. Identify historical, geographic, and social forces that shape culture.
3. Identify how bias, assumptions, prejudice, and stereotypes shape perception.
4. Examine and analyze the relationship between perception and behavior and how that relationship affects interactions with others.

**Global Awareness**
1. Identify world economic and political systems, events, cultures, and geography.
2. Explain the impact of globalization on world societies and the natural environment.
3. Identify how historical events, perspectives, and cultures have shaped the nature of current global issues.
4. Analyze local, regional, and global implications of a current event.
5. Explain the impact of culture and experiences on one’s world view and behavior.

For students enrolled in a career or technical program, seven workplace skills are assessed: Ethics, Interpersonal Communication, Critical Thinking, Organization, Team Work, Technology Literacy, Personal and Professional Responsibilities. (See Career and Technical Programs for more information.)

Students enrolled in developmental education classes, which are designed to prepare students for college-level work, are assessed at the completion of the appropriate course sequence in English, mathematics, and reading. (See Academic Departments, Programs, and Services for more information.)

For general education, the performance of groups of students who are beginning their general education program of studies is compared to that of groups who are completing general education. For career and technical programs, students who are beginning and completing specific programs leading to AAS degrees or certificates are assessed on their workplace skills. Assessments are conducted in selected classrooms during an annual spring Assessment Week. Students participating in below-100-level courses are assessed in the last of the course sequence.

Using a statistical sampling method, approximately 200 class sections are selected to participate in the assessments each spring during Assessment Week. Students enrolled in these classes are asked to take one of the assessments during one class period. Individual student scores are not reported, and a student’s grade or class standing is not affected by his or her performance. It is important for students to make an honest effort to complete the assessments to the best of their ability so that the information collected is meaningful.

The Mesa Community College Student Outcomes Assessment Program provides clear evidence of student learning at the college. The assessment program has been in place for 18 years.

Overall results show that completing students consistently have performed significantly better than beginning students in both general education and career and technical program assessments. When examining results across measures, students have the most difficulty with skills involving application and/or evaluation of knowledge or information.

Student participation in follow-up studies after graduation or transfer from MCC may also be requested. Students selected to participate should take seriously their participation in these assessments. The only cost to students is a small amount of time, and the benefits are improved programs and instruction. Any information obtained will be used solely in determining the effectiveness of programs and student learning and in ways that do not reflect personally on individual students.

The findings are published in an annual report each fall and are used by MCC faculty to document student success and to determine how programs can be improved. Summaries of results are posted on the assessment website: www.mc.maricopa.edu/about/orp/assessment

**COMMUNITY PARTNERSHIPS WITH MESA COMMUNITY COLLEGE**

We have a civic responsibility to our community that is expressed through our commitments and volunteerism. MCC is actively engaged with local and national governments, not-for-profit organizations, and school systems to enhance life-long learning prospects for our community. Through the support of our generous community members and partners there is a broadened public awareness of the importance of college access and completion, and a strengthened sense of citywide collaboration. By working in a coordinated manner, we are bringing about positive changes that benefit individuals and organizations in our community.
ALUMNI
The MCC Alumni Association (MCCAA) is committed to serving and uniting alumni to promote the interests of MCC, its alumni, current and future students, and the community. The Office of Alumni Relations collaborates with members of the Association’s board and other MCC departments to keep alumni apprised of campus and association news, provide fellowship and networking opportunities, recognize the accomplishments of MCC’s alumni, and identify opportunities for alumni to reconnect with the college and get involved.

All students who earn an associate degree, certificate of completion, or complete 48 credit hours or more at MCC are considered alumni and members in the MCCAA.

Contact Alumni Relations at 480-461-7792 for additional information or visit www.mesacc.edu/alumni

CENTER FOR COMMUNITY EDUCATION
A wide array of non-credit classes, workshops, seminars, and employment preparation courses are offered through MCC’s Center for Community Education. Classes are held at Mesa Community College campuses and online. The diverse curriculum is available to those who seek opportunities for cultural enrichment, intellectual growth, career and professional development, as well as hobbies and other special interests. These courses provide access to MCC’s resources and facilities for those not enrolled in traditional credit carrying classes. Instructors are drawn throughout the East Valley, and provide contemporary content in an adult learning environment.

There are no entry requirements for Community Education classes beyond an individual’s interest in a subject. There is no limit to the number of classes in which a person may enroll. Classes are published in the MCC non-credit schedule three times a year.

To receive a current schedule of non-credit classes, please call the Center for Community Education at 480-461-7493 or visit www.mc.maricopa.edu/community/commuityed/

CHAIR ACADEMY
Our Mission is...

to design and promote world-class training programs and services to advance academic and administrative leadership for post-secondary institutions world-wide in an era of change.

Our Vision is...

to advance academic and administrative leadership for post-secondary institutions globally.

Our Value Statement
We are committed to excellence and continuous improvement in providing training to organizational leaders while recognizing the needs and respecting the diversity of our clients.

For additional information about the Chair Academy programs and offerings, please visit: www.chairacademy.com

COMMUNITY COLLEGE NATIONAL CENTER FOR COMMUNITY ENGAGEMENT
The Community College National Center for Community Engagement (CCNCCE) is a leader in advancing programs and innovations that stimulate active participation of institutions of education in service learning and community engagement for the attainment of a vital citizenry.

The Community College National Center for Community Engagement is a national organization with a twenty-three year history of successfully developing and managing innovative partnerships and disseminating lessons learned throughout the higher education community. An outcome of the mission of the CCNCCE is to support and promote the pedagogy of service-learning, a teaching method which combines academic instruction with community service as it focuses on increasing college access and completion, academic achievement and engagement, critical and reflective thinking and civic responsibility.

CCNCCE offers a complete battery of services that provide human, financial, and academic resources to community colleges that are endeavoring to develop, expand and sustain service-learning and civic engagement programs on campuses throughout the US and U.S. Territories. www.mesacc.edu/engagement
CONTINUING EDUCATION FOR PRACTICING PROFESSIONALS

MCC provides continuing education opportunities to practicing professionals in a series of non-credit seminars available at the college. Opportunities to attain Continuing Education Units (CEU’s) are currently available for practicing morticians and funeral personnel. Additional professional seminars are added to MCC’s Continuing Education schedule as developed. Please call Continuing Education at 480-461-7493 for seminar availability.

DEVELOPMENT

The College actively fundraises and seeks contributions from public and private sources including individuals, corporations, organizations, and foundations. The Maricopa Community Colleges Foundation (MCCF) acts as a trustee to assure that donations are distributed in the manner specified by the donor. MCCF is a 501(c)(3) non-profit organization; gifts are tax-deductible to the fullest extent of the law.

There are a variety of ways for donors to make gifts to MCC. Visit the website: www.mesacc.edu/development, where you will find helpful links for giving via cash, check, or credit card.

Donors can make gifts of cash, stock, property or bequests. MCC’s generous supporters ensure the future of the College, make student scholarships possible, and facilitate the growth of the campuses.

For more information, contact the MCC Office of Development at 480-461-7200 or visit www.mesacc.edu/development

For more information on the Maricopa Community Colleges Foundation, please visit www.dist.maricopa.edu/foundation/

MCC ONLINE

MCC Online represents the college’s dedication to enriching and expanding access to higher education through e-learning. Online courses allow students to participate in class anytime from almost anywhere. While online courses often require more time and attention than classroom-based courses, they are ideal for students who are unable to come to campus. Online courses cover the same material and have the same transfer values as courses offered on campus. While offering flexibility in learning, most MCC online learning courses adhere to a set schedule and specific deadlines. Contact the instructor to get more information about their online learning class requirements.

In addition to online courses, MCC also offers a wide selection of hybrid courses. Hybrid combines classroom and online instruction, meeting face to face less frequently.

A successful online learning student:
• is willing and able to communicate through writing
• is self-motivated, self-disciplined and organized
• seeks help and finds solutions when problems arise
• spends 6 to 15 hours per week on each class
• thinks critically and makes informed decisions
• has access to a reliable computer and Internet connection
• checks email and class site daily

Getting Prepared:
If you are new to online learning at MCC, take advantage of the online class orientation. This information can be found at www.mesacc.edu/mcconline/orientation.html and will assist you in getting started.

Register Early:
You are encouraged to register early for online classes as they often fill quickly. This will give you time to gather the information needed to start the class and connect with your instructor. For more information about e-learning at MCC, go to the MCC Online web site at www.mesacc.edu/mcconline/ or call 480-461-7928.

Students registered for online classes should go to www.mc.maricopa.edu/mcconline/current.html for important “getting started” information, including how to find your class.

NEW FRONTIERS FOR LIFELONG LEARNING

New Frontiers for Lifelong Learning (NFLL) is a peer led membership organization for older adults that offers opportunity for lifelong learning in a variety of settings. Members participate in interactive study groups as well as travel, social, and volunteer activities.

At NFLL, members learn in a pleasant social atmosphere facilitated by peers. The friendly peer-network environment eliminates the need for grades, quizzes, and prerequisites. Interactive study groups are held at MCC at Southern and Dobson, Red Mountain campus (Power and McKellips Roads), the Downtown Center, and other community locations.

In the fall and spring semesters, free lectures are offered on various afternoons at the college by MCC faculty and other speakers on a wide variety of topics. Please call 480-461-7497 for information about New Frontiers or go to www.Newfrontiers-mesa.org
MCC SUMMER YOUTH COLLEGE

Young people ages 4 to 18 can come to Mesa Community College for a variety of learning experiences designed to let students explore interest areas for now and for future pursuits. Workshops, classes, and camps are offered at the Southern & Dobson Campus in a safe, supervised environment.

Examples of these fun and interesting opportunities include:

- Magic of Musical Theatre Workshops
- Rock Music Camp
- Mesa Youth Acting Academy
- Studio 180 Camp – Video Game Design
- Getting to Know “Alice” – Action Computing
- The Organic Animation Studio
- Fashion Design Camp
- Extreme Sciences & Storm chasing
- Youth Culinary Camp
- Leadership 101
- Future Leaders’ Academy for the Gifted
- Kickstart for Kindergarten and First Grade
- Action Math and much more...

For additional information please go to www.mesacc.edu/students/early-college-programs/youth-college

Or call the Center for Community Education at 480-461-7493.

- Computer Technology Courses
- Community Service Projects
- Studio Art Groups
- And much more!
- Hiking Adventures
- Literary Discussions
- Theater Parties
- Leadership 101
- Future Leaders’ Academy for the Gifted
- Kickstart for Kindergarten and First Grade
- Action Math and much more...

For additional information please go to www.mc.maricopa.edu/communityed/summeryouth.html

Or call the Center for Community Education at 480-461-7493.

**ADVICEMENT TRANSFER AND REGISTRATION SERVICES**

Academic advisors assist students with educational goal planning, individual educational completion plans, selection of appropriate coursework, and guidance in the use of campus resources. They also provide transfer information, resource materials, and appointments with visiting university representatives.

New-to-college students must complete academic advising on campus or through our online advisement services sa-onlineadvisors@mesacc.edu. Continuing students are encouraged to meet with an advisor each semester.

The registration team will assist students with self-enrollment, special registration functions and information regarding my.maricopa.edu.

For more information, please visit: www.mc.maricopa.edu/students/advisetransfer or call 480-461-7222 or in person at Kirk Student Center Enrollment Services office at the Southern and Dobson campus or Enrollment Services at the Red Mountain Campus call 480-654-7600.

The Advisement and Registration Services office also implements the probation and continued probation provisions of the academic standards policies. Students who are on academic probation or continuing probation should meet with an academic advisor as soon as possible. Appointments are made by calling 480-461-7222 or in person at the Kirk Student Center Enrollment Services office at the Southern and Dobson campus and by calling 480-654-7600 for assistance at the Red Mountain Campus.

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

**ADMISSIONS**

The Office of Admissions provides informational services to students, processes applications for admission to the college, determines residency for tuition purposes, processes name changes, evaluates transcripts from other colleges and posts received
transcripts, processes and verifies credit by exam and credit by evaluation, and assists students through the enrollment process. Call 480-461-7600 for more information.

Effective 07/01/2013 evaluation and posting of credits from other college will be done only upon student request. To request processing of a submitted transcript, complete and submit the College Transcript Evaluation Request form located at: www.mesacc.edu/admissions-records/transferring-course-credits

For more information published by the Maricopa Community College District on this topic, please see the “MCCC Policies and Procedures” section of this catalog.

ALUMNI RELATIONS

The MCC Alumni Association (MCCAA) is committed to serving and uniting alumni to promote the interests of MCC, its alumni, current and future students, and the community. The Office of Alumni Relations collaborates with members of the Association’s board and other MCC departments to keep alumni apprised of campus and association news, provide fellowship and networking opportunities, recognize the accomplishments of MCC’s alumni, and identify opportunities for alumni to reconnect with the college and get involved.

All students who earn an associate’s degree, certificate of completion, or complete 48 credit hours or more at MCC are considered alumni and members of the MCCAA.

Contact Alumni Relations at 480-461-7792 for additional information or visit www.mesacc.edu/alumni

AMERICAN INDIAN INSTITUTE

The American Indian Institute (formerly the American Indian Center) was established to address the needs of American Indian students and to serve as a resource on campus and within the community to promote inter-group awareness and understanding. The Institute’s personnel encourage a strong working relationship between Mesa Community College and Tribes groups in order to minimize transition difficulties a student may encounter when leaving his/her home area.

Services provided include: academic advisement, educational planning, career advisement, enrollment, retention, club advisement, peer support, individual counseling, personal growth experiences, study groups, and participation in cultural events. The center also assists with Tribal scholarships to ensure funding sources for the student. Support is offered to encourage students to complete an associate’s degree program and also to continue to pursue higher educational goals.

For more information, call 480-461-7931 or visit www.mesacc.edu/students/AIC

ASSESSMENT OF STUDENT OUTCOMES WITH STUDENT PARTICIPATION

Each spring during Assessment Week, groups of students are selected to participate in an assessment during a regular class period. Results do not affect students’ standing in their course or their grade point average. Rather, overall results are used to document student learning and identify areas for program improvement. Students may also be asked to complete opinion surveys related to academic and student services. In addition, graduate and alumni surveys are gathered. Through student participation in these activities, the college is able to determine the effectiveness of a wide range of programs and services.

ATHLETICS

Intercollegiate Athletics at Mesa Community College (MCC) is an integral part of the total student experience. MCC is a member of the Arizona Community College Athletic Conference (ACCAC) www.accac.org/ and the National Junior College Athletic Association (NJCAA) www.njcaa.org/.

Athletic eligibility and scholarships require that a student athlete have a high school transcript with a graduate date or G.E.D. on file in the Office of Student Records. A first-year participant must be enrolled as a full-time student (minimum of 12 credits) and maintain a 2.0 grade point average (G.P.A.). A second-year participant must be enrolled as a full-time student and have passed 24 credits with a 2.0 G.P.A. prior to the start of the second season.
Women’s athletics offers teams in eight intercollegiate sports: basketball, cross-country, golf, soccer, softball, tennis, track and field, and volleyball. Women desiring to participate in a particular sport should contact the head coach of that sport.

Men’s athletics offers eight intercollegiate sports: baseball, basketball, cross country, football, golf, soccer, tennis, and track and field. Men desiring to participate in a particular sport should contact the head coach of that sport.

A student athlete should contact the head coach or athletic director for additional information regarding eligibility and athletic scholarships. For information, call 480-461-7542 or visit our website at www.athletics.mesacc.edu

ATTENDANCE
For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

BOOKSTORE
The Bookstore carries everything to make the most of your college experience: used and new textbooks, school supplies, reference books, general reading books, MCC apparel and gifts, and academically priced software. Shop in-store and online at www.mesa.bkstr.com

The MCC Bookstore offers a textbook rental program as well as digital textbooks.

Visit www.rent-a-text.com for more details on our rental program.

Visit www.cafescribe.com for more details on our digital textbook program.

MCC Bookstore at Southern & Dobson 480-461-7225
MCC Bookstore at Red Mountain 480-654-7696

CAREER SERVICES
Career Services offers a variety of resources and assistance to those making decisions related to career and educational planning as well as employment and job searches. Services include computerized career guidance, a virtual Career Center at www.mesacc.edu/career, current labor market information, guidance on resume preparation, interviewing techniques, internship opportunities, and job search strategies. In addition, job listings are available online through the Maricopa Career Network at www.maricopa.edu/careers

For more information on career services, call 480-461-7592 or visit www.mesacc.edu/career

CASHIER SERVICES/BURSAR OFFICE
The Cashier/Bursar Office is responsible for collecting and posting payments on students’ accounts. The Cashier/Bursar Office oversees monthly tuition payment plans, financial aid disbursement, and the collection of past-due debts. It is important for students to know their payment deadline dates and to familiarize themselves with the refund policy. The refund policy can be found by visiting www.maricopa.edu/publicstewardship/governance/adminregs/student/2_2php#refund. For additional information about services call 480-461-7400 or visit www.mesacc.edu/students/cashiers/index.html

CENTER FOR COMMUNITY & CIVIC ENGAGEMENT
Vision
Our vision is to prepare students to become civically engaged citizens.

Mission
To promote excellence in teaching and learning through active service. We collaborate with the community, encourage servant leadership, promote personal growth, and foster social responsibility.

Goals
To promote and build Civic Engagement opportunities across the campus.

To assist faculty with incorporating service-learning into their classes.

To help students find appropriate placement sites for service-learning assignments or as a volunteer.

To build working relationships with our community partners while developing reciprocal service-learning opportunities for our students and faculty.
Service-Learning opportunities are incorporated into many classes throughout the college. Interested students can also enroll in 1, 2, or 3-credit service-learning classes in any one of 25 or more academic disciplines and serve at their choice of over 300 community agencies. We also administer some special programs: AmeriCorps, America Reads, Fast Tracking the Dream to College Completion and the President’s Volunteer Service Awards.

Civic Engagement
Definition: Civic engagement encompasses actions to promote the quality of life in the community, through both political and non-political processes.
1. Inclusiveness - demonstrate an ability to engage respectfully with others in a diverse society
2. Application of knowledge - apply the knowledge of one’s own study and experiences to active and ethical participating in civic life
3. Demonstration of civic identity and commitment - provide evidence of experience in and reflection on civic engagement activities
4. Civic communication - communicate and list to others in order to establish personal and professional relationships to further civic actions
5. Engagement in civic action and reflection - demonstrate the ability to deliberate and collaborate on issues and problems to achieve a civic aim

See the Center for Service-Learning for more information regarding these special programs. For more information, please call 480-461-7393 or visit www.mesacc.edu/service-learning

CHILDREN’S CENTER
The Children’s Center at Southern and Dobson provides quality childcare for the children of MCC students and employees. The Center is licensed by the Arizona Department of Health Services to provide care for children three years (must be potty-trained) to twelve years of age. The Children’s Center offers a variety of experiences in a fun environment for preschool and older children.

The center has a contract with the Department of Economic Security (DES) for students who are DES-eligible for child care subsidy. The Children’s Center is accredited by the National Association for the Education of Young Children. For more information on childcare services, call 480-461-7082 or visit www.mesacc.edu/children

CLUBS AND ORGANIZATIONS
Clubs and organizations are set up to enhance the learning experience at Mesa Community College. Students may interact with peers at leadership programs, on educational field trips, during meetings, and at various other events.

Clubs are an important and vital component of the total educational experience. Students may participate in programs that enhance their occupational training or social activities and reflect special interests including cultural events, community service projects, and forums dealing with today’s issues. Students may join a club at any time by contacting the listed advisor or signing up during club-sponsored events. For additional questions, please contact the Office of Student Life and Leadership at 480-461-7285 or for the Red Mountain campus call 480-654-7759.

Active clubs are listed at www.mesacc.edu/students/life/clubs

COMPUTER LAB FOR MULTI-USE
The multi-use computer lab requires that students must be currently enrolled in a computer-based class and have a current MCC ID card properly bar-coded to access the lab. For more information please call 480-461-7098. The Multi-Use Computer Lab is located just northeast of the clock tower in the center of campus.

Fall and Spring Hours:
Monday - Thursday 7:00 AM - 10:20 PM
Friday 7:00 AM - 8:20 PM
Saturday 7:00 AM - 4:20 PM

All computer lab equipment is available on a first-come-first-served basis.

1. Help us maintain a library-like atmosphere by keeping noise levels to a minimum.
2. Turn off beepers and cell phones. Hold quiet conversations.
3. Conserve paper and toner! Limit yourself to 10 copies of a document and refrain from printing large jobs, especially heavily graphical websites.

4. Don’t bring any food or drinks into the lab. This includes leaving drinks on the tables and filing cabinets by the doors. Keep it all outside. Bottled water with cap is acceptable.

5. Please ask your guests to wait in the student lounge. Guests are not allowed in the lab. Only registered MCC students are permitted inside the lab. This includes children.

6. Group projects need to be scheduled with computer lab if space is available.

7. Never install software on any of the computers.

8. Practice good desktop housekeeping. Close all programs you’ve opened. If you’ve changed the desktop, please put the settings back to the lab defaults when you leave.

COUNSELING

The Counseling Department offers students a variety of services to help them address personal, social, educational, and career concerns. Through the department’s support and guidance, students are empowered to complete educational and personal endeavors successfully. Academic success, personal well being, and emotional well being are interrelated. Students are invited to take advantage of free, confidential services offered to help them achieve their full potential.

Students are best served through an appointment system to arrange for quality personalized sessions. In crisis situations, no appointment is necessary.

Southern and Dobson Campus
Counseling Center
Library LB11, Second Floor
480-461-7588

Red Mountain Campus
Palo Verde Building
Office 212
480-654-7210

Services provided by the Counseling Department include:
- Student Opportunities for Success Workshops (SOS)
- First-Year Experience Programs and Workshops
- Math Avoidance Reduction Activities
- Academic Counseling
- Career Counseling

DEVELOPMENTAL EDUCATION

MCC is committed to supporting and promoting student success in a variety of ways. Students who may not be prepared for college-level work can enroll in developmental courses (those numbered below the 100-level) in mathematics, English, and reading. These courses are designed to provide students with the review and skills needed to engage in college-level coursework.

The college offers free tutoring in mathematics, English, and reading at several centers, including those especially designed for students taking developmental courses.

For more information about tutoring in specific areas, contact the department or the Learning Enhancement Center:

480-461-7678 Dobson & Southern or
480-654-7735 Red Mountain

Mathematics 480-461-7076
English 480-461-7643
Reading 480-461-7020

DISABILITY RESOURCES AND SERVICES

The Office of Disability Resources and Services (DRS) provides assistance to students with disabilities, including those with learning, physical, psychological, and other disabilities. Services include advisement, registration, academic accommodations, and coordination with campus and community services. For more information, call our
Southern and Dobson campus at 480-461-7447 or fax 480-461-7907. For DRS information at our Red Mountain campus, please call 480-654-7771. www.mesacc.edu/students/disability

Some of the services offered, depending upon individual need, include the following: scribes and note takers, interpreters, specialized adaptive equipment, emergency wheelchair loan, classroom assistants, special testing arrangements, community referral, academic advisement, and registration assistance. To receive services and accommodations through Disability Resources and Services, students need to provide documentation stating a diagnosis or disability. This documentation must be obtained from a licensed psychologist, psychiatrist, or medical doctor and printed on official letterhead of that person’s office. The documentation is submitted to Disability Resources and Services. The documentation is confidential and will be used for the sole purpose of determining which accommodations are appropriate. Please call 480-461-7447, fax 480-461-7907, or visit www.mesacc.edu/students/disability.

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

The Adaptive Lab, located on the first floor of the Paul A. Elsner Library on the Southern and Dobson campus, is a unit of the MCC Disability Resources & Services Department. The Lab provides ADA-compliant computers for access to information and resources needed by students with disabilities. The area’s equipment and software includes screen magnification on large-screen monitors, voice recognition software, synthesized voice screen readers, software and equipment to convert text to electronic formats and Braille. In addition to the workstations in this lab, several workstations throughout the building are adjustable height workstations. Please call 480-461-7447 or fax 480-461-7907.

Disability parking spaces are available and designated in all parking lots on campus. In addition, wider spaces for loading and unloading from vans are available in several parking lots. Please note that students with disabilities with a properly identified vehicle may park in any faculty or staff space as well as in those designated as handicapped areas. Temporary parking permits and information on location of special parking areas are available through Disability Resources and Services. Students whose impairments are not obvious may be required to provide substantiation from a physician of the need for disabled parking privileges. For more information, please visit www.mesacc.edu/students/disability.

DISCIPLINARY STANDARDS

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

EARLY ALERT REFERRAL SYSTEM (EARS)

Early Alert Referral System (EARS) at Mesa Community College is committed to the success of all our students. Numerous campus support services are available throughout your academic journey to assist you in achieving your education goals. MCC has adopted EARS as part of a student success program to aid students in their educational pursuits. Faculty and staff participate by alerting and referring students to campus services for added support. Students may receive a follow up contact from various campus services as a result of being referred to EARS. Connections to campus resources and services can be a great asset to students to having a successful semester. Students are encouraged to participate, but these services are optional.

Campus Resource information is available at EARS website: www.mesacc.edu/ears or on MCC’s homepage click on “Current Students” and then click “Services” EARS is listed and will additional information.

EARLY COLLEGE PROGRAMS

Early College programs at MCC provide students with an opportunity to earn college credit while they are in high school. ACE (Achieving a College Education) and Hoop of Learning Programs are scholarship programs designed to improve access
to higher education and improve success once enrolled in college. Applications for the ACE and HOL programs is during the fall of a student’s sophomore year in high school. Dual enrollment is the opportunity to take college courses at the students home high school, while concurrent enrollment gives students full exposure to a college course by enrolling in a course on our campus with other college students. Call 480.461.7705 for more information or visit www.mesacc.edu/earlycollege

ENROLLMENT SERVICES AT RED MOUNTAIN

Enrollment Services at the Red Mountain campus provides students the opportunity to complete essential enrollment functions – admission, placement testing, academic advising, registration, and tuition payment – all in a one-stop environment. Enrollment Services at Red Mountain also provides Student Support Services in the areas of: veterans, financial aid, career and disability resources. Call 480-654-7600 for more information or visit www.mesacc.edu/redmountain/

ESL SUPPORT SERVICES

ESL (English as a Second Language) Support Services provides informational services to prospective students who wish to enroll in ESL courses. The office assists students through the enrollment process by providing services for admission to the college, academic advisement, and course registration for ESL courses. ESL Support Services is located on the main floor of Kirk Student Center at the Southern and Dobson campus. Please call 480-461-7898 for additional information. For assistance in Spanish, please call 480-461-7455.

FINANCIAL AID SERVICES

Students who are attending Mesa Community College and who meet the federal requirements of an eligible student for financial aid may apply for the following types of financial assistance: grants, loans, and work-study. To apply for financial aid, students must complete a FREE Application for Federal Student Aid available at www.fafsa.gov For further information please call 480-461-7441 or visit our website www.mesacc.edu/finaid

Students receiving federal financial aid have specific requirements for academic progress that are applied differently than scholastic standards. Specific information is available at http://mesacc.edu/financial-aid/who-eligible/satisfactory-academic-progress

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

FITNESS CENTER (FC)

The Fitness Center at both Southern & Dobson and Red Mountain features both resistance and cardiovascular exercise equipment including: Cybex exercise equipment, dumbbells and core equipment, Precor cycles, Precor elliptical runners, recumbent bikes, step mills, and treadmills. Use of this facility can provide students with a total body-conditioning program based on their individual goals. For more information contact: Jim Haggerty, Southern and Dobson campus at 480.461.7556 or Devi Davis-Strong, Red Mountain campus at 480.654.7726.

GED EXAMS

(See Testing Services)

GRADUATION

Students must meet all requirements for graduation. Graduation requires a minimum grade point average. Some specific programs have higher-grade requirements. It is the student’s responsibility to be aware of these program requirements.

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

Graduation with Honors is possible after all courses used to fulfill graduation requirements, including courses from other accredited institutions, are entered in the grade point average calculation. Students who have the following grade point averages will graduate with the following designations:

<table>
<thead>
<tr>
<th>Grade Point Average</th>
<th>Designation</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.5 to 3.69</td>
<td>With Distinction</td>
</tr>
<tr>
<td>3.70 to 3.89</td>
<td>With High Distinction</td>
</tr>
<tr>
<td>3.90 to 4.0</td>
<td>With Highest Distinction</td>
</tr>
</tbody>
</table>
GRIEVANCES

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section AR 2.3.5 & Appendix S-6 of this catalog.

GROUP ACTIVITY CENTER (GAC)

The Group Activity Center (GAC) offers students flexible workout classes in a friendly personalized setting at both Southern & Dobson and Red Mountain. Both day and evening classes are available so student can create their own schedule. Pick up a GAC schedule of classes in any of the Lifetime Fitness facilities. Classes may include: Body sculpting, Boot camp, Cycling, Kick “n” Box circuit, Pilates mat work, Total Body Conditioning, Yoga, Zumba and other cardio and muscle conditioning classes. For more information contact Gail Herndon at 480-461-7578.

HEALTH IMPROVEMENT CENTER (HIC)

The Health Improvement Center (HIC) Southern & Dobson only. The HIC offers a workout experience in functional resistance training through the use of free motion exercise machines. Sorinex weight lifting platforms, free weights, and dumbbells. Cardio-respiratory fitness can be developed through the use of treadmills, step mills, Precor elliptical runners and Precor cycles. For more information contact: Jim Haggerty at 480-461-7556.

HONORS

The Honors Program provides funds to help defray the costs of attending college. The Presidents’ Honors Scholarship currently covers in-state/in-county tuition up to 15 credit hours (plus the $15 registration fee) per semester, but does not apply to summer sessions. To be eligible, students must enroll at Mesa Community College within the academic year (two academic semesters) following high school graduation without having attended another accredited college or university before enrolling. Students who graduate in the top 20 percent of an NCA-accredited Maricopa County high school class and have either tested into at least ENG101, MAT120, and CRE101 or have successfully completed the requisite work to be prepared for placement into those courses are eligible to receive the scholarship. Students may also test into the program if they had a final cumulative high school grade point average of 3.0 or higher and tested into the placement tests (WritePlacer score of 6 or higher; Exemption from CRE101; Placement in MAT120 or higher). This is an opportunity for recent high school graduates who are willing to make a commitment to their community and their own future.

Students with at least a 3.25 grade point average and 12 cumulative semester credit hours from the Maricopa Community Colleges may qualify for the Honors Achievement Award of up to $325.00 each semester. These students will be identified as Honors Students and will be eligible to take honors classes and participate in all honors activities and opportunities.

The Honors Office is located in the Social/ Cultural Science Building on the south end of the Southern and Dobson campus. Honors students may register for classes at this location. Call for the registration schedule at 480-461-7079. The Honors Co-Coordinators are: Shereen Lerner at 480-461-7306 and Scott Russell at 480-461-7369. For more information visit our website at www.mesacc.edu/honors

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

HOUSING/LIVING ACCOMMODATIONS

Mesa Community College has no on-campus housing. All housing arrangements are the responsibility of the individual student. The Office of Student Life and Leadership provide a free housing directory of local apartments and also provide a listing of roommates. The Housing Guide and Directory are available only to current Mesa Community College students. To view the Housing Guide, please visit www.collegeapartmentguides.com/mesa/

Students can also view current listings for rentals
and roommates posted by other students. Listings are available in the Office of Student Life and Leadership in the Kirk Student Center at the Southern and Dobson location or in the Mesquite Building at the Red Mountain campus. For more information, please call 480-461-7285 or 480-654-7759 at the Red Mountain campus.

INTERNATIONAL EDUCATION (IE)

Our Vision: To promote global awareness for our campus and community.

Our Mission: To develop a Global Center through study abroad programs, international student services, event programming, service excellence, and opportunities for internationalizing the campus with faculty partnerships to encourage global citizenship and student success.

The IE Office offers services for F-1 international students interested in studying at MCC, current international students, and American students interested in studying abroad. IE also serves as a resource for campus international and intercultural initiatives. For more information, please visit www.mesacc.edu/international-education or call 480-461-7756.

F-1 International Students

The International Education Office provides Admissions services to prospective F-1 students, and the following services to all continuing international students who need assistance with: academic and immigration advising, intercultural adjustment, health insurance, housing information, on and off campus employment opportunities, university transfer, changes of major, I-20 extensions etc. The office also provides support to the International Student Association club, and organizes cultural activities to enhance the cross-cultural understanding among the domestic and international students for the campus.

Study Abroad

The International Education Office offers a variety of study abroad programs in different worldwide countries. These exciting programs are developed and led by our faculty, and provide a great opportunity to learn and travel at the same time.

The Coordinator of the program assists in selecting programs, the application process, scholarship and financial aid. All programs require applications and have eligibility requirements. Those forms are available in the International Education Office, online under each program, or on our website at www.mesacc.edu/international/study-abroad.

For additional information on the services provided by International Education, please visit our website at www.mesacc.edu/international-education or call 480-461-7756. You can also email us at the following email addresses:

Current F-1 Students: ie@mesacc.edu
Study Abroad Student Inquiries: studyabroad@mesacc.edu

LEARNING ENHANCEMENT CENTER (TUTORING AND OTHER ACADEMIC SUPPORT SERVICES)

The Learning Enhancement Center (LEC), located on the first floor of the Paul A. Elsner Library, provides free tutoring in most subjects and other academic support services to help MCC students succeed and excel in their coursework. The Learning Enhancement Center provides a one-on-one and group tutoring with professional and peer tutors, online tutoring, computer-assisted instruction, and study groups. Tutoring is available by appointment or on a drop-in basis at several locations, including the Elsner Library; the Music Building (Building 43); the Math/CSC Center (Building 7); the Physical Science Building Center (PS 100); and the PIRC Lab (Building 42). The Academic Skills Center (EF 1) provides tutoring and computer-assisted instruction for students taking Communication, English, English as a Second Language, and Reading courses below the 100-level. The Math Foundation Center (MS 113) provides tutoring and computer-assisted instruction for students taking mathematics courses up through MAT122.

On the Red Mountain Campus, the Learning Enhancement Center is located on the first floor of the Desert Willow Building. The Biology Center is located in building (S 154) at Red Mountain Campus.
Evening hours are available at many locations. Online tutoring through SMARTTHINKING is available for MCC students from the LEC website and the MyMCC portal. Tutoring in some subjects is available on a 24/7 basis. Other subjects have scheduled hours.

Students are invited to explore the LEC website and learn more about our services. Hours of operation are posted at each location and on the website.

Students who wish to use tutoring services or ask questions about tutoring are welcome to stop by the Learning Enhancement Center. For more information about our services, call 480-461-7678 or 480-654-7735 (for the Red Mountain Campus) or visit www.mesacc.edu/library/LE

LIBRARY AND HIGH TECHNOLOGY COMPLEX

The Paul A. Elsner and Red Mountain libraries support research and learning activities on both campuses by providing full service libraries, computer commons, writing centers, and learning enhancement centers that provide tutoring services.

The library collections include print and electronic resources. Web-based resources include the Online Public Access Catalog, which lists the holdings of all college libraries in the Maricopa Community Colleges District, electronic books, numerous periodical and reference databases, and online reference assistance.

In-house reference services offer individual, personalized assistance, and classroom instruction in library research skills. Faculty librarians are available for consultation during the libraries’ scheduled hours.

Materials may be checked out at the library circulation desk. Included are materials that instructors have placed on reserve for short-term circulation, interlibrary loan materials obtained from other libraries, and materials from various special collections. A valid student identification card is required for checking out materials. Loan periods vary from three weeks for general circulation materials to three-day, overnight, or one-hour use for reserve materials. For convenience, an outside book drop is available for returning materials when the library is closed or during vacation periods.

Small group study rooms are available. The library’s Southwest Studies Reading Room, located on the third floor of the Paul A. Elsner Library, houses the Southwest Collection and provides a peaceful and beautiful study space.

The Elsner Library also provides academic support for students using a variety of methods and technologies:

Computer workstations are available on both the first and the second floors of the Paul A. Elsner Library on the Dobson and Southern campus. In these workstations, students can access the Online Public Access Catalog (OPAC) which houses the collection of all Maricopa Community Colleges libraries as well as research databases, the Internet, and college email.

Software is accessible on the first floor of the Paul A. Elsner Library, and it can support coursework. Students can find programs in Anthropology, ESL, Math, Nursing, Physics, Reading, Spanish, and other subjects.

LOST AND FOUND

(MSee College Safety)

MEDIA SERVICES

Media Services is located in the north wing of the Academic Support Building. The center provides video and DVD copies of theater productions, lectures, special events, and some class materials for students for a fee.

If media equipment is needed for a student presentation in the classroom, your instructor must request an AV equipment delivery from the Media Center. This equipment includes, but is not limited to, VHS/DVD players, computers, display devices, flip charts, overhead projectors, and audio equipment. To order equipment, your instructor must call 480-461-7678 at the Southern and Dobson Campus, or 480-654-7705 at the Red Mountain Campus at least 24 hours before your class presentation. Both centers are open from 7:00 a.m. to 10:00 p.m. Monday through Thursday and 7:00 a.m. to 4:00 p.m. on Friday.
MULTICULTURAL AND STUDENT SUPPORT SERVICES

The Multicultural Services office works collaboratively with other support services, academic departments, and community groups to provide retention services and programs for historically under-represented groups. The department provides such services as academic advisement, individual education plans, mentoring, leadership training, and cultural events. For more information call 480-461-7453 or visit www.mesacc.edu/students/multicultural

PETITIONS

The guidelines and approval to circulate petitions may be obtained in the Office of Student Life and Leadership in the Kirk Center or in the Mesquite Building at the Red Mountain campus. Reservation form and information can be found on the Student Life website at www.mesacc.edu/students/life or call 480-461-7285.

PUBLIC SAFETY DEPARTMENT

The Public Safety Department facilitates the college mission of promoting excellence in teaching and learning by providing a safe and secure campus environment.

In compliance with federal law, MCC Public Safety compiles and reports annual crime statistics to the US Department of Education. Those statistics are available at any time from our office or may be accessed on our website at www.mesacc.edu/collegesafety

State-accredited police officers and civilian security personnel staff public Safety. The office is open 24 hours a day, seven days a week. All emergency matters should be directed to the Public Safety Department. For assistance in an emergency, call 480-461-7777 at MCC at Southern and Dobson, or 480-654-7444 for MCC at Red Mountain or 480-461-6116 at the Down Town Center.

Proper identification may be requested by authorized public safety personnel, should the need arise. Students failing or refusing to identify themselves properly:

- Will be asked to leave the campus (if conduct or behavior warrants such action)
- Will be reported to the Dean of Student Affairs

Securing personal property, including motor vehicles, bicycles, mopeds, and motorcycles, is the student’s responsibility. Mesa Community College assumes no responsibility for damage to a motor vehicle or for any loss while vehicles are parked or operated on or near the campus. Motorcycles and mopeds can be parked only on crossbars or areas designated for motorcycle parking. Bicycles must be parked in existing bike racks only. Mopeds, bicycles, and/or motorcycles that are found chained or affixed to trees, buildings, or light posts are subject to removal. They will be secured in the Public Safety Office. Owners will be responsible for the cost of the lock or chain cut.

Firearms, explosives, knives, or instruments that can be considered dangerous weapons are prohibited on campus. Only certified police officers are permitted to carry firearms on campus. All persons desiring to bring firearms to campus for classroom demonstrations or any other academic reason are required to obtain permission first from the Public Safety Office and bring them to the Public Safety Office for examination prior to the demonstration.

Alcohol and illegal drugs are prohibited on campus. Effective July 1, 2012, MCCCD becomes smoke-free. Smoking is not permitted anywhere on college
property. Students failing to follow the smoking regulation after an appropriate warning will be reported to the Dean of Student Affairs.

Any accidents on campus should be reported to the Public Safety Office. Students can obtain an accident report from the Public Safety Office.

Security escorts are provided to and from parking lots when requested.

Minor vehicle assistance such as dead batteries is rendered to motorists with disabled cars.

Lost and Found is located in the Public Safety Office. Lost and found items and inquiries should be directed to this office. MCC Public Safety is located at the west end of the Social/Cultural Science Building at the Southern and Dobson campus, and in the Ironwood Building at MCC at Red Mountain.

The campuses are normally closed between 11:00 PM and 6:00 AM daily. The Public Safety Office should be notified of any planned activity during those hours.

College traffic/parking regulations are under the jurisdiction of the college administration. Regulations apply to all members of the college community.

- Maximum speed limit on campus is 15 miles per hour.
- Students, faculty, and staff members who operate motor vehicles on campus must register their vehicles with the Public Safety Office or Student Services and display a decal in accordance with current regulations. Registration is free of charge. Employees must register their vehicles at the Public Safety office. Decals remain in effect for five years from the semester of issue.
- Stop signs, pavement arrows, right-turn-only signs, and other traffic control devices must be observed and complied with. Vehicles must stop at marked crosswalks to yield to pedestrian traffic within the crosswalks.
- Persons driving on campus must follow directions given by Public Safety officers and furnish student or other identification when requested.
- Vehicles may be parked only in those spaces designated for their particular type of sticker.

- Students may park in any marked parking space except those marked Employee, Handicapped, Maintenance, No Parking, or with a yellow or red curb.
- Faculty and staff may park in any marked space including those marked Employee, but not in those marked Handicapped, No Parking, Maintenance, or with a red or yellow curb.
- Persons having a Handicapped sticker on their vehicle may use any marked space on the campus, including those marked Handicapped. Vehicles having a Handicapped permit may not park on red curbs.
- No vehicle other than an emergency vehicle may be parked along red curbs or in striped areas. These are fire hazard and safety zones, and violators may be towed away without warning.
- No vehicle may be parked in driveways where signs indicate No Parking or in a place not specifically marked for parking.
- Visitors may use visitor parking or any student parking space on a temporary basis.
- Backing into angled parking places is not permitted.
- Skateboards, roller skates, rollerblades, and other similar devices shall not be ridden on the campus.
- Vehicles parked on campus for longer than 72 hours will be towed at the owner’s expense.

For more information on MCC parking and traffic policies, visit www.dist.maricopa.edu/gvpolicy/adminregs/students/

Vehicle registration Each student who owns or drives a motor vehicle on campus is required to register it and any others that may be parked on campus. Students who purchase or trade a vehicle after the regular registration period must register the new vehicle immediately, obtain a new decal, and notify Public Safety of the sale of the former vehicle. Temporary parking decals are in the Enrollment Center in the Kirk Center for rented or borrowed vehicles.

Violation of these regulations may result in a citation and fine. In the case of unsafe and/or repeated parking violations, vehicles may be towed at the
owner’s expense. All monetary fines shall be paid to the college cashier in the Fiscal Office. Payment may be made in person or by mail. Failure to pay or adjudicate a citation within 15 working days of issue date will result in the fine being doubled. In order to insure due process, fines may be appealed to the hearing officer in the Public Safety Office at MCC at Southern and Dobson campus.

Students with unpaid fines will not be able to obtain their transcripts or register for classes. Unpaid fines may be collected via the Arizona Department of Revenue Debt Setoff Program and/or sent to a collection agency. Citations will be enforced for both students and employees. MCC assumes no responsibility for damage to a motor vehicle or for any loss while vehicles are parked or operated on or near the campus.

For more information, visit www.mesacc.edu/collegesafety/

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

RECORDS

The Office of Records maintains the official college transcripts for all students, provides enrollment verification, determines graduation eligibility, establishes student athletic eligibility, and implements the probation and continued probation provision of the academic standards policies. For more information, call 480-461-7659 or visit www.mesacc.edu/students/admissions/

Transcripts are issued upon request only. See “There are Four Ways to Request Transcripts” below.

Students, who wish to transfer to other institutions of higher education, including other Maricopa Community Colleges, must request their transcripts be sent from the Records Office. Mesa Community College (MCC) will not automatically send transcripts, nor will a university request them for the student. It is recommended that the student maintain an unofficial copy of their transcripts for their records. There is no fee for an unofficial transcript. A $5.00 fee is required for all official transcripts. Cashier Services will send transcripts upon verification of payment.

Payment Options

• Pay the fee with the Cashier in the Kirk Center Navajo room (cash, check, money order, credit card, or debit card).
• Pay online when processing your online request (credit card or debit card).
• Mail a check or money order payable to Mesa Community College with your written and signed request.
• Call the Cashier Office and pay over the phone 480-461-7400 (credit card or debit card).

There are Four Ways to Request Transcripts

1. Online: my.maricopa.edu

2. In Person: Go to the Cashier in the Kirk Center Navajo room and fill out the transcript request form. You must have a photo ID to request an official or unofficial transcript.

3. US Postal Service (Mail):

   Mesa Community College Records Office
   Attn. Transcripts
   1833 West Southern Ave.
   Mesa, AZ 85202

   Mail a written and signed request or transcript request form, including full name, student ID number, date of birth, telephone number, dates of attendance at MCC, official or unofficial transcript request, name and address of institution where the transcript needs to be sent, sign and date the letter, $5.00 fee. You may pay by check, credit card, or money order.

4. Fax: 480-461-7255. Be sure to include all the same information as in the mailed request.

Official transcripts will not be issued to students having outstanding debts to any of the Maricopa Community Colleges. For further information, visit www.mesacc.edu/students/advisetransfer/transcripts

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.
RECRUITMENT

The primary goal of the Office of Student Outreach and Recruitment Services is to influence, impact and improve college enrollment by developing strategies to attract new and continuing students to Mesa Community College. This goal is accomplished through various programs including, but not limited to traditional high school visits, school presentations, participation in college and career fairs, coordinated campus visits and tours, college-wide open house all which are delivered through an extensive communication plan utilizing enrollment tracking systems. The Office of Student Outreach and Recruitment Services also creates pathways and early high school bridge programs in an effort to provide a seamless enrollment experience. For more information, please call 480-461-6392.

RE-ENTRY SERVICES

Re-Entry Services offers support services to assist nontraditional returning students with the registration process, academic planning, career planning, and adjustment to campus life. Re-entry advisement is available by appointment. For more information, call 480-461-7592 or visit www.mesacc.edu/students/reentry

REFUNDS

Students who officially withdraw from credit classes within the withdrawal deadlines will receive 100% refund for tuition, class, and registration processing fees. It is the student’s responsibility to know and adhere to payment deadlines for each class. A student may view their refund deadline dates online in the Student Services Center found at www.my.maricopa.edu

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

SCHOLARSHIPS

Mesa Community College offers a variety of scholarships for new and continuing students. Scholarships are not linked to financial aid and require separate applications. Information, applications, resources, and helpful hints for scholarships are available in the Student Financial Services Office, which is located in Building #42. Also visit www.mesacc.edu/financial-aid/types-aid/scholarships

Additional scholarships are available at several departments on campus. In addition, private community organizations and Native American tribes offer scholarships.

The Maricopa Colleges Foundation scholarship application can be accessed online at www.maricopa.edu/foundation/apply

SMOKE-FREE POLICY

Effective July 1, 2012, MCCCD becomes smoke-free. Smoking is not permitted anywhere on college property. Students failing to follow the smoking regulation after an appropriate warning will be reported to the Dean of Student Affairs.

STUDENT ACTIVITIES AND EVENTS

College activities are an important part of any student’s college experience, regardless of age or background. These activities provide an opportunity for students to interact socially, develop leadership skills, and gain greater understanding of other cultures.

Student Life and Leadership All MCC students are welcome to participate in the diverse activities offered on campus during the year. The MCC Events Programming Council (EPC) assists in the creation of activities that appeal to a variety of interests, from theatre to student clubs. It is not unusual during the year to hear free live music performed on campus, explore different cultures during the various cultural days, or enjoy social activities at either MCC campus. Membership in some organizations is competitive; others by invitation, but the majority are open to any student who is interested. Students interested in becoming a part of any MCC activity may visit the Office of Student Life in the Kirk Student Center at MCC at Southern and Dobson, or in the Mesquite Building at MCC at Red Mountain campus, where a comprehensive listing is available.
Services include: Housing information, student health insurance information, volunteer projects, bus schedules, child care information, food service, and general information. For more information about services offered by the Office of Student Life and Leadership, please visit www.mesacc.edu/students/life

Bus Services Bus passes available at the MCC bookstore. Through the MCCCD Travel Reduction Program, but subsidies are offered to students in the Office of Student Life and Leadership. To qualify for a student discount, at the time of purchase, the student must be enrolled in 12 or more credit hours. We offer a limited number of 30-day passes each semester, on a first-come first serve basis. Semester passes are sold during the first week prior to the start of the semester. For more information about the Maricopa Community College District reduced fair bus passes, please visit www.maricopa.edu/trip/busticket.php

The Valley Metro Bus is available for Dobson Road, north and southbound travel and Southern Avenue, east and westbound travel. Valley Metro bus service is also available to the Red Mountain campus. Bus route 184 (north and southbound power Road) stops at the circle between Mesquite and Desert Willow buildings.

For specific bus route information, obtain a Bus Book in the Student Life and Leadership information counter located in the Kirk Center or at the MCC Library. You can also refer to their website at www.valleymetro.org. ASU shuttle services are no longer offered.

Reduced Fares: Reduced local fares are also available for youth (ages 6-18), seniors (age 65 and older), persons with disabilities and Medicare cardholders.

Students should be ready to provide proof of eligibility upon boarding. Call the Valley Metro Customer Service at 602-253-5000 for information on how to apply for a Reduced Fare Certification Card.

Leadership Opportunities The Office of Student Life and Leadership offers various opportunities for leadership development for currently enrolled MCC students. Opportunities include a variety of one-day, weekend and weeklong leadership retreats and programs. For more information, contact the Office of Student Life and Leadership in the Kirk Student Center or the Mesquite Building at the Red Mountain campus. Information on various leadership training opportunities can also be found at www.mesacc.edu/students/life/opp or call 480-461-7285.

Student Government (ASMCC) The student body elects the Associated Students of MCC (ASMCC) Executive Board each spring. The ASMCC officers work to serve the needs and interests of MCC students by promoting and maintaining a democratic form of government. The Executive Board appoints the ASMCC Cabinet and Secretariat. ASMCC strives to work with faculty, staff, students, and administration to accomplish this goal. ASMCC represents the student body on various college committees. They also plan activities to meet the intellectual and social needs of MCC students.

The ASMCC Senate includes the ASMCC Cabinet, Independent Senators and a voting representative from each recognized active MCC club or organization. The Senate meets weekly, and all MCC students are invited to attend. Please call the Office of Student Life and Leadership for more details at 480-461-7285 for MCC at Southern and Dobson, or 480-654-7759 for MCC at Red Mountain. The ASMCC office is located in the Office of Student Life and Leadership in the Kirk Student Center.

To participate or get more information, please call 480-461-7278 or visit www.mesacc.edu/students/asmcc/

Dance In the MCC Dance Program, a student can choose from a variety of one-credit dance movement classes such as Ballet, Tap, Jazz, Modern, Hip Hop, Belly Dancing, Salsa, Swing, Ballroom, Flamenco and Improvisation. MCC also offers three-credit dance humanities lecture courses, such as Introduction to Dance, World Dance Studies and Dance in Popular Culture. Choreography and Rhythmic Theory for Dance classes are also available as lecture/movement classes. The MCC Dance Program gives beginning, intermediate and experienced dance students an opportunity to perform in an end of the year showcase. More experienced dancers can sign up to be in a formal dance production each semester. Non-audition
classes are Dance Workshop and Tap Dance Ensemble. Membership in the MCC Dance Company is by audition only and requires Tuesday/Thursday 12:00-4:00 PM rehearsals in addition to technique class. For more information, please contact Tina Rangel at 480-461-7597, or email trangel@mesacc.edu.

Music Opportunities for the pursuit of musical interest may be found in the A Cappella Choir, Madrigal Singers, Music Theatre Orchestra, Vocal Chamber Workshop, Instrumental Ensembles, Band, and Jazz Ensemble. Vocal and instrumental soloists make recitals, competitions, and public appearances. Any MCC student is eligible for admission through audition. Consult the college schedule, or call the Music Department Office for audition dates at 480-461-7577.

Intercollegiate sports at Mesa Community College are an integral part of the total student activity program. MCC is a member of the Arizona Community College Athletic Conference (ACCAC) and the National Junior College Athletic Association (NJCAA). The thirteen colleges that participate in the conference are: Arizona Western, Yuma; Central Arizona, Coolidge; Cochise, Douglas; Chandler-Gilbert Community College, Chandler; Eastern Arizona, Thatcher; Glendale Community College, Glendale; Mesa Community College, Mesa; Paradise Valley Community College, Phoenix; Phoenix Community College, Phoenix; Pima Community College, Tucson; Scottsdale Community College, Scottsdale; South Mountain Community College, Phoenix; Yavapai, Prescott; and Northland Pioneer, Holbrook.

Students desiring to participate in athletics should contact the head coach or the athletic director prior to the start of the season. Student athletes must conform to the eligibility rules established by the NJCAA, ACCAC, and the Maricopa Community Colleges.

The men’s athletic program includes:
Fall: Basketball, Cross Country, Football, and Soccer Spring: Baseball, Golf, Tennis, and Track/Field

The women’s athletic program includes:
Fall: Basketball, Cross Country, Volleyball, and Soccer Spring: Softball, Tennis, Track/Field, Golf

Please visit www.athletics.mesacc.edu/

STUDENT IDENTIFICATION (ID) CARD

All new students will be provided identification cards upon registration at no charge, with verification of enrollment and a valid photo ID, such as a driver’s license or another school ID. This is a permanent MCC ID that provides access to college services and activities. Replacements will be provided for a $5.00 fee. Student IDs are available in the Enrollment Center, located in the Kirk Center or in Enrollment Services at the Red Mountain campus. For information about Student ID cards, please call 480-461-7000 or 480-654-7600 at the Red Mountain campus.

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

STUDENT INSURANCE

Every registered MCC student who is enrolled in an approved credit and/or non-credit class or is engaged in school-sponsored, supervised, approved, and calendared activities in a college of the Maricopa County Community Colleges District is covered during the policy term. This plan applies only to college-related accidents. The student is automatically insured, and the cost is covered in the campus activity fee. Information on filing a claim, detailed brochures, and medical insurance information is available in the lobby of the Kirk Student Center and from the Dean of Student Affairs office located on the top floor of the Kirk Student Center at MCC at Southern and Dobson or in the Office of Student Life and Leadership in the Mesquite Building at the Red Mountain campus.

MCC students are also eligible to purchase an injury and sickness insurance plan for themselves and their family. Brochures can be obtained in the Office of Student Life in the Kirk Student Center or in the Mesquite Building at the Red Mountain campus. You can also view the brochure or enroll online at www.renstudent.com/mcccd. For more information, please call 480-461-7285 or 480-654-7759 at the Red Mountain campus.
TECHNOLOGY SUPPORT

Technology support services are available to students, faculty, and staff for technology related questions and assistance. Technology Support Services staff members assist students with use of their college email accounts. Students and employees are encouraged to call Technology Support Services if they have questions or need help with:

• Creating their email account
• Using their email account
• Resetting email passwords
• Configuration of email clients
• Sending/receiving/reading email not related to other ISPs (Internet Service Provider)
• Accessing the MCC website
• General questions about email
• Browser usage

Assistance is available via the Internet on the Technology Support Services website at www.mesacc.edu/its/ or by email at tss@mesacc.maricopa.edu or by phone at 480-461-7217.

TESTING SERVICES AND PLACEMENT TESTING

Students must create a student account and apply for college admissions prior to taking their placement tests. New students can apply for admissions in-person at any of the MCC campuses, or on-line at my.maricopa.edu

New-to-college students must complete English, Reading and Math placement testing prior to academic advisement and registration.

Placement testing is also required for students enrolling in more than seven (7) credit hours, or concurrently enrolled in high school and college at the same time. Placement testing is offered at both our Southern and Dobson and Red Mountain campuses. Students should allow 2-1/2 hours to complete all three-placement tests. Photo ID and your Maricopa Student ID number are required for all testing services. Sample Questions are available on our website: www.mesacc.edu/testing

Placement testing is computer-based with no time limit. Allow enough time. The testing schedule hours may change during peak registration times and during the summer months. (NOTE: English as a Second Language is a paper and pencil test with a 45-minute time limit.)

The HESI A2 exam is offered at the Mesa Community College Red Mountain campus Mesquite Building, Enrollment Services located at Power Road & McKellips Road in East Mesa. Please call the Testing Services at Red Mountain for more information: 480-654-7811. A testing fee of $40.00 must be paid to the Cashier’s office in advance. A copy of the paid receipt and a photo ID must be presented at the test location to be eligible to take the HESI-A2 exam.

TESTING SERVICES HOURS:

Monday - Thursday 8:00 AM – 7:00 PM
(summer hours are 7:00 AM – 6:00 PM)
(Testing Services is closed on Fridays from Mid-May through the end of July)

(The last test is given out one hour before the office closes)

Red Mountain location is Enrollment Services,
Mesquite Building 480-654-7811
Southern/Dobson location is the Elsner Library, 3rd Floor, Bldg. 11 480-461-7336

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

The GED is a High School Equivalency Test and is currently offered through authorized and certified PearsonVue Testing Centers. Registration for the actual GED exam is available on the PearsonVue website along with sample materials. Start the process at this website: www.GED.com

All GED testing is scheduled using the www.GED.com website. The actual GED test will be taken in-person at an approved PearsonVue site. The High School Equivalency exam is administered by appointment only. This is a community service available to anyone who is 16 years of age or older. Persons under 18 years of age require additional documentation. Two official forms of government
issued identification are required and a fee is charged. The GED exam is available in English, Spanish, and French languages. Special accommodations may be approved for people with documented physical and learning disabilities.

GED Certificates of Equivalency are issued by Arizona State Department of Education. Please call: 480-461-7480 for more information regarding the GED test.

GED preparation classes are offered through our Community Outreach Center: www.mesacc.edu/outreach

For information regarding GED preparation classes in either English or Spanish, please call: 480-461-6200

Student make-up exams are available for students who miss an exam in class due to illness, schedule conflicts, personal circumstances or the need for special accommodations. Students should work with their instructors to see if this is an option and to make arrangements to use this service. Photo identification is required for make-up exams.

Private testing rooms, visual enlargers, and other services are available for students with special needs and arranged through the Disability Resources and Services.

THEATRE ARTS

Several dramatic productions are staged at MCC during the year. Auditions for each production are open to all students in the college, whether or not they are enrolled in theatre classes. Audition dates and times will be posted around the Theatre Outback at the south end of campus and are also available through the Theatre Office and website. Production rehearsals are usually held in the evenings, although some afternoon rehearsals may be required. All rehearsals are at the discretion of the director. Students interested in working on productions (acting, stage construction, lighting, costuming, make-up, etc.) should contact the Theatre Office at 480-461-7170 or the director at the time of the auditions.

The Stage door Players is the student theatre club at MCC. It is devoted to developing, promoting, and publicizing the theatre events at the college. Working on the Theatre Department productions attains membership. All students are invited to participate. For more information, call Kevin Dressler, Kara Thomson, or Marisa Estrada in the Theatre Department or visit www.mesacc.edu/programs/theatre-arts/

To watch a variety of MCC plays, season tickets are available. Regular ticket prices are:

MCC students $7.00 Seniors $8.00
Faculty/Staff $10.00 General Public $12.00
Children under 5 not allowed

TRAVEL FOR STUDENTS

As a college-sanctioned activity, students participating in-group travel are required to abide by set policies and procedures. Some of the regulations for students on college-sponsored trips are listed below. All participating students will be required to adhere to established policies and procedures.

- Participants must complete all required college travel forms before taking a college-sponsored trip and in some cases attend required orientations. Please contact the Office of Student Life and Leadership for required forms.
- All students officially representing the college are required to travel to and from the travel site with the college group to which they belong.
- The registered occupants of hotel rooms are financially responsible for any damage or theft that occurs in their respective rooms. Such occupants are also responsible for charges against their room, such as telephone calls, Internet services, etc.
- All attendees are required to participate in each activity listed on the daily agenda. Students without the approval of their advisor(s) will make no deviations to the schedule.
- Participants are expected to conduct themselves in a manner which:
  - Reflects positively on themselves, the club/organization/team, the college, and the district
  - Reflects commitment to integrity in personal, social, and academic involvements
  - Is respectful of others and worthy of respect from others
• The use of non-prescription drugs and/or alcohol is strictly forbidden according to the policies of the MCCCD. Students are expected not only to refrain from consumption of alcohol and/or drugs, but also to actively discourage others from consumption of these substances.
• Any student violating these travel regulations and/or the student code of conduct may be sent home and may be required to reimburse the college for the full cost of the trip and may result in disciplinary action.

Additional information on student travel is available from the Office of Student Life and Leadership and the Dean of Student Affairs.

TUTORING
(See Library and High Technology Complex)

VETERANS’ SERVICES
The Veterans’ Services office assists qualified students with veteran/dependent educational benefits. Veterans’ benefits are available to veterans and children or spouses of veterans or 100% permanently disabled veterans. To secure benefits, the student must apply through the Veteran Services office.

The Veterans’ Services office provides one-stop enrollment service. A veteran/dependent of a veteran has an opportunity to receive academic advisement, course registration, and assistance with financial aid. Please visit our office and complete the veterans’/dependent packet today. For more information call MCC at Southern and Dobson 480-461-7425 or MCC at Red Mountain 480-654-7600. www.mesacc.edu/students/veterans

For more information published by the Maricopa Community College District on this topic, please see the “MCCCD Policies and Procedures” section of this catalog.

THE WRITING CENTER
The Writing Center provides free tutoring by faculty for any class-related writing assignment and offers one-credit classes in spelling, vocabulary improvement, grammar, and mechanics. Students can also use computers and word processing software. The Writing Center, located on the ground floor of the Paul A. Elsner library, is open Fall/Spring 8:00 AM to 8:00 PM, Monday through Thursday, and from 8:00 AM to 4:00 PM on Friday; Summer Monday through Thursday 9:00 AM to 7:00 PM. Appointments are required for tutoring; no appointments are needed to use the computers, which are available on a first-come/first-served basis.

For more information or to schedule an appointment, call: 480-461-7513 or visit www.mesacc.edu/dept/d13/eng/writing_center

Administration of Justice Studies

Burt Ouderkirk, Chairperson: 480-461-7142
Building SC 14
www.mesacc.edu/programs/departments/administration-of-justice

The Administration of Justice programs prepare students for careers in all phases of criminal justice. Students can choose from a variety of courses and programs in:

- Administration of Justice Studies
- Police Science
- Judicial Studies
- Victimology
- Forensic Investigation
- Legal Studies

For specific degree and certificate requirements, see Career and Technical Programs.

Students who plan to major in any of the justice studies programs are strongly encouraged to meet with an AJS advisor. AJS advisors are familiar with career-entry requirements and can guide students in making appropriate decisions concerning the correct course of study.

All residential faculty in the AJS program actively participate in faculty advisement for AJS majors. Students may contact the AJS Program office at 480-471-7080 or email ajs@mcmail.maricopa.edu to schedule an advisement appointment or request a packet of information.

Carrying Concealed Weapon (CCW) Class

AJS151 Firearms I is offered for those interested in obtaining a concealed weapon permit or who would like to attend an introductory course on firearm safety and use. Classes are offered on weekends (all day Saturday and Sunday) with qualifying held at local firearm ranges. The course carries one college credit and is more affordably priced than other similar classes offered in the community.

Note: The class is open to all students 18 or older, but you must be at least 21 years old to be eligible for the CCW permit.

Internships

Options for hands-on learning and experiences in the field are available through the internship program.

African-American Studies

Annalisa Alvrus, Chairperson: 480-461-7913
Building SC 14
www.mesacc.edu/programs/departments/cultural-science

African-American Studies is one of the disciplines within the Cultural Science Department. The discipline provides students with the opportunity to learn about the histories, languages, cultures, arts, and contemporary situation of peoples of African-American descent. Courses offered include:

- AFR110 Introduction to African-American Studies
- AFR202 Ethnic Relations in the United States
- AFR203 African-American History: The Slavery Experience
- AFR204 African-American History: Reconstruction to the Present

Agriculture

Peter Conden, Program Director of Agribusiness and Urban Horticulture: 480-461-7125
Building TC 50
www.mesacc.edu/programs/urban-horticulture-agribusiness

The Agribusiness/Urban Horticulture program prepares students for careers in all phases of agricultural and horticultural production and management. Students can choose from a variety of courses and programs in:

- Agribusiness
- Urban Horticulture

For specific details about these programs, see Career and Technical Programs.

While less than 5% of jobs in agriculture are farming, there are many career options in agriculture and horticulture across the US and internationally. Further, there are many opportunities for independent business owners in these fields as well as opportunities with local, state, and federal government agencies.

As part of the Applied Sciences Department, the program maintains labs and equipment to provide both knowledge and hands-on skills. There is a five-acre land laboratory on the southeast corner of the MCC at Southern and Dobson campus which includes a greenhouse, shade house, citrus orchard, deciduous fruit orchard, grape vineyard, experimental turf plots, AZMET weather station, and a community garden. Laboratory facilities include a soils lab, tissue culture lab, and computer lab for use by students.
The program supports student success in several ways. Students can schedule one hour per week free tutoring in one or more courses. Each student works with faculty to write an individual education plan laying out semester-by-semester coursework. Students are tracked through graduation and beyond, and faculty advise students who wish to transfer to university programs.

The Horticulture program is sanctioned by the Arizona Landscape Contractors’ Association, the Arizona Nursery Association, and the Arizona Federation of Garden Clubs. The industry members provide internship opportunities. Horticulture students take an annual southern California tour in spring, funded by plant sales and other fundraising opportunities. Students design and install landscaping projects on campus including water features in the Student Advisement area. Students also assist with career-related events at ASU Polytechnic.

The Arizona Nursery Association, the Arizona Landscape Contractors’ Association, and the Arizona Federation of Garden Clubs provide scholarships to support MCC students. Contact the program office for applications and details.

American Indian Studies
Annalisa Alvrus, Chairperson: 480-461-7913
Building SC 14
www.mesacc.edu/programs/departments/cultural-science
American Indian Studies is one of the disciplines within the Cultural Science Department. The discipline provides students with the opportunity to learn about the histories, languages, cultures, arts, and contemporary situations of American Indian nations and people. Courses offered include:

AIS101 Survey of American Indian Issues
AIS110 Navajo Government
AIS140 American Indian History
AIS141 Sovereign Indian Nations
AIS213 American Indian Religions

American Sign Language
See World Languages

Anthropology
Annalisa Alvrus, Chairperson: 480-461-7913
Building SC 14
www.mesacc.edu/programs/departments/cultural-science
Anthropology includes archaeology, biological anthropology, forensics, cultural anthropology, and linguistics. Anthropology faculty and students are engaged in the active use of technology in the classroom, service-learning and internships, field trips, guest speakers, educational visits to schools, field work, and study abroad and international programs. In addition to traditional anthropology course offerings, we have courses in forensics, museum study, field archaeology, and laboratory methods. There is an active student anthropology club that provides students the opportunity to participate in special field trips, activities, and guest speakers. Academic advisement for students planning to major in anthropology is provided by anthropology faculty.

If You Plan to Major in Anthropology
Anthropology prepares students for excellent jobs and opens doors to various career paths: the course of study provides global information and thinking skills critical to succeeding in the 21st century in business, research, teaching, advocacy, and public service. Anthropologists are strongly represented in every aspect of the academic, public, non-profit, and corporate sectors (e.g., research institutes, museums, international business, corporate research, health, and cultural resource management). Many positions in these fields are open to people with BA degrees.

The three public Arizona universities all require the following courses for the anthropology major:

ASB100 Introduction to Global Health
ASB102 Introduction to Cultural and Social Anthropology
ASM104 Bones, Stones, and Human Evolution
ASB222 Buried Cities and Lost Tribes: Old World
OR
ASB223 Buried Cities and Lost Tribes: New World

 Depending on the university you plan to transfer to, the following courses may also be recommended:

ASB202 Ethnic Minorities in the United States
ASB211 Women in Other Cultures
ASB214 Magic, Witchcraft, and Healing: An Introduction to Comparative Religion
ASB220 Anthropology Goes to the Movies
ASB226 Human Impacts on Ancient Environments
ASB230 Principles of Archaeology
ASB231 Archaeological Field Methods
ASB235 Southwest Archaeology
Mesa Community College offers three tracks of study as part of the AAS degree in Architecture along with five certificates. The three tracks are Design, Drafting, and Urban Development. The five certificates are: Computer Aided Design & Drafting (CADD: Level I), Architecture Residential Drafting (CADD: Level II), Architecture Commercial Drafting (CADD: Level II), Architectural Detailing (CADD: Level III), and Architectural CADD (CADD: Level III). All student advising is conducted by the faculty in the program area during faculty office hours or by appointment. All three tracks are transferable to ASU East with many courses transferable to the Architecture program at ASU Main. The program is committed to student success and offers the following lab services to support student learning.

1. TC102 is a multi-station combination drafting and computer lab for courses such as Intro to Environmental Design, Design Foundation, and Residential & Commercial Drafting. Coursework includes manual architectural drafting for residential and commercial application, building construction methods, materials, and equipment, and survey of design through historical evaluation of built environments and the works of well-known architects. Open lab hours are posted.

2. TC108 is a multi-use computer lab used mainly for various computer-aided design and drafting courses utilizing software that is current within the architecture and construction industry. Open lab hours are posted.

Internship and service-learning courses are available to students who are interested in getting training in the architecture and construction industry. Students can gain work experience in private or public firms and agencies toward achieving their professional goals.

For specific details about this program, see Career and Technical Programs.

Art
Sarah Capawana, Chairperson: 480-461-7524
Building AC 30
www.mesacc.edu/programs/departments/art-photography

The mission of the Art Department is to support a learning environment that encourages visual literacy, promotes the aesthetics of cultural diversity, enhances the quality of life, and provides our students with the opportunity to develop the skills and techniques necessary to be successful in the field of art.

The Art Department offers courses, degrees, and programs in:

- Art (ART)
- Art History (ARH)
- Digital Arts (ART)

Art exhibitions will be on display in the new campus Art Gallery. Exhibitions will include; the annual Art Student Show, the Art Faculty Show, and exhibits by nationally known artists. Lectures and workshops are held throughout the year for our students and the public. Empty Bowls is an annual fundraiser organized by ceramics faculty and students, which raises money for local food banks.

If You Plan to Major in Art

It is recommended that students planning to transfer as art majors to a four-year college or university take a planned set of courses leading to an Associate in Arts, Fine Arts. The AA-FA is a general degree that includes special requirements enabling art majors to graduate from MCC after earning 63 credit hours. The basic studio art courses required for most art majors planning to transfer to a four-year institution include:

- ARH101 Prehistoric Through Gothic Art
- ARH102 Renaissance Through Contemporary Art
- ART111 Drawing I
- ART112 Two Dimensional Design
- ART113 Color
- ART115 Three Dimensional Design

Students planning to specialize or major in the following areas of art should take the following classes in addition to the foundation courses:

- Ceramics – Ceramics I
- Photography – Photography I
- Painting – Painting I
- Art Education – Painting I and Photography I
- Art History – ARH101 and ARH102
Please consult an academic advisor and a college or university catalog to assure compliance with the specific requirements of the institution where you want to transfer.

The Art Department also offers the Associate of Applied Science (AAS) and Certificate of Completion (CCL) in the following areas of specialty:

• Digital Arts Photography
• Digital Arts Illustration
• Digital Arts Graphic Design
• Digital Arts Web Design

See Career and Technical Programs for more information on the Digital Arts degree.

Please check our website at: www.mc.maricopa.edu/dept/d04/art for the most recent information.

**Astronomy**

Mike Sims, Chairperson: 480-461-7015
Building PS
www.mesacc.edu/programs/departments/physical-science

Astronomy is one of the disciplines of the Physical Science Department. For more information on the department, see Physical Science.

Astronomy classes appeal to those who are considering majoring in one of the physical sciences or who simply want to expand their knowledge in this field.

**If You Plan to Major in Astronomy**

Public Arizona universities offer baccalaureate programs to those who wish to major in astronomy:

<table>
<thead>
<tr>
<th>Institution</th>
<th>Degree</th>
</tr>
</thead>
<tbody>
<tr>
<td>NAU</td>
<td>BS Astronomy</td>
</tr>
<tr>
<td>NAU</td>
<td>Merged BS Physics and Astronomy</td>

<tr>
<td>UA</td>
<td>BS Astronomy</td>
</tr>
<tr>
<td>ASU</td>
<td>BS Earth and Space Exploration</td>
</tr>
<tr>
<td>ASU</td>
<td>BS Physics with Astronomy Emphasis</td>
</tr>
</tbody>
</table>

These universities require or accept the following courses for astronomy majors:

MAT231  Calculus with Analytic Geometry II
MAT241  Calculus with Analytic Geometry III
PHY121  University Physics I
PHY131  University Physics II

**Automated Manufacturing**

See Electromechanical Automation or Manufacturing

**Automotive Performance**

Bob Bonura, Chairperson: 480-461-7173
Building TC 50
www.mesacc.edu/programs/automotive-performance

Automotive Performance is designed to prepare students to be automotive technicians. Emphasis is placed on developing good diagnostic skills. Graduates will possess a minimum of entry level skills. Graduates will be able to pass the national ASE Certification Tests upon completion of the coursework. This will supply the graduate with marketable skills to enter the job market. The program is designed to provide “hands-on” experience in a “live” working environment similar to the service industry. In addition to the degree program, five certificate programs are also available: Engine Performance and Diagnosis; Air Conditioning; Brakes, Alignment, Suspension and Steering; Transmissions and Power Trains; and Automotive Electrical Systems.

For specific details about this program, see Career and Technical Programs.

**Biology**

See Life Science

**Business and Information Systems**

Preston Cameron, Chairperson: 480-461-7714
Building BP 43A
www.mesacc.edu/programs/departments/business-information-systems

The emphasis of Business and Information Systems is to provide quality academic coursework, for competency and application-based learning utilizing state-of-the-art technologies to prepare students with marketable skills that are responsive to the current needs of a variety of workplace settings, and to prepare students to transfer to a four-year university.

The Business area of the department offers courses in:

• Accounting (ACC)
• Entrepreneurial Studies (EPS)
• General Business (GBS)
• Hotel and Restaurant Management (HRM)
• International Business (IBS)
• Management (MGT)
• Marketing (MKT)
• Real Estate and Appraisal (REA)
• Total Quality Management (TQM)
• Small Business Management (SBS)

The department also offers courses in Computer Information Systems (CIS), Business and Personal Computers (BPC), Fashion Merchandising and Design (TEC), and Office Automation Systems (OAS). See Computer Information Systems, Fashion Merchandising and Design, and Network Academy for details on these courses.

Please see Network Academy for information on courses, certificates, and degrees in network administration and security. For additional information on the Network Academy, visit bii.mc.maricopa.edu

Faculty advisement is available by appointment and drop-in. Faculty advisors are also available in the Multiuse Lab in BA1S the week prior to classes starting each semester.

The department has computer labs available for student use at the following campuses:

MCC at Southern and Dobson Multi-use Lab (BA3E)
Just north of the Clock Tower
Operating hours during the Fall and Spring semesters are:
Monday through Thursday 7:00 AM – 10:20 PM
Friday 7:00 AM – 8:20 PM
Saturday 7:00 AM – 4:20 PM

Hours vary during holidays and summer. For holiday and summer hours, please visit the lab for current information.

All labs are closed on Sunday.

MCC at Red Mountain Library/Information Commons, Second Floor
Operating hours during the Fall and Spring semesters are:
Monday through Thursday 7:30 AM – 9:30 PM
Friday 7:30 AM – 5:00 PM
Saturday 10:00 AM – 2:00 PM

Business and Personal Computers

See Computer Information Systems

Chemistry

Mike Sims, Chairperson: 480-461-7015
Building PS 8
www.mesacc.edu/programs/departments/physical-science

Chemistry is one of the disciplines in the Physical Science Department. For more information, see Physical Science.

Chemistry courses are offered for those who want to fulfill their general education requirements, pursue healthcare and scientific majors, and expand their knowledge of this field.

If You Plan to Major in Chemistry

The three public Arizona universities offer a variety of baccalaureate programs for students who wish to major in chemistry:

<table>
<thead>
<tr>
<th>University</th>
<th>Degree</th>
</tr>
</thead>
<tbody>
<tr>
<td>ASU</td>
<td>BA</td>
</tr>
<tr>

**Chicana/Chicano Studies**

Annalisa Alvrus, Chairperson: 480-461-7913  
Building SC 14  
www.mesacc.edu/programs/departments/cultural-science

Chicana/Chicano Studies is one of the disciplines within the Cultural Science Department. The discipline provides students with the opportunity to learn about the histories, languages, cultures, arts, and contemporary situations of peoples of Mexican descent. Courses offered include:

- CCS101 Chicana and Chicano Studies  
- CCS111 Introduction to Chicana and Chicano Culture  
- CCS211 Chicano Culture and Health

**Chinese**

See World Languages

**Communication**

Susan Olson, Chairperson: 480-461-7793  
Building AC 30  
www.mesacc.edu/programs/departments/communication-theatre-arts-film

Communication skills are essential to daily living and success on the job. Those who are skilled in communication have an advantage when it comes to job placement and promotion. Presentational, interpersonal, and teamwork skills top the list of competencies employers desire in their workforce. Study and practice in Communication also helps to build positive relationships with family and friends, in addition to clients, patients, and customers.

Our Communication Faculty are dedicated teaching professionals with backgrounds in business management, business consulting, performance, rhetoric, and team building. The department is committed to student success, and faculty members are available for one-on-one assistance and advisement. In addition, the department offers the following opportunities for student involvement:

**Communication Honor Society**

The Communication Department is affiliated with the National Communication Association the Arizona Communication Association Sigma Chi Eta, is the undergraduate honor society for Communication majors.

**Communication Activities and Events**

The department sponsors student internships through Career Services. In addition, the Communication Activities program includes an intramural speech contest each semester entitled The Big Speak Out.

**Organizational Communication Pathway**

Organizational Communication is a popular pathway for students wanting to study communication in organizations, industry, and other professional environments with a focus on improving the workplace. This emphasis can lead the way to careers in management, training, consulting, and numerous related opportunities for the Communication student. Choosing the Organizational Communication emphasis supports students who are seeking valuable real-world experiences such as internships, special projects, and development of on the job skills. New connections and opportunities for this pathway are created each semester. For an up-to-date list of options in Organizational Communication, consult our departmental website.

The department also offers courses designed for English Language Learners (ELL). An informal lab is available for students enrolled in COM080 Conversation Circles, COM120 Pronunciation of American Speech, and COM221 Oral Fluency in American Speech. Students can work with software that help fine-tune their production of American English sounds.

The department offers a course entitled Basic Oral Communication Skills to prepare developmental students to be more successful in the courses numbered 100-level and above.

**Certificates**

Speech Communication offers three certificates in Communication:

- Communication Skills for Non-Native English Speakers  
- Oral Communication Fluency for Non-Native English Speakers  
- Communication Competence in the Workplace

If You Plan to Major in Speech Communication

All three Arizona public universities offer bachelor’s degree programs in this field:

- ASU BA Communication  
- ASU West BA/BS Communication Studies  
- NAU BA/BS Speech Communication  
- UA BA Communication
The three public Arizona universities all require the following courses for the Communication major:

- COM100 Introduction to Human Communication
- COM225 Public Speaking

Depending on the university to which you plan to transfer, the following courses may also be recommended:

- COM110 Interpersonal Communication
- COM207 Introduction to Communication Inquiry
- COM222 Argumentation
- COM230 Small Group Communication
- COM241 Performance of Literature
- COM250 Introduction to Organizational Communication
- COM259 Communication in Business and Professions* 
- COM263 Intercultural Communication
- COM271 Voice and Diction

*For non-Communication majors. COM259 meets the business requirement for accounting majors, media arts, and other disciplines.

## Computer Information Systems

Preston Cameron, Chairperson: 480-461-7714  
Bethann Partin, BPC/OAS Director: 480-461-7764  
Deb LaVergne CIS Director: 480-461-7754  
Burton Borlongan, CIS Director: 480-461-7463  
Bob Samson, Network Academy Director: 480-461-7744  
Network Academy, Building BA 40  
www.mesacc.edu/programs/departments/business-information-systems

Computer Information Systems, Business Personal Computers, and Office Automation Systems are disciplines within the Department of Business. For more information on the department, see Business and Information Systems or the departmental website at: www.mc.maricopa.edu/dept/d07

The Business and Personal Computers and Computer Information Systems area of the department offers certificates, degrees, and courses in:

- Computer Information Systems (CIS), such as Introduction to Computer Information Systems including CIS105, which is a transfer course to the Arizona universities, introduction to electronic game technology, programming, web technology, software quality assurance, and a variety of software applications
- Business and Personal Computers (BPC), including BPC110, Computer Usage and Applications, which satisfies the CS requirement at ASU, and a variety of BPC and OAS classes related to keyboarding and applications
- Office Automated Systems (OAS), including Business English and Typing.

The department is an Microsoft Office Specialist (MOS), IC3, and CIW Testing Facility.

Please see Network Academy for information on courses, certificates, and degrees in network administration and security.

The department has computer labs available for student use at the following campuses:

MCC at Southern and Dobson Multi-use Lab (BA3E)  
Just north of the Clock Tower

Operating hours during the Fall and Spring semesters are:

- Monday through Thursday: 7:00 AM – 10:20 PM  
- Friday: 7:00 AM – 8:20 PM  
- Saturday: 7:00 AM – 4:20 PM

MCC at Red Mountain Library/Information Commons, Second Floor

Operating hours during the Fall and Spring semesters are:

- Monday through Thursday: 7:30 AM – 9:30 PM  
- Friday: 7:30 AM – 5:00 PM  
- Saturday: 10:00 AM – 2:00 PM

## Computer Science

Daphne Rossiter, Chairperson: 480-461-7349  
Building MC 5  
www.mesacc.edu/programs/departments/mathematics-computer-science

The Mathematics/Computer Science department offers courses and programs in mathematics (MAT) and computer programming and system analysis (CSC). You can take all of the courses required for the first two years of any public Arizona university math or computer science program through this department.

Courses are offered in traditional classroom settings, at different campuses and sites, and in flexible formats such as distance learning. The Math/Computer Science Department offers faculty advisement on a drop-in basis for those planning to major in math or computer science.

### If You Plan to Major in Computer Science

There are many academic and professional opportunities open to those who study computer science. Public universities in Arizona offer a variety of bachelor’s degree programs in this field:
INSTRUCTIONAL PROGRAMS

ASU BS  Computer Science (Engineering, Applied Sciences)
NAU BS  Computer Science and Engineering
UA  BS  Computer Science

If you are planning to pursue a bachelor’s degree in computer science at a public Arizona university, you can follow the Associate in Science degree pathway, which requires a total of 60-64 credits. The AS degree transfers as a block (in other words, your transcript will not be evaluated one course at a time for admission to the university) without loss of credit and satisfies Arizona university admission requirements.

If you are planning to transfer to an out-of-state university to complete your bachelor’s degree, contact an academic advisor for help in choosing the best courses for your needs.

The pre-professional program will require selecting from the following courses. You should consult with the university that you are planning on attending for their exact requirements.

- CSC100  Introduction to Computer Science (C++)
- CSC110  Introduction to Computer Science (Java)
- CSC120  Digital Design Fundamentals
- CSC205  Object Oriented Programming and Data Structures
- CSC230  Computer Organization and Assembly Language
- CSC240  Introduction to Different Programming Languages
- MAT220  Calculus with Analytic Geometry I
- MAT227  Discrete Mathematical Structures
- MAT231  Calculus with Analytic Geometry II
- MAT241  Calculus with Analytic Geometry III

Construction

Bob Bonura, Chairperson: 480-461-7137
Building TC 50
www.mesacc.edu/programs/construction

Mesa Community College offers three tracks of study as part of the AAS degree in Construction along with seven certificates. The three tracks are Construction Drafting, Construction Inspection, and Construction Management. The seven certificates are: Computer Aided Design & Drafting (CADD: Level I), Surveying & Civil Drafting (CADD: Level II), Construction Drafting (CADD: Level III), Home Inspection, Building Inspection, Plan Review, and Pre-Contractor Licensing. All student advising is conducted by the faculty in the program area during faculty office hours or by appointment. Many courses are transferable to ASU and NAU. Specifically, we offer all the courses for the first two years of the Construction Management Program at the Del Webb School of Construction at ASU. The program is committed to student success and offers the following lab services to support student learning.

1. TC102 is a multi-station combination drafting and computer lab for courses such as Intro to Environmental Design, Design Foundation, and Residential & Commercial Drafting. Coursework includes manual architectural drafting for residential and commercial application, building construction methods, materials, and equipment, and survey of design through historical evaluation of built environments and the works of well-known architects. Open lab hours are posted.

2. TC108 is a multi-use computer lab used mainly for various computer-aided design and drafting courses utilizing software that is current within the architecture and construction industry. Open lab hours are posted.

Internship and service learning courses are available to students who are interested in getting training in the construction industry. Students can gain work experience in private or public firms and agencies toward achieving their professional goals.

For specific details about this program, see Career and Technical Programs.

Counseling

Karen Hardin, Chairperson: 480-461-7588
Building 36
www.mesacc.edu/programs/departments/counseling

The Counseling Department supports student success in a number of ways:

Courses designed to help students identify their personal and academic strengths, interests, and goals, including:

- Advancing Academic Achievements (AAA)
- Chemical Dependency (CHD)
- Counseling and Personal Development (CPD)

Courses offered through the Counseling Department are transferable to other colleges and universities, depending on the programs and policies of the transfer institution.

For transfer status of courses to Arizona universities consult the course equivalency guide at: az.transfer.org/cas/students
Cultural Science
Annalis Alvrus, Chairperson: 480-461-7913
Building SC 14
www.mesacc.edu/programs/departments/cultural-science
The Cultural Science Department includes five disciplines:
• African American Studies
• American Indian Studies
• Anthropology Chicano/a Studies
• Geography
• Geographic Information Systems
• Social Work
• Sociology
• Sustainability

Look for more information about these programs under their individual sections.

The Cultural Science Department coordinates Ethnic Studies coursework in American Indian Studies, African American Studies, and Chicano Studies, an academic certificate in African American Studies, and is in the process of developing certificates for the other two disciplines. All courses offered in these areas transfer to the universities.

The department also coordinates a study-abroad program in China and participates in other programs such as Ireland, Jordan, and Mexico.

The department coordinates an Academic Certificate (AC) in Global Citizenship that enhances students' understanding of the world around them and current social issues such as economic and social justice, human and civil rights, world and regional conflicts, environmental degradation, cultural diversity, and political change. The certificate includes specialized tracks in the impact of diverse cultures on American life: Impact of Diverse Cultures on American Life; Political and Economic Interdependence of the International Community; Global Study of Cultures, Religions, and Values; Regional Study of Cultures, Religions, and Values; and Science, Technology, and the World. See Graduation Requirements for more information on program requirements, or contact the department office for more information.

The department is in the process of developing an Academic Certificate in Sustainability that would provide coursework that gives an interdisciplinary perspective to exploring and understanding the sustainability of human societies and the natural environment on which they depend.

Dance
Jeffrey Messer, Chairperson: 480-461-7378
Tina Rangel, Program Director: 480-461-7597
Building ES 9
www.mesacc.edu/programs/dance

The Dance program at Mesa Community College offers a 2-year Associates Degree for students interested in pursuing a career in dance. The program offers lecture, Dance Humanities courses (DAH prefix), and technique and performance classes (DAN prefix) in a variety of styles and levels. Students may choose to use their Associates Degree in Dance to help them prepare for careers in the entertainment industry working in professional dance productions. Students may use their degree for careers as choreographers and teachers for dance studios, community programs, and/or in the private sector. Classes may transfer to a four-year university or private college, such as Arizona State University, Grand Canyon University and University of Arizona.

Degree offered:
Associate of Arts, Fine Arts-Dance (AAFA)

The AAFA Degree transfers to Ottawa University for the Bachelor of Arts Degree-Dance with Secondary Certification.

If you plan to major in Dance or Dance Education, the following are transfer courses for ASU and/or U of A:

**Dental**

Debbie Holexa, Program Director: 480-654-7252  
Red Mountain  
www.mesacc.edu/programs/dental-hygiene

The Dental Hygiene program prepares students to work in collaboration with dentists in a variety of settings to improve the oral and general health of the public. The program is accredited by the Commission on Dental Accreditation of the American Dental Association. Successful students are awarded an Associate in Applied Science Degree and are eligible to take the necessary board exams to gain a dental hygiene license in any of the 50 states. Students may transfer to a university and complete a bachelor degree in Dental Hygiene.

Prerequisite courses and an application are required for admittance to the program. Prerequisite courses are listed on the website and include core courses required for an AAS degree as well as BIO201, BIO202 and BIO205, and CHM138 with a lab. All prerequisite courses must be completed before the application is submitted. Applications can be found on the dental hygiene website listed above.

Classes are scheduled at Red Mountain Campus in the afternoon. Clinics are scheduled at the state-of-the-art facility of the Arizona School of Dentistry and Oral Health Monday through Thursday from 5:00-9:00 P.M. Students participate in community special events including health fairs, Give Kids a Smile Day, and Oral Cancer Screenings.

The faculty in the Dental Hygiene Program are committed to developing health professionals who are competent, compassionate, and skilled in teamwork.

For specific details about this program, see Career and Technical Programs.

**Drafting & Computer Aided Design**

Todd Verch, Program Director: 480-461-7767  
Building TC 50  
www.mesacc.edu/programs/drafting

**Design Drafting Technology**

The Drafting Technology Programs offer courses for students who plan to complete a two-year Associates in Applied Science degree and/or have an interest in drafting-related careers, as well as training for persons already employed in fields related to design and drafting. Courses are also offered for those who may not be pursuing a career in design and drafting, but who have an interest in, or need to understand graphic communication. Our program also offers certificates of completion in multiple levels of CAD and Drafting training.

The types of projects that are used within the drafting courses cover a wide range of specialties including mechanical design, engineering layouts, architectural floor plans, furniture design, etc. Career options include working for industrial and manufacturing companies in defense, sport/recreation equipment, household goods, and various other industries.

**Associate Degrees**

Associate in Applied Science – Electro/Mechanical Drafting  
Micro Circuit Mask Design specialty track  
CNC Programming/3D modeling specialty track  
Associate in Applied Science – Micro Circuit Mask Design

**Certificates**

Certificates of Completion in Computer-Aided Drafting  
Certificates of Completion in Mechanical Drafting  
Certificates of Completion in Electro/Mechanical Drafting  
Certificates of Completion in Micro Circuit Mask Design

For specific details about this program, see Career and Technical Programs.

**Early Care & Education**

Annapurna Ganesh, Program Director: 480-461-7305  
Building ES 9, Office ES 107  
http://www.mesacc.edu/programs/early-care-education

For additional information, See Education Studies

**Economics**

Paul Hietter, Chairperson: 480-461-7346  
Building SC 14  
www.mesacc.edu/programs/departments/social-science

Economics is one of the disciplines in the Social Science Department. For more information, see Social Science

In addition to offering courses in economics (ECN), faculty in this area also host the Arizona Society of Economics Teachers Conference each year.

**If You Plan to Major in Economics**

The three public Arizona universities offer a number of baccalaureate degrees in economics:

- ASU BA Economics (Liberal Arts)
- ASU BS Economics (WP Carey-Business)
- NAU BS Economics
- UA BA Economics
These three universities all require or accept the following courses as requirements for the economics major:
MAT212  Brief Calculus
GBS221  Business Statistics OR
MAT167  Elements of Statistics
ECN211  Macroeconomics
ECN212  Microeconomics

**Education Studies**

Nora Amavisca Reyes, Chairperson: 480-461-7781
Building ES 9, Office ES 111

Annapurna Ganesh, Program Director: 480-461-7305
Early Care & Education
Building ES 9, Office ES 107
www.mesacc.edu/programs/departments/education-studies

The Education Studies Department offers degree and certificate programs designed to serve the needs of pre-service educators, paraprofessionals, and certified teachers. Programs and training opportunities are available for educators serving ages birth to adults in the areas of early childhood, elementary, special, secondary, and multicultural education.

The Education Studies Department strives to provide comprehensive support for aspiring and practicing educators by:

- partnering with educational institutions to create a seamless transfer for students,
- establishing cohorts within school districts,
- collaborating with East Valley education professionals through advisory councils,
- incorporating service-learning into academic programs,
- emphasizing critical thinking, values clarification, career exploration, and civic responsibility,
- developing culturally sensitive educators responsive to the needs of a global society, and
- providing a solid foundation of academic coursework and field experience for early care and teacher preparation as well as professional development.

Special programs and opportunities offered by the Education Studies Department include:

- High School Dual Enrollment
- Future Educators Club
- Educators Academy Workshops
- Evelyn H. Warren Child Development Laboratory
- Professional Career Pathway Project (PCPP)
- TEACH Early Childhood Scholarship Program
- Teachers of Language Learners Learning Community Program for students pursuing Elementary Education teacher certification with ESL/BLE Endorsement

- Teacher Endorsement Programs for Structured English Immersion, English as a Second Language, Bilingual Education, Reading Specialist, Math Specialist, Middle Grades, Early Childhood Education
- Maricopa-ASU Pathways Program (MAPP)
- Northern Arizona University Partnerships: 2+2 (Elementary Education, ESL or Spanish Ed Emphasis) and NAUTeach (Secondary Education, Math/Science Emphasis)
- Literacy Outreach Program for Tutor Training including option for International Tutor Certification
- Guanajuato Summer Study Abroad Program

Course prefixes offered:
- CFS Child/Family Studies
- ECH Early Childhood
- EDU Education
- EED Early Education
- EPD Education Professional Development
- ETL Excellence in Teaching and Learning

For more information, contact the Education Studies Department at 480-461-7904.

**Electromechanical Automation**

Scott Shaw, Program Director: 480-461-7498
Building TC 50
www.mc.maricopa.edu/dept/d58/elt/

For specific details about this program, see Career and Technical Programs.

**Electronics**

JD Neglia, Program Director: 480-461-7385
Building TC 50
www.mesacc.edu/programs/electronics-technology

Electronics are everywhere, and the MCC Electronics program prepares students for careers wherever electronic systems are found. Current students and graduates work in industries such as:

- Aerospace
- Biotechnology
- Communications
- Entertainment
- Industrial
- Medical
- Power
- Semiconductor
- Transportation
All of these industries employ our graduates to deal with increasingly complex electronic systems in all areas of our economy. Typical ET jobs include developing, building, calibrating, testing, certifying, maintaining, and qualifying:

- instrument landing, radar, and air traffic control systems in airports
- complex biomedical equipment in biotechnology companies
- transmitters and communications equipment for TV and radio broadcasters
- instrumentation and switching substations for power companies
- medical ultrasound systems, pacemakers, and automatic defibrillators in medical equipment companies
- traffic signal instrumentation and controls for large metropolitan areas
- high-speed automated systems for the U.S. Postal Service
- complex instruments and control systems for semiconductor equipment vendors and manufacturers
- night vision equipment for defense companies

Electronic Technicians do not repair radios and TVs.

Opportunities in Electronics continue to grow. According to the U.S. Bureau of Labor Statistics, “Growth in employment of electrical and electronic engineering technicians is expected to be about as fast as the average for all occupations through 2014.” — Occupational Outlook Handbook, May 2004

To see an up-to-the-minute listing of current local job openings for ET’s, a video about ET careers, and complete advisement information, visit the Electronics web site at www.mccele.com

MCC Electronics keeps its curriculum up-to-date by maintaining very close ties with local industry. It is the only Electronics Technology (ET) program in the state of Arizona that is certified by the Federal Aviation Administration (FAA). It also maintains an Instrumentation and Relay Technician Apprenticeship with SRP, and a student internship program with Boeing.

The Electronics program offers two AAS degrees:

- Electronics Engineering Technology (EET), which is the classic degree for engineering technicians offered here at MCC since 1965.
- Electronics Technology (ET), which is similar to the EET degree, but with less math and more hands-on electronics courses.

Both AAS degrees transfer as a block of credit into the ASU Polytechnic Bachelor of Applied Science degree programs, and most of the EET credits transfer into the ASU Polytechnic BSEET program.

Also offered is a one-year Certificate of Completion (CCL) and numerous individual courses that you can use to upgrade your skills in any particular area of Electronics.

For specific details about this program, see Career and Technical Programs.

Emergency Medical Technology

See Fire Science

Engineering Science

Mike Sims, Chairperson: 480-461-7015
Building PS 8
www.mesacc.edu/programs/engineering

Engineering Science is one of the disciplines within the Physical Science Department. The engineering program is designed to prepare students for baccalaureate programs in all types of engineering (civil engineering, mechanical engineering, chemical engineering, electrical engineering, and many others) at any of the three state universities and universities nationwide. Call the Physical Science Department or the Advisement Center to schedule an appointment for advisement or to get more information about beginning your engineering education at Mesa Community College.

If You Plan to Major in Engineering

Depending on the field of engineering that interests you and the university program you intend to pursue, work closely with an advisor or contact an engineering faculty member to select courses that will transfer into your university program. All three public Arizona universities require or accept the following courses for engineering majors:

- ECE102  Engineering Analysis Tools and Techniques
- ECE103  Engineering Problem Solving and Design
- ECE111  Bioengineering Systems
- ECE201  Introduction to Engineering Statics
- ECE202  Introduction to Engineering Dynamics
- ECE203  Applications of Engineering Mechanics
- ECE214  Engineering Mechanics
- ECE215  Mechanics of Materials
- EEE120  Digital Design Fundamentals
- EEE202  Circuits and Devices
- EEE230  Computer Organization and Assembly Language
English

Jeffrey Andelora, Chairperson: 480-461-7636
Building LA 3
www.mesacc.edu/programs/departments/english

The English department offers courses and programs in the following areas:

• Creative Writing (CRW)
• English Composition (ENG)
• English as a Second Language (ESL)
• English Humanities and Literature (ENH)
• Humanities (HUM)
• Journalism (JRL)
• Mass Communications (MCO)

The faculty members in MCC’s English department are committed to helping students acquire the literacy skills they need to succeed in school and in their careers. We offer numerous writing courses – academic, creative, and personal – to help students satisfy their interest and meet their educational goals. We also offer courses in classic and contemporary literature, humanities, and film. Our ESL offerings are designed to help non-native English speakers acquire written and spoken fluency in English. Our journalism courses teach students to work in a variety of media and provide them with an opportunity to work on The Mesa Legend, MCC’s award-winning student newspaper. MCC’s English department hosts creative writing events and supports developing students through our Emerging Writers awards program.

In addition to its course offerings, the English department provides free tutoring to all MCC students at the Writing Center (Southern and Dobson) and the Learning Enhancement Center (MCC at Red Mountain). Developmental and ESL students may also receive free tutoring at the Academic Skills Center (Southern and Dobson).

If You Plan to Major in English

English majors are always in demand for their excellent writing and speaking skills, and for the critical thinking and problem-solving skills they develop through the study of language and literature. The English major provides a strong foundation for many career paths, including law, marketing, public relations, technical communications, journalism, publishing, teaching, and of course writing.

If you want to pursue a bachelor’s degree in English or a related program, Arizona’s public universities offer many options:

<table>
<thead>
<tr>
<th>University</th>
<th>Degree</th>
<th>Concentration</th>
</tr>
</thead>
<tbody>
<tr>
<td>ASU</td>
<td>BA</td>
<td>English</td>
</tr>
<tr>
<td>ASU Polytechnic</td>

<td>BA</td>
<td>English</td>
</tr>
<tr>
<td>UA</td>
<td>BA</td>
<td>Creative Writing</td>
</tr>
<tr>
<td>UA</td>
<td>BA</td>
<td>English</td>
</tr>
</tbody>
</table>

If you are planning to pursue a bachelor’s degree in English at a public Arizona university, you can follow the Associate in Arts degree pathway, which requires a total of 60-64 credits. The AA degree transfers as a block without loss of credit and satisfies Arizona university admission requirements. Depending on the institution, up to five 200-level ENH courses will transfer to one of Arizona’s universities for English majors.

The following courses (and others) are appropriate for the prospective English major:

- ENG200 Reading and Writing about Literature
- ENG214 Strategies of Academic Writing
- ENG217 Personal and Exploratory Writing
- ENH221 Survey of English Literature/Before 1800
- ENH222 Survey of English Literature/After 1800
- ENH230 Introduction to Shakespeare
- ENH241 American Literature Before 1860
- ENH242 American Literature After 1860

Exercise Science

Jeffrey Messer, Chairperson: 480-461-7378
Building ES 9
www.mesacc.edu/programs/departments/exercise-science

All Exercise Science classes are located under the EXS prefix in the college catalog when registering for classes.

The Exercise Science program emphasizes the study of movement as it relates to physical activity, health and disease prevention, exercise, fitness and sport. The Exercise Science program prepares students for transfer into two degree pathways: Kinesiology, which draws from a body of knowledge in physiological, biomechanical and psychological sciences in preparation for post-graduate careers in physical/occupational therapy, medicine, physician assistant, cardiac rehabilitation and athletic training Exercise and Wellness, provides students with knowledge, skills and expertise in assisting individuals across the life span in adopting a more physically active lifestyle and health promoting behaviors, for careers in, for example, health promotion/fitness programs, clinical/medical rehabilitation, community agencies and private health/fitness clubs and spas.
The Exercise Science field of study offers certifications and degrees to assist students in job acquisition or transfer to a four-year institution. Many of our academic courses are offered in a traditional classroom setting, as well as in online or hybrid (combination of face-to-face classroom and online learning) formats.

See Physical Education (PED prefix) for a list of all activity classes offered at Mesa Community College.

**Pathways offered at Mesa Community College:**

**Maricopa-ASU Pathway Partnership (MAPP):**
- Kinesiology – ASU Downtown
- Exercise and Wellness **Associate of Applied Science Degree (AAS):**
  - Exercise Science and Personal Training degree
  - Organizational Management: emphasis on Fitness Center Management (See Career and Technical Programs)

**Associate of Arts (AA):**
- Associate of Arts – emphasis Exercise Science/Kinesiology
- Associate of Arts – emphasis Exercise and Wellness
- Associate of Arts – emphasis Physical Education

**Certifications (CCL):**
- Personal Training Specialist Certificate
- Nutrition for Fitness and Wellness Professionals – (See Career and Technical Programs)

**If You Plan to Major in Exercise Science (Kinesiology)**

Exercise Science/Kinesiology, focuses on the mechanical, neural, physiological and psychological mechanisms underlying human movement and consists of four sub-disciplines: Exercise Physiology, Motor Behavior, Biomechanics and Exercise and Health Psychology, which prepares students for post-baccalaureate degrees in Physical/Occupational Therapy, Medical School, Physician Assistant, Dentistry, Kinesiology or Chiropractic School.

**ASU Downtown BS Kinesiology (See MAPP in Kinesiology)**

**NAU BS Exercise Science**

**GCU BS Exercise Science (emphasis Pre-Physical Therapy)**

The following are transfer courses for Exercise Science/Kinesiology major at ASU Downtown:
- EXS101 Introduction to Exercise Science, Kinesiology, and Physical Education
- EXS290 Introduction to Evidence-Based Practices
- HES100/
- WED110 Healthful Living/Principles of Physical Fitness/Wellness (satisfies SB General Education Requirement)

Suggested Electives: All EXS and some HES prefix courses.

**If You Plan to Major in Exercise and Wellness**

Exercise and Wellness focuses on physical activity and healthy lifestyle prescriptions, promotion and program design and delivery in a variety of fitness, community, worksite, organizational, and healthcare settings. Careers include worksite fitness programs, commercial fitness centers/multipurpose clubs, planned community fitness/recreation, hospital based fitness centers, college/university fitness and wellness, strength and conditioning coach, sports medicine clinics or graduate study in physical therapy, medical school or clinical exercise physiology. Also note that there is a Health Educator/Health Promotion BS, located under Health Science.

**ASU Downtown BS Exercise and Wellness:** See Maricopa-ASU Pathway Partnership (MAPP) in Exercise and Wellness

Also see (Health Educator/Health Promotion) under Health Science

The following are transfer courses for the Exercise and Wellness major at ASU Downtown:
- EXS101 Introduction to Exercise Science, Kinesiology, and Physical Education
- EXS214 Instructional Lab – Flexibility and Mind/Body Exercises
- EXS216 Instructional Lab – Exercises Strength and Conditioning
- EXS 218 Instructional Lab – Cardiorespiratory
- HES100/
- WED110 Healthful Living or Principles of Fitness and Wellness
- FON241 Principles of Human Nutrition

Suggested Electives: Most EXS, HES or WED prefix courses.
Fashion Design & Fashion Merchandising

Evonne Bowling, Program Director: 480-461-7140
Building TC 115
www.mesacc.edu/programs/fashion-merchandising-design

- Fashion Merchandising and Design
- Costume Design & Production
- Image Consultant
- Retail Sales Manager
- Alterations Specialist

Retailing is the crucial point where consumer meets product. It occurs in stores, through catalogs, on video shopping networks, and on the Internet. Over 2 million retail stores exist within the United States alone. It is an important part of the American and global economies. Retailing is as diverse as the products consumers purchase.

Fashion and Apparel Merchandising are one in the same. It is the process of meeting the needs of the customer through the Six Rights of Retailing: right price, right item, right time, right place, right quantity, and the right promotional tool. Those interested in the buying position focus their studies here.

Fashion and Apparel Design is the artistic beginning of the products to be sold and their production. This process involves illustrating and creating fashion designs using such methods as sketching, computer assisted design, draping, flat pattern drafting, and all methods of clothing construction.

All of these areas of study include marketing and management skills. Marketing includes predicting consumer needs and distributing the goods and services to the consumer. Management is the effective use of company resources to meet goals and objectives. Our emphasis is on the skills and thought processes necessary to run a competitive wholesale or retail business of any size.

All students’ advising is conducted by faculty in the program area. Advising is conducted during faculty office hours or by appointment. The program is committed to student success and offers the following lab services to support student learning:

- Design Sewing Lab (TC308) – Includes a variety of sewing machines, sergers, and industrial machines for use by students in fashion design, draping, clothing construction, and pattern design.
- Fashion CAD Lab (TC3W) – Includes Computer Aided Design Lab for fashion design and lecture setting with computer lab for merchandising classes for student use. A resource room is also available for study materials for each of the fashion classes.
- Computer Lab (TC416) – General computer lab. Open lab hours are posted.

Fashion Design and Fashion Merchandising are part of the Department of Business and Information Systems.

For specific details about these programs, see Career and Technical Programs.

Fire Science and Emergency Medical Technology

Sonia Jones, Chairperson: 480-461-6300
Downtown Center
www.mesacc.edu/programs/departments/fire-science-emt

The Fire Science/EMT program offers educational opportunities for those currently employed in and those seeking careers in Fire or Emergency Medical Services. Our program also meets many fire departments’ educational requirements for promotional and growth opportunities in leadership, management, and supervision.

The program offers both credit and non-credit classes in:

- Advanced Emergency Medical Technology-Paramedic (initial and refresher training)
- Arson Investigator and Fire Prevention
- Candidate Physical Ability Test (CPAT)
- CPR
- Fire Science
- Fire Officer
- Emergency Management
- Emergency Medical Technology-Basic (initial and refresher training)
- Emergency Response for Industry
- Hazardous Materials
- Technical Rescue
- Wildland Firefighter

Students may earn an AAS degree in Emergency Response & Operations with an emphasis in Fire Operations, Advanced EMT-Paramedic, or Emergency Management.

The certificates of completion include the following:

- Basic Firefighter
- Emergency Management
- Emergency Vehicle Driver/Operator
- EMT-Basic
• Fire Officer Leadership
• Fire Operations
• Paramedic

See Career and Technical Programs for certificates and degrees and the special admissions requirements that apply to these programs.

MCC has a Fire Training Academy that enables students to experience various aspects of structural firefighting in a recruit firefighter training environment. The MCC Fire Academy provides a hands-on approach blended with coursework, which introduces students to various characteristics and skills of a firefighter. Students may be exposed to extreme temperatures, confined spaces, working at various heights, lifting heavy objects, and intense physical work while in the fire academy. It is highly recommended that students be physically and mentally prepared for the rigors of a Fire Academy experience before entering the program. The Fire Academy curriculum is based on firefighter training required by NFPA 1001. Successful completion of the Fire Academy program will allow the student the opportunity to achieve a Firefighter I/II certification with IFSAC accreditation. This process requires additional practical and written testing with a certifying agency responsible for firefighter certifications.

The MCC Fire Science/EMT program offers a mentoring program for all students within the department. The MCC Fire Science/EMT program offers an opportunity to participate in service-learning. We have partnered with the City of Mesa Fire Department to create a service-learning program known as Connectors. Connectors work with the Mesa Fire Department to provide assistance to citizens who have suffered loss of clothing, shelter, or food due to fire, natural disaster, or other emergency situation. Connectors can earn college credit for volunteerism by enrolling in FSC282. For information, contact Lewis Jones at 480-461-6306.

The MCC Fire Science program offers scholarships specifically for Fire Science/EMT majors: The David Karam Scholarship and The Chuck Inman Scholarship. For information about these scholarships, contact the Financial Services office at 480-461-7815.

Geography

Annalisa Alvrus, Chairperson: 480-461-7913
Karen Blevins, Geography/GIS Faculty
Building SC 14
www.mesacc.edu/programs/geography

Geography is one of the disciplines within the Cultural Science Department. Courses are offered in:
• Cultural Geography (GCU)
• Physical Geography (GPH)
• Geographic Information Systems (GPH)

Geography faculty provide academic advisement for all degrees and programs in geography, including certificates in Geographic Information Systems (GIS) and university transfer.

Geography faculty and students engage in field trips, community outreach, study abroad, and international programs. MCC Geography partners with Arizona Audubon, Arizona Game and Fish Department, National Weather Service, AZ State Climate Office, Flood Control District of Maricopa County, National Park Service/Petrified Forest, and many other environmental, weather, and climate agencies to provide undergraduate research and internship opportunities.

For specific degree and certificate requirements, see Career and Technical Programs.

Geology

Mike Sims, Chairperson: 480-461-7015
Building PS 8
www.mesacc.edu/programs/geology

Geology is one of the disciplines within the Physical Science Department. Geology faculty offer a wide range of courses in geology (GLG) for those who want to fulfill general education requirements, those who plan to major in geology, and those who are interested in majoring in geology in a university program. These courses provide both lecture and hands-on laboratory experiences.

In addition to teaching courses, geology faculty conduct community outreach by participating in a number of annual events and by sponsoring the Geo Club, a student organization. Geo Club performs various campus and community service activities that range from collecting pink halite crystals at Trona to selling the crystals at various gem and mineral shows (such as the Flagstaff Gem and Mineral Show) to helping with the Geology Outreach program (such as Science Day).
For more information on geology courses and programs, see the Geology website or contact the department office.

**If You Plan to Major in Geology**

Work closely with an advisor to determine the best courses to take depending on the university program you wish to transfer into. The three public universities require or accept the following courses for students who want to major in geology:

- MAT220 Analytic Geometry and Calculus I OR MAT220 Analytic Geometry and Calculus I
- MAT231 Calculus with Analytic Geometry II OR MAT231 Calculus with Analytic Geometry II
- CHM151/151LL General Chemistry I and lab OR CHM152/152LL General Chemistry II and lab
- GLG101/103 Introduction to Geology I (Physical Lecture) AND GLG101 Introduction to Geology I (Physical Lab)
- PHY121 University Physics I AND PHY131 University Physics II

**German**

See World Languages

**Health Sciences/Wellness**

Jeffrey Messer, Chairperson: 480-461-7378
Building ES 9
www.mesacc.edu/programs/departments/exercise-science

All Health Science classes are located under the HES prefix in the college catalog and when registering for classes. The Wellness classes can be found under the WED prefix in the college catalog and many of these courses focus on complimentary or alternative medicine curriculum. The Health Educator/Health Promotion BS) focuses on establishing a foundational knowledge base for chronic disease prevention in the areas of nutrition, stress, physical activity, substance abuse. It prepares students in developing methods for promoting health behavior change and assessing group and community health needs by designing, implementing, administering and evaluating effective health promotion programs. Careers include worksite health promotion, government health departments and agencies, non-profit disease prevention agencies, planned community health promotion and recreation, healthcare organizations or graduate study in Public Health, Health promotion and education, Health psychology, Medical School.

The Health Science field of study provides degree programs that assist students in transferring to four-year institutions. Many of our academic courses are offered in traditional classroom settings, as well as, in online or hybrid (a combination of both face-to-face classroom and online learning) format.

All CPR/First Aid courses are affiliated with the American Heart Association. All students who successfully complete the written exam and lab skills will be Healthcare Provider certified through the American Heart Association. Those completing First Aid skills and written examination will receive a Mesa Community College Responding to Emergencies First Aid Certificate.

**Pathways Offered:**

Maricopa-ASU Pathway Partnership (MAPP Health Education/Health Promotion) – ASU Downtown Associate of Arts (AA): Associate of Arts: emphasis Health Promotion

**If You Plan to Major in Health Educator/Health Promotion**

Health Educator/Health Promotion is the study of chronic disease prevention, lifestyle behaviors and patterns, assessing health needs and decision making and developing skills in designing, implementing, administering and evaluation individual and community health programs. Careers include workplace and government health promotion agencies, as well as, non-profit, recreational and healthcare organizations.

ASU Downtown BS Health Educator/Health Promotion NAU BS Health Sciences: Public Health

The following are transfer courses for the Health Educator/ Health Promotion major at ASU Downtown:

- FON241 Principles of Human Nutrition
- HES100/ WED110 Healthful Living/ Principles of Fitness and Wellness
- HES154 First Aid/Cardiopulmonary Resuscitation
- HES201 Substance Abuse and Behaviors
- HES210 Cultural Aspects of Health and Illness
History

Paul Hietter, Chairperson: 480-461-7346
Building SC 14
www.mesacc.edu/programs/departments/social-science

The History program is part of the Social Science Department. For more information on the department, see Social Science.

If You Plan to Major in History

The three public Arizona universities offer baccalaureate programs in history, including:

<table>
<thead>
<tr>
<th>Institution</th>
<th>Degree</th>

These three universities all accept or require the following courses for history majors:

- HIS100 History of Western Civilization to Middle Ages
- HIS101 History of Western Civilization
  Middle Ages to 1789
- HIS102 History of Western Civilization, 1789 to Present
- HIS103 United States History to 1865
- HIS104 United States History, 1865 to Present

Information Studies

Ann Tolzman, Chairperson: 480-461-7982
Elisabeth Rodriguez, Program Director: 480-461-7404
Paul A. Elsner Library
www.mesacc.edu/programs/departments/library

The two Mesa Community College libraries are the Paul A. Elsner Library at the Southern and Dobson campus and the Red Mountain Library in the Desert Willow building at MCC at Red Mountain. The MCC libraries offer courses in:

- Information Skills in the Digital Age (IFS)

Industrial Manufacturing

See Manufacturing

Interior Design

Cherise Mahaffey Robb, Program Director: 480-461-7391
Building TC 50
www.mesacc.edu/programs/interior-design

Mesa Community College offers two levels of study in Interior Design: a certificate in Interior Merchandising and an AAS degree in Interior Design. Student advising is conducted by faculty in the program or by Hanna Nguyen in advisement. Advising is conducted during faculty office hours or by appointment. The program is committed to student success and offers the following lab services to support student learning:

- Design Studio I (TC310) – Multi-purpose interior design studio includes extensive fabric, finishes, and material resources for use by interior design majors.
- Design Studio II (TC101) – Drafting and design lab with research and production facilities for use by students enrolled in INT courses. Housed in the lab are 18 custom-designed drafting, computing, and rendering workstations, black and white and color laser printers, scanner, and large-format plotter. Specialized software includes AutoCAD Architecture, Revit, Microsoft Project, SketchUp Pro and Layout, and the Adobe Creative Suite: Adobe Photoshop, Illustrator, Acrobat Professional, and In Design. During open lab periods, a qualified technical assistant provides hardware and software support to interior design students. Open lab hours are posted.
- Computer Lab (TC416) – General computer lab. Open lab hours are posted.
The “id group” is a student club united by four active professional organizations: American Society of Interior Designers (ASID), International Interior Design Association (IIDA), International Furnishings and Design Association (IFDA), and United States Green Building Council (USGBC). Membership provides opportunities for interior design majors to network with the design community at local chapter meetings, attend workshops and seminars, enter student competitions, assist with community service projects, and apply for student scholarships.

Interior Design students also participate in internships which provide the opportunity to work in some aspect of the interior design industry. Students participate in local, state, and national design competitions as well.

For specific degree and certificate requirements, see Career and Technical Programs.

Life Science

Andy Baldwin, Chairperson: 480-461-7978
Office NU170
Classrooms Building LS12
www.mesacc.edu/programs/departments/life-science

The Life Science Department focuses on four areas of specialization:
- Preparing biology majors for transfer to universities
- Providing non-biology majors with diverse opportunities to satisfy their natural science requirements
- Training pre-health profession students
- Training students for careers in biotechnology

Biology is a lab-based science, so most courses have a lab component. We have specialized microbiology, biotechnology, and anatomy labs, as well as several general biology labs.

Faculty are available for advising in all our areas of specialization. Call the department office at 480-461-7115 (Southern & Dobson) or 480-654-7734 (Red Mountain) for a referral to a faculty advisor for biology, anatomy/physiology, microbiology, or biotechnology majors.

We maintain student study labs on both our Southern & Dobson and Red Mountain campuses. These labs provide students with access to lab materials for independent study or tutoring. These study labs are generally open from 30 to 60 hours per week, and are usually staffed by biology students, tutors, and/or faculty who can provide academic support. We provide microscopes, biology models, reference books, and computer tutorials for our students. On our Red Mountain campus, a new undergraduate research laboratory has been built to promote faculty-led student research in the various areas in biology.

Our greenhouse and outside raised plant beds (Southern & Dobson) serve many biology courses with living plant material and give students opportunities to grow environmentally friendly plants. Opportunities are available to learn how to develop organic, edible landscapes. Our Red Mountain campus is located in a less congested region of the Sonoran Desert. Students are invited to become involved in many of the on-site field research projects (i.e., tagging of many of the native species found on campus).

At both campuses, our department maintains live animal collections primarily comprised of Sonoran Desert natives. Most of our animals are captive-bred specimens, including some that we have bred and raised ourselves. We also maintain freshwater and marine aquariums for class usage. Besides class use, these collections are used with visiting school groups, including the annual Science Day for elementary school students.

The Life Science Department continuously develops educational gardens for student and community use. These include our Deserts of North America and Xeriscape demonstration gardens at the Southern & Dobson campus. These community gardens have been developed in collaboration with the City of Mesa Water Conservation Department and the Master Gardeners of Maricopa County. On our Red Mountain campus, the Cienega Project, a native pond environment, has been established. This pond contains many Arizona native species, including some rare and endangered species. This project has been developed in collaboration with Arizona Game and Fish. Student research projects using this area are encouraged.
The Life Science Department provides a home and sponsorship for multiple student clubs including Adventure Association, Environmental Action, Biotechnology, Pre-Dental, and Pre-Pharmacy. These clubs meet regularly in the Life Science building and sponsor speakers, outreach events, tours, and other activities. They also work with local, state, and national organizations to promote awareness of the career possibilities in these areas.

Field experiences are provided as a major part of many biology courses, including Environmental Biology and Natural History of the Southwest. In addition, we offer Marine Biology of Mexico and Field Biology of the Grand Canyon, which are short-term summer courses conducted entirely in the field.

Opportunities are available to participate in K-12 outreach, including science days, science summer-college, and other service-learning activities with our local school districts. We also offer other types of service-learning activities to our students in biology and health-related fields (i.e., AZ Game and Fish, City of Mesa, Solid Waste, Gray Hawk Nature Center, Sustainability projects, and more). Call either department office for more information on programs and events.

If You Plan to Major in Life Science

The three public Arizona universities offer a wide range of baccalaureate programs for students who wish to major in a life science:

- **ASU**
  - BS Biology
  - BS Conservation Biology
  - BS Microbiology
  - BS Plant Biology
  - BS Molecular Biosciences and Biotechnology
  - BS Biology with Concentration in Biology and Society
  - BS Life Sciences
  - BS Biology (with emphases)
  - BS Botany
  - BS Microbiology
  - BS Microbiology (Preprofessional)
  - BS Zoology
  - BS Zoology (Preprofessional)
- **NAU**
  - BA Biochemistry
  - BA Ecology and Evolutionary Biology
  - BS Biochemistry
  - BS Ecology and Evolutionary Biology
  - BS General Biology
  - BS Microbiology
  - BS Molecular and Cellular Biology
  - BS Health Sciences: Physiological Sciences

All three public Arizona universities require or accept the following courses for life science majors:

- **BIO181** General Biology (Majors) I
- **BIO182** General Biology (Majors) II
- **BIO201** Human Anatomy and Physiology I
- **BIO202** Human and Anatomy and Physiology II
- **BIO205** Microbiology

---

**Machining and Product Development**

Bob Bonura, Program Director: 480-461-7173
Building TC 50
www.mesacc.edu/programs/departments/applied-sciences-and-technology

The goal of this program is to prepare students to enter the job market with the entry-level manufacturing skills necessary to develop new products or custom products with input from engineering sketches and drawings. The program recognizes that students will need a broad range of skills and abilities to be successful – machining skills (including CNC machining), electro-mechanical assembly abilities, and some product test and prove-out knowledge. Much of the total program is designed to provide hands-on experience, learning to operate the various machine shop machines and their accessories, with a suitable amount of related classroom material. To work well in a product development environment or to produce custom/low-volume products requires technicians with good basic skills who can work with broad directions and solve problems and technical challenges as they produce the final product.

The student can choose to complete the coursework to achieve an AAS or focus on the core technical classes and receive a Certificate of Completion (CCL) in Machining.

For specific details about this program, see Career and Technical Programs.
Manufacturing

Bob Bonura, Chairperson: 480-461-7173
Building TC 50
www.mesacc.edu/programs/departments/applied-sciences-and-technology

There are two program areas under Manufacturing – Manufacturing Technology and Manufacturing Engineering Technology.

The Associate in Applied Science (AAS) in Manufacturing Technology prepares students for employment as technicians and managers in the manufacturing industry. The program provides skills in computer programming and operation for current and future needs of the manufacturing industry. Students also gain knowledge, skills, and experience in traditional machining and manufacturing processes.

The program is comprised of specialized curriculum in manufacturing technology, emphasizing mathematical and scientific theory, and a general education component. There are three (3) options to this program and each option leads to an Associate of Arts in Science (AAS) degree or a Certificate of Completion (CCL) for those who wish to concentrate on the basic competency courses.

Option 1 – CAD/CAM/CNC – The Manufacturing CNC Technician focuses on the development and design of support information for the industry. This information programs the Manufacturing CNC (Computer Numerical Control) equipment and the Computer Aided Design (CAM) and Computer Aided Manufacturing (CAM) of industrial products. The product includes instruction in traditional machining and manufacturing processes to provide the student with a basis for producing appropriate manufacturing designs in the CNC, CAD, and CAM systems utilized.

Option 2 – Electromechanical Manufacturing Technology (EMMT) – Complex manufacturing production machines and support systems need skilled technicians to keep the equipment operational. The EMMT program provides the knowledge of how electromechanical systems work, and how to fabricate, assemble, troubleshoot, and maintain these complex systems. Students will learn how to integrate this type of equipment into a manufacturing environment to support the current and future needs of the manufacturing industry.

Option 3 – Manufacturing Management – This option prepares students for employment as supervisors and managers in the manufacturing industry. The program provides knowledge of the general manufacturing issues that the student may encounter in a position supervising a technical workforce. Students also complete courses regarding the general scope of traditional machining and manufacturing processes.

The Associate of Applied Science (AAS) in Manufacturing Engineering Technology is designed to prepare technologists who want to concentrate on the more theoretical and scientific aspects of manufacturing product design, testing, and implementation. The student also studies the practical applications of processes, materials, and products related to manufacturing industries with the support of classes in mathematics, chemistry, and physics.

For specific details about this program, see Career and Technical Programs.

Mathematics

Daphne Rossiter, Chairperson: 480-461-7349
Building MC 5
www.mesacc.edu/programs/departments/mathematics-computer-science

The Mathematics/Computer Science Department offers courses and programs in mathematics (MAT courses) and computer programming and system analysis (CSC courses). You can take all of the courses required for the first two years of any public Arizona university math or computer science program through this department.

Courses are offered in traditional classroom settings, at different campuses and sites, and in flexible formats such as hybrid and distance learning. If you wish to take any course in math, you must first take a Math Placement Test at one of our Testing Centers. You must also have satisfied the prerequisites, within two years, from the start date of the course you want to take.

At MCC at Southern and Dobson, there is a Math Foundations Center for drop-in tutoring for MAT122 or below, located in MS100 and there is a Math Center for drop-in tutoring for MAT150 and above, located in MC 104. Both areas are open from 9:00 AM to 7:00 PM Monday through Thursday and from 9:00 AM to 1:00 PM on Friday. The Math Study Area in the MC building also provides an area for studying. The department offers faculty advisement on a drop-in basis for those planning to major in math or computer science. In addition, the department
sponsors the Math Club and conducts a math contest. Faculty in the department are associated with the Mathematical Association of America, the National Council of Teachers of Mathematics, and the Arizona Mathematical Association of Two Year Colleges.

If You Plan to Major in Math

There are many academic and professional opportunities open to those who want to study mathematics. All three public Arizona universities offer bachelor’s degree programs in mathematics:

ASU BA or BS
NAU BS
UA BA or BS

If you are planning to pursue a bachelor’s degree in mathematics at an Arizona university, you can follow the Associate in Arts degree pathway, which requires a total of 60-64 credits. The AA degree transfers as a block (in other words, your transcript will not be evaluated one course at a time for admission to the university) without loss of credit and satisfies Arizona university admission requirements.

If you are planning to transfer to an out-of-state university to complete your bachelor’s degree, contact an academic advisor in the Advisement Center for help in choosing the best courses for your needs.

The three public Arizona universities require a minimum of 6 credits selected from:

MAT220 Calculus I
MAT231 Calculus II
MAT241 Calculus III
MAT276 Differential Equations

The vision of the Mortuary Science Program is to imbue the graduates of the program with the understanding that, as MCC graduates in the funeral service profession, they are leading the way in their local communities as well as the larger state, national and global communities through excellence in the death care profession.

The vision of the program is also to graduate thinking and caring individuals who understand that they have a sacred obligation to the memory of the deceased, the family members and friends of the deceased, the citizens of the community they serve and members of all allied health professions.

The Mortuary Science Program is a block program that comprises the second year of the Associate of Applied Science (AAS) degree. The AAS degree in Mortuary Science at Mesa Community College is accredited by the American Board of Funeral Service Education (ABFSE), 3414 Ashland Ave., Suite G., St. Joseph, MO 64506, 816-233-3747, www.abfse.org

The program is a member of the National Association of Colleges of Mortuary Science (NACMS). As a member of NACMS, it is permitted to induct those members of the class with the highest academic achievement into Mu Sigma Alpha, a National Honor Society for students of Mortuary Science.

Students enrolled in the second year of the program may also join Tau Chapter - Sigma Phi Sigma, a nationally recognized social fraternity for Funeral Service Education & Mortuary Science.

The program and its faculty are members of:

- National Funeral Directors Association (NFDA)
- Cremation Association of North America (CANA)
- International Cemetery, Cremation and Funeral Association (ICCFA)
- Arizona Funeral, Cemetery & Cremation Association (AFCCA)
• Association of Career and Technical Education (ACTE)
• National Association of Colleges of Mortuary Science (NACMS)

Graduation from a Mortuary Science Program and subsequent licensure does not mean that an individual is limited in his/her career choices. Careers in funeral service are varied, and draw on the skills and talents of scientists, artists, counselors, managers, salespersons, and entrepreneurs. Many graduates go on to successful careers in other allied health fields such as nursing, pharmacy, medicine as well as the fields of crime scene investigation, the coroner’s office and the office of the medical examiner.

Students who wish to apply for the Mortuary Science Program must have a GPA of 2.5 or higher in all first year general educational requirements. Other requirements apply to admission to this program; see the program’s website or contact the Office of Admissions at the MCC Red Mountain Campus for further details 480-654-7200.

Study groups have become an integral part of the program; tutoring and special assistance is available to any student who needs it.

During the fall semester embalming lab, the student must provide his or her own transportation to preceptor-site embalming experiences at local funeral homes.

All students must take the National Board Examination prior to graduation. The taking of both sections of the NBE is a Graduation requirement. The fee for this examination is the responsibility of the student.

Courses are available which lead to Cremation Operator Certification and additional Continuing Education for Certified Cremationists. These courses are separate from the ABFSE curriculum.

Many of the students currently not working in funeral service related jobs have gone on the school to complete their four year Bachelor degrees or Graduate schools. MCC is a regionally accredited college and, therefore, students graduating from the Mortuary Science Program have more than 60 hours of transferable college credit which can be applied to higher degrees offered at Senior Colleges and Universities.

National Board Examination scores, graduation rates and employment rates for the Mesa Community College Mortuary Science Program and all other ABFSE-accredited programs are available at www.abfse.org. To request a printed copy of this program’s scores and rates, go to the Mortuary Science Building at 7440 E. Tahoe Avenue, Mesa, Arizona 85212 or contact Dr. Taggart or Donna Backhaus by email taggart@mesacc.edu, backhaus@mesacc.edu or by telephone at 480-988-8501. To view them see the College Catalog or go online to the Mortuary Science Home Page at www.mesacc.edu/programs/mortuary-science.

The Licensure Examination is the National Board Examination offered by the International Conference of Funeral Service Examining Boards (the ICFSEB). Licensure is on a state-by-state basis since each state does its own licensing. Approximately 33% of the students in the MCC Mortuary Science Program come from states other than Arizona. The fees for licensure are the responsibility of the student.

Being a Nationally Accredited program, your graduation from the Mortuary Science Program at MCC is transferable to States other than Arizona as well as your scores on the National Board Examination. Another of the most wonderful features of this program and your scores on the NBE is that once you have them, you have them for life even if you would choose to wait some time before putting your skills into practice in the funeral service profession.
Music

Sue Anne Lucius, Chairperson: 480-461-7577
Building MU 43
www.mesacc.edu/programs/departments/music

All students considering a major and/or minor in music must be advised by the Music Department.

The mission of the Music Department is to provide a high-quality experience to student musicians and a stimulating music education experience to the non-musicians we serve. The Music Department is a resource for transfer education, music education, and career and vocational preparation in music technology, music business, and music performance. High-quality musical experiences serve our community through classroom education and live musical performances.

The Music Department offers a wide range of courses and programs in the following areas:

- Music Theory and Composition (MTC)
- Music: Commercial and Business (MUC)
- Music Performance (MUP)
- Music Education (MUE)

Courses and programs are designed to enhance students’ skills, prepare them for transfer to university programs, and equip them with knowledge and skills required to prepare for careers in the music field.

In addition, the department produces a number of musical performances each year and serves as home base for several community musical groups. For more information about courses, programs, performances, and groups, call the department office at 480-461-7575.

If You Plan to Major in Music

It is recommended that students planning to transfer as music majors to a baccalaureate-granting college or university take a planned set of courses leading to the Associate in Arts (AA). The AA is a general degree that includes special requirements enabling music majors to graduate from MCC after earning 64 credit hours.

The three public Arizona universities offer the following baccalaureate programs in music:

- **ASU BA**
  - Music
- **BM**
  - Secondary Education (Choral/Instrumental) Performance, Music Therapy
  - Music Theory and/or Composition

- **NAU BA**
  - Music
- **BM**
  - Performance, Secondary Music Education, Choral/Instrumental

- **UA BA**
  - Music
- **BM**
  - Secondary Education (Choral/Instrumental) Performance
- **BFA**
  - Music Theatre – Theatre Arts

The MCC Music Department in partnership with Ottawa University offers a Music Education degree in Elementary and Secondary Music. Students complete their freshman and sophomore music and general education coursework, and their junior and senior performance ensembles and private instruction with MCC. Upper-division education courses are taken through Ottawa University.

The basic music courses required for most music majors planning to transfer to a baccalaureate-granting institution include:

- MTC105/106 Music Theory and Aural Perception I
- MTC155/156 Music Theory and Aural Perception II
- MTC205/206 Music Theory and Aural Perception III
- MTC255/256 Music Theory and Aural Perception IV
- MUE137 Class Brass I
- MUE138 Class Brass II
- MUE235 Class Percussion I
- MUE236 Class Percussion II
- MUE237 Class Woodwinds I
- MUE238 Class Woodwinds II
- MUP123 Studio Class/Piano, Voice, Guitar, Instrumental, Jazz Styles (.5 credits 6 semesters)
- MUP131 Class Piano I
- MUP132 Class Piano II
- MUP133 Class Voice I
- MUP134 Class Voice II
- MUP166 Jazz Piano I
- MUP167 Jazz Piano II
- MUP209 Conducting
- MUP231 Class Piano III
- MUP232 Class Piano IV
- MHL241 Music History
- MHL242 Music History

Private instruction (2 credits 6 semesters)

Performing ensemble
- Small (1 credits 6 semesters)
- Large (2 credits 6 semesters)

The Music Department offers the Associate in Applied Science (AAS) and Certificate of Completion (CCL) in:

- Audio Production Technologies/Sound Design
- Music Business
Network Academy

Preston Cameron, Chairperson: 480-461-7714
Bob Samson, Program Director: 480-461-7744
www.mesacc.edu/programs/networking-security

The Department of Business and Information Systems–Network Academy mission is to deliver education and training to Information Technology professionals and knowledge workers by developing, adopting, and implementing curricula that are aligned with industry standards and can lead to academic and industry certification.

The purpose of the Network Academy is to be:
• Responsive and adaptable to current and emerging industry needs
• Dedicated to responsible student advisement
• Committed to supporting, encouraging, and mentoring students
• We accomplish this mission and purpose by providing:
  • Certificate and degree programs
  • Hands-on experiences applicable to the workplace
  • Education for career advancement
  • Accessible, affordable, and flexible programs
  • Testing services for industry certifications and licenses

The Network Academy programs offer courses in the following disciplines:
• Computer Information Systems (CIS) – specializing in network administration, database administration, and distributed computing technologies including Microsoft, Oracle, Cisco Systems, Novell, Linux, Ascendant Learning (Security), SunMicrosystems, UNIX, and IBM
• Cisco Networking Technology (CNT) – courses offered under this prefix are certified as Cisco Networking Academy Courses
• Microsoft Technology (MST) – Specializing in Microsoft networking and distributed computing technologies
• Business and Personal Computers (BPC) – Desktop computing installation, maintenance, and support

Our specialized programs include:
• Cisco Networking Academy
• Sun Academic Alliance Center
• Microsoft IT Academy
• Novell Education Academic Partner
• CompTIA partner – A+ certification, N+, and NITAS site
• Information Assurance
• BioInformatics

All courses are aligned to current industry standards and certifications. Students may earn a certificate of completion at MCC, an Associate in Applied Science (AAS) at MCC, and/or industry-specific certifications through exams offered by the specific technology company.

Students can complete coursework toward an associate degree including:
• Networking System Administration
• Linux Networking Administration
• Information Assurance

Students can complete certificates of completion in Network Administration with specializations in:
• Information Assurance
• Network Security
• Network Administration: Cyber Forensics Technician
• Network Administration: CISCO Network Associate (CCNA)
• Network Administration: CISCO Network Professional (CCNP)
• Network Administration: Microsoft Windows
• Network Administration: Novell
• Network Administration: UNIX-Solaris

Please see Career and Technical Programs for specific requirements for certificates and degrees.

For more information on the department, see departmental website at www.mc.maricopa.edu/dept/d07

Students have access to computers and network equipment in the classroom during the scheduled class time. Students also have access to the department’s open labs at the Southern and Dobson and Red Mountain campuses.

Students may be required to purchase tools and specific storage devices for certain classes.

Network Academy faculty provide advisement during the school year. Appointments for faculty advisement can be made by calling 480-461-6100. Advisement is also available in the department by appointment during the summer hours. Faculty provide additional tutorial assistance outside class hours as needed.

The Network Academy provides a strong service-learning component to give students additional hands-on experience to augment coursework. The Network Academy is a member of Arizona Students Recycling Used Computers (AZSTRUT). Students enrolled in service-learning are provided workplace experience fixing and refurbishing computers provided by the AZSTRUT program. These computers are then distributed to public schools and non-profit agencies throughout Arizona. Students are also given opportunities to serve as interns with the technical support staff of the department.

The Department of Business and Information Systems also offers courses in General Business under a variety of
INSTRUCTIONAL PROGRAMS

Nursing

Debra Bitter, Chairperson: 480-461-7262
Building HW8
www.mesacc.edu/programs/departments/nursing

The Nursing Department offers a wide range of courses and programs in:
- Nursing – Associate in Applied Science in Nursing
- Paramedic to Nurse Program
- Nurse Assisting Certificate of Completion
- Nurse Refresher Online Program
- Health Care Related
- Health Core Curriculum
- Nursing Continuing Education

Prospective nursing students must apply to the program and meet all of the requirements listed in the program requirements for specific certificates or degrees they wish to earn.

The Nursing Department is committed to student success. We have a nursing skills lab where students can practice clinical skills. We also provide student tutoring and encourage study groups. We offer email, phone, and onsite advisement for nursing in the Health Wellness building.

All nursing and pre-nursing students can join the Student Nursing Association. Many scholarships are available to qualified nursing majors. Contact the Nursing Department for further details.

See Career and Technical Programs for specific program and degree requirements.

Nutrition

Jeffrey Messer, Chairperson
480-461-7378; Building ES 9
www.mesacc.edu/programs/food-nutrition
Dr. Lori Zienkewicz, Registered Dietitian Nutritionist
480-461-7379; Office ES 102
lori.zienkewicz@mesacc.edu

Dr. Maureen Zimmerman, Registered Dietitian Nutritionist
480-461-7328; Office ES 101
maureen.zimmerman@mesacc.edu

The Nutrition Program offers diverse educational opportunities, including the new Sustainable Food Systems program. Our pre-dietetics pathway can begin the process of becoming a Registered Dietitian. View our website for details; www.mesacc.edu/dept2/nutrition/

1. Registered Dietitian Nutritionist (RD or RDN)- Pre-Dietetics AA Pathway

MCC offers a transfer pathway for students interested in becoming a nutrition expert: a Registered Dietitian Nutritionist (RDN). This Associate of Arts (AA), Emphasis Pre-Dietetics/ Pre-Nutrition transfer pathway meets requirements for the Arizona State University and University of Arizona Dietetics programs. This is not a degree in nutrition, rather, it is a pathway program to the bachelor’s degree programs at ASU and UA.

See Associate of Arts pathway for ASU and University of Arizona. MAPP to ASU (Nutrition/Dietetics) courses are included in the AA.

2. Sustainable Food Systems – AAS Degree/Certificate of Completion

The program prepares students to help create a new food system that can feed the expanding global population in ways that are accessible, affordable, safe, nutritious, fair, and sustainable--all while respecting the environment, culture, and the welfare of those involved in the food system (i.e.-animals, farmers, laborers, marketers, transporters, packagers, consumers, disposers, etc.). This is an emerging field with new jobs being created by sustainable food systems entrepreneurs.

3. MAPP transfer to Arizona State University

b. Human Nutrition
c. Nutrition Communication
d. Food Service Management

4. Nutrition for Fitness and Wellness – Certificate of Completion

This certificate is designed for students planning to work in the wellness industry or those currently working as a personal trainer or wellness coach. Students learn foundational information on nutritional science. (This is not a Registered Dietitian or Nutritionist pathway.)

5. Exercise Science Personal Training – AAS Degree

Students interested in the fitness and wellness industry may consider this AAS degree. Upon completion, it is transferable into a Bachelor of Applied Science program at Arizona State University. Please note: This is not a track towards becoming a Registered Dietitian. See Nutrition website for details.

See Nutrition website for details on all programs www.mesacc.edu/dept2/nutrition/
Office Automation Systems
Bethann Partin, OAS Program Director: 480-461-7764
See Computer Information Systems

Philosophy and Religious Studies
Patrice Nanco, Chairperson: 480-461-7621
Building BP 43A
www.mesacc.edu/programs/departments/philosophy-religious-studies

The Department of Philosophy and Religious Studies offers dozens of courses each year. Our two disciplines are twin approaches to the wisdom and practices of people across the world and throughout history. The study of science, history, literature, psychology, and more are integrated in our shared pursuit of a greater perspective. We offer our students the freedom to question everything, challenge the answers, and discover new possibilities.

If You Plan to Major in Philosophy
Arizona’s three state universities all offer B.A. degrees in Philosophy. There are many academic and professional opportunities for those who wish to study Philosophy, such as a career as an analyst, journalist, or researcher, in various governmental roles, or a track through Law School. Also, several comedians were Philosophy majors. The universities’ Philosophy major requires Introduction to Philosophy (PHI101), Introduction to Logic (PHI103), and Introduction to Ethics (PHI105).

If You Plan to Major in Religious Studies
Arizona’s three state universities all offer B.A. degrees in Religious Studies. ASU also offers a Ph.D. program. Community college students have wide freedom in taking courses to prepare themselves. We recommend you visit with one of our Religious Studies faculty to explore what works for you. Whichever direction you take, however, you will find either Religion and the Modern World (REL205) or World Religions (REL243) a worthwhile starting place.

Religious Studies is a good foundation for several careers, particularly international work in either the corporate or non-profit world. Teaching is also an option (an increasing number of high schools are now offering World Religions in their curriculum). Religious Studies also serves well to prepare students for graduate work in law, archaeology, linguistics, literature, and public administration.

CGTE: The Engagement Project
In addition to the dozens of courses we offer, our department established CGTE: The Engagement Project. Following 9/11, we sought to establish a long-term process for a better world: Engagement. Through varied programming, a resource center, and a unique option for our Honors students, we look to transcend the divisions among us – religious, cultural, political, and social – and foster relationships that allow us all to become more together than what we can be apart. www.mc.maricopa.edu/cgte

The Center. Located in our department office, it is a growing collection of technology and multimedia: DVDs, magazines, books, Powerpoint presentations, audio programming, and more. It is all there for MCC students, faculty, and staff to use in courses or for personal exploration.

CGTE: The Engagement Project Events. Each semester we offer a series of programs and presentations for the campus which include our annual Fall Engage It! day, and special topics that touch on the many-faceted world around us. The semester calendar is available at our website.

The House of Wisdom. The student arm of CGTE: The Engagement Project is the Students for Cultural Engagement (SCE). Its most visible expression is the House of Wisdom, a twice-monthly “engagement dialog” that gathers students, faculty, and college staff together from across campus for discussion of varying challenging themes. The HOW is offered both as a live event and in an online chat format as the Cyber-HOW.

The Philosophy Club. More traditional in structure, the Philosophy Club meets monthly 3pm first and third Thursday (alternating weeks with HOW) and explores themes that connect the philosophical tradition to the everyday modern experience.

The SCE Honors Experience. The SCE frames “Honors” within the engagement effort. Students, working with faculty advisors and student mentors, develop group projects that foster engagement, and share them with the wider campus community at the SCE Honors Experience Showcase. This experience is open to Honors students from all departments and disciplines.

The Lois Duncan Kellogg Scholarship
The Philosophy and Religious Studies Department awards annual scholarships for students in each of our disciplines. Please contact the department offices for information.
Physical Education

Jeffrey Messer, Chairperson: 480-461-7378
astine@mesacc.edu
Building ES 9
www.mesacc.edu/programs/departments/exercise-science

All Physical Education classes are located under the PED prefix in the college catalog or when registering for classes. The Physical Education program at Mesa Community College offers a wide variety of physical activity, leisure dance classes and outdoor recreational classes for your learning enjoyment, enhancement of physical performance, or improvement of physical fitness or health.

All physical education classes are categorized in the following manner:

- PED101 Introductory or beginning skill level
- PED102 Intermediate skill level
- PED201 Advanced skill level

Followed by two-letter module that represents the activity being taught, for example a beginning level Boot Camp class would be identified as PED101BC. Find a list below of the wide range of 1-credit physical activity, leisure dance and outdoor recreation classes offered at Mesa Community College:

- Aerobic Dance (AD)
- Aikido (AK)
- Boot Camp (BC)
- Ballroom Dance (BD)
- Belly Dance (BE)
- Ballet (BL)
- Backpacking (BP)

PED115 Lifetime Fitness Center is a two-credit open entry/open exit strength and conditioning, group fitness (aerobics), and resistance training program which provides students to three workout facilities at the Southern and Dobson campus (health Improvement Center, Fitness Center, and Group Activity Center) and two facilities at the Red Mountain campus (Fitness Center and Group activity Center). PED115 offers population specific resistance training, cardiovascular training and strength and conditioning programs administered by college degreed professionals who are also Certified Personal Trainers or Strength and Conditioning Specialist through nationally accredited organizations.

- PED120AF is a two credit only strength and conditioning class
- PED124/125/224/225 are two credit Sport Performance Enhancement classes
- PED133 is a two credit Olympic Style Lifting class
- PED187 is a two credit adaptive physical education class for the Atypical student

All students must be high school age to enroll in any physical education class taught at Mesa Community College.

If You Plan to Major in Education with an Emphasis in Physical Education

Interested in a career in Education with an emphasis in Physical Education provides students curriculum that is based on teacher preparation courses in physical education, activity classes and teaching methodology preparing students to teach Physical Education from K through 12th grade. Opportunities exist to pursue a baccalaureate degree in this field of study.

ASU Polytechnic BAE Secondary Education:
- Physical Education
NAU BS Physical Education (Health minor)

The following are transfer courses for the Secondary Education: Physical Education degree at ASU:

- HES100 Healthful Living
- HES154 First Aid/CPR
- EXS101 Introduction to Exercise Science, Kinesiology, and Physical Education
- FON241 Principles of Human Nutrition

Suggested Electives:
- Most EXS courses, some PED, HES, and WED courses.

Physical Science and Physics

Mike Sims, Chairperson: 480-461-7015
Building PS 8
www.mesacc.edu/programs/departments/physical-science

Physical Science and Physics are disciplines within the Physical Science Department. Physical Science (PHS) and Physics (PHY) courses are offered for those who want to fulfill general education or major requirements, for those who plan to major in physics, and for those who want to expand their knowledge of the physical sciences.

If You Plan to Major in Physics

The three public Arizona universities offer a variety of baccalaureate programs for those who plan to major in physics and astronomy:

- ASU BS Physics
- NAU BS Astronomy
- NAU BS Physics
- NAU Merged BS Physics and Astronomy
- NAU Merged BS Physics and Mathematics
- UA BS Physics
- UA BS Astronomy
- UA BS Science Education Physics
Work closely with an advisor to select courses that will help you meet your academic and professional goals. All three public Arizona universities require or accept the following courses for physics majors:

- MAT231 Calculus with Analytic Geometry II
- MAT241 Calculus with Analytic Geometry III
- PHY121 University Physics I
- PHY131 University Physics II

### Political Science

**Paul Hietter, Chairperson: 480-461-7346**  
Building SC 14  
www.mesacc.edu/programs/departments/social-science

For more information, see Social Science

In addition to offering courses in political science (POS), the faculty also sponsor the Model United Nations group that competes nationally each.

**If You Plan to Major in Political Science**

The three public Arizona universities offer a large number of baccalaureate degree programs in political science, including:

- **ASU**  
  - BA Political Science (Asian Studies)
  - BA Political Science (Latin American Studies)
  - BS Political Science
  - BA Political Science
  - BA Social and Behavioral Science (Political Science)
  - BS Social and Behavioral Sciences (Political Science)
  - BA Political Science
  - BS Political Science
  - BA International Affairs
  - BA Political Science
  - BS American Political Studies
  - BS Political Science
  - BA Political Science

These three universities all require or accept the following courses for political science majors:

- POS110 American National Government
- POS120 World Politics
- POS140 Comparative Government
- POS210 Political Ideologies

---

### Psychological Science

**Ly Tran-Nguyen, Chairperson: 480-461-7925**  
Building BP 43A  
www.mesacc.edu/programs/departments/psychological-science

The Department of Psychological Science challenges students to expand their knowledge and enhance their appreciation of the human condition through open and impartial inquiry. We stimulate student curiosity to inquire about self and others through the scientific study of how people think, feel, act, and interact with their world. Students learn to view psychology and life from various perspectives and to recognize that psychology interrelates with all other disciplines.

The Department of Psychological Science sponsors a chapter of Psi Beta, a national Honor Society for Psychology in Community Colleges. Psi Beta is also an MCC club, and students with any interest in psychology topics are welcome to attend. Students may be either members of the psychology club or they may apply to be inducted into the Honor Society. If they get inducted, they are entitled to graduate with Honor Cords and their Psi Beta Honor Society membership is recorded on their transcript.

Students can get advisement assistance from members of the Department of Psychological Science faculty by calling to make an appointment. Periodically, Psi Beta hosts an Advisement Workshop with speakers from all of the public Arizona universities and other transfer institutions. The workshop is open to any interested student. Call the department main office at 480-461-7032 for the date, time, and location.

Psi Beta and the Department of Psychological Science also sponsor an Evening Lecture Series. Each semester three professionals in the field give informal lectures on a wide range of topics related to psychology. The public is invited to attend these lectures, and Continuing Education Credits (CEU) are offered.

The Department of Psychological Science has its own lab, the Psychology Instructional Resource Center (PIRC). The PIRC is a well-equipped computer lab that has many resources for all psychology students. Materials are available online and in print format, and they include a variety of study guides, extra-credit materials, films and videos, experiential exercises, and additional textbooks. The PIRC is a great place to learn psychology! As part of the PIRC lab, the Department of Psychological Science offers a tutoring program where free tutoring is available for any student taking a psychology course. Tutoring is offered in the PIRC lab.
Monday through Friday. The PIRC is located in the AD building (near the Cashier’s Office) at MCC at Southern and Dobson and in the library at the Red Mountain campus.

The Department of Psychological Science offers several scholarships to students. These awards require students to have completed nine credit hours in psychology classes and are based on students’ grade point average and other qualifications. These are awarded in the spring semester. Students can get application information and qualification requirements from the department office.

If You Plan to Major in Psychology

Students who plan to major in psychology can complete their lower-division general education and major courses to prepare for upper-division psychology coursework. Students who are interested in psychology as a minor or as an elective may choose from among a large variety of classes. It is important for students to know that one does not “specialize” within psychology until graduate school (masters and/or doctoral work). An undergraduate degree in psychology is usually a general psychology degree, but the emphasis depends on the student’s interest.

Arizona State University and University of Arizona require the following courses for psychology majors:

- PSY101 Introduction to Psychology
- PSY230 Introduction to Statistics
- PSY290 Research Methods

Northern Arizona University requires the following courses for psychology majors:

- PSY101 Introduction to Psychology
- PSY230 Introduction to Statistics

PSY101 is the prerequisite for all 200-level courses. Additional prerequisites may also be required for some courses. The 200-level courses are introductions to almost all of the specialization areas in psychology and students may choose them based on their interest.

The department offers courses in two prefixes:
- Reading (RDG)
- Critical Reading (CRE)

Students must take the ASSET, CELSA, ACCUPLACER, or COMPASS placement test to determine which reading class(es) to take. Many reading classes are available in English as a Second Language format as well. It is best to take reading classes early in your college career since these classes build skills that will enhance your success as a student.

If You Plan to Major in Psychology

Students who plan to major in psychology can complete their lower-division general education and major courses to prepare for upper-division psychology coursework. Students who are interested in psychology as a minor or as an elective may choose from among a large variety of classes. It is important for students to know that one does not “specialize” within psychology until graduate school (masters and/or doctoral work). An undergraduate degree in psychology is usually a general psychology degree, but the emphasis depends on the student’s interest.

Arizona State University and University of Arizona require the following courses for psychology majors:

- PSY230 Introduction to Statistics
- PSY290 Research Methods

Northern Arizona University requires the following courses for psychology majors:

- PSY101 Introduction to Psychology
- PSY230 Introduction to Statistics

PSY101 is the prerequisite for all 200-level courses. Additional prerequisites may also be required for some courses. The 200-level courses are introductions to almost all of the specialization areas in psychology and students may choose them based on their interest.

The department offers courses in two prefixes:
- Reading (RDG)
- Critical Reading (CRE)

Students must take the ASSET, CELSA, ACCUPLACER, or COMPASS placement test to determine which reading class(es) to take. Many reading classes are available in English as a Second Language format as well. It is best to take reading classes early in your college career since these classes build skills that will enhance your success as a student.

The department offers the Milly Olsen Memorial Scholarship as well as the Dr. Phil Carrillo Memorial Scholarship for Native American Students in honor of former faculty members. See the Financial Services website or visit the office for more information about these scholarships.

Recreation

Jeffrey Messer, Chairperson: 480-461-7378
astine@mesacc.edu
Building ES 9
www.mesacc.edu/programs/recreation

The Recreation professions represent a diverse field focusing on the role of leisure in youth and adult development, of parks/open space to community quality of life, of leisure, sports and the natural resource of tourism to economic and community development, and providing human services in meeting community needs. These professional address challenges related to providing accessible leisure services, visitor opportunities, environmental quality of life, social problems and services to disadvantage populations.

The Parks and Recreation Management program prepares students for professional positions in a variety of public, private and nonprofit organizations. Career opportunities exist in such diverse settings as youth agencies, municipal park and recreation departments, county and state park agencies, tour operators, sport venues, commercial recreation, therapeutic recreation, hospitals, and special event management.
Recreation courses are offered in traditional classroom settings, as well as online or hybrid format (a combination of face-to-face classroom and online learning).

**Pathways offered:**
Maricopa-ASU Pathway Partnership (MAPP):
- Parks and Recreation Management
- Recreational Therapy
- Nonprofit Leadership and Management
- Tourism Development and Management

**Degrees Offered:**
- Associate of Applied Sciences (AAS):
  - Recreation Management

- Certificate (CCL):
  - Recreation Management

**If You Plan to Major in Recreation Management**
If you are interested in a career in Recreation Management, the curriculum provides a interdisciplinary education in the management of community based recreation services, parks, protected areas, commercial recreation services, nonprofits and for profit organizations and tourism management. Opportunities exist to pursue a baccalaureate degree in this field of study.

ASU Downtown  BS  Parks and Recreation Management
ASU Downtown  BS  Recreational Therapy
ASU Downtown  BS  Nonprofit Leadership and Management
ASU Downtown  BS  Tourism Development and Management
NAU  BS  Parks and Recreation Management

The following are transfer courses for Recreation Management Majors at ASU Downtown and NAU:
- REC120  Leisure and Quality of Life
- REC210  Leisure Delivery Systems
- REC230  Programming of Recreation Services
- REC250  Recreation Leadership

**Social Science**
Paul Hietter, Chairperson: 480-461-7346
Building SC 14
[www.mesacc.edu/programs/departments/social-science](http://www.mesacc.edu/programs/departments/social-science)

The Social Science Department is committed to an innovative learner-centered environment to assist students, faculty, and staff in achieving their academic goals. The Social Science Department strives to help each person achieve his or her potential as an effective and productive citizen by understanding the economic, historic, and political foundations of local, state, national, and international communities.

**The Social Science Department includes:**
- Economics
- Future Studies
- History
- Political Science

Students are encouraged to form study groups, take advantage of the Learning Enhancement Center, and interact with faculty for advisement.

The Social Science Department offers a scholarship each spring. Details are available in the Social Science Department Office.

**Social Work**
Annalisa Alvrus, Chairperson: 480-461-7913
Building SC
[www.mesacc.edu/programs/social-work](http://www.mesacc.edu/programs/social-work)

According to the Department of Labor/Bureau of Labor Statistics, Arizona’s demand for professional social workers will continue to outpace supply. Careers range from family and child counseling, adoption and fostering, and CPS to school, medical, addictions, behavioral health, gerontology, and forensic fields. For further information on careers, salaries, etc. go to [www.bls.gov/oco/ocos060.htm#content](http://www.bls.gov/oco/ocos060.htm#content).

Social work students also have opportunities to visit the ASU Downtown School of Social Work and meet ASU Social Work Program advisors.

Social work classes often include field trips to relevant community service sites, and students are given the opportunity to get hands-on experience by serving the community at key sites as part of their course assignments. These include, but are not limited to, sites such as the East Valley Child Crisis Center, CARE Partnership, Paz de Cristo, A New Leaf, local hospitals, and Mesa Public Schools.
There is a great need for bilingual social workers, and MCC’s Social Work program welcomes students for whom English may be a second language. Classes in English as a Second Language and other services are available to help bilingual students succeed in achieving their educational and professional goals.

Study abroad: Social work majors are encouraged to participate in the Xalapa, Mexico summer program and are eligible to apply for scholarships from the International Education program.

**If You Plan to Major in Social Work**

ASU offers bachelor’s, master’s, and Ph.D. degree programs in social work, and NAU offers a bachelor’s degree in social work.

If you are planning to pursue a bachelor’s degree in social work at one of these public Arizona universities, you can follow MCC’s MAPPS/Alliance degree pathway, which requires a total of 60-64 credits. The MAPPS/Alliance degree transfers as a block (in other words, your transcript will not be evaluated one course at a time for admission to the university) without loss of credit, and satisfies Arizona university admission requirements.

ASU and NAU require at least 6 credits from the following core courses for the social work major. ASU Downtown requires all three of these core courses:

- SWU171 Introduction to Social Welfare
- SWU291 Social Service Delivery Systems*
- SWU292 Effective Helping in a Diverse World

*Requires (40) hours of volunteer experience in a local agency.

In addition to these core courses for social work majors, other recommended courses for those in the helping professions are:

- SWU225 Statistics for Social Research, Justice/Government
- SWU130 Chemical Dependency
- SWU215 Counseling Addictions Among Diverse Families
- SWU220 Addictions and Mental Health
- SWU250 Mindfulness for Stress Management
- SWU258 Victimology and Crisis Management
- SWU275AA Case Report Writing
- SWU282AA, AB, AC Volunteerism in Social Work: Service-Learning Experience

Sociology

Annalisa Alvrus, Chairperson: 480-461-7913
Mona Scott, Lead Sociology Faculty
Building SC 14
www.mesacc.edu/programs/sociology

The Field- Sociology is a cultural science dealing with the study of social life, social change and the social causes and consequences of human behavior. Sociology concerns itself with the social rules and processes that bind and separate people not only as individuals but as members of associations, groups and institutions.

Sociologists investigate the structure of groups, organizations and societies and how people interact within such contexts. Because all human behavior is social, the field of interest ranges from the analysis of short contacts between anonymous individuals on the street to the study of global social processes.

The Program- The primary purpose of the Sociology program at Mesa Community College is to provide concrete occasions and intellectual resources that can help students understand the social and cultural dimensions of human behavior.

Beyond The Classroom- The variety of skills that students gain through the Sociology program enable students to plug into many roles, such as clinicians (with further study) and researchers who implement the theory in day-to-day life. Students who major in Sociology find themselves in a variety of career fields including public administration, education, social work, business, politics, protocol and personnel work. Students with degrees in Sociology can also work in health and human services-related fields or in the criminal justice system. In addition, a number of graduates seek postgraduate degrees such as law, M.S.W. and M.B.A. degrees.

The Faculty- The Sociology department boasts a caring faculty who understand and work toward the uniqueness of each individual student. In addition to six full-time faculty members, the Sociology department is complemented by a number of adjunct professors. All faculty members in the department have practical experience.

Sociology advisement is available from sociology faculty during office hours and by appointment.

**If You Plan to Major in Sociology**

There are many academic and occupational opportunities available to those who study sociology. For example, at the three public Arizona universities you can earn a BA in sociology from ASU, ASU West, NAU, and UA. You can earn a BS from NAU and ASU West.
The three public universities all accept or require the following courses for the sociology major:

- SOC101 Introduction to Sociology
- SOC130 Human Sexuality
- SOC140 Racial and Ethnic Minorities
- SOC141 Sovereign Indian Nations
- SOC142 Sociology of the Chicano Community
- SOC143 Sociology of Afro-American Problems
- SOC157 Sociology of Marriage and Family
- SOC180 Social Implications of Technology
- SOC212 Women and Men in a Changing Society
- SOC245 Social Deviance
- SOC251 Social Problems
- SOC266 Sociology Through Film
- SOC270 Sociology of Health and Illness

See World Languages

**Theatre Arts and Film**

Susan Olson, Chairperson
Theatre Outback TH 29
www.mesacc.edu/programs/departments/communication-theatre-arts-film

The Theatre Arts and Film program offers courses in Theatre Arts (THE), Theatre Production (THP), and Cinema (THE). Theatre performance and technical opportunities allow you to meet the human need for personal recognition and develop self-assurance, poise, and confidence.

When you get involved in theatre, you create the opportunity to use your talents in dance, music, art, speech, interpretation, storytelling, makeup, lighting and sound technologies, and scenic and costume construction. Through coursework, theatre arts and film provide an opportunity to explore other cultures and ages.

It is recommended that theatre arts and film majors enroll in a wide range of theatre courses in order to insure a total grasp of the field. Actors should understand scene design and stage lighting, just as designers should understand performance studies. All theatre majors should have a firm grasp of theatre history and dramatic literature.

Due to the sophistication of the concepts and the textbooks used, students enrolling in courses numbered 100 or above should have placement scores that would place them into ENG101 and CRE101. Students must also satisfy course prerequisites.

The Theatre Arts and Film program presents three or four major main stage productions per year and one Black Box touring production. Open auditions are available for all students, staff, and faculty at MCC. The Theatre Arts program is active in the American College Theatre Festival and participates in the AriZoni Awards. The productions are staged in the Theatre Outback, which also hosts musicals and dance concerts.

The Theatre Arts and Film program sponsors the Stagedoor Players, an organization designed to foster student interest in theatre, as well as explore careers in theatre and pursue special interests in the area. The Stagedoor Players sponsor workshops and performances at various times throughout the year and in the summer. Many of these productions are written and staged entirely by students.

The department is committed to student success and faculty are available during their office hours for one-on-one assistance and advisement.

Theatre Arts students may apply for scholarships by contacting Kevin Dressler or Kara Thomson, Co-Directors of Theatre.

**If You Plan to Major in Theatre Arts**

Public universities in Arizona offer a variety of bachelor’s degree programs in this field:

- ASU BA Theatre
- ASU West BA Interdisciplinary Arts and Performance
- NAU BA or BS Theatre
- UA BFA or BA Theatre Production/Theatre Arts

The three public Arizona universities all require the following courses for the theatre major:

- THP112 Acting I
- THP212 Acting II
- THP213 Introduction to Technical Theatre
- THP217 Introduction to Design Scenography
- THE220 Modern Drama (Dramatic Analysis)

Depending on the university you plan to transfer to, the following courses may also be recommended:

- THE111 Introduction to Theatre
- THE118 Playwriting
- THE205 Introduction to Cinema
- THE206 Introduction to Television Arts
- THE210 Contemporary Cinema
- THP115 Theatre Make-up
- THP131 Stage Movement
- THP201AA Theatre Production I
- THP201AB Theatre Production II
- THP203 Technical Theatre Production
- THP210 Acting: Television/Film
INSTRUCTIONAL PROGRAMS

THP211 Creative Drama
THP214 Directing: Theatre Techniques
THP216 Beginning Stage Lighting
THP217 Introduction to Design Scenography
THP219 Introduction to Puppetry
THP225 Visual Script Analysis
THP241 Performance of Literature
THP250 Stage Properties
THP260 Theatrical Design: Rendering
THP261 Pre-visualization Modeling
THP263 Entertainment Industry Design I: 2D CAD
THP264 Entertainment Industry Design II: 3D CAD
THP265 Introduction to Stage Management
THP266 Production Careers in Entertainment
THP267 Painting Techniques for Film, TV and Theatre
THP269 Technical Theatre Portfolio Development

Contact an academic advisor in the Advisement Center and/or Theatre Faculty for help in choosing the best courses for your needs.

Veterinary Technology

Dr. Jill Sheport, Program Director: 480-461-7488
Building TC 50
www.mesacc.edu/programs/veterinary-technology

The Veterinary Technology Program is an Associate in Applied Science Degree program nationally accredited by the Committee on Veterinary Technician Education and Activities of the American Veterinary Medical Association. The program prepares students for careers in the rapidly growing field of veterinary technology, which require knowledge and skills involving basic medical sciences, general animal care and management, veterinary medical care, and client communications and service. Veterinary technicians function as the paraprofessional assistants to veterinarians, biomedical researchers, other scientists, and animal control and humane organizations. The program provides instruction in small animal, large animal, and laboratory animal medical and surgical nursing; laboratory techniques; office protocol; emergency medicine; specialty medicine; and other topics. Instruction includes practical clinical internship experience in veterinary emergency, large animal, small animal, and specialty practices, as well as in zoos, laboratories, humane societies, and other facilities. The curriculum combines courses in animal science and animal health with a general education component. Upon completion of the program, the student will be awarded an Associate in Applied Science degree in Veterinary Technology/Animal Health, and will be qualified to sit for national and state certification examinations.

Welding

Rod Hammil, Program Director: 480-461-7131
Building WL 52
www.mesacc.edu/programs/welding-technology

Welding engineering employs science and engineering in joining components made of metals, ceramics, plastics, and other materials. Welding engineering includes the designing of the joints to be welded, the development of the detailed joining procedures to be used, the selection of the materials incorporated in the joint, joint inspection, and the quality control for the final product. Welding engineering can also involve research in these areas, such as developing new welding processes or procedures for new materials. Welding engineers work with design engineers to develop efficient welding designs and fabrication procedures.

Welding engineers are involved in research and development, production, construction, and inspection functions involving welded fabrication. They also work in consulting, teaching, management, sales, and service functions. There are also opportunities to be owners or partners in private sector businesses. As the world becomes more conscious of the environment and the need for conservation of natural resources, many new opportunities are available for welding engineers. These opportunities include the design and manufacture of lighter and safer automobiles, trucks, and airplanes with increased fuel economy and improved environment control systems. The exploration of space brings the opportunity of designing and manufacturing space probes and space shuttles.

Welding engineering is a growing profession, and it is expected to continue in this growth for many years.

For specific details about this program, see Career and Technical Programs.
Women’s Studies
Annalisa Alvrus, Chairperson: 480-461-7913
Building SC 14
www.mesacc.edu/programs/womens-studies

The Cultural Science department also houses the Women’s Studies certificate program, an interdisciplinary program that focuses on women’s experiences and perspectives, exploring topics such as history, culture, class, race, ethnicity, sexuality, and gender in order to help bring about equality, understanding, and peace. See Academic Certificates for program requirements.

Women’s Studies prepares students for careers in non-profit organizations, business, the creative arts, education, government and public policy, journalism, law, medicine, publishing, science, the social sciences, and social work.

WST100 Introduction to Women’s and Gender Studies
WST209 Women and Films
WST284 19th Century Women Writers
WST286 Women and Health: Body/Mind/Spirit/Connection
WST290 Women and World Religions

For additional information contact Cultural Science Department: 480-461-7060

World Languages
Steven T. Budge, Chairperson: 480-461-7031
Building 41
www.mesacc.edu/programs/departments/world-languages

The mission of the World Languages Department at Mesa Community College is to promote excellence in teaching and learning by educating students to be linguistically and culturally prepared for advanced education and/or active citizenship in our global society:

• American Sign Language (SLG)
• Arabic (ARB) • Chinese (CHI)
• French (FRE) • German (GER)
• Hebrew (HEB) • Italian (ITA)
• Japanese (JPN) • Latin (LAT)
• Navajo (NAV) • Portuguese (POR)
• Russian (RUS) • Spanish (SPA)

The foundational courses (courses numbered 101, 102, 201, and 202) fulfill language requirements for specific degree programs. They are prerequisites for advanced language courses at the community college and 300 and 400-level language courses at 4-year institutions. These university-equivalent courses emphasize the four language skills: listening, speaking, reading, and writing. Course 101 has no prerequisite. These courses are offered in a variety of formats (hybrid, face-to-face, and online). Consult the current online class schedule for details.

The conversational courses (courses numbered 115, 116, 225, and 226) are offered for those who wish to develop conversational abilities. These courses emphasize speaking and listening skills. Course 115 has no prerequisite.

The advanced courses prepare students for 300 and 400-level language courses at 4-year institutions. These courses are recommended to students who plan to transfer to a major university and wish to gain a deeper understanding of the culture, as well as improve their critical language skills. Courses in the advanced track have prerequisites.

The industry-specific courses (courses numbered 117, 118, 119, 120, 109, 169, 209, 210, and 240) are offered for those who wish to develop language skills in order to communicate with clients and employees in specific work environments. These language classes are customized in order to meet the schedule and content needs of each specific industry. Contact your employer today to schedule one of these courses with the World Languages Department.

The humanities and language studies courses (SPH245, NVH245, SLC201, SLC202, SPA241 and 242, and FLA240) are designed to meet the diverse academic needs of the student. They include studies in linguistics, second language acquisition, foreign language teaching methods, film, and culture and heritage studies. Please consult the current course schedule for details.

Many foreign language courses are transferable to other colleges and universities, depending upon the programs and policies of the institution. For transferability status of courses to Arizona universities, consult the Course Equivalency Guide.

The World Languages Department has a state-of-the-art language laboratory to facilitate and stimulate the language learning process. The language laboratory is located in Building #4, AS 110 at MCC at Southern and Dobson. Hours vary from semester to semester. For more information, contact the World Languages department office.

The department has joined efforts with the Learning Enhancement Center to provide tutoring services for our language programs at various campuses and sites.

MCCCD DEGREES

Catalog Under Which A Student Graduates

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

Example A:
• Admitted & Earned Course Credit at a Public Community College or University – Fall ’05 (Active)
• Continued at a Public Community College – Spring ’06, Fall ’06 (Active)
• Transferred to a University – Spring ’07 (2005 or Any Subsequent Catalog)

Example B:
• Admitted & Earned Course Credit at a Public Community College or University – Fall ’02 (Active)
• Continued at a Public Community College – Spring ’03 (Inactive)
• Enrolled in Audit Courses Only – Fall ’03 (Inactive)
• Nonattendance – Spring ’04 (Inactive)
• Transferred to a University – Fall ’04 (2002 or Any Subsequent Catalog)

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term* at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission.

Example A:
• Admitted & Earned Course Credit at a Public Community College or University – Fall ’02 (Active)
• Nonattendance – Spring ’03, Fall ’03, Spring ’04 (Inactive)
• Readmitted & Earned Course Credit at a Public Community College – Fall ’04 (Active)
• Transferred to a University – Spring ’05 (2004 or Any Subsequent Catalog)

Example B:
• Admitted & Earned Course Credit at a Public Community College or University – Fall ’02 (Active)
• Nonattendance – Spring ’03 (Inactive)
• Readmitted & Earned Course Credit at a Public Community College – Fall’03, Spring ’04 (Inactive)
• Nonattendance – Summer ’04 (Active)
• Transferred to a University – Fall ’04 (2002 or Any Subsequent Catalog)

*Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

Example:
• Admitted & Earned Course Credit at a Public Community College or University – Summer ’04 (Active)
• Continued at a Public Community College – Fall ’04, Spring ’05 (Active)
• Nonattendance – Fall ’05 (Inactive)
• Readmitted & Earned Course Credit at a Public Community College – Spring ’06 (Active)
• Transferred to a University – Summer ’06 (2004 or Any Subsequent Catalog)

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

NOTE: Time Limit for Transfer Coursework

Students should be aware that the receiving institution may have age and credit limits on certain coursework to be used in transfer. Students should be knowledgeable about the policies on time limits for transfer coursework for the institution to which they plan to transfer.
GENERAL GRADUATION REQUIREMENTS

All students are required to complete the degree and/or certificate requirements as approved by the MCCCD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. be credited in the Admissions and Records Office/Office of Student Enrollment with not fewer than:
   - 60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree, and Associate in General Studies degree;
   - 60 semester credit units for the Associate in Applied Science degree;
   - 62 semester credits for the Associate in Business degrees.

   For specific certificate programs, be credited with not fewer than the minimum total of credit units required for the certificate program.

   Students not continuously enrolled, as outlined in the Catalog Under Which a Student Graduates policy, must satisfy current graduation requirements.

2. have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college awarding the certificate.

   The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded;

   Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

   A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of “C” or better at the college awarding the certificate or degree. The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

3. have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center.

   Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

4. have a minimum cumulative grade point average of 2.000 at the college granting the degree.

5. have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements.

   Some specific programs have higher grade requirements. It is the student’s responsibility to be aware of these program requirements.

6. have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.

7. have removed any indebtedness to any MCCCD college/center.

8. have paid required degree or certificate application fee.

   See fee schedule for charges.

   See Graduation with Honors for information on honors designation.

CERTIFICATES/DEGREES

The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, one of which is conferred on each student who has completed a program of study. These certificates and degrees are as follows:

1. Certificate of Completion (Career Program Specified);
2. Academic Certificate;
3. General Education Certificate;
4. Associate in Arts;
5. Associate in Science;
6. Associate in Business;
7. Associate in General Studies;

All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCD Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.
LICENSURE DISCLAIMER

Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person’s character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student’s character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.

MCCCD GENERAL EDUCATION STATEMENT

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society through personal, social, and professional interactions with others. General education fosters students’ personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

- Build self-awareness, self-respect, and self-confidence
- Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
- Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
- Access, evaluate, analyze, synthesize, and use information wisely
- Communicate effectively personally, socially, and professionally

- Think critically, make informed decisions, solve problems, and implement decisions
- Consider the ethical implications of their choices
- Value the learning process throughout their lives
- Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
- Develop a personal sense of aesthetics
- Use technological resources appropriately and productively
- Work cooperatively and respectfully with others to serve their communities
- The general education experience at MCCCD is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:
  - Communication
  - Arts and Humanities
  - Numeracy
  - Scientific Inquiry in the Natural and Social Sciences
  - Information Literacy
  - Problem-Solving and Critical Thinking
  - Cultural Diversity

General Education Designations (example: [FYC], [SB], [HU], etc.)

Effective Fall 2000 the course evaluation and/or general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for general education evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

Arizona General Education Curriculum (AGEC)-A, B, S

The Maricopa County Community College District Arizona General Education Curriculum (MCCCD AGEC) is a 35-38 semester-credit general education certificate that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university. Generally, the MCCCD AGEC transfers as a block without loss of credit.
In most cases, all courses used to satisfy the MCCCD AGEC will apply to graduation requirements of the university major for which the AGEC was designed. For students planning to pursue an associate’s degree or transfer to an Arizona public community college or university, the AGEC-A is a component of the MCCCD Associate in Arts, the AGEC-B is a component of the MCCCD Associate in Business, and the AGEC-S is a component of the MCCCD Associate in Science.

Purpose of the AGECs

There are three types of MCCCD AGECs. They are the AGEC-A, the AGEC-B, and the AGEC-S. Designed to articulate with different academic majors, their requirements vary accordingly. Additional information on academic majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

1. The AGEC-A is designed to satisfy requirements in many liberal arts majors as well as other majors that articulate with the Associate in Arts (e.g., social sciences, fine arts, humanities). AGEC-A requires a minimum of college mathematics or college algebra to satisfy the Mathematics [MA] requirement. AGEC-A Mathematics requirement is less stringent than the AGEC-B and AGEC-S. AGEC-A and AGEC-B Natural Sciences requirements are less stringent than AGEC-S.

2. The AGEC-B is designed to satisfy requirements in business majors that articulate with the Associate in Business. AGEC-B requires a minimum of brief calculus to satisfy the Mathematics [MA] requirement.

3. The AGEC-S is designed to satisfy requirements in majors with more prescriptive mathematics and mathematics-based science requirements. AGEC-S articulates with the Associate in Science. AGEC-S requires a minimum of the first course in a calculus sequence to satisfy the Mathematics [MA] requirement, and a minimum of eight credits of any university chemistry, university physics or general biology to satisfy the Natural Sciences [SQ/SG] requirement. In addition, students must select six to eight additional credits of math and/or science appropriate to the major.

Academic Policies that Govern the AGEC A, B, S:

- Requires 35-38 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.
- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.
- Uses the following policies to help students complete the required Core and Awareness Areas without exceeding the 35-38 semester credits.
  1. Courses can satisfy a Core area and one or two Awareness areas simultaneously.
  2. A course cannot be used to satisfy more than one Core area requirement in the AGEC A and B.
  3. A course can be used to satisfy the L and SB or L and HU requirements simultaneously in the Core area for the AGEC S.

Follow the general education policy that follows:

General Education Designations (example: [FYC], [SB], [HU], etc.)

Effective fall 2000 the course evaluation and/or the general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for course evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

- Required courses that transfer as equivalent courses, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona CEG (Course Equivalency Guide). The course evaluation and/or general education designation as listed in AZCAS is valid for the term in which the student is awarded credit on the transcript;
- Require that a minimum of 12 semester credits of course work be taken at any of the MCCCD colleges;
• Include both course and their modular equivalents.  
  Either the course or the modular equivalents will satisfy the AGEC;  
• Accept one of the courses that is cross-referenced with other courses;  
• Provide for exemption from Arizona university admission requirements for: Students who complete the AGEC-A, AGEC-B, or AGEC-S with a minimum 2.0 on a 4.0=A scale, or students who complete an associate or higher degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

The 35-38 semester credits required for each of the three AGECs follow. View satisfy MCCCD AGEC-A, AGEC-B and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta by clicking on the statewide AGEC icon.

Athe AGEC A, B, S, and AGEC Matrix identify the courses in alpha-order by prefix as well as the different Core Areas and Awareness Areas where the course will apply.

A. Core Areas  35 Credits
   1. First-Year Composition (FYC)  6  
   2. Literacy and Critical Inquiry [L]  0-3  
      AGEC-A & AGEC-B: Select a course that satisfies the [L] requirement (3)  
      AGEC-S: Recommend selecting a course that satisfies (L and SB) OR (L and HU) OR (L and COM), OR (L and CRE101) requirements simultaneously (0-3)  
   3. Mathematical Studies [MA/CS]  4-6  
      The Mathematics [MA] requirement differs for AGEC-A, AGEC-B, and AGEC-S.

To complete the Mathematical Studies requirement for AGEC-A and AGEC-B, select one course to satisfy Mathematics [MA], and a second course from Computer/Statistics/Quantitative Applications [CS]. AGEC-S does not require the [CS] area.

AGEC-A requires:  
a. Mathematics [MA] (3 credits) AND  
   (Requires a course in college mathematics (MAT142) or college algebra (MAT150, MAT151, MAT152) or pre-calculus (MAT187) or any other mathematics course designated with the MA general education value and for which college algebra is a prerequisite.)  
b. Computer/Statistics/Quantitative Applications [CS] (3 credits)

AGEC-B requires:  
a. Mathematics [MA] (3 credits) AND  
   (Requires a course in brief calculus (MAT212) or a higher level mathematics course (MAT220, or MAT221 or any course for which these courses are prerequisites).  
b. Computer/Statistics/Quantitative Applications [CS] (3 credits)  
   CIS105 Survey of Computer Information Systems

AGEC-S requires:  
a. Mathematics [MA] (4 credits) AND  
   (Requires a calculus course (MAT220 or MAT221) OR any mathematics course for which MAT220 or MAT221 are prerequisites)  

4. Humanities and Fine Arts [HU]  6  
   AGEC-A and AGEC-B: Students are encouraged to choose courses from more than one discipline for a total of six semester credits.  
   AGEC-S: Recommend selecting a course that satisfies (L and HU) requirements simultaneously.

5. Social and Behavioral Sciences [SB]  6  
   AGEC-A and AGEC-B: Students are encouraged to choose courses from more than one discipline for a total of six semester credits.  
   AGEC-S: Recommend selecting a course that satisfies (L and SB) requirements simultaneously.

6. Natural Sciences [SQ/SG]  8  
   To complete the Natural Sciences requirement: AGEC-A and AGEC-B require four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

   The Natural Sciences requirement differs for AGEC-S. AGEC-S requires eight (8) semester credits of either university chemistry or eight (8) semester credits of university physics or eight (8) semester credits of general biology appropriate to the major.

   The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection.
Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

7. Subject Options (Subject based on major) (AGEC S)
Students completing AGEC S, through careful selection of courses that meet the other major or prerequisite requirements for Science degrees, will meet this requirement. Using a transfer guide, select Mathematics courses above Calculus, and/or Science courses from: Astronomy, Biology, Botany, Chemistry, Environmental Science, Geology, Physical Geography, Physics, Zoology.

B. Awareness Areas
Students must satisfy two Awareness areas: Cultural Diversity in United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed 35-38 semester credits to complete any of the three MCCC CD AGECs because courses can satisfy a Core area and one or two Awareness areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness areas.

1. Cultural Diversity in the United States [C] AND
2. Global Awareness [G] OR
3. Historical Awareness [H]

AGEC Area Requirements Descriptions/Definitions - CORE AREAS

First-Year Composition (FYC)
Courses must be completed with a grade of “C” or better in the First-Year Composition Core area. Courses must emphasize skills necessary for college-level learning and writing skills.

Literacy and Critical Inquiry [L]
Courses must be completed with a grade of “C” or better in the Literacy and Critical Inquiry Core area. In the [L] course, typically at the sophomore level, students gather, interpret, and evaluate evidence and express their findings in writing or speech. This course includes a series of graded written or spoken formal assignments.

For AGEC S, students will select a course that satisfies both Literacy and Social & Behavioral Sciences or Literacy and Humanities and Fine Arts requirements simultaneously.

Literacy is defined broadly as communicative competence in written and oral discourse; critical inquiry is defined as the gathering, interpreting, and evaluating of evidence.

Building on the proficiency attained in traditional First-Year Composition courses, the Literacy and Critical Inquiry requirement helps students sustain and extend their ability to reason critically and communicate clearly through language.

Mathematical Studies
Courses must be completed with a grade of “C” or better in the Mathematical Studies Core area. One course must be selected from Mathematics [MA]. In AGEC A and AGEC B, a second course must be selected from Computer/Statistics/Quantitative Applications [CS].

The Mathematical Studies requirement is intended to ensure students have skills in basic mathematics, can use mathematical analysis in their chosen fields, and can understand how computers make mathematical analysis more powerful and efficient.

First, the acquisition of essential skills in basic mathematics requires the student to complete a course in college algebra or to demonstrate a higher level of skill by completing a course for which college algebra is a prerequisite.

Second, the real-world application of mathematical reasoning requires the student to take a course in statistics or the use of quantitative analysis to solve problems of substance.

Third, the use of the computer to assist in serious analytical work is required. Computers are widely used to study the implications of social decisions or to model physical systems.

Mathematics [MA] AGEC-A
The AGEC-A Mathematics Core area requires a course in college mathematics, college algebra, pre-calculus, or any other mathematics course for which college algebra is a prerequisite.

Mathematics [MA] AGEC-B
The AGEC-B Mathematics Core area requires a course in Brief Calculus or a higher-level mathematics course.

Mathematics [MA] AGEC-S
The AGEC-S Mathematics Core area requires the first course in the calculus sequence or any mathematics course for which that course is a prerequisite.

Computer/Statistics/Quantitative Applications [CS]
AGEC-A, B [CS] requires: courses that emphasize the use of statistics or other mathematical methods in the interpretation of data and in describing and understanding quantitative relationships, courses that involve the use of computer programming languages or software in the development of skills in analytical thinking. AGEC-B specifies CIS105 as the course that meets the [CS] requirement.
Humanities and Fine Arts [HU]
Courses must be completed with a grade of “C” or better in the Humanities and Fine Arts Core area. Students are encouraged to choose coursework from more than one discipline. The Humanities and Fine Arts Core area enables students to broaden and deepen their consideration of basic human values and their interpretation of the experiences of human beings.

The humanities are concerned with questions of human existence and the universality of human life, questions of meaning and the nature of thinking and knowing, and questions of moral, aesthetic, and other human values. The humanities investigate these questions in both the present and the past and make use of philosophy, foreign languages, linguistics and communications studies, religious studies, literature, and fine arts. The fine arts constitute the artist’s creative deliberation about reality, meaning, knowledge, and values.

Social and Behavioral Sciences [SB]
Courses must be completed with a grade of “C” or better in the Social and Behavioral Sciences Core area. Students are encouraged to choose coursework from more than one discipline.

The Social and Behavioral Sciences Core area provides scientific methods of inquiry and empirical knowledge about human behavior, both within society and within individuals. The forms of study may be cultural, economic, geographic, historical, linguistic, political, psychological, or social. The courses in this area address the challenge of understanding the diverse natures of individuals and cultural groups who live together in a world of diminishing economic, linguistic, military, political, and social distance.

Natural Sciences [SQ/SG]
Courses must be completed with a grade of “C” or better in the Natural Sciences Core area.

Courses in the Natural Sciences Core area help the student to develop an appreciation of the scope and limitations of scientific capability to contribute to the quality of society. This Core area emphasizes knowledge of methods of scientific inquiry and mastery of basic scientific principles and concepts, in particular those that relate to matter and energy in living and non-living systems. Firsthand exposure to scientific phenomena in the laboratory is important in developing and understanding the concepts, principles, and vocabulary of science. At least one of the two laboratory courses required in the Natural Sciences Core area must include an introduction to the fundamental behavior of matter and energy in physical or biological systems.

Natural Sciences [SQ] A & B
The AGEC A and B Natural Sciences Core area requires one laboratory course in natural sciences that includes a substantial introduction to the fundamental behavior of matter and energy in physical or biological systems.

Natural Sciences [SG] A & B
The AGEC A and B Natural Sciences Core area requires a second laboratory course in the natural sciences, for example, from Anthropology, Astronomy, Biology, Chemistry, Experimental Psychology, Geology, Microbiology, Physical Anthropology, Physical Geography, Physics, and Plant Biology.

Natural Sciences S
The AGEC S Natural Sciences Core area requires eight semester credits of either university chemistry or eight semester credits of university physics or eight semester credits of general biology appropriate to the major.

SQ = Natural Science-Quantitative
SG = Natural Science-General

Subject Options (for AGEC S)
Courses in the Subject Options area help the student to be prepared for specific majors in science. Students completing AGEC-S, through careful selection of courses that meet the other major or prerequisite requirements for Science degree, will meet this requirement. Using a transfer guide, courses would be selected from Mathematics courses above Calculus, and/or Science courses from: Astronomy, Biology, Botany, Chemistry, Environmental Science, Geology, Physical Geography, Physics, and Zoology.

Awareness Areas
Students must satisfy two Awareness areas: Cultural Diversity in the U.S. and either Global Awareness or Historical Awareness. Courses can satisfy a Core area and one or two Awareness areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness areas.

Cultural Diversity in the United States [C]
The contemporary “culture” of the United States involves the complex interplay of many different cultures that exist side by side in various states of harmony and conflict. United States history involves the experiences not only of different groups of European immigrants and their descendants, but also of diverse groups of American Indians, Hispanic Americans, African Americans, and Asian Americans—all of whom played significant roles in the development of contemporary culture and together shape the future of the United States. At the same time, the recognition that gender, class, and religious
differences cut across all distinctions of race and ethnicity offers an even richer variety of perspectives from which to view. Awareness of cultural diversity and its multiple sources can illuminate the collective past, present, and future and help to foster greater mutual understanding and respect.

The objective of the Cultural Diversity area requirement is to promote awareness of, and appreciation for, cultural diversity within the contemporary United States. This is accomplished through the study of the cultural, social, or scientific contributions of women and minority groups, examination of their experiences in the United States, or exploration of successful or unsuccessful interactions between and among cultural groups.

Global Awareness [G]

Human organizations and relationships have evolved from being family and village-centered to the modern global interdependence that is apparent in many disciplines—example, contemporary art, business, engineering, music, and the natural and social sciences. Many serious local and national problems are world issues that require solutions that exhibit mutuality and reciprocity. These problems occur in a wide variety of activities, such as food supply, ecology, health care delivery, language planning, information exchange, economic and social developments, law, technology transfer, and even philosophy and the arts. The Global Awareness area recognizes the need for an understanding of the values, elements, and social processes of cultures other than the culture of the United States. The Global Awareness area includes courses that recognize the nature of other contemporary cultures and the relationship of the American cultural system to generic human goals and welfare.

Courses that satisfy the global awareness option in the requirements are of one or more of the following types:

1. Area studies that are concerned with an examination of culture-specific elements of a region of the world;
2. The study of a non-English language;
3. Studies of international relationships, particularly those in which cultural change is facilitated by such factors as social and economic development, education, and the transfer of technology; and
4. Studies of cultural interrelationships of global scope such as the global interdependence produced by problems of world ecology.

Historical Awareness [H]

The Historical Awareness area option in the requirements aims to develop knowledge of the past that can be useful in shaping the present and future. Because historical forces and traditions have created modern life and lie just beneath its surface, historical awareness is an aid in the analysis of present-day problems. Also, because the historical past is a source of social and national identity, historical study can produce intercultural understanding by tracing cultural differences to their origins. Even the remote past may have instructive analogies for the present.

The Historical Awareness area consists of courses that are historical in method and content. In this area, the term “history” designates a sequence of past events or a narrative whose intent or effect is to represent such a sequence.

The requirement presumes these are human events and history includes all that has been felt, thought, imagined, said, and done by human beings. History is present in the languages, art, music, literature, philosophy, religion, and the natural sciences, as well as in the social science traditionally called history.

ASSOCIATE IN ARTS (AA)

The Maricopa County Community College District Associate in Arts degree requires 60-64 semester credits for the program of study. The degree includes the following components:

I. General Education
   Arizona General Education Curriculum for Arts (AGEC-A) MCCCD Additional Requirements

II. General Electives

Purpose of the Degree

The Associate in Arts degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Liberal Arts or programs of study other than business or science. Generally, the degree will transfer as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Arts will apply to university graduation requirements of the university major for which the Associate in Arts is designed. Information regarding the articulation of the Associate in Arts with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Academic Policies that Govern the Associate in Arts Degree

Completion of the Associate in Arts or the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.
The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts degree.

A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations:

- Courses can satisfy a Core Area and one or two Awareness Areas simultaneously.
- A course cannot be used to satisfy more than one Core Area.

General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).

Effective fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 60-64 semester credits required for the Associate in Arts follow. View specific course information via the following website: www.maricopa.edu/academic/ccta by clicking on the statewide AGEC icon.

Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts Degree.

Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts requirements.

If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 60-64 semester credits required for the Associate in Arts follow. View specific course information via the following website: www.maricopa.edu/academic/ccta by clicking on the statewide AGEC icon. The AGEC A, B, S, and AGEC Maric identify the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply.

I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements.

MCCCD AGEC-A

1. Core Areas 35 Credits
   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 3
   c. Mathematical Studies [MA/CS] 6

To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].
1) Mathematics [MA] A (3 credits)
   Note: requires a course in college mathematics (MAT142) or college algebra (MAT150, MAT151, MAT152) or pre-calculus (MAT187) or any other mathematics course designated with the MA general education value and for which college algebra is a prerequisite.

   AND

2) Computer/Statistics/Quantitative Applications [CS] (3 credits)

3. MCCCD Additional Requirements 0-6 Credits
   Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.

   a. Oral Communication
      A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.
      Select from the following options:
      COM100 [SB] (3 credits) OR
      COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
      COM110 [SB] (3 credits) OR
      COM110AA & COM110AB & COM110AC [SB] (3 credits) OR
      COM225 [L] (3 credits) OR
      COM230 [SB] (3 credits)

   b. Critical Reading
      A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied and additional electives may be taken.
      CRE101 [L] OR equivalent as indicated by assessment

2. Awareness Areas
   Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.
   Cultural Diversity in the United States [C] AND Global Awareness [G] OR Historical Awareness [H]

II. General Electives
   Select courses to complete a minimum of 60 semester credits but no more than a total of 64 semester credits.

   For students who have decided on a major that articulates with the AA, but who are undecided on the university to which they will transfer, courses satisfying the General Electives area should be selected from the list of Common Courses, Arizona Transfer Pathway Guides, and/or University Transfer Guides in order for the courses to apply in the major upon transfer.
The list of Common Courses for each major is included in the Arizona Transfer Pathway Guides. University Transfer Guides are also available for the Arizona public universities. These guides, both statewide and institutional, are accessible on the following web site: www.aztransfer.com/

Students must select MCCCD courses that are transferable to the university or universities to which the student plans to transfer, as elective credit or better according to the Arizona CEG within the AZCAS. For appropriate course selection, students should consult with an advisor.

For some majors, students must demonstrate 4th semester proficiency at the 202 course level to satisfy the Non-English Language Requirements. Students should consult the Arizona Transfer Pathway Guides and/or the University Transfer Guides to determine this requirement for the major at the university to which they intend to transfer. If required, it is recommended that students choose Maricopa courses as electives to meet this requirement as part of the Associate in Arts degree.

Students who are undecided on a major or university should consult an advisor. Not all majors have common courses, so it is recommended that students consult with an advisor for a list of common courses or assistance with selecting appropriate electives.

**ASSOCIATE IN ARTS (AS)**

The Maricopa County Community College District Associate in Science degree requires 60-64 semester credits for the program of study. The degree includes the following components:

I. **General Education**
   - Arizona General Education Curriculum for Science (AGEC-S) MCCCD Additional Requirements

II. **General Electives**

**Purpose of the Degree**

The Associate in Science degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors with more stringent mathematics and mathematics-based science requirements. Generally, the degree will transfer as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Science will apply to university graduation requirements of the university major for which the Associate in Science is designed. Information regarding the articulation of the Associate in Science with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

**Academic Policies that Govern the Associate in Science Degree**

- Completion of the Associate in Science and the AGEC-S provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.
- The graduation policies within the general catalog must be satisfied for completion of the Associate in Science degree.
- A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.
- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.
- The General Education Requirements for AGEC-S may be completed in 36-38 semester credits with the following stipulations
  - Courses can satisfy a Core area and one or two Awareness areas simultaneously.
  - A course cannot be used to satisfy more than one Core area requirement in the AGEC A and B.
  - A course can be used to satisfy the L and SB or L and HU requirements simultaneously in the Core area for the AGEC S.
- General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-S Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).
• Effective fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-S requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. View specific course information via the following website: www.maricopa.edu/academic/ccta by clicking on the statewide AGEC icon.

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement All courses used to satisfy electives must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-S or Associate in Science Degree.

• Courses and their modular equivalents will satisfy AGEC-S and Associate in Science requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements
The 60-64 semester credits required for the Associate in Science follow. View satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ ccta by clicking on the statewide AGEC icon. The AGEC A, B, S and AGEC Matrix identify the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply.

I. MCCCD General Education
The MCCCD General Education includes two areas: MCCCD AGEC-S and MCCCD Additional Requirements.

MCCCD AGEC-S
1. Core Areas 36-38 Credits
   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 0-3
      Recommend selecting a course that satisfies L (Literacy and Critical Inquiry) and SB (Social and Behavioral Sciences) OR L (Literacy and Critical Inquiry) and HU (Humanities and Fine Arts) OR L (Literacy and Critical Inquiry) and COM or L (Literacy and Critical Inquiry) and CRE101 requirements simultaneously.
   c. Mathematical Studies [MA] 4
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] S. Mathematics [MA] S (4 credits)
      Select a calculus course MAT220 or MAT221, or any mathematics course for which MAT220 or MAT221 is a prerequisite,
   d. Humanities and Fine Arts [HU] 6
      Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.
      Select a course that satisfies both L and HU requirements simultaneously.
   e. Social and Behavioral Sciences [SB] 6
      Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.
      Select a course that satisfies both L and HU requirements simultaneously.
   f. Natural Sciences 8
      To complete the Natural Sciences requirement:
      Select eight (8) semester credits of either general chemistry CHM151 & CHM151LL and CHM152 & CHM152LL OR
Eight (8) semester credits of university physics
PHY115 & PHY116 or PHY121 & PHY131
OR
Eight (8) semester credits of general biology,
BIO181 & BIO182 appropriate to the major.
g. Subject Options (subject based on major) 6-8
Students completing AGEC S, through careful selection of courses that meet the other major or pre-requisite requirements for Science degree, will meet this requirement. Using a transfer guide, select courses from Mathematics courses above Calculus, and/or Science courses from: Astronomy, Biology, Botany, Chemistry, Environmental Science, Geology,
Physical Geography, Physics, Zoology.

2. Awareness Areas
Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-six to thirty-eight semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.
Cultural Diversity in the United States [C]
AND
Global Awareness [G] OR
Historical Awareness [H]
3. MCCCD Additional Requirements 0-6 Credits
Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the 36-38 semester credits required in order to complete the MCCCD Additional Requirements.
a. Oral Communication
A total of three (3) semester credits are required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.
Select from the following options:
COM100 [SB] (3 credits) OR
COM100AA & COM100AB &
COM100AC [SB] (3 credits) OR
COM110 [SB] (3 credits) OR
COM110AA & COM110AB &

b. Critical Reading
A total of three (3) semester credits are required for the Critical Reading area. If students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied and additional electives may be taken.
CRE101 [L] OR equivalent as indicated by assessment.

II. General Electives
Select courses to complete a minimum of 60 semester credits but no more than a total of 64 semester credits.

For students who have decided on a major that articulates with the AS, but who are undecided on the university to which they will transfer, courses satisfying the General Electives area should be selected from the list of Common Courses, Arizona Transfer Pathway Guides, and/or University Transfer Guides in order for the courses to apply in the major upon transfer.
The list of Common Courses for each major is included in the Arizona Transfer Pathway Guides. University Transfer Guides are also available for the Arizona public universities. These guides, both statewide and institutional, are accessible on the following web site: www.aztransfer.com
Students must select MCCCD courses that are transferable to the university or universities to which the student plans to transfer, as elective credit or better according to the Arizona CEG within the AZCAS. For appropriate course selection, students should consult with an advisor.

For some majors, students must demonstrate 4th semester proficiency at the 202 course level to satisfy the Non-English Language Requirements. Students should consult the Arizona Transfer Pathway Guides and/or the University Transfer Guides to determine this requirement for the major at the university to which they intend to transfer. If required, it is recommended that students choose Maricopa courses as electives to meet this requirement as part of the Associate in Science degree.

Students who are undecided on a major or university should consult an advisor. Not all majors have common courses, so it is recommended that students consult with an advisor for a list of common courses or assistance with selecting appropriate electives.

Associate in Science Total Credits: 60-64
ASSOCIATE IN ARTS
– ELEMENTARY EDUCATION (AA-EE)

The MCCCD Associate in Arts in Elementary Education (AA-EE) requires the student to complete a total of 60-63 semester credits in the program of study. The degree has two major components:

I. MCCCD General Education
   Arizona General Education Curriculum for Arts (AGEC-A)
   Additional MCCCD Requirements

II. Elementary Education Requirements
   Education Foundations

Purpose of the Degree

The AAEE is designed for the student who plans to transfer to an Elementary Education, Early Childhood, Multicultural/Multilingual or Special Education program at an Arizona public higher education institution and/or who plans to become a classroom instructional aide. Generally, the degree transfers as a block without loss of credit to Arizona’s public universities. In most cases, courses applied to the MCCCD Associate in Arts in Elementary Education also apply to graduation requirements of the university major for which the AAEE was designed.

Academic Policies that Govern the Associate in Arts Elementary Education Degree:

- Completion of the Associate in Arts and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.
- The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts degree.
- A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.
- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.
- The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations:
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  - A course cannot be used to satisfy more than one Core Area
  - Courses can satisfy an Elementary Education Requirement and one or more Awareness Areas simultaneously.
  - A course cannot satisfy both the Elementary Education Requirement and a Core Area Requirement simultaneously.
- Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.
- Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. View specific course information via the following website: www.maricopa.edu/academic/ccta/ by clicking on the statewide AGEC icon.
- Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.
- Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC A or the Associate in Arts Elementary Education degree.
• Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts in Elementary Education requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

• Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

I. MCCCD General Education Requirements

A. MCCCD AGEC-A

1. Core Areas 35-38 Credits
   a. First-Year Composition [FYC] 6
      ENG101/102 OR ENG107/108
      1) MAT142 [MA] College Mathematics, or higher
         (NOTE: MAT150, MAT151, MAT152, MAT156 and MAT157 are excluded) AND
   c. Literacy and Critical Inquiry [L] 3
      COM225 Public Speaking
   d. Humanities and Fine Arts [HU] 6
      1) Select (3) semester credits from the following courses:
         ARH100 Introduction to Art
         ARH101 Prehistoric through Gothic Art
         ARH102 Renaissance through Contemporary Art
         THE111 Introduction to Theatre
         DAH100 Introduction to Dance
         DAH201 World Dance Studies
         MHL140 Survey of Music History
         MHL143 Music in World Cultures
         AND
      2) Select (3) semester credits from the following courses:
         EDU/ENH291 Children’s Literature
         ENH110 Introduction to Literature
         ENH241 American Literature Before 1860
         ENH242 American Literature After 1860
         HUM250 or HUM251 Ideas and Values in the Humanities
   e. Social and Behavioral Sciences [SB] 6
      1) Select 3 semester credits from the following courses:
         HIS103 United States History to 1865
         POS110 American National Government
         GCU227 United States and Arizona Social Studies or
         POS227 United States and Arizona Social Studies
         AND
      2) Select 3 semester credits from the following courses:
         CFS205 Human Development
         ECH/CFS176 Child Development
         ECN211 Macroeconomic Principles
         ECN212 Microeconomic Principles
         GCU121 World Geography I: Eastern Hemisphere
         GCU122 World Geography II: Western Hemisphere
         HIS104 United States History 1865 to Present
         PSY101 Introduction to Psychology
   f. Natural Sciences—Science-Quantitative [SQ] and Science-General [SG] 8
      To complete the Natural Sciences requirement, select a total of 8 semester credits from the following categories. At least 4 credits must be SQ courses. You can select 4 semester credits of SG and 4 semester credits of SQ for a total of 8 semester credits. Natural Sciences courses must include or be accompanied by the corresponding laboratory course. When the lecture and corresponding laboratory are awarded separate credit, both will be counted as equivalent to one course in that discipline.
      1) Life Sciences - Select 4 semester credits of SQ or SG from BIO
         AND
      2) Physical Sciences or Earth/Space Sciences - Select 4 semester credits of SQ or SG credits from the following prefixes:
         AGS ASM AST CHM
         GPH GLG PHS PHY

Note: Students are advised to check with the university they plan to attend as requirements for lab sciences may vary.
g. Awareness Areas

The MCCCD AAEE requires coursework in two Awareness Areas:
- Cultural Diversity in the U.S. [C] AND
- Historical Awareness [H] OR
- Global Awareness [G]

Courses can satisfy a Core Area Requirement and one or more Awareness Areas, or can satisfy an Elementary Education Requirement and one or more Awareness Areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness Areas.

2. MCCCD Additional Requirements 0-3 Credits

   a. Oral Communication
      Satisfied by COM225 taken for Literacy and Critical Inquiry Requirement
   b. Critical Reading
      CRE101 or exemption by testing.

II. Elementary Education Requirements 25 Credits

A total of 25 semester credits are required to satisfy the Elementary Education Requirements.

A. Education Foundations 18 Credits

Complete the following courses to satisfy the Education Foundations requirements:
- EDU 220 Introduction to Serving English Language Learners
- EDU221 Introduction to Education
- EDU222 Introduction to the Exceptional Learner
- EDU230 Cultural Diversity in Education
- MAT156 Mathematics for Elementary Teachers I OR MAT256 Investigating Quantity: Number, Operations & Numeration Systems
- MAT157 Mathematics for Elementary Teachers II OR MAT257 Investigating Geometry, Probability and Statistics

B. Restricted Electives 7 Credits

A total of 5-7 semester credits are required to satisfy the Restricted Electives.

Courses must transfer to all public Arizona universities as Elective Credit, Departmental Elective, or Equivalent to a university course as indicated in the Arizona Course Equivalency Guide in effect when the course is taken. Courses identified as Non-transferable in the Arizona Course Equivalency Guide cannot be used to satisfy this requirement.

Content Area Electives
Select 7 credits from the following:
- Any ARH, ART, CIS, ECN, BPC, ENG, ENH, GCU, GPH, HIS, MHL, MTC, POS, THE, THP prefixed course(s)
- Any MAT (courses numbered higher than 142 except MAT156 and MAT157)
- Any Foreign Language course(s)
- Any Natural Science course(s)
- CFS/ECH176 Child Development
- CFS205 Human Development
- EED215 Early Learning: Heath, Safety, Nutrition and Fitness

ASSOCIATE IN ARTS, FINE ARTS – DANCE (AAFA)

The Maricopa County Community College District Associate in Arts, Fine Arts - Dance degree requires a minimum of 64 semester credits for the program of study. The degree includes the following components:

I. General Education
   Arizona General Education Curriculum for Arts (AGEC-A)
   MCCCD Additional Requirements

II. Fine Arts Requirements – Dance

Purpose of the Degree

The Associate in Arts, Fine Arts - Dance degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

The semester credits used to satisfy the MCCCD Associate in Arts, Fine Arts - Dance degree may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Academic Policies that Govern the Associate in Arts, Fine Arts – Dance Degree

- Completion of the Associate in Arts, Fine Arts - Dance
degree and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

• The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts, Fine Arts - Dance degree.

• A minimum of 64 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions;

• Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

• The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations
  – Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  – A course cannot be used to satisfy more than one Core Area

• General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).

• Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. View specific course information via the following website: www.maricopa.edu/academic/ctta/ by clicking on the statewide AGEC icon.

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts, Fine Arts - Dance Degree.

• Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts, Fine Arts - Dance requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

• Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 64 semester credits required for the Associate in Arts, Fine Arts - Dance degree follow. View specific course information via the following website: www.maricopa.edu/academic/ctta/ by clicking on the statewide AGEC icon. The AGEC A, B, S and AGEC Matrix identify the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply.

I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements.

A. MCCCD AGEC-A
1. Core Areas 35 Credits
   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 3
   c. Mathematical Studies [MA/CS] 6
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].
         1) Mathematics [MA] A (3 credits)
            Select a course in college mathematics or college algebra or pre-calculus or any other mathematics course for which college algebra is a prerequisite AND
         2) Computer/Statistics/Quantitative Applications [CS] (3 credits)
   d. Humanities and Fine Arts [HU] 6
      Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.
      Select from the following options to complete three credits:
         DAH100 Introduction to Dance 3
         DAH201 World Dance Studies 3
   e. Social and Behavioral Sciences [SB] 6
      Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.
   f. Natural Sciences [SQ/SG] 8
      To complete the Natural Sciences requirement: Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SQ] to meet the Natural Sciences requirement.
      The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.
      Select from the following options to complete four credits:
         BIO160 Introduction to Human Anatomy 4
         BIO201 Human Anatomy and Physiology I 4

2. Awareness Areas 0 Credits
   Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.
   Cultural Diversity in the United States [C] AND
   Global Awareness [G] OR
   Historical Awareness [H]

3. MCCCD Additional Requirements 0-6 Credits
   Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.
   a. Oral Communication 3
      A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.
      Select from the following options:
         COM100 [SB] (3 credits) OR
         COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
         COM110 [SB] (3 credits) OR
         COM110AA & COM110AB & COM110AC [SB] (3 credits) OR
         COM225 [L] (3 credits) OR
         COM230 [SB] (3 credits)
   b. Critical Reading 3
      A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE101
and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied and additional electives may be taken.

Select from the following options to complete 3 credits:
CRE101 [L] (3 credits) OR equivalent as indicated by assessment

II. Fine Arts Requirements – Dance 29 Credits

A minimum of 29 credits are required to satisfy the Fine Arts Requirements – Dance.

Part I 11 Credits
Select the following:
DAN150 Dance Performance I 1
DAN210 Dance Production I 3
DAN221 Rhythmic Theory for Dance I 2
DAN264 Choreography I 3
DAN280 Dance Practicum 2

Part II 9 Credits
Select from the following options to complete a minimum of nine semester credits. Students must attain Level III competency in ballet and modern dance courses:
DAN120++ World Dance (any module) 1
DAN129 Musical Theatre Dance I 1
DAN130 Musical Theatre Dance II 1
DAN131 Ballet I 1
DAN132 Modern Dance I 1
DAN133 Modern Jazz Dance I 1
DAN134 Ballet II 1
DAN135 Modern Dance II 1
DAN136 Modern Jazz Dance II 1
DAN229 Musical Theatre Dance III 1
DAN230 Musical Theatre Dance IV 1
DAN231 Ballet III 1
DAN231AA Ballet III: Intensive 2
DAN232 Modern Dance III 1
DAN233 Modern Jazz Dance III 1
DAN234 Ballet IV 1
DAN234AA Ballet IV: Intensive 2
DAN235 Modern Dance IV 1
DAN236 Modern Jazz Dance IV 1
DAN237 Ballet Pointe I 1
DAN290++ Dance Conservatory I (any module) 1-3
DAN291++ Dance Conservatory II (any module) 1-3
DAN292++ Dance Conservatory III (any module) 1-3

Part III: Restricted Electives 9 Credits
Students can choose to complete a combination of up to three credits in Part III and the remaining credits in Part IV; or students can opt to complete all Elective credits in Part IV. No more than three credits may be selected from the following DAN prefixed courses:
DAN115++ Contemporary Dance (any module) 1
DAN120++ World Dance (any module) 1
DAN125++ Social Dance (any module) 1
DAN129 Musical Theatre Dance I 1
DAN130 Musical Theatre Dance II 1
DAN229 Musical Theatre Dance III 1
DAN230 Musical Theatre Dance IV 1
DAN133 Modern Jazz Dance I 1
DAN136 Modern Jazz Dance II 1
DAN233 Modern Jazz Dance III 1
DAN236 Modern Jazz Dance IV 1
DAN236AA Modern Jazz Dance IV: Intensive 2
DAN140 Tap Dance I 1
DAN141 Dance Workshop 1
DAN145 Tap Dance II 1
DAN146 Tap Dance Ensemble 1
DAN240 Tap Dance III 1
DAN245 Tap Dance IV 1
DAN150 Dance Performance I 1
DAN155 Dance Performance II 1
DAN250 Dance Performance III 1
DAN255 Dance Performance IV 1
DAN164 Improvisation 1
DAN131 Ballet I 1
DAN134 Ballet II 1
DAN231 Ballet III 1
DAN231AA Ballet III: Intensive (2) 2-4
DAN234 Ballet IV 1
DAN234AA Ballet IV: Intensive (2) 2-4
DAN237 Ballet Pointe I 1
DAN132 Modern Dance I 1
DAN135 Modern Dance II 1
DAN232 Modern Dance III (1) 1-2
DAN232AA Modern Dance III: Intensive 2
DAN235 Modern Dance IV (1) 2
DAN235AA Modern Dance IV: Intensive 2
DAN290++ Dance Conservatory I (any module) 1-3
DAN291++ Dance Conservatory II (any module) 1-3
DAN292++ Dance Conservatory III (any module) 1-3
*DAN298++ Special Projects (any module) 1-3

Part IV: Restricted Electives: Dance Theory Electives: Credits 6-9
DAH classes cannot be used as both a Humanities core requirement and as a Dance Theory Elective (Part IV).
DAH100 Introduction to Dance 3
DAH110 Dance in Film 3
DAH190 Discovering Dance Careers 1
DAH210 History of Ballet and Modern Dance 3
### ASSOCIATE IN ARTS, FINE ARTS – AA (AAFA) - ART

The Maricopa County Community College District Associate in Arts, Fine Arts - Art degree requires a minimum of 63 semester credits for the program of study. The degree includes the following components:

#### I. General Education
- Arizona General Education Curriculum for Arts (AGEC-A)
- MCCCD Additional Requirements

#### II. Fine Arts Requirements – Art

**Purpose of the Degree**

The Associate in Arts, Fine Arts - Art degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

The semester credits used to satisfy the MCCCD Associate in Arts, Fine Arts - Art degree may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

**Academic Policies that Govern the Associate in Arts, Fine Arts – Art Degree**

- Completion of the Associate in Arts, Fine Arts - Art degree or the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.
- The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts, Fine Arts - Art degree.
- A minimum of 63 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.
- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.
- The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations:
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  - A course cannot be used to satisfy more than one Core Area
- General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).
- Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript.
course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. View specific course information via the following website: www.maricopa.edu/academic/ccta/ by clicking on the statewide AGEC icon.

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts, Fine - Arts Degree.

• Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts, Fine Arts – Art requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

• Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 63 semester credits required for the Associate in Arts, Fine Arts - Art degree follow. View specific course information via the following website: www.maricopa.edu/academic/ccta/ by clicking on the statewide AGEC icon. This list identifies the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply.

I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements

MCCCD AGEC-A

1. Core Areas 35 Credits
   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 3
   c. Mathematical Studies [MA/CS] 6

   To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS]

   1) Mathematics [MA] A (3 credits)
      Select a course in college mathematics or college algebra or pre-calculus or any other mathematics course for which college algebra is a prerequisite AND

   2) Computer/Statistics/Quantitative Applications [CS] (3 credits)

   d. Humanities and Fine Arts [HU] 6

   Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.

   Select the following:

   ARH101 Prehistoric Through Gothic Art 3

   e. Social and Behavioral Sciences [SB] 6

   Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.

   f. Natural Sciences [SQ/SG] 8

   To complete the Natural Sciences requirement:

   Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

   The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course
Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas 0 Credits

Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

   Cultural Diversity in the United States [C]
   AND
   Global Awareness [G] OR
   Historical Awareness [H]

3. MCCCD Additional Requirements 0-6 Credits

Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.

   a. Oral Communication 3
      A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.
      Select from the following options:
      COM100 [SB] (3 credits) OR COM100AA & COM100AB & COM100AC [SB] (3 credits) OR COM110 [SB] (3 credits) OR COM110AA & COM110AB & COM110AC [SB] (3 credits) OR COM225 [L] (3 credits) OR COM230 [SB] (3 credits)

   b. Critical Reading 3
      A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied.

Select from the following options to complete 3 credits:

CRE101 (3 credits) OR equivalent as indicated by assessment

II. Fine Arts Requirements – Art 28 Credits

A minimum of 28 credits are required to satisfy the Fine Arts Requirements – Art

   Foundations 16 Credits
   Select the following:
   ADA/ART112 Two-Dimensional Design 3
   ADA/ART115 Three-Dimensional Design 3
   ARH102 Renaissance Through Contemporary Art 3
   ART111 Drawing I 3
   ART113 Color 3
   ART255AB The Portfolio 1
   Restricted Electives 12 Credits
   Select from the following options to complete a minimum of twelve semester credits:
   ART116 Life Drawing I 3
   ART122 Drawing and Composition II 3
   ART131 Photography I 3
   ART151 Sculpture I 3
   ART161 Ceramics I 3
   ART165 Watercolor Painting I 3
   ART167 Painting I 3

Associate in Arts, Fine Arts – Art Total Credits 63

ASSOCIATE IN ARTS, FINE ARTS – THEATRE (AAFA)

The Maricopa County Community College District Associate in Arts, Fine Arts - Theatre degree requires a minimum of 60-64 semester credits for the program of study. The degree includes the following components:

I. General Education

Arizona General Education Curriculum for Arts (AGEC-A) MCCCD Additional Requirements

II. Fine Arts Requirements – Theatre

Purpose of the Degree

The Associate in Arts, Fine Arts - Theatre degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts the degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.
The semester credits used to satisfy the MCCCD Associate in Arts, Fine Arts - Theatre may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Academic Policies that Govern the Associate in Arts, Fine Arts – Theatre Degree

• Completion of the Associate in Arts, Fine Arts - Theatre and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

• The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts, Fine Arts - Theatre degree.

• A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

• Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

• The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations
  –Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  –A course cannot be used to satisfy more than one Core Area

• General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major)

• Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. View specific course information via the following website: www.maricopa.edu/academic/cc/a by clicking on the statewide AGEC icon.

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts, Fine Arts - Theatre Degree.

• Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts, Fine Arts - Theatre requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

• Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 60-64 semester credits required for the Associate in Arts, Fine Arts -Theatre follow. View specific course information via the following website: www.maricopa.edu/academic/cc/a by clicking on the statewide AGEC icon. The AGEC A, B, S and AGEC Matric identify the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply.
I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements

MCCCD AGEC-A
1. Core Areas  35 Credits
   a. First-Year Composition (FYC)  6
   b. Literacy and Critical Inquiry [L]
      Select the following:
      THE220 Modern Drama  3
   c. Mathematical Studies [MA/CS]  6
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].
      1) Mathematics [MA] A (3 credits)
         Select a course in college mathematics or college algebra or pre-calculus or any other mathematics course for which college algebra is a prerequisite.
         AND
      2) Computer/Statistics/Quantitative Applications [CS] (3 credits)
   d. Humanities and Fine Arts [HU]  6
      Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.
      Select the following:
      HUM/THE205 Introduction to Cinema  3
   e. Social and Behavioral Sciences [SB]  6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
   f. Natural Sciences [SQ/SG]  8
      To complete the Natural Sciences requirement: Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement. The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas  0 Credits
   Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.
   Cultural Diversity in the United States [C] AND Global Awareness [G] OR Historical Awareness [H]

3. MCCCD Additional Requirements  0-6 Credits
   Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.
   a. Oral Communication  3
      A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.
      Select from the following options:
      COM100 [SB] (3 credits) OR COM100AA & COM100AB & COM100AC [SB] (3 credits) OR COM110 [SB] (3 credits) OR
      COM110AA & COM110AB & COM110AC [SB] (3 credits) OR COM225 [L] (3 credits) OR
      COM230 [SB] (3 credits)
   b. Critical Reading  3
      A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied.
Select from the following options to complete 3 credits:

CRE101 [L] (3 credits) OR equivalent as indicated by assessment

II. Fine Arts Requirements – Theatre 25-29 Credits

A minimum of 25 credits are required to satisfy the Fine Arts Requirements – Theatre.

Foundations 16-17 Credits

Select the following:

THE111  Introduction to Theatre 3
THF115  Theatre Makeup 3
THP112  Acting I 3
THP201AA  Theatre Production I OR
THP201AB  Theatre Production II 2
THP213  Introduction to Technical Theatre 3
THP217  Introduction to Design Scenography 3

Restricted Electives 9-12 Credits

Students may take a variety of courses, or they may choose to emphasize a particular aspect of theatre, such as acting, technical theatre, cinema, theatre education, directing, movement, musical theatre, etc. Students should consult with their campus theatre advisor for the restricted electives recommended to attain each area of emphasis.

Select from the following options to complete a minimum of 9 semester credits:

COM/THP271  Voice and Diction 3
HUM/THE206  Introduction to Television Arts 3
HUM/THE210  Contemporary Cinema 3
THE118  Playwriting 3
THF120AA  Audition Techniques: Prepared Monologue 1
THF120AB  Audition Techniques: Cold Readings 1
THF210  Acting: TV/Film 3
THF220  Advanced Acting: Television and Film 3
THP130  Stage Combat 3
THP131  Stage Movement 3
THP151  Theatre for Youth 3
THP211  Creative Drama 3
THP212  Acting II 3
THP214  Directing Techniques 3
THP216  Beginning Stage Lighting 3
THP219  Introduction to Puppetry 3
THP226  Theatre Design: Costuming 3
COM/THP241  Oral Interpretation of Literature 3
THP262  Entertainment Industry Design Drafting 3
THP267  Painting Techniques for Film, TV/Theatre 3
THP268  Opportunities in Production 3
MUP/THP270  Musical Theatre Workshop 2
COM/THP271  Voice and Diction 3
THP281  Production and Acting I 3
THP298++  Special Projects 1-3

Associate in Arts, Fine Arts–Theatre Total Credits 60-64

ASSOCIATE IN BUSINESS – GENERAL REQUIREMENTS (ABUS-GR)

The Maricopa County Community College District Associate in Business General Requirements (ABus GR) degree requires a total of 62-63 semester credits for the program of study. The degree has three major components:

I. MCCCD General Education

Includes Arizona General Education Curriculum for Business (AGEC-B)

II. Common Lower Division Program Requirements

III. General Electives

Purpose of the Degree

The ABus-GR degree is designed for students who plan to transfer to Arizona’s public universities into majors that articulate with the Associate in Business General Requirements pathway and for students who plan to complete lower division coursework toward a baccalaureate program at other degree-granting institutions. All business majors except Computer Information Systems should follow the ABus-GR pathway. Computer Information Systems majors should follow the Associate in Business Special Requirements pathway. Council Note: As the ABUS-GR is the recommended pathway for Accountancy majors, references to the TG-XR are recommended for removal.

Generally, the degree transfers as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements. In most cases, courses used to satisfy the MCCCD Associate in Business General Requirements will apply to university graduation requirements of the university major for which the ABus-GR was designed.
Academic Policies that Govern the Associate in Business General Requirements Degree

• Requires 62-63 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent.

• On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

• Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

• Uses the following policies to help students complete the required Core and Awareness Areas in AGEC-B without exceeding the 35 semester credits.
  – Courses can satisfy a Core Area and one or two Awareness Areas simultaneously.
  – A course cannot be used to satisfy more than one Core Area requirement.

• Uses the following policies to help students complete the program requirements at a minimum of 62 semester credits but not more than 63 semester credits.

• Courses can satisfy multiple areas within the degree simultaneously (AGEC-B Core Area, AGEC-B Awareness Area, and/or Common Lower Division Program Requirements).

Follows the general education policy below:

General Education Designations (example: [FYC], [SB], [HU], etc.)

Effective Fall 2000 the course evaluation and/or general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation as listed in AZCAS is valid for the term in which the student is awarded credit on the transcript.

• Follows the graduation policies within the general catalog.

• Includes both courses and their modular equivalents. Either the course or the modular equivalents will satisfy the Associate in Business General Requirements.

• Accepts one of the courses that is cross-referenced with other courses.

• Provides for exemption from Arizona university admission requirements for students who complete the ABus-GR degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

Degree Requirements

The 62-63 semester credits required for the Associate in Business General Requirements follow. View satisfy MCCCD AGEC A, AGEC B and/or AGEC S for specific course information via the following website: www.maricopa.edu/academic/ccta

• Click on the AGEC icon
• Select Maricopa Community College District or any of the Maricopa Community Colleges
• Click on the appropriate AGEC A, B, S, or AGEC Matrix

The lists identify the courses in alpha-order by prefix as well as the different Core Areas and Awareness Areas where the course will apply.

I. MCCCD General Education

MCCCD AGEC-B

1. Core Areas 35 Credits
   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 3
   c. Mathematical Studies [MA/CS] 6

To complete the Mathematical Studies requirement select one course to satisfy Mathematics [MA] B and a second course from Computer/Statistics/Quantitative Applications [CS].

1) Mathematics [MA] B (3 credits)
   MAT212, Brief Calculus, or a higher level mathematics course AND
2) Computers/Statistics/Quantitative Applications) [CS] (3 credits)

CIS105 [CS] Survey of Computer Information Systems

d. Humanities and Fine Arts [HU] 6
Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.

e. Social and Behavioral Sciences [SB] 6
Students are encouraged to choose coursework from more than one discipline for a total of six semester credits.

f. Natural Sciences [SQ/SG] 8
To complete the Natural Sciences requirement:
Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of (8) semester credits, OR eight (8) semester credits of [SQ].

Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas

Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

Cultural Diversity in the United States [C]

AND

Global Awareness [G] OR

Historical Awareness [H]

II. Common Lower Division Program Requirements 27 Credits

A total of 27-28 credits are required to satisfy the Common Lower Division Program Requirements. However, if students select courses that simultaneously satisfy multiple areas of the degree, then the number of semester credits required for Common Lower Division Program Requirements is reduced. Additional semester credits may be required in General Electives to complete the minimum 62-63 total program semester credits.

Complete the following:

Accounting
*ACC111 Accounting Principles I AND
ACC230 Uses of Accounting Information I
AND
ACC240 Uses of Accounting Information II
OR
**ACC211 Financial Accounting AND
ACC212 Managerial Accounting 6
*MCCCD ACC250 or ACC211 may be taken in lieu of ACC111

Council Note: ACC250 is no longer an option

ECN211 [SB] Macroeconomic Principles (3)
ECN212 [SB] Microeconomic Principles (3)
GBS205 Legal, Ethical, Regulatory Issues in Business (3)
GBS221 [CS] Business Statistics (3)
GBS220 Quantitative Issues in Business OR
*MAT217 Mathematical Analysis for Business OR
*MAT218 Mathematical Analysis for Business (3)

*Students planning to attend ASU W.P. Carey will be required to take MAT217 or MAT218

Business Elective 6

Select from the following options:
CIS114DE Excel Spreadsheet
CIS133DA Internet/Web Development Level I
CIS162AD C#: Level I
GBS151 Introduction to Business
GBS233 [L] Business Communication
**GBS220 Quantitative Methods in Business
GBS110 OR Human Relations in Business and Industry
MGT251 Human Relations in Business
IBS101 Introduction to International Business
MGT253 Owning and Operating a Small Business
MKT271 Principles of Marketing
PAD100 21st Century Public Policy and Service
REA179 Real Estate Principles I
REA180 Real Estate Principles II
SBU200 Society and Business

Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.
**If course used to satisfy Common Lower Division Program Requirements, it can not be used to satisfy Business Electives.**

### III. General Electives

Select courses to complete a minimum of 62 semester credits but no more than a total of 63 semester credits. General Electives semester credits may be necessary if courses selected for the degree satisfy multiple areas.

For appropriate course selection, students should consult an advisor.

Students must select courses that are acceptable as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS). For appropriate course selection, students should consult with an advisor.

**ABUS-GR Degree Total Credits**

62-63

## ASSOCIATE IN BUSINESS – SPECIAL REQUIREMENTS (ABUS – SR)

The Maricopa County Community College District Associate in Business, Special Requirements (ABus-SR) degree requires a total of 62-63 semester credits for the program of study. The degree has three major components:

### I. MCCCD General Education

Includes the Arizona General Education Curriculum for Business (AGEC-B)

### II. Common Lower Division Program Requirements

### III. General Electives

**Purpose of the Degree**

The ABus-SR degree is designed for Computer Information Systems majors who plan to transfer to Arizona’s public universities and for students who plan to complete lower division coursework toward a baccalaureate program at other degree-granting institutions. The Associate in Business General Requirements (ABus-GR) is designed for all other business majors. Additional information on academic majors at the Arizona public universities can be accessed via the following website: [www.aztransfer.com](http://www.aztransfer.com)

Council Note: The ABUS-SR is the recommended pathway for Accountancy majors, so references to TG-XR being removed.

Generally, the degree transfers as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements. In most cases, courses used to satisfy the MCCCD Associate in Business Special Requirements may apply to university graduation requirements of the university major for which the ABus-SR was designed.

### Academic Policies that Govern the Associate in Business Special Requirements Degree

- Requires 62-63 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better.

- Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

- Uses the following policies to help students complete the required Core and Awareness Areas in AGEC-B without exceeding the 35 semester credits:
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously.
  - A course cannot be used to satisfy more than one Core Area requirement.

- Uses the following policy to help students complete the program requirements at a minimum of 62 semester credits but not more than 63 semester credits.

- Courses can satisfy multiple areas within the degree simultaneously (AGEC-B Core Area, AGEC-B Awareness Area, and/or Common Lower Division Program Requirements)

Follows the general education policy below:

**General Education Designations (example: [FYC], [SB], [HU], etc.)**

Effective fall 2000, the course evaluation and/or general education designation, as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation
may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for course evaluations and/or general education designations.

- Requires courses that transfer as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona Course Equivalency Guide (CEG). The course evaluation and/or general education designation as listed in AZCAS is valid for the term in which the student is awarded credit on the transcript.
- Follows the graduation policies within the general catalog.
- Includes both courses and their modular equivalents. Either the course or the modular equivalents will satisfy the Associate in Business Special Requirements.
- Accepts one of the courses that is cross-referenced with other courses.
- Provides for exemption from Arizona university admission requirements for students who complete the ABus-SR degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

Degree Requirements
The 62-63 semester credits required for the Associate in Business Special Requirements follow. View satisfy MCCCD AGEC-A, AGEC-B and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta

- Click on the AGEC icon
- Select Maricopa Community College District or any of the Maricopa Community Colleges
- Click on the appropriate AGEC A, B, S, or AGEC Matrix

The lists identify the courses in alpha-order by prefix as well as the different Core Areas and Awareness Areas where the course will apply.

I. MCCCD General Education

MCCCD AGEC-B

<table>
<thead>
<tr>
<th>Core Areas</th>

To complete the Mathematical Studies requirement select one course to satisfy the Mathematics [MA] B and a second course from Computer/Statistics/Quantitative Applications [CS]

1) Mathematics [MA] B (3 credits)
   MAT212, Brief Calculus, or a higher level mathematics course AND
2) Computer/Statistics/Quantitative Applications [CS] (3 credits)
   CIS105 [CS] Survey of Computer Information Systems

d. Humanities and Fine Arts [HU] 6
   Students are encouraged to choose course work from more than one discipline for a total of six semester credits.

e. Social and Behavioral Sciences [SB] 6
   Students are encouraged to choose course work from more than one discipline for a total of six semester credits

f. Natural Sciences [SQ/SG] 8
   Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

   The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas

Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

Cultural Diversity in the United States [C]

ECN211 [SB] Macroeconomic Principles
ECN212 [SB] Microeconomic Principles

III. General Electives  0-6 Credits

Select courses to complete a minimum of 62 semester credits but no more than a total of 63 semester credits for the program. General Electives semester credits may be necessary if courses selected for the degree satisfy multiple areas. For appropriate course selection, students should consult an advisor.

Students must select courses that are acceptable as an equivalent course, departmental elective credit (XXXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS). For appropriate course selection, students should consult with an advisor.

**A Bus-SR Total Credits**  62-63

---

**ASSOCIATE IN GENERAL STUDIES (AGS)**

The Maricopa County Community College District Associate in General Studies (AGS) degree is recommended for students whose educational goals require flexibility. The AGS allows students to choose any elective courses numbered 100 or above to complete the degree. Therefore, this degree may be less appropriate for students who intend to transfer to a baccalaureate-granting institution.

Students who demonstrate skills comparable to those in Critical Reading and/or Mathematics and/or Computer Usage may substitute acceptable elective courses to satisfy the total credits required for the degree.

Academic Policies That Govern the Associate in General Studies Degree

- requires a minimum of 60 semester credits in courses numbered 100 and above.
- AGS degree requirements follow with the use of a diagonal character (/) between course numbers to signify options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;
- requires grades as listed for specific areas such as the General Education Core where a minimum grade of “C” is required. Courses applied to other areas may be completed with a minimum grade of “D”;
- uses the following policies for course(s) satisfying multiple program areas;
  1. A course can simultaneously satisfy one Core area and one Distribution area. Courses that meet this criterion are bold print and underscored in the Core areas and Distribution areas.
  2. A course cannot satisfy more than one Core area, even if it is approved for more than one Core area.
  3. A course cannot satisfy more than one Distribution area, even if it is approved for more than one Distribution area.
- follows the graduation policies within the general catalog;
- includes both courses and their modular equivalents; either the course or the modular equivalents will satisfy the Associate in General Studies;
- accepts one of the courses that is cross-referenced with other courses;
**GENERAL EDUCATION CORE**

(16 credits - grade of “C” or better)

**First-Year Composition (6 credits)**
ENG  English [101/107] & [102/108]

Elective Courses 15-16 Credits
May select courses from prefixes already chosen for General Education Distribution requirements in order to develop depth in one or more subject areas.

ASSOCIATE IN APPLIED SCIENCE (AAS)

Purpose of the Degree
The Maricopa County Community College District Associate in Applied Science (AAS) degree is recommended for students who wish to gain a depth of technical expertise by completing an occupational program presented in the college catalog. Students should consult this catalog to determine specific program requirements.

Academic Policies That Govern the AAS Degree
- requires 60 or more credits numbered 100 or above and includes credits or the equivalent in the General Education Core areas and credits in the Distribution areas. AAS degree requirements follow with the use of a diagonal character (/) between course numbers to signify options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;
- requires grades as listed for specific areas such as the General Education Core where a minimum grade of “C” is required. See specific AAS occupational degree for specific program grade requirements;
- follows the graduation policies within the general catalog;
- includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Associate in Applied Science requirements;
- requires at least 12 semester credit hours earned at the college awarding the AAS degree. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution areas are excluded.

Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of “C” or better at the college awarding the certificate or degree. The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded;

Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

- requires completion of General Education courses as indicated in the General Education Requirements for the Associate in Applied Science degree from the Maricopa County Community College District, or completion of a curriculum as stated in the catalog;
- accepts one of the courses that is cross-referenced with other courses;

GENERAL EDUCATION CORE  15 Credits
(grade of “C” or better)
Demonstrate college-level skills in the following areas:

First-Year Composition  (6 credits)
ENG  English [101/107] & [102/108/111]

Oral Communication  (3 credits)
COM  Communication 100/100AA & 100AB & 100AC/110/110AA & 110AB & 110AC/225/230

Critical Reading  (3 credits)
CRE  Critical Reading 101/111/Equivalent as indicated by assessment

Mathematics  (3 credits)

ACADEMIC CERTIFICATES (AC)

Purpose of the Academic Certificate (area of emphasis)

The Maricopa Community College District Academic Certificate (area of emphasis) is a defined and coherent program of study that is recommended for students who wish to gain additional expertise in an academic area. While this program of study can result in proficiency in specified skills and competencies, as well as mastery of knowledge, it is not designed to prepare someone for employment in a specific occupation. The content for an Academic Certificate (area of emphasis) may be derived from a variety of disciplines or it can be discipline specific. The Academic Certificate does not require a general studies component even though requirements of the certificate may include courses that currently meet specific general studies designations such as Humanities and Fine Arts, Social and Behavioral Sciences, etc.

Academic Policies that Govern the Academic Certificate (area of emphasis)

- Generally ranges from 12-39 credit hours in courses numbered 100 or above, although there is no minimum number of credit hours required for an Academic Certificate;
- Requires a cumulative GPA of 2.0 or better for completion;
- Follows the graduation policies within the general catalog;
- accepts one of the courses that is cross-referenced with other courses;
- includes both courses and their modular equivalents; either the course or the modular equivalents will satisfy the Academic Certificate requirements;
- does not presume block transfer value. Consequently, in most cases the Academic Certificate should not be a subset of an existing transfer degree;
- may have admission criteria established by the college if and when appropriate;
- is for the most part college specific.

Academic Certificate In African-American Studies (15-18 Credits)

Major Code: 6226

The interdisciplinary Academic Certificate (AC) in African-American Studies enhances students’ understanding of African-Americans by examining history, social issues, literature, culture, religion, ethnic relations, and gender issues. Through coursework, students develop skills in critical thinking, inquiry, and discourse while becoming more informed.

Program Notes:
+ indicates course has prerequisite and/or corequisites

Courses selected must satisfy the following General Education Requirements:

Awareness Area:
- Cultural Diversity in the United States (C) 3 credits
- Historical Awareness (H) 3 credits

Core Area:
- Humanities (HU) 3 credits
- Social and Behavioral Sciences (SB) 6 credits

Admission Criteria (None)

Program Prerequisites (None)

Required Courses (6 credits)

- AFR110 Introduction to African American Studies (SB, C) 3
- AFR/ASB202 Ethnic Relations in the United States (SB, C, H) 3

Restricted Electives (9-12 credits)

- AFR203 African-American History: The Slavery Experience (SB, C, H) 3
- AFR204 African-American History: Reconstruction to the Present (SB, C, H) 3
- CPD103BC African-American Cultural Pride and Awareness (AFS Department Elective) 2
- ENH114 African-American Literature (HU, C) 3
- HIS203 African-American History I (SB, C, H) 3
- HIS204 African-American History II (SB, C, H) 3
- HUM214 African-Americans in Film (HU, C) 3
- REL225 African-American Religions (HU, C) 3
- SOC143 Sociology of African American Problems (SB, C) 3
- WST105 Women of Color in America (C) 3
Academic Certificate in Global Citizenship (16 credits) Major Code: 6212

The interdisciplinary Academic Certificate (AC) in Global Citizenship enhances students’ understanding of the world around them and current social issues such as economic and social justice, human and civil rights, world and regional conflicts, environmental degradation, cultural diversity, and political change. Through a combination of coursework and experiential learning, students develop skills in critical thinking, inquiry, and discourse while becoming more informed, socially responsible, and engaged citizens of their communities, country, and world. The certificate includes specialized tracks in the impact of diverse cultures on American life: Impact of Diverse Cultures on American Life; Political and Economic Interdependence of the International Community; Global Study of Cultures, Religions, and Values; Regional Study of Cultures, Religions, and Values; and Science, Technology and the World.

**Required Courses (7 credits)**

GLO298AA Special Projects 1

Select 6 credits from the following courses:

- ASB102 Introduction to Cultural and Social Anthropology (3)
- COM263 Elements of Intercultural Communication (3)
- ECN213 The World Economy (3)
- GCU121 World Geography I: Eastern Hemisphere (3)
- GCU122 World Geography II: Western Hemisphere (3)
- HIS243 History of World Religions (3) OR REL243 World Religions (3)
- POS120 World Politics (3)
- PSY132 Psychology & Culture (3)

**Restricted Electives (9-10 credits)**

Students will choose 9-10 credits from one of the four tracks:

Any prefixed course(s) except courses used to satisfy Required Courses area.

**Track 1 – Impact of Diverse Cultures on American Life:** (9 credits)

Courses for Track 1 must be selected from the following disciplines:

- AIS, ASB, CCS, COM, EDU, ENH, HIS, HUM, IGS, MCO, MHL, PSY, REL, SOC, SPH, WST
- Courses selected under Track 1 must satisfy both of the following General Education Requirements:
  - Awareness Area C AND Core Areas SB OR Hu OR L

**Track 2 – Political and Economic Interdependence of the International Community:** (9 credits)

Courses for Track 2 must be selected from the following disciplines:

- ECN, IBS, POS, SBU

Courses selected under Track 2 must satisfy both of the following General Education Requirements:

- Awareness Area G AND Core Area SB

**Track 3 – Global Study of Cultures, Religions, and Values:** (9 credits)

Courses for Track 3 must be selected from the following disciplines:

- ASB, COM, DAH, ENH, GCU, HIS, HUM, IGS, MHL, PHI, PSY, REL, SOC

Courses selected under Track 3 must satisfy both of the following General Education Requirements:

- Awareness Area G AND Core Areas SB OR HUM OR L

**Track 4 – Science, Technology, and the World:** (9-10 credits)

- ASB231 Introduction to Archaeological Field Methods 4
- ASM104 Bones, Stones, and Human Evolution 4
- BIO105 Environmental Biology 4
- BIO107 Introduction to Biotechnology 4
- CHM107 Chemistry and Society 3
- GLG110 Geological Disasters and the Environment 3
- GPH111 Introduction to Physical Geography 4
- +GPH210 Introduction to Environmental Geography 3
- PHS120 Introduction to Physical Science: Astronomy, Meteorology, Geology and Oceanography 4
- SOC180 Social Implications of Technology 3

Academic Certificate In Child And Family Professional Development (16 Credits) Major Code: 6238

The Academic Certificate (AC) in Child and Family Professional Development program is designed for practitioners in the early childhood, school-age, or home visitor field seeking coursework and portfolio/resource file assistance to meet a wide variety of national credentialing requirements (such as the Council for Professional Recognition CDA or the National Child Care Association CCP). Individuals completing this certificate will have fulfilled only the required training clock hours and resources file/portfolio prior to application to external credentialing organizations. Final credentialing assessment and award of the external credential is awarded by the external credentialing organization.
**Academic Certificate In Language Studies (12-18 Credits) Major Code: 6237**

The Academic Certificate (AC) in Language Studies program is designed to provide students with a foundation in the study of culture, language, and linguistic structures. Students will have the opportunity to develop oral and written communication skills in a language other than English.

**Program Prerequisites (0-15 credits)**

201-level proficiency in a language other than English as indicated by assessment OR coursework

**Required Courses (6-8 credits)**

Students must choose 3-5 credits in 202 or higher-level coursework in the language used to satisfy the program prerequisites

Academic Certificate In Language And Literary Culture Of The Usa (22-25 Credits) Major Code: 6221

The Academic Certificate (AC) in Language and Literary Culture of the USA is a course of study designed to provide students strong foundation in the oral and written structure and vocabulary of North American English, academic and professional reading and writing, and knowledge and appreciation of representative literature and culture of the USA in all its diversity.

Required Courses (13-16 credits)
- ENG101 First Year Composition (3) OR
- ENG107 First-Year Composition for ESL (3) 3
- ENG102 First Year Composition (3) OR
- ENG108 First Year Composition for ESL (3) 3
- ENG109 Business Writing for ESL (3) OR
- ENG111 Technical and Professional Writing (3) 3
- ENH111 Literature and the American Experience 3
- CRE101 College Critical Reading (3) OR
- Equivalent as indicated by assessment 3
- ENG298AA Special Project (1) OR
- ESL298AA Special Project (1) 1

Restricted Electives (9 credits)
If choosing BPC110 or CIS105 only one can be applied.
- BPC110 Computer Usage and Applications 3
- CIS105 Survey of Computer Information Systems 3
- +COM230 Small Group Communication 3
- +COM259 Communication in Business and Professions 3
- +GBS233 Business Communication 3
- +ENG111 Technical Writing 3
- IBS109 Cultural Dimension for International Trade 3
- +SWU292 Effective Helping in a Diverse World 3
- Any approved General Education course in the cultural awareness [C] value (3) OR
- +COM++++ Any COM Communication course (3) 3

Academic Certificate In Communication Skills For Non-Native English Speakers (30 Credits) Major Code: 6222

The Academic Certificate (AC) in Communication Skills for Non-Native English Speakers is an interdisciplinary program of study designed to extend traditional ESL coursework. It provides Non-Native English Speakers with oral and written communication skills including interpersonal communication, small group interaction, team-building, problem solving, public speaking and presentation skills, conflict resolution, assertiveness, and leadership. Students develop skills to enhance their professional, social, and personal interactions, and become more competitive and effective in the workforce.

Required Courses (21 credits)
- COM100 Introduction to Human Communication (3) OR
- COM110 Interpersonal Communication (3) 3
- COM120 Pronunciation of American Speech 3
- +COM221 Oral Fluency in American Speech 3
- +COM282AC Volunteerism for Speech Communication: A Service Learning Experience 3
- CRE101 College Critical Reading (3) OR
- Equivalent as Indicated by Assessment 3
- ENG101 First Year Composition (3) OR
- ENG107 First-Year Composition for ESL (3) 3
- ENG102 First Year Composition (3) OR
- ENG108 First Year Composition for ESL (3) 3

Restricted Electives (9 credits)
- BPC110 Computer Usage and Applications 3
- CIS105 Survey of Computer Information Systems 3
- +COM230 Small Group Communication 3
- +COM259 Communication in Business and Professions 3
- +GBS233 Business Communication 3
- +ENG111 Technical Writing 3
- IBS109 Cultural Dimension for International Trade 3
- +SWU292 Effective Helping in a Diverse World 3
- Any approved General Education course in the cultural awareness [C] value (3) OR
- +COM++++ Any COM Communication course (3) 3
GRADUATION POLICIES AND REQUIREMENTS

**Academic Certificate In Oral Communication Competence In The Workplace (30–33 Credits) Major Code: 6219**

The Academic Certificate (AC) in Communication Competence in the Workplace is an interdisciplinary program of study that provides intensive study of written and oral communication skills in different contexts including interpersonal communication, small group interaction, team-building, problem solving, public speaking and presentation skills, conflict resolution, assertiveness, and leadership. Students develop skills to enhance their professional, social, and personal interactions, and become more competitive and effective in the workforce.

**Required Courses (18–21 credits)**
- **COM110** Interpersonal Communication 3
- **COM225** Public Speaking 3
- **COM230** Small Group Communication 3
- **COM282AC** Volunteerism for Speech Communication: A Service Learning Experience 3
- **CRE101** College Critical Reading (3) OR Equivalent as Indicated by Assessment 0-3
- **ENG101** First-Year Composition (3) OR First-Year Composition for ESL (3) 3
- **ENG107** First-Year Composition for ESL (3) 3
- **ENG108** First-Year Composition for ESL (3) 3

**Restricted Electives (9 credits)**
- **BPC110** Computer Usage and Applications 3
- **CIS105** Survey of Computer Information Systems 3
- **COM259** Communication in Business and Professions 3
- **COM263** Elements of Intercultural Communication 3
- **ENG111** Technical Writing 3
- **GBS233** Business Communication 3
- **IBS109** Cultural Dimension for International Trade 3
- **SWU292** Effective Helping in a Diverse World 3

**Free Electives (3 credits)**
- Any approved General Education course in the Cultural Awareness [C] value (3) OR Any COM communication course except courses used to satisfy Required Courses or Restricted Elective area 3

**Academic Certificate In Creative Writing (24 Credits) Major Code: 6224**

The Academic Certificate (AC) in Creative Writing is designed to provide students and professional writers with access to a community of writers and creative writing activities, instruction and guidance from established authors, and ongoing support in improving their writing skills and marketing their work. As students take courses in the program, they will build a portfolio of original work that may be used to seek admittance to a bachelor’s or master’s level creative writing program or that may include work to be submitted for publication. The program offers classes, workshops, and other activities such as readings and contests, which are accessible to writers of all levels regardless of academic or professional standing. The program serves many students, especially women, minorities, seniors, and working adults, who are under-represented in traditional creative writing programs because of cultural, dialect or language differences, scheduling difficulties, financial need, or lack of academic experience. Completion of the certificate does not lead to a particular degree program, but may aid students in their pursuit of a career in the writing professions and in their continued enjoyment of writing for personal growth.

**Program Notes:**
- Students must earn a grade of “C” or better for all courses required within the program
- + indicates course has prerequisites and/or corequisites.
- ++ indicates any module.

**Admission Criteria:**
- Students wishing to enroll in the Creative Writing program must complete a formal application; contact Program Director.

**Required Courses (21 credits)**
- **ENG210** may be substituted for CRW150 with permission of Program Director.
- **CRW150** Introduction to Creative Writing (3) OR **CRW155** Bilingual Creative Writing (3) 3
- **CRW200** must be repeated for a total of two (2) credits
- **CRW200 Readings for Writers (1)** 2
- **CRW201 Portfolio** 1
Students must complete six (6) credits from Series I and nine (9) credits from Series II in consultation with a Program Director.

Series I:
Students must complete two (2) of the following courses for a total of six (6) credits.
- CRW120 Introduction to Writing Children’s Literature 3
- CRW160 Introduction to Writing Poetry 3
- CRW170 Introduction to Writing Fiction 3
- CRW172 Introduction to Comic Book Writing 3
- CRW180 Introduction to Writing Nonfiction 3
- CRW190 Introduction to Screenwriting 3
- THE118 Playwriting 3

Series II:
Students must complete three (3) of the following courses for a total of nine (9) credits.
- +CRW202 The Writer as Witness 3
- +CRW203 Dialogue 3
- +CRW204 Journaling 3
- +CRW220 Intermediate Writing Children’s Literature 3
- +CRW261 Topics in Writing: Poetry 3
- +CRW270 Intermediate Fiction Writing 3
- +CRW271 Topics in Writing: Fiction 3
- +CRW272 Planning and Structuring the Novel 3
- +CRW273 Writing the Novel 3
- +CRW274 Revising the Novel 3
- +CRW275 Writing the Mystery Story 3
- +CRW281 Topics in Writing: Non-Fiction 3
- +CRW290 Intermediate Screenwriting 3
- +CRW291 Topics in Writing: Plays 3

Restricted Electives (3 credits)
- COM243 Interpreter’s Theatre 3
- +CRW++++ Any CRW Creative Writing prefixed course not listed under Required Courses area. 1-3
- ENG235 Magazine Article Writing 3
- +ENG236 Magazine Writer’s Workshop 3
- ENG/TH260 Film Analysis 3
- +ENH++++ Any ENH English Humanities prefixed course 3
- HUM/TH210 Contemporary Cinema 3

Academic Certificate In Writing, Rhetoric, And Composition (10 Credits) Major Code: 6239
The Academic Certificate (AC) in Writing, Rhetoric, and Composition provides students with advanced instruction in the theory and practice of writing in a variety of rhetorical situations and multiple modalities. The certificate program will prepare students to write more effectively in both the workplace and higher education.

Admission Criteria: None
Program Prerequisites: (6 credits)
- +ENG101 First-Year Composition (3) OR
- +ENG107 First-Year Composition for ESL (3) 3
- +ENG102 First-Year Composition (3) OR
- +ENG108 First-Year Composition for ESL (3) 3

Required Courses (4 credits)
- +ENG270 Workplace Writing 3
- +ENG297 Writing Program Portfolio 3

Restricted Electives (4 credit)
- +ENG109 Business Writing for ESL 3
- +ENG111 Technical and Professional Writing 3
- +ENG213 Introduction to the Study of Language 3
- +ENG215 Strategies of Academic Writing 3
- +ENG216 Persuasive Writing on Public Issues 3
- +ENG217 Personal and Exploratory Writing 3
- +ENG218 Writing About Literature 3
- +ENG219 Life Stories 3
- ENG235 Magazine Article Writing 3
- +ENG298++ Special Projects (any suffixed course) 1-33

Academic Certificate In Electronic Music (40 Credits) Major Code: 6231
The Academic Certificate (AC) in Electronic Music is intended for the student who would like to obtain acknowledgment for completion of electronic music courses, and is not designed to prepare students for employment. While the completion of the certificate does not lead to a particular degree, it does provide and enhance the development of musicianship for enjoyment and personal growth. This program provides the student with fundamental musical skills covering a variety of topics, including theory, performance, composition, and history. In addition, students receive a high level of technical training in creating electronic music. As students complete courses in the program, they will build a portfolio of original compositions that may be used to seek admittance to a bachelor’s-level music program.

Admission Criteria: None
Program Prerequisites: (2-3 credits)
- MTC100 Fundamentals of Music (2) OR
- MTC101 Introduction to Music Theory (3) OR
- Permission of instructor 2-3

Required Courses (40 credits)
Students are required to complete a total of six (6) credits of MTC240.
- +MTC105 Music Theory I 3
- MTC106 Aural Perception I 1
- +MTC155 Music Theory II 3
- MTC156 Aural Perception II 1
- +MTC205 Music Theory III 3

### Academic Certificate In Sustainability (15-16 Credits) Major Code: 6240

The Academic Certificate (AC) in Sustainability is interdisciplinary that builds a strong academic expertise along one of four significant pillars of sustainability, where students will examine and assess how to minimize unintended consequences and enhance a mutually productive relationship between man and nature. The four pillars are organized into specialized tracks, including land use and human transformations of the earth, competition for water and other natural resources from the earth systems, political and economic treatment of the earth, and coupled human-environment interactions.

**Required Courses (6 credits)**
- SSH111 Sustainable Cities (3)
- SUS110 Sustainable World (3)

**Restricted Electives (9-10 credits)**
Students must select one (1) of the following four (4) tracks: Credits 9-10

**Track I: Earth Systems**
- AGS260 Origin and Composition of Soils (4)
- AGS261 Soil Fertility and Management (3)
- BIO105 Environmental Biology (4)
- BIO182 General Biology (Majors) II (4)
- GLG101 Introduction to Geology I-Physical Lecture (3)
- GLG103 Introduction to Geology I-Physical Lab (1)
- GLG110 Geological Disasters and the Environment (3)
- GLG111 Geological Disasters and the Environment Lab (3)
- GPH111 Introduction to Physical Geography (4)
- GPH211 Landform Processes (4)
- GPH213 Introduction to Climatology (3)
- GPH215 Introduction to Climatology Laboratory (1)

**Track II: Social, Political, Economic, Treatment of the Earth**
- ECN212 Microeconomic Principles (3)
- +ECN263 The Economics of Natural Resources, Population and the Environment (3)
- ENH206 Nature and Environmental Literature (3)
- GCU102 Introduction to Human Geography (3)
- GCU141 Introduction to Economic Geography (3)
- +HRM290 Ecotourism (3)
- PH1216 Environmental Ethics (3)
- POS120 World Politics (3)
- SBU200 Society and Business (3)

### Track III: Coupled Human-Environment Systems

**Track III: Coupled Human-Environment Systems**
- ASB102 Introduction to Cultural and Social Anthropology (3)
- ASB222 Buried Cities and Lost Tribes: Old World (3)
- ASB223 Buried Cities and Lost Tribes: New World (3)
- ASM104 Bones, Stones, and Human Evolution (4)
- BIO105 Environmental Biology (4)
- BIO108 Plants and Society (4)
- CHM107 Chemistry and Society (3)
- GCU121 World Geography I: Western Hemisphere (3)
- GCU122 World Geography II: Western Hemisphere (3)
- +GPH210 Society and Environment (3)
- GPH267 Extreme Weather and Climate (3)

### Track IV: Human Transformation of the Earth

**Track IV: Human Transformation of the Earth**
- ASB100 Introduction to Global Health (3)
- CNS205 Sustainable Construction/LEED Certification (3)
- ECE111 Bioengineering Systems (3)
- FON135 Sustainable Cooking (3)
- FON143 Food and Culture (3)
- FON161 Sustainable Food Production (3)
- +INT170 Interior Materials (3)
- SCT100 Introduction to Sustainable Built Environments (3)
- SOC180 Social Implications of Technology (3)
- WED124 Environmental Wellness (3)

### Academic Certificate In Sustainability And Ecological Literacy (16 Credits) Major Code: 6232

The Academic Certificate (AC) in Sustainability and Ecological Literacy enhances students’ understanding of sustainable living practices associated with economics, equity and the environment. Through a combination of coursework and experiential learning, students engage in critical thinking, inquiry, and discourse, skills necessary for becoming socially responsible citizens who are ecologically and environmentally aware. The certificate is designed for, although not limited to, students seeking an Associate in Arts Degree and planning transfer to four-year colleges and universities.
### Admission Criteria: None

### Program Prerequisites: (3 credits)
- ENG101 First-Year Composition (3) OR 
- ENG107 First-Year Composition for ESL (3) 3

### Required Courses (7 credits)
- PHI216 Environmental Ethics 3
- BIO105 Environmental Biology (4) OR 
- GLG110 Geological Disasters and the Environment (3) AND 
- GLG111 Geological Disasters and the Environment Lab (1) 4

### Restricted Electives (9 credits)

**Humanities, Social Science and Wellness:**

Students will choose 2 different courses from the following list:
- ECN263 The Economics of Natural Resources, Population and the Environment (3)
- ENH206 Literature of the Southwest (30)
- HUM201 Humanities: Universal Themes (3)
- REC150AB Outdoor Adventure Skills (3)
- SBU200 Society and Business (3)

Students will choose 1 course from the following list:
- HIS110 World History to 1500 (3)
- HIS111 World History 1500 to the Present (3)
- HUM250 Ideas and Values in the Humanities (3)
- PHI104 World Philosophy (3)
- POS120 World Politics (3)
- PSY132 Psychology and Culture (3)
- SOC101 Introduction to Sociology (3) 3

## Academic Certificate in Women's Studies (15 Credits) Major Code: 6225

The Women’s Studies program, an intensive interdisciplinary liberal arts certificate program, provides students with tools and opportunities to discuss and critique historical and contemporary theories and practices of feminism(s). The curriculum enables students to write well, think critically and analyze problems effectively. Students complete a variety of courses focusing on women’s experiences and perspectives, exploring topics such as history, culture, class, race, ethnicity, sexuality and gender in order to help bring about equality, understanding, and peace. These courses are culturally responsive to the diversity of one half of the world’s people, their work, and their impact on multicultural societies.

### Required Courses (3 credits)
- WST100 Women and Society 3

### Restricted Electives (12 credits)
- ASB211 Women in Other Cultures 3
- ENH/WST284 19th Century Women Writers 3
- ENH/WST285 Contemporary Women Writers 3

## Career and Technology Programs

### ADMINISTRATION OF JUSTICE STUDIES
- Administration Of Justice Studies (AAS) .................................................. 117
- Forensic Investigation (CCL) ................................................................. 119
- Judicial Studies (AAS) ........................................................................ 118
- Legal Studies (CCL) ........................................................................... 118
- Police Science (AAS) ......................................................................... 118
- Police Science (CCL) .......................................................................... 119
- Victimology (CCL) ............................................................................. 119

### ARCHITECTURE
- Architecture (AAS) ........................................................................... 119
- Architectural CAD Level III (CCL) ...................................................... 120
- Architectural Detailing CADD Level III (CCL) .................................... 121
- Commercial Drafting CADD Level II (CCL) ....................................... 121
- Residential Drafting CADD Level II (CCL) ......................................... 121

### AUDIO PRODUCTION
- Audio Production Technology (AAS) ................................................. 121
- Audio Production Technology (CCL) .................................................. 122

### AUTOMOTIVE
- Automotive Performance Technology (AAS) ..................................... 123
- Automotive Electrical Systems (CCL) ............................................... 123
- Brakes, Alignment, Suspension and Steering (CCL) ......................... 123
- Engine Performance and Diagnosis (CCL) ....................................... 124

### BIOTECHNOLOGY
- Biotechnology (AAS) ........................................................................ 124
- Biotechnology (CCL) ......................................................................... 125

### BUSINESS
- Administrative Professional (AAS) ................................................... 129
- Business (AAS) ................................................................................ 125
- Entrepreneurial Studies Level I (CCL) ............................................... 130
- General Business (AAS) ................................................................. 128
- General Business (CCL) ................................................................ 129
- International Trade (CCL) ................................................................. 126
- Management (CCL) ......................................................................... 126
- Marketing (CCL) ............................................................................ 126
- Organizational Management (AAS) ................................................... 129
- Organizational Leadership (CCL) ....................................................... 129
- Project Management (CCL) ............................................................... 127
- Retail Management (AAS) ................................................................. 127

### CATERPILLAR TECHNICIAN TRAINING
- Caterpillar Technician Training (AAS) .............................................. 130

### CHILD AND FAMILY STUDIES
- Early Care Specialist (CCL) ............................................................... 131
- Early Childhood Administration and Management (AAS) ................ 131
- Early Learning and Development (AAS) ............................................. 130

### COMPUTER INFORMATION SYSTEMS
- Adobe Foundation (CCL) .................................................................. 139
- Advanced Web Designer (AAS) ......................................................... 135
- Computer Applications: Microsoft Office Specialist/Advanced (CCL) 138
- Computer Programming (AAS) ........................................................ 132
- Computer Programming (CCL) ........................................................ 133
- Game Technology (AAS) ................................................................. 136
- Game Technology (CCL) .................................................................. 137
- Multimedia and Business Technology (AAS) .................................... 137
- Multimedia Technology (CCL) ........................................................ 138
- Programming and System Analysis (CCL) ...................................... 134
- Programming and System Analysis Program (AAS) ....................... 133
- Web Designer (AAS) ........................................................................ 135
- Web Designer (CCL) ........................................................................ 135
- Web Developer (AAS) ...................................................................... 134
- Web Developer (CCL) ...................................................................... 135
- Web Server Administrator (AAS) ..................................................... 136
- Web Server Administrator (CCL) ...................................................... 136

### CONSTRUCTION
- Construction (AAS) ........................................................................ 139
- Construction (CCL) ........................................................................ 140
- Computer Aided Design and Drafting - CADD Level I (CCL) ......... 140
- Construction Drafting - CADD Level III (CCL) ............................... 140
- Home Inspection (CCL) ................................................................... 141
- Plan Review (CCL) .......................................................................... 141
- Pre-Contracting Licensing ............................................................... 141
- Survey and Civil Drafting (CCL) - CADD Level II (CCL) ............... 141

### Architecture Certificates/Degrees

- Associate in Applied Science in Architecture
- Certificate of Completion in Architectural CADD Level III
- Certificate of Completion in Architectural Detailing CADD Level III
- Certificate of Completion in Commercial Drafting CADD Level II
- Certificate of Completion in Residential Drafting CADD Level II

Department Chairperson: Bob Bonura  
Contact: (480) 461-7173

The Associate In Applied Science (AAS) in Architecture prepares students to work as technicians in the areas related to architectural design or architectural drafting or urban development. An architecture design and architecture drafting technician may work in many types of design-related firms/agencies using board and/or computer in designing and documenting residential and/or commercial buildings. An urban development technician may work for an urban planning or land development or real estate or landscape companies/agency.  
Major Code: 3802 Total Credits: 67

**Program Prerequisites:**

- MAT120 Intermediate Algebra (5) OR  
- MAT121 Intermediate Algebra (4) OR  
- MAT122 Intermediate Algebra (3)  
- 3-5

**Term 1**  
- Credits
- CNS130 Computer Aided Design and Drafting  
- FYC Any approved general education course from the First-Year Composition area  
- 3

**Term 2**  
- Credits
- ARC120 Design Fundamentals I  
- FYC Any approved general education course from the First-Year Composition area  
- 3

**Term 3**  
- Credits
- CNS180 Building Construction Methods, Materials, and Equipment  
- 3

**Term 4**  
- Credits
- ARC160 Site Planning  
- 3
**CAREER AND TECHNICAL PROGRAMS**

**Audio Production Certificates/Degrees**

- Associate in Applied Science in Audio Production Technologies
- Certificate of Completion in Audio Production Technologies

Department Chairperson: Sue Anne Lucius  
Contact: (480) 461-7577

The Associate in Applied Science (AAS) in Audio Production Technologies program offers students an opportunity to receive training on industry-standard equipment. Students learn the concepts and theory associated with recording arts technologies while applying them in lab settings appropriate to their skill levels. The program is designed to give students a foundation of knowledge, competency, and experience important in the commercial music marketplace. Major Code: 3024 Total Credits: 62

The Certificate of Completion (CCL) in Audio Production Technologies program offers students an opportunity to receive training on industry-standard equipment. Students learn the concepts and theory associated with recording arts technologies while applying them in lab settings appropriate to their skill levels. Students completing the Audio Production program will gain the knowledge base, competency, and confidence they need to enter the commercial music marketplace. Major Code: 5334
Total Credits: 37-41

**Track I-Audio Production**

**Term 1**
- **Credits**
- **MTC101** Introduction to Music Theory (3) OR higher level Music Theory 3

- Certificate of Completion in Brakes, Alignment, Suspension, and Steering
- Certificate of Completion in Engine Performance and Diagnosis

**Program Director:** Jon D’Ambrosio  
**Contact:** (480) 461-7141

The Associate in Applied Science (AAS) in Automotive Performance Technology prepares students to work as automotive mechanics and technicians who diagnose, service, test, and repair complex, computer-controlled automotive electrical systems. The program emphasizes knowledge and skills in reading, math, problem solving, and writing that are necessary to perform automotive diagnosis and service. Major Code: 3482  
Total Credits: 69

- AUT296++ Cooperative Education (any module)  
- AUT298++ Special Projects (any module)  

The Certificate of Completion (CCL) in Automotive Electrical Systems program provides students the opportunity to learn the theory and practical skills necessary to service automotive vehicles. This CCL will introduce students to the theory, diagnosis, service and repair of Automotive Electrical systems in vehicles, including the Brake and the Air Conditioning systems. Courses in the CCL may include lecture and lab components to provide suitable classroom related material/theory, combined with hands-on learning experiences. Courses in the CCL are National Automotive Technicians Education Foundation (NATEF) accredited and aligned with the professional certification standards from National Institute for Automotive Service Excellence (ASE). This alignment can help prepare for ASE professional certification exams. Courses in this CCL are designed to help students gain insight into specific aspects of the automotive service industry. The courses contained in the CCL can be combined with courses in other CCLs and be directly applied to the Associate in Applied Science (AAS) degree in Automotive Performance Technology. Major Code: 5449 Total Credits: 18

**Term 1**
- APT101 Automotive Service Operations  
- APT161 Automotive Electrical and Electronic Systems I (offered Fall term)  
- APT171 Automotive Air Conditioning (offered Spring term)  
- APT262 Automotive Electrical and Electronic Systems II

**Term 2**
- APT151 Automotive Brake Systems (offered Fall term)  
- APT171 Automotive Air Conditioning (offered Spring term)  
- APT262 Automotive Electrical and Electronic Systems II  

**The Certificate of Completion (CCL) in Brakes, Alignment, Suspension and Steering** program provides students the opportunity to learn the theory and practical skills necessary to service automotive vehicles. This CCL will introduce students to the theory, diagnosis, service and repair of Automotive Brake Systems, Powertrain Systems, Steering, and Suspensions Systems in vehicles. It also introduces students to vehicle alignment techniques and procedures. Courses in the CCL may include lecture and lab components to provide suitable classroom related material/theory, combined with hands-on learning experiences. Courses in the CCL are National Automotive Technicians Education Foundation (NATEF) accredited and aligned with the professional certification standards from National Institute for Automotive Service Excellence (ASE). This alignment can help prepare for ASE professional certification exams. Courses in this CCL are designed to help students gain insight into specific aspects of the automotive service industry. Biotechnology

Certificates/Degrees

• Associate in Applied Science in Biotechnology
• Certificate of Completion in Biotechnology

Department Chairperson: Andy Baldwin Contact: (480) 461-7978
Program Director: Stan Kikkert Contact: (480) 461-7862

The Associate in Applied Science (AAS) in Biotechnology prepares students for careers as technical assistants in federal, state, and local government laboratories; biomedical, pharmaceutical, and bioengineering laboratories; agriculture and horticulture; microbiology, environmental and academic laboratories. The program provides students with a working knowledge of biotechnology by focusing on competency and technical expertise with state-of-the-art laboratory protocol and critical consideration of current topics in biotechnology. Students gain practical experience through an internship. Major Code: 3064 Total Credits: 67-69

Program Prerequisites: Credits: 0-12
High School Diploma or GED
+CHM130 Fundamental Chemistry (3) AND
CHM130LL Fundamental Chemistry Laboratory (1) OR One year of high school chemistry 0-4

The Associate in Applied Science (AAS) in Game Technology is a discipline that includes the development and management of dynamic environments for games and related visualization applications. The Associate of Applied Science in Game Technology will help prepare students for entry-level career opportunities with studios, corporations, organizations, educational institutions, government agencies, advertising and entertainment industries that require visual and interactive content to support, enhance, entertain, and/or market their product or service.

The curriculum brings together business concepts and game technology to prepare students for careers as Game Programmer, Environment Artist, Production Artist, Tools Programmer, Character Modeler, Character Animator, Game Designer, Game Developer, or Multimedia Designer/Developer. Major Code: 3145 Total Credits: 62

The Associate in Applied Science (AAS) in Multimedia and Business Technology is a discipline that integrates business applications with multiple digital media types including text, graphics, animation, audio, and video and then delivers this interactive material electronically. The Associate of Applied Science in Multimedia and Business Technology will help prepare students for technical career opportunities with corporations, organizations, educational institutions, government agencies, entertainment, and advertising industries that require interactive content to support, enhance, and/or market their product or service.

The curriculum brings together business concepts and multimedia technology to prepare students for careers such as a Multimedia Producer, Multimedia Scriptwriter, Multimedia Developer, Multimedia Designer, Computer-Based Training or Instructional Designer, Digital Graphic Designer, Webpage Developer, Interface Designer, Video/Audio Specialist, Video Editor or Animator. Major Code: 3147 Total Credits: 62

Construction Certificates/Degrees

- Associate in Applied Science in Construction
- Certificate of Completion in Building Inspection
- Certificate of Completion in Computer Aided Design and Drafting – CADD Level I
- Certificate of Completion in Construction Drafting – CADD Level III
- Certificate of Completion in Home Inspection
- Certificate of Completion in Plan Review
- Certificate of Completion in Pre-Contracting Licensing
- Certificate of Completion in Survey and
- Civil Drafting – CADD II

Department Chairperson: Bob Bonura
Contact: (480) 461-7173

The Associate in Applied Science (AAS) in Construction prepares students to work as technicians in construction drafting, construction inspection, or construction management. A drafting technician may work in a surveying, civil engineering, or architecture firm/agency using board and/or computer for drafting residential, commercial, and industrial construction. An inspection technician may perform in home inspection, building inspection, or plan review. A management technician may work in various construction companies/agencies managing field or office by planning, scheduling, cost estimating, and addressing safety issues. Major Code: 3502 Total Credits: 67

Program Prerequisites: Credits: 3-5
MAT120  Intermediate Algebra (5) OR
MAT121  Intermediate Algebra (4) OR
MAT122  Intermediate Algebra (3) 3-5

Required Courses: Credits: 18-20
MAT150  College Algebra/Functions (5) OR
MAT151  College Algebra/Functions (4) OR
MAT152  College Algebra/Functions (3) 3-5

Restricted Electives: Credits: 27
Students will choose one of the three tracks
Track I-Construction Drafting  Credits: 27
ARC160  Site Planning 3
+ARC161  Residential Architecture Drafting I: Computer & Board 3
+ARC162  Advance Residential Architecture Drafting II: Computer & Board 3
+ARC163  Commercial Architecture Drafting I: Computer & Board 3
+ARC164  Advance Commercial Architecture Drafting II: Computer & Board 3

The Certificate of Completion (CCL) in Home Inspection: Roofing and Exteriors prepares students to practice entry-level dental hygiene. Dental hygiene students will provide preventive and therapeutic services, and will develop a commitment to the community through extramural opportunities serving diverse populations. The program is a blend of academic and clinical coursework that requires attention to detail and motivation to complete tasks on a timeline. Graduates are employed in private dental offices, hospitals, schools, and clinics within their community. Major Code: 3831 Total Credits: 95-106.5

The Commission on Dental Accreditation of the American Dental Association (211 E. Chicago Ave., Chicago, Il. 60611-2678, (312) 440-4653) grants accreditation to the Phoenix College, Rio Salado, and Mesa programs. The Commission is a specialized accrediting body recognized by the United States Department
of Education. Graduates are eligible for board examinations and licensure in all fifty states.

Applicants who are accepted and enroll in a MCCCD Dental Hygiene program will be exposed to blood-borne and infectious diseases. The program strictly adheres to established policies and procedures regarding infection control as recommended by the Centers for Disease Control and Prevention, American Dental Association, the Organization for Safety and Asepsis Procedures, and the Occupational Safety and Health Administration.

Program Notes: Students must complete the Basic Science and General Education courses with a grade of B or better as indicated in the Program Prerequisites.

Basic Science courses must have been completed within the last five years or as determined by the Program Director. Students must earn a grade of C or better in the Required Courses area within the program.

Students should consult with an advisor prior to applying to the program.

Admission Criteria:
A high school diploma or GED equivalency is required. Ability to fully participate in classroom, laboratory, or clinical setting program activities. Submit current CPR card for Health Care Provider and maintain current status throughout the program. Complete and submit the required proof of immunity and health declaration form signed by a licensed health care provider. Submit to a drug screening and demonstrate negative results. Completion of program prerequisites. Formal application and admission to the program is required.

Background Check Requirements
Admission to an Allied Health program requires that students be in compliance with the Maricopa County Community College District Supplemental Background Check policy. Program applications will not be accepted without a copy of an Arizona Department of Public Safety Level One Fingerprint Clearance Card. Upon conditional program admission, the student must comply with all requirements of the current MCCCD background check policy.

Program Prerequisites: Credits: 37-51.5
The credit hour ranges is subject to change depending on the students’ educational experiences.

Credits
Digital Arts Certificate/Degree

- Associate in Applied Science in Digital Arts
- Certificate of Completion in Digital Arts: Digital Illustration
- Certificate of Completion in Digital Arts: Digital Photography
- Certificate of Completion in Digital Arts: Graphic Design
- Certificate of Completion in Digital Arts: Web Design

Department Chairperson: Sarah Capawana
Contact: (480) 461-7516

The Associate in Applied Science (AAS) in Digital Arts is designed for the student who wishes to develop marketable multimedia skills. The program allows the student to develop his/her skills in the areas of Web Design, Digital Photography, Digital Illustration, and Graphic Design. It allows for the development of an individual’s personal interest, prepares students for employment, and upgrades skills of those already employed in this field. Employment opportunities are included in multimedia such as digital photographer, web designer, multimedia artist, graphic designer, and digital illustrator. Major Code: 3081 Total Credits: 62-65

The Certificate of Completion (CCL) in Digital Arts: Digital Illustration prepares students to work in a specialized field of computer art and illustration as commercial illustrators, graphic designers, fine artists, background illustrators, and multimedia artists. The program emphasizes principles of art and develops knowledge and skills required to solve design and compositional problems. The program is designed for both those seeking to enter a career in media arts and those already working in the field who wish to advance and update their knowledge and skills. Major Code: 5631 Total Credits: 19
The Certificate of Completion (CCL) in Digital Arts: Digital Photography prepares students for careers in photography and digital imaging as photo assistants, commercial photographers, portrait and fine art photographers, digital production technicians, and photo retouchers. In the program the student develops an understanding of traditional photographic principles, film, cameras, and printing, and learns how to apply these principles using digital cameras, inkjet printers and computer software. Knowledge and skills can be applied to such occupational areas as media production, marketing, graphic production, and multimedia. The program is designed for both those seeking to enter a career in digital photography or digital imaging and those already working in the field who wish to advance and update their knowledge and skills. Major Code: 5632 Total Credits: 22

The Certificate of Completion (CCL) in Digital Arts: Graphic Design prepares student to work in a specialized field of graphic design as production artists, graphic designers, art directors, pre-press specialists, and service bureau personnel. The program emphasizes design and production principles and develops the student’s knowledge and skills required to solve graphic design and layout problems encountered in various print media. The program is designed for both those seeking to enter a career in graphic art and those already working in the field who wish to advance and update their knowledge and skills. The Certificate of Completion (CCL) in Digital Arts: Web Design prepares students to work as web page designers and media-rich content producers for commercial, educational, Internet and intranet sites. The program emphasizes principles of art, and develops knowledge and skills required to solve design and compositional problems with graphics, streaming video and audio media, and virtual-reality models. The program is designed for both those seeking to enter a career in web page design and those already working in the field who wish to advance and update their knowledge and skills. The Certificate of Completion (CCL) in Mechanical Drafting program prepares students to work in the mechanical drafting field. The program emphasizes current technological trends in the industry and is designed both for those planning to enter a career in the field as well as for those already working in the field who want to advance and update their knowledge and skills. Major Code: 5600 Total Credits: 34
### Education Certificates/ Degrees

- Certificate of Completion in Bilingual Endorsement
- Certificate of Completion in ESL Endorsement
- Certificate of Completion in Reading Specialist Endorsement

Department Chairperson: Dr. Nora Amavisca Reyes
Contact: (480) 461-7781

The Certificate of Completion (CCL) in Bilingual Endorsement is designed for certified teachers pursuing bilingual endorsement. The Bilingual Endorsement Certificate program provides background in the philosophical, cultural, and linguistic processes involved in the education of English language learners. Instruction in methodology, as well as a practicum within a bilingual classroom setting are required for successful completion of the program. Includes all necessary coursework toward Bilingual Endorsement in the state of Arizona. Valid Arizona teaching certificate is required for state endorsement. Major Code: 5127 Total Credits: 29

**Required Courses:** Credits: 29

The Certificate of Completion (CCL) in ESL Endorsement prepares certified teachers to earn the English as a Second Language Endorsement in Arizona. The program emphasizes the philosophical, cultural, and linguistic processes involved in teaching English language learners. Students develop knowledge and skills required of teachers working with English language learners through a combination of courses in methodology and practicum experience in an ESL classroom. This program includes all coursework required for those with valid Arizona teaching certificates to qualify for SEI and ESL endorsement in Arizona. Major Code: 5126 Total Credits: 27

**Required Courses:** Credits: 27

Certificate of Completion (CCL) in Reading Specialist Endorsement program qualifies certified Early Childhood, Elementary, Secondary, or Special Education teachers for Reading Endorsement in Grades K-8, Grades 6-12, or Grades K-12 as specified by the Arizona Department of Education. Coursework focuses on foundations of language and literacy, essential elements of elementary reading and writing instruction, elements of elementary content area reading and writing, reading assessment systems, and leadership. Certificate requires a reading practicum in a K-12 classroom setting. Major Code: 5128 Total Credits: 24-30

Electronics Certificates/Degrees

• Associate in Applied Science in Electronic Engineering Technology
• Associate in Applied Science in Electronics Technology
• Certificate of Completion in Electronics Technology

Department Chairperson: Bob Bonura
Contact: (480) 461-7173

The Associate in Applied Science (AAS) in Electronics Technology program is designed to give students a foundation of experience important in electronics technicians, field engineers, prototype designers, specification writers, technical representatives, etc. The Electronic Engineering Technology program of study at Mesa Community College (MCC) is designed to provide the student with an AAS degree and at the same time allow for the maximum number of transfer credits to four-year institution. Major Code: 3220 Total Credits: 67

Program Prerequisites: Credits: 0-5
MAT120 Intermediate Algebra (5) OR
MAT121 Intermediate Algebra (4) OR
MAT122 Intermediate Algebra (3) OR
Equivalent or satisfactory score on a placement exam 0-5

Term 1
+ERE111 Circuit Analysis I 4
+ERE131 Digital Logic and Circuits 3
ERE181 Computer Programming for Technology 3
ENG101 First Year Composition (3) OR
ENG107 First Year Composition for ESL (3) 3
MAT150 College Algebra/Functions (5) OR
MAT151 College Algebra/Functions (4) OR
MAT152 College Algebra/Functions (3) 3-5

Term 2
CRE101 College Critical Reading (3) OR
ERE112 Circuit Analysis II 4
ERE121 Solid State Devices and Circuits I 4
ERE241 Microprocessor Concepts 4
MAT182 Plane Trigonometry (3) OR
Satisfactory completion of a higher level mathematics course 3

Term 3
S&S Any approved general education course in the Social and Behavioral Sciences area 3
H&FA Any approved general education course in the Humanities and Fine Arts Area 2-3

Term 4
COM100 Introduction to Human Communication (3) OR
COM110 Interpersonal Communication (3) OR
COM230 Small Group Communication (3) 3
ECE102 Engineering Analysis Tools and Techniques 2
ERE222 Solid-State Devices and Circuits II 4
MAT220 Analytic Geometry & Calculus I 5
+PHY111 General Physics I 4

Term 5
ERE103 Engineering Program Solving and Design 2
ENG111 Technical Writing 3
MAT231 Calculus with Analytic Geometry II 4
PHY112 General Physics II (4) OR
CHM130 Fundamental Chemistry (3) AND
CHM130LL Fundamental Chemistry Laboratory (1) 4

The Associate in Applied Science (AAS) in Electronics Technology program is designed to give students a foundation of experience important in electronics technicians, manufacturing supervisors, test equipment specialists, prototype fabricators, and in other positions in firms that specialize in electronic design, manufacturing, service, and development. The program provides a broad algebra-based background and emphasizes current needs and trends in the electronics industry. The AAS program combines coursework in electronics technology with a General Education curriculum. Major Code: 3220 Total Credits: 67-71

Program Prerequisites: Credits: 0-5
ERE101 Beginning Algebra for Technology (3) OR
MAT090 Developmental Algebra (5) OR
MAT091 Introductory Algebra (4) OR
MAT092 Introductory Algebra (3) OR
MAT093 Introductory Algebra/Math Anxiety Reduction (5) OR
Permission of Instructor 0-5

CAREER AND TECHNICAL PROGRAMS

Exercise Science
Certificates/Degrees

- Associate in Applied Science in Recreation Management
- Certificate of Completion in Recreation Management
- Associate in Applied Science in Exercise Science and Personal Training
- Certificate of Completion in Personal Training Specialist
- Certificate of Completion in Nutrition for Fitness and Wellness

Department Chairperson: Jeff Messer
Contact: (480) 461-7378

The Associate in Applied Science (AAS) in Recreation Management is designed to prepare students for entry-level positions in the recreation field and provides the first half of a four-year undergraduate program of study in Recreation Management and/or Leadership. The program focuses on the positive application of play, recreation, and leisure across the life span. Along with required general education courses, the program includes foundational and practical experience in the programming and delivery of recreational services and the development of communication, group facilitation, management, leadership, and technical skills. Major Code: 3053 Total Credits: 60-68

Term 1
BPC110 Computer Usage and Applications (3) OR 3
CIS105 Survey of Computer Information Systems (3) 3
REC120 Leisure and the Quality of Life (3) OR 3
REC160 Leisure and Society (3) 3
FYC Any approved general education course in the First-Year Composition area 3
Math Any approved general education course in the Mathematics area. 3-5

Term 2
Critical Rdg CRE101 College Critical Reading (3) OR 3
equivalent as indicated by assessment. 3
FYC Any approved general education course in the First-Year Composition area 3
COM100 Introduction to Human Communications (3) OR 3
COM110 Interpersonal Communication (3) 3
MGT101 Techniques of Supervision (3) OR 3
MGT126 Customer Service Skills and Strategies (3)OR 3
MGT175 Business Organization and Management (3) 3
REC210 Leisure Delivery Systems 3
Physical Recreational Activities 2-4

Students must select four (4) different activities from the following list:
REC155++ Any recreational activity modules not used to satisfy other required courses 3
PED++++ Any physical education activity modules 3

Term 3
HES154 First Aid/Cardiopulmonary Resuscitation OR (3) 3
REC240 Wilderness First Responder (3) 3
NS Any approved general education course in the Natural Sciences area. 4
REC230 Programming of Recreation Services (3) OR 3
HRM145 Events Management (3) 3
Physical Recreational Activities 2-4

Students must select four (4) different activities from the following list:
REC155++ Any recreational activity modules not used to satisfy other required courses 3
PED++++ Any physical education activity modules 3
S&BS Any approved general education course in the Social and Behavioral Sciences area. 3

Term 4
H&FA Any approved general education course in the Humanities and Fine Arts area. 3

#### The Certificate of Completion (CCL) in Recreation Management

The Certificate of Completion (CCL) in Recreation Management is designed to prepare students with entry-level skills for the expanding field of recreation. The program provides a foundation for the positive application of play, recreation, and leisure across the life span. Through classroom and experiential learning activities, students gain knowledge of and practical experience in the programming and delivery of recreation services, and develop communication, group facilitation, management, and leadership skills. Participation in recreation activity courses equips students with the technical skills necessary to plan, lead, and facilitate safe outdoor recreation adventures and programs. Major Code: 5469

The Associate of Applied Science (AAS) in Exercise Science and Personal Training program is designed to prepare students with the knowledge and experience required to be eligible for the American College of Sports Medicine (ACSM) Health and Fitness Specialist Certification, ACSM personal trainer certification, the National Strength and Conditioning Association (NSCA) personal trainer certification, the National Academy of Sports Medicine (NASM) personal trainer certification and the American Council on Exercise (ACE) personal trainer certification. The curriculum is designed to strengthen students’ educational background in fitness and nutrition potentially increasing their marketability in these fields. This degree may also meet the needs of individuals with existing degrees in such fields as Exercise Physiology, Nutrition, Athletic Training and other health related disciplines. Registered dietitians, clinical exercise physiologists, personal trainers, exercise specialists, strength and conditioning specialists, coaches, athletes and others interested in acquiring knowledge in exercise, nutrition and health may also find this program appropriate. TEC122 Sewing with Knits 3
TEC129 Sewing with a Serger 3
+TEC226 Draping for Fashion Design 3
+TEC229 Advanced Serging 2
+TEC270 Design Studio 1
The Certificate of Completion (CCL) in Textile and Apparel: Designer program is designed for students with advanced skills in techniques for dyeing, painting, printing, digital embroidery applications and construction methods for fabrics. Completers of the certificate will enter the fashion industry at entry-level positions with an understanding of the applied textile design industry and/or the ability to create custom materials. Major Code: 5770 Total Credits: 15

Program Prerequisites: Credits: 0-3
TEC111 Clothing Construction (3) OR
TEC125 Fashion Design (3) OR permission of Program Director 0-3

Term 1 Credits
TEC113 Textiles: Dyeing 1
TEC114 Textiles: Block Printing/Silk Screening 1
TEC115 Textiles: Hand Painting 1
TEC116 Textiles: Stitchery and Embellishment 1
TEC161 Digital Machine Embroidery Laboratory 1

Term 2 Credits
+TEC221 Computer-Assisted Fashion Design 3
TEC222 Textiles 3
TEC227 Couture Sewing 3
TEC270 Design Studio 1

The Certificate of Completion (CCL) in Textile and Apparel: Fashion Computer-Assisted Design (CAD) Technician program is designed for students with an interest in CAD for fashion design, textile design and pattern making with advanced study and techniques. Students complete a professional fashion CAD portfolio in a variety of media using Photoshop, Illustrator and an industrial program, Lectra. Major Code: 5803 Total Credits: 12

Program Prerequisites: Credits: 0-3
TEC125 Fashion Design (3) OR permission of Program Director 0-3

Term 1 Credits
TEC141 Fashion Design: CAD 2
+TEC221 Computer-Assisted Fashion Design 3
+TEC233 Computer-Assisted Pattern Making 3
+TEC236 Portfolio Development 1
+TEC241 Advanced Computer-Assisted Fashion Design 3

The Certificate of Completion (CCL) in Textile and Apparel: Fashion Illustration Specialist program is designed for students with an interest in illustrating for fashion design with advanced study and techniques used in drawing fashion figures and flats. Students complete a professional fashion illustration portfolio in a variety of media with various fabrics, textures, and patterns. Major Code: 5802 Total Credits: 12

Program Prerequisites: Credits: 0-3
TEC125 Fashion Design (3) OR permission of Program Director 0-3

Term 1 Credits
TEC134 Fashion Illustration I 3
### Fire Science/Paramedicine Certificates/Degrees

- **Associate in Applied Science in Emergency Response and Operations**
- **Certificate of Completion in Emergency Management**
- **Certificate of Completion in Fire Science**
- **Certificate of Completion in Fire Officer Leadership**
- **Certificate of Completion in Firefighter Operations**
- **Certificate of Completion in Driver Operator**

**Department Chairperson:** Sonia Jones  
**Contact:** (480) 461-7050

The Associate in Applied Science (AAS) in Emergency Response and Operations program provides students with a curriculum specific to the student’s individual needs in addition to the knowledge and skills needed in today’s changing public safety workplace. The program develops education, skills, and techniques for planning, responding, and mitigating various emergency situations within the student’s specific discipline with emphasis on effective response and operations. The curriculum combines coursework in public safety emergency services with a general education component. Additional Certificates of Completion (CCL) are available. Major Code: 3112 Total Credits: 60

**Admission Criteria:**  
Students pursuing Track I Fire Operations OR Track II Paramedicine may be required to complete a program entrance exam as appropriate OR Permission of Program Director.

**Required Courses:** Credits: 18-58.5  
- EMT101 Cardiopulmonary Resuscitation/Basic Cardiac Life Support (0.50) OR  
- Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer (0) OR  
- Permission of Program Director(0) 0-0.50

Students must select one (1) of the following five (5) tracks:

#### Track I: Fire Operations Credits: 18-27.5

- +EMT/FSC104 Emergency Medical Technology (9) AND +EMT/FSC104AB Applied Practical Studies for Emergency Medical Technology (0.5) OR  
- +EMT/FSC104 Emergency Medical Technology (9) OR Arizona State EMT Certification (0) OR Arizona State Paramedic Certification (0) OR Permission of Program Director 0-9.5

- +FSC102 Fire Department Operations 11  
- FSC105 Hazardous Materials/First Responder 3  
- FSC130 Fitness for Firefighters/CPAT 1  
- FSC134 Fitness and Conditioning for Firefighters 3

#### Track II: Paramedicine Credits: 43.5 - 58

- +EMT/FSC104 Emergency Medical Technology (9) AND +EMT/FSC104AB Applied Practical Studies for Emergency Medical Technology (0.5) OR  
- +EMT/FSC104 Emergency Medical Technology (9) OR Arizona State EMT Certification (0) OR Arizona State Paramedic Certification (0) OR Permission of Program Director 0-9.5

- +EMT235 Emergency Cardiac Care 3

- +EMT236 Pharmacology in an Emergency Setting 3  
- +EMT240 Advanced Cardiac Life Support 2  
- +EMT242 Pediatric Advanced Life Support (1) OR +EMT265 Pediatric Education for Prehospital Providers: Advanced (1) 1  
- +EMT245 Trauma Management I (2) OR +EMT246 Trauma Management II (4) 2-4  
- +EMT272 Advanced Emergency Medical Technology (25) OR +EMT272AA Advanced Emergency Medical Technology (12.5) AND +EMT272AB Advanced Emergency Medical Technology (12.5) 25

- +EMT272LL Advanced Emergency Medical Technology Practicum (7.5) OR +EMT272LA Advanced Emergency Medical Technology Practicum Part I (3.75) AND +EMT272LB Advanced Emergency Medical Technology Practicum Part II (3.75) 7.5

- EMT296WC Cooperative Education (3) OR HCC145 Medical Terminology for Health  
- H&FA Any approved general education course in the Humanities and Fine Arts area. 3  
- S&BS Any approved general education course in the Social and Behavioral Sciences area. 3  
- NS Track II Paramedicine  
- BIO160 Introduction to Human Anatomy and Physiology 4

#### Track I, III, IV and V

Any approved general education course in the Natural Sciences area 4

The Certification of Completion (CCL) in Emergency Management provides the student with knowledge and skills required to conduct a comprehensive emergency management program. The program prepares students to manage fire department operations, hazardous materials incidents, tactics, strategy, safety of firefighting activities, and customer service in the public sector. Graduates may find employment in positions such as Emergency Manager, Emergency Management Planner, Emergency Operations Coordinator, Environmental Compliance Planner, and Emergency Management Specialist, working in state, local, federal, and international governments, business and industry, military installations, and health care facilities. Major Code: 5304 Total Credits: 18

**Term 1**  
- AJS/FSC146 Disaster Recovery Operations 3  
- AJS/FSC147 Emergency Preparedness 3  
- AJS/FSC148 Fundamentals of Emergency Management 3

**Term 2**  
- AJS/FSC139 Emergency Response to Terrorism 3  
- AJS/FSC149 Hazard Mitigation 3  
- FSC224 Incident Command Systems 3

The Certificate of Completion (CCL) in Fire Science program is designed for students who need (1) advanced training as professional firefighters, (2) basic preparation courses for a career in fire services and/or (3) more comprehensive information about the fire hazard and prevention. Certificate can be used by professional firefighters for promotions and salary advancement within the Fire Services. The program will provide courses for plant safety for fire protection personnel and basic emergency services for laypersons who need intensive first aid training.  

The unique feature of the program is that the instructors are professional firefighters and/or licensed Emergency Medical Training Personnel. Major Code: 5486 Total Credits: 24
CAREER AND TECHNICAL PROGRAMS

Program Prerequisites: Credits: 9
EMT/FSC104 Basic Emergency Medical Technology 9

Term 1 Credits
AJS/DPR/FSC147 Emergency Preparedness (3) OR
AJS/DPR/FSC148 Fundamentals of Emergency Mgmt (3) 3
FSC105 Hazardous Materials First Responder 3
FSC108 Fundamentals of Fire Prevention 3
FSC113 Introduction to Fire Suppression 3

Term 2 Credits
FSC117 Fire Apparatus 3
FSC119 Introduction Fire Service Ethics 3
+FSC208 Firefighter Safety and Building Construction 3
FSC215 Customer Service in the Public Sector 3

The Certificate of Completion (CCL) in Fire Officer Leadership program may be useful to professional firefighters seeking promotions and salary advancement within the Fire Services. The program will provide courses for experienced professional firefighters who desire to learn advanced fire ground tactics and strategy, building construction, practical incident command, supervisory training of personnel, and human resources management. Major Code: 5420 Total Credits: 15

Admission Criteria:
Formal application and acceptance into the Fire Officer Leadership program or permission of program director.

Term 1 Credits
FSC202 Supervisory Training for Firefighters 3
+FSC204 Firefighting Tactics and Strategy 3
+FSC208 Firefighter Safety and Building Construction 3

Term 2 Credits
+FSC205 Command Strategies for Major Emergencies 3
+FSC214 Human Resources Management in Fire Service 3

The Certificate of Completion (CCL) in Firefighter Operations program provides the opportunity for individuals seeking employment in various firefighting settings to acquire the minimum standard firefighting skills needed in the field. Major Code: 5557 Total Credits: 17-27

Admission Criteria:
Completion of Program Prerequisites. Formal application and admission to the program is required.

Program Prerequisites: Credits: 12-13
+EMT/FSC104 Basic Emergency Medical Technology (9) OR

Permission of Program Director 0-9
FSC105 Hazardous Materials/First Responder 3
FSC130 Fitness for Firefighters/CPAT (1) OR
Permission of Program Director 0-1

Term 1 Credits
+FSC102 Fire Department Operations 11
FSC134 Fitness and Conditioning for Firefighters 3

The Certificate of Completion (CCL) in Driver Operator program is designed for students who need (1) advanced training as professional firefighters, (2) preparation courses for career advancement opportunities in fire services, and/or (3) more comprehensive information about the role and function of an emergency vehicle driver/operator. Major Code: 5418 Total Credits: 8

Term 1 Credits
FSC111 Emergency Vehicle Driver Operator 2
FSC117 Fire Apparatus 3
FSC118 Fire Hydraulics 3

Geographic Information Systems Certificates/ Degrees

• Associate in Applied Science in Geospatial Technologies
• Certificate of Completion in Geographic Information System (GIS)

Program Director: Karen Blevins
Contact: (480) 461-7358

The Associate in Applied Science (AAS) in Geospatial Technologies prepares students for entry-level positions within the field of Geographic Information Systems. The Geospatial Technologies program will also provide students with the educational foundation necessary for a four-year degree. A Certificate of Completion (CCL) is also available. Major Code: 3108 Total Credits: 60

Program is designed for students with varying skills consult with program director.

Program Prerequisites: Credits: 0-8
The credit hour range is subject to change depending on the student’s educational experiences and track selected.

Track I-User/Analyst None
Track II-Developer
MAT120 Intermediate Algebra (5) OR
MAT121 Intermediate Algebra (4) OR
MAT122 Intermediate Algebra (3) OR
Satisfactory score on District placement exam. 0-5

Track III-Transfer Emphasis
MAT150 College Algebra/Functions (5) OR
MAT151 College Algebra/Functions (4) OR
MAT152 College Algebra/Functions (3) AND
MAT182 Plane Trigonometry (3) OR
MAT187 Precalculus (5) OR
Satisfactory score on District placement exam 0-8

Required Courses: Credits: 25-33
GCU102 Introduction to Human Geography (3) OR
GPH111 Introduction to Physical Geography (4) OR
GPH230 Spatial Database I (3) 3-4
GPH219 Introduction to GIS Using ArcGIS 3-4
GPH220 Intermediate GIS Using ArcGIS 3
GPH270 Introduction to Cartography and Geospatial Technologies 3
GCU/GPH298++ Special Projects (any suffixed course) (1-3) 1-3

Students must select one of three (3) tracks.

Track I-User Analyst Credits: 12
CIS105 Survey of Computer Information Systems 3
CIS117DM Microsoft Access: Database Management 3
CIS159 Visual Basic Programming I 3
GPH273 Advanced GIS Using ArcGIS (3) OR
GPH275 Introduction to Remote Sensing (3) 3

Track II-Developer Credits: 14
CIS117DM Microsoft Access: Database Management 3
CSC110AB Introduction to Computer Science (Java) 4
CSC181AB Applied Problem Solving with Visual BASIC 4
GPH273 Advanced GIS Using ArcGIS (3) OR
GPH275 Introduction to Remote Sensing (3)  3

**Track III-Transfer Emphasis Credits:** 17
CSC110AB Introduction to Computer Science (Java)  4
CSC181AB Applied Problem Solving with Visual BASIC  4
MAT220 Calculus with Analytic Geometry I  5

Restricted Electives: Credits: 2-8
GPH++++ Any GPH Physical Geography course(s) not listed under Required Course area  2-8

**General Education Credits:** 25-27
FYC ENG101 First-Year Composition (3) OR
ENG103 First-Year Composition for ESL (3) AND
ENG102 First-Year Composition (3) OR
ENG108 First-Year Composition for ESL (3)  6

**Oral COMM** Any approved general education course in the Oral Communication area  3

**Critical RDG** Any approved general education course in the Critical Reading area  3

**Math** Any approved general education course in the Mathematics area  3-5

**H&FA** Any approved general education course in the Humanities and Fine Arts area  3

**S&SB** Any approved general education course in the Social and Behavioral Sciences area  3

**NS** Any approved general education course in the Natural Sciences area  4

The Certificate of Completion (CCL) in Applications in Geospatial Technologies program provides a solid foundation in Geographic Information Systems concepts, not simply GIS software. This program equips students with fundamental GIS abilities that can be applied in a variety of environments where spatial data analysis is required. Major Code: 5135 Total Credits: 24-33

Program is designed for students with varying skills consult with program director.

Program Prerequisites: Credits: 0-8
The credit hour range is subject to change depending on the student’s educational experiences and track selected. 0-8
Track I-User/Analyst Credits: None

**Track II-Developer Credits:** 11
MAT120 Intermediate Algebra (5) OR
MAT121 Intermediate Algebra (4) OR
MAT122 Intermediate Algebra (3) OR

**Satisfactory score on District placement exam 0-5**

**Track III-Transfer Emphasis Credits:** 0-8
MAT150 College Algebra/Functions (5) OR
MAT151 College Algebra/Functions (4) OR
MAT152 College Algebra/Functions (3) AND
MAT182 Plane Trigonometry (3) OR
MAT187 Precalculus (5) OR

**Satisfactory score on District placement exam 0-8**

**Required Courses: Credits:** 24-33
GPH219 Introduction to GIS Using ArcGIS  3
GPH220 Intermediate GIS Using ArcGIS  3
GPH226 Spatial Database I (3) OR
CIS276DB SQL Server Database (3)  3
GPH270 Introduction to Cartography and Geospatial Technologies  3

Horticulture Certificates/Degrees

• Associate in Applied Science in Urban Horticulture
• Certificate of Completion in Landscape Aide
• Certificate of Completion in Landscape Specialist

Program Director: Peter Conden
Contact: (480) 461-7125

The Associate in Applied Science in (AAS) Urban Horticulture prepares students to work as technicians, supervisors, managers, or owners in wholesale or retail nurseries, landscape design and construction operations, or landscape management companies. In addition, the program prepares students for careers with local, state, and federal government agencies involved with the technical phases of the Urban Horticulture industry. The curriculum combines coursework in horticulture with General Education components. Graduates may transfer to a Bachelor of Science degree. Major Code: 3030 Total Credits: 67

**Track I-Residential Landscape Design**

**Term 1 Credits**
AGB139 Agribusiness Computer Operations  3
AGL189 Landscape Design I  3
AGS183 Urban Plant Identification and Use  3
DFT105AA Computer Aided Drafting I: AutoCAD (3) OR
CNS130 Computer Aided Design and Drafting (3)  3
CHM130 Fundamental Chemistry (3) AND
CHM130LL Fundamental Chemistry Laboratory (1)  4

**Term 2 Credits**
AGS164 Plant Growth and Development  4
AGS260 Origin and Composition of Soils  4
ARC265 Sketchup I: Introduction to Sketchup  3
ENG101 First-Year Composition (3) OR
ENG107 First-Year Composition for ESL (3)  3

**Term 3 Credits**
### Track II - Landscape Contracting and Management

Interior Design

Certificates/Degrees

• Associate in Applied Science in Interior Design
• Certificate of Completion in Interior Merchandising

Director: Cherise J. Mahaffey Robb
Contact: (480) 461-7391

The Associate in Applied Science (AAS) in Interior Design program prepares students to work in an entry-level interior design position. The program provides both general education and interior design classes including basic design, color theory and application, architectural and furniture history, drafting and computer aided design (CAD) for interior design, space planning, interior materials, rendering, and codes and regulations. Studio projects allow students to identify, research, solve, and present residential design problems. Major Code: 3093 Total Credits: 64-67

Journalism/Public Relations Degrees

• Associate in Applied Science in Journalism
• Associate in Applied Science in Public Relations

Director: Jack Mullins
Contact: (480) 461-7270

The Associate of Applied Science (AAS) in Journalism provides students with general, practical, and marketable skills that will enable them to seek entry-level employment in news and feature writing for newspapers, magazines, community journals, online websites, and radio and television. The program includes development of a portfolio that will exhibit students’ abilities to write both news and feature stories. The development of news judgment is also a critical component of the program. An awareness of global and cultural differences also forms a key element of this degree for the successful graduate. The curriculum combines coursework in journalism with a General Education component. Major Code: 3120 Total Credits: 62

Term 1
CIS105  Survey of Computers Information Systems  3
ENG101  First-Year Composition  3
H&FA  Any approved general education course in the Humanities and Fine Arts Area  3

+JRN236  Advanced Practicum: Public Relations  3
MGT251  Human Relations in Business  3
REL100  World Religions  3

The Associate of Applied Science (AAS) in Public Relations program provides students with general, practical, and marketable skills that will enable them to seek entry-level employment in public relations, such as press relations, community or consumer relations, market research, in-house publications, political campaigns, fund raising and volunteer recruitment. The program includes development of a portfolio that will exhibit students’ ability to write both news and feature stories, to develop and plan events, and to produce brochures, advertisements, or small publications with desktop publishing. The curriculum combines coursework in public relations with a General Education component. Major Code: 3674 Total Credits: 64-69

Term 1
ENG101  First-Year Composition  3
BPC110  Computer Usage and Applications (3) OR
CIS105  Survey of Computer Information Systems (3)  3
JRN125  Photo Editing  3
GBS151  Introduction to Business  3

Term 2
COM100  Introduction to Human Communication (3) OR
COM110  Interpersonal Communication (3) OR
+COM225  Public Speaking (3) OR
+COM230  Small Group Communication (3)
CRE101  College Critical Reading  3
+JRN201  News Writing  3
JRN225  Photojournalism  3
+MAT102  Mathematical Concepts Applications (3) OR
+MAT120  Intermediate Algebra (5) OR
+MAT121  Intermediate Algebra (4) OR
+MAT122  Intermediate Algebra Accelerated (3) OR
Satisfactory completion of a higher level mathematics courses  3-5
H&FA  Any approved general education course in the Humanities and Fine Arts Area  3

Term 3
ENG102  First-Year Composition (3) OR
ENG111  Technical and Professional Writing (3)  3
+JRN133  Development of Small Publications (3) OR
JRN205  Copyediting (3)  3
JRN215  News Production  3
+MCO220  Cultural Diversity and the Media  3
NS  Any approved general education course in the Natural Sciences are  4

161
The Associate in Applied Science (AAS) in Automation Technology prepares students to work with a variety of automated electro-mechanical, product assembly, process control, and product distribution systems that use programmable controls and other methodologies to accomplish system management. These systems utilize, but are not limited to, robotic, mechanical, hydraulic, pneumatic, electronic, optical, and thermal devices. The Automation Technician will gain the skills through this program to define, integrate, install, program, and maintain complex control systems. Major Code: 3000 Total Credits: 64-68

Admission Criteria:
Math assessment score on District placement exam placing students into MAT090 or higher, or permission of department.

Term 1 Credits
ATP101 Introduction to Automated Systems and Robotics 2
ATP105 Engineering Documentation 2
ATP110 Basic Manufacturing Processes 2
ATP130 DC Circuit Analysis 2
ATP135 AC Circuit Analysis 2
ENG101 First-Year Composition 3
MAT121 Intermediate Algebra (4) OR
MAT122 Intermediate Algebra (3) OR
   Equivalent or satisfactory completion of a higher level mathematics course. 3-5

Term 2 Credits
ATP150 Fluid Power 1 - Hydraulics, Pneumatics, and Vacuum Concepts 2
ATP175 Introduction to Motors and Motor Controls 2
ATP180 PLC 1 - Introduction to Ladder Logic 2
ATP200 Sensors and Measurement 2
ATP215 Digital and Analog Circuits 2
ATP222 Servo Systems 2
ENG111 Technical and Professional Writing 3

Term 3 Credits
ATP290 Lean Techniques and Six Sigma 3
CIS105 Survey of Computer Information Systems 3
COM110 Interpersonal Communication 3
CRE101 College Critical Reading (3) OR
   Equivalent as indicated by Assessment 3
FAC/GTC/MIT/OSH106 Industrial Safety 2
NS Any approved general studies course in the Natural Sciences Area 4

Term 4 Credits
ATP160 PL C-2 HMI Interfaces and Function Block Programming 2
ATP245 Introduction to Solid Modeling - Solidworks 3
ATP251 Fluid Power 2 - Automation Applications 2
ATP260 Automation System Integration 1 2
H&FA Any approved general education course in the Humanities and Fine Arts Area 3
SOC101 Introduction to Sociology 3

Track 1 - Process Control Systems and Programming
ATP160 PL C-2 HMI Interfaces and Function Block Programming 2
ATP245 Introduction to Solid Modeling - Solidworks 3
ATP251 Fluid Power 2 - Automation Applications 2
ATP260 Automation System Integration 1 2
H&FA Any approved general education course in the Humanities and Fine Arts Area 3
SOC101 Introduction to Sociology 3

Track 2 - Electromechanical and Hybrid Systems Credits: 11
ATP235 CNC Programming 2
ATP245 Introduction to Solid Modeling - Solidworks 3
ATP251 Fluid Power 2 - Automation Applications 2
ATP260 Automation System Integration 1 2
H&FA Any approved general education course in the Humanities and Fine Arts Area 3
SOC101 Introduction to Sociology 3

MKT110 Marketing and Social Networking (3) 3
S&B  Any approved general education course in the Social and Behavioral Sciences Area 3

Term 3 Credits
ENG102 First-Year Composition (3) OR
ENG111 Technical Writing (3) 3
JRN215 News Production 3
MAT102 Mathematical Concepts Applications (3) OR
MAT120 Intermediate Algebra (5) OR
MAT121 Intermediate Algebra (4) OR
MAT122 Intermediate Algebra Accelerated (3) OR satisfactory completion of a higher level mathematics courses 3-5
+MCO20 Cultural Diversity and the Media 3
MKT263 Advertising Principles 3
NS Any approved general education course in the Natural Sciences Area 4

Term 4 Credits
+GBS238 Business Journalism (3) OR
+jJRN238 Business Journalism (3) 3
JRN234 Feature Writing (3) OR
ENG235 Magazine Article Writing (3) 3
JRN235 Practicum: Public Relations 3
RE Select from list below 3

Restricted Electives: Credits: 3
GBS110 Human Relations in Business and Industry 3
GBS233 Business Communication 3

Manufacturing Technology Certificates/Degrees

- Associate in Applied Science in Automation Technology
- Certificate of Completion in Automation Technology Level I
- Certificate of Completion in Automation Technology Level II
- Certificate of Completion in Automation Technology Level III
- Associate in Applied Science in Machining and Product Development
- Associate in Applied Science in Manufacturing Engineering Technology
- Associate in Applied Science in Manufacturing Technology
- Certificate of Completion in Electromechanical Manufacturing Technology
- Certificate of Completion in CAD/CAM/CNS I
- Certificate of Completion in CAD/CAM/CNS II
- Certificate of Completion in CAD/CAM/CNS III
- Certificate of Completion in Machining I
- Certificate of Completion in Machining II
- Certificate of Completion in Manufacturing Management
- Certificate of Completion in Manufacturing Welding

Department Chairperson: Bob Bonura
Contact: (480) 461-7173

The Associate in Applied Science (AAS) in Automation Technology prepares students to work with a variety of automated electro-mechanical, product assembly, process control, and product distribution systems that use programmable controls.
The Certificate of Completion (CCL) in Automation Technology Level I program introduces the student to automated systems used by companies to produce a variety of products. The emphasis is on the student awareness of the many issues a company must deal with when employing automation and the issues related to control of the equipment. Major Code: 5000
Total Credits: 17

Admission Criteria:
Math assessment score placing students into MAT090 or higher, or permission of department.

Term 1
ATP101  Introduction to Automated Systems and Robotics 2
ATP105  Engineering Documentation 2
CIS105  Survey of Computer Information Systems 3
ENG101  First Year Composition 3

Term 2
ATP110  Basic Manufacturing Processes 2
COM100  Introduction to Human Communication 3
FAC/GTC/ MIT/OSH106 Industrial Safety 2

The Certificate of Completion (CCL) in Automation Technology Level II program allows students to be able to evaluate and troubleshoot minor system problems and contributes to their solution or correction. Companies may authorize these employees to perform specific repairs and adjustments. If there are major system problems, this person is expected to recognize the situation and report the technical information to the appropriate repairperson. Major Code: 5630 Total Credits: 15-17

Admission Criteria:
Math assessment score placing students into MAT090 or higher, or permission of department.

Program Prerequisites: Credits: 17
Certificate of Completion in Automation Technology Level I (5000)

Term 1
ATP130  DC Circuit Analysis 2
ATP135  AC Circuit Analysis 2
+MAT120 Intermediate Algebra (5) OR
+MAT121 Intermediate Algebra (4) OR
+MAT122 Intermediate Algebra (3) OR
Equivalent or higher-level mathematics course 3-5

Term 2
+ATP150 Fluid Power 1 - Hydraulics, Pneumatics, and Vacuum Concepts 2
ATP175  Introduction to Motors and Motor Controls 2
ATP180  PLC I - Introduction to Ladder Logic 2
+ATP200 Sensors and Measurement 2

The Certificate of Completion (CCL) in Automation Technology Level III program allows students to be able to lead the technical efforts to maintain, troubleshoot, and repair most of the faults that would occur routinely in an automated system. People at this level are usually familiar with all electrical, system controls, and mechanical aspects of the system and would support the company team in the day-to-day supervision of the technical and procedural activities related to the equipment. Major Code: 5696
Total Credits: 10

Admission Criteria:
Math assessment score placing students into MAT090 or higher, or permission of department.

Program Prerequisites: Credits: 15-17
Certificate of Completion in Automation Technology Level II (5630)

Term 1
+ATP215 Digital and Analog Circuits 2
+ATP222 Servo Systems 2
ATP290 Lean Techniques and Six Sigma 3
+ENG111 Technical and Professional Writing 3

The Associate in Applied Science (AAS) in Machining and Product Development program will prepare students to enter the job market with the entry-level skills to be able to develop new products with input from engineering sketches and drawings. The program will provide students with the broad range of skills and abilities, including machining skills, electro-mechanical assembly abilities, and product test and prove-out knowledge. Much of the program is designed to provide hands-on experience, with various machine shop machines and their accessories, as well as a suitable amount of related classroom material. Students who complete the program will have basic machining skills required to solve problems and technical challenges, and be able to work well in a product development environment or a custom, low-volume production environment. Major Code: 3542 Total Credits: 66-69

Program Prerequisites: Credits: 3
GTC107  Technical Mathematics I (3) OR
Satisfactory score on math placement test 3

Term 1
DFT114  Machine Trades Blueprint Reading 3
ENG101  First-Year Composition (3) OR
ENG107  First-Year Composition for ESL (3) 3
GTC102  Machine Processes, Theory and Application 3
GTC104  Manufacturing Processes 4
FAC/GTC/ MET/OSH106 Industrial Safety 2

Term 2
CRE101  College Critical Reading (3) OR
Equivalent as indicated by assessment. 3
ENG102  First-Year Composition (3) OR
ENG108  First-Year Composition for ESL (3) OR
ENG111  Technical Writing (3) 3
ELE101  Concepts of Electricity and Electronics 3
+GTC108  Technical Mathematics II 3
+GTC185  Electro-Mechanical Devices 4
Oral Comm Any approved General Education course in the Oral Communication area 3

Term 3
DFT115  Geometric Dimensioning and Tolerancing 3
DFT252AA  Computer Aided Drafting I: AutoCAD 3
GTC/MET206 CNC Programming 3
GTC223  Advanced Machine Tools 3
H&FA  Any approved general education course in the Humanities and Fine Arts Area 3

Term 4
GTC199  Manufacturing Welding (3) OR
WLD101  Welding I (3) 3
+GTC208  Statistical Process Control (3) OR
MET131  Lean Manufacturing (3) OR
QCT143  Principles of Quality Assurance (3) 3
GTC216  Properties of Materials 3
GTC299++ Cooperative Education (any suffixed course) (1-4) OR
GTC298++ Special Projects (any suffixed course) (1-3) 1-4

**The Certificate of Completion (CCL) in Electromechanical Manufacturing Technology** is designed to provide the student with the basic skills to be successful as an entry-level maintainer of simple to medium complexity electro-mechanical equipment. The basis for the program is the ability to read engineering drawings and electrical schematics in the quest to maintain and repair equipment. These skills are augmented with a good basis of mathematical theory, an introduction to machines and the machining processes, and instruction regarding the support of manufacturing equipment through effective maintenance of equipment. Major Code: 5616 Total Credits: 34

**Program Prerequisites:** Credits: 3  
**GTC107**  Technical Mathematics I (3) or  
Satisfactory score on math placement test.  

**Term 1 Credits**  
**DFT114**  Machine Trades Blueprint Reading 3  
**ELE100**  Concepts of Electricity and Electronics 3  
**GTC104**  Manufacturing Processes 4  
**+GTC108**  Technical Mathematics II 3  

**Term 2 Credits**  
**GTC106**  Industrial Safety 2  
**GTC181**  Introduction to Fluid Power 3  
**MET131**  Lean Manufacturing 3  
**GTC208**  Statistical Process Control (3) OR  
**QCT143**  Principles of Quality Assurance (3) 3  

**Term 3 Credits**  
**DFT252AA**  Computer Aided Drafting I: AutoCAD 3  
**+GTC185**  Electro-mechanical Devices 4  
**GTC216**  Properties of Materials 3  

**The Certificate of Completion (CCL) in CAD/CAM/CNC I** program prepares the student to operate the Computer Numerical Control (CNC) systems that produce the machined product on CNC turning centers, machining centers, and other manufacturing equipment in a safety industrial environment preparing student for the National Institute of Metal Working Skills (NIMS) Level One CNC credentials. Major Code: 5616 Total Credits: 15-17

**Program Prerequisites:** Credits: 15  
**Certificate of Completion in Machining I (5614)**  

**Required Courses:** Credits: 15-17  
**FAC/GTC/ MIT/OSH106**  Industrial Safety 2  
**GTC/MET206**  CNC Programming 3  
**+GTC223**  Advanced Machine Tools 3  
**GTC298++**  Special Projects (any suffixed course) 1-3  
**+MET207**  CNC Mill: Operator Training I 3  
**+MET208**  CNC Lathe: Operator Training I 3

**The Certificate of Completion (CCL) in CAD/CAM/CNC II** program builds on the skills and knowledge developed by the student in the Level I Program. The additional courses are designed to improve the student’s understanding of the manufacturing processes employed in a modern manufacturing business to produce the Computer Aided Drafting (CAD) designs into an end product. The focus of these classes is to understand...
the programming, setup and verification of the manufacturing equipment in producing precision products of different types of material and features. Major Code: 5647 Total Credits: 10-12

Program Prerequisites: Credits: 15-17
Certificate of Completion in CAD/CAM/CNC II (5616)  15-17

Term 1  Credits
GTC216  Properties of Materials  3
GTC298++ Special Projects (any suffixed course)  1-3
+MET209  CNC Mill: Operator Training II  3
+MET210  CNC Lathe: Operator Training II  3

The Certificate of Completion (CCL) in CAD/CAM/CNC III program introduces the skills needed to translate product sketches and engineering designs into electronic design systems that are the basis for Computer Aided Design (CAD) and Computer Aided Manufacturing (CAM). The program focuses on CAD/CAM application to the machine language to operate the Computer Numerical Control (CNC) systems that produce the machined product on CNC lathes, milling machines, and other manufacturing equipment. Major Code: 5795 Total Credits: 10-12

Program Prerequisites: Credits: 10-12
Certificate of Completion in CAD/CAM/CNC II (5614)  10-12

Term 1  Credits
GTC236  CAD/CAM Computer Numerical Control (CNC) Programming  3
GTC246  Advanced CAD/CAM CNC Programming  3
GTC266  Solids Modeling  3
GTC298++ Special Projects (any suffixed course)  1-3

The Certificate of Completion (CCL) in Machining I program introduces the skills and knowledge for application in a modern precision manufacturing work environment. Through classroom instruction and hands-on operation of Computer Numerical Control (CNC)-operated machine tools, students will learn to shape metals and other materials to close tolerances and customer specifications. Major Code: 5614 Total Credits: 15

Term 1  Credits
ATP105  Engineering Documentation  2
GTC102  Machine Processes, Theory and Application  3
GTC104  Manufacturing Processes  4
+GTC108  Technical Mathematics II  3
+MET112  Inspection Techniques  3

The Certificate of Completion (CCL) in Machining II program adds to the knowledge and skills obtained in the Level I program to further prepare students for employment in a precision machining establishment. This level further emphasizes the national metalworking standards for industry and the role of statistical and process control techniques to produce the final product. Major Code: 5645 Total Credits: 9

Program Prerequisites: Credits: 0-3
Certificate of Completion in Machining I (5614)  0-3

Term 1  Credits
GTC107  Technical Mathematics I (3) OR Satisfactory score on math placement test.  3

The Certificate of Completion (CCL) in Manufacturing Welding provides skills development in oxyacetylene (gas) and electric (arc) welding. Classes are conducted in laboratories that are equipped with modern industrial welding equipment and emphasize skill development in advanced welding techniques utilizing tig and mig machines. Major Code: 5620 Total Credits: 26

Program Prerequisites: Credits: 3
GTC107  Technical Mathematics I (3) OR Satisfactory score on math placement test.  3

Term 1  Credits
DFT114  Machine Trades Blueprint Reading  3
GTC104  Manufacturing Processes  4
GTC106  Industrial Safety  2
+GTC108  Technical Mathematics II  3

Term 2  Credits
+GTC208  Statistical Process Control  3
+GTC216  Properties of Materials  3
MET131  Lean Manufacturing  3
MG147  Supply Chain Management  3
MG129  Management and Leadership I  3
TQM101  Quality Customer Service (3) OR  3
TQM220  Leadership and Empowerment Strategies (2) OR  3
TQM230  Teamwork Dynamics (2) OR  3
TQM240  Project Management in Quality Organizations (2) OR  3

The Certificate of Completion (CCL) in Micro Circuit Mask Design provides skill development in microcircuit design and update their knowledge and skills. Major Code: 5625 Total Credits: 10-12

Program Prerequisites: Credits: 3
GTC102  Machine Processes, Theory and Application  3
GTC104  Manufacturing Process  4
GTC106AA Industrial Safety  2
GTC129  Manufacturing Welding  3
+WLD206  Advanced Welding - Helicar and Wire Feed  3
+WLD215  Welding Fabrication  3

Micro Circuit Mask Design Certificates/Degrees

• Associate in Applied Science in Micro Circuit Mask Design
• Certificate of Completion in Micro Circuit Mask Design

Department Chairperson: Bob Bonura
Contact: (480) 461-7173

The Associate of Applied Science (AAS) in Micro Circuit Mask Design prepares students to work in the microcircuit design field. The program emphasizes current technological trends in the industry and is designed both for those planning to enter a career in the field as well as for those already working in the field who want to advance and update their knowledge and skills. The curriculum combines coursework in microcircuit mask design with a general education component. Major Code: 3505 Total Credits: 61-64

**Mortuary Science Degree**

- Associate in Applied Science in Mortuary Science  

**Director:** Tom Taggart  
**Contact:** (480) 988-8501

The Associate in Applied Science (AAS) in Mortuary Science program includes studies in public health; business management; natural sciences; legal, ethical and regulatory concerns; and clinical requirements associated with the mortuary field. The curriculum combines coursework in mortuary science with a general education component. The AAS in Mortuary Science offered at Mesa Community College is accredited by the American Board of Funeral Service Education (ABFSE) 3414 Ashland Avenue, Suite G, St. Joseph, MO 64506, 816-233-3747, www.abfse.org. Completion of the courses in program prepares the student to sit for the National Board examination and begin state internship requirements. Major Code: 3765 Total Credits: 69-70

Program Notes: Every student must take the National Board Examination as a requirement for graduation. The cost of that exam is the responsibility of the student.

**Admission Criteria:**  
Students must complete all program prerequisites with a minimum G.P.A. of 2.5, and must have proof of high school graduation or GED or permission of program director.

Program Prerequisites: Credits: 10-11  
ACC107 Bookkeeping Theory and Practice (4) OR | 3-4 |
ACC111 Accounting Principles I (3) | 3-4 |
BPC/CIS Any BPC or CIS course | 1 |

### Music Certificates/ Degrees

- Certificate of Completion in Disc Jockey Techniques
- Certificate of Completion in Sound Design
- Associate in Applied Science in Music Business
- Certificate of Completion in Beginning Piano Pedagogy
- Certificate of Completion in Intermediate Piano Pedagogy

Department Chairperson: Sue Anne Lucius  
Contact: (480) 461-7577

**The Certificate of Completion (CCL) in Disc Jockey Techniques** program is designed to prepare students for entry-level employment as a live-performance disc jockey (DJ). This program will provide the student an understanding of how businesses related to the DJ profession are organized and operated in this highly competitive and rapidly changing profession. Major Code: 5745 Total Credits: 33

The Associate in Applied Science (AAS) in Linux Networking Administration is designed to help prepare students for a variety of industry-recognized Linux certification exams as well as provide practical hands-on skills for the workplace.

The program includes a core of Linux classes including Linux Operating System Basics, System Administration, Network Administration and Network Security. These classes will help develop a student’s knowledge and skill level in preparation for employment or to improve professional skills. Major Code: 5749 Total Credits: 15

The Certificate of Completion (CCL) in Network Administration: Cisco Network Professional will equip students with marketable skills for learning the specific tasks and industry-recognized standards associated with network professional who can install, configure, and troubleshoot local and wide area networks for enterprise organizations with networks comprised of 100 to 500 or more nodes. The coursework emphasizes security, converged networks, quality of service (QoS), virtual private networks (VPN), broadband technologies, and integrating technologies in the network infrastructure. The program also prepares students to complete the required certification tests in Cisco Certified Network Professional (CCNP) certification, which indicates advanced or journeyman knowledge of networks. Major Code: 5328 Total Credits: 16

The Network core courses will also prepare students towards certification in Microsoft and Novell.

Program Prerequisites: Credits: 0-4
CNT170AACisco Accessing the Wide-Area Network (WAN) (4) OR
Cisco Certified Network Associate (CCNA) Industry Certification

Term 1 Credits
CNT202 Cisco Secure Firewall

Nursing Certificates/Degrees

- Associate in Applied Science in Nursing
- Certificate of Completion in Practical Nursing
- Certificate of Completion in Nurse Assisting
- Certificate of Completion in Nursing Refresher

Department Chairperson: Debbie Bittner
Contact: (480) 461-7262

The Associate in Applied Science (AAS) Nursing Program is available at nine of the Maricopa Community Colleges. Clinical experiences are provided in a variety of healthcare settings. The Nursing Program provides eligibility for students to apply for the national exam for the registered nurse license. Licensing requirements are the exclusive responsibility of the State Board of Nursing. The Associate in Applied Science (AAS) Nursing Program is approved by the Arizona State Board of Nursing and accredited by the National League for Nursing Accrediting Commission (NLNAC), 61 Broadway, 33rd Floor, New York, NY 10006, (212) 363-5555, ext. 153. Major Code: 3812 Total Credits: 61-74

Program Offerings
This program is offered at the following sites:
Chandler Gilbert Community College (480) 988-8880
Estrella Mountain Community College (602) 845-3350
GateWay Community College (602) 286-8178
Glendale Community College (623) 845-3350
Mesa Community College (480) 461-7600
Mesa Community College/Boswell (602) 974-7835
Paradise Valley Community College (602) 787-7060
Phoenix College (602) 285-7427
Scottsdale Community College (480) 423-6137

Waiver of Licensure/Certification Guarantee
Admission or graduation from the Nursing Program does not guarantee obtaining a license to practice nursing. Licensure requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules and Regulations, independently of any college or school requirements for graduation.

Pursuant to A.R.S. § 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting this application. If you cannot prove that the absolute discharge date is five or more years, the Board cannot process your application.

All nursing applicants for licensure will be fingerprinted to permit the Department of Public Safety to obtain state and federal criminal history information. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing (602) 889-5150.

Health Declaration
It is essential that Nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time, and perform bending activities. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients' lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application.

Health & Safety Requirements for the Nursing Program:
1. Students must submit a Health and Safety Documentation Checklist verifying completion of all requirements and maintain current status throughout the program.
2. Students must submit the Health Declaration Form signed by a licensed health care provider.
3. Students must test negative on a timed urine drug screen.
4. Students must provide a copy of their current and valid Fingerprint Clearance Card upon application.

Grade Requirements
Students must obtain a “C” grade or better in all courses required within the program.

Course Fee Information
Please see class schedule for information regarding course fees.

University Transfer Students
Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at the Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

Registered Nurse Pathway
The Associate in Applied Science (AAS) degree in Nursing graduate is eligible to apply for licensure as a Registered Nurse (RN). The RN is educated as a generalist who delivers health care to clients and family groups and has competencies related to the art and science of nursing. The RN may be employed in a variety of acute, long-term, and community based-health care settings. The AAS degree in Nursing provides the graduate with an educational foundation for articulation into the university setting.

The Nursing Program is approved by the Arizona State Board of Nursing and accredited by the National League for Nursing Accrediting Commission (NLNAC), 61 Broadway, 33rd Floor, New York, NY 10006, (212) 363-5555, ext. 153.
### Program Notes:
Students must earn a grade of “C” or better in all courses required within the program.

The Nursing Program’s Core Values of Caring, Holism, Nursing Role Development, Critical Thinking, Safe Practice, and Information Management and Technology are integrated into the student learning outcomes/program competencies.

### Admission Criteria:
- High school diploma or GED.
- Formal application and admission to the program is required.
- A passing score on a nursing program admission test is required to complete an application.
- Applicants for Advanced Placement must receive a passing score on a practical nursing content exam for placement into Block 3.
- The final decision rests with the Nursing Program Chair at the College to which the student is accepted.

The Nursing Program Chair reserves the right to deny acceptance of an admission application if the applicant was dismissed for issues relating to academic integrity, unsafe patient care, and/or two (2) or more failures from any nursing program.

All applicants holding or receiving a certificate in Nursing Assisting and/or license as a Practical Nurse must remain in good standing with the Regulatory Board. Once enrolled, students receiving any disciplinary actions against their certificate or license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student’s participation in clinical experiences and involvement in patient care until the certificate and/or license is valid and unrestricted.

consideration to the mental and physical demands of the program prior to making application.

Health & Safety Requirements for the Nursing Program
1. Students must submit a Health and Safety Documentation Checklist verifying completion of all requirements and maintain current status throughout the program.
2. Students must submit the Health Declaration Form signed by a licensed health care provider.
3. Students must test negative on a timed urine drug screen.
4. Students must provide a copy of their current and valid Finger Print Clearance Card upon application.

Grade Requirements
Students must obtain a “C” grade or better or pass in “P/Z” graded courses in all courses in program.

Course Fee Information
Please see class schedule for information regarding course fees.

University Transfer Students
Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at the Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

Practical Nurse Exit Option
Following completion of the practical nurse level program of study, the student is eligible to apply for licensure as a practical nurse. Licensed Practical Nurses (LPN) are employed in acute, long-term, and community-based health care agencies under the direction of a registered nurse. Practical Nurses function within their legal scope of practice and use professional standards of care in illness care and health promotion activities for clients and families across the life span.

The Associate in Applied Science in Nursing degree program is approved by the Arizona State Board of Nursing and accredited by the National League for Nursing Accrediting Commission (NLNAC), 61 Broadway, 33rd Floor, New York, NY 10006, (212) 363-5555, ext. 135.

Program Notes: Students must earn a grade of “C” or better in all courses within the program.

The Nursing Program’s Core Values of Caring, Holism, Nursing Role Development, Critical Thinking, Safe Practice, and Information Management and Technology are integrated into the student learning outcomes/program competencies.

Admission Criteria
• High school diploma or GED.
• Formal application and admission to the program is required.
• A passing score on a nursing program admission test is required to complete an application.

The Nursing Program Chair reserves the right to deny acceptance of an application for admission if the applicant was dismissed for issues relating to academic integrity, unsafe patient care, and/or two (2) or more failures from any nursing program.

All applicants holding or receiving a certificate in Nursing Assisting and/or license as a Practical Nurse must remain in good standing with the Board of Nursing. Once enrolled, students receiving any disciplinary actions against their certificate or license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student’s participation in clinical experiences and involvement in patient care until the certificate and/or license is valid and unrestricted.

Program Prerequisites: Credits: 10-20
Area Note: The credit hour range is subject to change depending on the student’s educational experience.

The Certificate of Completion (CCL) in Nurse Assisting prepares students for entry-level employment in various health care settings as a nursing assistant. The program combines classroom instruction with clinical laboratory, skilled care and acute-care experiences. Students who complete the program are eligible to take a written and practical certification examination and work as a Certified Nursing Assistant. Licensure requirements are the exclusive responsibility of the Arizona State Board of Nursing. Major Code: 5963 Total Credits: 6

The MCCD Nursing Assisting Program is approved by the Arizona State Board of Nursing.

Waiver of Licensure/Certification Guarantee

Admission or completion from the MCCD Nurse Assisting Program does not guarantee obtaining a license or certificate to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules and Regulations, independently of any college of school requirements for graduation.

Pursuant to A.R.S. § 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting this application. If you cannot prove that the absolute discharge date is five or more years, the Board cannot process your application.

All nurse assistant applicants for certification will be fingerprinted to permit the Department of Public Safety to obtain state and federal criminal history information. All applicants with a positive history are investigated. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing, (602) 899-5150.

Health Declaration
It is essential that Nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time, and perform bending activities. Students
who have a chronic illness or condition must be maintained on current treatment and be able to implement direct patient care. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients’ lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application.

Health & Safety Requirements for MCCD Nurse Assisting Program

1. Students must submit a completed Health and Safety Documentation Checklist and maintain current status throughout the program.
2. Students must submit CPR card for Health Care Provider and maintain current status throughout the program.
3. Students must submit a current Fingerprint Clearance Card.
4. Health Provider Signature Form signed by a licensed health care provider.
5. Negative urine drug screen.

Grade Requirements:
Student must obtain a “C” grade or better in all courses.

Course Fee Information:
Please see class schedule for information regarding course fees.

University Transfer Students
Students who are planning to earn the Bachelor of Science in Nursing may obtain their prerequisite courses at Maricopa Community Colleges. For information on courses that meet requirements for admission into a baccalaureate program, please contact a program advisor.

The Nurse Assisting Pathway
The Nurse Assisting Pathway is designed to prepare students to complete the Nurse Assistant Certification through the Arizona State Board of Nursing to practice in a health care agency as a certified nurse assistant. Completion of the nurse assistant program of study provides job ready-skills as a nursing assistant. Students may apply to the Nursing Program after completing the prerequisite courses and admission requirements.

Program Notes: Students must earn a grade of “C” or better in all courses within the program.

Admission Criteria
Application and acceptance into the program, high school graduate or GED, and current Health Care Provider CPR Card are required before beginning courses.

All students must submit a copy of a Fingerprint Clearance Card with their application for the Maricopa Community College District Nursing Program.

Required Courses: Credits: 6
+NUR158 Nurse Assisting

The Certificate of Completion (CCL) in Nursing Refresher program provides registered nurses with a review and update of nursing theory and practice. The Nursing Refresher program is approved by the Arizona State Board of Nursing. Successful program completion satisfies the Arizona State Board of Nursing RN license renewal requirement for applicants who do not meet the practice mandate as stated in The Nurse Practice Act, R4-19312 (B). Major Code: 5739 Total Credits: 10

Health Declaration
It is essential that Nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time and perform bending activities. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients’ lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application.

Admission Criteria
Formal application and admission to the program is required.
All applicants must have an active RN license or an inactive RN license that is eligible for renewal per Regulatory Board requirements.
A minimum of 1 year work experience as a registered nurse following licensure is required.
Applicants must have practices nursing no longer than 15 years ago.
Participation in a specialty track clinical experience requires at least 1 year prior RN work experience in the identified nursing specialty.
All applicants must be in good standing with the Regulatory Board. RN’s with restricted licenses are not eligible for the program. Once enrolled, students receiving any disciplinary actions against their license must notify the Nursing Program Chair within five (5) school days. The Nursing Program Chair reserves the right to restrict the student’s participation in clinical experiences and involvement in patient care until the license is valid and unrestricted.

Health and Safety Requirements for the Nursing Program:
1. Students must submit a Health and Safety Documentation Checklist verifying completion of all requirements and maintain current status throughout the program.
2. Students must submit the Health Declaration Form signed by a licensed health care provider.
3. Students must test negative on a timed urine drug screen.
4. Students must provide a copy of their current and valid Finger Print Clearance Card upon application.

Program Notes
Students must earn a grade of “C” or better for all courses required within the program.

The Nursing Program’s Core Values of Caring, Holism, Nursing Role Development, Critical Thinking, Safe Practice, and Information Management and Technology are integrated into the student learning outcomes/program competencies.

Nutrition Certificates/Degrees

- Associate in Applied Science in Sustainable Food Systems
- Certificate of Completion in Sustainable Food Systems
- Associate in Applied Science in Exercise Science and Personal Training
- Certificate of Completion in Nutrition for Fitness and Wellness

Program Director: Lori Zienkewicz
Contact: (480) 461-7379

The Associate in Applied Science (AAS) in Sustainable Food Systems is designed for a diverse student population, including those who are currently working within the food service industry and are interested in building upon their culinary skills in sustainable practices, as well as those with no culinary background. The program provides students with an overview of historical events that mark the Nation’s current food model, in addition to alternative methods for altering this model and creating more sustainable foods. Courses include concepts supporting the real food movement, which represents reeducating the individual and the community on the way food is purchased, brought to the table, and consumed. In addition, courses will cover basic nutrition, organic foods production, gardening concepts, food preparation laws and sanitation guidelines, basic principles, and preparation techniques for the cooking and baking process. The program also includes a Certificate of Completion (CCL) in Sustainable Food Systems. Major Code: 3127 Total Credits: 60-64

Admission Criteria
Formal application and admission into the Sustainable Food Systems program is required. Applications are available from a program advisor.

Program Prerequisites
ENG101 First-Year Composition (3) OR ENG107 First-Year Composition for ESL (3) 3

Term 1 Credits
AGS182 Gardening Practices and Techniques 2
FON104 Certification in Food Service Safety and Sanitation 1
RE Select from list below 9
SUS100 Introduction to Sustainability 3

Term 2 Credits
CRE101 College Critical Reading (3) OR
CRE111 Reading for Business and Industry (3) 3
BIO105 Environmental Biology (4) OR
CHM107 Chemistry and Society (3) 3-4
RE Select from list below 9

Term 3 Credits
COM100 Introduction to Human Communication (3) OR
COM110 Interpersonal Communication (3) 3
+ENG102 First-Year Composition (3) OR
+ENG108 First-Year Composition (3) OR
+ENG111 Technical Writing (3) 3
RE Select from list below 9

Term 4 Credits
+MAT102 Mathematical Concepts/Applications (3) OR Satisfactory completion of a higher level mathematics course 3

H&FA Any approved general education course in the Humanities and Fine Arts area 3
S&BS Any approved general education course in the Social and Behavioral Sciences area 3

Restricted Electives: Credits: 9-12
AGS260 Origin and Composition of Soils 4
CUL105 Principles and Skills for Professional Cooking 3
CUL113 Commercial Baking Techniques 3
FON100 Introductory Nutrition 3
FON135 Sustainable Cooking 3
FON143 Food and Culture 3
FON162 Organic Foods Production 3
FON163 Sustainable Restaurant Practices 3
FON165 Food Entrepreneurship 3
FON285 Food and Nutrition Studies Internship 3
PHI216 Environmental Ethics 3
SUS110 Sustainable World 3
SUS111 Sustainable Cities 3

The Certificate of Completion (CCL) in Sustainable Food Systems program is designed for students who want to learn about historical events that mark the nation’s current food model and take part in creating solutions to alter this model to produce a more sustainable food system worldwide. Course topics include concepts covering basic nutrition, organic foods production, gardening concepts, food safety and security, food entrepreneurship, careers in the field of food and nutrition, sustainable food preparation practices, and food preparation laws for small-scale food businesses. Students may also earn certification in a national food service safety and sanitation program. An Associate in Applied Science (AAS) degree in Sustainable Food Systems is also available. Major Code: 5158 Total Credits: 30-31

Admission Criteria
Formal application and admission into the Sustainable Food Systems program is required. Applications are available from a program advisor.

Program Prerequisites: Credits: 3
ENG101 First-Year Composition (3) OR ENG107 First-Year for ESL (3) 3

FON135 Sustainable Cooking 3
FON143 Food and Culture 3
FON163 Sustainable Restaurant Practices 3
FON165 Food Entrepreneurship 3
The Associate of Applied Science (AAS) in Exercise Science and Personal Training program is designed to prepare students with the knowledge and experience required to be eligible for the American College of Sports Medicine (ACSM) Health and Fitness Instructor Certification, ACSM personal trainer certification, the National Strength and Conditioning Association (NSCA) personal trainer certification, and the American Council on Exercise (ACE) personal trainer certification. This curriculum is designed to provide students with a stronger educational background making them more marketable in the field of fitness and nutrition. This degree may also meet the needs of individuals with existing degrees in such fields as Exercise Physiology, Nutrition, Athletic Training and other health-related disciplines. Registered dietitians, clinical exercise physiologists, personal trainers, exercise specialists, strength and conditioning specialists, coaches, athletes and others interested in acquiring knowledge in exercise, nutrition and health are also eligible for this program. Major Code: 3059 Total Credits: 64-72

- Associate in Applied Science in Veterinary Technology

Department Chairperson: Bob Bonura
Contact: (480) 461-7173
Program Director: Dr. Jill Sheport
Contact: (480) 461-7488

The Associate in Applied Science (AAS) in Veterinary Technology prepares students for careers in veterinary technology which require knowledge and skills involving basic medical sciences, animal care and management, veterinary medical care, and client communications and service. Veterinary technicians function as the paraprofessional assistants to veterinarians, biomedical researchers, other scientists, and animal control and humane organizations. Instruction includes practical clinical internship experience in veterinary emergency, large-animal, small-animal, and specialty practices, as well as in zoos, laboratories, humane societies, and other facilities. Major Code: 3015 Total Credits: 78

Admission Criteria:
- High school graduation or GED equivalency.
- Completion of program prerequisites.
- Formal application and admission to the Veterinary Technology/Animal Health program.

Program Prerequisites: Credits: 23-25

**MAT122** Intermediate Algebra (3)  3-5

Term 1  Credits
AGB139  Agribusiness Computer Operations  3
ANH222  Animal Anatomy and Physiology  3
ANH222LL  Animal Anatomy and Physiology Laboratory  1
**EQS105** Principles of Equine Science  3
**EQS298AA** Special Projects  1
**HCC145AA** Medical Terminology for Health Care Workers I  1

Term 2  Credits
**AGB132** Agribusiness Accounting and Office Management 3
**ANH212** Animal Science and Health Practices  2
**ANH205** Clinical Veterinary Anatomy and Physiology  3
**BIO205** Microbiology  4

Term 3  Credits
**ANH223AA** Animal Diseases  3
**ANH250AA** Veterinary Technician Internship  0.5
**COM100** Introduction to Human Communication (3) OR
**COM110** Interpersonal Communication (3)  3
**H&FA** Any approved general education course in the Humanities and Fine Arts area.  3

Term 4  Credits
**ANH200** Veterinary Clinical Pathology Methods  3
**ANH210** Animal Nursing  2
**ANH220** Animal Pharmacology  3
**ANH230** Veterinary Radiography and Imaging  3
**ANH250AB** Veterinary Technician Internship  0.5

Term 5  Credits
**ANH240** Veterinary Anesthesia, Surgery, and Emergency Nursing  3
**ANH250AC** Veterinary Technician Internship  0.5
**ANH250AD** Veterinary Technician Internship  0.5
**ECN100** Economics in American Society (3) OR
**ECN211** Macroeconomic Principles (3) OR
**ECN212** Microeconomic Principles (3)  3
**RE** Select from list below  3-4

Restricted Electives: Credits: 3-4

**ANS212** Livestock Production and Management  3
**ANS213** Animal Feeding  3
**BIO240** General Genetics  4
**BIO280** Animal Behavior  3
**EQS120** Equine Anatomy and Physiology  3
**EQS130** Equine Business and Law  3
**EQS140** Equine Behavior  3
**SBU200** Society and Business  3
Any combination of ANS296 and/or ANS298 courses to total 3-4 credits
ANS296++ Cooperative Education (any suffixed courses) AND
ANS298++ Special Projects (any suffixed courses) 3-4

Welding Certificates/Degrees

- Associate in Applied Science in Welding Technology
- Certificate of Completion in Welding

Department Chairperson: Bob Bonura
Contact: (480) 461-7173
Program Director: Rod Hammel
Contact: (480) 461-7131

The Associate in Applied Science (AAS) in Welding Technology prepares students to work in the field of oxyacetylene (gas) and electric (arc) processes. The program emphasizes knowledge and skill required to work with modern industrial welding equipment using advanced welding techniques including mig (metal inert gas) and tig (tungsten inert gas). Major Code: 3244 Total Credits: 62-69

Program Prerequisites: Credits: 3
GTC107 Technical Mathematics I (3) OR
Satisfactory score on Technical Mathematics placement test 3

### AAA - Advancing Academic Achievement

**AAA115** 1 Credit 1 Period
Creating College Success
Strategies to create success in college. Methods for selecting and developing effective academic strategies, increasing self-awareness and developing self-management strategies. Elements of college resources and relationships with others explored in support of students’ educational experience. Prerequisites: None.

**AAA150** 3 Credits 3 Periods
Strategies For College Success
Focus on increasing student success through college orientation and personal growth, study skills development, and educational and career planning. Prerequisites: None.

### ACC - Accounting

**ACC107** 4 Credits 5 Periods
Bookkeeping Theory And Practice
Fundamental accounting practices; application to retail stores, professional firms, and personal service operations. Prerequisites: None.

**ACC109** 3 Credits 3 Periods
Accounting Concepts
Introduction to accounting with emphasis on analysis and applications of financial information. Prerequisites: None. GBS151 and reading ability equivalent to RDG091 suggested but not required.

**ACC111** 3 Credits 3 Periods
Accounting Principles I
Fundamental theory of accounting principles and procedures. Prerequisites: None.

**ACC112** 3 Credits 3 Periods
Accounting Principles II
Continuation of the fundamental theory of accounting principles and procedures, including interpretation of general purpose financial statements. Prerequisites: ACC111 with a grade of C or better or permission of Department or Division.

**ACC115** 2 Credits 3 Periods
Computerized Accounting
Mastery of a microcomputer accounting system including the general ledger, accounts receivable, accounts payable and payroll. Prerequisites: ACC107 or ACC111 or ACC211 or ACC230, or permission of Instructor.

**ACC121** 3 Credits 3 Periods
Income Tax Preparation
Preparation of and practical experience in preparing individual federal income tax returns using computer software. Prerequisites: None.

**ACC211** 3 Credits 3 Periods
Financial Accounting
Introduction to theory and practice in the preparation and interpretation of general purpose financial statements. Prerequisites: None.

**ACC212** 3 Credits 3 Periods
Managerial Accounting
Development and analysis of accounting information for managerial planning and control. Prerequisites: A grade of :C: or better in (ACC111 and ACC112), or ACC211, and (CIS105 or permission of Department or Division).

**ACC230** 3 Credits 3 Periods
Uses Of Accounting Information I
Introduction to the uses of accounting information for internal and external purposes with emphasis on financial statement analysis. Prerequisites: Grade of “C” or better in ACC111 or ACC211, or a grade of “C” or better in (ENG101 and MAT151 and CRE101), or equivalent, or satisfactory score on District placement exam.

**ACC240** 3 Credits 3 Periods
Uses Of Accounting Information II
Introduction to the uses of accounting information for internal and external purposes with emphasis on analysis for use by management. Prerequisites: ACC230.

**ACC270AC** 3 Credits 3 Periods
Accounting Internship
Accounting work experience in a business or industry. Eighty hours of designated work per credit totaling 240 hours per semester. Maximum of 3 credits allowed. Prerequisites: Permission of Department or Division.

**ACC282** 1-3 Credits 1-3 Periods
Volunteerism Accounting: Service Learning Experience
Service learning field experience within private/public agencies, educational institution, and citizen volunteer groups. May be repeated for a total of six (6) ACC282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: ACC111 or (ACC230 and ACC250) and permission of Instructor.

**ACC298** 1-3 Credits See Page 292
Special Projects

### AFR - African American Studies

**AFR110** 3 Credits 3 Periods
Introduction to African-American Studies
Introduction to the study of the African-American experience. Interdisciplinary approach includes historical underpinnings; population and cultural characteristics; social, economic, and political issues; and implications for the future. Prerequisites: None.

**AFR202** 3 Credits 3 Periods
Ethnic Relations in the United States
Basic concepts and processes, including historic overview, of interethnich relations in the United States: culture, race, ethnicity, ethnocentrism, prejudice, discrimination, racism, assimilation, acculturation, and individual and group responses to interethnic contact. Cultural knowledge and intercultural communication skills and perspectives as fundamental tools for successful management of social relations in a multicultural world. Prerequisites: None.

### Prerequisites

- AGL181: None.
- AGL189: None.
- AGL182: None.
- AGL296: None.
- AGS164: None.
- AGS168: None.
- AGS182AA: None.
- AGS183: None.
- AGS186: None.
- AGS187: None.
AGS192  Urban Plant Care
Establishment, care and preservation of ornamental trees, shrubs, vines, and ground cover plants used in landscape for human well-being and pleasure. Prerequisites: None.

AGS260  Origin And Composition Of Soils
Derivation, classification, and evaluation of soils; emphasizing their chemical, physical and biological properties in relation to plant growth. Prerequisites: None.

AGS262  Irrigation Design, Installation, Operation, And Trouble Shooting
Design, installation, maintenance and trouble shooting of sprinklers, drip, and flood systems. Use of time clocks, pumps, filters, backflow devices, and other equipment to deliver water to the landscape. Types of water and their use in the landscape. Prerequisites: (AGS164 and AGL189) or permission of Instructor.

AGS282  Service-Learning Experience in Agriculture
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. AGS282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

AGS284  Lawn And Turf Care
Factors that affect the establishment and maintenance of turf grasses. Includes budgets, schedules and selection of equipment. Prerequisites: None.

AGS285  Propagation of Horticultural Plants
Principles and processes of propagation of crops using seed, budding, grafting, and cuttings in greenhouse structures and open ground. Prerequisites: None.

AGS290  Internship
Supervised field training for Urban Horticulture students with local industry businesses. Prerequisites: Student shall be in final semester before graduation and permission of Department or Division.

AGS296  Cooperative Education
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completed at least 12 credits, min 2.6 GPA and able to obtain a position related to student’s academic/career goals or permission of Instructor. Corequisites: Enrolled in at least 1 class related to major/career interest or permission of Instructor.

AGS298  Special Projects
1-3 Credits See Page 292

AHU – Arabic Humanities

AHU245  Arabic Culture and Islam
A survey of Arab heritage in the Arab world (Middle East). Cultural and social institutions and their contribution to the development of the region and its heritage. Prerequisites: None.

AIS - American Indian Studies

AIS101  Survey of American Indian Issues
Introduction to critical issues related to American Indian peoples. Examines cultural, political, economic, educational, social, and environmental issues. Focuses on contemporary issues and factors influencing American Indian communities. Prerequisites: None.

AIS105  Introduction to American Indian Studies
Introduction to political, economic, and social structures of American Indian Nations. Provides overview of American Indian tribal cultures prior to contact, the impact of European contact, and the influence of western social systems on tribal nations. Prerequisites: None.

AIS110  Navajo Government
Addresses and examines major historical developments of the Navajo People with a focus on government, law, society, livelihood, tradition, and culture. Includes the major components and operation of Navajo government and related tribal laws, such as Title II and Title VII of the Navajo Nation Code, as well as the significance of the Treaty of 1868. Federal Indian policies and their impact on Navajo society and government, the importance of federal and tribal citizenship and related federal and tribal laws, and the role of the Navajo clanship system and other relevant cultural concepts addressed. Prerequisites: None.

AIS141  Sovereign Indian Nations
Explores the sovereign status of American Indians as it relates to social relationships, traditions, and culture of American Indians. Reviews historic relations with non-Indian societies, the development of federal Indian law, tribal governments and their functions. Examines treaty rights, environmental issues, public policy, economic development, other current issues, and contemporary social problems. Prerequisites: None.

AIS170  American Indian History of the Southwest
Covers history of Indian peoples in the southwestern United States from pre-Columbian era to the present. Includes historical events, the development and implementation of Spanish-Mexican and United States’ policies and their impact on Indian peoples in these areas, and current issues of importance to Indian peoples. Prerequisites: None.
AJS213 3 Credits 3 Periods
American Indian Religions
An examination of the historical and cultural background of diverse
lifeways and worldviews belonging to the peoples indigenous to
the North American continent over time, including a study of
modern day American Indian beliefs and practices. Prerequisites:
ENG101 or ENG107 or equivalent.

AJS - Administration of
Justice

AJS101 3 Credits 3 Periods
Introduction To Criminal Justice
An introduction to crime and society's responses to it. Examines
the nature and causes of crime, the criminal law, constitutional
safeguards, and the organization and operation of the criminal
justice system including the police, courts, jails, prisons, probation
and parole departments, and community corrections agencies.
Covers the history of the criminal justice system, terminology and
career opportunities. Prerequisites: None.

AJS107 3 Credits 3 Periods
Patrol Procedures
Specialized areas of the patrol function, including responding to
crowds, riots, bomb threats, intoxication, hazardous materials,
fires, and domestic disputes. Partially fulfills Arizona POST (Peace
Officer Standards and Training) requirements for proficiency skills
academy attendance. Prerequisites: None.

AJS109 3 Credits 3 Periods
Substantive Criminal Law
Covers philosophy of legal sanctions and historical development
from the common law to modern American criminal law,
classifications of crimes, elements of and parties to crimes, general
definition of crimes, common defenses utilized. Includes specific
offenses and the essential elements of each offense. Required in
AJS curriculum. Prerequisites: None.

AJS112 3 Credits 3 Periods
Wellness for Law Enforcement Officers
The value of physical fitness in law enforcement and the basic
elements of strength training, aerobic conditioning, flexibility,
nutrition, and back injury prevention. Prerequisites: None.

AJS113 3 Credits 3 Periods
Criminal Justice Crime Control Policies and Practices
Focus on changing the distribution of crime opportunities rather
than offender motivation. Topics include application of situational
crime prevention strategies, problem-oriented crime control
approaches, hot spots policing, defensible space, and crime
prevention through defensible space. Prerequisites: None

AJS119 3 Credits 4 Periods
Computer Applications In Justice Studies
Provides literacy in microcomputer applications in major areas
of the criminal justice system. Examines availability and uses
of current software packages in criminal justice work. Provides
hands-on experience with appropriate integrated software
packages pertaining to justice studies. Prerequisites: None.

AJS123 3 Credits 3 Periods
Ethics And The Administration Of Justice
Introduces and explores ethical issues and the justice system.
Focuses on ethics and the law, the police, courts and corrections.
Reviews ethical theory, concepts and practices as they relate
to administration of justice. Encourages critical thinking and
value decision making in criminal justice system situations.
Prerequisites: None.

AJS151 1 Credit 1 Period
Firearms I
Moral aspects, legal provisions, safety precautions and restrictions
covering the use of firearms, and the firing of sidesarms and
shotguns. Prerequisites: None.

AJS152 3 Credits 3 Periods
First Aid
Methods for providing emergency medical care to victims of
accidents or illness and related safeguards. Includes legal and civil
issues, basic functions and major organs of the human body, injury
management, resuscitation, movement and extrication of victims.
Prerequisites: None.

AJS153 1 Credit 1 Period
Firearms II/Handguns
Advanced familiarization with handguns. Variations of basic
shooting stance. Legal and moral repercussions of self-defense.
Includes range practice. Prerequisites: AJS151 or permission of
Instructor.

AJS162 3 Credits 3 Periods
Domestic Violence
Explores domestic violence as a social problem within the
United States from historical, cultural, political, legal, and law
enforcement perspectives. Provides an overview of theories,
definitions and causes of, and interventions for domestic violence
involving spousal, elder and child abuse along with teen dating
violence. Examines the dynamics and effects of domestic violence.
Addresses research issues and contemporary domestic violence
policy. Prerequisites: None.

AJS192 3 Credits 3 Periods
Serial Killers And Mass Murderers
The study of serial killers, mass murderers and their victims.
Examines the history and frequency of these crimes, profiles
the killers and their victims, explores theories of causation,
and discusses the problems and techniques of investigation,
prosecution, punishment, and prevention. Prerequisites: None.

AJS198AB 1 Credit 1 Period
Special Topics in the Administration of Justice
Explores special topics related to the administration of justice with
an emphasis on current issues. Prerequisites: None.

AJS200 3 Credits 3 Periods
Current Issues In Criminal Justice
Examines current issues, techniques and trends in the Criminal
Justice System. Prerequisites: None.

AJS201 3 Credits 3 Periods
Rules Of Evidence
A practical insight into the rules of evidence to include how to
recognize evidence: the general rules governing admissibility
of evidence; the “bearsay” rule and its exceptions; the use of documentary evidence, written memoranda, photographs, and recordings; corpus delicti; opinion evidence, circumstantial evidence, evidential privileges. Required in AJS curriculum. Prerequisites: None.

AJS205 3 Credits 3 Periods
Criminal Justice Report Writing
Characteristics of reports and field notes, and the importance and uses of each. Form, style, and procedures for writing various reports, including elements of composition, required substance, proper and improper conclusions, and descriptions of persons and property. Prerequisites: None.

AJS212 3 Credits 3 Periods
Juvenile Justice Procedures
Examines the history and development of juvenile justice theories, procedures, and institutions. Prerequisites: None.

AJS215 3 Credits 3 Periods
Criminalistics: Physical Evidence
The scientific analysis and examination of physical evidence with emphasis on scientific investigation, recognition, collection, and preservation of evidence. Topics include fingerprints, shoe prints, tool marks, firearms identification, paint chips and arson. Prerequisites: None.

AJS216 3 Credits 3 Periods
Criminalistics: Biological Evidence
The scientific analysis and examination of biological evidence with emphasis on collection and preservation of evidence. Topics discussed include blood, drugs, blood alcohol, hairs and fibers, and topics of special interest in criminalistics. Prerequisites: None.

AJS220 3 Credits 3 Periods
Organized Crime
Examines the history, structure and activities of organized crime groups. Reviews theories explaining the existence of organized crime and enforcement strategies used to combat it. Prerequisites: None.

AJS225 3 Credits 3 Periods
Criminology
Study of deviance, society’s role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders. Required in the AJS curriculum. Prerequisites: None.

AJS230 3 Credits 3 Periods
The Police Function
Theories of procedures and methods of operations of public police with emphasis on discretionary powers available to the working police officer. Career opportunities and current trends in law enforcement presented. Prerequisites: None.

AJS240 3 Credits 3 Periods
The Correction Function
Examines the history and development of correctional theories and institutions. Prerequisites: None.

AJS241 3 Credits 3 Periods
Police Photography
Emphasis on proper procedure for photographing crime scenes, accident scenes, and laboratory specimens. Discussion of photographic techniques, equipment, lighting techniques, aerial photography, video and motion pictures, macro and micro photography, filters, and preparation for court presentation using selected simulations. Prerequisites: None.

AJS258 3 Credits 3 Periods
Vimotology and Crisis Management
Focuses on victimology and techniques of crises intervention, and the importance of multicultural perspective. Includes coverage of sexual assault, family violence, child abuse, post-traumatic stress disorder, substance abuse, coping skills, stress management, and community resources. Prerequisites: None.

AJS260 3 Credits 3 Periods
Procedural Criminal Law
Concerned with the understanding of procedural criminal law. Examines the rationale underlying major court holdings, the procedural requirements that stem from these holdings, and their effect on the daily operations of the criminal justice system. Prerequisites: None.

AJS241 3 Credits 3 Periods
Police Photography
Supervised field training for preservice administration of justice students. Maximum of three (3) credit hours allowed in program. Prerequisites: Student sponsored by governmental enforcement agency and permission of Department or Division.

AJS270 3 Credits 3 Periods
Community Relations
Examination, recognition and understanding of community problems; community action programs; methods of coping with human behavior, victimology, conflict and communication; ethnic and minority cultures and environments; the community and relationships with the criminal justice system. Prerequisites: None.

AJS275 3 Credits 3 Periods
Criminal Investigation I
Introduction to the theory of criminal investigation. Examines crime scene procedures, case preparation, interviewing, and basic investigative techniques. Prerequisites: None.

AJS282 1-3 Credits 1-3 Periods
Service-Learning Experience in Administration of Justice Studies
Unpaid Service-Learning (SL) experience, completed with approved community partner. May be repeated for a total of six (6) AJS282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

AJS290AI 1 Credit 1 Period
Theories Of Criminal Behavior
Theories of human behavior and crime. Biological, sociological, and psychological approaches to the theories of criminal behavior. Prerequisites: None.

AJS290AU 1 Credit 1 Period
Child Abuse Investigation
Definition and investigation of the causes and effects of child abuse. Prerequisites: None.
ANH200 Veterinary Clinical Pathology Methods
Fundamental studies of laboratory techniques and procedures involved in evaluating veterinary clinical samples. Includes hematology, urinalysis, hemostasis, blood biochemistry and enzymology, serology, cytology, and parasitology. The veterinary technician’s role in sample collection, sample storage and handling, and performance of analytic procedures. Use of laboratory equipment, laboratory safety and management, and quality control. Prerequisites: (ANS223, BIO205, and admission to the Veterinary Technician/Animal Health program) or permission of Instructor.

ANH205 Clinical Veterinary Anatomy And Physiology
Focuses on unique anatomic structures and physiological processes which are clinically important in veterinary medicine. Anatomical and physiological bases of clinic procedures, animal disease processes, and veterinary treatments. Intended for Veterinary Technology/Animal Health program students. Prerequisites: ANS222 and ANS222LL.

ANH210 Animal Nursing
Instruction in and hands-on application of techniques of veterinary nursing care, patient assessment, equipment operation, diagnostic sample collection, and medical treatment. Physical examination, clinical nutrition, and reproductive management of the dog and cat. Operation of E.C.G. and anesthetic machine. Fluid therapy, wound therapy, and bandaging. Surgical instruments and packs. Common diagnostic and therapeutic procedures on animals. Prerequisites: (ANS112, ANH205, and admission to the Veterinary Technology/Animal Health program) or permission of Instructor.

ANH220 Animal Pharmacology
Actions and uses of pharmacological agents used in veterinary medicine; drug classifications, modes of action, indications and contraindications, routes of administration, and mechanisms of elimination. Dispensing and pharmacy management, and laws regulating controlled substances. Solving medical math problems and calculating drug doses. Prerequisites: ANS110, ANS213, ANS222, ANS223 and admission to the Veterinary Technician/Animal Health program.

ANH230 Veterinary Radiography And Imaging
Veterinary and radiographic terminology; radiation and electrical protection; technical principles; radiographic equipment operations; fundamentals of latent and visible image formation, X-ray film characteristics, intensifying screens and film holders; theory and application of darkroom chemistry and processing; use and maintenance of veterinary X-ray processing equipment, and radiographic duties of the Veterinary Technician. Lab allows for practical application of theories and radiographic positioning as taught in lecture. Prerequisites: (ANS112, ANS222, ANS222LL, and admission to the Veterinary Technician/Animal Health program) or permission of Instructor.

ANH240 Veterinary Anesthesia, Surgery, And Emergency Nursing
Veterinary surgical nursing skills associated with aseptic technique and proper protocol in the surgery suite. Pre- and post-op monitoring, record keeping, and client education skills. Procedures and techniques with intravenous and inhalation anesthetics, surgical asepsis, skin preparation, instrument sterilization techniques and monitoring veterinary patients for vital signs. Prerequisites: ANS112, ANH210, ANH220, and admission to the Veterinary Technician/Animal Health program.

ANH250AA Veterinary Technician Internship
Provides Veterinary Technology program students with off-campus clinical experience in a small animal general veterinary practice. Opportunity for practical application and development of knowledge, skills, and abilities acquired in program coursework. Exposure to practice philosophies, methodologies, and real-life situations requiring critical thinking and decision-making abilities. Includes instruction and evaluation by veterinarians or veterinary technicians guided by the American Veterinary Medical Association’s Veterinary Technology Student Essential and Recommended Skills list. Prerequisites: AGB132, ANH205, ANS112, and admission to the Veterinary Technology/Animal Health program.

ANH250AB Veterinary Technician Internship
Provides Veterinary Technology program students with off-campus clinical experience in a large animal general veterinary practice. Opportunity for practical application and development of
knowledge, skills, and abilities acquired in program coursework. Exposure to practice philosophies, methodologies, and real-life situations requiring critical thinking and decision-making abilities. Includes instruction and evaluation by veterinarians or veterinary technicians guided by the American Veterinary Medical Association’s Veterinary Technology Student Essential and Recommended Skills list. Prerequisites: ANH250AA.

**ANH250AC**  
0.5 Credit 0.5 Period  
**Veterinary Technician Internship**  
Provides Veterinary Technology program students with off-campus clinical experience in an emergency veterinary clinic and in a veterinary specialty practice. The internship hours will be split equally between the emergency clinic and the specialty practice. Specialty practices may include surgery, ophthalmology, internal medicine, dentistry, dermatology, radiology, exotics, zoo, research, and others. Opportunity for practical application and development of knowledge, skills, and abilities acquired in program coursework. Exposure to practice philosophies, methodologies, and real-life situations requiring critical thinking and decision-making abilities. Includes instruction and evaluation by veterinarians or veterinary technicians guided by the American Veterinary Medical Association’s Veterinary Technology Student Essential and Recommended Skills list. Prerequisites: ANH250AB.

**ANH250AD**  
0.5 Credit 0.5 Period  
**Veterinary Technician Internship**  
Continuing practical application and mastery of knowledge, skills, and abilities in the selected clinical setting. Exposure to practice philosophies, methodologies, and real-life situations requiring critical thinking and decision-making abilities. Includes instruction and evaluation by veterinarians or veterinary technicians guided by the American Veterinary Medical Association’s Veterinary Technology Student Essential and Recommended Skills list. ANH250AD allows the last-semester Veterinary Technology Program student to elect to repeat the off-campus clinical experience of either ANH250AA, ANH250AB, or ANH250AC, depending upon their career interest. Prerequisites: ANH250AC.

## ANS - Animal Science

### ANS110  
**Introduction To Animal Science**  
Survey of the total animal industry, including the basis for genetic improvement, principles of nutrition and reproduction, and scientific analysis of meat, milk, and egg production. Study of local agricultural production businesses. Prerequisites: None.

**ANS110AA**  
3 Credits 2 Periods  
**Introduction To Animal Science**  
Survey of the total animal industry, including the basis for genetic improvement, principles of nutrition and reproduction, and scientific analysis of meat, milk, and egg production. Study of local agricultural production businesses. Prerequisites: None.

**ANS112**  
2 Credits 2 Periods  
**Animal Science And Health Practices**  

**ANS212**  
3 Credits 3 Periods  
**Livestock Production and Management**  
Production and management of beef cattle, dairy cattle, sheep, swine, stock horses, goats, and poultry. Evaluation of livestock for agricultural purposes. Housing and care requirements of common livestock. Prerequisites: or Corequisites: ANS110 or permission of Instructor.

**ANS222**  
3 Credits 3 Periods  
**Animal Anatomy And Physiology**  
Comparative evaluation of the anatomy and physiological functions of various body systems of livestock, companion animals, and laboratory animals. BIO100 or one year of high school biology with a grade of “C” or better is highly recommended. Prerequisites: ANS110. Corequisites: ANS222LL.

**ANS222LL**  
1 Credit 3 Periods  
**Animal Anatomy And Physiology Laboratory**  
Laboratory experience in support of ANS222. Includes dissection of preserved animal specimens. Prerequisites: None. Corequisites: ANS222.

**ANS223AA**  
3 Credits 5 Periods  
**Animal Diseases**  
Study of common infectious, parasitic, metabolic, immunologic, and degenerative diseases of domestic animals. Infectious disease transmission, mechanisms of disease, the host-parasite relationship, and host responses to disease agents. Clinical signs and management of common diseases. Life cycles of common parasites. Principles of disease prevention, environmental management, vaccination, and zoonosis. Diagnostic techniques including gross and microscopic identification of common animal pathogens. Prerequisites: ANS222 and (BIO100 or one year of high school biology with a grade of “C” or better).

**ANS296**  
1-3 Credits 5-15 Periods  
**Cooperative Education**  
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completed at least 12 credits, min 2.6 GPA and able to obtain a position related to student’s academic/career goals or permission of Instructor. Corequisites: Enrolled in at least 1 class related to major/career interest or permission of Instructor.

**ANS298**  
1-3 Credits See Page 292  
**Special Projects**
**APT - Automotive Performance Technology**

- **APT101**  
  **Automotive Service Operations**  
  Basic principles of working in an automotive service area. Management-employee relations, resume writing, interviewing, shop practices, flat-rate system, equipment care, and tools. Prerequisites: None.

- **APT111**  
  **Internal Combustion Engines Theory**  
  Study of construction and operating principles of internal combustion engines and related lubrication, cooling, fuel, and electrical systems. Prerequisites: None.

- **APT121AA**  
  **Auto Transmission (General Motors)**  
  The fundamentals and principles of automatic transmissions presently in use by General Motors Corporation automobiles. Diagnosis, service, and reconditioning procedures necessary to maintain these units. Prerequisites: None.

- **APT131**  
  **Automotive Power Trains**  
  Designed for beginning automotive students. Operation, diagnosis, service, and repair of the automotive power train. Includes clutches, torque converters, standard and automatic transmissions and transaxles, front and rear drive axles, drive shafts, differentials and transfer case. Prerequisites: None.

- **APT141**  
  **Alignment, Steering, And Suspension**  
  Designed for beginning automotive students. Fundamental principles of steering and suspension systems. Includes two-wheel and four-wheel alignment procedures. Emphasis on diagnosis, testing, service, and rebuilding. Prerequisites: None.

- **APT151**  
  **Automotive Brake Systems**  
  Designed for beginning automotive students. Fundamentals of drum, disc, and ABS brakes. Includes training in diagnosis, testing, service, and repair. Prerequisites: None.

- **APT161**  
  **Auto Electrical/Electronic Systems I**  
  Designed for beginning automotive students. The principle of electricity; the mathematical computations involved with Ohm’s Law; the use of meters; electrical schematics; the theory of electrical components as they relate to automobiles; the diagnosis, testing, service and repair of batteries, starting systems and charging systems, lighting systems and instrumentation. Prerequisites: None.

- **APT171**  
  **Automotive Air Conditioning**  
  Designed for beginning automotive students. Theory and principles of ventilation, heating, automotive refrigeration, vacuum-electric controls, and automatic temperature control systems. Includes training in diagnosis, testing, service and repair. Prerequisites: None.

- **APT181**  
  **Engine Performance And Diagnosis I**  
  Designed for beginning automotive students. Engine construction and operating principles, including lubrication, cooling, induction, exhaust, fuel, emission and ignition systems. Includes training in diagnosis, testing, service, and repair. Prerequisites: None.

- **APT262**  
  **Auto Electrical/Electronic Systems II**  
  Designed for experienced students. Electrical accessory circuits including horns, wipers, defoggers, automatic door locks, power mirrors, power windows and power seats. Also introduction to body computers, advanced lighting circuits and instrumentation, and chassis electronic control systems. Includes training in diagnosis, testing, service, and repair. Prerequisites: APT161 or permission of Instructor.

- **APT282**  
  **Engine Performance and Diagnosis II**  
  Designed for the experienced engine performance student. Training in fuel systems, emission systems, distributorless ignition systems, turbocharging, computerized engine controls and engine driveability. Includes training in diagnosis, testing, service and repair. Prerequisites: APT181 or permission of Instructor.

**ARB - Arabic**

- **ARB101**  
  **Elementary Arabic I**  
  Introduction to the basic alphabet, grammar, pronunciation and vocabulary of the Arabic language. Listening, speaking, reading and writing skills. Prerequisites: None.

- **ARB102**  
  **Elementary Arabic II**  
  A continuation of ARB101. Continued study of grammar and vocabulary of the Arabic language. Listening, speaking, reading and writing skills. Prerequisites: None.

**ARC - Architecture**

- **ARC100**  
  **Introduction To Environmental Design**  
  A survey of design through historical evaluation of built environments and works of well-known architects. Principles, concepts, and skills associated with designs of actual and imagined ideas and things. Emphasis on social, technical, environmental, and theoretical forces that impact design. Prerequisites: None.

- **ARC120**  
  **Design Fundamentals I**  
  An introduction to architectural drawing and graphic representation methods. Using architectural drawings and graphic representations as visualization, and problem-solving methods. Emphasis on visual communication, and the application and development of the visual design via process as well as product. Prerequisites: None.

</thead>
<tbody>
<tr>
<td>ARC140</td>
<td>3</td>
<td>6</td>
<td>Rendering And Portfolio Development Two-dimensional and three-dimensional drawings and rendering methods, including freehand and/or use of drawing tools for presentation of ideas. Techniques for use of pencil, ink, and colors. Professional formatting of portfolios. Prerequisites: None.</td>
</tr>
<tr>
<td>ARC161</td>
<td>3</td>
<td>6</td>
<td>Residential Architectural Drafting Basics of residential drafting and documentation topics and techniques. Includes preliminary planning and preparation for residential documentation; use of the local building codes and standards; reflected ceiling plan, roof plan, building sections, framing plan, and exterior elevations. Prerequisites: CNS130, or permission of Department or Division.</td>
</tr>
<tr>
<td>ARC162</td>
<td>3</td>
<td>6</td>
<td>Advanced Residential Architectural Drafting Advanced residential drafting and documentation topics and techniques. Includes site orientation, layout and legal description; window and door schedules; interior elevation of kitchen and bathrooms; advanced instruction on framing and structural detail methods; foundation systems, support and layout; and other needed residential details and layouts. Prerequisites: CNS130 and ARC161, or permission of Department or Division.</td>
</tr>
<tr>
<td>ARC163</td>
<td>3</td>
<td>6</td>
<td>Commercial Architectural Drafting Fundamental commercial drafting and documentation topics and techniques. Includes preliminary planning and preparation for commercial documentation; use of the local building codes and standards; building methods and materials of commercial structures; complete drawing and annotation of a floor plan, reflected ceiling plan, roof plan, building sections, and exterior elevations. Prerequisites: CNS130, or permission of Department or Division.</td>
</tr>
<tr>
<td>ARC164</td>
<td>3</td>
<td>6</td>
<td>Advanced Commercial Architectural Drafting Further development of advanced commercial drafting and documentation topics and techniques. Covers commercial building materials and methods, specifications, land drawings, foundation plans, interior elevations, and more details specific to commercial buildings. Prerequisites: (CNS130 and ARC163) or permission of Department or Division.</td>
</tr>
<tr>
<td>ARC165</td>
<td>3</td>
<td>6</td>
<td>Introduction To Architecture Professional Practice And Ethics Professional, legal, and ethical issues in architecture practice and services. Includes marketing issues, communications, standards, insurance and bonds, agreements, contracts and contractors, standard American Institute of Architecture (AIA) forms and conditions, selection of contractors, and bidding procedures. Prerequisites: None.</td>
</tr>
<tr>
<td>ARC225</td>
<td>3</td>

<td>3</td>
<td>6</td>
<td>Digital Storytelling&lt;br&gt;Enables students to find and develop their personal stories. Emphasis on the use of digital technology to create, edit, produce and archive a digital story. Prerequisites: None.</td>
</tr>
<tr>
<td>ART161</td>
<td>3</td>
<td>6</td>
<td>Ceramics I&lt;br&gt;Introduction to ceramic materials and techniques of hand construction, decorating, glazing and throwing on potters’ wheel. Prerequisites: None.</td>
</tr>
</tbody>
</table>
ART162 Ceramics II 3 Credits 6 Periods
Major emphasis on wheel-throwing, glaze making and decorating techniques. Prerequisites: ART161.

ART165 Watercolor Painting I 3 Credits 6 Periods
Transparent and Gouache watercolor painting. Prerequisites: (ART111 and ADA/ART112), or permission of Instructor.

ART166 Watercolor Painting II 3 Credits 6 Periods
Painting in water-soluble media. Emphasis on individual techniques and design. Prerequisites: ART165.

ART167 Painting I 3 Credits 6 Periods
Exploration of technical and expressive possibilities of various painting media in easel painting. Prerequisites: (ART111 and ADA/ART112), or permission of Instructor.

ART168 Painting II 3 Credits 6 Periods
Continued refinement of painting skills and investigation of new possibilities in painting. Prerequisites: ART167 or permission of Instructor.

ART169 Two-Dimensional Computer Design 3 Credits 6 Periods
Generation of electronic two-dimensional images and traditional methods of visual problem solving. Understanding of computer techniques and art presentation methods. Prerequisites or Corequisites: ART100 or permission of Instructor.

ART177 Computer-Photographic Imaging 3 Credits 6 Periods
Introduction to the multiple elements of microcomputer-photographic imaging. Basic foundation in the use of the photographic manipulation of images using software programs. Special attention to aesthetic foundations underlying photographic composition. Prerequisites or Corequisites: ART100 or permission of Instructor.

ART183 Computer Aided Graphic Arts I 3 Credits 6 Periods
Graphic design use in microcomputer; black and white graphics, standard and color brushes, lines, shapes, area fills and fonts. Application to illustration, advertising graphics, typography, and video interaction. Prerequisites or Corequisites: ART100 or permission of Instructor.

ART190 Art of Web Site Design 3 Credits 6 Periods
Introduction to design production for websites. Layout, typography and presentation style for HTML (Hyper Text Markup Language). Design of mock-ups using digital design software to produce artistic form and content for the Web using Hyper Text Markup Language (HTML), digital text, and graphics. Discussion of color, proportion, typography and Web-specific design principles. Emphasizes design of cross-browser compatible interfaces that optimize usability, accessibility and browser interoperability. Prerequisites: ART100, or permission of Instructor. CIS133DA recommended.

ART192 Advanced Web Presentation Design 3 Credits 6 Periods
Advanced interactive application and training for Web designers and graphic artists using Quark, Illustrator, Photoshop, HTML, Flash, Dreamweaver and Digital Video site optimization techniques. Development of design concepts for web pages that communicate and deliver Web content creatively. Prerequisites: ART190 MMT190 or permission of instructor. ART180AM and ART180AN suggested but not required.

ART200 Animation and Interactivity 3 Credits 6 Periods
Animation and object-oriented programming concepts and techniques using industry standard authoring tools applied by the creative industry to animation productions, and interactive media. Introduction to animation and object-oriented programming concepts and techniques using industry standard authorizing tools. Includes tools used by the creative industry for animation productions and interactive media. Prerequisites: ART100 or permission of Instructor.

ART202 Digital Arts Survey 3 Credits 6 Periods
Designed for broad overview of the digital arts. Experience in digital based media, creative problem solving, design and aesthetics. Prerequisites: ART100 or permission of Instructor.

ART203 Aesthetics of Web Design 3 Credits 6 Periods
Develop portfolio-level web design projects. Emphasis on advanced elements and principles of design. Continued development of aesthetic awareness and personal expression. Evaluation of aesthetic principles throughout semester. Prerequisites: ART/MMT190 or permission of Instructor.

ART211 Drawing and Composition III 3 Credits 6 Periods
Advanced development of drawing skill with emphasis on compositional theory. Prerequisites: ART122 or permission of Instructor.

ART216 Life Drawing III 3 Credits 6 Periods
Advanced creative study from model in various painting and drawing media. Prerequisites: ART117 or permission of Instructor.

ART217 Life Drawing IV 3 Credits 6 Periods
Further development of skills in expressive drawing materials and techniques as applied to finished drawings of the human form. Prerequisites: ART216 or permission of Instructor.

ART222 Drawing and Composition IV 3 Credits 6 Periods
Further study of drawing techniques with emphasis on individual problems and techniques. Prerequisites: ART211 or permission of Instructor.

ART234 Color Photography I 3 Credits 6 Periods
Basic principles of color theory, camera and input and output techniques using slide film or digital photography. Film or digital camera is required. Prerequisites: ART131 or ART142 or permission of Instructor.
### ART255 3 Credits 3 Periods
**Art Marketing**
Career goals, presentation of artist and art work (portfolio, resume, business cards, catalog), pricing and selling works, networking, establishing a studio, promotion and publicity, writing press releases, proposal writing, business ethics, artist rights, copyright law, contracts and agreements, royalties, record keeping, and communication skills. Prerequisites: None.

### ART261 3 Credits 6 Periods
**Ceramics III**
Emphasis on wheel throwing skill and individual style development. Prerequisites: ART162.

### ART262 3 Credits 6 Periods
**Ceramics IV**
Experimental work in clays and glazes. Prerequisites: ART261.

### ART265 3 Credits 6 Periods
**Watercolor Painting III**
Continuation of watercolor painting with emphasis on control and expression. Prerequisites: ART166.

### ART266 3 Credits 6 Periods
**Watercolor Painting IV**
Advanced problems directed toward more personal expression. Prerequisites: ART265.

### ART267 3 Credits 6 Periods
**Painting III**
Development of materials and techniques of painting. Individual problem-solving. Prerequisites: ART168 or permission of Instructor.

### ART268 3 Credits 6 Periods
**Painting IV**
Advanced problems in painting. Study with greater emphasis on personal expression. Prerequisites: ART267 or permission of Instructor.

### ART270 3 Credits 6 Periods
**Intermediate Computer Photographic Imaging**
Intermediate microcomputer-based photographic imaging techniques. Refinement of aesthetic awareness and personal expression. Prerequisites: ADA/ART177 or (ADA/ART177AA and ADA/ART177AB).

### ART274 3 Credits 6 Periods
**Advanced Computer Photographic Imaging**
Advanced microcomputer-based photographic imaging techniques. Advanced manipulation techniques of photographic images. Continued development of aesthetic awareness and personal expression. Prerequisites: ART270.

### ART283 3 Credits 6 Periods
**Computer Aided Graphic Arts II**
Advanced skill development of graphic design through use of microcomputer. Emphasis on computer design and techniques for producing all types of camera-ready advertising art for printed matter and package design. Includes illustration, typography, photo imaging, and color separation. Prerequisites: ADA183 or ART183 or permission of Instructor.

### ART289 3 Credits 6 Periods
**Computer Illustration**
Introduction to the multiple elements of commercial illustration using the microcomputer. Basic foundation in the use of computer techniques including color paint and draw programs for the production of commercial illustrations for publications and printed matter. Use of and output devices. Prerequisites or Corequisites: ART100 or permission of Instructor.

### ART290 1-3 Credits 2-6 Periods
**Studio Art**
Studio course for art majors allowing continuation in a subject field. ART290 may be repeated for credit. Prerequisites: Permission of Instructor.

### ART292 1-3 Credits 1-3 Periods
**Service-Learning Experience in Art**
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. ART292 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

### ART295BC 3 Credits 6 Periods
**Art Workshop/Seminar: Sculpture**
Advanced level workshop seminar in art disciplines. Prerequisites: Minimum of three (3) credits introductory and three (3) credits intermediate level courses in specific field or permission of Department or Division chair.

### ART295DA 1 Credit 2 Periods
**Art Workshop/Seminar: Photography**
Advanced level workshop seminar in art disciplines. Prerequisites: Minimum of three (3) credits introductory and three (3) credits intermediate level courses in specific field or permission of Department or Division chair.

### ART295GB 2 Credits 4 Periods
**Art Workshop/Seminar: Ceramics**
Advanced level workshop seminar in art disciplines. Prerequisites: Minimum of three (3) credits introductory and three (3) credits intermediate level courses in specific field or permission of Department or Division chair.

### ART297 1-3 Credits 1-3 Periods
**Computer Graphic Design Internship**
Computer graphic design work experience in a business or industry. 80 hours of designated work per credit. Maximum of 3 credits allowed. Prerequisites: Permission of Department or Division.

### ASB - Anthropology: Social/Behavioral Science

#### ASB100 3 Credits 3 Periods
**Introduction to Global Health**
The study of human health patterns at an international and local scale. Focus on pressing global health challenges that the world faces today are examined from a broad social, ecological, and cultural context. Prerequisites: None.
### COURSE DESCRIPTIONS

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Credits</th>
<th>Periods</th>
<th>Prerequisites</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>ASB102</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Introduction to Cultural and Social Anthropology</td>
<td></td>
<td></td>
<td>Principles of cultural and social anthropology, with illustrative materials from a variety of cultures. The nature of culture; social, political, and economic systems; religion, aesthetics and language.</td>
</tr>
<tr>
<td><strong>ASB202</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Ethnic Relations in the United States</td>
<td></td>
<td></td>
<td>Basic concepts and processes, including historic overview, of interethnic relations in the United States: culture, race, ethnicity, ethnocentrism, prejudice, discrimination, racism, assimilation, acculturation, and individual and group responses to interethnic contact. Cultural knowledge and intercultural communication skills and perspectives as fundamental tools for successful management of social relations in a multicultural world.</td>
</tr>
<tr>
<td><strong>ASB211</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Women in Other Cultures</td>
<td></td>
<td></td>
<td>Cross-cultural analysis of the economic, social, political, and religious factors that affect women’s status in traditional and modern societies.</td>
</tr>
<tr>
<td><strong>ASB214</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Magic, Witchcraft and Healing: An Introduction to Comparative Religion</td>
<td></td>
<td></td>
<td>Origins, elements, and forms of religion; a comparative survey of religious beliefs, myths, rituals and symbolism including magic, witchcraft and healing as practiced in selected regions of the world; the place of religion in the total culture.</td>
</tr>
<tr>
<td><strong>ASB220</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Anthropology Goes to the Movies</td>
<td></td>
<td></td>
<td>Archaeology and anthropology through the lens of popular films of the 20th and 21st Century. Explores the popularity of ancient humans as a topic for film ventures and how accurately they are portrayed. Provides the student with a basic knowledge of anthropology and offers film images of anthropologists and archaeologists and the practice of archaeology and anthropology. Analyzes accuracy of films depicting culture and our human past.</td>
</tr>
<tr>
<td><strong>ASB222</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Buried Cities and Lost Tribes: Old World</td>
<td></td>
<td></td>
<td>Introduction to archaeology through discoveries and the researchers who made them. Emphasis on methods of archaeological fieldwork and what these discoveries reveal about humanity, including the nature of archaeological inquiry, the development of human social groups, the changing role of religion in evolving societies, the origins of agriculture, the origins of settled life ways, the rise of cities and complex societies, political strife across different cultures and the forces which fragment societies. Examples drawn from North America, Central America, and South America.</td>
</tr>
<tr>
<td><strong>ASB223</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Buried Cities and Lost Tribes: New World</td>
<td></td>
<td></td>
<td>Introduction to archaeology through discoveries and the researchers who made them. Emphasis on methods of archaeological fieldwork and what these discoveries reveal about humanity, including the nature of archaeological inquiry, the development of human social groups, the changing role of religion in evolving societies, the origins of agriculture, the origins of settled life ways, the rise of cities and complex societies, political strife across different cultures and the forces which fragment societies. Examples drawn from North America, Central America, and South America.</td>
</tr>
<tr>
<td><strong>ASM226</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Human Impacts on Ancient Environments</td>
<td></td>
<td></td>
<td>Interrelationship between humans and their environments, using archaeological data and case studies beginning with early hominids. Uses of research to identify environmental change and distinguish between climatic and human-induced global change. Explores ways in which prehistoric people caused and responded to environmental changes.</td>
</tr>
<tr>
<td><strong>ASM235</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Southwest Archaeology</td>
<td></td>
<td></td>
<td>Anthropological perspective and comparative study of the cultures of prehistoric native peoples of the North American southwest.</td>
</tr>
<tr>
<td><strong>ASM252</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Sports and Culture</td>
<td></td>
<td></td>
<td>Cross-cultural examination of symbolic and social dimensions of sports, past and present.</td>
</tr>
<tr>
<td><strong>ASM282</strong></td>
<td>1-3</td>
<td>1-3 Periods</td>
<td>Permission of Instructor.</td>
</tr>
<tr>
<td>Unpaid Service-Learning (SL) experience, completed with approved community partner.</td>
<td></td>
<td></td>
<td>Unpaid Service-Learning (SL) experience, completed with approved community partner.</td>
</tr>
<tr>
<td><strong>ASM104</strong></td>
<td>4</td>
<td>5 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Bones, Stones, and Human Evolution</td>
<td></td>
<td></td>
<td>Study of human evolution and variation; including fossil hominids and their tools, primate anatomy and behavior, human genetics, and the environment and human biology.</td>
</tr>
<tr>
<td><strong>ASM275</strong></td>
<td>3</td>
<td>3 Periods</td>
<td>None.</td>
</tr>
<tr>
<td>Introduction to Forensic Anthropology</td>
<td></td>
<td></td>
<td>Introduction to forensic anthropology. Survey of the role of forensic anthropologist, from the crime scene to the courtroom. Understand how a forensic anthropologist can determine life history of an individual. Contributions of forensic anthropology to crime scene and other legal investigations. How forensic anthropology is used to decipher historic cases, and how it is depicted in popular culture. Case studies involving criminal investigations, mass disaster incidents, and global human rights issues.</td>
</tr>
</tbody>

**ASM - Anthropology: Science/Mathematics**

**ASM104**  | 4 Credits | 5 Periods | None. |
| Bones, Stones, and Human Evolution | | | Study of human evolution and variation; including fossil hominids and their tools, primate anatomy and behavior, human genetics, and the environment and human biology. |

**ASM275**  | 3 Credits | 3 Periods | None. |
| Introduction to Forensic Anthropology | | | Introduction to forensic anthropology. Survey of the role of forensic anthropologist, from the crime scene to the courtroom. Understand how a forensic anthropologist can determine life history of an individual. Contributions of forensic anthropology to crime scene and other legal investigations. How forensic anthropology is used to decipher historic cases, and how it is depicted in popular culture. Case studies involving criminal investigations, mass disaster incidents, and global human rights issues. |
ASM282 1-3 Credits 1-3 Periods
Service-Learning Experience in Anthropology
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. ASM282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

AST – Astronomy

AST106 3 Credits 3 Periods
Life in the Universe
Introduction to the search for life in the universe for the non-science major. Earth’s location in space and time, nature of life, light and the spectrum, origin and history of the universe, origin of life on Earth and the possibility of life on other planets. Prerequisites: MAT090, MAT091, MAT092, or MAT093, or completion of higher level mathematics course, or satisfactory score on placement exam.

AST107 1 Credit 3 Periods
Life in the Universe Laboratory
Astronomy, Biology, and Planetary Science laboratory. Prerequisites: or Corequisite: AST/GLG106.

AST111 3 Credits 3 Periods
Introduction to Solar System Astronomy
Introduction to astronomy for the non-science major. History of astronomy, properties of light, instruments, the solar system and nearby stars. Prerequisites: MAT092 or equivalent.

AST112 3 Credits 3 Periods
Introduction to Stars, Galaxies, and Cosmology
Introduction to astronomy for the non-science major. Structure and evolution of stars, star clusters, galaxies, and cosmology. Prerequisites: MAT092 or equivalent.

AST113 1 Credit 3 Periods
Introduction to Solar System Astronomy Laboratory
Astronomical observations and exercises to supplement AST111. Prerequisites or Corequisites: AST111.

AST114 1 Credit 3 Periods
Introduction to Stars, Galaxies, and Cosmology Laboratory
Astronomical observations and exercises to supplement AST112. Prerequisites or Corequisites: AST112.

AST282 1-3 Credits 1-3 Periods
Service-Learning Experience in Anthropology
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. ASM282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

AST298 1-3 Credits See Page 292
Special Projects

ATP – AUTOMATION TECHNOLOGY

ATP101 2 Credits 2 Periods
Introduction to Automated Systems and Robotics
An introduction to mechanization, distribution systems, Automated Storage and Retrieval Systems (ASRS), and the role of the manufacturing technician. Includes general manufacturing techniques, industry standards, and statistical process control. Prerequisites: None.

ATP105 2 credits, 2 periods
Engineering Documentation
Analysis and interpretation of engineering documentation, common to manufacturing processes. Prerequisites: None.

ATP110 2 credits, 2 periods
Basic Manufacturing Processes
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. COMMON COMPETENCY COURSE. Prerequisites: None.

ATP130 2 credits, 2 periods
DC Circuit Analysis
Direct current (DC) electric circuits. Ohm’s law, Kirchoff’s laws, series, parallel and series. Prerequisites: None.

ATP135 2 Credits 3 Periods
AC Circuit Analysis
Alternating Current (AC) circuits containing resistance and reactance. Detailed coverage of AC circuit parameters, including theorems, impedance matching, and resonance. Prerequisites: None.

ATP150 2 Credits 3 Periods
Fluid Power 1 – Hydraulics, Pneumatics, and Vacuum Concepts
Fundamental fluid power and vacuum for industry. Pneumatic, hydraulic, and vacuum system technologies with emphasis on assembly, integration, and measurement. Prerequisites: None.

ATP160 2 Credits 3 Periods
Programmable Logic Controllers 1 – Introduction to Ladder Logic
Integration of Human Machine Interfaces (HMI) to Programmable Logic Controllers (PLC’s), Memory usage and types of HMI systems. Prerequisites: None.

ATP175 2 Credits 3 Periods
Introduction to Motors and Motor Controls
Introduction to direct current and alternating current (AC) motors, types of direct current and alternating motors. Prerequisites: None.

ATP180 2 Credits 3 Periods
Programmable Logic Controllers 2 - Human-Machine Interfaces and Function Block Programming
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of
individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: ATP130 and ATP135.

**ATP200 Sensors and Measurement**
2 Credits 3 Periods
Applications of sensors and measurement including correct sizing and application. Prerequisites: ATP130 and ATP135, or permission of instructor.

**ATP215 Digital and Analog Circuits**
2 Credits 3 Periods
Introduction to the characteristics and design of basic analog and digital circuits and their application to controlling complex systems. Prerequisites: ATP130 and ATP135, or permission of instructor.

**ATP251 Fluid Power 2 – Automation Applications**
2 Credits 3 Periods
Application of the basic Fluid Power principles of Hydraulics, Pneumatics, and Vacuum to the control of automated systems used to produce products through the application of discrete and hybrid electromechanical systems. Prerequisites: ATP150 or permission of instructor.

**ATP260 Industrial Automation System Integration 1**
2 Credits 3 Periods
Overview of the evaluation and planning activities needed to establish a functioning automated manufacturing application. Prerequisites: ATP175 and ATP180, or permission of Instructor.

**ATP265 Industrial Automation System Integration 2**
2 Credits 3 Periods
A coordinating course regarding the implementation of the planning, construction, and industrial control systems needed for the development of a functional automated system. Prerequisites: ATP260 or permission of Instructor.

**AUT - Automotive Technology**

**AUT097 3 Credits 3 Periods**
General Automotive Maintenance
A study of automotive systems operation and maintenance for the consumer. Purchasing service for cars and performing minor maintenance. Prerequisites: None.

**AUT270AC 3 Credits 3 Periods**
Automotive Technology Internship
Automotive work experience in the automotive service industry. 80 hours of designated work per credit. Maximum of four (4) credits earned by taking combinations of AUT270AA, or AUT270AB, or AUT270AC. Prerequisites: Permission of Department or Division.

**AUT282 1-3 Credits 1-3 Periods**
Service-Learning Experience in Automotive
Unpaid Service-Learning (SL) experience, completed with approved community partner. May be repeated for a total of six

(6) AUT282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

**AUT298 Special Projects**
1-3 Credits See Page 292

**BIO - Biology**

**BIO100 4 Credits 3 Periods**
Biology Concepts
Introductory course covering basic principles and concepts of biology. Methods of scientific inquiry and behavior of matter and energy in biological systems are explored. Prerequisites: None.

**BIO105 4 Credits 3 Periods**
Environmental Biology
Fundamentals of ecology and their relevance to human impact on natural ecosystems. Field trips may be required at students’ expense. Prerequisites: None.

**BIO107 4 Credits 3 Periods**
Introduction to Biotechnology
Introduction to biotechnology and its global impact on society. Covers applications, laboratory techniques, limitations and the international economic benefits, risks, and legal and moral issues associated with biotechnology. Prerequisites: None.

**BIO108 4 Credits 3 Periods**
Plants and Society
A global study of plants in relation to humans; as a source of food, fiber, drugs, and other products; for aesthetic value, survival, and energy. Prerequisites: None.

**BIO111 2 Credits 3 Periods**
Microbes and Society
Examination of the science of microbes and the impact of microbes on human affairs. Topics include principles of microbial diversity, cell structure, growth and reproduction, global processes, disease, and prevention of disease. Prerequisites: None.

**BIO114 4 Credits 3 Periods**
Marine Biology
A survey of marine environments and their biotic communities with emphasis on the natural history of marine organisms. Prerequisites: None.

**BIO149AH 1 Credit 7 Periods**
Field Biology: Marine Biology in Mexico
Introduction to marine experiments, marine biology, and ecology. On-site field experience in Mexico. Emphasis on observation and study of marine organisms along the shore. Prerequisites: Permission of Instructor.

**BIO160 4 Credits 3 Periods**
Introduction to Human Anatomy and Physiology
Principles of scientific method. Structural organization, homeostasis and control mechanisms of the body. Specific chemistry concepts. Structure and function of the major systems of the body. Prerequisites: None.

**BIO181 4 Credits 3 Periods**
General Biology (Majors) I
The study and principles of structure and function of organisms at the molecular and cellular levels. A detailed exploration of the
chemistry of life, the cell, and genetics. Prerequisites: Grade of “C” or better in RDG091 or eligibility for CRE101 as indicated by appropriate reading placement test score. One year of high school or one semester of college-level biology and chemistry is strongly recommended.

**BIO182  General Biology (Majors) II**

The study and principles of structure and function of living things at cellular, organismic, and higher levels of organization. A detailed exploration of the mechanisms of evolution, biological diversity, biology of organisms, and ecology. Field trips may be required. Prerequisites: A grade of “C” or better in BIO181.

**BIO201  Human Anatomy and Physiology I**

Study of structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system. Prerequisites: (BIO156 or BIO181 with a grade of “C” or better or one year high school biology with a grade of “C” or better) and (grade of “C” or better in RDG091 or eligibility for CRE101 as indicated by appropriate reading placement test score). CHM130 or higher numbered CHM prefixed course or one year of high school chemistry suggested but not required.

**BIO202  Human Anatomy and Physiology II**

Continuation of structure and function of the human body. Topics include endocrine, circulatory, lymphatic, respiratory, digestive, urinary, and reproductive systems, and fluid and electrolyte balance. Prerequisites: A grade of “C” or better in BIO201.

**BIO205  Microbiology**

Study of microorganisms and their relationship to health, ecology, and related fields. Prerequisites: (BIO156 or BIO181 with a grade of “C” or better) or (one year high school biology with a grade of “C” or better) and [grade of “C” or better in RDG091] or [eligibility for CRE101 as indicated by appropriate reading placement test score)]. CHM130 or higher numbered CHM prefixed course or one year of high school chemistry suggested but not required.

**BIO211AA  Biotechnology Seminar: Biomedical Applications**

Special topics in biotechnology with an emphasis on current issues not covered in other life science courses. Prerequisites: None.

**BIO212AA  Biotechnology I**

Intensive introduction to biotechnology, including media and solution preparation, routine manipulations of DNA, structural properties of DNA, and regulation of gene expression. Prerequisites or Corequisites: BIO181, or BIO247, or permission of Instructor.

**BIO212AB  Biotechnology II**

Intensive introduction to biotechnology, including protein biochemistry, techniques for handling and purifying proteins, recombinant deoxyribonucleic acid (DNA), sequencing deoxyribonucleic acid (DNA), testing deoxyribonucleic acid (DNA) fragments for promoter activity and analysis of deoxyribonucleic acid (DNA) for open reading frames, promoters, and homology. Prerequisites: BIO212AA.

**BIO212AC  Biotechnology III**

Intensive introduction to biotechnology, including techniques for working with proteins, especially antibodies. Testing for presence of and purifying antibodies. Techniques for working with eukaryotic cells. Prerequisites: BIO212AB.

**BIO220  Biology of Microorganisms**

Detailed study of microbial cells, their structure, genetics, physiology and taxonomy. Prerequisites: BIO181. Corequisites: (CHM152 and CHM152LL) or (CHM154 and CHM154LL).

**BIO240  General Genetics**

Intensive introduction to the field of genetics including historical perspective, Mendelian insights and patterns of inheritance, exceptions to expected Mendelian ratios, quantitative genetics, non-Mendelian inheritance, pedigree analysis, molecular levels of gene expression, genetic control of metabolic pathways, analytic dissection of molecular mechanisms behind DNA replication, transcription, translation, and gene regulation in both prokaryotes and eukaryotes, population genetics, genetics of behavior, and genetics of evolution and speciation. Prerequisites: BIO181.

**BIO244  General Genetics Laboratory**

Introductory laboratory course in support of BIO240. Designed to familiarize students with basic laboratory skills and equipment used in genetic research. Prerequisites: BIO181. Corequisites: BIO240.

**BIO249  Applied Biosciences: Biotechnology Internship**

Internship/work experience in a biotechnology laboratory. Setting, achieving, and evaluating goals for hands-on learning experiences in a biotechnology laboratory. Development of skills and knowledge needed to work in a biotechnology laboratory. Requires a minimum of 320 clock hours in the biotechnology laboratory setting. Prerequisites: BIO247 or permission of Instructor.

**BIO280  Animal Behavior**

A study of the genetics, physiology, ecology, and evolutionary history of animal behavior. Prerequisites: BIO100, or BIO105, or BIO181, or equivalent, or permission of Instructor.

**BIO282  Service-Learning Experience in Biology**

Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. BIO282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

**BIO298  Special Projects**

1-3 Credits See Page 292
BLT - Building Safety and Construction Technology

BLT121  3 Credits 3 Periods
Electrical Codes
Principles of safe electrical installations and proper inspection procedures. Topics include conduit installation, transformer service, raceways, control circuits, grounding and bonding, hazardous occupancies and the National Electrical Code. Prerequisites: None.

BLT127  3 Credits 3 Periods
Plumbing Codes
Code requirements and construction practices. Topics include underground and above ground plumbing, venting and finish plumbing. Prerequisites: None.

BLT128  3 Credits 3 Periods
Mechanical Codes
Code requirements and construction practices. Topics include duct work, conductors and fuel supply, insulation, and controls. Prerequisites: None.

BLT140  3 Credits 3 Periods
Environmentally Responsible Building
An overview of environmentally responsible building and a historical survey of building methodologies. Introduces design concepts and strategies related to the mitigation of environmental impacts. Examines building processes, environmental issues and the interdependent nature of our built environment. Topics include human impacts, climate and geography, sustainability, renewable energies, water use and energy, resource efficiency, building materials, indoor air quality and waste reduction. Prerequisites: None.

BIO262  3 Credits 3 Periods
Introduction International Residential Code (IRC)
Covers International Residential Code for various trades, including building, mechanical, plumbing and electric, for one and two family residential construction. Preparation for voluntary certification (IRC building inspection). Prerequisites: None.

BLT263  3 Credits 3 Periods
Building Codes
Designed specifically to acquaint students with safety principles of building construction under the Uniform Building Code, including structural requirements for wood, masonry and concrete, fire-resistance of building construction, fire resistant materials, and ratings and occupancy requirements. Prerequisites: None.

BPC - Business-Personal Computers

BPC100AA  0.5 Credit 0.5 Period
Business-Personal Computers I
Introduction to the use of personal computers in the business environment. Computer hardware components, operating system functions and concepts. Running application software. Prerequisites: None.

BPC100AB  0.5 Credit 0.5 Period
Business-Personal Computers II
Use the personal computer to create, store and retrieve information. Procedures for running and using business application software to produce documents and spreadsheets. Prerequisites: BPC100AA or permission of Instructor.

BPC100AD  1 Credit 2 Periods
Computing Fundamentals
Fundamental computer concepts and terminology for business and personal computers. Prerequisites: None.

BPC100BD  1 Credit 1 Period
Key Software Applications
Covers basic features of software applications for business and personal computers. Prerequisites: None.

BPC100CD  1 Credit 1 Period
Living Online
Fundamental network and Internet concepts and terminology for business and personal computers. Covers basic features of electronic mail applications. Prerequisites: None.

BPC100DD  3 Credits 4 Periods
Internet And Computing Fundamentals
Fundamental computer and Internet concepts and terminology for business and personal computers. Covers basic features of software applications. Prerequisites: None.

BPC101AA  1 Credit 2 Periods
Introduction To Computers I
Computer software applications for the personal computer, including electronic spreadsheet and word processing, keyboarding review, and a desktop environment. Prerequisites: None.

BPC101AB  1 Credit 2 Periods
Introduction to Microcomputers I: Macintosh
Microcomputer software applications for the Macintosh personal computer, including electronic spreadsheet and word processing, keyboarding review, and a desktop environment. Prerequisites: None.

BPC106AH  0.5 Credit 0.5 Period
MS Outlook: Level I
Messaging and word processing functions of a Microsoft Outlook electronic work state. Prerequisites: None.

BPC106BH  0.5 Credit 0.5 Period
Microsoft Outlook: Level II
Microsoft Outlook features including sort, filter and group items; templates and forms; information sharing by public folders and Net Folders; share and fax contacts; and record activities in the Journal. Outlook environment customization also covered. Prerequisites: BPC106AH or permission of Instructor.

BPC110  3 Credits 4 Periods
Computer Usage And Applications
Introduction to business and personal computer operations and usage. Software applications for analyzing and solving business problems including word processing, spreadsheet, database, and presentation graphics. Prerequisites: None.
COURSE DESCRIPTIONS

BPC111AA  1 Credit 1.7 Periods
Computer Keyboarding I
Mastery of essential microcomputer keyboarding skills. Emphasis on touch typing of alphabetic and numeric keys and symbols. Prerequisites: None.

BPC111AB  1 Credit 1.7 Periods
Computer Keyboarding II
Further development of microcomputer keyboard speed and accuracy. Emphasis on touch typing with speed and accuracy development of numerals as related to preparation and handling of documents. Prerequisites: BPC111AA OAS111AA or permission of Instructor.

BPC125  1 Credit 1 Period
Microcomputer Set Up And Maintenance
How to install and maintain a microcomputer (personal computer). Steps used to set up a new or add options to a previously installed microcomputer. Installation of internal options (memory, graphics, modems, etc.), as well as external options and devices (printers, monitors, communications, etc.). Troubleshoot (identify and repair or have repaired) microcomputer problems. Prerequisites: None.

BPC128AF  1 Credit 2 Periods
Introduction To Desktop Publishing: MS Publisher
Presents basic concepts of commercially prepared software used to do desktop publishing. Incorporates a combination of narrative and pictorial/graphic creation and presentation, including set-up, text entry, graphic generation, text and graphic merging, and other computer-based functions. Prerequisites: None.

BPC170  3 Credits 4 Periods
Computer Maintenance: A+ Exam Prep Level I
Explore technical aspects of personal computers, including system components, installation, system configuration, peripheral devices, and notebooks. Emphasis placed on proper usage of tools, safety procedures, and professionalism. Helps prepare students for the CompTIA A+ examinations. Prerequisites: CIS105 or permission of Instructor.

BPC210  3 Credits 4 Periods
Advanced Computer Usage And Applications
Advanced application of software for business and personal computers including word processing, spreadsheet, database, and presentation. Includes integration of applications and Internet. Prerequisites: BPC110 or permission of Instructor.

BPC250  3 Credits 4 Periods
Post-Advanced Computer Usage And Applications
Post-advanced applications of software for business and personal computers including word processing, spreadsheet, database, and presentation. Includes integration of applications and Internet. Prerequisites: BPC210 or permission of Instructor.

BPC270  3 Credits 4 Periods
Computer Maintenance: A+ Exam Prep Level II
Explore advanced technical aspects of maintaining and servicing computers. Emphasis placed on installation, maintenance, mobile devices, security, troubleshooting, and resolving various computer problems. Helps prepare students for the CompTIA A+ examinations. Prerequisites: BPC170 with grade of “C” or better, or permission of Instructor.

BPC282  1-3 Credits 1-3 Periods
Volunteerism For Business Personal Computer: A Service-Learning Experience
Service learning field experience within private/public agencies, educational institution, and citizen volunteer groups. May be repeated for a total of six (6) BPC282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: BPC110 and (BPC/OAS130DK, or BPC135 (any module)) and permission of Instructor.

CFS - Child/Family Studies

CFS101  3 Credits 3 Periods
Chicana and Chicano Studies
Introduces to the wealth and diversity of Chicana and Chicano Studies research from a variety of disciplinary perspectives through the use of a series of historical and social scientific studies, novels, testimonios, and films. Prerequisites: ENG101, or ENG107, or equivalent.

CFS101AR  1 Credit 1 Period
Learning With Toys
Use of creative imagination with toys to enable the child alone or with others to explore the world. Includes evaluating proper use of toys and appropriate developmental skills. Prerequisites: None.

CFS123  1 Credit 1 Period
Health And Nutrition In Early Childhood Settings
Creating and maintaining healthy environments and practices in programs serving young children. Emphasis on assessing the child’s health status; nutrition and food service; communicable disease recognition, transmission, and prevention; infection control; regulations and regulatory agencies; and current topics, resources, and innovative practices. Prerequisites: None.

CFS125  1 Credit 1 Period
Safety In Early Childhood Settings
Fundamental concepts of promoting a safe, but challenging learning environments. Establishing and maintaining safety procedures in the early childhood setting. Emphasis on indoor and outdoor equipment and activities, risk analysis, accident, evacuation, and emergency plans, regulations, regulatory agencies and resources, current topics, and innovative practices. Prerequisites: None.

CFS127  3 Credits 3 Periods
Marriage And Family Life
Study of marriage and the family as a social system, including models of family analysis, intra- and interpersonal relations, and cross-cultural and historical patterns. Prerequisites: None.

CFS160  1 Credit 1 Period
Using Music, Speech, and Movement with Children’s Literature
Using elements of music, speech, and movement with children’s literature, including rhymes, chants, songs, and books to enhance children’s social, physical, cognitive, and emotional development. Prerequisites: None.
CFS176  
Child Development  
3 Credits 3 Periods  
Study of the science of human development from conception through adolescence. Includes observation skills, parent and adult roles in the lives of children, and contemporary issues. Prerequisites: None.

CFS179  
Child Care: A Multifaceted Career  
1 Credit 1 Period  
Overview of the child care field. Focus on enhancing children’s self esteem, providing for children’s nutritional needs, and developing adequate safety and sanitation practices. Prerequisites: None.

CFS205  
Human Development  
3 Credits 3 Periods  
Explores the growth and development process over the human life span. Research and theoretical approaches; physical, cognitive, social, and personality development from birth through adulthood and death. Prerequisites: None.

CHI - Chinese  

CHI101  
Elementary Chinese (Mandarin) I  
5 Credits 6 Periods  
Introduction to the basic grammar, pronunciation and vocabulary of the Mandarin Chinese language. Includes the study of Chinese culture, practice of listening, speaking, reading, and writing skills. Prerequisites: None.

CHI115  
Beginning Chinese Conversation I  
3 Credits 3 Periods  
Introduction to Chinese sound system, basic grammar, and vocabulary necessary to develop speaking ability in Mandarin Chinese. Designed for students seeking speaking and listening ability with little emphasis on writing and reading Chinese characters. Prerequisites: None.

CHM - Chemistry  

CHM090  
Preparation for Fundamental Chemistry  
1 Credit 1 Period  
A developmental course designed to review basic math and chemistry principles for students deficient or insecure in these areas. Stresses individualized instruction and "hands-on" experience. Serves to prepare the student for CHM130. Prerequisites: None.

CHM107  
Chemistry and Society  
3 Credits 3 Periods  
A survey of chemistry and its impact on the environment. Completion of CHM107LL required to meet the Natural Science requirement. Prerequisites: None.

CHM107LL  
Chemistry and Society Laboratory  
1 Credit 3 Periods  
Laboratory experience in support of CHM107. Prerequisites or Corequisites: CHM107.

CHM130  
Fundamental Chemistry  
3 Credits 3 Periods  
A survey of the fundamentals of general chemistry for all students. It also serves to prepare the student for more advanced courses in chemistry. Emphasis on essential concepts and problem solving techniques, are emphasized. Many topics include the basic principles of measurement, chemical bonding, structure and reactions, nomenclature, and the chemistry of acids and bases. Preparation for students taking more advanced courses in chemistry. Designed to meet needs of students in such diverse areas as agriculture, nursing, home economics, physical education and water technology Prerequisites: Grade of “C” or better in CHM090, or MAT090, or MAT091, or MAT092, MAT093, or MAT102, (MAT103AA and MAT103AB), or satisfactory score on math placement exam.

CHM130LL  
Fundamental Chemistry Laboratory  
1 Credit 3 Periods  
Laboratory experience in support of CHM130. Prerequisites or Corequisites: CHM130.

CHM138  
Chemistry for Allied Health  
3 Credits 3 Periods  
Elements of fundamental and organic chemistry. Includes the general chemical behavior of inorganic matter and the structure of organic and biochemical systems. Course designed for specific allied health programs at MCCCD. May not be applicable to other allied health programs or transferable. Prerequisites: Grade of “C” or better in CHM090; or one year of high school chemistry with a grade of “C” or better; or MAT092 or MAT102; or satisfactory score on placement exam.

CHM138LL  
Chemistry for Allied Health Lab  
1 Credit 3 Periods  
Laboratory experience in support of CHM138, Chemistry for Allied Health. Prerequisites: None. Corequisites: CHM138.

CHM151  
General Chemistry I  
3 Credits 3 Periods  
Detailed study of principles of chemistry for science majors and students in pre-professional curricula. Students may receive credit for only one of the following: CHM150 or CHM151. Prerequisites: [CHM130 and CHM130LL], or CHM130AA, or one year of high school chemistry with a grade of “C” or better taken within the last five years; and completion of MAT151 or higher level mathematics course with grade of “C” or better. Completion of all prerequisites within the last two years is recommended.

CHM151LL  
General Chemistry I Laboratory  
1 Credit 3 Periods  
Laboratory experience in support of CHM151. Prerequisites: CHM130LL or permission of instructor. Prerequisites or Corequisites: CHM150 or CHM151.

CHM152  
General Chemistry II  
3 Credits 3 Periods  
A study of the chemical properties of the major groups of elements, equilibrium theory, thermodynamics, electrochemistry, and other selected topics. Completion of CHM152LL required to meet the Natural Science requirement. Prerequisites: CHM150 or CHM151 and CHM151LL. Completion of CHM150 or CHM151 and CHM151LL within the last two years recommended.

CHM152LL  
General Chemistry II Laboratory  
1 Credit 3 Periods  
Laboratory experience in support of CHM152. Prerequisites: CHM151LL or permission of Instructor. Prerequisites or Corequisites: CHM152.
CHM230
Fundamental Organic Chemistry
Chemistry of representative groups of organic compounds, emphasizing biological applications. CHM230 course content is designed to meet the needs of students in such areas as agriculture, home economics, nursing, pre-physician assistant, and physical education among others. Prerequisites: (CHM130 and CHM130LL), or (CHM150 or CHM151 and CHM151LL). Completion of (CHM130 and CHM130LL) or (CHM150 or CHM151 and CHM151LL) within the last two years recommended.

CHM230LL
1 Credit 3 Periods
Fundamental Organic Chemistry Laboratory
Laboratory experience in support of CHM230. Prerequisites: CHM130LL, or CHM151LL, or equivalent. Prerequisites or Corequisites: CHM230.

CHM235
3 Credits 3 Periods
General Organic Chemistry I
Rigorous introduction to chemistry of carbon-containing compounds. Reaction mechanisms and recent methods of synthesis emphasized. Prerequisites: CHM152 and CHM152LL, or CHM154 and CHM154LL. Completion of (CHM152 and CHM152LL) or (CHM154 and CHM154LL) within the last two years recommended.

CHM235LL
1 Credit 4 Periods
General Organic Chemistry I Laboratory
Laboratory experience in support of CHM235. Prerequisites: CHM152LL, or CHM154LL, or equivalent. Corequisites: CHM235.

CHM236
3 Credits 3 Periods
General Organic Chemistry IIA
Study of chemistry of carbon-containing compounds continued. Structural determination and additional reaction mechanisms and modern methods of synthesis emphasized. Prerequisites: CHM235 and CHM235LL. Completion of CHM235 and CHM235LL within the last two years recommended.

CHM236LL
1 Credit 4 Periods
General Organic Chemistry IIA Laboratory
Laboratory experience in support of CHM236. Prerequisites: CHM235LL or equivalent or Corequisites: CHM236.

CHM260
3 Credits 3 Periods
Fundamental Biochemistry
Structures, properties, and functions of proteins, enzymes, nucleic acids, carbohydrates and lipids; the utilization and synthesis of these materials by living systems and the relationship of the processes to energy production and utilization. Designed for students in agriculture, dental hygiene, home economics, nursing, and physical therapy. Prerequisites: CHM230 and CHM230LL, or CHM236 and CHM236LL, or CHM238 and CHM238LL. Completion of CHM230 and CHM230LL, or CHM236 and CHM236LL, or CHM238 and CHM238LL within the last two years recommended.

CHM260LL
1 Credit 3 Periods
Fundamental Biochemistry Laboratory
Laboratory experience in support of CHM260. Prerequisites: CHM230 and CHM230LL or permission of Instructor. Corequisites: CHM260.

CHM298
1-3 Credits See Page 292
Special Projects

CIS - Computer Information Systems

CIS100
Internet: A Tool For Learning
0.5 Credit 0.5 Period
Use of the Internet to promote learning. Focus on Internet services and access. Information provided on browsing, Internet addresses, naming conventions, search concepts and techniques, using bookmarks and capturing information. Prerequisites: None.

CIS103
Introduction to Social Media
3 Credit 4 Periods
Identify and explain social media and Web 2.0 technologies for personal, academic, professional, and business applications. Create and maintain accounts on various sites to socialize, write, and share multimedia, while understanding the related ethics, privacy and security issues. Prerequisites: None.

CIS105
Survey of Computer Information Systems
3 Credits 4 Periods
Overview of computer technology, concepts, terminology, and the role of computers in society. Discussion of social and ethical issues related to computers. Use of word processing, spreadsheet, database, and presentation software. Includes programming and use of the Internet. Exploration of relevant emerging technologies. Prerequisites: None.

CIS107
The Electronic Game Industry
3 Credits 4 Periods
Introduction to the electronic game industry, including history, market, distribution and publishing channels, business models, team roles, and career landscape. Technical topics covered include software engineering, artificial intelligence, game physics, computer graphics, and networking. Prerequisites: CIS105 or permission of Instructor.

CIS108
Electronic Portfolio Development
1 Credit 2 Periods
Compile, reflect on, and select prior learning experiences and artifacts. Design, produce, and publish an online portfolio that documents prior learning. Includes techniques for presenting the electronic portfolio for evaluation. Prerequisites: (CIS105 or BPC110) or permission of Instructor.

CIS113AE
Microsoft Word: Word Processing Level I
1 Credit 1.3 Periods
Using word processing software to create, name and manage files, edit text, and do basic formatting of documents. Prerequisites: None.

CIS113BE
Microsoft Word: Word Processing – Level II
1 Credit 1.3 Periods
Using more advanced features of word processing software to format documents, create lists, mail-merged documents, and documents with themes and styles. Prerequisites: CIS113AE or permission of Instructor.
CIS113CE  1 Credit 1.4 Periods
Microsoft Word: Word Processing – Level III
Utilizing more advanced features of word processing software to incorporate style and theme elements, use desktop publishing capabilities, and insert tables. Prerequisites: CIS113BE or permission of Instructor.

CIS114AE  1 Credit 2 Periods
Excel: Level I
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, and projections. Prerequisites: None.

CIS114BE  1 Credit 2 Periods
Excel: Level II
Additional Excel spreadsheet techniques, including macro programming, database searching, extraction, and linking to obtain prescribed reports and graphs. Prerequisites: CIS114AE or permission of Instructor.

CIS114CE  1 Credit 1 Period
Excel: Level III
Additional Excel spreadsheet techniques, including complex macros, statistics, and matrix manipulation. Project design using multiple, integrated spreadsheets. Prerequisites: CIS114BE or permission of Instructor.

CIS114DE  3 Credits 5 Periods
Excel Spreadsheet
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, projections, macro programming, database searching, extraction, linking, statistics, and matrix manipulation. Production of graphs and reports. Project design using multiple, integrated spreadsheets. Prerequisites: None.

CIS117AM  1 Credit 2 Periods
Database Management: Microsoft Access – Level I
Introduction to the basic elements of a current version of the Microsoft Access database management program, for casual and beginning users. Prerequisites: None.

CIS117BM  1 Credit 2 Periods
Database Management: Microsoft Access – Level II
Exploration of additional components of the Microsoft Access database management program. Prerequisites: CIS117AM or permission of Instructor.

CIS117CM  1 Credit 1 Period
Database Management: Microsoft Access – Level III
Application of the features of the Microsoft Access program to some common database management problems. Prerequisites: CIS117BM.

CIS117DM  3 Credits 5 Periods
Microsoft Access: Database Management
Introduction to the basic elements, exploration of additional components and common database management problems related to the Microsoft Access program. Prerequisites: None. CIS117DM combines the contents of CIS117AM, CIS117BM and CIS117CM.

CIS118AB  1 Credit 2 Periods
PowerPoint: Level I
Use of PowerPoint software to produce professional-quality presentation visuals. Prerequisites: None.

CIS118BB  1 Credit 2 Periods
PowerPoint: Level II
Use of PowerPoint software add movement and sound to desktop presentations to enhance audience attention. Prerequisites: CIS118AB.

CIS120DB  3 Credits 4 Periods
Computer Graphics: Adobe Illustrator
Provides students with the capability to use Adobe Illustrator graphics software on a computer. Basic foundation course in the use of electronic techniques to create, manipulate, and edit images, text, abstract art, graphics design, color graphics and business charts; determine file formats appropriate for web and print; utilize tools to optimize graphics and create a PDF file. Prerequisites: None.

CIS120DC  3 Credits 4 Periods
Adobe Flash Level I: Digital Animation
Focuses on entry-level skill expectations for digital animation using Adobe Flash. Covers basic animation techniques used in the creation, manipulation, and editing of Flash animation graphics. Helps students prepare for the Adobe certifications related to Adobe Flash. Prerequisites: None.

CIS120DF  3 Credits 4 Periods
Adobe Photoshop Level I: Digital Imaging
Focuses on entry-level skill expectations for digital imaging using Adobe Photoshop. Helps students prepare for the Adobe Certifications related to Photoshop. Prerequisites: None.

CIS120DK  3 Credits 4 Periods
Introduction To Digital Video Editing
Introduction to digital video editing comprises a foundation for video import, export, and editing functions. Includes parts and function of a video camera; preproduction and production; incorporating photographs, titles, graphics, animation, and audio capturing, editing, rendering and outputting digital video. Prerequisites: None.

CIS120DL  3 Credits 4 Periods
Digital Video Compositing: After Effects
Includes creating visual effects for video projects. Techniques and methodologies used to create shots for big budget special effects will be explored. Topics such as color and light matching, keying, motion tracking, rotoscoping and working with film will be discussed. Prerequisites: None.

CIS120DP  3 Credits 4 Periods
Adobe Acrobat Pro: Portable Document Format (PDF) Files
Introduction to creating PDF (Portable Document Format) files using Adobe Acrobat for web viewing and printing. Addresses creation of interactive PDF documents including security settings, navigation links, and form fields. Prerequisites: None.

CIS121AE  1 Credit 2 Periods
Windows Operating System: Level I
Specific topics include Windows basics, navigating and customizing the desktop, maintaining hardware and software, improving performance, configurations, securing your computer, taskbar, organizing, searching and managing folders and files, installing and uninstalling applications, Internet Explorer fine tuning, security, and searching, including advanced search techniques, keyboard shortcuts, and current topics. Prerequisites: None.
CIS121AI  Mac Operating System  1 Credit 2 Periods
Specific topics include getting started with Mac OS; working with disks, folders, and files; installing and using applications; setting system preferences; printing, faxing, and scanning; getting and living online; using iLife; sharing a Mac with other users; creating a home network; and maintaining the Mac. Prerequisites: None.

CIS124AA  Project Management Software: Level I  1 Credit 1.7 Periods
Utilization of project management software packages by managers and advanced business students to solve critical management planning tasks. Evaluation of management opportunities utilizing software packages to monitor project progress and resource allocation. Includes "what-if" analyses and preparation of management reports. Prerequisites: None.

CIS124BA  Project Management Software: Level II  1 Credit 1.7 Periods
Advanced use of project management software. Covers features and functions to solve critical management planning tasks. Project communications, scheduling, resource allocation, tracking processes and importing and exporting data also covered. Project consolidation emphasized. Prerequisites: CIS124AA or permission of Instructor.

CIS126DL  Linux Operating System  3 Credits 4 Periods
Introduction to the Linux Operating system. Develop knowledge and skills required to install, configure and troubleshoot a Linux-based workstation including basic network functions. Learn basic command line and Graphical User Interface (GUI) desktop environment utilities and applications. Fundamental abilities to achieve the entry-level industry certification covered. Prerequisites: None.

CIS130DA  3D Studio Max: Modeling  3 Credits 4 Periods
Introduction to 3D modeling using 3D Studio Max. Emphasis will be placed on Polygonal, Solid, and Surface modeling tools. Students will also understand concepts such as modifiers, sub-object editing, extruding, Boolean, lofting,.lathe and compound object modeling. Introduction to basic lighting, texturing and rendering techniques. Prerequisites: CIS105.

CIS130DB  3D Studio Max: Animation  3 Credits 4 Periods
Introduction to three-dimensional animation tools and principles, with an emphasis on character construction and animation. 3D Studio Max will be the primary application for use in this class. Prerequisites: CIS105.

CIS131AA  Doing Business on the Internet  1 Credit 1 Period
Overview of different ways businesses are taking advantage of and using the Internet. Includes how companies are selling items and services over the Internet; techniques used to expand customer contacts; marketing strategies; availability of government and financial information; future potential and disadvantages; using the Internet for customer service; establishing a Website. Some previous computer experience preferred. Prerequisites: None.

CIS133AA  Internet/Web Development Level I-A  1 Credit 2 Periods
Overview of the Internet and its resources. Hands-on experience with various Internet communication tools. Prerequisites: None.

CIS133DA  Internet/Web Development Level I  3 Credits 4 Periods
Overview of the Internet/WWW and its resources. Hands-on experience with various Internet/WWW communication, resource discovery, and information retrieval tools. Web page development also included. Prerequisites: None.

CIS138DA  Desktop Design and Publishing Using Adobe InDesign  3 Credits 4 Periods
Use of Adobe InDesign to compose and print textual and graphic materials of high quality. Includes word processing of copy, use of graphics programs, layout of design elements, printing alternatives, and file formats. Prerequisites: CIS105, or BPC110, or permission of Instructor.

CIS150AB  Object-Oriented Programming Fundamentals  3 Credits 4 Periods
Structured and Object-Oriented design and logic tools. Use of computer problems to demonstrate and teach concepts using an appropriate programming language. Prerequisites: CIS105 or permission of Instructor.

CIS151  Computer Game Development-Level I  3 Credits 4 Periods
Introduction to object-oriented game development, game design, and game theory. Use of computer software to demonstrate and teach concepts using an appropriate game development platform to model real-time simulations and create computer games using object oriented tools. Introduction to developing PC games, educational software, and training software using Windows-based object oriented developments tools. Prerequisites: CIS105 or permission of Instructor.

CIS159  Visual Basic Programming I  3 Credits 4 Periods
Use of the Visual Basic programming language to solve problems using suitable examples from business or other disciplines. Prerequisites: CIS105 or permission of Instructor.

CIS162AB  C++: Level I  3 Credits 4 Periods
Introduction to C++ programming including general concepts, program design, development, data types, operators, expressions, flow control, functions, classes, input and output operations, debugging, structured programming, and object-oriented programming. Prerequisites: CIS105 or permission of Instructor.

CIS162AD  C#: Level I  3 Credits 4 Periods
Introduction to C# programming including general concepts, program design, development, data types, operators, expressions, flow control, functions, classes, input and output operations, debugging, structured programming, and object-oriented programming. Prerequisites: CIS105 or permission of Instructor.

CIS163AA  Java Programming: Level I  3 Credits 4 Periods
Introduction to Java programming. Includes features needed to construct Java applets, Java applications, control structures,
methods, arrays, character and string manipulation, graphics, and object-oriented programming. Prerequisites: CIS105 or permission of Instructor.

**CIS166AA**  
**Introduction To Javascripting**  
3 Credits 4 Periods  
Introduction to basic JavaScript programming concepts including syntax. Covers Hypertext Markup Language (HTML), programming logic and debugging, as well as forms manipulation and animation. Prerequisites: BPC/CIS133CA, or BPC/CIS133DA, or permission of the Instructor.

**CIS166AC**  
**Web Scripting With Active Server Pages (ASP).NET**  
3 Credits 4 Periods  
Introduction to web scripting using Microsoft’s ASP.Net (Active Server Pages). Web application development using Hypertext Markup Language (HTML), ASP.Net Web Forms, programming logic, and Structured Query Language (SQL). Prerequisites: (BPC/CIS133CA or BPC/CIS133DA) and (CIS159 or CIS162AD), or permission of Instructor.

**CIS166AE**  
**Web Scripting With PHP: Hypertext Preprocessor (PHP)**  
3 Credits 4 Periods  
Introduction to web scripting with PHP (PHP: Hypertext Preprocessor). Web application development using Hypertext Markup Language (HTML), PHP, programming logic, and Structured Query Language (SQL). Prerequisites: BPC/CIS133CA, or BPC/CIS133DA, or permission of the Instructor.

**CIS197**  
**VMware ESXI Server Enterprise**  
4 Credits 6 Periods  
Introduction to VMware ESXI server in the enterprise. Covers many aspects of virtualization for VMware ESXI server administration. Develop knowledge and skills required to install, configure and troubleshoot a VMware ESXI Server including basic network functions. Learn basic command line and Management User Interface (MUI) using VMware vSphere Client. Prerequisites: (CIS126DL or MST150 (any module)) and (CIS190 or MST140 or CNT140) or permission of Instructor.

**CIS213DE**  
**Advanced Microsoft Word: Word Processing**  
3 Credits 4 Periods  
Using advanced word processing software features to perform tasks such as mail merge, collaboration, web pages, math functions, macros, photo enhancements, graphics, tables, forms and manage long documents. Prerequisites: CIS113DE or (CIS113AE and CIS113BE and CIS113CE) or permission of instructor.

**CIS220DC**  
**Flash: Advanced Animation And Actionscript**  
3 Credits 4 Periods  
Advanced Flash programming, action scripting, tweening, advanced buttons and user input, movie clips, using dynamic sound and text, managing information flow, object-oriented programming concepts in relation to Flash. Prerequisites: CIS120DC or permission of instructor.

**CIS220DK**  
**Advanced Digital Video Production: Premiere**  
3 Credits 4 Periods  
Includes an in-depth study of digital video editing using Premiere, including preproduction, production and post production. Advanced techniques into a capstone project. Emphasis placed on enhanced workflow processes, integration of other applications into Premiere, multiple output formats, timesaving quick key setup and advanced production and editing tools. Prerequisites: CIS120DA, or CIS120DK, or permission of Instructor.

**CIS224**  
**Project Management Microsoft Project for Windows**  
3 Credits 4 Periods  
Introduction to project management concepts while working with MS Project to solve complex project management networks, including creating Gantt and PERT charts, tracking project progress, planning for restrictions, and integrating MS Project with other software packages such as Excel, Word, Powerpoint, and cc Mail. Prerequisites: None.

**CIS226AL**  
**Internet/Intranet Server Administration-Linux**  
3 Credits 4 Periods  
Configuration and management of Internet/intranet services, including the Apache web server, Simple Mail Transfer Protocol servers (SMTP), Structured Query Language (SQL server), File Transfer Protocol (FTP), Network Time Protocol (NTP), and other network services used in home and small business environments. Covers basic security configuration and testing. Prerequisites: CIS126 (any module) or permission of Instructor.

**CIS230DA**  
**3D Studio Max: Materials**  
3 Credits 4 Periods  
Emphasis on creating and applying materials and textures to three-dimensional environments. Techniques for creating skins, surfaces, and shading types for objects, environments and characters will be explored. Original textures, both life-like and imaginary, will be created using 3D Studio Max and a 2D computer graphics software application. Prerequisites: CIS130DA, or BPC/CIS120DF, or BPC/CIS120DG, or permission of Instructor.

**CIS233DA**  
**Internet/Web Development Level II**  
3 Credits 4 Periods  
Design and create pages on the World Wide Web with a variety of markup languages, programming languages, scripts, and multimedia. Hands-on experience authoring and preparing sophisticated web documents. Exploration of best practices/issues for web design and publishing and careers in web development and e-commerce. Prerequisites: BPC/CIS133CA, or BPC/CIS133DA, or permission of Instructor.

**CIS233DC**  
**Internet Web Development: Dreamweaver**  
3 Credits 4 Periods  
Design and development of comprehensive and interactive websites using Dreamweaver. Hands-on experience designing, developing, testing, and publishing web documents that contain various client-side web technologies. Assists in preparing students for the Adobe Certifications related to Adobe Dreamweaver. Prerequisites: CIS132, or CIS133CA, or CIS133DA, or permission of Instructor.

**CIS234**  
**XML Application Development**  
3 Credits 4 Periods  
The use of Extensible Markup Language (XML) to make documents smarter, simplify Web automation, and to communicate between databases, both within and between corporations. Includes techniques for XML generation, data extraction and sharing, and transformation and managing of XML files. Prerequisites: BPC/CIS133CA or BPC/CIS133DA or permission of Instructor.
CIS235  3 Credits 4 Periods
E-Commerce
Introduction to Electronic Commerce on the Internet. Designing an
electronic storefront including web page content and development, e-commerce site marketing, advertisement, legal and security
considerations, credit card and other debit transactions covered.
Also includes current issues in e-commerce. Prerequisites: BPC/
CIS133CA, or BPC/CIS133DA, or permission of Instructor.

CIS236  2 Credits 3 Periods
Web-Based Teaching And Learning I
Experience using a web-based learning environment from an
online student’s perspective. Use communication tools, submit
assignments, use evaluation tools, create homepages, and navigate
online-learning environment. Introduction to basics of online
crudity. Hands-on experience with a web-based learning
environment. Prerequisites: CIS133CA, or CIS133DA, or
permission of Instructor.

CIS237  3 Credits 4 Periods
Web-Based Teaching And Learning II
Create an online or hybrid course using a web-based learning
environment. Create, prepare, and manage content and resource
files; locate and add resources; and manage a course homepage.
Add, delete, and revise tools; create, maintain, and release quizzes
and assignments; and manage a course. Track students, data,
and revise student grades, submissions, and attendance. Hands-
on experience with creating a course using a web-based learning
environment. Prerequisites: CIS236, or permission of Instructor.

CIS238DL  3 Credits 4 Periods
Linux System Administration
Managing Linux Operating Systems including sophisticated
manipulation of file structures, backup systems, printing
processes, troubleshooting, user account management, hard
disk maintenance and configuration, process monitoring and
prioritizing, kernel customization, and system resource control.
Preparation for industry certifications such as the SAIR/GNU LCP
and LCA certificates, CompTIA's Linux+, RHCT, RHCE, and
LPIC. Prerequisites: (CIS260AL, CIS260BL and CIS260CL), or
CIS260DL or, permission of Instructor.

CIS239DL  3 Credits 4 Periods
Linux Shell Scripting
Linux Shell Scripting syntax and methods including the automation
of system tasks as well as interpreted user-level programming.
Course includes the Linux Borne Again Shell (BASH) as well as
a variety of industry competitors. Prerequisites: CIS260DL or
permission of Instructor.

CIS240DL  3 Credits 4 Periods
Linux Network Administration
In-depth networking based on Linux servers and the Transmission
Integrating Linux servers and workstations into a network
environment with multi-platform network operating systems
including a variety of open-standard and proprietary protocols.
Preparation for industry certifications such as the SAIR/GNU LCP
and LCA certificates, CompTIA's Linux+, RHCT, RHCE, and
LPIC. Prerequisites: (CIS260AL, CIS260BL and CIS260CL), or
CIS260DL or permission of Instructor.

CIS243  3 Credits 4 Periods
Internet/Web Development Level III
Development of interactive websites with graphics, video, and
sound using advanced web design techniques and tools. Design
theory for maximizing web readership, interactive and multimedia
elements, speed and accessibility optimization, and intuitive user
interfaces. Prerequisites: CIS233DA or permission of Instructor.

CIS250  3 Credits 4 Periods
Management of Information Systems
The study of business information systems and its management,
communication, e-business strategies, emerging technologies,
database concepts, and project management. Overview of systems
analysis and design. Learn about the competitive and strategic
uses of information systems and how they are transforming
organizations and their management. Prerequisites: CIS105.

CIS251  3 Credits 4 Periods
Computer Game Development-Level II
Advanced object-oriented game development, advanced game
design, and advanced game theory. Use of game development
software tools to demonstrate advanced concepts for modeling
real-time simulations and creating computer games using
object oriented development tools. In depth coverage of game
programming (scripting) techniques, and decision logic using
object oriented techniques. Prerequisites: CIS151 or permission
of Instructor.

CIS259  3 Credits 4 Periods
Visual Basic Programming II
Use of the Visual Basic programming language to identify and
solve advanced problems using suitable examples from business
or other disciplines. Prerequisites: CIS159 or permission of
Instructor.

CIS262AD  3 Credits 4 Periods
C# Level II
Advanced C# programming with emphasis on data structures,
dynamic memory allocation, object-oriented programming, user
interfaces, and database processing. Overview of web applications,
network programming, and reporting tools. Prerequisites:
CIS162AD, or permission of Instructor.

CIS263AA  3 Credits 4 Periods
Java Programming: Level II
Intermediate Java programming. Includes features needed to
construct object-oriented programming, multithreading,
media, files, streams and data structure. Prerequisites:
CIS163AA or permission of Instructor.

CIS266  4 Credits 5 Periods
Network Integration Capstone
Application of project management, installation and troubleshooting
to integrate multiple operating systems. Topics include: diagnostic
and troubleshooting procedures, security vulnerability and
penetration software to installation. Prerequisites: (CIS238DL
and CIS240DL) or (CNT270 or CNT170AA) or [(MST155 or
MST155DA) and (MST157 or MST157DA)] and (CIS270 or
CNT205 or CIS271DL) or associated industry certifications or
permission of Instructor.
CIS270
3 Credits 4 Periods
Essentials Of Network And Information Security
Threats to security of information systems; responsibilities and
basic tools for information security, including communication
security, infrastructure security, organizational security and basic
cryptography. Introduction to the language of network security and
hardware, software and firmware components of an information
security system for local, metropolitan, enterprise, and wide area
networks. Helps prepare participants for the Comptia Security+
exam and the GIAC Security Essentials Certificate (GSEC).
Prerequisites: CNT150, or (MST150 or MST150 any module), or
permission of Instructor.

CIS271DL
3 Credits 4 Periods
Linux Security
Implementing in-depth security methods and techniques in a
Linux-based network environment. Utilize programs, utilities and
configuration techniques to provide user-level, file system,
and network security. Gain knowledge in a variety of security-
cracking techniques and how to guard against them. In all aspects
of security, the standard of practicing professional ethics seriously
emphasized. Preparation for industry certifications such as the
SAIR/GNU LCP and LCA certificates, CompTIA’s Linux+, RHCT, RHCE, and LPIC. Prerequisites: CIS240DL or permission
of Instructor.

CIS276DA
3 Credits 4 Periods
MySQL Database
A broad overview of the MySQL database. Includes Structured
Query Language (SQL) instruction for data definition, data
manipulation, and data retrieval. Develops knowledge and skills
required to install MySQL, model and create new databases,
manage users, authentication, and stored procedures, and
development backup/restore strategies. Prerequisites: CIS105 or
permission of Instructor.

CIS276DB
3 Credits 4 Periods
SQL Server Database
A broad overview of the Microsoft Structured Query Language
(SQL) Server database. Includes SQL instruction for data
definition, data manipulation, and data retrieval. Develops knowledge and skills required to install SQL Server, model and
create new databases, manage users, authentication, and stored
procedures, and develop backup/restore strategies. Prerequisites: CIS105 or permission of Instructor.

CIS276DC
3 Credits 4 Periods
SQL Server Database
A broad overview of the Oracle database. Includes Structured
Query Language (SQL) instruction for data definition, data
manipulation, and data retrieval. Develops knowledge and skills
required to install Oracle, model and create new databases,
manage users, authentication, and stored procedures, and develop
backup/restore strategies. Prerequisites: CIS105 or permission of
Instructor.

CIS282
1-3 Credits 1-3 Periods
Volunteerism For Computer Information Systems: A
Service-Learning Experience
Service-learning field experience within private/public agencies,
educational institution, and citizen volunteer groups. May be
repeated for a total of six (6) CIS282 credit hours. Standard
grading available according to procedures outlined in catalog.
Prerequisites: Permission of Instructor.

CIS284
4 Credits 5 Periods
Certified Internet Web (CIW) Associate Certification
Preparation Course
Explain and implement Internet technologies, network
infrastructure, and protocols. Utilize a variety of markup languages
and web technologies to design web pages. Utilize job skills such
as project management. Explore best practices/issues for web
design, publishing, and e-commerce. Prepare for Certified Internet
Web (CIW) Associate Examinations. Prerequisites: CIS233DA, or
permission of Instructor.

CIS290
1-3 Credits 6-18 Periods
Computer Information Systems Internship
Work experience in business or industry. Prerequisites: Permission
of Instructor.

CIS298
1-3 Credits See Page 292
Special Projects

CNS - Construction

CNS101
3 Credits 3 Periods
Construction And Culture
The cultural context of construction, emphasizing the evolution
and expansion of constructed environments as expressions of
ethical and historical value systems. Prerequisites: None.

CNS130
3 Credits 6 Periods
Computer Aided Design And Drafting
Fundamental drafting and documentation topics and techniques
related to construction, using both board and computer as tools.
Concentration on various methods of two-dimensional and three-
dimensional drawing, sketching, scaling, and dimensioning with
computer and board. Prerequisites: None.

CNS175
3 Credits 3 Periods
Working Drawing Analysis: Blueprint Reading
Detailed analysis and interpretation of construction drawings
(blueprint reading); interpretation of symbols, annotations,
conventions, terms of trade; and understanding of drawing,
dimensioning, plan organization, and specifications. Prerequisites: None.

CNS180
3 Credits 3 Periods
Building Construction Methods, Materials, And
Equipment
Comprehensive study of construction methods, materials, codes,
and equipment used in building construction. Prerequisites: None.

CNS181
3 Credits 3 Periods
Cost Estimating I
Determining quantities of material, equipment, and labor for
a construction project. Includes procedures used to apply unit
costs to these items in a minimum of time. Occupational Safety
and Health Administration Safety Standards and their impact on
construction cost. Prerequisites: None.
CNS200  Construction Management: Field Operation  
Procedures and methods used by construction contractors to 
manage field operation during various phases of a project. Includes 
project team, job scheduling, personnel relations, use of the 
construction documentation on site, inspection techniques, safety 
issues, scope and supervision of the overall construction process. 
Prerequisites: CNS175 and CNS181, or permission of Department 
or Division.

CNS201  Construction Management: Office Operation  
Skills and techniques required to manage construction office 
operations. Includes establishing and financing the business, 
marketing, office operations, and maintaining relationships with 
other construction industry entities through a systematic planning 
approach. Prerequisites: (CNS130 and CNS175 and CNS181) or 
permission of Department or Division.

CNS205  Sustainable Construction/LEED Certification  
Fundamentals of major components of sustainable design 
and construction, including energy, health care facilities, cultural 
and natural resources, and other environmental and economic issues 
of sustainable built environments. Importance of a collaborative 
team effort with owner, developers, architects, engineers, and 
constructors will be integrated into the course. Issues impacting 
schedule and budgets of sustainable construction projects will 
be analyzed. Prepares student for the Leadership in Energy and 
Environmental Design (LEED) Certification Exam. Prerequisites: None.

CNS221  Engineering Mechanics - Statics  
Emphasis on response of bodies to the action of forces. Elementary 
analytical and practical approach to the principles and physical 
concepts of statics, focuses on mastery of basic principles of 
trigonometry, application of vectors and forces, and moments, 
with analysis of basic structures and structural components, 
trusses, shear and moment diagrams, centroids, and moments of 
inertia. Prerequisites: MAT187 or permission of Program Director 
or Instructor.

CNS230  Computer Aided Design and Drafting (CADD) 3D For 
Construction & Architecture (CADD II)  
Design, construction, and annotation of three-dimensional objects 
for construction and architecture industries using AutoCAD 
software. Prerequisites: CNS130, or permission of Department or 
Division.

CNS240  Advanced Computer Aided Design and Drafting 
(CADD) For Construction & Architecture (CADD III)  
Use of advanced AutoCAD two- and three-dimensional commands 
along with various customization codes and techniques specific to 
architecture and construction industries. Prerequisites: CNS230, 
or permission of Department or Division.

CNS243  Heavy Construction Equipment, Methods, And 
Materials  
Fundamentals of machine selection and production estimating, 
using computer-generated data to develop programs that speed the 
decision process or allow easy analysis of multiple options used 
in the heavy construction industry. Applications of engineering 
principles in analyzing economical approaches for heavy 
construction. Covers fleet operation, methods, maintenance, and 
programs for construction of dams, tunnels, roads, and excavations of 
buildings. Prerequisites: None.

CNS260  Strength of Materials  
Strength and application of materials of construction, including 
mechanics of beams, shafts, and bolted and welded connections 
under various loading conditions. Construction behavior of 
various materials externally and internally. Prerequisites: CNS221 
or permission of Instructor.

CNS261  Microcomputers for Constructors  
Effective application of computers in support of construction 
management, administration, and technical aspects of the 
construction industry. Uses of the computer as a problem- 
solving tool, including multimedia software, information management, 
and spreadsheet applications in construction. Prerequisites: None.

CNS263  Electrical Construction Fundamentals  
General knowledge of electrical work related to construction 
management, administration, and technical aspects of the 
construction industry. Covers circuits and machinery, power 
transmission, and electrical distribution with emphasis on 
secondary distribution systems as well as measurement and 
instrumentation, Ohm’s Law, low voltage, high voltage, temporary 
power, generators, service, systems, circuits, motors, transformers, 
electrical installations, codes, cogeneration, energy conservation, 
estimating, safety and related blueprint readings. Prerequisites: None.

CNS271  Home Inspection Structure  
Home inspection practices for foundation, footings, roof, and 
framework, including floor, wall, and ceiling. Covers structural 
considerations and reporting practices. Prerequisites: (BLT262 
and CNS175), or permission of Department or Division.

CNS272  Home Inspection Plumbing, Electrical And HVAC  
Home inspection practices for plumbing, electrical, heating, 
cooling, and air conditioning, and defects of exposed parts of these 
systems in a house structure. Includes components of systems and 
reporting practices. Prerequisites: (BLT262 and CNS175), or 
permission of Department or Division.

CNS273  Home Inspection: Insulation And Interiors  
Home inspection practices for insulation and interiors, including 
walls, ceilings, floors, windows, and doors, and their possible 
defects. Covers reporting practices. Prerequisites: (BLT262 and 
CNS175), or permission of Department or Division.
CNS274  3 Credits 3 Periods  
Home Inspection: Roofing And Exteriors  
Home inspection practices for roofing and exteriors of a house, and their defects. Covers reporting practices. Prerequisites: (BLT262 and CNS175), or permission of Department or Division.  

CNS282  1-3 Credits 1-3 Periods  
Volunteerism For Construction: A Service-Learning Experience  
Service-learning field experience within private/public agencies and citizen volunteer groups. May not repeat specific assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in college catalog. Prerequisites: Permission of Department or Division.  

CNS290  1-3 Credits 5-15 Periods  
Construction Internship  
Construction internship office/field experience with private/public agencies or citizen volunteer groups. May not repeat specific assignment for more than (3) credit hours. Standard grading available according to procedures outlined in college catalog. Prerequisites: Permission of Department or Division.  

CNS296  1 Credit 5 Periods  
Cooperative Education  
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits minimum 2.6 grade point average and ability to obtain a position related to students academic or career goals (students present job may qualify) or permission of instructor. Corequisites: Must be concurrent in at least one class which is related to student’s major or career interest or with permission of the Instructor.  

CNS298  1-3 Credits See Page 292  
Special Projects  

CNT - Cisco Network Technology  

CNT140AA  4 Credits 6 Periods  
Cisco Networking Fundamentals  
Introduction to the computer networking field. Covers network terminology and protocols, communication fundamentals in data networks and the Internet. Includes study of the Open Systems Interconnection (OSI) model, using a top-down approach, cabling and cabling tools, basic Cisco router, configuration, Ethernet technologies, Internet Protocol (IP) addressing, and overview of Internet Protocol version 6 (IPv6), basic configuring and testing of the network, and network standards. Preparation for the Cisco Certified Network Associate (CCNA) examination. Prerequisites: None.  

CNT150AA  4 Credits 6 Periods  
Cisco Routing Protocols And Concepts  
Knowledge of skills to install, configure, customize, maintain and troubleshoot Cisco routers utilizing Advanced Internet Protocol (IP) addressing techniques, Variable Length Subnet Masking (VLSM), distance vectored and Link State dynamic routing protocols, Routing Internet Protocol version 1 (RIPv1) and version 2 (RIPv2), Enhanced Interior Gateway Routing Protocol (EIGRP), Single-area Open Shortest Path First (OSPF), and understanding the structure and behavior of routing tables. Preparation for Cisco certification examination. Prerequisites: CNT140 or permission of Instructor.  

CNT160AA  4 Credits 6 Periods  
Cisco Local Area Networking (LAN) Switching And Wireless  
Comprehensive, theoretical, and practical approach to learning the technologies and protocols needed to design and implement a converged switched network. Learn about the hierarchical network design model and how to select devices for each layer. Configure a switch for basic functionality and implement Virtual Local Area Networks (VLAN), VLAN Trunking Protocol (VTP), and Inter-VLAN routing in a converged network. Implementation of Spanning Tree Protocol (STP) in a converged network and a Wireless LAN (WLAN) in a small to medium network. Comprehensive hands-on labs. Preparation for Cisco certification examination. Prerequisites: CNT140AA or permission of Instructor.  

CNT170AA  4 Credits 6 Periods  
Cisco Accessing The Wide-Area Network (WAN)  
Wide-Area Network (WAN) technologies and network services required by converged applications in Enterprise Networks. Cisco Enterprise Composite model (ECM) to introduce integrated network services and selection of appropriate devices and technologies to meet ECM requirements. Implement and configure common data link protocols and apply WAN security concepts, principles of traffic management, access control and addressing services. Detect, troubleshoot, and correct common enterprise network implementation issues. Includes comprehensive hands-on labs. Preparation for Cisco certification examination. Prerequisites: (CNT140AA, CNT150AA, and CNT160AA), or permission of Instructor.  

CNT200  4 Credits 6 Periods  
CCNP ROUTE: Implementing Cisco IP Routing  
Development of knowledge and skills needed to manage Internet Protocol (IP) traffic and access, understand scalable internetworks configure advanced routing protocols Border Gateway Protocol [BGP], Enhanced Interior Gateway Routing Protocol [EIGRP] Open Shortest Path First [OSPF], as well as Internet Protocol (IPv6), and configuration of secure routing solutions to support branch offices and mobile workers. Comprehensive labs emphasize hands-on learning and practice to reinforce configuration skills. Preparation for Cisco Certified Network Professional (CCNP) exam. Prerequisites: CNT170AA, or CCNA industry certification, or permission of Instructor. Corequisites: CNT220.  

CNT205  4 Credits 6 Periods  
Cisco Certified Network Associate Security  
Associate-level knowledge and skills required to secure Cisco networks. Development of a security infrastructure, identification of threats and vulnerabilities to networks. Mitigation of security threats. Core security technologies. Installation, troubleshooting and monitoring of network devices to maintain integrity,
### Course Descriptions

Confidentiality and availability of data and devices. Competency in the technologies that Cisco uses in its security structure. Prerequisites: CNT170 or CNT170AA or Certified Cisco Networking Associate (CCNA) certification or permission of Instructor.

**CNT220**
**4 Credits 6 Periods**  
Cisco SWITCH: Implementing Cisco IP Switching  
Development of knowledge and skills in building, monitoring, and maintaining switching in converged enterprise networks using advanced and multi-layer switching technologies. Planning, configuring, securing and verifying the implementation of complex enterprise switching solutions. Hands-on learning practice to reinforce configuration skills. Prerequisites: CNT170AA, or CCNA industry certification, or permission of instructor. Corequisites: CNT200.

**CNT231**
**4 Credits 6 Periods**  
CCNP TSHOOT: Maintaining and Troubleshooting Cisco IP Networks  
Development of knowledge and skills in monitoring and maintaining complex enterprise routed and switched Internet Protocol (IP) networks. Skills learned include the planning and execution of regular network maintenance, as well as support and troubleshooting using technology-based processes and best practices, in a systematic approach. Extensive labs emphasize hands-on learning practice to reinforce configuration skills. Preparation for Cisco Certified Network Professional (CCNP) exam Prerequisites: (CNT200 and CNT220), or permission of Instructor.

### COM - Communication

**COM100**
**3 Credits 3 Periods**  
Introduction to Human Communication  
Theory and practice of communication skills in public, small group, and interpersonal settings. Includes study of the speech communication process. Prerequisites: None.

**COM110**
**3 Credits 3 Periods**  
Interpersonal Communication  
Theory and practice of communication skills which affect day-to-day interactions with other persons. Topics may include using verbal and nonverbal symbols, interactive listening, resolving interpersonal conflict, developing and maintaining personal and professional relationships. Prerequisites: None.

**COM207**
**3 Credits 3 Periods**  
Introduction to Communication Inquiry  
Overview of theory and methodological practice in communication with particular attention to scholarly writing skills. Emphasis on development of critical thinking skills through active participation in the research process. Recommended for the communication major. Prerequisites: ENG101 or ENG107 or equivalent, and COM100 or equivalent, or permission of Instructor.

**COM225**
**3 Credits 3 Periods**  
Public Speaking  
Designed to enhance the student’s ability to present public speeches confidently and competently. Also designed to improve information literacy and critical thinking skills. Prerequisites: ENG101, or ENG107, or equivalent.

**COM230**
**3 Credits 3 Periods**  
Small Group Communication  
Principles and processes of small groups and development of skills for participation and leadership in small group settings. Practice in problem solving, decision making, and information sharing. Prerequisites: None.

**COM259**
**3 Credits 3 Periods**  
Communication in Business and Professions  
Interpersonal, group, and public communication in business and professional organizations. Emphasis on oral communication. Prerequisites: ENG101, or ENG107, or equivalent.

**COM263**
**3 Credits 3 Periods**  
Elements of Intercultural Communication  
Basic concepts, principles, and skills for improving oral communication between persons from different minority, racial, ethnic, and cultural backgrounds. Prerequisites: None.

**COM271**
**3 Credits 3 Periods**  
Voice and Diction  
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None.

**COM282**
**1-3 Credits 1-3 Periods**  
Service-Learning Experience in Communication  
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. COM282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

**COM296**
**1-2 Credits 5-10 Periods**  
Cooperative Education  
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Prerequisites: Completion of at least twelve (12) college credits minimum 2.6 grade point average and be able to obtain a position related to students academic or career goals (students present job may qualify) or permission of instructor. Corequisites: Must be concurrent in at least one class which is related to student’s major or career interest or with permission of the Instructor.

**COM298**
**1-3 Credits See Page 292**  
Special Projects  

### CPD - Counseling and Personal Development

**CPD102AB**
**2 Credits 2 Periods**  
Career Exploration  
Designed to assist students make informed career decisions. Focuses on current occupational trends and outlook. Explores career-related interests, values, needs, preferences, skills, and strengths with the use of various assessments. Aids in the development of individualized educational/career goals and action plan. CPD102AB may be repeated for a total of six (6) credit hours. Prerequisites: None.

---

212
<table>
<thead>
<tr>
<th>COURSE DESCRIPTIONS</th>
</tr>
</thead>
</table>
| **CPD102AD** 2 Credits 2 Periods  
Eliminating Self-Defeating Behavior  
Designed to help students change behaviors that work against their potential, i.e., inferior feelings, shyness, nervousness, stage fright, underachievement etc. Focus on identifying undesirable thoughts, emotions and behaviors, for the purpose of developing alternative, and more desirable thoughts, emotions and behaviors. Prerequisites: None. |
| **CPD102AH** 2 Credits 2 Periods  
Stress Management  
Reviews the sources of stress, the physiological effects and the psychological impact of stress on the individual. Provides strategies to reduce stress. Prerequisites: None. |
| **CPD103BC** 2 Credits 2 Periods  
African American Cultural Pride and Awareness  
Develop an awareness of cultural roots, history, and traditions with emphasis on the shaping of personal identity, social, career, and educational decisions. Prerequisites: None. |
| **CPD103BE** 2 Credits 2 Periods  
Native American Cultural Pride and Awareness  
Develop an awareness of cultural roots, history, and traditions with emphasis on the shaping of personal identity, social, career, and educational decisions. Prerequisites: None. |
| **CPD150** 3 Credits 3 Periods  
Strategies For College Success  
Focus on increasing student success through college orientation and personal growth, study skills development, and educational and career planning. Prerequisites: None. |
| **CPD160** 3 Credits 3 Periods  
Introduction To Multiculturalism  
Examination of the multiple cultures and subcultures within the contemporary United States. Personal exploration of awareness and appreciation of multiculturalism. Activities for experiencing diverse cultural perspectives. Critical thinking skills for recognizing, analyzing, and mediating cultural and psychological factors impacting conflict and accord between diverse cultures through written and oral discourse. Prerequisites: ENG101, or ENG107, or permission of Instructor. |
| **CPD282** 1-3 Credits 1-3 Periods  
Volunteerism for Counseling and Personal Development: A Service-Learning Experience  
Service-learning field experiences within private/public agencies, and citizen volunteer groups. May be repeated for a total of six (6) CPD282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor. |
| **CPD298** 1-3 Credits See Page 292  
Special Projects |
| **CRE - Critical Reading**  
**CRE101** 3 Credits 3 Periods  
College Critical Reading  
Apply critical inquiry skills to varied and challenging reading materials. Includes analysis, synthesis, and evaluation through at least two substantial writing and/or speaking tasks. Prerequisites: (A grade of C or better in ENG101 or ENG107) and (appropriate reading placement test score or grade of C or better in RDG091 or RDG095 or permission of Instructor). |
| **CRW - Creative Writing**  
**CRW150** 3 Credits 3 Periods  
Introduction to Creative Writing  
Introduces the student to elements and techniques of creative writing in a variety of genres; teaches terminology and concepts needed for successful participation in writing workshops; facilitates writing practice and evaluation; offers individual guidance on the student’s development as a writer. Prerequisites: None. |
| **CRW160** 3 Credits 3 Periods  
Introduction to Writing Poetry  
Prewriting (invention and discovery); writing; analyzing and evaluating (in workshop); and revising to practice manipulating various elements of poetry, critique one’s own and the poetry of others, and produce a portfolio of finished, marketable poems. Prerequisites: None. CRW150 recommended but not required. |
| **CRW170** 3 Credits 3 Periods  
Introduction to Writing Fiction  
Practice in writing fiction through a process of prewriting (invention and discovery), writing, analysis and evaluation (in workshop), and revision; practice in manipulating various elements and forms of fiction; production of marketable quality short fiction. Prerequisites: None. CRW150 recommended but not required. |
| **CRW180** 3 Credits 3 Periods  
Introduction to Writing Nonfiction  
Practice in writing creative nonfiction, including autobiography and biography, the essay, reviews, and humor using a process of invention and discovery, writing, analysis, evaluation, and revision. Combines lecture, discussion, and workshop, leading to the production of marketable quality creative nonfiction. Prerequisites: None. CRW150 recommended but not required. |
| **CRW190** 3 Credits 3 Periods  
Introduction to Screenwriting  
Overview of screenwriting elements; introduction to screenwriting techniques. Prerequisites: None. CRW150 recommended but not required. |
| **CRW200** 1 Credit 1 Period  
Readings for Writers  
Close analysis and interpretation of selected literary texts designed to strengthen the students’ own writing by extending their familiarity with the genre in which they write and their knowledge of selected literary elements. One-on-one meetings between student and instructor. May be repeated for a total of six (6) credits. Prerequisites: CRW150, or permission of Instructor. |
| **CRW201** 1 Credit 1 Period  
Portfolio  
Close analysis of the creative writing portfolio culminating in selection, revision, editing, and compiling of the student’s own literary work in a portfolio. Students meet individually with instructor to choose, prepare, and compile their work. Prerequisites: (Acceptance into Creative Writing Certificate... |
CSC - Computer Science

CSC100AB 4 Credits 4 Periods
Introduction To Computer Science (C++)
Concepts of problem solving, structured programming in C++, fundamental algorithms and techniques, and computer system concepts. Social and ethical responsibilities. Intended for majors other than Computer Science. Prerequisites: MAT120, or MAT121, or MAT122.

CSC110AB 4 Credits 4 Periods
Introduction To Computer Science (Java)
Concepts of problem solving, structured and object-oriented programming in Java, fundamental algorithms and techniques and computer system concepts. Social and ethical responsibilities. Intended for Computer Science and Computer Systems Engineering Majors. Prerequisites: MAT120, or MAT121, or MAT122.

CSC120 4 Credits 6 Periods
Digital Design Fundamentals
Number systems, conversion methods, binary and complement arithmetic, Boolean switching algebra and circuit minimization techniques. Analysis and design of combinational logic, flip-flops, simple counters, registers, ROMs, PLDs, synchronous and asynchronous sequential circuits, and state reduction techniques. Building physical circuits. Prerequisites: CSC100, or CSC110, or CSC181, or ELE181, or NET181, or equivalent, or permission of Instructor.

CSC205AB 4 Credits 4 Periods
Object-Oriented Programming And Data Structures
Covers object-oriented design and programming, elementary data structures, arrays, lists, stacks, queues, binary trees, recursion, searching and sorting algorithms. Prerequisites: CSC100, or CSC110, or permission of Instructor.

CSC220 4 Credits 5 Periods
Computer Organization and Assembly Language
Assembly language programming including input/output (I/O) programming and exception/interrupt handling. Register-level computer organization, I/O interfaces, assemblers, and linkers. Processor organization and design, data path, control, pipelining, and input/output. Memory organization with cache and virtual memory. Prerequisites: (CSC100, or CSC110) and CSC/EEE120, or permission of Instructor.

CSC240AA 4 Credits 4 Periods
Introduction To Different Programming Languages
Introduction to procedural (C/C++), applicative (LISP), and declarative (Prolog) languages. Prerequisites: CSC210 or permission of Instructor.

CTT - Caterpillar Technician Training

CTT110 3 Credits 5 Periods
Introduction to Caterpillar Service Industry
Introduction to the Caterpillar organization and product line, basic shop safety, and shop operation. Includes computer operations and service information systems. Prerequisites: None.

CTT111 4 Credits 8 Periods
Caterpillar Engine Fundamentals
Introduction to diesel engine theory and service procedures. Focuses on Caterpillar engine systems and applications. Prerequisites: None.

CTT112 3 Credits 5 Periods
Hydraulic Fundamentals
Hydraulic fundamentals, including functions of valves used in Caterpillar hydraulic systems, functions of vane pumps, gear pumps, and piston pumps, and assembly and disassembly of hydraulic components. Includes ISO hydraulic symbols. Prerequisites: None.

CTT113 3 Credits 5 Periods
Fuel Systems
Introduction to fuel systems used in Caterpillar engines. Covers fuel selection, calibrations, and nozzle testing procedures, governor operation, and hydraulic fuel ratio controls. Includes 1.1 and 1.2 MUI and HEUI, EUI, Nippondenso, and Zexel fuel systems. Prerequisites: None.

#### CTT114 Basic Electrical Fundamentals
Basic electrical and electronic principles used by the technician to diagnose and repair electrical systems in Caterpillar machines. Prerequisites: None.

#### CTT115 Air Conditioning Fundamentals
Introduction to principles, systems, components, and servicing of air conditioning systems used in Caterpillar productions. Prerequisites: None.

#### CTT116 Power Train I
Basic components and operations of power train systems used in Caterpillar machines. Covers basic components, clutches, manual shift transmissions, and power shift transmissions. Prerequisites: None.

#### CTT117 Machine Hydraulic Systems
Operation, testing, and adjustment procedures for pilot operated hydraulic systems, load sensing pressure compensated (LSPC) hydraulic systems, electro-hydraulic systems, and hydrostatic systems. Components of hydraulic systems and oil flow through the system. Prerequisites: CTT112.

#### CTT118 Caterpillar Dealer Internship I
Application of skills and knowledge gained in CTT coursework in an internship in a dealership environment. Develops professional skills required of Caterpillar service technician. Provides experience in tool usage, shop safety, connective devices, computers and service information systems, air intake and exhaust systems, lubrication systems, cooling systems, fuel systems, engines, and electrical systems. Required intern to complete a list of learning objectives, keep a logbook, and be evaluated by dealership supervisor and internship coordinator. Prerequisites: None.

#### CTT119 Caterpillar Dealer Internship II
Application of skills and knowledge gained in CTT coursework in an internship in a dealership environment. Develops professional skills required of Caterpillar service technician. Provides experience in hydraulics, pumps, valves, cylinders, and pilot-operated implement system. Requires intern to complete a list of learning objectives, keep a logbook, and be evaluated by dealership supervisor and internship coordinator. Prerequisites: CTT118.

#### CTT200 Power Train II
Methods of transferring power. Hydraulic-driven machines and mechanical power train components, including differentials, brakes, final drives, and undercarriage. Prerequisites: CTT112 and CTT116.

#### CTT201 Machine Electronics
Introduction to machine electronic systems and diagnostic tooling used to diagnose and repair the complex electrical/electronic systems installed in Caterpillar machines. Prerequisites: None.

#### CTT202 Engine Diagnostics And Repair
In-depth study of engine diagnostics and repair techniques used to troubleshoot and repair engine problems in Caterpillar machines. Selection and use of Caterpillar diagnostic tools. Covers oil, air, cooling, and fuel systems. Prerequisites: CTT113.

#### CTT203 Machine Diagnostics
Failure analysis, troubleshooting logic, and diagnostic tooling and processes used to diagnose and repair the complex systems installed in Caterpillar machines. Use of Caterpillar’s Applied Failure Analysis. Introduction to Service Technician Workbench (STW) applications. Prerequisites: None.

#### CTT204 Machine Specific Systems
Introduction to machine-specific systems. Machines covered include compact construction equipment, agricultural combines and challengers, 325B Excavator, off-highway trucks, wheel tractor scrapers, and motor graders. Prerequisites: None.

#### CTT205 Caterpillar Dealer Internship III
Application of skills and knowledge gained in CTT coursework in an internship in a dealership environment. Develops professional skills required of Caterpillar service technician. Provides experience in air conditioning systems, power trains, couplings, transmissions, and hydraulic systems. Requires intern to complete a list of learning objectives, keep a logbook, and be evaluated by dealership supervisor and internship coordinator. Prerequisites: CTT119.

#### CTT206 Caterpillar Dealer Internship IV
Application of skills and knowledge gained in CTT coursework in an internship in a dealership environment. Develops professional skills required of Caterpillar service technician. Provides experience in lubrication systems, engine air induction systems, cooling systems, fuel systems, timing systems, failure analysis, diagnosis, and troubleshooting of specific types of Caterpillar equipment. Requires intern to complete a list of learning objectives, keep a logbook, and be evaluated by dealership supervisor and internship coordinator. Prerequisites: CTT205.

<tr>
<td>DAN280 Dance Practicum</td>
<td>2</td>
<td>6</td>
</tr>
<tr>
<td>A culmination of coursework for the dance major requiring completion of an extended choreographic work from conception to performance. Also requires a final evaluative paper or the successful presentation of a final project. Prerequisites: Permission of Instructor.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>DAN282 Service-Learning Experience in Dance</td>
<td>1-3</td>
<td>1-3</td>
</tr>
<tr>
<td>Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. DAN282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
DFT - Drafting Technology

DFT100 Introduction To Drafting  3 Credits 6 Periods
Provides experience and explores career opportunities in three major areas of drafting: mechanical, electronics and construction. Provides basic skills including multiview and pictorial drawing and freehand sketching. Prerequisites: None.

DFT105AA Computer Aided Drafting I: AutoCAD  3 Credits 6 Periods
Industrial use of AutoCAD equipment (hardware and software) in the areas of mechanical, electronic and construction drawings. Prerequisites: None.

DFT110 Technical Drafting I  3 Credits 6 Periods
Fundamentals of drafting including lettering, basic drawing concepts, geometric construction and multiview projection. Prerequisites: None.

DFT111 Technical Drafting II  3 Credits 6 Periods
Dimensioning and tolerancing, sectional views and auxiliary views. Prerequisites: DFT105AA or DFT110, or equivalent.

DFT112 Technical Drafting III  3 Credits 6 Periods
Detail and assembly drawings, dimensioning and tolerancing per current manufacturing standards. Prerequisites: DFT111 and DFT254AA or equivalent.

DFT114 Machine Trades Blueprint Reading  3 Credits 3 Periods
Analysis and interpretation of technical drawings common to manufacturing and the machine trades. Prerequisites: None.

DFT115 Geometric Dimensioning And Tolerancing  3 Credits 3 Periods
Principles and application of the latest techniques in geometric dimensioning and tolerancing in accordance with current American Society of Mechanical Engineers (ASME) Y14.5M. Recommended for all manufacturing personnel who read or produce engineering drawings related to contracts with the U.S. Government. Prerequisites or Corequisites: DFT110, or MET109, or permission of Department or Division.

DFT245AA Integrated Circuit Design - CMOS Ia  3 Credits 6 Periods
Entry-level integrated circuit layout design in CMOS (Complimentary Metal Oxide Silicon) Technology. Use of drafting techniques for layout and drafting of logic diagrams, schematic diagrams, circuit planning, and integrated circuit drawings. Prerequisites: DFT105AA DFT110 ELE113 and ELE131 or equivalent or permission of Instructor.

DFT252AA Computer Aided Drafting I: AutoCAD  3 Credits 6 Periods
Industrial use of AutoCAD equipment (hardware and software) in the areas of mechanical, electronic and construction drawings. Prerequisites: DFT110, or DFT121, or permission of Department or Division.

DFT254AA Computer Aided Drafting II: AutoCAD  3 Credits 6 Periods
Advanced AutoCAD techniques in constructing three-dimensional objects and symbols, dimensioning and text; advanced techniques for projection, rotation, and translation of objects; advanced plotter use. Prerequisites: DFT105AA MET105AA or DFT252AA or equivalent or permission of Department or Division.

DFT256AA Computer Aided Drafting III: AutoCAD  3 Credits 6 Periods
Use of industrial AutoCAD CAD (computer aided drafting) equipment and programs; advanced concepts; customized CAD usage. Creation and use of three-dimensional components and symbols to design complex objects. File management techniques, file archival, custom command creation and use of macro programs to solve design problems. Prerequisites: DFT254AA or equivalent.

DFT296 Cooperative Education  1-3 Credits 5-15 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits minimum 2.6 grade point average and be able to obtain a position related to students academic or career goals (students present job may qualify) or permission of instructor. Corequisites: Must be concurrent in at least one class which is related to student’s major or career interest or with permission of the Instructor.

DHE - Dental Hygiene Education

DHE110 Pharmacology  3 Credits 3 Periods
Study of the principles of pharmacology and drugs affecting dental treatment. Topics include drug interactions, oral manifestations, drugs used in dentistry and complementary medicine. Prerequisites: Admission to the Dental Hygiene Program or permission of Instructor.

DHE112 Oral Pathology  3 Credits 3 Periods
Identification, classification, etiology and treatment of lesions of the oral mucosa and atypical conditions of the oral cavity and supporting structures. Understanding of abnormal conditions to recognize the parameters of comprehensive dental hygiene care. Multimedia resources are used extensively for identification of oral lesions. Prerequisites: Admission to the Dental Hygiene Program or permission of Instructor.

DHE115 Emergency Medicine  2 Credits 2 Periods
Introduction to recording and interpreting medical history. Additional topics include: recognition of signs and symptoms of medical emergencies, procedures and techniques introduced to prevent emergencies and management of emergency situations in the dental environment. Prerequisites: Admission to the Dental Hygiene Program.
<table>

### COURSE COURSE DESCRIPTIONS

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Credits</th>
<th>Periods</th>
<th>Description</th>
</tr>
</thead>
</table>
| DHE227      | 1       | Period | Dental Anesthesia  
A comprehensive lecture and laboratory course providing concepts and techniques for the administration of local anesthetic agents and nitrous oxide. Experience gained in medical history review, record keeping, patient management and hands-on experience administering local anesthetics and nitrous oxide in a clinical setting. Prerequisites: DHE119 and current CPR certification. |
| DHE229      | 3       | Periods | Community Oral Health  
An examination of methods used to assess the oral health status of the community and to plan, implement, finance and evaluate dental public health programs. Focus on community-based health promotion and disease prevention measures to improve the oral health of the population, as well as the characteristics of dental care delivery systems and the social, political, psychological and economic factors affecting utilization within the system. Prerequisites: Admission to the Dental Hygiene Program or permission of Instructor. |
| DHE232      | 2       | Periods | Dental Hygiene Theory III  
Study of the dental hygiene process of care with emphasis on the patient with special needs and advanced instrumentation. Students participate in field observations and present case documents. Prerequisites: (DHE212 and DHE213), and admission to the Dental Hygiene Program. Corequisites: DHE233. |
| DHE233      | 5       | Periods | Dental Hygiene Clinic III  
Application of the dental hygiene process of care with emphasis on diverse populations. Students prepare for clinical practice using self-assessment, evaluation and critical thinking skills. Prerequisites: (DHE212 and DHE213), and admission to the Dental Hygiene Program. Corequisites: DHE232. |
| ECH - Early Childhood Education |
| ECH126AB    | 1       | Periods | Play Lab-Toddlers  
Participant observation within a laboratory play environment with children 13-35 months of age. Focus on preparation, management and evaluation of developmentally appropriate activities. Prerequisites: None. |
| ECH128      | 3       | Periods | Early Learning: Play and the Arts  
Examines theory, research and practices relating to play and the creative arts in early childhood. Considers practical constraints and alternative perspectives. Prerequisites: None. |
| ECH176      | 3       | Periods | Child Development  
Study of the science of human development from conception through adolescence. Includes observation skills, parent and adult roles in the lives of children, and contemporary issues. Prerequisites: None. |
| ECH270      | 1       | Period | Observing Young Children  
Introduction to techniques of observing young children. Recording methods, interpretation and use of collected information including legal and ethical implications. Prerequisites: None. |
| ECH271      | 1       | Period | Arranging the Environment  
Exploration of the influence of the environment on the behavior of young children. Indoor and outdoor spaces considered and analysis of environments practiced. Prerequisites: None. |
Prerequisites: None.

Consideration given to the macroeconomic topics of national factors that determine national income and employment levels. Emphasis on basic economic institutions and a descriptive analysis of the structure and functioning of the American economy. Prerequisites: None.

Microeconomic principles applied to current problems of market structure, consumer preference, supply and demand, and the theory of the firm. Topics will include contemporary events that are suitable for application of the economic way of thinking. Prerequisites: None.

A descriptive analysis of the structure and functioning of the American economy. Emphasis on basic economic institutions and factors that determine national income and employment levels. Consideration given to the macroeconomic topics of national income, unemployment, inflation and monetary and fiscal policies. Prerequisites: None.

A descriptive analysis of capitalist, socialist and mixed economies. Includes non-competitive market structures such as monopoly and oligopoly; and the effects of government regulation. Prerequisites: None.

A descriptive analysis of capitalist, socialist and mixed economies. Some consideration also given to the problems of less developed economies. Prerequisites: None.

A description of the trends of American population, industry, historical events, and economic thought. Emphasis on the roles of technology and natural resources in agriculture and industry, the labor force, the monetary system, market structures, and the economic impact of government. Prerequisites: None.

ECN - Economics

Consumer Economics
The relationship between the consumer and the economy in American society. Socioeconomic forces that impact on consumer purchases, debt, and budgeting. Consumerism as a movement. Prerequisites: None.

Economic History of the United States
A description of the trends of American population, industry, and wealth through examination of major American institutions, historical events, and economic thought. Emphasis on the roles of technology and natural resources in agriculture and industry, the labor force, the monetary system, market structures, and the economic impact of government. Prerequisites: None.

Macroeconomics Issues
Macroeconomic principles applied to current problems of economic policy, e.g., inflation, unemployment, gross national product (GDP), forecasting, ramifications for the international system. Prerequisites: None.

Macroeconomics Issues
Microeconomic principles applied to current problems of market structure, consumer preference, supply and demand, and the theory of the firm. Topics will include contemporary events that are suitable for application of the economic way of thinking. Prerequisites: None.

Macroeconomic Principles
A descriptive analysis of the structure and functioning of the American economy. Emphasis on basic economic institutions and factors that determine national income and employment levels. Consideration given to the macroeconomic topics of national income, unemployment, inflation and monetary and fiscal policies. Prerequisites: None.

Microeconomic analysis including the theory of consumer choice, price determination, resource allocation and income distribution. Includes non-competitive market structures such as monopoly and oligopoly; and the effects of government regulation. Prerequisites: None.

A descriptive analysis of capitalist, socialist and mixed economies. Some consideration also given to the problems of less developed economies. Prerequisites: None.

Introduction to Serving English Language Learners (ELL)
Rationale for and current educational and legal issues for serving English Language Learners (ELL). Comparison and evaluation of various types of language educational models including Structured English Immersion (SEI), English as a Second Language (ESL) and bilingual. Includes SEI, ESL, and bilingual strategies. Prerequisites: None. Approved school-based practicum is required. EDU220 incorporates the 45-clock hour curricular framework for provisional SEI endorsement through the Arizona Department of Education.
EDU221  3 Credits 3 Periods
Introduction To Education
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching. Prerequisites: None. Requires minimum of 30 hours of field experience in elementary or secondary classroom environment.

EDU222  3 Credits 3 Periods
Introduction To The Exceptional Learner
Overview of the exceptional learner, one who differs from the average or normal, with emphasis on factors relating to current practices, identification, characteristics, and educational adaptations. Issues related to mildly disabled, severely disabled, emotionally and behaviorally disordered, intellectually disabled, and gifted students. EDU222 requires an approved field experience. Prerequisites: None.

EDU230  3 Credits 3 Periods
Cultural Diversity In Education
Examination of the relationship of cultural values to the formation of self-concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on teacher preparation (preservice and/ or inservice) to offer an equal educational opportunity to students of all cultural groups. Prerequisites: None.

EDU233  3 Credits 3 Periods
Structured English Immersion (SEI) and English as a Second Language (ESL) Teaching Methods
Methods of planning, developing, and analyzing lesson plans in all content areas using English Language Learners (ELL) Standards. Emphasis on components of curriculum content, teaching strategies, development/evaluation/adaptation of teaching materials, and the role of culture in learning. Examines the alignment of ELL Proficiency Standards to the Arizona Language Arts Academic Standards. Covers multiple assessment techniques, tracking of student progress using the state mandated English language proficiency assessment, and use of assessment results for placement and accommodation. Prerequisites: (EDU220 or EPD220 or EDU225) or permission of Department or Division.

EDU250  3 Credits 3 Periods
Teaching And Learning In The Community College
The history, functions, organization and current issues in the community/junior college with emphasis on the Arizona community colleges. Includes focus on the design and practice of effective community college teaching and learning with special emphasis on the Maricopa County Community College District. Prerequisites: None.

EDU282  1-3 Credits 1-3 Periods
Service-Learning Experience in Education
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. EDU282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

EDU291  3 Credits 3 Periods
Children’s Literature
Review of folk and modern literature from a variety of world cultures, including application of literary criteria to folk and modern literature for children. Prerequisites: None.

EDU292  3 Credits 3 Periods
The Art of Storytelling
Explore the art and origin of storytelling. Provide a variety of storytelling techniques, styles and exercises to enhance the delivery of telling stories. Assist in the integration and application of storytelling to the learning environment in the classroom. Prerequisites: None.

EDU298  1-3 Credits See Page 292
Special Projects

EED - Early Education

EED200  3 Credits 3 Periods
Foundations Of Early Childhood Education
Overview of early childhood education (birth to age eight) in American society, including current issues and responsibilities. Emphasis on issues of professionalism, ethics and program types. Opportunities for students to explore potential career paths. Includes field experience. Prerequisites: None. EED200 requires a minimum of 30 hours of field experience in birth to age eight environments.

EED205  3 Credits 3 Periods
The Developing Child: Prenatal to Age Eight
Examination of process of physical, social, emotional, cognitive, language, and literacy development of typical and atypical young children; prenatal through age eight. Includes practical application and fieldwork experience. Prerequisites: None.

EED212  3 Credits 3 Periods
Guidance, Management And The Environment
Guidance for guiding young children in early care and education environments. Exploration of guidance, management, and how the environment impacts the lives of young children. Includes observation of classrooms of children ages birth to age eight. Prerequisites: None.

EED215  3 Credits 3 Periods
Early Learning: Health, Safety, Nutrition And Fitness
Consideration of public health issues and safety procedures within early childhood settings, serving young children birth to age eight. Overview of nutritional needs and issues of physical fitness and well-being in young children. Includes field experiences. Prerequisites: None.

EED220  3 Credits 3 Periods
Child, Family, Community and Culture
Examines family, community and cultural influences on development of the young child (birth to age eight). Considers trends and threats to attachment, relationships and cultural identity. Includes social and emotional experiences and their impact on the developing brain. Prerequisites: None.
EED222 3 Credits 3 Periods
Introduction To The Exceptional Young Child: Birth To Age Eight
Overview of the exceptional learner (birth - age 5 eight), one who differs from the average or the norm, with emphasis on observation, techniques, characteristics, identification, types of programs, and work with families. Issues related to learning exceptionalities, sensory and communication disorders, social and emotional problems, physical and health related disorders, and giftedness. Includes field experience. Prerequisites: None.

EED245 3 Credits 3 Periods
Early Learning: Language Acquisition and Literacy Development
Overview of language acquisition and development, emergent literacy, early literacy development, and appropriate early experiences with books, reading, and writing for typical and atypical children birth to age eight. Emphasis placed on reading and writing readiness, methods to enhance literacy development, and strategies for selecting and using children’s books. Prerequisites: None.

EED255 3 Credits 3 Periods
Portfolio Development And Writing For The Profession
Portfolio development, completion, and presentation. Self-assessment and educational short-term and long-term planning, professional development, writing and critical learning included. Prerequisites: Completion of twelve (12) credit hours of EED coursework and permission of Program Coordinator.

EED260 1 Credit 1 Period
Early Childhood Infant/Toddler Internship
Work experience with infants and toddlers in early care and education settings. 80 hours of designated work per credit. May be repeated for a total of six (6) credit hours. Prerequisites: Permission of Department or Division.

EED261 1 Credit 1 Period
Early Childhood Preschool Internship
Work experience with preschoolers in early care and education settings. 80 hours of designated work per credit. May be repeated for a total of six (6) credit hours. Prerequisites: Permission of Department or Division.

EED263 2 Credit 2 Period
Early Childhood Internship: Preschool
Work experience with preschoolers in early care and education settings. Prerequisites: Permission of Department or Division.

EED265 4 Credits 5 Periods
Early Childhood Internship: K-3
Supervised student teacher practicum. Emphasis on the provision of instruction to learners. Covers lesson plan development, classroom procedures, classroom management, and educator professionalism. Includes learner preparation, learner engagement, and learner outcome awareness. Prerequisites: EED100, EED200, EED212, EED215, EED220, EED222, EED270, EED275, and EED280.

EED272 3 Credits 3 Periods
Early Childhood Educational Psychology
Focus on the study and application of psychological principles, theories, and methodologies related to early childhood teaching and learning. Emphasis on early childhood developmental, learning, and motivational theories. Current trends also covered. Prerequisites: None.

EED278 3 Credits 3 Periods
Early Learning: Curriculum and Instruction – Birth/Preschool
Considerations and evaluations of curriculum appropriate to the developmental characteristics of learners, birth through five years. Includes how early childhood standards, philosophies, and program settings relate to the teaching, learning, and assessment process. Includes field experience. Prerequisites: EED200.

EED280 3 Credits 3 Periods
Standards, Observation and Assessment of Typical/Atypical Behaviors of Young Children Birth to Age Eight
Standards, observation, and assessment of typical and atypical behaviors, overview of standards, observation and assessment methodologies for typical and atypical young children (birth to age eight). Includes ethics, referral and reporting procedures, and collaboration with families and other professionals. Prerequisites: CFS176 ECH176 or CFS235 or EED205.

EED282 1-3 Credits 1-3 Periods
Service-Learning Experience in Early Childhood Education
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. EED282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

EEE - Electrical Engineering

EEE120 4 Credits 6 Periods
Digital Design Fundamentals
Number systems, conversion methods, binary and complement arithmetic, Boolean switching algebra and circuit minimization techniques. Analysis and design of combinational logic, flip-flops, simple counters, registers, ROMs, PLDs, synchronous and asynchronous sequential circuits, and state reduction techniques. Building physical circuits. Prerequisites: CSC100, or CSC110, or CSC181, or ELE181, or NET181, or equivalent, or permission of Instructor.

EEE202 5 Credits 7 Periods
Circuits And Devices
Introduction to circuits and devices. Component models, transient analysis, steady state analysis, Laplace transform, and active and passive filter networks. Prerequisites: ECE103 or ECE103AB. Corequisites: (MAT276 or MAT277) and (PHY116 or PHY131).

EEE230 4 Credits 5 Periods
Computer Organization and Assembly Language
Assembly language programming including input/output (I/O) programming and exception/interrupt handling. Register-level computer organization, I/O interfaces, assemblers, and linkers. Processor organization and design, data path, control, pipelining, and input/output. Memory organization with cache and virtual memory. Prerequisites: (CSC100 or CSC110) and CSC/EEE120, or permission of Instructor.
ELE - Electronics

ELE100  3 Credits 4 Periods
Concepts Of Electricity And Electronics
Principles of electric circuits, magnetism and electromagnetism including basic motors and generators. Use of basic measuring instruments. Includes an overview of electronics in the modern world. Prerequisites: None.

ELE105  5 Credits 5 Periods
Algebra-Trigonometry For Technology
Topics from college algebra and trigonometry essential to the study of electronics; polynomials, exponential and logarithmic functions, complex numbers, and trigonometric functions and identities. Prerequisites: A grade of “C” or better in either ELE101, or MAT090, or MAT091, or MAT092, or equivalent, or score of 16 on Technical Algebra placement test.

ELE111  4 Credits 3 Periods
Circuit Analysis I
Direct current (DC) and alternating current (AC) electric circuits. Ohm’s law, Kirchhoff’s laws, series, parallel and series-parallel circuits, fundamentals of inductance and capacitance, and the transient behavior of circuits containing resistance and capacitance or resistance and inductance. Prerequisites: None. Corequisites: ELE105, or MAT120, or MAT121, or MAT122, or equivalent.

ELE112  4 Credits 3 Periods
Circuit Analysis II
Alternating current (AC) and direct current (DC) circuits containing resistance and reactance. Detailed coverage of AC/DC circuit parameters, including theorems, impedance matching, and resonance. Prerequisites: ELE111.

ELE121  4 Credits 3 Periods
Solid-State Devices And Circuits I
Theory of operation of semiconductor diodes and transistors. Bipolar junction transistor biasing and load-line analysis. Alternating current (AC) equivalent circuits applied to small signal amplifiers. Characteristics of large signal and power amplifiers. Prerequisites: ELE111.

ELE131  3 Credits 3 Periods
Digital Logic And Circuits
Number systems, binary arithmetic, and Boolean algebra, combinational and sequential logic circuits, and memory elements. Prerequisites: Score of 19 on Technical Mathematics placement test, or grade of “C” or better in GTC/MET107, or MAT082, or equivalent.

ELE173  2 Credits 4 Periods
Fabrication Techniques
Materials, tools, processes, skills and techniques used for fabricating prototype electronic systems. Topics covered will include safety, component identification, schematic diagrams, materials selection, assembly pictorials, soldering, surface-mount soldering, de-soldering/re-work, inspection, printed circuit board construction and repair, automated assembly, and Electrostatic Discharge (ESD) awareness and procedures. Prerequisites: None. Corequisites: ELE121

ELT - Electronics Technology

ELT298  1-3 Credits See Page 292
Special Projects
## EMT - Emergency Medical Technology

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Title</th>
<th>Credits</th>
<th>Periods</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>EMT101</td>
<td>Cardiopulmonary Resuscitation/Basic Cardiac Life Support</td>
<td>0.5</td>
<td>0.45</td>
<td>Designed to train students in the skills of cardiopulmonary resuscitation to include mouth-to-mouth, mouth-to-mask, and cardiac compression, stabilization of adult, infant, and child victims with airway obstruction, respiratory, and cardiac arrest. Prerequisites: None.</td>
</tr>
<tr>
<td>EMT104</td>
<td>Emergency Medical Technology</td>
<td>9</td>
<td>11.4</td>
<td>Techniques of emergency medical care in accordance with national and state curriculum. Study of the human body, patient assessment, treatment of medically or traumatically compromised patients, special hazards, and medical operations. IV monitoring, sudden infant death syndrome (SIDS), patient-assisted medication administration, automated external defibrillators (AEDs), and blood-glucose monitoring. Includes participation in an eight-hour rotation consisting of patient assessment through clinical, vehicular, and or scenario-based education at a local emergency department outside normal class hours. Requires personal pocket mask, stethoscope, pen light, and trauma scissors. Prerequisites: Must be at least 18 years of age prior to applying to the BLS (Basic Life Support) Training Program per Arizona Revised Statutes, and must have a current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer. Minimum tenth grade.</td>
</tr>
<tr>
<td>EMT104AB</td>
<td>Applied Practical Studies for Emergency Medical Technology</td>
<td>.5</td>
<td>.5</td>
<td>Simulation of actual emergency responses, with practical application of techniques and skills covered in EMT curricula. Scenario based learning applied to the techniques of emergency medical care in accordance with national and state curriculum. Practical application of anatomy, physiology, patient assessment, and treatment of medically or traumatically compromised patients, special hazards and medical operations. Also includes patient-assisted medication administration, semi-automatic external defibrillator and blood glucose monitoring. Students function in outside, scenario based environment. Prerequisites: None. Corequisites: EMT104 FSC104 or EMT200 or (EMT272AA EMT272AB and EMT272LL) or EMT273 or certified EMT Basic IEMT or Paramedic in the State of Arizona or permission of Instructor.</td>
</tr>
<tr>
<td>EMT200</td>
<td>Refresher Course For Certified Emergency Medical Technicians</td>
<td>2</td>
<td>2.7</td>
<td>Designed to meet National and Arizona Department of Health Services (A-DHS) recertification for EMTs. Enhances the knowledge base of the Emergency Medical Technician (EMT) and reinforces basic skills competencies. Prerequisites: Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer or permission of Instructor.</td>
</tr>
<tr>
<td>EMT200AA</td>
<td>.6 Credits .6 Periods</td>
<td></td>
<td></td>
<td>EMT Certification Renewal Challenge Designed to contribute to Arizona Department of Health Services (A-DHS) Bureau of Emergency Medical Services (B-EMS) recertification requirements for Emergency Medical Technician (EMT) according to the U.S. Department of Transportation (DOT) EMT National Curriculum and the Arizona EMT Refresher Curriculum Guidelines. Prerequisites: Current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer or proof of current registry with the National Registry of Emergency Medical Technicians (NREMT).</td>
</tr>
<tr>
<td>EMT200AB</td>
<td>1 Credit 1 Period</td>
<td></td>
<td></td>
<td>EMT-Basic Certification Expanded Refresher Challenge Designed to contribute to Arizona Department of Health Services (A-DHS) Bureau of Emergency Medical Services (B-EMS) recertification requirements for Emergency Medical Technician Basic (EMTB) according to the U.S. Department of Transportation (DOT) EMT-Basic National Curriculum and the Arizona EMT Basic Refresher Curriculum Guidelines. Prerequisites: Current Basic Life Support, American Heart Association Healthcare Provider CPR or equivalent, and current EMT Basic certification in the state of Arizona. Must be currently functioning as an EMT Basic.</td>
</tr>
<tr>
<td>EMT235</td>
<td>Emergency Cardiac Care</td>
<td>3</td>
<td>3</td>
<td>Designed to acquaint all levels of emergency care providers with basic electrocardiographic (ECG) rhythm analysis and interpretation and related care in a clinical and prehospital setting. Required content for the identification and treatment of cardiac emergencies. Prerequisites: EMT/FSC104 or permission of Instructor.</td>
</tr>
<tr>
<td>EMT236</td>
<td>Pharmacology in an Emergency Setting</td>
<td>3</td>
<td>3</td>
<td>Designed for the Emergency Medical Technician dealing with the administration of emergency medications in the field as outlined in current paramedic legislation. In-depth coverage of medications enumerated in the algorithms of patient care as defined by the American Heart Association (AHA), Advanced Cardiac Life Support (ACLS). Coverage of medications that interact or interfere with the AHA ACLS algorithms. Indications, therapeutic effect, contraindications, toxicology, and side effects to medications. Prerequisites: EMT/FSC104 or permission of instructor. MAT082 or equivalency suggested but not required.</td>
</tr>
<tr>
<td>EMT249</td>
<td>12 Lead ECG Rhythm Analysis</td>
<td>.50</td>
<td>.50</td>
<td>Designed to acquaint all level of emergency care providers with electrocardiographic (ECG) rhythm analysis and interpretation using the 12-lead electrocardiogram (ECG). Required content for identification and treatment of myocardial infarction and its complications. Prerequisites: EMT235, or permission of Instructor.</td>
</tr>
</tbody>
</table>
| EMT272AA    | 12.5 Credits 17.3 Periods | | | Advanced Emergency Medical Technology Designed to provide the emergency medical technician with advanced knowledge about the acute critical differences in
physiology, pathophysiology, and clinical symptoms, as they pertain to prehospital emergency care. Emphasis on developing diagnostic and advanced emergency treatment skills necessary to care for the acutely ill and seriously injured. Prerequisites: (MAT102 or equivalent, or a satisfactory score on the ASSET, or COMPASS, or Accuplacer placement exam], ENG101, EMT235, and EMT236), or permission of Program Director. Comprehensive written, oral and practical evaluation on all EMT272AA prerequisite courses. Valid Arizona certification and employment as an EMT for one full calendar year or permission of Program Director. Corequisites: EMT272AB and EMT272LL.

EMT272AB 12.5 Credits 17.3 Periods
Advanced Emergency Medical Technology
Designed to provide the emergency medical technician with advanced knowledge about the acute critical differences in physiology, pathophysiology, and clinical symptoms, as they pertain to prehospital emergency care. Emphasis on developing diagnostic and advanced emergency treatment skills necessary to care for the acutely ill and seriously injured. Prerequisites: (MAT102 or equivalent, or a satisfactory score on the ASSET, or COMPASS, or Accuplacer placement exam], ENG101, EMT235, and EMT236), or permission of Program Director. Valid Arizona certification and employment as an EMT for one full calendar year or permission of Program Director. Corequisites: EMT272AA and EMT272LL.

EMT272LL 7.5 Credits 37.5 Periods
Advanced Emergency Medical Technology Practicum
Clinical and vehicular practicum in support of EMT272. Prerequisites or Corequisites: EMT272AA and EMT272AB.

EMT298 1-3 Credits See Page 292
Special Projects

ENG - English

ENG081 3 Credits 3 Periods
Basic Writing Skills
Emphasis on preparation for college-level composition with a focus on foundational skills. Establishing effective writing strategies through five or more writing projects comprising at least 1500 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG071 or ESL077, or permission of Department or Division.

ENG091 3 Credits 3 Periods
Fundamentals of Writing
Emphasis on preparation for college-level composition with a focus on organizational skills. Developing effective writing strategies through five or more writing projects comprising at least 2000 words in total. Course Note: Through five or more writing projects comprising at least 2000 words (final drafts), the student will demonstrate an understanding of writing as a process through the ability to complete the ENG091 competencies. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG081 or ESL087, or permission of Department or Division.

ENG100AA 1 Credit 1 Period
American-English Spelling System
American-English spelling system rules, mnemonic devices. Prerequisites: Appropriate English placement test score, or a grade of C or better in ENG091 or ESL097, or permission of Instructor.

ENG100AB 1 Credit 1 Period
Vocabulary Development
Latin and Greek derivatives, development of competency and discrimination in word choice, specialized vocabulary. Prerequisites: Appropriate English placement test score, or a grade of C or better in ENG091 or ESL097, or permission of Instructor.

ENG100AC 1 Credit 1 Period
The Mechanics of Written English
Review of the mechanics of written English, including punctuation, arbitrary marks and usages, capitalization, agreement, tense, and sentence patterns. Prerequisites: Appropriate English placement test score, or a grade of C or better in ENG091 or ESL097, or permission of Instructor.

ENG100AD 1 Credit 1 Period
Grammar and Usage
The social aspects of grammar and usage, including appropriate levels of formal and informal language. Prerequisites: Appropriate English placement test score or a grade of “C” or better in ENG091 or ESL097, or permission of Instructor.

ENG101 3 Credits 3 Periods
First-Year Composition
Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of “C” or better in ENG091 or ESL097, or permission of Instructor.

ENG102 3 Credits 3 Periods
First-Year Composition
Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total. Prerequisites: Grade of “C” or better in ENG101.

ENG107 3 Credits 3 Periods
First-Year Composition for ESL
Equivalent of ENG 101 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of “C” or better in ENG091 or ESL097.

ENG108 3 Credits 3 Periods
First-Year Composition for ESL
Equivalent of ENG102 for students of English as a Second Language (ESL). Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total. Prerequisites: Grade of “C” or better in ENG107.

**Course Descriptions**

**ENH - English Humanities**

**ENH110 Introduction to Literature**
Introduction to international literature through various forms of literary expression; e.g., poetry, drama, essay, biography, autobiography, short story, and novel. Provides a global overview of literature with special emphasis on diverse cultural contributions of women, African Americans, Asian Americans, Hispanic Americans, and Native Americans. Prerequisites: None.

**ENH112 Chicano Literature**
Introduction to the works of Mexican-American writers of the Southwest. Samples poetry, fiction, and essays viewed in their relationship to American cultural heritage and to contemporary culture. Prerequisites: None.

**ENH114 African-American Literature**
Survey of major African-American writers from Colonial period through the present; analysis of trends and movements within African-American literary history; analysis of literary types and selected works. Prerequisites: None.

**ENH214 Poetry Study**
Involves reading, discussing, and analyzing poetry of various forms and from selected periods. Prerequisites: None.

**ENH221 Survey of English Literature Before 1800**
Emphasizes the social and political backgrounds as well as the form and content of English literature from Anglo-Saxon times to the end of the eighteenth century. Prerequisites: (ENG101 or ENG107) or equivalent.

**ENH222 Survey of English Literature After 1800**
Emphasizes the social and political backgrounds as well as the form and content of English literature in the nineteenth and twentieth centuries. Prerequisites: (ENG101 or ENG107) or equivalent.

**ENH230 Introduction to Shakespeare**
Introduces Shakespeare the playwright, the sonneteer, the linguist, and the citizen of the 17th century. Considers the major tragedies, comedies, histories, and sonnets; focuses on the use of language; and connects the writer to the time. Some emphasis on Shakespeare’s influence through the centuries, noting parallels between the late 16th century and the late 20th century. Prerequisites: None.

**ENH241 American Literature Before 1860**
Includes literature written prior to 1860 in the United States. Prerequisites: None.

**ENH242 American Literature After 1860**
Includes literature written after 1860 in the United States. Prerequisites: None.
### ENH251  Mythology
- **Credits:** 3
- **Description:** Deals with the myths and legends of civilizations with the greatest influence upon the development of the literature and culture of the English-speaking people, and compares those myths with myths from other cultures. **Prerequisites:** None.

### ENH254  Literature and Film
- **Credits:** 3
- **Description:** Deals with genres and/or themes in reference to the Old and New Testament which are recurrent in world literature. **Prerequisites:** ENG101 or ENG107 or equivalent.

### ENH255  Contemporary U.S. Literature and Film
- **Credits:** 3
- **Description:** Strengths and weaknesses of literature and film. Challenges of adapting literature to film. Addressing racial, ethnic, gender, class and religious differences between cultures and mediums. Use of narrative in each medium and how it translates various cultural values and assumptions. Specific genres present in literature and film. Cultural metaphors and symbols used in literature and film. **Prerequisites:** ENG101.

### ENH275  Modern Fiction
- **Credits:** 3
- **Description:** Includes novels and short stories of modern writers which reflect significant themes of our time. **Prerequisites:** None.

### ENH284  19th Century Women Writers
- **Credits:** 3
- **Description:** Investigates major themes in literature by women writing in the 19th century including the nature of women’s lives in the family, in work situations, and in society. Poetry, prose, essays and drama are examined with an emphasis on common themes. **Prerequisites:** None.

### ENH285  Contemporary Women Writers
- **Credits:** 3
- **Description:** Explores twentieth century literature (short stories, essays, plays, and poetry) written by women and about women. Focus on themes relevant to women’s lives regardless of age, creed, or ethnic background. **Prerequisites:** None.

### ENH291  Children’s Literature
- **Credits:** 3
- **Description:** Review of folk and modern literature from a variety of world cultures, including application of literary criteria to folk and modern literature for children. **Prerequisites:** None.

### ENH295  Banned Books and Censorship
- **Credits:** 3
- **Description:** History, motivations, and effects of censorship in a democratic society. Censorship and book banning as a method of silencing diverse voices. Critical analysis of banned or challenged literature for children and adults. **Prerequisites:** None.

---

### EPS - Entrepreneurial Studies

#### EPS150  Introduction to Entrepreneurship
- **Credits:** 3
- **Description:** Overview of entrepreneurship. Includes the entrepreneurial process and the skills required to be successful, including starting, planning, financing, marketing, and managing a business. **Prerequisites:** None.

#### EPS160  New Venture Creation
- **Credits:** 2
- **Description:** Process of starting a new venture including evaluating specific business opportunities identifying financing alternatives, and defining start-up issues. **Prerequisites:** None.

### EQS - Equine Science

#### EQS105  Principles Of Equine Science
- **Credits:** 3
- **Description:** Breeds, colors and markings; horse selection; basic conformation; form to function; structures of the hoof; footfall sequences; vision, managed health program; nutrition principles and management practices. **Prerequisites:** (RDG091 with a C or better or equivalent as indicated by placement), and ((MAT090, or MAT091, or MAT092) with a C or better or equivalent as indicated by placement), and (ENG091 with a C or better or equivalent as indicated by placement).

#### EQS298  Special Projects
- **Credits:** 1-3
- **Description:** See Page 292
EFL - English Second Language - General

ESL010

3 Credits 3 Periods
English As A Second Language I: Grammar
First level of English as a Second Language (ESL). Emphasis on basic conversational skills, pronunciation, vocabulary building and grammar. Some reading and sentence level writing. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score. ESL111

3 Credits 3 Periods
English As A Second Language I: Listening And Speaking
Emphasis on listening and speaking skills involving survival skills. Asking and answering questions related to work, shopping, and personal safety. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score or ESL002.

ESL012

3 Credits 3 Periods
ESL I-Writing With Oral Practice
Emphasis on basic conventions of writing in English. Includes introduction to the alphabet, capitalization, punctuation, and simple sentence structure. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score or permission of instructor.

ESL020

3 Credits 3 Periods
English As A Second Language II: Grammar
Second level of English as a Second Language (ESL). Continued emphasis on conversational skills, pronunciation, vocabulary building and grammar with some reading and sentence level writing. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score or ESL010, or (ESL010AA, ESL010AB, and ESL010AC).

ESL021

3 Credits 3 Periods
English As A Second Language II: Listening And Speaking
Emphasis on listening and speaking skills involving social exchange. Asking and answering questions, using tag questions. Practice with question and answer patterns. Polite questions and responses. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score or ESL010 or ESL011 or ESL012 or RDG010.

ESL022

3 Credits 3 Periods
ESL II-Writing With Oral Practice
Emphasis on basic writing skills, accompanied by recitation of short writings. Sentence patterns and introduction of paragraph writing. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of “C” or better in ESL012, or permission of Instructor.

ESL030

3 Credits 3 Periods
English As A Second Language III: Grammar
Third level of English as a Second Language (ESL). Emphasis on sentence structure and paragraph building. Extensive grammar study and writing practice. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score, or a grade of “P” or “C” or better in ESL020, or (ESL020AA, ESL020AB, and ESL020AC).

ESL031

3 Credits 3 Periods
English As A Second Language III: Listening And Speaking
Emphasis on listening and speaking skills related primarily to the academic environment. Asking questions, working in small groups, using college resources, informal oral presentation. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of “C” or better in ESL022, or permission of Instructor.

ESL032

3 Credits 3 Periods
ESL III-Writing With Oral Practice
Emphasis on complex sentence patterns in writing and speech. Introduction to the prewriting and writing process in a college setting. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of “P” or “C” or better in ESL030, or (ESL030AA, ESL030AB, and ESL030AC).

ESL040

3 Credits 3 Periods
English As A Second Language IV: Grammar
Fourth level of English as a Second Language (ESL). Continued emphasis on sentence structure and paragraph building. Extensive grammar study and writing practice. Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score, or a grade of “P” or “C” or better in ESL041, or ESL030 or ESL031 or ESL032 or RDG030.

ESL041

3 Credits 3 Periods
English As A Second Language IV: Listening And Speaking
Emphasis on academic skills. Listening to lectures, notetaking, peer interaction, accessing and using media resources, formal oral presentations. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score or ESL030 or ESL031 or ESL032 or RDG030.

ESL042

3 Credits 3 Periods
ESL IV-Writing With Oral Practice
Emphasis on paragraph writing and oral recitation of complex sentences and paragraphs. Introduction to the prewriting and writing process for short essays. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of “C” or better in ESL032, or permission of Instructor.

ESL051

3 Credits 3 Periods
Pronunciation Improvement for ESL Speakers
Individualized pronunciation practice and drills for English as a second language (ESL) speakers. ESL051 may be repeated for a total of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of “C” or better in ESL020, or ESL021, or ESL022, or ESL/RDG026), or permission of Instructor.
ESL097 3 Credits 3 Periods
Fundamentals of Writing for English Language Learners
Emphasis on writing paragraphs and short essays using Standard English incorporating correct, idiomatic English in preparation for college-level composition with a focus on organizational skills. Developing effective writing strategies through five or more writing projects. Prerequisites: Appropriate writing placement score, or a grade of C or better in ESL087 or ENG081, or permission of Department or Division.

ESL298 1-3 Credits See Page 292
Special Projects

ETL - Excellence/Teaching/Learning

ETL287 1 Credit 1 Period
Teaching And Learning Seminar
Emphasis on enhancing teaching and learning through readings, discussions, presentations and synthesis of literature related to a selected topic relevant to current issues in higher education. ETL287 may be repeated for a total of sixteen (16) credit hours. Prerequisites: Permission of Department or Division.

EXS - Exercise Science

EXS101 3 Credits 3 Periods
Introduction to Exercise Science, Kinesiology, and Physical Education
Introductory course that will provide the student with a general overview of the disciplines and professions associated with the fields of Exercise Science, Kinesiology and Physical Education. Basic history, philosophy, and theory of each discipline will be examined as well as relevant career potential and options. Prerequisites: None.

EXS112 3 Credits 3 Periods
Professional Applications Of Fitness Principles
Basic principles of fitness for the prospective fitness professional. Planning and teaching in a fitness program. Topics include exercise risks and safety, weight control, components of fitness, fitness assessment, and exercise programming. Prerequisites: None.

EXS125 3 Credits 3 Periods
Introduction to Exercise Physiology
Principles of exercise science applied to teaching fitness/aerobics. Major factors related to the function of the human body. Emphasis on anatomy/physiology, exercise physiology, and biomechanics. Prerequisites: None. BIO160 recommended but not required.

EXS130 3 Credits 4.5 Periods
Strength Fitness-Physiological Principles And Training Techniques
Principles and techniques of strength training including strength physiology, performance factors, training recommendations, exercise techniques, and program design and management. Prerequisites: None.

EXS132 3 Credits 3 Periods
Cardiovascular Fitness: Physiological Principles and Training Techniques
Covers principles and techniques of aerobic training and the application of these to the development of aerobic training programs. Includes instructional techniques and safety, and stresses injury prevention. Prerequisites: None.

EXS138 1 Credit 1 Period
Starting Your Own Personal Training Business
Overview of the personal training business in the fitness industry. Skills for becoming a successful and effective personal training business owner. Prerequisites: None.

EXS145 4.5 Credits 5 Periods
Guidelines for Exercise Testing and Prescription
Follows the current ACSM guidelines for health appraisal, risk assessment, safety of exercise, exercise testing, and exercise prescription. Prerequisites: None.

EXS150 3 Credit 3 Periods
Introduction to Sports Management
Introduction to the field of sports management, including sports marketing and sales, facility management, event management, professional sports, public relations, intercollegiate and interscholastic athletics. Prerequisites: None.

EXS214 2 Credits 3 Periods
Instructional Competency: Flexibility And Mind-Body Exercises
Fundamental methods of instructing and leading fitness activities including flexibility activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS216 2 Credits 3 Periods
Instructional Competency: Muscular Strength And Conditioning
Fundamental methods of instructing and leading fitness activities including strength and conditioning activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS218 2 Credits 3 Periods
Instructional Competency: Cardiorespiratory Exercises And Activities
Fundamental methods of instructing and leading fitness activities including cardiorespiratory exercises and activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS239 3 Credits 5.4 Periods
Practical Applications of Personal Training Skills and Techniques Internship
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: Completion of nine (9) credits of EXS courses required for the (AAS in Exercise Science and Personal Training, or CCL in Personal Training Specialist, or CCL in Personal Trainer), current CPR card, and permission of Department or Division. CPR certification must be current through the duration of the internship. EXS239 may be repeated for a maximum of six (6) credits.
EXS239  1-2 Credits 1.8-3.6 Periods
Practical Applications of Personal Training Skills and Techniques Internship
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: Completion of nine (9) credits of EXS courses required for the (AAS in Exercise Science and Personal Training, or CCL in Personal Training Specialist, or CCL in Personal Trainer), current CPR card, and permission of Department or Division. CPR certification must be current through the duration of the internship. EXS239AA may be repeated for a maximum of six (6) credits.

EXS265BA  3 Credits 3 Periods
Baseball Theory of Coaching
Reviews the principles, philosophy, strategies and theory of coaching baseball, as a competitive sport. Prerequisites: None.

EXS265BB  3 Credits 3 Periods
Basketball Theory of Coaching
Reviews the principles, philosophy, strategies and theory of coaching basketball, as a competitive sport. Prerequisites: None.

EXS265FB  3 Credits 3 Periods
Football Theory of Coaching
Reviews the principles, philosophy, strategies and theory of coaching football, as a competitive sport. Prerequisites: None.

EXS281BB  3 Credits 3 Periods
Basketball Methods of Coaching
Overview of the art and science of coaching basketball including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching basketball. Prerequisites: None.

EXS281FB  3 Credits 3 Periods
Football Methods of Coaching
Overview of the art and science of coaching football including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching football. Prerequisites: None.

EXS282  1-3 Credits 1-3 Periods
Service-Learning Experience in Exercise Science
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. EXS282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

EXS290  3 Credits 3 Periods
Introduction to Evidence-Based Practice
Introduction to best practices in the acquisition, analysis, synthesis, and potential application of research in the discipline of exercise science. Specific emphasis on the application of research-based evidence for applied problem solving in exercise science. Prerequisites: EXS101 and (ENG101 or ENG107), or permission of Instructor.

FLA282  1-3 Credits 1-3 Periods
Service-Learning Experience in Foreign Languages
Unpaid Service-Learning (SL) experience, completed with approved community partner. May be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

FON100  3 Credits 3 Periods
Introductory Nutrition
Introduction to the science of food and human nutrition. Current sustainable dietary recommendations and applications for maximizing well-being and minimizing risk of chronic disease throughout the life cycle. An overview of the nutrients, emphasizing the importance of energy and fluid balance, and optimal functioning of the digestive system. Understanding factors that influence food intake in different cultures. Methods for evaluating credibility of nutrition claims, a focus on modern food safety and technology practices, and a worldview of nutrition are included. Emphasis is on personal dietary behavior change for a holistic life of wellness. Prerequisites: None.

FON104  1 Credit 1 Period
Certification In Food Service Safety And Sanitation
Preparation for and certification in a national food sanitation and safety program. Emphasis on food from purchasing, receiving, and storing to preparation, holding, and serving. Focuses on safe and sanitary food service facilities and equipment, employee habits and personal hygiene, and role of management in safety and sanitation. Includes time-temperature principles, foodborne illnesses, pest control, accident prevention, standards for cleaning and sanitizing, and regional regulations and standards. Prerequisites: None.

FON125  1 Credit 1 Period
Introduction To Professions In Nutrition And Dietetics
Introduction to professions in nutrition and dietetics, including history, current practice, and future trends. Emphasis on the integration of nutrition and dietetics within health care systems and public policy. Highlights professional ethics, standards of practice, education requirements and areas of practice. Prerequisites: None.

FON135  3 Credits 4 Periods
Sustainable Cooking
Basic cooking techniques for healthful and enjoyable eating. Emphasis on strategies for maximizing the use of whole, local, and nutrient-dense food while focusing on applying the dietary recommendations for optimal health to food choices. Opportunities to learn about sustainable food living, and identifying resources that enable people to be more in control of their food supply. Prerequisites: None.

Prerequisites: FRE101, or FRE101AA, or permission of Department or Division. Completion of prerequisites within the last three years is required.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
FRE115  3 Credits 3 Periods
Beginning French Conversation I
Conversational French. Basic sentence structure, pronunciation and vocabulary necessary to develop speaking ability in French. Designed for students seeking speaking and listening abilities with little emphasis on grammar. Prerequisites: None.

FRE201  4 Credits 4 Periods
Intermediate French I
Review of essential grammar of the French language and study of French culture. Continued practice and development of reading, writing, and speaking skills. Prerequisites: (FRE102 or FRE102AA with a grade of “C” or better), or two years of high school French with an average of “C” or better, or permission of Department or Division. Completion of prerequisites within the last three years is required.

FRE202  4 Credits 4 Periods
Intermediate French II
Review of grammar, continued development of French language skills, and continued study of the French culture. Prerequisites: FRE201 with a grade of “C” or better, or three years of high school French with an average of “C” or better. Completion of prerequisites within the last three years is required.

FSC - Fire Science Technology

FSC101  3 Credits 4 Periods
Intro To Fire Service Selection
Overview of the application and selection processes used by various fire departments and fire service organizations. Elements of fire service culture and their effects on personal growth and interpersonal relationships. Major components of written application processes, requirements, preparation of resumes and their effect on employment prospects. Preparation for the interview to include communications skills, mental preparation techniques, behaviors, and the importance of the interview in the pre-employment process. Preparation for on-site experiences at a fire station. General components of the selection process, the importance of general education, and components of lifelong learning in career choices. Prerequisites: None.

FSC102  11 Credits 19.6 Periods
Fire Department Operations
Introductory fire science course primarily designed for the fire department recruit. Includes firefighting skills, equipment, and administrative policies, fire department operations, personnel policies, and International Fire Service Accreditation Congress Practical Skills Testing. Prerequisites: (EMT/FSC104, FSC105, and FSC130), and permission of Instructor. Corequisites: FSC134.

FSC105  3 Credits 3 Periods
Hazardous Materials/First Responder
Basic methods of recognition and identification based upon the chemical and physical properties of hazardous materials; basic safety procedures when utilizing specific types of protective clothing and equipment; basic tactical information relating to scene management. Confined space operations in accordance with the National Fire Protection Agency. Prerequisites: None.

FSC106  3 Credits 3 Periods
Introduction To Fire Protection
History and evaluation of fire department organization. Role of the fire service in the community. Responsibilities of the fire administrator including organization, departmental functions, interdepartmental relationships, management of buildings and equipment; techniques of fire-fighting. Also includes emergency medical services and fire prevention. Prerequisites: None.

FSC108  3 Credits 3 Periods
Fundamentals Of Fire Prevention
Fundamentals of fire prevention. Includes techniques, procedures, regulations, and enforcement. Also includes discussion of hazards in ordinary and specialoccupancies. Field trips and lectures from industry also included. Prerequisites: None.

FSC110  3 Credits 3 Periods
Wildland Firefighter
Basic-level course for individuals with little or no experience in the wildland environment. Preparation for performing as a beginning-level wildland firefighter with an organized fire department engine or hand crew. Prerequisites: None.

FSC111  2 Credits 2 Periods
Emergency Vehicle Driver Operator
Emergency vehicle operators training including the problems facing operators; the personal qualities of emergency vehicle operator candidates; legal responsibilities of operators; and physical forces involved in driving an emergency vehicle. Includes hands-on training in an emergency response vehicle. Prerequisites: None.

FSC113  3 Credits 3 Periods
Introduction To Fire Suppression
Characteristics and behavior of fire, fire hazard properties of ordinary materials, extinguishing agents, fire suppression organization and equipment, basic fire fighting tactics, and public relations as affected by fire suppression. Prerequisites: None.

FSC117  3 Credits 3 Periods
Fire Apparatus
Principles of care, maintenance and operation of fire apparatus and pumps. Includes pump construction and accessories, pumping techniques, power development, and transmission. Driving, troubleshooting and producing effective fire streams. Prerequisites: None.

FSC118  3 Credits 3 Periods
Fire Hydraulics
Review of basic mathematics. Hydraulic laws and formulas as applied to the fire service. Application of formulas and mental calculations to hydraulic problems, water supply variables, and discharge requirements for pumps. Prerequisites: None. 3 Credits 3 Periods

FSC119  3 Credits 3 Periods
Introduction Fire Service Ethics
Ethical issues, standards, and philosophical consideration of moral problems encountered in fire service. Ethical responsibility of fire service personnel and those they serve. Prerequisites: None.

GBS221 3 Credits 3 Periods
Business Statistics
Business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management. Includes the use of spreadsheet software for business statistical analysis. Prerequisites: Grade of “C” or better in GBS220 or MAT217.

GBS233 3 Credits 3 Periods
Business Communication
Internal and external business communications, including verbal and nonverbal techniques. Prerequisites: ENG101 or ENG107 with grade of “C” or better, or permission of Department or Division.

GBS261 3 Credits 3 Periods
Investments I
Evaluation of various investment forms including study of inflation, taxation, government securities, stocks and bonds, real estate and retirement plans. Prerequisites: None.

GBS270AC 3 Credits 3 Periods
Business Internship
General business work experience in a business or industry. Eighty hours of designated work per credit. GBS270AC may be repeated for a total of six (6) credits. Prerequisites: Permission of Department or Division.

GBS282 1-3 Credits 1-3 Periods
Volunteering General Business: Service-Learning Experience
Service-learning field experience within private/public agencies, educational institution, and citizen volunteer groups. May be repeated for a total of six (6) GBS282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: GBS151 and permission of Instructor.

GCU221 3 Credits 3 Periods
Arizona Geography
The historical to modern development of Arizona. The interplay between the physical, cultural and economic factors affecting Arizona today. Prerequisites: None.

GER - German

GER101 4 Credits 4 Periods
Elementary German I
Basic grammar, pronunciation and vocabulary of the German language. Includes the study of German culture, practice of listening, speaking, reading and writing skills. Prerequisites: None.

GER102 4 Credits 4 Periods
Elementary German II
Continued study of grammar and vocabulary of the German language along with the study of German culture. Emphasis on German language skills. Prerequisites: GER101, or GER101AA, or permission of Department or Division. Completion of prerequisites within the last three years is required.

GER201 4 Credits 4 Periods
Intermediate German I
Review of essential grammar of the German language and study of the German culture. Continued practice and development of reading, writing, and speaking skills. Prerequisites: GER102, or GER102AA, or two years of high school German, or permission of Department or Division. Completion of prerequisites within the last three years is required.

GER202 4 Credits 4 Periods
Intermediate German II
Continued development of German language skills and continued study of the German culture. Prerequisites: GER201 or permission of Department or Division. Completion of prerequisites within the last three years is required.

GLG - Geology

GLG101 3 Credits 3 Periods
Introduction to Geology I: Physical Lecture
A study of the kind and arrangement of materials composing the earth’s crust and the geological processes at work on and within the earth’s surface. Prerequisites: None.

GLG102 3 Credits 3 Periods
Introduction to Geology II: Historical Lecture
Outlines the origin and history of the earth with emphasis on North America—its dynamic, geographic, and climatic changes; animals and plants of the past; the evolution of life. Prerequisites: None.

GLG103 1 Credit 3 Periods
Introduction to Geology I: Physical Lab
May accompany GLG101. Study of common rock-forming minerals, rocks, and maps. Prerequisites: None.

GLG104 1 Credit 3 Periods
Introduction to Geology II: Historical Lab
May accompany GLG102. Study of geological structures and rocks, fossils, and geologic maps. May require field trips. Prerequisites: None.
**Course Course Descriptions**

**GLG105**
Introduction to Planetary Science
4 Credits 6 Periods
A survey of solar system objects and their geologic evolution, surfaces, interiors, and atmospheres, and the methods used to study them; weekly laboratory for data analysis and experiments; possible weekend field trip. Prerequisites: None.

**GLG110**
Geologic Disasters and the Environment
3 Credits 3 Periods
Acquaints students with the use and importance of geological concepts. Emphasis on geology-related environmental problems concerning Arizona. Case histories and field studies. May require field trips. Prerequisites: None.

**GLG111**
Geological Disasters and the Environment Lab
1 Credit 3 Periods
May accompany GLG110. Basic geological processes and concepts. Emphasis on geology-related environmental problems concerning Arizona. Case histories and field studies. May require field trips. Prerequisites: None.

**GLG230AA**
Field Geology of the Southwest
1 Credit 5 Periods
Field trips to selected areas in the Southwest, such as Arizona, Utah, California, and Sonora, to observe and interpret various geological features and phenomena. Prerequisites: None. GLG103 suggested but not required.

**GLG280**
Geology of Arizona Lecture
3 Credits 3 Periods
Acquaints students with the physical and historical geology of Arizona, including the origin of present-day land forms and outstanding modern geologic features and processes now in operation. Prerequisites: None.

**GLG282**
Volunteerism for Geology: A Service-Learning Experience
1-3 Credits 1-3 Periods
Service-learning field experience within human service organizations, government offices, public schools, or hospitals. May be repeated for a total of six (6) GLG282 credit hours; may not repeat specific agency assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

**GLO - Global Citizenship**

**GLO298AA**
Special Projects
1-3 Credits See Page 292

**GPH - Geography: Physical**

**GPH111**
Introduction to Physical Geography
4 Credits 6 Periods
Spatial and functional relationships among climates, landforms, soils, water, and plants. Prerequisites: None.

**GPH210**
Society and Environment
3 Credits 3 Periods
Principles of physical geography relating to environmental problems pertinent to contemporary society. Pollution, maladjusted land use, resource exploitation. Prerequisites: ENG101, or ENG107, or equivalent.

**GPH212**
Introduction to Meteorology I
3 Credits 3 Periods
Atmospheric processes and elements. General and local circulation, heat exchange and atmospheric moisture. Prerequisites: None.

**GPH213**
Introduction to Climatology
3 Credits 3 Periods
Study of atmospheric phenomena over periods of time measured in months, years or longer. Includes average weather conditions, infrequent and unusual types of weather, and the influence of weather on the cultural and human landscape. Prerequisites: None.

**GPH214**
Introduction to Meteorology I Laboratory
1 Credit 3 Periods
Basic meteorological and climatological measurements. Prerequisites: None. Prerequisites: None. Corequisites: GPH212.

**GPH215**
Introduction to Climatology Laboratory
1 Credit 3 Periods
A mathematical, statistical, and spatial analysis of climatological phenomena. Prerequisites: None. Corequisites: GPH213.

**GPH219**
Introduction to GIS Using ArcGIS
3 Credits 3 Periods
An introduction to desktop Geographic Information Systems (GIS) technology using ArcGIS software. Prerequisites: CIS105 or CSC180 or permission of Instructor.

**GPH220**
Intermediate GIS Using ArcGIS
3 Credits 3 Periods
Further development of knowledge and skills in Geographic Information Systems (GIS), including evolution of GIS, GIS users, statistical applications, spatial databases, spatial analysis and related technology, and overview of spatial data. Prerequisites: GPH219 or permission of Instructor.

**GPH267**
Extreme Weather and Climate
3 Credits 3 Periods
Emphasis on interaction of physical and cultural geography in potentially hazardous weather and climate processes. Exploration of hazard risk analysis. Prerequisites: ENG101 or ENG107.

**GPH270**
Introduction to Cartography and Geospatial Technologies
3 Credits 3 Periods
Overview of maps, map projections and cartography. Introduction to geospatial technologies, including remote sensing, Global Positioning System, Geographic Information System, and statistical analysis. Prerequisites: None.

**GPH273**
Advanced GIS Using ArcGIS
3 Credits 3 Periods
Advanced data and spatial analysis techniques in Geographic Information Systems (GIS), using ArcGIS. Prerequisites: GPH220 or permission of Instructor.
GTC206 CNC Programming

CNC Programming of Word Address Language (G&M Code) for computer numerical control (CNC) machine tools. 2, 3 and 4-Axis CNC Programming for CNC controlled machines. Computer based tool path verification, CNC controller tool path verification and CNC machine tool program verification. Study of tooling, speeds, feeds and material removal as related to CNC machine tools and CNC controlled machines. Prerequisites: MET231 or machine shop experience or permission of Program Director.

GTC216 Properties Of Materials

Study of manufacturing properties of materials, the behavior of materials under load, stress and strain and torsion and qualities of materials other than strength. Prerequisites: None.
**GTC223**  
**Advanced Machine Tools**  
3 Credits 6 Periods  
Advanced machining practices; emphasis on application of machines and tool theory. Prerequisites: GTC102 or (MET101 and MET150).

**GTC236**  
**CAD/CAM Computer Numerical Control (CNC) Programming**  
3 Credits 6 Periods  
Programming of Computer Numerical Control (CNC) machine tools such as CNC milling machines and turning centers. Utilizing computer aided drafting and computer aided manufacturing (CAD/CAM) for design and generation of part geometry. Verification of tool path using CAM graphics. Generate program media using a CAM post processor. Prerequisites: None. Prerequisites: GTC/MET206.

**GTC266**  
**Solids Modeling-Solidworks**  
3 Credits 6 Periods  
CAD modeling, solid part generation, assembly of parts, and working drawing creation. Applications of CAD/CAM in Computer Integrated Manufacturing (CIM). Prerequisites: GTC246, DFT254, or permission of Instructor.

**GTC276**  
**Solids Programming**  
3 Credits 6 Periods  
Parametric modeling, CNC part production, model to CAM system integration, and solid model part representation. Applied CAD/CAM in the role of Computer Integrated Manufacturing (CIM). Prerequisites: GTC266.

**GTC298**  
**Special Projects**  
1-3 Credits See Page 292

---

**HES100**  
**Healthful Living**  
3 Credits 3 Periods  
Healthful living and their application to an optimal lifestyle. Explores current topics of interest such as stress management, nutrition, fitness, and environmental health. Evaluates common risk factors associated with modern lifestyles. Prerequisites: None.

**HES106**  
**Cardiopulmonary Resuscitation (CPR)/Automated External Defibrillator (AED)**  
0.5 Credit 0.5 Period  
Basic overview of Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED). Covers choking procedures and the importance, guidelines, and techniques for performing CPR and utilizing an AED. Prerequisites: None.

**HES154**  
**First Aid/Cardiopulmonary Resuscitation**  
3 Credits 3 Periods  
Cardiopulmonary Resuscitation and first aid for the adult, child and infant patients includes Automated External Defibrillator (AED), rescue breathing, obstructed airway, and other first aid procedures. Designed to train citizen responders in skills and procedures required during emergency situation. Prerequisites: None.

</table>

**HIS100 History of Western Civilization to Middle Ages**
Survey of the origin and development of Western civilization and its institutions from prehistory through the Ancient World and the Middle Ages. Prerequisites: None.

**HIS101 History of Western Civilization Middle Ages to 1789**
Survey of origin and development of Western civilization and its institutions from the Renaissance and Reformation through Age of Enlightenment. Prerequisites: None.

**HIS102 History of Western Civilization 1789 to Present**
Survey of origin and development of Western civilization and its institutions from French Revolution through the present. Prerequisites: None.

**HIS103 United States History to 1865**
The political, economic, and social development of the United States from the pre-colonial period through the end of the Civil War (1865). Prerequisites: None.

**HIS104 United States History 1865 to Present**
The political, economic, and social development of United States from 1865 to the present time. Prerequisites: None.

**HIS105 Arizona History**
The prehistoric and contemporary Native American experience, Spanish colonial times, the Mexican National period, the U.S. federal territorial years, and Arizona’s political and economic development during the twentieth century. Prerequisites: None.

**HIS106 Southwest History**
Survey of Hispanic, Anglo, African-American and Native cultures of the peoples who have settled the American Southwest. Emphasis on cattle, mining, fur trade and transportation industries and role development of the region. Prerequisites: None.

**HIS107 Selected Issues in United States History**
Survey of selected major issues in history of United States from early times to present. Prerequisites: None.

**HIS108 United States History 1945 to the Present**
Survey of American history from 1945 to the present. Focuses on the political, social, economic and cultural history of the United States from the end of World War II to the present time. Includes domestic developments and foreign policy. Prerequisites: None.

**HIS110 World History to 1500**
Survey of the economic, social, cultural, and political elements of world history from the beginning of human civilization to 1500. Prerequisites: None.

**HIS111 World History 1500 to the Present**
Survey of the economic, social, cultural, and political elements of world history from 1500 to the present. Prerequisites: None.

**HIS140 American Indian History**
Survey of American Indian history with emphasis on the last 200 years including developments in the 20th century. Focuses on selected groups such as the Cherokee, Iroquois Confederation, Navajo, Sioux and Indians of the Southwest in relation to cultural, economic, political and social continuity and changes. Topics include development and influence of federal policies, past and present issues confronting Native Americans and how Native American individuals and communities maintain their identities as they confront social changes. Prerequisites: None.

**HIS145 History of Mexico**
Survey of the political, economic, and social forces which have shaped the development of Mexico from pre-Columbian times to the present. Prerequisites: None.

**HIS173 United States Military History**
Focuses on the impact of the United States military in both peace and war on American society, politics and foreign relations from the colonial period to the present. Prerequisites: None.
Introduction to organizing special events from concept through completion, including planning, coordination, marketing, financing and risk management. Overview of the critical stages and functions involved in staging and managing special events including meetings, conferences, entertainment, expositions, conventions and sporting events. Prerequisites: None.

HRM146 International Meetings, Conventions and Exhibitions
Introduces the planning and executing of multinational and multicultural meetings, conventions and exhibitions. Emphasizes coordination, logistics, venue selection, budgeting and cultural competencies critical to a global business environment. Prerequisites: HRM110.

HRM260 Hospitality Human Resource Management
Examines concepts and applications of human resource management in the hospitality industry. Topics include recruitment, selection, training and evaluation. Emphasis on current management methods and productivity in the service environment. Prerequisites: HRM110 or approval of instructor.

HRM270 Hospitality Marketing
Essential skills of defining a service market, developing a market plan, and directing personnel to follow the market plan. Emphasis on marketing in the hospitality industry and understanding segmentation, positioning and promotion in that market. Prerequisites: HRM110.

HRM280 Hospitality And Tourism Law
Examines legal aspects of hotel, restaurant and tourism management. Uses case study approach to develop understanding of the laws and regulations governing guest relationships, contracts, employee relations, civil rights, alcoholic beverages, safety and product liability. Prerequisites: HRM110.

HUM100 Great Ideas Symposium
Interrelationships among cultures and behavior in the modern world. Focuses on selected themes and topics. Prerequisites: None.

HUM107 Humanities Through the Arts
Introduction to humanities including film, drama, music, literature, painting, sculpture, and architecture. Prerequisites: None.

HUM201 Humanities: Universal Themes
Study of worldviews in a variety of historical and contemporary world cultures, including analysis of origin and creation myths, artistic expression, spirituality, and the natural environment. Prerequisites: None.

HUM202 Humanities: Universal Themes
The hero/heroine, fool, the social world, and the future as themes in the humanities. Prerequisites: None.

HUM205 Introduction to Cinema
Survey of the history and development of the art of motion pictures. Focus on political, economic, and social forces of the Cold War. Prerequisites: None.
pictures, including criticism of aesthetic and technical elements. Prerequisites: None.

**HUM209**
**Women and Films**
3 Credits 3 Periods
Analysis of images of women in films from both historical and contemporary perspectives. Prerequisites: None.

**HUM210**
**Contemporary Cinema**
3 Credits 3 Periods
A study of contemporary films, directors and critics with emphasis on evaluating film as an art form. Prerequisites: None.

**HUM211AA**
**Foreign Films: Classics**
3 Credits 3 Periods
Analysis of contributions of foreign directors to the art and history of motion pictures through a study of selected films. Prerequisites: None.

**HUM214**
**African-Americans in Film**
3 Credits 3 Periods
Study of films featuring African-American performers and directors from the Silent Era to the present. Emphasis on the historical and social elements of African Americans in film and basics of film analysis. Prerequisites: None.

**HUM215**
**Film Comedy**
3 Credits 3 Periods
Explores the basics of humor in film by tracing its roots through a historical examination of a variety of arts, artists, and theorists. Focuses on films’ unique contributions to the world of laughter. Investigates how comedy, and film comedy in particular, provides an essential and unifying force for culture and society. Prerequisites: None.

**HUM225**
**Introduction to Popular Culture**
3 Credits 3 Periods
Introduction to major topics in the field of popular culture studies. Includes basic theories, methods, and concepts used to analyze popular culture texts and practices. Prerequisites: ENG101 or ENG107.

**HUM250**
**Ideas and Values in the Humanities**
3 Credits 3 Periods
An historical analysis of the interrelationships of art, architecture, literature, music, and philosophy from the early civilizations to the Renaissance, including Western and non-Western cultures. Prerequisites: ENG101.

**HUM251**
**Ideas and Values in the Humanities**
3 Credits 3 Periods
An historical analysis of the interrelationships of art, architecture, literature, music, and philosophy from the Renaissance to modern period, including Western and Non-Western cultures. Prerequisites: ENG101.

**HUM292**
**The Art of Storytelling**
3 Credits 3 Periods
Explore the art and origin of storytelling. Provide a variety of storytelling techniques, styles and exercises to enhance the delivery of telling stories. Assist in the integration and application of storytelling to the learning environment in the classroom. Prerequisites: None.

**IBS - International Business**

**IBS101**
**Introduction To International Business**
3 Credits 3 Periods
A basic overview of international business to introduce students to international trade concepts. Focus of the course is on international business environment issues that influence global business practices, decisions and applications. Prerequisites: None.

**IBS109**
**Cultural Dimension For International Trade**
3 Credits 3 Periods
The importance of cultural sensitivity in international business relations investigated by studying the impact of geography, history, religion, politics, customs and cross-cultural communications on society. Prerequisites: None.

**IBS116**
**Export/Import Management**
3 Credits 3 Periods
Basics of importing and exporting processes with focus on documentation and procedures. Includes transportation and distribution options, freight forwarders, International Common Terms (INCO) shipping terms, packaging strategies, contract negotiation, and execution of international contracts. Prerequisites: IBS101, or permission of Instructor.

**IBS118**
**International Marketing Management**
3 Credits 3 Periods
Planning, implementing, and managing international marketing strategies through application of international marketing research and evaluation in diverse cultural, economic, and political environments. Emphasis on implementation of product, price, promotion, and distribution strategies. Prerequisites: IBS101, or permission of Instructor.

**IBS123**
**U.S. Customs And Export Licensing Regulations**
3 Credits 3 Periods
Requirements for importing into the United States, and for export clearance, licensing, and foreign entry. Includes role of customs brokers, duty rate structure and determination as well as Commerce Control List (CCL) and Export Control Commodity Numbering (ECCN), export licenses, and governmental requirements regarding exports. Prerequisites: IBS101, or permission of Instructor.

**IBS140**
**International Financial Management**
3 Credits 3 Periods
Development of foreign exchange and international banking, including methods of payment, export financing, and application for and administration of government loan programs, country risk analysis, and negotiation and processing of letter of credit and other payment methods. Prerequisites: IBS101, or permission of Instructor.

**IBS298**
**Special Projects**
1-3 Credits See Page 292
IFS - Information Studies

IFS101 3 Credits 3 Periods
Information Skills In The Digital Age
Development of skills and competency in accessing, evaluating and using information resources while examining the social and historical context, as well as the technological implications, of the use and organization of information. Prerequisites: ENG101, or ENG107, or equivalent.

INT - Interior Design

INT100 3 Credits 6 Periods
Interior Design Drafting
Basic manual drafting techniques used in the interior design industry. Focus on industry standards of equipment use, lettering, line work, dimensioning, scaling, and annotation. Introduction and practice of industry-specific drawing types, including floor plans, elevations, sections, details, multi-view projection, and paraline. Brief exploration of hand sketching and Computer-Aided Design (CAD) techniques as they relate to manual drafting. Prerequisites: None.

INT105 3 Credits 3 Periods
Introduction To Interior Design
Introduction to the profession of interior design, including design process, elements and principles of design, and basic concepts of space planning and furniture layout. Development of design vocabulary relative to architectural details, furnishings, and finishes. Prerequisites: None.

INT115 3 Credits 3 Periods
Historical Architecture And Furniture
Historical survey of the development of furniture, interiors, and architecture from antiquity to the 19th Century. Prerequisites: None.

INT120 3 Credits 3 Periods
Modern Architecture And Furniture
Survey of the development of furniture, interiors, and architecture from the 19th Century to the present. Emphasis is on modern architects and designers. Prerequisites: None.

INT140 3 Credits 6 Periods
Introduction to CAD for Interior Design
Introduction to CAD tools for the interior designer with emphasis on industry-accepted standards for interior design following American Institute of Architects (AIA) guidelines. Prerequisites: ARC121, or INT100.

INT145 3 Credits 6 Periods
Drawing and Rendering
Development of basic freehand sketching and perspective drawing skills. Explores styles and techniques with emphasis on quick sketch and presentation type drawings as used by design professionals. Prerequisites: ARC121, or INT100.

INT150 3 Credits 6 Periods
Color And Design
Introduction to the theory and application of color as related to the elements and principles of design. Light and its effect on color. Emphasis on the development of presentation skills for the field of interior design. Prerequisites: None.

INT160 3 Credits 3 Periods
Fabrics For Interiors
Study of the properties, design, and performance characteristics of interior fabrics. Psychological and cultural impact of textiles on the built environment. Role of the interior designer in working with textiles. Introduction to regulations and codes within the textile industry. Prerequisites: None.

INT170 3 Credits 6 Periods
Interior Materials
Properties, performance, maintenance, sustainability and general characteristics of interior finishes, furnishings, and equipment. Emphasis on building a resource file of interior finishes, furnishings, and equipment sources. Prerequisites: INT105 or permission of Instructor.

INT175 3 Credits 6 Periods
Custom Design
Custom design for interiors. Creative problem solving using design theory and process. Visualization of concepts through sketching. Prerequisites: INT105 and (ARC121 or INT100).

INT190 3 Credits 6 Periods
Space Planning
Study of creative, critical, analytical and strategic thinking as it relates to human behavior and the built environment. Emphasis on design theory, process, and application. Stresses creative expression through the utilization of design elements and principles. Prerequisites: INT105 and (ARC121 or INT100). Prerequisites or Corequisites: INT140 or ARC141.

INT200 3 Credits 6 Periods
Advanced CAD For Interior Design
Continued development of skills in CAD for the interior designer focusing on current technology and trends in the interior design industry. Emphasis is placed on critical thinking skills. Experience in production techniques including rendering and manipulation of two- and three-dimensional space. Prerequisites: INT140, or prior CAD experience, or permission of Instructor.

INT205 3 Credits 6 Periods
Residential Design
Use of design process to create design solutions for residential spaces. Functional and aesthetic analysis of interior components. Includes kitchen and bath design; residential furnishings, fixtures and equipment (FF&E); and environment considerations. Refinement of presentation skills. Prerequisites: INT145, INT170, and INT190.

INT260 3 Credits 3 Periods
Interior Codes and Regulations
Study of interior building codes, regulations, and standards and their impact on the health, safety, and welfare of the public. Emphasis on occupancy classifications, means of egress, fire protection, finish/furniture standards and testing, and Americans with Disabilities Act Accessibility Guidelines (ADAAG). Prerequisites or Corequisites: INT190 or permission of Department or Division.
INT271AA 1 Credit 5 Periods
Interior Design Internship
Interior design work experience in the interiors industry. Required to work 80 hours. Supervised and evaluated by a faculty coordinator. May be repeated for a total of four (4) credits with department permission. Prerequisites: Permission of Department or Division.

INT271AB 2 Credits 10 Periods
Interior Design Internship
Interior design work experience in the interiors industry. Required to work 160 hours. Supervised and evaluated by a faculty coordinator. May be repeated for a total of four (4) credits with department permission. Prerequisites: Permission of Department or Division.

INT271AC 3 Credits 15 Periods
Interior Design Internship
Interior design work experience in the interiors industry. Required to work 240 hours. Supervised and evaluated by a faculty coordinator. Prerequisites: Permission of Department or Division.

INT282 1-3 Credits 1-3 Periods
Service-Learning Experience in Interior Design
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. INT282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

JPN115 3 Credits 3 Periods
Beginning Japanese Conversation I
Conversational Japanese. Basic sentence structure, pronunciation, and vocabulary necessary to develop speaking ability in Japanese. Designed for students seeking speaking and listening abilities, with little emphasis on grammar, reading, or writing. Prerequisites: None.

JPN201 5 Credits 6 Periods
Intermediate Japanese I
Expansion of sentence structures through oral/aural practice. Increased emphasis on reading and writing in Japanese and study of Japanese culture. Prerequisites: JPN102 or permission of Department or Division. Completion of prerequisites within the last three years is required.

JPN202 5 Credits 6 Periods
Intermediate Japanese II
Extensive review of Japanese grammar; development of vocabulary and idiomatic expressions through reading and writing. Continued practice of oral communication skills and study of Japanese culture. Prerequisites: JPN201 or permission of Department or Division. Completion of prerequisites within the last three years is required.

JRN - Journalism

JRN125 3 Credits 3 Periods
Photo Editing
Basic techniques of photo composition and editing for media reproduction. Teach how to crop and size photographs. Use of photo editing and design software in paginating a newspaper page on the computer. The effect and impact of color vs. black and white photographs. Basic techniques of photo essay, photo page and photo story and/or multimedia news products and the impact of photos on typography. Prerequisites: None.

JRN201 3 Credits 5 Periods
News Writing
Writing news for the print media. Composing at the computer keyboard. Associated Press editing style, writing skills, and organizational structure for news. Prerequisites: ENG101, or ENG107, or equivalent.

JRN203 3 Credits 3 Periods
Writing for Online Media
Writing using the modes and resources available on the Internet. Use of information and resources available on the Internet in writing, as well as writing for the Internet itself. Prerequisites: Placement into ENG101 on a District-approved writing placement test.

JRN205 3 Credits 3 Periods
Copyediting
Specific skills and techniques of copyediting. Understanding of editing skills to enhance a writer’s abilities whether one’s own or someone else’s. Critically evaluate word usage and meaning to achieve the 3 Cs of writing clarity, completeness and conciseness. Prerequisites: Placement into ENG101 or permission of Instructor.
JRN215  3 Credits 5 Periods
News Production
Writing, editing, and publishing the student newspaper. Emphasis on news judgment, page design, computer pagination, photo usage, headline writing, editorial writing, newsroom management, and legal and ethical considerations. Emphasis may vary according to student goals. Prerequisites: None.

JRN234  3 Credits 3 Periods
Feature Writing
Emphasis on crafting stylized stories for publications. Includes research, interviewing, writing techniques, editing and professional concerns. Prerequisites: Placement into ENG101, or ENG107, or equivalent.

JRN235  3 Credits 5 Periods
Practicum: Public Relations
On-campus public relations experience, including writing media releases, designing and producing promotional materials, planning events, script writing, and developing presentations. Prerequisites: BPC128, JRN133, JRN201, JRN215, MCO120, and MKT101.

JRN236  3 Credits 5 Periods
Advanced Practicum: Public Relations
Off-campus public relations experience integrating skills developed in previous courses. Students placed in community public relations job sites. Writing media releases, designing and producing promotional materials, planning events, script writing and developing presentations. Prerequisites: BPC128, JRN133, JRN234, JRN201, JRN215, JRN235, MCO120, and MKT101.

JRN240  1-3 Credits 1-3 Periods
Journalism Internship
Journalism work experience with a newspaper or other news organization. 80 hours of designated work per credit. Maximum of 6 credits allowed. Prerequisites: JRN215.

JRN298  1-3 Credits See Page 292
Special Projects

JUD - Judicial Studies

JUD109  1 Credit 1 Period
Judicial Writing
Judicial writing skills, including research skills, organization, grammar, and style. Goals and objectives of writing in courts. Prerequisites: None.

JUD111  1 Credit 1 Period
Sentencing Misdemeanants
Alternatives, methods, laws, rules and practices governing the sentencing of persons convicted of misdemeanors under Arizona law. Prerequisites: None.

JUD113  2 Credits 2 Periods
Court Management
Organization and management of courts with emphasis on problems relating to personnel issues, case processing standards, staff organization, quality management, and court administration. Management of fines, fees, bonds, and restitution. Prerequisites: None.

JUD115  2 Credits 2 Periods
Injunctive Actions
Injunctive actions (Orders of Protection and Injunctions Prohibiting Harassment), including philosophy and practical applications of the governing statutes and judicial responsibilities and limitations of powers as related to injunctive orders. Prerequisites: None.

LAT - Latin

LAT101  4 Credits 4 Periods
Elementary Latin I
Introduction to the basic grammar and vocabulary of the Latin language. Practice reading and translating Latin into English. Prerequisites: None.

LAT102  4 Credits 4 Periods
Elementary Latin II
Comparative study of English and Latin grammar. Emphasis on analytical thinking, memorization, and familiarization with new terminology. Translation from English and from original works in Latin. Prerequisites: LAT101 or permission of Instructor. Completion of prerequisites within the last three years is required.

LAT201  4 Credits 4 Periods
Intermediate Latin I
Introduction to translation technics using selections from various authors; emphasis on use of primary texts. Prerequisites: LAT102. Completion of prerequisites within the last three years is required.

LAT202  4 Credits 4 Periods
Intermediate Latin II
Refinement of translation techniques using selections from Virgil’s Aeneid; emphasis on use of language and meter. Prerequisites: LAT201. Completion of prerequisites within the last three years is required.
LBS - Library Skills

LBS220 1 Credit 1 Period
Information Literacy And The Internet
Exploration of the Internet as an informational resource. Development of basic information literacy skills. Prerequisites: None.

LBT - Library Technology

LBT130 3 Credits 3 Periods
Introduction to Reference Skills and Resources
Introduction to the reference process and uses of various types of sources including traditional formats, online databases, CD-ROM databases, web-based resources, and other developing technologies. Basic concepts of fulfilling information needs and selecting appropriate sources, including selecting and managing electronic resources. Prerequisites or Corequisites: LBT101 or permission of instructor or program director.

LBT150 3 Credits 3 Periods
Introduction to Public Services
The changing nature of information access and the role of library and information service paraprofessionals in public services in libraries and information centers. Principles of library public services and functions of the various departments including circulation systems, interlibrary loan, reserves, current periodicals, and other typical public service areas. Historic patterns, future trends, and ethical and professional standards. Working effectively with library users and staff in providing information access and customer service. Prerequisites or Corequisites: LBT101 or permission of instructor or program director.

LBT160 3 Credits 3 Periods
Introduction to Library Information Systems
Introduction to information systems for libraries and the information industry, including the fundamentals of library systems such as online catalogs, computerized circulation systems, basic operating systems, LANs and networked databases. Evolution and future trends in library technology, integration of library online systems, and impact of computing on libraries and the information industry. Prerequisites or Corequisites: LBT101 or permission of instructor or program director BPC101AA suggested but not required.

LBT217 1 Credit 1 Period
Serials Management
Selection, acquisition, de-acquisition, cataloging, housing, reference service, automation, and financial management of serials. Prerequisites or Corequisites: LBT101 or permission of Instructor or Program Director.

LBT218 1 Credit 1 Period
Basic Materials Repair
Preservation management, including the repair program in general libraries; methods of performing basic repairs to book and nonbook materials; selecting materials for in-house repair; cost factors involved in in-house repair programs, including supplies, staffing, equipment, space, maintaining quality, and evaluating in-house repair programs. Prerequisites: None.

LBT252 1 Credit 1 Period
Customer Service and Supervision
Communication, teamwork, leadership, and supervisory skills required in delivery of customer services. Working effectively with users, providing and evaluating services, working with problem patrons, and strategies for delivery of customer services. Theory and practice of supervision and types of groups to be supervised. Prerequisites: None.

LBT254 2 Credits 3 Periods
Library Services for Children and Young Adults
Introduction to library services for children and young adults. Principles and practices of effective services, including types of libraries with children’s services, children’s programming, materials selection, age-appropriate activities, reader’s advisory, public relations, evaluation of programs, physical environment considerations, and special issues and trends. Prerequisites: or Corequisites: LBT150 or permission of Instructor or Program Director.

LBT270 1 Credit 5 Periods
Practicum Projects
Practical experience organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance in professional-type facilities. LBT270 may be repeated for a total of three (3) credit hours. Prerequisites: Permission of Program Director or Instructor.

LBT271 1 Credit 1 Period
Library Information Industry Careers And Portfolio Development
Professionals, organizations, and journals in the library information field. Resume writing, cover letters, career choices, interviews, and job searching. Includes time management and coping with change. Development of portfolio to document and showcase learning and achievement in the Library Information Technology program. Prerequisites: Permission of Program Director or Instructor.

LBT272AA 1 Credit 5 Periods
Library Internship In Technical Services
Supervised work experience in Technical Services in a public, school, academic, or special library. Daily log of activities required for discussion and evaluation of objectives in individual conferences. Prerequisites: Permission of Program Director or Instructor.

LBT272AB 1 Credit 5 Periods
Library Internship In Public Services
Supervised work experience in Public Services in a public, school, academic, or special library. Daily log of activities required for discussion and evaluation of objectives in individual conferences. Prerequisites: Permission of Program Director or Instructor.

LBT272AC 1 Credit 5 Periods
Library Internship In Media Services Or Information Services
Supervised work experience in media information services in a public, school, academic or special library. A daily log of activities required for discussion and for evaluation of objectives in regularly scheduled group sessions and individual conferences. Prerequisites: Permission of Program Director or Instructor.
LBT274  Independent Study In Library Information Services
 Independent study and individualized learning research activities organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized study guided by professional expertise. Prerequisites: Permission of Program Director or Instructor.

LBT282  Volunteering for Library Science: A Service-Learning Experience
 Service-learning field experience within private/public agencies, educational institutions, and citizen volunteer groups. May be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

LDR - Leadership
LDR102  Emerging Leaders II
 Focus on implementing collaborative practices and organizational leadership skills to promote positive social change. Apply value-based leadership behavior in diverse settings. Prerequisites: LDR101 or permission of Instructor.

MAT - Mathematics
MAT082  Basic Arithmetic
 Primary emphasis placed on fundamental operations with whole numbers, fractions, decimals, integers, and rational numbers; proportions and percentages. Other topics include representations of data, geometric figures, and measurement. Prerequisites: Satisfactory score on district placement exam. Students may receive credit for only one of the following: MAT081, MAT082, or MAT083.

MAT090  Developmental Algebra
 Linear behavior; linear equations and inequalities in one and two variables; graphs; systems of equations in two variables; function notation, graphs, and data tables; operations on polynomials; properties of exponents; applications. May receive credit for only one of the following: MAT090, MAT091, MAT092, or MAT093. Prerequisites: Grade of “C” or better in MAT082, or equivalent, or satisfactory score on District Placement exam.

MAT092  Introductory Algebra
 Linear behavior; linear equations and inequalities in one and two variables; graphs; systems of equations in two variables; function notation, graphs, and data tables; operations on polynomials; properties of exponents; applications. May receive credit for only one of the following: MAT090, MAT091, MAT092, or MAT093. Prerequisites: Grade of “C” or better in MAT082, or MAT102, or equivalent, or satisfactory score on District Placement exam.

MAT102  Mathematical Concepts/Applications
 A problem solving approach to mathematics as it applies to life and the world of work. Development, demonstration, and communication of mathematical concepts and formulas that relate to measurement, percentage, statistics, and geometry. Prerequisites: Grade of “C” or better in MAT082, or equivalent, or satisfactory score on District placement exam.

MAT108  Tutored Mathematics
 Structured tutorial assistance and math study skills to help students achieve success in a mathematics course in which they are concurrently enrolled. Mathematics study skills emphasized. MAT108 may be repeated for a total of ten (10) credits. Prerequisites: None. Corequisites: MAT082 or MAT090 or MAT091 or MAT092 or MAT120 or MAT121 or MAT122 or MAT140 or MAT141 or MAT142 or MAT150 or MAT151 or MAT152 or permission of Department Chair.

MAT120  Intermediate Algebra
 Quadratic, rational, radical, exponential, and logarithmic functions and equations; graphs of quadratic, exponential, and logarithmic functions; equations quadratic in form; operations on rational expressions, radical expressions, and complex numbers; rational exponents; applications. May receive credit for only one of the following: MAT120, MAT121, or MAT122. Prerequisites: Grade of “C” or better in MAT090, MAT091, MAT092, MAT093, or equivalent, or a satisfactory score on the District placement exam.

MAT121  Intermediate Algebra
 Quadratic, rational, radical, exponential, and logarithmic functions and equations; graphs of quadratic, exponential, and logarithmic functions; equations quadratic in form; operations on rational expressions, radical expressions, and complex numbers; rational exponents; applications. May receive credit for only one of the following: MAT120, MAT121, or MAT122. Prerequisites: Grade of “C” or better in MAT090, MAT091, MAT092, MAT093, or equivalent, or a satisfactory score on the District placement exam.

MAT122  Intermediate Algebra
 Quadratic, rational, radical, exponential, and logarithmic functions and equations; graphs of quadratic, exponential, and logarithmic functions; equations quadratic in form; operations on rational expressions, radical expressions, and complex numbers; rational exponents; applications. May receive credit for only one of the following: MAT120, MAT121, or MAT122. Prerequisites: Grade of “B” or better in MAT090, MAT091, MAT092, MAT093, or equivalent, or a satisfactory score on the District placement exam.
MAT142 3 Credits 3 Periods
College Mathematics
Working knowledge of college-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Appropriate for the student whose major does not require college algebra or precalculus. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam.

MAT150 5 Credits 5 Periods
College Algebra/Functions
Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, modeling and solving real world problems. Additional topics may include matrices, combinatorics, sequences and series, and conics. May receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam.

MAT151 4 Credits 4 Periods
College Algebra/Functions
Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, modeling and solving real world problems. Additional topics may include matrices, combinatorics, sequences and series, and conics. May receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam.

MAT152 3 Credits 3 Periods
College Algebra/Functions
Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, modeling and solving real world problems. Additional topics may include matrices, combinatorics, sequences and series, and conics. May receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam.

MAT156 3 Credits 3 Periods
Mathematics for Elementary Teachers I
Focuses on numbers and operations. Algebraic reasoning and problem solving integrated throughout the course. Prerequisites: Grade of “C” or better in MAT142, or MAT150, or MAT151, or MAT152, or equivalent, or satisfactory score on District placement exam.

MAT157 3 Credits 3 Periods
Mathematics for Elementary Teachers II
Focuses on measurement, geometry, probability and data analysis. Appropriate technologies, problem solving, reasoning, and proof are integrated throughout the course. Prerequisites: MAT156 or equivalent.

MAT182 3 Credits 3 Periods
Plane Trigonometry
A study of measures of angles, properties of graphs of trigonometric functions, fundamental identities, addition and half-angle formulas, inverse trigonometric functions, solutions of trigonometric equations, complex numbers and properties of triangle solution. May receive credit for only one of the following: MAT182 or MAT187. Prerequisites: Grade of “C” or better in MAT150, or MAT151, or MAT152, or equivalent, or concurrent registration in MAT150, or MAT151, MAT152, or satisfactory score on District placement exam.

MAT187 5 Credits 5 Periods
Precalculus
A precalculus course combining topics from college algebra and trigonometry. Preparation for analytic geometry and calculus. May receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. Strongly recommended that students have some knowledge of trigonometry. Prerequisites: Grade of B or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on a placement test.

MAT206 3 Credits 3 Periods
Elements of Statistics
Basic concepts and applications of statistics, including data description, estimation and hypothesis tests. Prerequisites: (A grade of “C” or better in MAT140, or MAT141, or MAT142), or (a grade of “C” or better in MAT150, or MAT151, or MAT152), or equivalent, or satisfactory score on district placement test.

MAT212 3 Credits 3 Periods
Brief Calculus
Introduction to the theory, techniques and applications of the differential and integral calculus of functions with problems related to business, life, and the social sciences. Students may receive credit for only one of the following: MAT212 or MAT213. Prerequisites: Grade of “C” or better in MAT150, or MAT151, or MAT152, or MAT187, or appropriate Math placement test score.

MAT218 4 Credits 4 Periods
Mathematical Analysis for Business
An introduction to the mathematics required for the study of business. Includes multivariable optimization, Lagrange multipliers, linear programming, linear algebra, probability, random variables, discrete and continuous distributions. Prerequisites: Grade of “C” or better in MAT212 or MAT213.

MAT220 5 Credits 5 Periods
Calculus with Analytic Geometry I
Limits, continuity, differential and integral calculus of functions of one variable. Students may receive credit for only one of the following MAT220 or MAT221. Prerequisites: Grade of “C” or better in [MAT182 and (MAT150, MAT151 or MAT152)], or MAT187, or appropriate Math placement test score.
MAT221 - 4 Credits 4 Periods
Calculus with Analytic Geometry I
Limits, continuity, differential and integral calculus of functions of one variable. Students may receive credit for only one of the following MAT220 or MAT221. Prerequisites: Grade of "C" or better in [MAT182 and (MAT150, MAT151 or MAT152)], or MAT187, or appropriate Math placement test score.

MAT225 - 3 Credits 3 Periods
Elementary Linear Algebra
Introduction to matrices, systems of linear equations, determinants, vector spaces, linear transformations and eigenvalues. Emphasizes the development of computational skills. Prerequisites: Grade of “C” or better in MAT212 or MAT220, or MAT221, or equivalent.

MAT227 - 3 Credits 3 Periods
Discrete Mathematical Structures
Introduction to lattices, graphs, Boolean algebras, and groups. Emphasis on topics relevant to computer science. Prerequisites: Grade of “C” or better in CSC100 and (MAT220, or MAT221, or equivalent) or permission of Instructor.

MAT231 - 4 Credits 4 Periods
Calculus with Analytic Geometry II
Techniques of integration for both proper and improper integrals with applications to the physical and social sciences, elements of analytic geometry, and the analysis of sequences and series. Student may receive credit for only one of the following: MAT230 or MAT231. Prerequisites: Grade of “C” or better in MAT220, or MAT221, or equivalent.

MAT241 - 4 Credits 4 Periods
Calculus with Analytic Geometry III
Multivariate calculus including vectors, vector-valued functions, partial differentiation, multiple integration and an introduction to vector fields. Student may receive credit for only one of the following: MAT240 or MAT241. Prerequisites: Grade of “C” or better in MAT240 or MAT241.

MAT276 - 4 Credits 4 Periods
Modern Differential Equations
Introduces differential equations, theoretical and practical solution techniques with applications. Problem solving using MATLAB. Prerequisites: Grade of “C” or better in MAT230, or MAT231, or permission of Department or Division

MAT282 - 1-3 Credits 1-3 Periods
Service-Learning Experience in Mathematics
Unpaid Service-Learning (SL) experience, completed with approved community partner. May be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

MAT298 - 1-3 Credits See Page 292
Special Projects

MCO - Mass Communication

MCO120 - 3 Credits 3 Periods
Media and Society
Study of historical and contemporary roles of media and its pervasiveness in society as it related to politics, education and culture. Prerequisites: ENG101, or ENG107, or equivalent.

MCO220 - 3 Credits 3 Periods
Cultural Diversity and the Media
Images of the diverse cultures and gender issues within the U.S. media. Exploration of racial and gender roles which shape the media as well as media roles which influence U.S. race relations and racial change. Roles, contributions, and challenges of the minority press in the United States. Prerequisites: ENG101, or ENG107, or equivalent.

MET - Manufacturing Technology

MET100AA - 2 Credits 2 Periods
Tool Room I: Introduction to Machine Processes

MET112 - 3 Credits 5 Periods
Inspection Techniques
Set-up and use of inspection tools, equipment, per industry standards including the use of surface plates, right angle blocks, cylindrical squares, V-Blocks, and related equipment. Selection, completion and interpretation of information from inspection forms. Inspection alternatives, tool control activities, and application of geometric dimensioning and tolerance. Prerequisites: (A grade of “C” or better in MAT082, or higher level mathematics course, or satisfactory score on District Placement exam) or permission of Department or Division. Prerequisites or Corequisites: MET109.

MET131 - 3 Credits 3 Periods
Lean Manufacturing
Lean manufacturing methodologies and application to a manufacturing organization. Identification of waste and application of cost to poor quality process within a manufacturing organization. Lean manufacturing tools and implementation. Organizational buy-in. Prerequisites: None.

MET207 - 3 Credits 3 Periods
CNC Mill: Operator Training I
Computer Numerical Control (CNC) Mill qualified setup and functioning program. Mill operation, Changing tool values, Replacing and qualifying tooling, CNC Mill operator training including machine controls, tooling and operations. Proper machine shop safety. Prerequisites: MET231 or permission of Program Director. Prerequisites/Corequisites: GTC/MET206 or permission of Program Director.
COURSE DESCRIPTIONS

MET208  3 Credits 3 Periods
CNC Lathe: Operator Training I
Computer Numerical Control (CNC) Lathe qualified setup and functioning program. Operation of lathe. Changing tool values. Replacing and qualifying tooling. CNC Lathe operator training including machine controls, tooling and operations. Proper machine shop safety. Prerequisites: MET231 or permission of Program Director. Prerequisites/Corequisites: GTC/MET206 or permission of Program Director.

MET209  3 Credits 6 Periods
CNC Mill: Operator Training II
Setup and operation of a computerized numerical control (CNC) mill and fourth axis rotary table. Computerized numerical control (CNC) machining center. Manufacturing operation instruction and functioning program. Changing tool values. Replacement and qualifying tooling. Advanced program editing including CANNED cycle use and manipulation. CNC mill operator training including advanced machine control manipulation communication techniques, and fixtureing concepts. Proper machine shop safety. Prerequisites: (MET102, MET203, Met206, and MET207) or permission of department.

MET210  3 Credits 6 Periods
CNC Lathe: Operator Training II
Setup and operation of a Computer Numerical Control (CNC) lathe and CNC Mill/Turn. Manufacturing operation instructions and functioning program. Changing tool values. Replacing and qualifying tooling. Advanced CNC lathe topics including production tooling and coolants, live tooling (mill/turn), tail stock, bar pull/feed, advanced program editing, CANNED cycle use and manipulation, and set up time reduction. Proper machine shop safety. Prerequisites: (MET102, MET203, MET206 and MET208) or permission of department.

MET250  3 Credits 24 Periods
Machining Practices II
Lab to accompany MET103. Hands-on experience in fabricating sophisticated metal components, complex level of planning, layout, measuring, setup and machine tool operations. Prerequisites: MET101, MET150, or permission of instructor. Corequisites: DFT110, GTC/MET108, MET103 and QCT270.

MGT - Management

MGT101  3 Credits 3 Periods
Techniques of Supervision
Overview of the foundations of supervision and how to get things done within an organization through other people. The functions of planning, organizing, staffing, motivating and controlling presented. Prerequisites: None.

MGT147  3 Credits 3 Periods
Supply Chain Management
Supply chain management, including basic concepts and underlying principles of logistics and inventory management. Prerequisites: None.

MGT175  3 Credits 3 Periods
Business Organization and Management
Covers basic principles of managing quality and performance in organizations. Covers management functions: planning, organizing, leading, and controlling. Emphasizes continual improvement, ethics, and social responsibility. Prerequisites: None.

MGT229  3 Credits 3 Periods
Management And Leadership I
Covers management concepts and applications for business, industry, and government organizations. Prerequisites: None.

MGT230  3 Credits 3 Periods
Management and Leadership II
Includes practical applications of activities, issues, and problems related to current managerial and supervisory skills and talents. Prerequisites: MGT229 or permission of Department or Division.

MGT242  2 Credits 2 Periods
Project Scope And Procurement Management
Scope management and procurement management in a project environment, including how a project’s scope is planned, defined, and verified. Concepts of scope change management. Concepts of procurement management, including procurement planning, supplier solicitation, supplier selection, contract administration, and contract closeout. Prerequisites: TQM240 or permission of Instructor.

MGT243  2 Credits 2 Periods
Project Time And Cost Management
Time management and cost management in a project environment, including activity definition, sequencing and duration estimating. Schedule development and specific tools to support schedule creation and control. Project cost management including resource planning, cost estimation, cost budgeting, and cost control. Prerequisites: TQM240 or permission of Instructor.

MGT244  2 Credits 2 Periods
Project Risk And Quality Management
Risk management and quality management in a project environment, including risk identification, risk aversion, and risk response planning. Presents techniques to perform risk analysis and risk response planning on projects. Concepts of quality management including quality planning, quality assurance and quality control. Concepts of quality systems and their applicability to project management. Prerequisites: None.

MGT245  2 Credits 2 Periods
Project, Human Resources And Communications Management
Concepts of human resource management and communications management in a project environment, including project organizational planning, staff acquisition and team development. Concepts of project communications planning, information distribution, performance reporting, and project closeout. Prerequisites: None.

MGT246  3 Credits 3 Periods
Principles Of Project Management
Project Management principles expected of a Project Management Professional (PMP). Includes an overview of exam format, topics, and study techniques. Focus is on project scope, procurement,
time, risk, cost, quality, human resource, communication, and integration management. Prerequisites: TQM240 or permission of Instructor.

**MGT251  3 Credits 3 Periods**  
**Human Relations In Business**
Analysis of motivation, leadership, communications, and other human factors. Cultural differences that may create conflict and affect morale individually and within organizations. Prerequisites: None. MGT101 or MGT175 or MGT229 suggested, but not required.

**MGT253  3 Credits 3 Periods**  
**Owning and Operating a Small Business**
Starting, organizing, and operating a small business, including location, finance management processes, advertisement and promotion, credit, inventory control and ethics. Prerequisites: None.

**MGT270AC  3 Credits 3 Periods**
**Management Internship**
Management work experience in a business or industry. 80 hours of designated work per credit. MGT270AC may be repeated for a total of six (6) credits. Prerequisites: Permission of Department or Division.

**MGT276  3 Credits 3 Periods**  
**Personnel/Human Resources Management**
Human resource planning, staffing, training, compensating, and appraising employees in labor management relationships. Prerequisites: None. MGT101, or MGT175, or MGT229 suggested but not required.

**MGT298  1-3 Credits See Page 292**
**Special Projects**

**MHL - Music: History/Literature**

**MHL140  3 Credits 3 Periods**  
**Survey of Music History**
Study of composers, compositions, styles, and periods in music history. Prerequisites: None.

**MHL143  3 Credits 3 Periods**  
**Music in World Cultures**
Non-European musical traditions including the study of music in rituals, musical instruments and the impact of cultures on musical styles. Prerequisites: None.

**MHL145  3 Credits 3 Periods**  
**American Jazz and Popular Music**
The study of cultural and social contributions to the evolution of American jazz and popular music from the mid-1800’s to present. Prerequisites: None.

**MHL146  3 Credits 3 Periods**  
**Survey of Broadway Musicals**
Survey of Broadway musicals traced from their origins to the present viewed in their cultural, political, and socio-economic contexts. Emphasis on stylistic periods, composers, lyricists, directors, and choreographers. Prerequisites: None.

**MHL153  3 Credits 3 Periods**  
**Rock Music and Culture**
History of rock music and how cultural, social, political, and economic conditions have shaped its evolution. Prerequisites: None.

**MHL155  3 Credits 3 Periods**  
**Survey of American Music**
History of the music of North America from the earliest American Indian music to the present. Introduction to the musical trends, composers, socioeconomic developments and trends, musical forms and styles that influence our modern American musical sense. Prerequisites: None.

**MHL194  3 Credits 3 Periods**  
**Music and Culture**
Introduction to the study of multicultural music in its social, cultural, historical and economic contexts. Performance of music using percussion, rhythm, and the human body. Historical and social aspects of global cultures’ musical expressions. Prerequisites: (MTC105 and MTC106) or permission of Instructor.

**MHL241  3 Credits 3 Periods**  
**Music History and Literature to 1750**
In-depth study of music history from the primitive era through the Baroque period. Prerequisites or Corequisites: MTC155 and MTC156, or permission of Instructor.

**MHL242  3 Credits 3 Periods**  
**Music History and Literature 1750 to Present**
In-depth study of music history from the Classical period through the Contemporary period. Prerequisites: MHL241 or permission of Instructor.

**MIS - Military Science**

**MIS101  3 Credits 3 Periods**
**Introduction To The Military I**
Overview of mission, organization and structure of the Army and its role in national defense, discussion of current military issues. Prerequisites: None.

**MIS102  3 Credits 3 Periods**
**Introduction To The Military II**
Introduces problem-solving methods, critical thinking, decision making, and group cohesion as applied in a military environment. Prerequisites: None.

**MIS201  3 Credits 3 Periods**
**Introduction To Leadership Dynamics I**
Introduces interpersonal dynamics involved in military team operations; theory and application of military leadership principles. Prerequisites: None.

**MIS202  3 Credits 3 Periods**
**Introduction To Leadership Dynamics II**
Introduction to interpersonal dynamics involved in military team operations; theory and application of military leadership principles. Prerequisites: None.
**MKT - Marketing**

**MKT101 Introduction to Public Relations**
3 Credits 3 Periods
Emphasizes public relations techniques used both within and outside the business organization, including operation of a PR counseling firm. Prerequisites: None.

**MKT109 Introduction to Fashion Merchandising**
3 Credits 3 Periods
Explores the various levels and specialized segment of the fashion industry, the principles of fashion, the fundamentals of merchandising apparel, consumers’ influence on demand and marketing activities. Prerequisites: None.

**MKT110 Marketing and Social Networking**
3 Credits 3 Periods
Theory and practice in the use of social media in marketing. Topics may include a history of social media, preparation for social marketing, the power of collective influence, and how to engage with social media. Reviews social mediums, social networks, platforms and other marketing tools used to create a social media campaigns. Prerequisites: None.

**MKT151 Display and Visual Merchandising**
3 Credits 3 Periods
An examination of the principles of design including line, color, balance, and texture as they relate to the display of merchandise. Participation in displays, field trips, and individual projects. Prerequisites: None.

**MKT200 Display and Visual Merchandising**
3 Credits 3 Periods
Examines management/buyer role in investment, pricing, planning, controlling sales and inventories. Prerequisites: None. Any BPC.CIS spreadsheet course recommended.

**MKT263 Advertising Principles**
3 Credits 3 Periods
Introduces the advertising function within business, including media study, creative strategies, and advertising campaigns. MKT271 suggested, but not required. Prerequisites: None.

**MKT267 Principles of Salesmanship**
3 Credits 3 Periods
Analyzes and applies the steps and techniques used in personal selling. Highlights the role of the professional sales representative and his/her functions as they relate to the company’s mission and customer expectations. Prerequisites: None.

**MKT268 Merchandising**
3 Credits 3 Periods
Surveys structure and operation of retail organizations. Emphasizes merchandising to include price, location, time, promotion and quantity. MKT271 suggested but not required. Prerequisites: None.

**MKT271 Principles of Marketing**
3 Credits 3 Periods
An analysis of the marketing process and environment with regard to the product, pricing, distribution, and communication in order to satisfy buyer needs. Prerequisites: None.

---

**MKT280 Marketing Internship**
1-3 Credits 1-3 Periods
Marketing work experience in a business or industry. 80 hours of designated work per credit. Maximum of 8 credits allowed. Prerequisites: Permission of Department or Division.

**MKT296 Cooperative Education**
1-4 Credits 5-20 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completed at least 12 credits, min 2.6 GPA, and able to obtain a position related to student’s academic/career goals or permission of Instructor. Corequisites: Enrolled in at least 1 class related to major/career interest or permission of Instructor

**MSP - Mortuary Science**

**MSP101 Orientation To Funeral Service**
1 Credit 1 Period
Designed to orient prospective students to funeral service and its history, philosophy, educational requirements, apprenticeship, licensure examination, job descriptions for funeral directors and embalmers, employment outlook. Prerequisites: None.

**MSP201 History And Sociology Of Funeral Service**
3 Credits 3 Periods
Survey of history of funeral service from ancient to modern times. Sociological aspects of how various cultures deal with death. Prerequisites: Admission to the Mortuary Science Program.

**MSP206 Mortuary Administration II**
3 Credits 3 Periods
Operation of the established funeral home and product knowledge in the area of funeral service merchandising. Prerequisites: MSP205.

**MSP207 Restorative Art**
4 Credits 5 Periods
Care and restoration of the deceased human body to create natural form and appearance. Includes anatomical aspects and color theory. Prerequisites: Admission to the Mortuary Science Program.

**MSP208 Legal, Regulatory, And Ethical Issues In Funeral Service**
3 Credits 3 Periods
Mortuary law regulation by the Federal Trade Commission, and ethical issues in funeral service. Individual state laws as they pertain to the regulation of funeral establishments and funeral service personnel. Prerequisites: Admission to the Mortuary Science Program.

**MSP209 Pathology For Funeral Service**
3 Credits 3 Periods
Pathologic conditions which require special treatment and terminology associated with the causes of death. Prerequisites: Admission to the Mortuary Science Program.

**MSP210 Counseling For Funeral Service**
2 Credits 2 Periods
Knowledge for facilitating the mourning process after the death of a loved one and for referring bereaved persons to other sources of professional assistance. Prerequisites: Admission to the Mortuary Science Program.
MSP211  
**Compendium for Funeral Service**
2 Credits 2 Periods
Analysis of tasks performed on a more-or-less day-to-day basis by funeral service personnel. Capstone experience based on all previous course work. Prerequisites: Admission to the Mortuary Science Program.

MSP282  
**Service-Learning Experience in Mortuary Science**
1-3 Credits 1-3 Periods
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. MSP282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

**MST - Microsoft Technology**

**MST150SV**  
**3 Credits 4 Periods**
Microsoft Windows 7 Configuration
Knowledge and skills necessary to perform installation and day-to-day administration and support of the Microsoft Windows 7 operating system. Preparation for the Microsoft certification examination. Prerequisites: None. CI 190, or CNT140AA, or MST140 suggested but not required.

**MST155DA**  
**4 Credits 5 Periods**
**Windows Server Network Infrastructure Configuration**
Information and skills necessary to design a Microsoft Windows networking services infrastructure design. Includes network foundation design, Internet and private networks connectivity, in addition to functionality security and performance features of networking services. MST155DA is a preparation for the Microsoft 70-642 certification exam. Prerequisites: MST150, or any MST150++ course, or permission of Instructor.

**MST157DA**  
**4 Credits 5 Periods**
**Active Directory Windows Server Configuration**
Information and skills necessary to install, configure and administer Active Directory service. Covers tasks required to create users and groups, and to implement Group Policies which provide centralized management of users and computers. MST157DA is a preparation for the Microsoft 70-640 professional certification test. Prerequisites: Any MST course or permission of Instructor.

**MST158DA**  
**4 Credits 5 Periods**
**Windows Server Administration**
Knowledge and skills necessary to install, configure, customize, optimize, network, integrate, and troubleshoot Windows Server. MST158DA is a preparation for Microsoft 70-646 certification examination. Prerequisites: (MST155 or any MST155++ course) and (MST157 or any MST157++ course), or permission of Instructor.

**MTC - Music: Theory/Composition**

**MTC101**  
**3 Credits 3 Periods**
**Introduction to Music Theory**
Designed to develop written and aural skills necessary for advanced study of music theory and skills. Recommended for music majors. Prerequisites: None.

**MTC103**  
**1 Credit 2 Periods**
**Introduction To Aural Perception**
An introduction to the aural skills necessary to hear relationships of intervals, rhythms, melody, and harmony in music. May be repeated for a total of two (2) credit hours. Prerequisites: None.

**MTC105**  
**3 Credits 3 Periods**
**Music Theory I**
The chronological study of music theory including: harmony, melody, texture, structure and timbre through analysis, original compositions and basic exercises to demonstrate musical concepts. Prerequisites: MTC100, or MTC101, or permission of Instructor. Corequisites: MTC106.

**MTC106**  
**1 Credit 2 Periods**
**Aural Perception I**
The development of listening and performing skills through dictation, sight singing and keyboard harmony. Prerequisites: None. Corequisites: MTC105.

**MTC111**  
**1 Credit 1 Period**
**Lyric Writing**
Lyric writing and its relationship to song structure and rhythm. Emphasis on basic poetic forms, meter, rhyme schemes, analysis of song lyrics for content and clarity, and use of lyric writing tools. Prerequisites: MTC110 or permission of Instructor.

**MTC113**  
**1 Credit 1 Period**
**Songwriting Techniques**
Introduction to pop melody writing and harmonic settings. Development of short ideas into complete songs with the use of contrast, variation, and repetition. Consideration of the pros and cons of writing songs with a partner or small group. Basic note reading and/or music theory is advisable. MTC113 may be repeated for credit. Prerequisites: MTC110 or permission of Instructor.

**MTC130**  
**2 Credits 2 Periods**
**Jazz Theory**
Develop written and aural theory skills necessary in the jazz idiom. MTC130 is recommended for students taking jazz improvisation, jazz composition and jazz combo. Prerequisites: (MTC101 and MTC103), or permission of Instructor.

**MTC155**  
**3 Credits 3 Periods**
**Music Theory II**
A continuation of Music Theory I with emphasis on harmony and part-writing procedures. Prerequisites: MTC105. Corequisites: MTC156.

**MTC156**  
**1 Credit 2 Periods**
**Aural Perception II**
A continuation of Aural Perception I, including harmonic practices. Prerequisites: None. Corequisites: MTC155.
MTC180  Computer Literacy For Musicians  3 Credits 4 Periods
Instruction in basic computer literacy, including generic applications and music-specific programs with hands-on experience. Ability to read music notation required. Prerequisites: None.

MTC191  Electronic Music I  3 Credits 4 Periods
An introduction to producing music with Musical Instrument Digital Interface (MIDI) configurations consisting of computers, printers, synthesizers, and other compatible MIDI instruments. Prerequisites: None.

MTC192  Electronic Music II  3 Credits 4 Periods
Continued study of the production of music with Musical Instrument Digital Interface (MIDI) configurations. Emphasis on more complex configurations and their applications in song arrangements. Prerequisites: MTC191.

MTC203  Jazz Composition  3 Credits 3 Periods
Composition and analysis of standard song forms as well as other standard compositional practices and forms idiomatic to jazz. Prerequisites: MTC155, or MUP165, or permission of Instructor.

MTC205  Music Theory III  3 Credits 3 Periods
The study of chromatic harmony and melody, modulation techniques and expanded chords. The analysis of formal structure. Prerequisites: MTC155. Corequisites: MTC206.

MTC206  Aural Perception III  1 Credit 2 Periods
A development of listening and performing skills, including an introduction of chromatic harmonic techniques and concepts of style. Prerequisites: None. Corequisites: MTC205.

MTC240  Composition  3 Credits 0.60 Period
Introduction to the basics of music composition, stressing techniques and procedures for developing original ideas. May be repeated for total of twelve (12) credit hours. Prerequisites: (MTC105 and MTC106, or equivalent), and permission of Instructor.

MTC255  Music Theory IV  3 Credits 3 Periods
A continuation of Music Theory III, including 20th century theories and techniques. Prerequisites: MTC205. Corequisites: MTC256.

MTC256  Aural Perception IV  1 Credit 2 Periods
A continuation of Aural Perception III, including extended chords. Prerequisites: None. Corequisites: MTC255.

MUC - Music: Commercial/ Business

MUC109  Music Business: Merchandising and the Law  3 Credits 3 Periods
Operation, scope, and career opportunities in the music business. Focuses on music in the marketplace, songwriting, publishing, copyright procedures, and business affairs, agents, artist management, and concert production. Prerequisites: None.

MUC110  Music Business: Recording and Mass Media  3 Credits 3 Periods
The operation, scope, and career opportunities in the music business. Focuses on the record industry; environmental music; uses of music in radio, telecommunications, and film; and career options. Prerequisites: None.

MUC111  Digital Audio Workstation I (Daw I)  3 Credits 5 Periods
Use of digital mixing and automation software in conjunction with editing and recording. Includes computer operation, troubleshooting, and file management. Prerequisites: MUC195, MUC195AA, or TCM/VPT105 or permission of Instructor.

MUC112  Digital Audio Workstation II (Daw II)  3 Credits 5 Periods
Introduction to Sound Design and Audio Post-Production for Multimedia. Includes creating and editing Sound Effects, ADR, Foley, Music, and Ambience, for multiple mediums such as Film, TV, Video Gaming, Theatre, and Dance. Emphasis on computer assisted production using Digital Audio Workstations and sound design techniques using industry-standard equipment. Prerequisites: MUC111, and (MUC195 or MUC195AA).

MUC122  Sound Design I  3 Credits 5 Periods
Introduction to Sound Design and Audio Post-Production for Multimedia. Includes creating and editing Sound Effects, ADR, Foley, Music, and Ambience, for multiple mediums such as Film, TV, Video Gaming, Theatre, and Dance. Emphasis on computer assisted production using Digital Audio Workstations and sound design techniques using industry-standard equipment. Prerequisites: MTC191 or TCM/VPT105. Prerequisites or Corequisites: MUC111 or permission of Instructor.

MUC135  Introduction to Disc Jockey Techniques  3 Credits 3 Periods
Development of beginning level live-performance disc jockey techniques. Emphasis on understanding the construction of industry-formatted dance songs, cueing, segueing/mixing methods, the relationship of beats per minute to segueing, and programming songs to entertain a live audience. Covers the history of the live performance DJ and strategies for soliciting employment in the field. MUC135 may be repeated for a total of six (6) credits. Prerequisites: None.

MUC137  Digital DJ Performance Techniques  3 Credits 3 Periods
Covers the skills required for live performance employing digital media with an emphasis on programs such as Serato Scratch Live and Ableton Live. MUC137 may be repeated for a total of six (6) credits. Prerequisites: None.
MUC145 Recording Studio Business Operations
2 Credits 2 Periods
Operation, scope, roles and responsibilities in the commercial music production process. Focuses on the business aspects and daily management of the professional recording studio. Includes strategies for project management, client service, marketing, equipment acquisition, staffing and employment. Prerequisites: None.

MUC194 Introduction To Audio Mixing Techniques
3 Credits 3 Periods
Approaches in final mixing for different musical genres. Develop critical listening skills, and applying these techniques to students’ projects. Professional-type facilities and equipment available for student use. Prerequisites: MUC112 and MUC195 or permission of Instructor.

MUC195 Studio Music Recording I
3 Credits 5 Periods
Basic principles of studio sound recording. Emphasis on musical acoustics, operation of recording equipment, studio setups, and multitrack recording. Includes studio session process and musical production decisions. Prerequisites: None.

MUC195AA Studio Music Recording I
3 Credits 3 Periods
Basic principles of studio sound recording. Emphasis on musical acoustics, operation of recording equipment, studio setups, and multitrack recording. Includes studio session process and musical production decisions. Prerequisites: None.

MUC196 Studio Music Recording II
3 Credits 5 Periods
Emphasis on signal-processing equipment, mixing consoles, and advanced musical recording session procedures, production, and engineering. Includes mix-down and resultant master tape of a musical recording session. Prerequisites: MUC195 or MUC195AA.

MUC197 Live Sound Reinforcement I
3 Credits 3 Periods
Basic principles of live sound engineering. Emphasis on signal flow, acoustic, sound reinforcement set-ups and installation, signal processing, microphone selections and placement. Includes setting up sound systems and mixing live music. Prerequisites: None.

MUC198 Live Sound Reinforcement II
3 Credits 3 Periods
Emphasis on musical production decisions. Front-of-house and monitor console placement, loudspeaker arrangements, power considerations, program material and sound pressure levels. Includes setting up of sound system and mixing live performances with various styles of music. In addition to mixing at alternate locations. Prerequisites: MUC197.

MUC209 Music Industry Entrepreneurship
3 Credits 3 Periods
Operation, scope, and career opportunities in the music business. Focuses on music in the areas of entrepreneurship, visionary development and the collaboration process. Prerequisites: MUC109 and MUC110 or permission of Instructor.

MUC210 Advanced Industry Topics: Concert Promotion and Touring
3 Credits 3 Periods
Operation, scope, and career opportunities in the music business. Focuses on advanced aspects of concert promotion, touring and festival production. Areas of focus include marketing, planning, operations, talent buying, and budgeting for profitable and successful music-performance stage shows. Prerequisites: MUC109, or permission of Instructor or Department or Division Chair.

MUC222 Sound Design II
3 Credits 5 Periods
Intermediate level Sound Design and Audio Post-Production for Multimedia. Topics include: creating and editing Sound Effects, Automated Dialogue Replacement, Foley, Music, and Ambience for multiple mediums such as Film, TV, Video Gaming, Theatre, and Dance. Emphasis on computer assisted production using Digital Audio Workstations and acoustic forces. Prerequisites: (MUC122 and MTC/TCM120), or permission of Instructor.

MUC280 Recording Studio Maintenance
3 Credits 3 Periods
Introduction to the techniques, electronics, and tools used to perform basic recording studio, live sound, and electronic musical instrument equipment maintenance. Prerequisites: MUC195AA, or MUC111, or permission of Instructor.

MUC290AA Music Business Internship
1 Credit 1 Period
Music Business Internship work experience. Perform a variety of activities, to fulfill the routines and responsibilities of the department or business where the internship is served. Eighty (80) hours of designated work per credit. MUC290AA may be repeated for a total of twelve (12) credit hours. Prerequisites: Permission of Department or Division.

MUC295 Studio Music Recording III
3 Credits 6 Periods
Producing and engineering a recording project. Covers how recording studios work and how recording projects are organized from pre-production through delivery of the final mix. Prerequisites: MUC196.

MUC295AA Self-Promotion for Music
1 Credit 1 Period
Career goal development. Includes self-presentation and communication skills, keeping files and records, and developing self-promotional materials. Prerequisites: None.

MUC297AA Music Internship
1 Credit 1 Period
Music internship work experience in a business or industry. Eighty (80) hours of designated work per credit. MUC297AA may be repeated for a total of twelve (12) credit hours. Prerequisites: Permission of Department or Division.

MUC297AB Music Internship
2 Credits 2 Periods
Music internship work experience in a business or industry. Eighty (80) hours of designated work per credit. A maximum of 12 credits allowed. Prerequisites: MUC110.

MUP202  2 Credits 1.2 Periods
Private Instruction
Private instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP152.

MUP209  2 Credits 2 Periods
Elements Of Conducting
Essentials of conducting techniques used in choral and instrumental ensembles including terminology, interpretation, and style. Prerequisites: None.

MUP217  2 Credits 3 Periods
Music Theatre: Broadway Solos
Study and in-class performance of scenes and solos from Broadway musical literature. Prerequisites: None. MUP217 may be repeated for credit.

MUP225  2 Credits 3 Periods
Class Guitar I
Emphasis on note-reading and folk-style harmonic accompaniment. Includes finger-style playing. Stresses development of efficient practice techniques and proper sitting and hand positions. Prerequisites: None.

MUP226  2 Credits 3 Periods
Class Guitar II
Note-reading range including second position and parts of higher positions. Classical, popular, Latin, and other styles of music. Theory including scales, keys, and chord construction. Technical exercises of both hands. Prerequisites: MUP225 or permission of Instructor.

MUP227  2 Credits 3 Periods
Class Guitar III
Additional fingerboard positions. Ensemble techniques and performance. Prerequisites: MUP226 or permission of Instructor.

MUP228  2 Credits 3 Periods
Class Guitar IV
Advanced fingerboard positions. Duet and trio performances. Advanced ensemble techniques. MUP228 may be repeated for credit. Prerequisites: MUP227 or permission of Instructor.

MUP231  2 Credits 3 Periods
Class Piano III
Development of intermediate piano techniques including selected solo literature, transposition of harmonic patterns, and secondary dominants. Prerequisites: MUP132 or permission of Instructor.

MUP232  2 Credits 3 Periods
Class Piano IV
Continuation of Piano III including modulation techniques, improvisation of piano accompaniments, advanced chromatic harmony, and sight reading of advanced literature. Prerequisites: MUP231 or permission of Instructor.

MUP233  2 Credits 3 Periods
Class Voice III
Interpretive singing through a closer examination of coloring, tone production, dynamics, and tempo indications. Prerequisites: MUP234.

MUP234  2 Credits 3 Periods
Class Voice IV
Emphasis on the preparation of solo vocal literature for the purpose of evaluation and the integration of the music with the drama of the music. MUP234 may be repeated for credit. Prerequisites: MUP233 or permission of Instructor.

MUP241  2 Credits 2 Periods
Piano Artistry
Overview of topics and issues including practice skills, rhythm, technique, musicianship such as dynamics, ornamentation, pedaling, touch, phrasing, articulation, voicing, balance, and the manipulation of time, necessary for pianists and piano teachers in working for expression, finesse and artistry. Prerequisites: MUP240 or permission of Instructor.

MUP250AB  1 Credit 2 Periods
Survey Of Diction For Singers (Italian/Latin)
Introduction to the use of phonetics in the study of Italian/Latin song literature. Prerequisites: None.

MUP250AC  1 Credit 2 Periods
Survey Of Diction For Singers (German)
Introduction to the use of phonetics in the study of German song literature. Prerequisites: None.

MUP251  1 Credit .6 Periods
Private Instruction
Private instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP201.

MUP252  2 Credits 1.2 Periods
Private Instruction
Private instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Instruction provided on voice, piano, harpsichord, organ, guitar, trumpet, French horn, trombone, baritone horn, tuba, flute, oboe, clarinet, bassoon, saxophone, violin, viola, violoncello, contrabass, bass guitar, percussion, and harp. May be repeated for credit. Prerequisites: MUP201.

MUP270  2 Credits 5 Periods
Musical Theatre Workshop
Workshop in the study and performance of Musical Theatre repertoire. Including audition techniques, talent evaluation criticism, rehearsal techniques, vocal acting styles, stage movement, and performance. May be repeated for credit. Prerequisites: None.

MUP298  1-3 Credits See Page 292
Special Projects
**COURSE DESCRIPTIONS**

**NAV - Navajo**

**NAV115  3 Credits 3 Periods**  
**Beginning Navajo Conversation I**  
Beginning conversational Navajo with emphasis on basic listening and speaking skills, including basic pronunciation, vocabulary, sentence structure, and cultural awareness. Prerequisites: None.

**NCE - Nursing: Continuing Education**

**NCE203  .50 Credit .50 Period**  
**Interpretation of Laboratory Diagnostic Examinations**  
Utilization of laboratory diagnostic examination results for evaluation of patient conditions. Normal results for selected body fluids. Abnormal results related to pathophysiological conditions of adults. Incorporation of results of examinations to assess, modify, and evaluate therapy for patients with specific conditions. Prerequisites: Registered Nurse or Licensed Practical Nurse, Nursing students, or permission of Instructor.

**NCE214MO  0.50 Credit 0.50 Period**  
**Math/Methods For Beginning Nursing Students**  
Focus on basic mathematical concepts to calculate metric-apothecary conversion, dosage problems and intravenous flow rates. Includes calculation problems with oral, parenteral, and reconstitution medications. Emphasis on the ratio/proportion and dimensional analysis problem solving methods. Prerequisites: Current student in Associate Degree Nursing program, or permission of Instructor.

**NCE267  1 Credit 1 Period**  
**Medication Administration and Advanced Metrology**  
Knowledge and skills to safely prepare and administer intravenous medications and solutions. Includes advanced metrology to accurately calculate IV drug dosages and infusion rates. NCE267 may be repeated for a total of five (5) credits. Prerequisites: Registered Nurse (RN), Licensed Practical Nurse (LPN), or permission of Instructor.

**NCE282  1-3 Credits 1-3 Periods**  
**Volunteerism For Nursing: A Service-Learning Experience**  
Service-learning field experience within human service organization/agency. May be repeated for a total of six (6) NCE282 credit hours; may not repeat specific agency assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

**NUR - Nursing**

**NUR101  1 Credit 1 Period**  
**Student Success in Nursing**  
Individual self-awareness and self management strategies for success with nursing study, clinical reasoning and testing success. Emphasis on the development of prioritizing and delegation skills for the nursing student. May be repeated for a total of four (4) credit hours. Prerequisites: Permission of Instructor.

**NUR102  4 Credits 4 Periods**  
**Nursing Process Transition**  
Transitions paramedics to scope and practice of nursing. Focuses on nursing concepts and theories to meet basic human needs across the lifespan throughout the wellness/illness continuum. Theoretical concepts focus on clients of all ages with selected physiological and psychological alterations. Emphasis on expanding the paramedic’s skills and experience to transition to the role of the nurse utilizing nursing process and critical thinking in acute care and community settings. Prerequisites: Arizona or National Paramedic Registry Certificate, and application and admission to Maricopa Nursing advanced placement. One year current healthcare work experience required or permission of Nursing Department Chairperson. Corequisites: NUR103.

**NUR103  4 Credits 12 Periods**  
**Nursing Science Transition**  
Application of nursing concepts and theories of health promotion to nursing care to meet basic human needs. Provides opportunity for the paramedic to develop clinical competency in selected nursing skills and care of clients across the lifespan experiencing altered physiologic functioning. Includes clinical experience with individuals, families, and small groups of clients in acute, long-term, and community settings to develop care plans, teaching plans, and discharge plans. Prerequisites: Arizona or National Paramedic Registry Certificate, and application and admission to Maricopa Nursing advanced placement. One year current healthcare work experience required or permission of Nursing Department Chairperson. Corequisites: NUR103.

**NUR104AB  1 Credit 1 Period**  
**Structured Nursing Review**  
Structured nursing tutorial assistance and nursing study skills to help students achieve success in their respective block of nursing courses. Nursing process and critical thinking application skills emphasized. Prerequisites: None. Corequisites: Concurrent enrollment in the Nursing program or permission of Department Chair. Course offered as Credit (P) or No credit (Z) basis. NUR104AB may be repeated for a total of eight (8) credits. Corequisites: Concurrent enrollment in the Nursing program or permission of Department Chair.

**NUR151  10 Credits 15 Periods**  
**Nursing Theory And Science I**  
Introduction to fundamentals of nursing theory and practice utilizing critical thinking based on the nursing process and principles of evidence-based practice. Focus on meeting basic human needs within the wellness/illness continuum. Theoretical concepts related to holistic care of well, geriatric, and adult clients. Provides safe nursing care to clients with selected alterations in health. Introduction to professional nursing practice. Applies concepts of health promotion, disease/illness prevention. Provides care based upon integration of pathophysiology, nutrition, communication and physical, biological, and psychosocial sciences. Uses information technology in performing and evaluating client care. Prerequisites: Admission into the Nursing Program.

</table>
OAS - Office Automation Systems

OAS101 3 Credits 5 Periods
Computer Typing I: Keyboarding And Formatting
Keyboard mastery; letters, tables, and reports; office production; and manuscripts. Prerequisites: None.

OAS101AA 1 Credit 1.7 Periods
Computer Typing I: Keyboard Mastery
Incorporates correct touch typing principles. Prerequisites: None.

OAS108 3 Credits 3 Periods
Business English
Comprehensive coverage of correct use of English grammar including spelling, punctuation, capitalization, and number style mechanics in a business context. Prerequisites: None.

OAS118 1 Credit 1.7 Periods
10-Key By Touch
Touch system of numeric keys on ten-key pads. Prerequisites: None.

OAS125 3 Credits 3 Periods
Introduction to the Professional Office
Expectations of the professional in the electronic office of today. Realistic and practical coverage of roles, responsibilities, and environment. Prerequisites: None

PED - Physical Education Activities

PED101AD 1 Credit 2 Periods
Aerobic Dance
A cardiovascular workout through dance. Prerequisites: None. PED101AD may be repeated for credit.

PED101AK 1 Credit 2 Periods
Aikido
Covers the fundamentals of Aikido including rules, moves, and traditional discipline of the sport. Prerequisites: None. PED101AK may be repeated for credit.

PED101BA 1 Credit 2 Periods
Baseball
Basic skills and game strategy of baseball. Class emphasis on competition and drills. Prerequisites: None. PED101BA may be repeated for credit.

PED101BB 1 Credit 2 Periods
Basketball
Basic skills and game strategy of basketball. Class emphasis on competition and drills. Prerequisites: None. PED101BB may be repeated for credit.

PED101BC 1 Credit 2 Periods
Boot Camp
Vigorous physical and mental conditioning incorporating cardiovascular, core fitness, strength training, and flexibility. Emphasis will be placed on proper body mechanics and safety. Prerequisites: None. PED101BC may be repeated for credit.

PED101BD 1 Credit 2 Periods
Ballroom Dancing
Basic level instruction on ballroom dancing footwork, timing, techniques, and style. Partners rotate. Prerequisites: None. PED101BD may be repeated for credit.

PED101BE 1 Credit 2 Periods
 Belly Dance
Practice and demonstration of basic belly dance skills and movements. Basic posture and musculature, primary upper and lower body isolations, footwork, simple combination movements. Rhythms broken down, and at least one prop demonstrated. Basic routine, improvisation, and current styles and trends in belly dance. Belly dance etiquette and attire. Prerequisites: None. PED101BE may be repeated for credit.

PED101BL 1 Credit 2 Periods
Ballet
Basics of ballet incorporating steps, poses, and graceful movements including leaps and spins. Prerequisites: None. PED101BL may be repeated for credit.

PED101BP 1 Credit 2 Periods
Backpacking
Covers basic skills and techniques of backpacking and the application of these to wilderness travel. Prerequisites: None. PED101BP may be repeated for credit.

PED101BS 1 Credit 2 Periods
Body Sculpting
Stretch and strengthen. Emphasizes increasing fitness, muscle tone, and body flexibility. Great for reducing stress. Prerequisites: None. PED101BS may be repeated for credit.

PED101BW 1 Credit 2 Periods
Bowling
Fundamental skills of bowling, including scoring and competition. Prerequisites: None. PED101BW may be repeated for credit.

PED101CY 1 Credit 2 Periods
Cycling - Indoor
Basic skills for bike set up and proper body mechanics. Increase leg strength, lung capacity, and metabolism. Prerequisites: None. PED101CY may be repeated for credit.

PED101DF 1 Credit 2 Periods
Self-Defense
Basic self-defense skills, ground-fighting skills, and stand-up fighting capabilities. Modified for all skill levels. Practice is based on real-life experiences and endurance enhanced drills. Develops self confidence. Prerequisites: None. PED101DF may be repeated for credit.

PED101FB 1 Credit 2 Periods
Football
Basic skills and game strategy of football. Class emphasis on competition and drills. Prerequisites: None. PED101FB may be repeated for credit.

PED101FE 1 Credit 2 Periods
Fencing
Introduction to the sport of fencing. Instruction and practice in proper body mechanics with the use of a foil, saber, and epee. Prerequisites: None. PED101FE may be repeated for credit.

<td>Basic skills and game strategy of soccer. Class emphasis on competition and drills. Prerequisites: None. PED101SO may be repeated for credit.</td>
</tr>
</tbody>
</table>
PED101SR 1 Credit 2 Periods
Stretch And Relaxation
A mat-based stretching class with guided meditation. Stretching increases flexibility and relieves stress, promoting an overall sense of well-being. Prerequisites: None. PED101SR may be repeated for credit.

PED101ST 1 Credit 2 Periods
Strength Training
Introduction to techniques of basic weight training, concentrating on incorporating an exercise regimen for increased strength. Prerequisites: None. PED101ST may be repeated for credit.

PED101SU 1.5 Credits 2.5 Periods
Scuba Diving
Introduction to the theory and practice of Scuba diving. Course includes lectures, pool dives, open water dives, and Scuba Certification. Prerequisites: None. PED101SU may be repeated for credit.

PED101SW 1 Credit 2 Periods
Swing Dancing
Popular Swing dance moves and rhythms, including basic Lindy. All students will rotate. Prerequisites: None. PED101SW may be repeated for credit.

PED101TC 1 Credit 2 Periods
T’ai Chi
Fundamentals of T’ai Chi including moves, breathing and meditation. Prerequisites: None. PED101TC may be repeated for credit.

PED101TD 1 Credit 2 Periods
Tap Dance
Introduction to Tap a step dance performed with the use of shoes with metal tips making rhythmic sounds. Prerequisites: None. PED101TD may be repeated for credit.

PED101TE 1 Credit 2 Periods
Tennis
Basic skills and game strategy of tennis. Class emphasis on competition and drills. Prerequisites: None. PED101TE may be repeated for credit.

PED101TF 1 Credit 2 Periods
Track and Field
Instruction and practice in track and field events, running, throwing and jumping. Prerequisites: None. PED101TF may be repeated for credit.

PED101TK 1 Credit 2 Periods
Taekwondo
Fundamentals of Taekwondo including the moves, rules, and traditional discipline of the sport. Prerequisites: None. PED101TK may be repeated for credit.

PED101VB 1 Credit 2 Periods
Volleyball
Basic skills and game strategy of volleyball. Class emphasis on competition and drills. Prerequisites: None. PED101VB may be repeated for credit.

PED101WT 1 Credit 2 Periods
Weight Training
Access to Olympic and free weights with a qualified instructor. Prerequisites: None. PED101WT may be repeated for credit.

PED101WW 1 Credit 2 Periods
Weight Training For Women
Introduction for women to the use of free weights, strength machines and cardio equipment. Prerequisites: None. PED101WW may be repeated for credit.

PED101YG 1 Credits 2 Periods
Gentle Yoga
Focuses on the use of such props as blankets, blocks, and chairs to modify traditional Yoga poses, enabling participation with moderate effort and without strain; suitable for all levels but especially for students needing a slower pace. Prerequisites: None. PED101YG may be repeated for credit.

PED101YK 1 Credit 2 Periods
Kundalini Yoga
Energetically guided Yoga focusing on psycho-spiritual growth with special consideration of the spine and endocrine system. Prerequisites: None. PED101YK may be repeated for credit.

PED101YO 1 Credit 2 Periods
Yoga
Promotion of overall health by strengthening muscles and stimulating glands and organs. Basic postures, breathing and relaxation techniques. Prerequisites: None. PED101YO may be repeated for credit.

PED101ZR 1 Credit 2 Periods
Zumba® Fitness
Zumba® dynamic fitness program. Features high energy, easy to follow rhythmic moves set to energizing Latin and international beats. Provides an enjoyable way to increase fitness level. Prerequisites: None. PED101ZR may be repeated for credit.

PED102BA 1 Credit 2 Periods
Baseball-Intermediate
To improve upon basic skills and game strategy of baseball at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended. PED102BA may be repeated for credit.

PED102BB 1 Credit 2 Periods
Basketball - Intermediate
To improve upon basic skills and game strategy of basketball at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended. PED102BB may be repeated for credit.

PED102BD 1 Credit 2 Periods
Ballroom Dancing - Intermediate
Intermediate level instruction on ballroom dancing footwork, timing, techniques, and style. Partners rotate. Prerequisites: None. Prior experience recommended. PED102BD may be repeated for credit.

ped102sw1 credit 2 periods
swing dancing - intermediate
learn the intermediate dance moves for swing dancing. prerequisites: none. prior experience recommended. ped102sw may be repeated for credit.

ped102td
Tap Dance - Intermediate
1 credit 2 periods
Tap dance steps at the intermediate level. Some experience welcomed. Prerequisites: None. Prior experience recommended.

ped102te
Tennis - Intermediate
1 credit 2 periods
Improve upon basic skills and game strategy of tennis at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended. ped102te may be repeated for credit.

ped102tf
Track And Field - Intermediate
1 credit 2 periods
To improve upon basic track and field event skills at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended. ped102tf may be repeated for credit.

ped102tk
Taekwondo - Intermediate
1 credit 2 periods
Intermediate level training in taekwondo. Prerequisites: None. Prior experience recommended. ped102tk may be repeated for credit.

ped102vb
Volleyball - Intermediate
1 credit 2 periods
Improve upon basic skills and game strategy of volleyball at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended. ped102vb may be repeated for credit.

ped102ww
Weight Training for Women - Intermediate
1 credit 2 periods
Intermediate level instruction for women on the use of free weights, strength machines and cardio equipment. Prerequisites: None. Prior experience recommended. ped102ww may be repeated for credit.

ped102yo
Yoga - Intermediate
1 credit 1 periods
Yoga for the experienced practitioner. Prerequisites: None. Prior experience recommended. ped102yo may be repeated for credit.

ped103yo
Yoga
0.50 credit 1 period
Promotion of overall health by strengthening muscles and simulating glands and organs. Basic postures, breathing and relaxation techniques. Prerequisites: None. ped103yo may be repeated for credit.

ped115
Lifetime Fitness
2 credits 2 periods
Increase personal fitness, strength, and vitality. Current principles of cardiovascular exercise, weight training, flexibility, and balance exercises applicable to lifetime fitness goals. Personalized fitness plans developed and implemented with support of highly trained fitness professionals. Techniques to make sessions more effective and enjoyable. Prerequisites: None. ped115 may be repeated for a total of eight (8) credit hours.

ped120af
Special Emphasis Activities: Weight Training
2 credits 4 periods
Intensive experience in weight training. Prerequisites: None. ped120af may be repeated for a total of 8 credits.

ped133
Olympic Style Weight Lifting
2 credits 4 periods
Advanced study of the science, strategy, and techniques of Olympic Style Weightlifting. For the fitness professional who is interested in competing, or is seeking to incorporate advanced strength and conditioning modalities. Addresses current topics, theories and techniques. Prerequisites: None.

ped201ba
Baseball - Advanced
1 credit 2 periods
To improve upon intermediate skills and game strategy of baseball at the advanced level. Class emphasis on competition and drills. Prerequisites: None. Prior experience at competitive level recommended. ped201ba may be repeated for credit.

ped201bb
Basketball - Advanced
1 credit 2 periods
To improve upon intermediate skills and game strategy of basketball at the advanced level. Class emphasis on competition and drills. Prerequisites: None. Prior experience at competitive level recommended. ped201bb may be repeated for credit.

ped201bd
Ballroom Dancing - Advanced
1 credit 2 periods
Advanced level instruction on ballroom dancing footwork, timing, techniques, and style. Partners rotate. Prerequisites: None. Prior experience at competitive level recommended. ped201bd may be repeated for credit.

ped201bh
Cheerleaders - Advanced
1 credit 2 periods
Advanced skills of cheerleading with instruction, practice, and performance including proper body mechanics, choreography, and behavioral competencies. Prerequisites: None. Prior experience at competitive level recommended. ped201bh may be repeated for credit.

ped201fb
Football - Advanced
1 credit 2 periods
Improve upon intermediate skills and game strategy of football at the advanced level. Class emphasis on competition and drills. Prerequisites: None. Prior experience at competitive level recommended. ped201fb may be repeated for credit.

ped201sa
Salsa - Advanced
1 credit 2 periods
Learn the advanced dance moves for Salsa. Prerequisites: None. Prior experience at competitive level recommended. ped201sa may be repeated for credit.

Fundamental theories of Indian and Chinese metaphysics, epistemology, ethics and aesthetics. Prerequisites: None. |
PHYSICS Couses

**PHY282** 1-3 Credits 1-3 Periods
Service Learning Experience in Physical Science
Service learning field experience within private/public agencies, and citizen volunteer groups. May be repeated for a total of six (6) PHY282 credit hours; may not repeat specific agency assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: PH1101 or permission of Instructor.

**PHY - Physics**

**PHY101** 4 Credits 3 Periods
Introduction to Physics
A survey of physics emphasizing applications of physics to modern life. Students may receive credit for only one of the following: PHY101 or PHY101A. Prerequisites: Grade of “C” or better in MAT090, or MAT091, or MAT092, or MAT093, or equivalent, or satisfactory score on Math placement exam.

**PHY111** 4 Credits 3 Periods
General Physics I
Includes motion, energy, and properties of matter. PHY111 is recommended for preprofessional and suggested for certain other majors. Students may receive credit for only one of the following: PHY111 or PHY111AA. Prerequisites: MAT182, or MAT187, or one year high school Trigonometry with a grade of “C” or better, or permission of Department or Division.

**PHY112** 4 Credits 3 Periods
General Physics II
Includes electricity, electromagnetism, and modern physics. Prerequisites: PHY105 or PHY111.

**PHY121** 3 Credits 3 Periods
University Physics I: Mechanics
Kinematics, Newton’s laws, work, energy, momentum, conservation laws, dynamics of particles, solids, fluids, mechanical waves, and sound. Prerequisites: MAT220, or MAT221, or department consent. One year of high school physics or PHY111 and PHY112 suggested but not required.

**PHY131** 4 Credits 3 Periods
University Physics II: Electricity and Magnetism
Electric charge and current, electric and magnetic fields in vacuum and in materials, and induction. AC circuits, displacement current, and electromagnetic waves. Prerequisites: MAT230, or MAT231, or department consent, and PHY121. Corequisites: MAT241 or department consent.

**PHY282** 1-3 Credits 1-3 Periods
Service-Learning Experience in Physical Science
Unpaid Service-Learning (SL) experience, completed with approved community partner. May be repeated for a total of six (6) PHY282 credit hours; may not repeat specific agency assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

**POS - Political Science**

**POS100** 3 Credits 3 Periods
Introduction to Political Science
Introduction to the discipline of political science and its relation to other disciplines with emphasis on the major philosophies and institutions of government. Prerequisites: None.

**POS110** 3 Credits 3 Periods
American National Government
Study of the historical backgrounds, governing principles, and institutions of the national government of the United States. Prerequisites: None.

**POS115** 3 Credits 3 Periods
Issues in American Politics
Examination of major issues in current affairs in the fields of politics, economics, social relations, foreign affairs, aesthetics, and others through the reading and viewing of secondary information sources. Prerequisites: ENG101, or ENG107, or equivalent.

**POS120** 3 Credits 3 Periods
World Politics
Introduction to the principles and issues relating to the study of international relations. Evaluation of the political, economic, national, and transnational rationale for international interactions. Prerequisites: None.

**POS125** 3 Credits 3 Periods
Issues in World Politics
Contemporary issues and factors in international relations. Stress conditions in civil order, trade, and international institutions. May be repeated for a total of six (6) credit hours. Prerequisites: None.

**POS130** 3 Credits 3 Periods
State and Local Government
Survey of state and local government in the United States. Special attention on Arizona State government. Prerequisites: None.

**POS140** 3 Credits 3 Periods
Comparative Government
Overview and evaluation of the sub-field of comparative politics. Covers various national governments from around the world: their structure, system, method of governance. Examines methods of assessing these governments. Prerequisites: None.

**POS180** 3 Credits 3 Periods
United Nations Studies
Historical origins, structural makeup, political and operational characteristics, and legal activities of the United Nations. Analysis of the overall institution’s ongoing utility, productivity and creativity. Prerequisites: None.
### PSY - Psychology

#### PSY101  Introduction to Psychology  3 Credits 3 Periods
To acquaint the student with basic principles, methods and fields of psychology such as learning, memory, emotion, perception, physiological, developmental, intelligence, social and abnormal. Prerequisites: None.

#### PSY102  Introduction to Psychology Laboratory  1 Credit 1 Period
Optional laboratory designed to accompany PSY101. Application of psychological principles in areas such as learning, memory, emotion, motivation, cognition, language, development, personality, and intelligence. Prerequisites or Corequisites: PSY101 or permission of Instructor.

#### PSY123  Psychology of Parenting  3 Credits 3 Periods
The demonstration and application of psychological principles to the development and guidance of children and adolescents. Prerequisites: None.

#### PSY132  Psychology and Culture  3 Credits 3 Periods
Presents current knowledge about human diversity in behavior and culture using examples from a variety of contexts and nations. Highlights topics in cross-cultural psychology, such as intergroup relations, ethnocentrism, gender, personality, emotion, language, communication, work and health. Emphasis on applications of behavioral and cognitive principles to enhance interactions in a multicultural world. Prerequisites: None.

#### PSY143  Lesbian, Gay, Bisexual and transgendered Studies  3 Credits 3 Periods
Introduction to the study of lesbian, gay, bisexual, and transgendered individuals. Includes psychological, developmental, social, biological, historical and cultural aspects. Review of research literature regarding the etiology and assessment of sexual orientation, prejudice, and discrimination, and family issues. Current issues in lesbian/gay/bisexual/transgendered studies. Prerequisites: None.

#### PSY156  Understanding Death and Dying  3 Credits 3 Periods
Designed to give the student an understanding of the research and theories of death, dying and the bereavement process. Prerequisites: None.

#### PSY210  Educational Psychology  3 Credits 3 Periods
Scientific research and psychological principles as they apply to teaching and learning. The role of psychology in educational settings, human diversity, theories of learning, intelligence, memory, creativity, assessment, and factors influencing effective instruction and learning. Prerequisites: PSY101 with a grade of "C" or better or permission of Instructor.

#### PSY215  Introduction to Sport Psychology  3 Credits 3 Periods
Application of the physiological, behavioral, social, cognitive, and humanistic perspectives in psychology to sport. Includes topics such as optimal performance, correlation, motivation, co-

### POS - Political Science

#### POS210  Political Ideologies  3 Credits 3 Periods
Survey of twentieth century nondemocratic ideologies and movements with emphasis on Marx, Lenin, Mussolini, Hitler, Stalin and Mao. Prerequisites: None.

#### POS220  U.S. and Arizona Constitution  3 Credits 3 Periods
Examination of the United States Constitution and the constitution and government of the State of Arizona. Prerequisites: None.

#### POS221  Arizona Constitution  1 Credit 1 Period
Examination of the Constitution of the State of Arizona. Equivalent to the second part of POS220. May not enroll in POS220 and POS221 concurrently. Prerequisites: None.

#### POS222  U.S. Constitution  2 Credits 2 Periods
Examination of the United States Constitution. Equivalent to the first part of POS220. May not enroll in POS220 and POS222 concurrently. Prerequisites: None.

#### POS223  Civil Rights  3 Credits 3 Periods
The historic background and current status of major civil rights issues in the United States. Prerequisites: None.

#### POS227  United States and Arizona Social Studies  3 Credits 3 Periods
Overview of government, history, and geography of the United States and Arizona. Includes the relationship of government to the United States economic system as well as the influences and developments that have shaped U.S. and Arizona history. Also covers geographical systems, regions, and study techniques. Prerequisites: None.

#### POS281  Public Policy/Service Internship  2-4 Credits 2-4 Periods
Field experience in community service, public policy or public service. May be repeated for a total of nine (9) POS281 credit hours; may not repeat specific internship assignment. Prerequisites: Minimum of 15 credit hours at college granting internship with minimum GPA of 3.0 and permission of Instructor. Prerequisites or Corequisites: POS280.

#### POS282  Volunteerism for Political Science: A Service-Learning Experience  1-3 Credits 1-3 Periods
Service-learning field experience within government agencies, political organizations, citizen advocacy groups, and human service organizations/agency. May be repeated for a total of four (4) POS282 credit hours; may not repeat specific agency assignment for more than two (2) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

#### POS298  Special Projects  1-3 Credits See Page 292
action effect, self-actualization, psycho-behavioral techniques, self-efficacy, and the general health benefits of sport participation. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY225 Psychology of Religion**
3 Credits 3 Periods
Provides an introduction to the history, varieties and theories of the psychology of religion from an empirical, research-based perspective. Specific areas of study include the role of gender, age, socioeconomic status, and personality on religious experience, the effects of religion and prayer on mental and physical health, the development of religious thought and behavior over the lifespan, and the social psychology of new religious movements. In addition, the role of cultural differences on religious attitudes both within the USA and around the world is also addressed. Prerequisites: PSY101 or permission of Instructor.

**PSY230 Introduction to Statistics**
3 Credits 3 Periods
An introduction to basic concepts in descriptive and inferential statistics, with emphasis upon application to psychology. Consideration given to the methods of data collection, sampling techniques, graphing of data, and the statistical evaluation of data collected through experimentation. Required of psychology majors. Prerequisites: PSY101 with a grade of “C” or better and MAT092 or equivalent, or permission of Instructor.

**PSY231 Laboratory for Statistics**
1 Credit 2 Periods
Applications of inferential and descriptive statistics to computers in the field of psychology. Prerequisites: None. Corequisites: PSY230.

**PSY235 Psychology of Gender**
3 Credits 3 Periods
To assess historical and psychological perspectives on women and men and to evaluate contemporary viewpoints regarding the psychology of women and men. Prerequisites: PSY101 with a grade of “C” or better or permission of Instructor.

**PSY240 Developmental Psychology**
3 Credits 3 Periods
Human development from conception through adulthood. Includes: physical, cognitive, emotional and social capacities that develop at various ages. Recommended for students majoring in nursing, education, pre-med, and psychology. Prerequisites: PSY101 with a grade of “C” or better, or permission of the Instructor.

**PSY248 Psychology of Adolescent Development**
3 Credits 3 Periods
Explores the highly specialized developmental stage of adolescence. Includes biological, cognitive, psychosexual, and sociocultural factors as well as current theories and research. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY250 Social Psychology**
3 Credits 3 Periods
The scientific study of how people’s thoughts, feelings, and behaviors are influenced by other people and situations. Includes how we think about ourselves and others, persuasion and influence, sexual and romantic attraction, friendship and helping others, aggression and prejudice. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY260 Psychology of Personality**
3 Credits 3 Periods
Introduction to theories of personality with emphasis upon application of specific theories towards the understanding of individuals. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY262 Positive Psychology**
3 Credits 3 Periods
Overview and application of psychological principles based on strengths and resilience of human beings as opposed to dysfunction and symptoms of mental disorders. Topics include happiness, relationships, resilience, optimism, well-being, and brain research explaining positive emotions. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY266 Abnormal Psychology**
3 Credits 3 Periods
Distinguishes between normal behavior and psychological disorders. Subjects may include stress disorders, problems with anxiety and depression, unusual and abnormal sexual behavior, schizophrenia and addictive behaviors. Causes and treatments of psychological problems and disorders are discussed. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY267 Introduction to Forensic Psychology**
3 Credits 3 Periods
Overview of the practice of psychology in the law, by the law, and of the law. Focuses on the complementary functions and distinctions between psychology and the legal justice system. Topics include, but are not limited to, criminal investigations, risk and level of danger, competency, interrogations, confessions, assessment, eyewitness testimony, child custody, and domestic violence. Prerequisites: PSY101.

**PSY275 Biopsychology**
4 Credits 5 Periods
Biological foundations of sensation, perception, motivation, emotion, cognition and psychopathology. Designed for students in the life sciences. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

**PSY277 Psychology of Human Sexuality**
3 Credits 3 Periods
Survey of psychological and physiological aspects of human sexual behavior. Emphasis placed on the integration of the cognitive, emotional, and behavioral factors in sexual functioning. Prerequisites: PSY101 with a grade of C or better, or permission of Instructor. Student must be 18 years or older.
PSY282 1-3 Credits 1-3 Periods
Volunteerism Service-Learning Experience in Psychology
Service-learning field experience within private/public agencies, and citizen volunteer groups. May be repeated for a total of three (3) PSY282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: PSY101 and permission of Instructor.

PSY290AC 3 Credits 3 Periods
Research Methods
Planning, execution, analysis, and written reporting of psychological research using American Psychological Association guidelines (APA). Surveys the literature, procedures, and instruments in representative areas of psychological research. Prerequisites: ENG101, or ENG107. Prerequisites or Corequisites: PSY230 with a grade of “C” or better, or permission of Instructor.

PSY292 3 Credits 3 Periods
Psychology of Altered States of Consciousness
Examines phenomena and history of altered states of consciousness. Surveys scientific principles, methods and applications in altered states research. Reviews current psychological research in topics related to sensory deprivation, daydreaming, meditation, hypnosis, sleep and dreams, and the effects of drugs. Prerequisites: PSY101 with a grade of “C” or better, or permission of Instructor.

PSY298 Special Projects
1-3 Credits See Page 292

RDG - Reading

RDG008 3 Credits 3 Periods
Phonics
Designed for students who are learning English as a second language. Includes the study of the speech sounds used in English as represented by the written symbols of the alphabet; recognition of spelling patterns and resulting pronunciation; and diaritical markings. Prerequisites: Reading placement score (CELSA).

RDG016 3 Credits 3 Periods
Reading English As A Second Language I
Designed for students who are learning English as a second language. Skills needed to become proficient readers in English. Sound symbol relationships of the English alphabet. Essential vocabulary for daily communication both in isolation and context. Development of reading comprehension skills. Prerequisites: Appropriate ESL placement test score.

RDG026 3 Credits 3 Periods
Reading English As A Second Language II
Designed for students who are learning English as a second language. Continued development of vocabulary and reading comprehension skills. Prerequisites: Appropriate ESL placement test score, or grade “C” or better in ESL/RDG016, or permission of Instructor.

RDG036 3 Credits 3 Periods
Reading English As A Second Language III
Designed for students who are learning English as a second language. Instruction for more advanced vocabulary and reading comprehension skills. Prerequisites: Appropriate ESL placement test score, or grade of “C” or better in ESL/RDG026, or permission of Instructor.

RDG046 3 Credits 3 Periods
Reading English As A Second Language IV
Developed for students of English as a second language. Development of advanced vocabulary, comprehension skills, and culture awareness. Prerequisites: Appropriate ESL placement test score, or grade of “C” or better in ESL/RDG036, or permission of Instructor.

RDG071 3 Credits 3 Periods
Basic Reading
Provide opportunities for practice and application of basic reading skills. Includes phonics analysis, word recognition, structural analysis, use of context clues, and use of dictionary, reinforced through practical application. Development of vocabulary required for success in content area courses. Emphasis on literal comprehension and development of inferential interpretation. Prerequisites: Appropriate reading placement test score, or grade of “C” or better in ESL/RDG040.

RDG081 3 Credits 3 Periods
Reading Improvement
Designed to improve basic reading skills. Includes word recognition, interdisciplinary vocabulary development, recognizing patterns of organization, interpreting inference. Reviews interpreting graphic materials. Emphasis on identifying main ideas and related details. Prerequisites: Appropriate reading placement test score, or grade of “C” or better in RDG071, or permission of Instructor.

RDG091 3 Credits 3 Periods
College Preparatory Reading
Designed to improve basic reading and study skills, vocabulary and comprehension skills. Recommended to all students whose placement test scores indicate a need for reading instructions. Prerequisites: Appropriate reading placement test score, or grade of “C” or better in RDG081 or permission of Instructor.

RDG095 6 Credits 6 Periods
Intensive Foundations for College Reading
Accelerated format to improve basic reading skills, study skills, and information literacy skills including vocabulary development, main idea identification, patterns of organization recognition, and comprehension improvement. RDG095 is an accelerated and intensive learning program for students and meets the requirements for RDG081 and RDG091 in one semester. Prerequisites: Appropriate reading placement test score, or grade of “B” or better in RDG071 or permission of Instructor.

RDG100 3 Credits 3 Periods
College Study Skills
Emphasis on reading study strategies for any introductory class in any subject area. Introduction to Learning Management System (LMS), how to successfully read course textbooks and assessments, how to navigate information technology and development of academic vocabulary. Prerequisites: Appropriate reading placement score or permission of Instructor. Corequisites: Any 100-level course in another content area or permission of Instructor.

RDG111 3 Credits 3 Periods
Successful College Reading for Cultural or Social Sciences
Emphasis on reading study strategies for an introductory class in the Cultural and Social Sciences. Introduction to Learning
Management System (LMS), how to successfully read course textbook and assessments and development of academic vocabulary. Prerequisites: Appropriate reading placement score or permission of Instructor. Corequisites: Any 100-level class in the following prefixes: ASB, ASM, ECN, GCU, GPH, HIS, POS, SOC, SWU, WST, or any 100-level course in the Cultural or Social Sciences or permission of Instructor.

**REA179**  
**Real Estate Principles I**  
Basics of real estate principles including introduction to the profession and license law, definition of real property, legal descriptions, rights and interests in property, ownership, contracts, real estate economics, financing and foreclosure, land use, and valuation. Prerequisites: None.

**REA270**  
**Basic Appraisal Principles**  
2 Credits 2 Periods  
Overview of real property concepts and characteristics, legal considerations, value influences, real estate finance, types of value, economic principles, real estate markets and analysis, and ethics in appraisal practice. Prerequisites: None.

**REA271**  
**Basic Appraisal Procedures**  
2 Credits 2 Periods  
Overview of real estate appraisal approaches to valuation procedures, value, property description, residential applications, commercial applications, improvement construction, home inspection, and appraisal math. Practical application of appraisal procedures including case studies, and examples. Prerequisites: REA270 or permission of Instructor.

**REA273**  
**Residential Market Analysis Highest And Best Use**  
1 Credit 1 Period  
Recognize and evaluate market conditions affecting the buyers’ and sellers’ activities in understanding and reporting values. Gather and evaluate market data. Markets, sub-markets, market segmentation, supply side analysis, demand analysis and the importance of market examination to the appraisal process. Prerequisites: None.

**REA274**  
**Residential Appraiser Site Valuation And Cost Approach**  
1 Credit 1 Period  
Learn theories and methodologies for arriving at residential site values and applying the Cost Approach for new and reproduction factors. The advantages and disadvantages of using the cost methods for estimating accrued depreciation. Reading of residential building plans and specifications. Prerequisites: None.

**REA275**  
**Residential Sales Comparison And Income Approaches**  
2 Credits 2 Periods  
Basic understanding and knowledge of the residential sales comparison and income approaches to appraisal including valuation principles and procedures applicable to these approaches. Development of market analysis, including the application and use of matched pairs and capitalization rates, and gross rent multipliers. Includes organizing market data and reconciling value indications. Prerequisites: Permission of Instructor.

**REA276AA**  
**Residential Report Writing And Case Studies I**  
1 Credit 1 Period  
Exposes appraiser to realistic writing skills essential to producing realistic appraisal reports in their practice. Includes study of writing techniques, grammar, punctuation, and analytical techniques. Actual report writing and case studies are applied. Prerequisites: None.

**REA281**  
**Principles of Real Estate Law**  
3 Credits 3 Periods  
Incidents of ownership and use of real estate, legal principles, procedures, and methods of acquisition and disposition of real estate. Prerequisites: REA179 or departmental approval.

**REC - Recreation**

| REC120 Leisure And The Quality Of Life 3 Credits 3 Periods |
| Overview of the historical, psychological, social, and cultural aspects of play, leisure, and recreation and their role in contemporary society. Nature of play and leisure behavior in human development within different cultures and the contribution play, recreation, and leisure make to the quality of life for individuals in today’s society. Prerequisites: None. |
| REC150AA Outdoor Adventure Skills Field Experience 1 Credit 2 Periods |
| Practical application of camping and outdoor skills including camping, equipment selection and use, cooking, fire building, camp programs, backpacking, and safety. Prerequisites: None. Course may be repeated for a total of four (4) credits. |
| REC150AB Outdoor Adventure Skills 3 Credits 3 Periods |
| Camping and outdoor skills including types of camping, equipment selection and use, cooking and fire building, camp programs, backpacking, and safety. Prerequisites: None. |
| REC155AA Canyoneering 1 Credit 2 Periods |
| Basic canyoneering skills. Includes hydrology, navigation, safety systems, climbing and hiking skills, wading/swimming techniques and flood/weather identification. Prerequisites: None. |
| REC155AB Caving 1 Credit 2 Periods |
| Basic caving skills. Includes cave ecology, navigation, safety systems, lighting systems and equipment selection. Prerequisites: None. |
| REC210 Leisure Delivery Systems 3 Credits 3 Periods |
| Systematic study of Delivery of Leisure Services in public, commercial, and independent sectors; particular emphasis placed on the urban setting. Prerequisites: None. |
| REC230 Programming Of Recreation Services 3 Credits 3 Periods |
| Foundations for designing, planning, delivering and managing recreational and leisure events. Emphasis on application of recreation programming concepts and practices in a variety of settings and situations for a diversity of participants. Prerequisites: None. |
| REC250 Recreation Leadership 3 Credits 3 Periods |
| An examination of roles and methods of leadership in leisure services settings. Overview of theories and models of leadership, group dynamics, participant motivation, communication, and face-to-face leadership. Exploration of leadership contexts, including coaching and officiating sports, leading community groups and volunteers, working with persons in various life stages and with varying abilities, and leading different recreation activity areas. Prerequisites: None. |
| REC282 1-3 Credits 1-3 Periods |
| Service-Learning Experience in Recreation |
| Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. REC282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. |

**REL - Religious Studies**

| REL100 World Religions 3 Credits 3 Periods |
| The development of various religions from the prehistoric to modern times. Political, economic, social and geographic relationships among world religions. Consideration of both Eastern and Western religions. Prerequisites: None. |
| REL151 Religion in the Hispanic World 3 Credits 3 Periods |
| Survey of various religious traditions within Spain and the Spanish-settled world. Considers the impact of and impact on both major world religions and indigenous traditions. Prerequisites: None. |
| REL203 American Indian Religions 3 Credits 3 Periods |
| An examination of the historical and cultural background of diverse lifeways and worldviews belonging to the peoples indigenous to the North American continent over time, including a study of modern day American Indian beliefs and practices. Prerequisites: ENG101 or ENG107 or equivalent. |
| REL206 Religion in America 3 Credits 3 Periods |
| Introduction of the rich tapestry of religious traditions and movements that have helped to shape the United States of America. Investigate how religion has impacted American culture and institutions, and how the United States has in turn transformed long-standing religious traditions. Prerequisites: None. |
REL207 3 Credits 3 Periods
Ritual, Symbol, and Myth
Introduction to the academic study of religion through the study of myths, symbols, and rituals. Includes methods and theories used by scholars to study the complex subject of religion. Attention to literate and non-literate cultures. Prerequisites: Grade of C or better in ENG101, or ENG107, or permission of Department or Division.

REL243 3 Credits 3 Periods
World Religions
The development of various religions from the prehistoric to modern times. Political, economic, social and geographic relationships among world religions. Consideration of both Eastern and Western religions. Prerequisites: None.

REL250 3 Credits 3 Periods
Religion in Ireland: Neolithic to Early Medieval
Survey of the Ancient religious traditions of Ireland. Students investigate the beliefs and practices of Irish Religions in the context of their social, economical and political systems from the late Neolithic to the early Medieval periods (4000 BCE-700 CE). Prerequisites: None.

REL270 3 Credits 3 Periods
Introduction to Christianity
The nature and content of the Christian tradition developed over time, with overview of the New Testament, major historical trends and figures, major Christian ideas and practices, and survey of denominations. Prerequisites: None.

REL290 3 Credits 3 Periods
Women and Religion
The role of women in several organized religions and/or religious sects, including a study of myth and symbols as they are used to establish, maintain, and enforce sex roles within specific religions. Prerequisites: None.

REL291 3 Credits 3 Periods
Religion and Sexuality
Exploration of the perspectives of various religious traditions on human sexuality. Includes consideration of all aspects of sexual practice as well as its incorporation into religious discourse and practice and its impact on social norms and structures. Prerequisites: Student must be 18 years or older.

RUS - Russian

RUS101 4 Credits 4 Periods
Elementary Russian I
Basic grammar, pronunciation, and vocabulary of the Russian language. Practice of listening, speaking, reading, and writing skills. Prerequisites: None.

RUS102 4 Credits 4 Periods
Elementary Russian II
Continued study of grammar and vocabulary, with emphasis on speaking, reading, and writing skills. Prerequisites: RUS101, or permission of department or division.

RUS115 3 Credits 3 Periods
Beginning Russian Conversation I
Basic sentence structure, pronunciation and vocabulary necessary to develop speaking ability in Russian. Prerequisites: None.

SBS - Small Business Management

SBS204 2 Credits 2 Periods
Small Business Marketing And Advertising
Introduction to marketing and advertising strategies and methods including business image, target market analysis, and customer buying behavior profile. Analysis and selection of advertising/business promotion methods and timing. Methods of deciding product and market segment focus included. Design of an individual marketing and advertising/promotion plan. Prerequisites: None.

SBS213 1 Credit 1 Period
Hiring And Managing Employees
Methods and techniques for managing employees in a small business. Includes supervisor’s role, leadership styles, interpersonal communications, staff planning, employee work styles, techniques for handling problem employees, and employee motivation. Focuses on real-life situations to enable the business owner to gain high performance from their employee team. Includes segment on hiring, new-employee orientation, training, benefits, and developing future staffing needs assessment. Prerequisites: None.

SBS214 1 Credit 1 Period
Small Business Customer Relations
Developing and improving customer relations for the small business. Planning and delivering quality customer service. Includes topics on attitude of employees, customer perceptions and motivations, handling customer dissatisfaction, and developing customer, supplier, vendor, and distributor loyalty. Prerequisites: None.

SBS230 2 Credits 2 Periods
Financial and Tax Management for Small Business
An overview of accounting and record-keeping for the successful management of a small business. Develops an understanding of the accounting cycle and preparation of financial statements. Includes section on tax consequences and the choice of legal entity choice based on taxation. Prerequisites: None.

SBU - Society and Business

SBU200 3 Credits 3 Periods
Society and Business
The study and scientific inquiry of issues and demands placed on business enterprise by owners, customers, government, employees and society. Included are social, ethical and public issues and analysis of the social impact of business responses. Prerequisites: None.

SCT – Sustainability/Career and Technical

SCT100 3 Credits 3 Periods
Introduction to Sustainable Built Environments
Study of the built environment and implications on human health, the natural environment, and society. Understanding of strategies that achieve sustainable design. Exploration of positive and
negative sustainable product attributes. Emphasis on Leadership in Energy and Environmental Design (LEED). Prerequisites: None.

SCT271 Sustainable Design Internship
Sustainable design work experience in the built environment industry. Required to work 80 hours. Supervised and evaluated by a faculty coordinator. Prerequisites: Permission of Instructor.

SLC - Studies in Language and Culture

SLC201 Introduction to Linguistics
Introduction to the study of language. Study of the nature and diversity of world languages, linguistic structures and functions of language, language variation, pragmatics and the learning/acquisition of first and second languages. Prerequisites: None.

SLG - Sign Language

SLG101 American Sign Language I

SLG102 American Sign Language II
Continued development of knowledge and language skills for communicating with deaf people who sign. Includes numbers, fingerspelling, and culture. Emphasis on enhancement of receptive sign skills and continued development of expressive sign skills. Application of rudimentary, syntactical, and grammatical structure stressed with continued development of sign vocabulary. Prerequisites: SLG101 with a grade of “C” or better, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SLG103 Introduction to Deaf Community
History and development of American Sign Language (A.S.L.) and English codes. Overview of education for Deaf and Hard of Hearing children. Legal rights and common adaptive devices used by Deaf and Hard of Hearing individuals. Prerequisites: None.

SLG201 American Sign Language III
Linguistics of American Sign Language (A.S.L.) including non-manual behaviors and signing English idioms with conceptual accuracy. Emphasis on practical application of A.S.L. skills, expanded vocabulary, and cross-cultural communication. Prerequisites: SLG102 with a grade of “C” or better, or permission of Department or Division. Suggested but not required: (ENG101 or ENG107) and, (CRE101 or CRE111 or exemption by score on the reading placement test (ASSET)). Completion of prerequisites within the last three years is required.

SLG202 American Sign Language IV
Advanced American Sign Language skills including continued vocabulary. Emphasis on conversational techniques in a cross-cultural framework. Continued work on conceptual accurate signing of English idioms and words with multiple meanings. Prerequisites: SLG201 with “C” or better, or permission of Department or Division. ENG101, SLG200, and (CRE101, or CRE111, or exemption by score on the reading placement test) suggested but not required. Completion of prerequisites within the last three years is required.

SLG298 Special Projects
1-3 Credits See Page 292

SOC - Sociology

SOC101 Introduction to Sociology
The systematic study of social behavior and human groups, particularly the influence of culture, socialization, social structure, stratification, social institutions, differentiation by region, race, ethnicity, sex/gender, age, class, and socio/cultural change upon people’s attitudes and behaviors. Prerequisites: None.

SOC130 Human Sexuality
Examination of the physical, social, cultural, and institutional contributions to human sexuality. Examination of facts and myths, literature, and changing mores regarding human sexuality to acquire knowledge about cultural and social events and processes. Explores the sexuality of males and females in contemporary society. Prerequisites: Student must be 18 years or older.

SOC140 Racial and Ethnic Minorities
Contemporary/historical racial and ethnic intergroup relations emphasizing cultural origins, developments, and problems of minority groups in the United States. Prerequisites: None.

SOC141 Sovereign Indian Nations
Explores the sovereign status of American Indians as it relates to social relationships, traditions, and culture of American Indians. Reviews historic relations with non-Indian societies, the development of federal Indian law, tribal governments and their functions. Examines treaty rights, environmental issues, public policy, economic development, other current issues, and contemporary social problems. Prerequisites: None.

SOC157 Sociology of Marriage and Family
The study of courtship, marriage, and family patterns, their historical development, their adaptation to a changing culture, and their impact on individuals. Prerequisites: None.

SOC180 Social Implications of Technology
Effects of development and implementation of technology on society. Historical and multi-cultural comparisons of this process, current concerns addressed, and prospects for the future analyzed. Prerequisites: None.

**SPA - Spanish**

SPA055 Fundamentals of Spanish Grammar
- Introduces basic concepts of Spanish pronunciation and grammar for successful study of the language. Emphasis on grammar, sentence structure, and practice of simple dialogues. Prerequisites: None.

SPA101 Elementary Spanish I
- Basic grammar, pronunciation and vocabulary of the Spanish language. Includes the study of the Spanish-speaking cultures. Practice of listening, speaking, reading, and writing skills. Prerequisites: None.

SPA102 Elementary Spanish II
- Continued study of grammar and vocabulary of the Spanish language and study of the Spanish-speaking cultures. Emphasis on speaking, reading, and writing skills. Prerequisites: (A grade of “C” or better in SPA101 or SPA101AA), or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA117 Health Care Spanish I
- Basic conversational Spanish for health care workers or students. Emphasis on basic sentence structure, pronunciation and vocabulary used in health care settings. Prerequisites: None.

SPA201 Intermediate Spanish I
- Continued study of essential Spanish grammar and Spanish-speaking cultures. Continued practice and development of reading, writing, and speaking skills in Spanish. Emphasis on fluency and accuracy in spoken Spanish. Prerequisites: A grade of “C” or better in SPA102, or SPA102AA, or SPA111, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA202 Intermediate Spanish II
- Review of grammar, continued development of Spanish language skills with continued study of the Spanish-speaking cultures. Prerequisites: A grade of “C” or better in SPA201, or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA265 Advanced Spanish I
- Introduction and study of Spanish and Spanish-American literature. Selected readings from most Spanish-speaking countries. All discussions, oral reports, and written assignments are in Spanish. Prerequisites: Prerequisites: SPA202 or permission of Department or Division. Completion of prerequisites within the last three years is required.

SPA282 Service-Learning Experience in Spanish
- Unpaid Service-Learning (SL) experience, completed with approved community partner. SPA282AA may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

SPA298 Special Projects
- 1-3 Credits See Page 292

**SPH - Spanish Humanities**

SPH245 Hispanic Heritage in the Southwest
- A survey of Hispanic heritage in the Southwest. Cultural and social institutions and their contribution to the development of the region and its heritage. Prerequisites: None.
Special Projects
The following course is available under any prefix listed in this catalog. Interested students should consult with the appropriate faculty member.

*___298 1-3 Credits
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or Instructor.

*Prefix will be determined by departmental designation.

SSH – Sustainability/Social Sciences and Humanities

SSH111 3 Credits 3 Periods
Sustainable Cities
Introduction to the field of sustainability and exploration of the practices leading to the development of sustainable cities. Explores the concept of sustainable development of cities within local, regional, and global contexts. Prerequisites: None.

STO – Storytelling

STO282 1-3 Credits 1-3 Periods
Service-Learning Experience in Storytelling
Unpaid Service-Learning (SL) experience, completed with approved community partner. Prerequisites: Permission of Instructor. STO282 may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog.

STO290 3 Credits 3 Periods
Irish Storytelling Tradition
Introduction to the history and practice of storytelling in Ireland. Overview of Irish myths, legends, folktales, and humorous tales. Great story tellers and story collectors of the past and present. Researching, developing, and crafting Irish stories for telling. Prerequisites: None.

SU – Sustainability/Natural Sciences

SUS110 3 Credits 3 Periods
Sustainable World
Introduction to the field of sustainability and exploration of the interaction between human and natural global systems. Framework for analyzing and investigating the global challenges such as land use change, competition for water and other natural resources, and renewable energy concerns and crises. Prerequisites: None.

SWU - Social Work

SWU130 3 Credits 3 Periods
Chemical Dependency
Sociological, psychological and physiological aspects of chemical abuse. Consideration of a variety of treatment programs offered in community agencies. Prerequisites: None.

SWU171 3 Credits 3 Periods
Introduction to Social Welfare
Analysis of contemporary social welfare services and professional social work. Prerequisites: None.

SWU225 3 Credits 3 Periods
Statistics for Social Research/Justice and Government
Introductory course in descriptive and inferential statistics for social research. Designed to serve as preparation for interpreting and understanding research related to Justice and Government related agencies. Prerequisites: MAT092 or completion of higher level mathematics course.

SWU250 3 Credits 3 Periods
Mindfulness for Stress Management
Introduction to the theory, research and practice behind mindfulness and stress management as it relates to quality of life issues and professional self-care. Focus on maintaining a healthy lifestyle and managing personal/professional stress by incorporating evidence based research on nutrition, mindfulness, communication, positive psychology, exercise, environmental factors contributing to wellness and disease; immune system support, activity management and developing practices that facilitate maintaining living in balance. Prerequisites: None.

SWU258 3 Credits 3 Periods
Victimology and Crisis Management
Focuses on victimology and techniques of crises intervention; and the importance of multicultural perspective. Includes coverage of sexual assault, family violence, child abuse, post-traumatic stress disorder, substance abuse, coping skills, stress management, and community resources. Prerequisites: None.

SWU282 1-3 Credits 1-3 Periods
Volunteerism for Social Work: A Service-Learning Experience
Service-learning field experience within private/public agencies, and citizen volunteer groups. May be repeated for a total of six (6) SWU282 credit hours; may not repeat specific assignment for more than three (3) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

SWU291 3 Credits 3 Periods
Social Service Delivery Systems
Purposes, structures, and delivery systems of human service agencies. Includes 40 hours of volunteer experience in local human service agencies. Prerequisites or Corequisites: SWU102, or SWU171, or Permission of Department or Division.

SWU292 3 Credits 3 Periods
Effective Helping in a Diverse World
Introduction to professional helper communication skills with respect to cross-cultural practice and diversity issues, in a social work setting. Prerequisites: None. (SOC101 and SWU102) or SWU171 suggested but not required.
### TEC - Clothing & Textiles

**TEC101 1 Credit 1 Period**

*Analyzing Fashion Products and Markets*

Understanding the profile of the fashion entrepreneur and the products and marketplace in which they compete. Emphasis on fashion merchandise and successful fashion business development. Prerequisites: None.

**TEC102 2 Credits 2 Periods**

*Strategic Fashion Business Planning*

Developing a strategy for a fashion business or fashion service. Merchandise and management planning for a fashion business entity. Emphasis on fashion merchandise and successful fashion business development. Prerequisites: None.

**TEC103 2 Credits 2 Periods**

*Developing Your Fashion Business*

Creating and understanding a financial plan, developing operating and control systems, planning growth strategies and a business plan for the Fashion entrepreneur. Emphasis on fashion merchandise and successful fashion business development. Prerequisites: None.

**TEC105 3 Credits 3 Periods**

*Cultural Aspects of Clothing*

Psychological, aesthetic, and economic factors applied to the selection of clothing in relation to personality and figure type. Prerequisites: None.

**TEC106 3 Credits 3 Periods**

*History of Fashion*

Consideration of historic factors influencing fashion and fashion change with special emphasis on historic costume. Prerequisites: None.

**TEC109 3 Credits 3 Periods**

*Introduction to Fashion Merchandising*

Explores the various levels and specialized segment of the fashion industry, the principles of fashion, the fundamentals of merchandising apparel, consumers’ influence on demand and marketing activities. Prerequisites: None.

**TEC110 3 Credits 4 Periods**

*Basic Sewing Skills*

Basic clothing construction techniques. Use of commercial patterns and sewing machine in the construction of basic garments. Prerequisites: None.

**TEC111 3 Credits 5 Periods**

*Clothing Construction*

Construction of garments applying basic construction principles and techniques using patterns suitable for the individuals and their capabilities. Prerequisites: None. If student has no previous sewing experience, TEC110 Basic Sewing Skills should be taken prior to and not during this course. May be repeated for a total of 12 credit hours with permission of instructor.

**TEC112AQ 2 Credits 2 Periods**

*Pattern Alteration and Fit*

Structural features of patterns and altering patterns to achieve proper fit. Includes figure irregularities, pattern style variations, fashion, and individual figure problems. Experience using a sewing machine assumed. Prerequisites: None.

**TEC113 1 Credit 1.5 Periods**

*Textiles: Dyeing*

Demonstrations and projects emphasizing skills and techniques in creating decorative textiles for the home and apparel; tie dye and batik. Prerequisites: None. May be repeated for a total of three (3) credits.

**TEC114 1 Credit 2 Periods**

*Textiles: Block Printing/Silk Screening*

Skills and techniques in creating decorative textiles for the home and apparel; block printing and silk screening. Prerequisites: None. May be repeated for a total of three (3) credits.

**TEC115 1 Credit 1.5 Periods**

*Textiles: Hand Painting*

Materials and techniques used to hand paint designs on textiles. Includes color theory and design development. Prerequisites: None. May be repeated for a total of three (3) credits.

**TEC116 1 Credit 1.5 Periods**

*Textiles: Stitchery and Embellishment*

Materials and techniques used for stitchery and embellishment on textiles. Includes color schemes and design development. Prerequisites: None.

**TEC117 2 Credits 4 Periods**

*Beginning Quilting*

Basic construction techniques used in hand and machine quilting. Includes fabric and thread selection, equipment, batting choices, fabric preparation, pattern selection, cutting methods, patchwork assembly techniques by hand and machine, finishing methods, and uses for quilted items. Prerequisites: None.

**TEC118 2 Credits 4 Periods**

*Intermediate Clothing Construction*

Application of intermediate clothing and fitting techniques. Emphasis on improving basic construction skills. May be repeated for a total of 8 credit hours with permission of instructor. Prerequisites: TEC111 or permission of Instructor.

**TEC122 3 Credits 5 Periods**

*Sewing with Knits*

Skills and techniques used in the construction of garments made from knit fabrics. Prerequisites: None.

**TEC124 3 Credits 5 Periods**

*Advanced Clothing Construction*

Advanced garment construction techniques, pattern alteration and fit and techniques used on specialty fabrics. May be repeated for a total of 12 credit hours with permission of instructor. Prerequisites: TEC111 or permission of Instructor.

**TEC125 3 Credits 3 Periods**

*Fashion Design*

Practical techniques of fashion sketching, pattern drafting and draping. Design apparel. Prerequisites: None. TEC106 and TEC111 suggested but not required.

and creation of an original design. May be repeated for a total of twelve (12) credits. Prerequisites: TEC225 or permission of Instructor.

### TEC231 Pattern Grading

Grading patterns to change sizes. Includes grading terminology, grading methods, types of grade, uneven grade, figure types, grading charts, blending, and grading basic and intermediate designs. Prerequisites: TEC111 or permission of Instructor.

### TEC236 Portfolio Development

Design, produce, and present a professional portfolio. Includes material selection and techniques, customer focus, contents and organization, presentation formats, flat sketching techniques, presentation boards, and writing a resume and cover letter for potential employers. Prerequisites: (TEC135 and TEC221), or permission of Instructor.

### TEC241 Advanced Computer-Assisted Fashion Design

Advanced techniques and use of computer hardware and software in the fashion design industry. Create and illustrate fashion designs using multiple computer applications. Create advanced textile surface pattern design using color and design principles on the computer. Manipulate CAD pattern design for original patterns, grading, and markers. Create storyboards for product development and personal portfolio. Prerequisites: TEC124 and TEC221.

### TEC245 Wardrobe Strategies

Methods of clothing selection, coordination, evaluation, and planning to meet men's and women's wardrobe needs. Prerequisites: None.

### TEC250 Apparel Quality Analysis

Quality analysis of construction components that affect the appearance, function, and cost of ready-to-wear apparel. Prerequisites: None.

### TEC255 Fashion Retail Merchandising

Surveys the structure and operation of fashion retail organizations. Emphasizes the global nature of fashion merchandising and techniques of merchandising for the fashion merchandising major. Prerequisites: MKT/TEC109.

### TEC260 Fashion Sales Management

Emphasizes the fashion aspects of sales, and the application and management of a sales force for the fashion industry. Prerequisites: MKT/TEC109.

### TEC270 Design Studio

Design of an original garment for a line/collection. Includes sketching design, developing pattern for design, selecting fabrics for design, and construction of design. Prerequisites: TEC225 or TEC226.

### TEC271 Fashion Design Internship

Work experience in fashion design business or industry. Five hours of work weekly. Supervision and evaluation by an internship coordinator. May be repeated for a total of three (3) credits. Prerequisites: Permission of Department or Division.

### TEC272 Retail Merchandising Internship

Retail merchandising work experience in a fashion retail business or industry. Supervision and evaluation by an internship coordinator. Eighty hours of designated work per credit per semester. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student’s academic or career goals (student’s present job may qualify); or permission of Instructor.

### TEC274 Fashion Merchandising Study Tour

A tour of the fashion merchandising industry outside the metropolitan Phoenix area. Includes a variety of experiences and activities to enhance awareness of this multifaceted career. Prerequisites: Permission of Department or Division.

### TEC275 Image Consultant Internship

Image consultant work experience in a fashion retail business or industry. Supervision and evaluation by an internship coordinator. Eighty hours of designated work per credit per semester. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student’s academic or career goals (student’s present job may qualify); or permission of Instructor.

### TEC277 Alteration Internship

Alteration work experience in a business or industry. Supervision and evaluation by an internship coordinator. Eighty hours of designated work per credit per semester. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student’s academic or career goals (student’s present job may qualify); or permission of Instructor.

### TEC278 Custom Design and Production Internship

Custom Design and Production work experience in a business or industry. Supervision and evaluation by an internship coordinator. May be repeated for a total of three (3) credits. Prerequisites: Permission of Department or Division. Eighty hours of work weekly. Supervision and evaluation by an internship coordinator. May be repeated for a total of three (3) credits. Prerequisites: Permission of Department or Division.
THE - Theatre - Performing Arts

THE111 3 Credits 3 Periods
Introduction to Theatre
A survey of theatre, including basic elements and principles of production, styles, and/or historical perspectives of theatre, dramatic literature, and criticism. Prerequisites: None.

THE220 3 Credits 3 Periods
Modern Drama
Analysis of dramatic literature studied within political, historical, and cultural contexts and examined from the perspective of the playwright’s structure and style. Prerequisites: ENG101, or ENG107, or equivalent.

THE282 1-3 Credits 1-3 Periods
Service-Learning Experience in Theatre
Unpaid Service-Learning (SL) experience, completed with approved community partner. THE282AA may be repeated for a total of six (6) credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of Instructor.

THF - Theatre and Film

THF205 3 Credits 3 Periods
Introduction to Cinema
Survey of the history and development of the art of motion pictures, including criticism of aesthetic and technical elements. Prerequisites: None.

THF210 3 Credits 3 Periods
Contemporary Cinema
A study of contemporary films, directors and critics with emphasis on evaluating film as an art form. Prerequisites: None.

THP - Theatre Performance/Production

THP112 3 Credits 4 Periods
Acting I
Fundamental techniques and terminology of acting through physical and vocal expression, improvisation, and monologue and scene work. Emphasis on characterization. Prerequisites: None.

THP115 3 Credits 4 Periods
Theatre Makeup
Purpose, materials, and techniques of theatrical makeup. Prerequisites: None.

THP201AA 1 Credit 2 Periods
Theatre Production I
Designed to give college credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) credits. Prerequisites: None.

THP203 3 Credits 6 Periods
Technical Theatre Production
Designed to give college credit to the technical production crews of college theatre productions. Prerequisites: None.

THP212 3 Credits 4 Periods
Acting II
Fundamental techniques of acting through script analysis, rehearsal, and performance. Prerequisites: THP112 or permission of Department or Division.

THP213 3 Credits 5 Periods
Introduction To Technical Theatre
Procedures of technical theatre production and demonstration. Topics include design and construction of scenery; lighting and properties. Prerequisites: None.

THP214 3 Credits 4 Periods
Directing Techniques
Contemporary theory and practice in directing, the evolution of present-day directing procedures, and a sampling of scripts for directing practice. Principles of script analysis, blocking, casting, rehearsing, and performing. Prerequisites: THP112 or THE220, or permission of Instructor.

THP217 3 Credits 4 Periods
Introduction To Design Scenography
The role of the theatre designer in creating scenic, lighting, costume, sound, and multimedia effects for stage productions. Elements of the design process and communication of dramatic themes and visions to the audience. Prerequisites: THP213 or permission of Instructor.

THP226 3 Credits 3 Periods
Theatrical Design: Costuming
Basic techniques involved in researching, designing, and constructing costumes for the stage. Prerequisites: None.

THP271 3 Credits 3 Periods
Voice and Diction
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None.

THP282 3 Credits 4 Periods
Production And Acting II
Provides the continuing acting student with opportunities to expand the versatility of characterization skills. Emphasis on relating the actor’s work to the total production process. Performance of monologues, scenes, and one-act plays. Prerequisites: THP281, or permission of Department or Division.

THP298 1-3 Credits See Page 292
Special Projects
TQM - Total Quality Management

TQM101  3 Credits  3 Periods
Quality Customer Service
Examines the nature of quality customer service and the attitudes, knowledge, and skill needed to work effectively in a quality customer service environment. Foundation skills for quality customer services are taught, applied, and practiced. Prerequisites: None.

TQM220  2 Credits  2 Periods
Leadership And Empowerment Strategies
Methods for facilitating teams and empowering employees which effectively enable all employees to act upon a shared vision. Prerequisites: None. TQM201 is recommended.

TQM230  2 Credits  2 Periods
Teamwork Dynamics
Theory and practice of how team members and team leaders use listening, negotiating and interpersonal skills for the enhancement of team process. Included are concepts of team development and team problem-solving techniques. Prerequisites: None. TQM201 is recommended.

TQM235  2 Credits  2 Periods
Motivation, Evaluation, And Recognition Systems
Presents methods for benchmarking, assessing team performance, linking recognition to team performance, and valuing victories and mistakes with all personnel. Prerequisites: None. TQM201 is recommended.

TQM240  3 Credits  3 Periods
Project Management In Quality Organizations
Presents methods for quality organizations in how to plan and schedule a project in use of Critical Path Method (CPM) and Program Evaluation and Review Technique (PERT) techniques and software to monitor and control projects. Prerequisites: None. TQM201 is recommended.

TQM290AA  1 Credit  1 Period
Tqm Internship
Quality Process Leadership experience in an organizational setting. Eighty (80) hours of work and seminar activities. Prerequisites: TQM201, TQM214, TQM220, TQM230, TQM235, TQM240, or permission of Department or Division.

TQM292  1 Credit  1 Period
Innovation Strategies
Identification of the attitudes, knowledge and skills needed to challenge the process and initiate change in an organization. Includes the analytical skill required for creativity as well as methods for innovative thinking. Prerequisites: TQM290AA, or permission of Department or Division.

WED - Wellness Education

WED100  2 Credits  2 Periods
Personal Wellness
Overview of wellness and its relationship to personal health. Understanding of personal wellness through lifestyle assessments. Introduction to wellness and health-related topics including fitness, relationships, nutrition, self-care, abusive behaviors, mind/body connection, and other current issues in health. Prerequisites: None.

WED110  3 Credits  3 Periods
Principles Of Physical Fitness And Wellness
Stress basic, lifetime health and skill-related components of fitness to achieve total wellness. Topics include nutrition, weight control, exercise and aging, cardiovascular and cancer risk reduction, stress management, prevention of sexually transmitted diseases, substance abuse control, and overall management of personal health and lifestyle habits to achieve the highest potential for well-being. Prerequisites: None.

WED152  3 Credits  3 Periods
Comparative Healing Techniques
Comparative approaches to healing, including allopathy, homeopathy, chiropractic, osteopathy, Chinese medicine, Ayurveda, Shamanism, and therapeutic touch. Contrast explanations for causation of disease, diagnostic procedures and healing methodology. Prerequisites: None.

WED155  3 Credits  3 Periods
Introduction to Chinese Medicine
Basic theories, principles and methods that constitute the backbone of Chinese Medicine. Explores concepts of Yin, Yang, the Five Elements (Wood, Fire Earth, Metal, and Water), and the Five Vital substances (Qi, Blood, Body Fluids, Jing, and Shen). Overview of the physiology of the major internal organs (Five Zang and Six Fu) with a focus on their various interrelationships. Prerequisites: None.

WED162  1 Credit  1 Period
Meditation And Wellness
Physiology of meditation and its effects on physical and mental health; scholastic abilities and interpersonal relationships; differentiation between meditation and other relaxation techniques. Prerequisites: None.

WED165  2 Credits  2 Periods
Overview of Massage Therapy
History of massage; overview of bodywork systems; benefits and indications of massage; legal requirements for practice in Arizona. Prerequisites: None.

WED172  1 Credit  1 Period
Overview Of Herbal Remedies
History and evolution of herbs for healing applications. Preparation, usage, and effects of certain herbs used for healing purposes. Basic literature review skills in the area of herbal medicine. Prerequisites: None.

WED218  1 Credit  1 Period
Aromatherapy
Physiology of aromatherapy; methods of use; preparation of oils; uses in sports, beauty care, massage, child care, health care, at work, and in the home. Prerequisites: None.
WLD - Welding

WLD101  3 Credits 6 Periods
Welding I
Principles and techniques of electric arc and oxyacetylene welding and cutting. Provides technical theory and basic skill training in these welding processes. Prerequisites: None.

WLD102  3 Credits 6 Periods
Basic Welding Metal Sculpture
Practical training for welders in artistic welding and metal sculptor with emphasis on oxy-ace welding, arc welding, and metal inert gas (MIG) welding. Prerequisites: None.

WLD103  3 Credits 8 Periods
Basic Blacksmithing And Metal Shaping
Selection and safe use of blacksmithing and metal shaping tools and equipment. Material selection and conditioning, practical forging techniques, metal shaping experience, and finishing processes. Prerequisites: None.

WLD106  5 Credits 8 Periods
Arc Welding
Electric welding with emphasis on metallic arc welding in out-of-position practice and procedures. Prerequisites: None.

WLD206  5 Credits 8 Periods
Advanced Welding: Heliare And Wire Feed
Instruction in theory and practice on tungsten inert gas and wire feed welding. Welding procedures on ferrous and nonferrous metals. Set up and operation of all types of machines used in tig and mig welding. Prerequisites: WLD106, or permission of Department or Division.

WLD208  5 Credits 8 Periods
Advanced Arc Welding: Certification
Advanced metallic arc welding emphasizing out-of-position welding in preparation for certification. Includes various test methods. Provides training on machine flame cutting and gouging and arc air cutting and gouging. Prerequisites: WLD106 or permission of Instructor.

WLD225  3 Credits 3 Periods
Welding Inspection And Quality Control
Welding inspection and quality control standards and practices in the construction and fabrication industries. Welding inspector certification requirements and functions performed in industry. Prerequisites: WLD206, or WLD208, or AWS certificate, or permission of Instructor.

WLD296  1-4 Credits 5-20 Periods
Cooperative Education
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits minimum 2.6 grade point average and be able to obtain a position related to students academic or career goals (students present job may qualify) or permission of instructor. Corequisites: Must be concurrent in at least one class which is related to student’s major or career interest or with permission of the Instructor.

WST - Women’s Studies

WST100  3 Credits 3 Periods
Introduction to Women’s and Gender Studies
Introduction to critical issues in women’s studies. Prerequisites: None.

WST161  3 Credits 3 Periods
American Women Since 1920
Continuation of the history of women in America from 1920 to the present, based on a feminist perspective. Includes discussion of the roles and status of immigrant and ethnic minority women. Prerequisites: None.

WST209  3 Credits 3 Periods
Women and Films
Analysis of images of women in films from both historical and contemporary perspectives. Prerequisites: None.

WST282  1-3 Credits 1-3 Periods
Volunteerism for Women’s Studies: A Service-Learning Experience
Service-learning field experience within private/public agencies and citizen volunteer groups. Students will develop writing skills, analysis, and synthesis in an on-site volunteer experience. May be repeated for a total of six (6) WST282 credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: WST100 and permission of Instructor.

WST284  3 Credits 3 Periods
19th Century Women Writers
Investigates major themes in literature by women writing in the 19th century including the nature of women’s lives in the family, in work situations, and in society. Poetry, prose, essays and drama are examined with an emphasis on common themes. Prerequisites: None.

WST285  3 Credits 3 Periods
Contemporary Women Writers
Explores twentieth century literature (short stories, essays, plays, and poetry) written by women and about women. Focus on themes relevant to women’s lives regardless of age, creed, or ethnic background. Prerequisites: None.

WST286  3 Credits 3 Periods
Women and Health: Body/Mind/Spirit Connection
Economic, sociopolitical, and demographic factors affecting women’s health. Methods for optimizing physical, emotional, and spiritual health. Specific health concerns of women throughout the lifespan. Activism for health promotion. Prerequisites: None.

WST290  3 Credits 3 Periods
Women and Religion
Focus on the role of women in several organized religions and/or religious sects. Study of myth and symbols as they are used to establish, maintain, and enforce sex-roles within specific cultural contexts around the world. Prerequisites: None.

The following are a portion of the Administrative Regulations used in managing the day-to-day operations of the Maricopa County Community College District (MCCCD) and are subject to change. Administrative Regulations are amended, adopted, or deleted as necessary and are subject to a formal approval process. Administrative Regulations are referenced as “AR” followed by a regulation number, which corresponds with the regulations on the MCCCD web site: www.maricopa.edu/publicstewardship/governance/adminregs/adminregs_toc.php

Some regulations include reference to Arizona Revised Statutes from the State of Arizona and are noted as “ARS” followed by a reference number.

General Statement (AR 2.4.1)
The Maricopa Community Colleges are dedicated to providing a healthy, comfortable, and educationally productive environment for students, employees and visitors.

Nondiscrimination Policy (AR 2.4.2)
It is the policy of the Maricopa Community Colleges (consisting of Chandler-Gilbert Community College, the District Office, Estrella Mountain Community College, Gateway Community College, Glendale Community College, Maricopa Skill Center, Southwest Skill Center, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado College, Scottsdale Community College, and South Mountain Community College) to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination in employment or education, against any applicant, employee, or student because of race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status, or genetic information.

In addition, lack of english language skills is not a barrier to admission into career and technical education (CTE) programs or skill centers. Students who enroll will be supported in the development of these skills by classes in English as a second language and other resources. Translation services and bilingual instruction can also be provided: contact college designee for more information.

Affirmative Action Statements

Affirmative Action Policy Statement for Individuals with Disabilities - In conformance with the provisions of Section 503 of the Rehabilitation Act of 1973, as amended, and the implementing regulations, 41 CFR 60-741.5 (a), as amended, Maricopa Community College District will not discriminate, or tolerate discrimination, against any applicant or employee because of physical or mental disability in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment and otherwise treat known qualified individuals with disabilities without regard to their physical or mental disability in all human resources selection and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or
layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will also continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status, or genetic information.

Additionally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

**Affirmative Action Policy Statement for Other Eligible Veterans, Special Disabled Veterans, and Vietnam Era Veterans** In conformation with the Vietnam Era Veterans Readjustment Assistance Act of 1974, the Veterans Employment Opportunities Act of 1998, and the implementing regulations, 41 CFR 60-250(k), Maricopa County Community College District will not discriminate, or tolerate discrimination, against any applicant or employee because he or she is a special disabled veteran or Vietnam era veteran in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified special disabled veterans and Vietnam era veterans without discrimination based upon their disability or veteran status in all human resources section and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will continue to administer these practices without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status, or genetic information. Additionally, Maricopa agrees to post all suitable job openings at the local office of the State employment service where the job opening occurs. This includes full-time, temporary greater than 3 days’ duration, and part-time employment. Finally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

**Notice of Americans with Disabilities Act (ADA)/Section 504 of the Rehabilitation Act/Title IX Coordinator** Dr. Sonya Pearson, Dean of Student Affairs, ADA/504/Title IX Coordinator, Mesa Community College, 1833 W. Southern Ave., Mesa, AZ 85202, 480-461-7651

Under the ADA and Section 504, the District and its colleges recognize the obligation to provide overall program accessibility throughout its locations for persons with disabilities. The designated ADA/504/Title IX Coordinator at each college will provide information as to the existence and location of services, activities and facilities that are accessible to and usable by persons with disabilities. Requests for accommodation should be addressed to the coordinator. Likewise, under Title IX, there is an obligation to provide services and program accessibility in a gender-neutral manner.

Students with disabilities may request catalog information in an alternative format from the college ADA/504 Coordinator.

**Declarations De Acción Afirmativa**

**Póliza de No Descriminación** Es la póliza de los Colegios Comunitarios del Condado de Maricopa (The Maricopa Community Colleges) que consisten del Centro de Apoyo del Distrito, los colegios comunitarios de Chandler-Gilbert, Estrella Mountain, Gateway, Glendale, Mesa, Paradise Valley, Phoenix, Rio Salado, Scottsdale, South Mountain y el Centro de Capacitación de Maricopa, proveer igualdad en las oportunidades de empleo mediante un programa continuo positivo. Esto significa que Maricopa no discriminará o tolerará discriminación en contra de ningún aplicante o empleado debido a su raza, color, religión, genero, sexo, orientación sexual, nacional, ciudadanía, edad, incapacidad,estado de veteran/a o informacion genesica. raza, color, religión, género, orientación sexual, origen nacional, ciudadanía, edad, incapacidad, estado de veterano/a o información genésica. Agregando, es la póliza de los Colegios Comunitarios proveer para cada aplicante y empleado un ambiente libre de acoso sexual como también de acoso e intimidación referente a la raza, color, religión, género, orientación sexual, origen nacional, ciudadanía, edad, incapacidad, estado de veteran/a o información genésica.

Declaración de Acción Afirmativa Póliza y Declaración de Acción Afirmativa para Individuos con Incapacidades

De acuerdo a lo que provee la Sección 503 de la Ley de Rehabilitación de 1973, como enmienda, y las leyes de implementación, 41 CFR 60-741.5 (a), declara que el Distrito de Colegios Comunitarios de Maricopa no discriminarán o tolerarán discriminación en contra ningún aplicante o empleado debido a su desabilidad/incapacitación física o mental referente a cualquier posición para la cuál el aplicante o empleado ha calificado. Maricopa promete tomar acción afirmativa para emplear, dar ascenso en empleo y tratar a dichos individuos con incapacidades sin hacer incapaz en sus incapacidades físicas o mentales en la selección de recursos humanos y prácticas decisivas como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o terminación de empleo por causa de paro forzoso), facilidades para empleados, evaluación de trabajo, reclutamiento, programas sociales/recreacionales, y entrenamiento. Maricopa continuará llevando a cabo estas prácticas sin discriminar por razones de raza, color, religión, sexo, orientación sexual, origen nacional, ciudadanía, edad, incapacidad estado de veterano/a o información genésica. Maricopa promete anunciar todas las oportunidades de empleo disponibles en la oficina local del servicio de empleo del Estado donde el empleo esté disponible. Esto incluye empleo de tiempo completo, temporal de más de tres días de duración y empleo de tiempo medio. Finalmente, todos los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta sobre este Acto.

Notificación del Acta de Americanos con Impedimentos (ADA)/Sección 504 del Acta de Rehabilitación/Coordinador del Título IX

Dr. Sonya Pearson, Dean of Student Affairs, ADA/504/Title IX Coordinator, Mesa Community College, 1833 W. Southern Ave., Mesa, AZ  85202, 480-461-7651

De acuerdo a ADA y a la sección 504, el distrito y sus colegios reconocen la obligación de proveer acceso a programas en todas sus localidades a personas incapacitadas. El coordinador designado de ADA/504/Título IX proveerá información tocante a la existencia y localidad de servicios, actividades y facilidades que son accesibles y de utilidad a personas incapacitadas. Solicitudes para acomodación deben ser dirigidas al coordinador. Del mismo modo, bajo el Título IX, hay obligación de proveer acceso a servicios y programas de una manera imparcial según el género.

Estudiantes incapacitados pueden solicitar información de catálogo en una forma diferente por medio del Coordinador designado por ADA/504 en cada colegio.
OUR VISION
A Community of Colleges … Colleges for the Community
… working collectively and responsibly to meet the life-long learning needs of our diverse students and communities.

OUR MISSION
The Maricopa Community Colleges provide access to higher education for diverse students and communities. We focus on learning through:

- University Transfer Education
- Workforce Development
- Community Education
- General Education
- Student Development Services
- Civic Responsibility
- Developmental Education
- Continuing Education
- Global Engagement

OUR VALUES
The Maricopa Community Colleges are committed to:

**Community**
We value all people – our students, our employees, their families, and the communities in which they live and work. We value our global community of which we are an integral part.

**Excellence**
We value excellence and encourage our internal and external communities to strive for their academic, professional, and personal best.

**Honesty and Integrity**
We value academic and personal honesty and integrity and believe these elements are essential in our learning environment. We strive to treat each other with respect, civility, and fairness.

**Inclusiveness**
We value inclusiveness and respect for one another. We believe that teamwork is critical, that each team member is important and we depend on each other to accomplish our mission.

**Innovation**
We value and embrace an innovative and risk-taking approach so that we remain at the forefront of global educational excellence.

**Learning**
We value lifelong learning opportunities that respond to the needs of our communities and are accessible, affordable, and of the highest quality. We encourage dialogue and the freedom to have an open exchange of ideas for the common good.

**Responsibility**
We value responsibility and believe that we are each accountable for our personal and professional actions. We are responsible for making our learning experiences significant and meaningful.

**Stewardship**
We value stewardship and honor the trust placed in us by the community. We are accountable to our communities for the efficient and effective use of resources as we prepare our students for their role as productive world citizens.
General Regulation (AR 2.1)
A. General Statement
Compliance with Policies, Rules and Regulations Every student is expected to know and comply with all current published policies, rules and regulations as stated in the college catalog, class schedule, and/or student handbook. Documents are available on each college’s website.

Policies, courses, programs, fees and requirements may be suspended, deleted, restricted, supplemented or changed through action of the Governing Board of the Maricopa Community Colleges.

The Maricopa Community Colleges reserve the right to change, without notice, any materials, information, curriculum, requirements and regulations.

Note: The regulations that comprise the student section contain language that appears in various sources such as the Catalog Common Pages and the Student Handbook. All areas became Administrative Regulations with the 1996 adoption of the Governance Model. Changes are made annually either through the Administrative Regulations approval process, or by Board approval for those items that fall under its statutory duty, such as Tuition and Fees. In an effort to prevent duplication, topics in this section may be incorporated by reference, as they are featured in other areas of the manual and are noted accordingly.

The Maricopa County Community College District Vision, Mission and Values that are featured in the Common Pages are a part of approved Governing Board policy and are located in the policy section of the manual. As such, the following statement related to Outcomes Assessment that appears in the Common Pages is presented here as a general statement.

B. Outcomes Assessment
The mission of the Maricopa Community Colleges is “to create and continuously improve affordable, accessible, and effective learning environments for the lifelong educational needs of the diverse communities we serve.” In order to evaluate how successfully the Maricopa County Community College District accomplishes this mission, student outcomes will be assessed as part of the continuous improvement process.

Students may be asked to participate in a variety of assessment activities at each college. Assessment results will be used to improve educational programs, services and student learning.

Admission/Registration/Enrollment
Admission Policy (AR 2.2.1)
Persons meeting the admissions criteria may attend any Maricopa Community College of their choice. Falsification of any admission materials or official college records may be cause for denial or cancellation of admission. Exceptions to the admissions policies may be requested through the Admissions and Standards Committee. Admission is determined in accordance with state law (A.R.S. §§15-1805.01 and 15-1821) and regulations of the Maricopa Community Colleges Governing Board.

Admission Classifications
A. Admission of Regular Students
Admission to the community college in Arizona may be granted to any person who meets at least one of the following criteria:

1. Is a graduate of a high school, which is accredited by a regional accrediting association as defined by the United States Office of Education or approved by a State Department of Education or other appropriate state educational agency.
2. Has a high school certificate of equivalency.
3. Is at least 18 years of age and demonstrates evidence of potential success in the community college.
4. Is a transfer student in good standing from another college or university.

B. Admission of Students Under 18 Years of Age
1. Admission to the community colleges in Arizona shall be granted to any student who is under age 18 and who completes course prerequisites and meets any one of the following requirements:
   a. A composite score of 93 or more on the Preliminary Scholastic Aptitude Test (PSAT).
   b. A composite score of 930 or more on the Scholastic Aptitude Test (SAT).
   c. A composite score of twenty-two or more on the American College Test (ACT).
   d. A passing score on the relevant portions of the Arizona Instrument to Measure Standards test (AIMS).
   e. The completion of a college placement test designated by the community college district that indicates the student is at the appropriate college level for the course.
   f. Is a graduate of a private or public high school or has a high school certificate of equivalency.
2. A community college may limit the number of semester hours in which the student may enroll to not more than six (6) credit hours.
3. Home-schooled students are exempt from this subsection.
4. A student shall not be denied admission because of age, lack of a high school diploma or high school certificate of equivalency, grade in school, lack of permission of school officials or lack of concurrent enrollment in a public or private school, if the student has achieved at least a specified score on a college entrance examination.

C. Specialized Vocational/Training Program
Students who enroll in vocational courses may be admitted on an individual basis with the approval of college officials if the student meets the established requirements of the courses for which the student enrolls and the college officials determine that the student’s admission is in the best interest of the student.

D. Western Undergraduate Exchange Program
The Western Undergraduate Exchange (WUE) program is a student exchange program coordinated by the Western Interstate Commission for Higher Education (WICHE) and administered by the Arizona Board of Regents. Through WUE, students who reside in western states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming), and the commonwealth of the Northern Marianas Islands (CNMI) and who meet the eligibility requirements pay 150 percent of the regular resident tuition plus fees. Students must mark prominently on the Student Information Form that they seek admission as WUE students. Students may not apply as out-of-state students and expect to receive the WUE tuition rate after admitted. Once admitted as WUE students, students may not petition for in-state residency. Further information may be obtained from the Admissions and Records Office/Office of Student Enrollment Services.

E. Admission of F-1 Nonimmigrant Students
Prospective students should contact the Admissions and Records Office/Office of Student Enrollment Services or designated office for the International student application form(s). When completed, the form(s) should be returned to the Admissions and Records Office/Office of Student Enrollment Services or the International Education office with all requested supporting documents. After the file has been reviewed, a notice will be sent to the applicant indicating either acceptance or denial of admission.

To be guaranteed consideration for admission, all application materials must be received by July 1 for the fall semester and November 1 for the spring semester.

Prospective students seeking admission based on F-1 nonimmigrant status must provide proof of secondary school completion with documentation comparable to a United States high school diploma or higher degree. It is recommended that F-1 nonimmigrant students have graduated in the upper 50% of their secondary school (high school or equivalent) in order to ensure success in academic classes at this college. Applicants for admission to the college must have high school and college (if applicable) transcripts sent directly from the high school or college to the Admissions and Records Office/Office of Student Enrollment Services or designated office. In addition, it is the applicant’s responsibility to have all transcripts translated into English and evaluated by a foreign credential evaluation service if necessary.

1. Admission to Academic Programs
Applicants who wish to enroll in an academic program at the college must present evidence of English language proficiency. If the Test of English as a Foreign Language (TOEFL) is used to satisfy this requirement, the applicant must attain a score of at least 500 (on the paper based TOEFL) or 61 (on the Internet-based TOEFL, known as the iBT). If the International Language Testing System (IELTS) is used to satisfy this requirement, an IELTS overall Band Score of 5.5 or better is required, and a minimum IELTS individual Band Score of 5.0 on each module is recommended. The dean or director of admissions and records of the college may accept other proof of English language proficiency for admission purposes, such as the ASSET ACCUPLACER, COMPASS or CELSA tests.

2. Admission to an Intensive English Program
Applicants for admission to an Intensive English Program are advised to check with individual colleges for their respective admission requirements. Applicants must provide evidence of at least an intermediate command of English by way of one or more of the following criteria:
   a) At least six years of English language instruction as shown by the applicant’s school transcript(s);
   b) A minimum TOEFL score of 400 (on the paper based TOEFL) or 23 (on the Internet-based test);
   c) An original letter of recommendation from a teacher, school principal or headmaster/ headmistress, or the director of an English language institute attesting to the applicant’s proficiency at the intermediate level;
d) Other credentials, test scores, interview results, or evidence accepted by the coordinator of an intensive English program or the college's responsible designee. Students admitted to an Intensive English Program will not be allowed to enroll in courses outside those officially designated as part of the program unless and until they have met all of the prerequisites or other course requirements.
e) Foreign students under certain types of visas may need special permission to enroll and should contact the appropriate college official.

3. Financial Support
Evidence of financial support will be required prior to issuance of the I-20 form. The colleges have no scholarship or financial aid provisions for foreign students; therefore, students must be fully prepared to meet the necessary financial obligations for the full time they will be in the United States. The colleges estimate a student’s average expenses for 10 months to be:

- Tuition and Fees: $7,890 (1)
- Living Expenses: $10,140 (2)
- Books: $1,100 (3)
- Health Insurance: $1,100 (4)
- Total: $20,230 (5)

4. Dependent Financial Guarantee
Evidence of financial support for dependents of F-1 and M-1 students (spouse and dependent children) is also required: $5,000 for the first dependent and $2,500 for each additional dependent.

5. Health Insurance
All F-1 and M-1 students who have an I-20 issued by one of the Maricopa Community Colleges are required to purchase the Maricopa Community Colleges’ international student health insurance plan. Health insurance coverage for dependents of F-1 and M-1 students is highly recommended. The Maricopa Community Colleges contracts with an insurance provider annually to offer a health insurance plan for F-1 and M-1 students. For more information contact the college Admissions and Records Office/Office of Student Enrollment Services or designated international student office.

Footnotes:
2. Based on estimated living expenses for two (2) semesters (10 months).
3. Based on average new and used textbook prices and rental rates. Assumes books are sold at the end of the semester.
5. Applicants must provide evidence of this minimum amount of financial support before an I-20 is issued.

Admission Information (AR 2.2.2)
Students must file a Student Information Form with the Admissions and Records Office/Office of Student Enrollment Services at the college of attendance. There is no charge for this service.

A. Student Status
1. Freshman - A student who has completed fewer than 30 credit hours in 100-level courses and above.
2. Sophomore - A student who has completed 30 credit hours or more in 100-level courses and above.
3. Unclassified - A student who has an associate degree or higher.

B. Student Identification Number
Disclosure of the social security number is voluntary (A.R.S. §15-1823). However, students must use social security numbers for reporting information pertaining to potential educational tax credits and for processing federal financial aid applications and Veterans Administration benefits.

C. Residency for Tuition Purposes (Appendix S-1)
All students are classified for tuition purposes under one of the following residency classifications:
1. Maricopa County resident
2. Out-of-County resident
3. Out-of-State resident (including F-1 non-immigrant students)
4. Unclassified, Out-of-County/Out-of-State (1-6 credit hours system-wide)

Residency for tuition purposes is determined in accordance with state law (A.R.S. §§15-1801 et seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

Implementation
1. Domicile status must be established before the student registers and pays fees. It is the student’s responsibility to register under the correct domicile status.
2. Enforcement of domicile requirements shall be the responsibility of the Chancellor of the Maricopa Community Colleges. The Chancellor has charged the Director of Admissions and Records or other designee at each college to make the initial domicile classification. In determining a student’s classification, the college may consider all evidence, written or oral, presented by the student and any other information received from any source which
is relevant to determining classification. The college may request written sworn statements or sworn testimony of the student.

3. A request for review of the initial classification may be made to a district review committee. The request must be in writing, signed by the student and accompanied by a sworn statement of all facts relevant to the matter. The request must be filed with the admissions officer of the college within ten days of receipt of notification of classification as a non-resident. Failure to properly file a request for review within the prescribed time limit constitutes a waiver of review for the current enrollment period. The decision of the review committee shall be final.

Definitions

“Armed Forces of the United States” means the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, the commissioned corps of the United States Public Health Services, the National Oceanographic and Atmospheric Administration, the National Guard, or any military reserve unit of any branch of the Armed Forces of the United States.

“Continuous attendance” means enrollment at one of Maricopa Community Colleges as a full-time or part-time student for a normal academic year since the beginning of the period for which continuous attendance is claimed. Students need not attend summer sessions or other such intersession beyond the normal academic year in order to maintain continuous attendance.

“Maricopa County resident” means an individual who has lived in Maricopa County for at least fifty (50) days before the first day of classes of the semester. In-state residency must be established prior to county residency for those moving from other states. Refer to section C for guidelines.

“Domicile” means a person’s true, fixed, and permanent home and place of habitation. It is the place where he or she intends to remain and to which he or she expects to return when he or she leaves without intending to establish a new domicile elsewhere.

“Emancipated person” means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.

“Full-time student” means one who registers for at least twelve (12) credit hours per semester.

“Part-time student” means one who registers for fewer than twelve (12) credit hours per semester.

“Parent” means a person’s father, or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an unemancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.

Criteria for Determining Residency

In-State Student Status

A. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes. Applicants for in-state tuition status and other public benefits must demonstrate lawful presence in the United States by presenting one of the documents listed in this regulation, under the section “Demonstrating Lawful Presence.”

B. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year preceding the official starting day of the semester, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:

1. The person’s parent’s domicile is in this state and the parent is allowed to claim the person as an exemption for state and federal tax purposes.
2. The person is an employee of an employer which transferred the person to this state for employment purposes or the person is the spouse of such an employee.
3. The person is an employee of a school District in this state and is under contract to teach on a full-time basis, or is employed as a full-time non-certified classroom aide, at a school within that school District. For purposes of this paragraph, the person is eligible for classification as an in-state student only for courses necessary to complete the requirements for certification by the state board of education to teach in a school District in this state. No member of the person’s family is eligible for classification as an in-state student if the person is eligible for classification as an in-state student pursuant to this paragraph, unless the family member is otherwise eligible for classification as an in-state student pursuant to this section.
4. The person’s spouse has established domicile in this state for at least one year and has demonstrated intent and financial independence and is entitled to claim the student as an exemption for state and federal tax purposes or the person’s spouse was temporarily out of state for educational purposes, but maintained a domicile in this state. If the person is a non-citizen, the person must be in an eligible visa status pursuant to federal law to classify as an in-state student for tuition purposes.

C. The domicile of an unemancipated person is that of such person’s parent.

D. An unemancipated person who remains in this state when such person’s parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student until attainment of the degree for which currently enrolled, as long as such person maintains continuous attendance.

E. A person who is a member of the Armed Forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse or a dependent child of a person who is a member of the Armed Forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. The student does not lose in-state student classification while in continuous attendance toward the degree for which he or she is currently enrolled.

F. A person who is a member of the Armed Forces of the United States or the spouse or a dependent of a member of the Armed Forces of the United States is entitled to classification as an in-state student if the member of the Armed Forces has claimed this state as the person’s state of home record for at least twelve consecutive months before the member of the Armed Forces, spouse or dependent enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under jurisdiction of a community college district governing board. For purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.

G. Beginning in the fall of 2011, a person who is honorably discharged from the armed forces of the United States on either active duty or reserve or national guard status, or who has retired from active duty or reserve or national guard status, shall be granted immediate classification as an in-state student on honorable discharge from the armed forces and, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification if the person has met the following requirements:

a. Registered to vote in this state.

b. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, include at least one of the following:
1. An Arizona driver license
2. Arizona motor vehicle registration
3. Employment history in Arizona
4. Transfer of major banking services to Arizona
5. Change of permanent address on all pertinent records
6. Other materials of whatever kind or source relevant to domicile or residency status

H. A person who is a member of an Indian tribe recognized by the United States Department of the Interior whose reservation land lies in the state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

Alien In-State Student Status

A. An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.

B. In accordance with the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (P.L. 104-208; 110 Stat. 3009-546), a person who was not a citizen or legal resident of the United States or who is not lawfully present in the United States is not entitled to classification as an in-state student pursuant to A.R.S. §15-1802 or entitled to classification as a county resident pursuant to A.R.S. §15-1802.01. A student will be assessed out-of-state tuition until such time that documentation of lawful presence is received in the office of admissions and records/enrollment services and (eligibility for) residency is determined. Documentation must be provided prior to the end of the term in which residency classification is being required. Documentation received after the end of the term will be used for residency determination in subsequent terms.

C. In establishing domicile, the alien must not hold a visa that prohibits establishing domicile in this state. After meeting other domicile requirements, students holding valid, unexpired visas in the following categories may be classified as in-state students:

A. Foreign Government Official or Adopted Child of a Permanent Resident
E. Treaty Traders
G. Principal Resident Representative of Recognized Foreign Member Government to International Staff
K. Spouse or Child of Spouse of a U.S. Citizen, Fiancé or Child of Fiancé of U.S. Citizen
L. Intracompany Transferee, or Spouse or Child
N6. NATO-6
V. Spouses and Dependent Children of Lawful Permanent Residents

D. Students who hold a current visa and have submitted an I-485 to Citizenship and Immigration Services (CIS), may establish residency if other domicile requirements have been met. Residency eligibility for I-485 applicants may be considered one year after the date on the CIS Notice of Action letter (I-797) confirming application for permanent resident status. Students must provide required residency documentation in addition to the Notice of Action for residency consideration. In establishing domicile, the alien must be in a status that does not prohibit establishing domicile in this state for at least one year immediately preceding the official starting date of the semester. Exception: in the event that an alien student’s parent is allowed to claim the student as an exemption for state or federal tax purposes (3C.1.2.A) (E.G., the student is under 23 and emancipated), this student’s residence is deemed to be the same as the parent’s. If the parent holds a visa that is not listed in section 3 above, he or she would not be eligible to establish residency. In such circumstances, the student would likewise be barred notwithstanding his or her own filing of an I-485.

Proving Lawful Presence in the United States
All applicants for in-state tuition (and other public benefits) must first show at least one of the following documents in accordance with ARS 1-502 to demonstrate that they are lawfully present in the United States by presenting to the registrar at least one of the following documents:

- An Arizona driver’s license issued after 1996 or an Arizona nonoperating identification license
- A birth certificate or delayed birth certificate issued in any state, territory or possession of the United States
- A United States certificate of birth abroad
- A United States passport
- A foreign passport with a United States visa
- An I-94 form with a photograph
- A United States citizenship and immigration services employment authorization document (work permit) or refugee travel document
- A United States certificate of naturalization
- A United States certification of citizenship
- A tribal certificate of Indian blood
- A tribal or bureau of Indian affairs affidavit of birth

Triabal members*, the elderly and “persons with disabilities or incapacity of the mind or body,” may submit certain types of documentation under section 1903 of the federal social security act (42 United States code 1396B, as amended by section 6036 of the federal deficit reduction act of 2005) **

*A document issued by a federally recognized Indian Tribe evidencing membership or enrollment in or affiliation with, such tribe.

**If you think this may apply, please contact the legal services department for assistance.

Presumptions Relating to Student Status
Unless there is evidence to the contrary, the registering authority of the community college or university at which a student is registering will presume that:

A. No emancipated person has established a domicile in this state while attending any educational institution in this state as a full-time student, as such status is defined by the community college district governing board or the Arizona Board of Regents, in the absence of a clear demonstration to the contrary.

B. Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.

C. A person who has been domiciled in this state immediately before becoming a member of the Armed Forces of the United States shall not lose in-state status by reason of such person's presence in any other state or country while a member of the Armed Forces of the United States.

Proof of Residency
When a student’s residency is questioned, the following proof will be required.

A. In-State Residency
1. An affidavit signed by the student must be filed with the person responsible for verifying residency.
2. Any of the following may be used in determining a student’s domicile in Arizona:
   a) Arizona income tax return
   b) Arizona voter registration
   c) Arizona motor vehicle registration
   d) Arizona driver’s license
   e) Employment history in Arizona
   f) Place of graduation from high school
g) Source of financial support
h) Dependency as indicated on federal income tax return
i) Ownership of real property
j) Notarized statement of landlord and/or employer
k) Transfer of major banking services to Arizona
l) Change of permanent address on all pertinent records
m) Other relevant information

B. County Residency
1. An affidavit signed by the student must be filed with the person responsible for verifying domicile to prove continuous residency in a county for fifty (50) days, and
2. Any of the following may be used to determine a student’s county residency:
   a) Notarized statements of landlord and/or employer
   b) Source of financial support
   c) Place of graduation from high school
   d) Ownership of real property
   e) Bank accounts
   f) Arizona income tax return
   g) Dependency as indicated on a Federal income tax return
   h) Other relevant information

Concurrent Enrollment in Arizona Public Institutions of Higher Education (A.R.S. §15-1807) (Appendix S-3)
Under Arizona Revised Statutes §15-1807, it is unlawful for any non-resident student to register concurrently in two or more public institutions of higher education in this state, including any university, college or community college for a combined student credit hour enrollment of more than six (6) credit hours without payment of non-resident tuition at one of such institutions. Any non-resident student desiring to enroll concurrently in two or more public institutions of higher education in this state, including any university or community college for a combined total of more than six (6) credit hours who is not subject to non-resident tuition at any of such institutions shall pay the non-resident tuition at the institution of his choice in an amount equivalent to non-resident tuition at such institution for the combined total of credit hours for which the non-resident student is concurrently enrolled.

Other Admission Information (AR 2.2.3)
A. Veterans
By Arizona statute, any failing grades from any Arizona university or community college that were received prior to military service will not be used to determine admission to the community college for the honorably discharged veterans with two years’ service in the Armed Forces of the United States. Students admitted or readmitted to the community college under this statute are subject to progression, retention, graduation and other academic regulations and standards. (Also see Withdrawal - Appendix S-7)

B. Ability to Benefit -Classifications
1. Federal guidelines require that students who are applying for financial aid demonstrate the ability to benefit. Under federal law, a student who enrolls after June 30, 2012, must be a high school graduate, have a GED certificate, or have completed a secondary school education in a home school setting that is treated as a home school or private school under state law, be admitted as a regular student, and be pursuing an eligible degree or certificate to qualify for federal financial assistance under Title IV or the Higher Education Act.
2. For student enrolled prior to July 1, 2012, an evaluation during the admission process resulted in the student being admitted to the college with status of Regular, Regular with Provisional requirements, or Special.

“REGULAR” status, for the purpose of 2.2.3.2, is granted to an individual admitted to the college who is a high school graduate or has a GED certificate. A student without a high school diploma or GED certification and beyond the age of compulsory high school attendance may be a regular status student if the student has been assessed to benefit from college instruction by receiving qualifying scores on approved assessment instruments. All regular status students must be pursuing a degree/certificate or be in an eligible program.

“REGULAR WITH PROVISIONAL REQUIREMENTS” status, for the purpose of 2.2.3.2, is granted to a student admitted to the college who is not a high school graduate, does not have a GED certificate, and is beyond the age of compulsory high school attendance but has been assessed to benefit from college instruction requiring developmental/remedial coursework and is pursuing a degree/certificate or be in an eligible program.
“SPECIAL” status, for the purpose of 2.2.3.2, is granted to a student admitted to the college for concurrent enrollment or pursuing one or more courses of special interest and who meets all the requirements for admission.

C. Transcripts
The Maricopa Community Colleges reserve the right to require an official transcript for admission to specific programs, for verification of course requisites and for determination of academic standing. The official transcript must be mailed directly from the source institution to the college Admissions and Records Office/Office of Student Enrollment Services. It is the student’s responsibility to ensure that official transcripts have been received and are complete.

Students entering as high school graduates may be required to submit high school transcripts. Students entering as GED recipients may be required to present a copy of the high school equivalency certificate or official report of qualifying GED scores.

D. Educational Assessment
All students are encouraged to undergo an educational assessment to determine course placement. Prospective students who do not possess a high school diploma or GED equivalence certificate are required to complete an educational assessment to determine their ability to benefit from college instruction. See Student Course Placement Process (AR 2.2.7)

Credit For Prior Learning (AR2.2.4)
The Maricopa Community Colleges recognize that learning takes place in a variety of situations and circumstances. Many students have significant, demonstrable learning from experiences outside the traditional academic environment. Therefore, prior learning, not life experience, is the basis for the award of college credit. Students may be awarded no more than 30 credit hours, unless required by a specific program of study, within the Maricopa Community Colleges using one or more of the following assessment methods recommended by the Council for Adult and Experiential Learning (CAEL) and the American Council on Education (ACE):

- Articulated Programs
- Credit By Evaluation
- College-Level Equivalency Examinations

Credit awarded for prior learning does not count as hours in residence for graduation requirements. Exceptions may be granted at some MxCCCD colleges for specially approved programs. No more than 20 credit hours may be applied to AGEC. Credit received through Prior Learning Assessment is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. Therefore, students are strongly advised to meet with a program advisor or contact the college or university they plan to attend. For further information on Prior Learning Assessment, contact the Admissions and Records Office/Office of Student Enrollment Services.

A. Credit by Evaluation
The Maricopa Community Colleges offer credit by evaluation. The American Council on Education (ACE) evaluates military training and experiences as well as non-collegiate sponsored training programs and recommends credit awards based on this evaluation. The number of credits listed in the ACE guide are recommendations only.

A college is not required to grant a student the number of credits recommended. The credits are included on a student’s transcript.

1. Educational Experiences in the Armed Services
The Maricopa Community Colleges may award credit for military experiences based on the ACE Guide to the Evaluation of Educational Experiences in the Armed Services. A student may receive college credit if:
   a. Training parallels a discipline area offered through the Maricopa Community Colleges, and
   b. Credit meets a program requirement or is used as elective credit.

Upon request, individuals who have successfully completed Basic Training, four (4) credit hours in Physical Education will be awarded as indicated in the ACE Guide and the Community College of the Air Force Catalog. Official documentation of military training is required.

2. College Credit Recommendation Service (CREDIT)
ACE evaluates training programs offered by business, industry, and government and publishes its credit recommendations in The National Guide to College Credit for Workforce Training. If a student has received training that appears in the guide, he or she may receive college credit if:
   a. Training parallels a discipline area offered through the Maricopa Community Colleges, and
   b. Credit meets a program requirement or is used as elective credit.

3. Departmental Credit by Evaluation
Students may apply for Departmental Credit By Evaluation in certain courses by obtaining the appropriate form in the Admissions and Records Office/Office of Student Enrollment Services,
and completing applicable paperwork and other requirements of the college, including payment of required fee. See fee schedule for appropriate fee. Fees are not refundable if a student fails to obtain credit.

Students may not request:

a. The evaluation of a course a second time;
b. The evaluation of a course while currently enrolled in the course;
c. To establish credit in a previously completed course; and
d. To establish credit for a lower level of a course in which credit has been received. Exceptions may be granted at some MCCCD colleges for their unique programs of study.

Certain departments have additional requirements that must be met before credit may be granted through departmental credit by evaluation. When credit is granted as outlined above, a notation of “credit by evaluation,” and the number of credits will appear on the student’s transcript. These credits are not used in computing the grade point average. Credit by evaluation is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.

B. College-Level Equivalency Examinations

ACE has published credit recommendations for a number of national standardized examinations such as the ones listed below in the Guide to Educational Credit By Examination. The Maricopa Community Colleges use these recommendations as guidelines to award credit for equivalent Maricopa Community Colleges coursework as well as elective credit. Scores must be sent directly to the Admissions and Records Office/Office of Student Enrollment Services from the specific testing company(s) before credit is awarded. All equivalency is subject to future review and possible catalog change.

1. Advanced Placement Examinations

Students who have taken an advanced placement course of the College Entrance Examination Board (CEEB) in their secondary school and who have taken an Advanced Placement Examination of the CEEB may receive course credit with a score of 3, 4 or 5. Scores must be received directly from CEEB before credit is awarded.

2. College Level Examination Program

The Maricopa Community Colleges may award credit to individuals who have received a score of 500 or more for the 1986 version of the College Level Examination Program (CLEP) General Examinations (610 on the 1978 version) and who meet or exceed the American Council on Education (ACE) recommended scores for awarding credit on the CLEP subject examinations. The ACE credit-granting score recommendation will be 50 (on the 20-80 scale) for all CLEP computer-based exams beginning July 1, 2001.

Credit received through CLEP is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.

Rio Salado College and Paradise Valley Community College are national CLEP test sites. For more information on registering for the CLEP examinations, contact Rio Salado College or Paradise Valley Community College.

College Composition:

</tr>
</thead>
<tbody>
<tr>
<td>College Composition</td>
<td>50</td>
<td>with essay qualifies for ENGI01 (3) &amp; ENG297 (1)</td>
</tr>
</tbody>
</table>

The Maricopa Community Colleges do not award credit for ENGI02 through CLEP examination.

Foreign Languages:

Credit earned through CLEP examination for French, German, and Spanish meets the language proficiency requirements of the Maricopa Community Colleges.

For CLEP examinations taken prior to July 1, 2001, the Maricopa Community Colleges will grant credit based on the scaled scores indicated below:

<table>
<thead>
<tr>

<td>66-80</td>
<td>60-80 16 (101, 102, 201, 202)</td>
</tr>
</tbody>
</table>

At the discretion of the individual college, an oral exam at the 202 level may be administered.
3. Defense Activity for Non-traditional Education Support Examination Program
The Maricopa Community Colleges may award credit for the Defense Activity for Non-Traditional Education Support (DANTES) Examination Program to individuals who meet or exceed the ACE recommended scores for awarding credit on the DANTES subject examinations. The Maricopa Community Colleges do not award credit for ENG 102 through DANTES examination. Credit received through DANTES is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.

The Assessment Center at Rio Salado College is a national test site. For additional information on registering for DANTES examinations, call (480) 517-8560.

4. American College Testing Proficiency Examination Program
The Maricopa Community Colleges may award credit for the American College Testing Proficiency Examination Program (ACT-PEP) based on the scores earned.

5. Departmental Credit By Examination
Students may apply for Departmental Credit By Examination in certain courses by obtaining the appropriate form in the Admissions and Records Office/Office of Student Enrollment Services, paying the required fee, and completing the examination and other requirements of the college. See fee schedule for appropriate fees.

Students may not request:

a. To challenge a course a second time;
b. To challenge a course while currently enrolled in the course;
c. To establish credit in a previously completed course; and
d. To establish credit for a lower level of a course in which credit has been received.

•Exceptions may be granted at some MCCCD colleges for their unique programs of study.

•Certain departments may have additional requirements that must be met before credit may be granted through departmental credit by examination.

•Only grades of A, B, C, D or P earned as a result of this examination will be recorded on the student’s transcript. Fees are not refundable after the examination has been administered, regardless of results.

•When credit is granted as outlined above, a notation of “credit by examination,” a grade and the number of credits will appear on the student’s transcript. The grade is used in computing the grade point average.
## College Level Examination Program (CLEP)

**NOTE:** Changes to exams and scores are determined by the respective statewide articulation task force (ATF). The credit awarded and equivalent courses are established by MCCCD Instructional Councils (ICS). Disclaimer: Text scores are continually reviewed and may be updated at anytime. Changes will be noted as they occur.

| Health Care Integrated Educational System (HCIES) Credit for Prior Learning

**National/Regional Credential Recognition**

Students who have recognized credentials related to healthcare may request an evaluation for course competency equivalency on a case-by-case basis through the Integrated Competency Assessment Network (ICAN). For more information contact the ICAN office at (480) 731-8240 or by email at ican@domail.maricopa.edu. Website: www.healthcare.maricopa.edu/healthcarecourses.php When national or regional credentials are determined to be equivalent to the competencies demonstrated in corresponding courses, the recognition of external credentials will fulfill graduation credit requirements for the identified courses through Credit by Evaluation.

**Credit by Examination and Credit by Skills Demonstration Assessment**

Health care students may apply for credit for prior learning in certain courses. Specific information and required forms can be found at www.healthcare.maricopa.edu/healthcarecourses.php Credit by Examination in the HCIES is determined through the use of HCIES Competency Assessment Tests (CATs) and/or Skills Demonstration Assessment under the direction of the HCIES Integrated Competency Assessment Network (ICAN). Students may apply for HCIES Health Care Pathway/Program Advanced Placement in certain courses by obtaining the appropriate form(s) in the Admissions and Records Office/Office of Student Enrollment Services, paying the required fee(s), and successfully completing the examination and/or skills demonstration and other requirements of the college. See fee schedule for appropriate fee. Fees are not refundable if a student fails to obtain credit.

Students may not request:

a. To challenge a course a second time;

b. To challenge a course while currently enrolled in the course;

c. To establish credit in a previously completed course;

d. To establish credit for a lower level of a course in which credit has been received.

Certain healthcare pathways/programs have additional requirements which must be met before credit may be granted through HCIES credit by examination and credit by skills demonstration assessment.

Grades of A, B, C, D, or P earned as a result of examination or skills assessment will be recorded on the student’s transcript. Fees are not refundable after the examination/skills demonstration has been administered, regardless of results. A grade of P/Z is not used in computing the grade point average.

When credit is granted as outlined above, a notation of “CREDIT BY EXAMINATION,” “CREDIT BY EVALUATION,” or “CREDIT BY SKILLS DEMONSTRATION,” and the number of credits will appear on the student’s transcript. If a grade is assigned, it will be used in computing the grade point average.

**4. Transferring to the Maricopa Community Colleges**

A student enrolling into one of the Maricopa Community Colleges after having attended other post-secondary
institution can have coursework evaluated for transfer credit. To be eligible for evaluation, coursework must appear on an official transcript from the source institutions. The official transcript must be mailed directly from the source institutions to the Admissions and Records/Enrollment Services Offices of the receiving institutions. The Admissions and Records/Enrollment Services Office at the receiving institution will complete a course-by-course evaluation for all submitted transcripts upon student request.

The Maricopa Community Colleges may transfer in coursework if:

• The coursework was completed at colleges and universities accredited by the following regional accrediting agencies: New England Association of Schools and Colleges, Middle Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or Western Association of Schools and Colleges. The Maricopa Community Colleges will not award credit for courses completed at institutions not regionally accredited.
• The coursework was earned with a grade of C or better.
• The coursework was taken at another Arizona community college to fulfill general education requirements for the Arizona General Education Curriculum (AGEC)

Conditions of Transfer Credit

• Acceptance and applicability of courses from another Maricopa Community College that fulfill requirements other than general education is determined by individual Maricopa Community Colleges.
• The award of transfer credit shall not express or imply that all transfer credit will be fully applicable toward all Maricopa associate’s degree and certificate requirements.
• Developmental coursework (below 100-level) is accepted for the purpose of fulfilling course prerequisites. The credit does not apply toward a degree or certificate.
• Courses with different credit systems (quarter hours, units) are converted to semester hours of credit. The semester conversion of quarter credits is at a rate of .67 semester credit hours for each quarter hour.
• The age of credit may be considered in applying credit toward degrees and certificate programs.
• College-level courses completed outside the United States and recorded on official transcripts will be evaluated for transfer credit, provided that the institution where the course were taken is accredited by the ministry of education in that country. It is the student’s responsibility to submit all foreign and international transcripts tone of the international credential evaluation to be translated into English, evaluated on a course-by-course-basis, and sent directly to the receiving colleges. Contact your college admissions and records/enrollment services office to obtain a list of approved agencies.
  • For military credit, credit by examination, credit by evaluation, and CLEP/AP/IB see the section for Credit For Prior Learning.

A. Transfer Credit from MCCCD and Established Articulation Agreements

The Maricopa Community Colleges have developed formal agreements to facilitate the transfer of credit to four year colleges and universities. This is accomplished through the development of course and program articulation agreements. The Maricopa Community Colleges articulate with private, public, and international baccalaureate degree granting institutions that have achieved full accreditation or candidacy status with a regional accreditation commission. Maricopa transfer agreements are on behalf of the District as a whole and not with individual colleges within the district. Courses taken at any of the Maricopa Community Colleges are equally transferable by institutions wishing to articulate. Students planning to transfer to a university may be required to submit official transcripts from all institutions attended.

Articulated transfer programs and pathways between the maricopa community colleges and baccalaureate granting institutions [such as the maricopa-ASU pathway program (MAPP), the U of a bridge program, Connect2NAU and 90/30 transfer agreements] are official, recognized programs of study that fulfill both associate’s degree and bachelor’s degree requirements..These articulated programs and pathways are designed to aid in a smooth transition for a student planning to transfer to a four-year college or university by identifying the required, transferable, and applicable coursework for that student’s specific program of study.

B. Articulation and Transfer Agreements:

• Maricopa Skill Center and Southwest Skill Center:
  The Maricopa Community Colleges have articulation agreements with the Maricopa Skill Center and the Southwest Skill Center in limited areas of study. Students who have participated in these agreements may be granted credit for prior learning. No fees will be assessed for credits awarded for prior learning. Articulated course/program credit is transferable within the Maricopa Community Colleges, but may

301
not necessarily be transferable to other universities and colleges. Students should contact the admissions and records office/office of student enrollment services for specific information related to these agreements.

- Arizona Public Community Colleges and Universities: Maricopa is a participant in the Arizona statewide transfer system. The aztransfer.com website is the official source of information for the statewide articulation agreements between the Arizona public community colleges and universities (Arizona State University, Northern Arizona University, and University of Arizona). Included on aztransfer.com is the course equivalency guide (CEG), which shows how institutions have agreed to transfer coursework from Arizona public community colleges and tribal institutions to Arizona State University, Northern Arizona University, and the University of Arizona. The transferability of a course does not indicate directly how the course will apply to meet requirements for specific bachelor's degrees. www.aztransfer.com/cgi-bin/WebObjects/Admin_CEG

- Domestic (U.S.) and International Institutions: The Maricopa Community Colleges have transfer agreements with U.S. universities and colleges that are regionally accredited as well as international institutions that have been approved by the Ministry of Education. These partnerships are formalized through district-wide articulation agreements and are designed to help students maximize their transfer credit toward a bachelor's degree. To access a list of institutions with which Maricopa has established articulation agreements, visit: www.maricopa.edu/academic/ccta/artic/partner_list.php

C. Limitations on the Transfer of Credit:
Generally, the following types of courses are not intended for transfer. Contact the Admissions and Records office at your college for specific information.

- Remedial/developmental courses or courses numbered below 100
- Arizona government university courses
- Cooperative education
- Experimental courses
- Post baccalaureate courses
- Contractual training for business, industry, and government
- Some forms of credit for prior learning
- Non-credit courses

D. Time Limit for Transfer Coursework:
Students should be aware other colleges and universities may have age of credit limits on certain coursework to be used in transfer. Students should refer to the policy of their intended transfer institution regarding time limits for transfer coursework.

E. Shared Unique Number (SUN) System Course Information:
Senate Bill 1186, which passed into law in 2010, mandated the creation of a shared numbering system for public college and university courses in Arizona to identify courses that transfer from community colleges to universities toward a baccalaureate degree. The shared unique number (SUN) system is a college course numbering system designed to help students locate and enroll in courses that have direct equivalents for transfer among Arizona's public community colleges and three state universities. However, even if a course at the Maricopa Community Colleges is not designated as a SUN course, it could still transfer to other Arizona public institutions with a direct equivalent as per the course equivalency guide on aztransfer.com. The SUN system does not address the applicability of courses. Students are encouraged to work with an academic advisor on course selections. To access a list of SUN courses, visit www.azsunsystem.com.

E. Servicemen's Opportunity College
The Maricopa Community Colleges recognize the unique educational problems confronting many active duty military personnel in attaining their educational goals. The colleges have, therefore, established themselves as Servicemen's Opportunity Colleges. This means that the colleges recognize the peculiar needs of military personnel in that they provide courses on the various military bases located in Maricopa County and provide opportunities to complete courses through non-traditional means when education is interrupted by military obligations. Maricopa Community Colleges maintain liberal entrance requirements, offer maximum credit for educational experiences obtained in the Military Services, and follow residency statutes applicable to the special needs of servicemen. Maricopa Community Colleges follow the recommendations established by the American Council on Education. If, for any reason, Maricopa Community Colleges' status as a Servicemen's Opportunity College District is discontinued, it will nonetheless maintain its commitment to students previously enrolled. In addition, the option to enter into a “contract for a degree” allows the community college, as the college of record, to grant a degree upon completion of twelve (12) credit hours at the college and the satisfaction of graduation requirements.
Academic Advising And New Student Orientation (AR 2.2.6)

Academic Advising
Students who will be attending college for the first time, and intend to earn an Associate’s Degree or to transfer onto a college/university to complete a Bachelor’s Degree, will be required to meet with an academic advisor prior to the start of their first semester at a MCCCD college. (recent high school students who received MCCCD credits through dual/concurrent enrollment, ACE, Hoop of Learning, or any MCCCD early outreach program are considered first time to college.)

New Student Orientation
Students who will be attending college for the first time, and intend to earn an Associate’s Degree or transfer to a college/university to complete a Bachelor’s Degree, will be required to attend new student orientation prior to the start of their first semester at a MCCCD college. (recent high school students who received MCCCD credits through dual/concurrent enrollment, ACE, Hoop of Learning, or any MCCCD early outreach program are considered first time to college.)

Student Assessment Course Placement (AR 2.2.7)

A. Testing for Course Placement
1. Students will be required to complete a course placement test under any one of the following conditions:
   1) The student is taking his or her first college credit English, reading or math course, or any college course for which English, reading or math is a prerequisite.
   2) The student is pursuing a degree or transfer pathway and does not have current valid district approved course placement scores on file or does not have previous college credit in English, reading and math.
   3) The student for whom English is not the primary language and is taking his or her first English as a Second Language class is required to take a test of English proficiency.

B. Course placement scores, will be valid for two years.

C. Reading placement scores that indicate “exempt from CRE101” do not expire.

D. Students will be permitted one re-test in English, reading or math level at least a 24-hour waiting period. One additional re-test is permitted no sooner then three months from the oldest valid score date at any course placement testing site.

E. The vice president of student affairs or designee may approve re-testing for students with special needs or circumstances. The re-test date will then serve as the date of record.

F. Students will be exempt from a course placement test if at least one of the following conditions apply:
   1) The student has earned an associate or higher degree from a regionally accredited college.
   2) The student has earned college credits from a regionally accredited college in English, reading, and math with a grade of C or higher.
   3) The student has currently valid district approved course placement scores on file.

G. The student who is exempt from a course placement test must fulfill the minimum graduation requirements.

2. Course Placement
A. Students who enroll in English, reading or math will be advised and placed into courses based on valid district approved scores.

B. Student who test into course(s) that are below college level (i.e., below 100-level) will be advised and placed into the course(s) within the first two semesters enrolled

C. A department/division chair or designee may grant a course placement waiver under special circumstances. The signed waiver will be noted on the student's electronic record.

3. Implementation of Policy
To ensure consistency of the course placement process within the Maricopa Community Colleges:
A. All colleges shall accept the same approved course placement instruments.
B. All colleges shall adhere to the same approved cut-off scores.
C. Course placement scores will be valid for two years.
D. Reading placement scores that indicate “exempt from CRE101” do not expire.

4. Evaluation
The Maricopa Community Colleges will provide an ongoing evaluation of the course placement process. An annual report shall be submitted to the Governing Board to indicate the policy’s effectiveness noting the number of students assessed, their placement scores and their success in courses. Every three years a thorough review of the policy and procedures shall be implemented, including recommendations from the English, Reading and Math Instructional Councils regarding cut-off scores, course placement assessment tools and procedures.
Registration (AR 2.2.8)
Students must register according to the dates indicated, and in the manner described in the college class schedule. To be eligible for registration, students must have completed the appropriate steps listed under the Admissions section. The college may allow early or priority registration. Tuition and fees must be paid or payment arrangements made by the due date to secure class enrollment. Students may not attend a class for which they are not registered.

The colleges reserve the right to enroll students in courses. The final decision for admission to any class for students admitted under section 2 of AR 2.2.1 will be determined by the designated college administrator in consultation with the department chairperson and/or faculty.

Class Registration Deadline:
A. For classes with published start dates and meeting times, registration in the class must be completed before the first official class meeting date and time. Students may not register for a class once it has started. Self-service registration for a class through my.maricopa.edu will end at 11:59 pm on the day before the class starts. Registration for a class on the date it starts must be done in person or on the phone, and must be completed before the class start time.
B. For classes without published meeting times (for example online classes, special projects), registration in the class must be completed by 11:59 pm on the day before the class starts.
C. Exceptions
1. Exceptions to class registration deadlines require permission of appropriate instructor(s) and approval of the appropriate department/division chair or designee.
2. Exceptions are limited to:
   a. Courses requiring permission of instructor.
   b. Courses requiring auditions or try-outs.
   c. Courses for special populations or cohorts
   d. Enrollment in an alternate section of a course taught by the same instructor.
   e. Enrollment in an alternate section of a course taught by a different instructor.
   f. Course level changes
   g. Students dropped for non-payment during the 100% refund period may be reinstated if they attended since the first class meeting.
   h. Students dropped due to human or system errors may be reinstated if they attended since the first class meeting.
   i. Other exceptions may be granted after faculty consultation with the student.

Tuition And Fees (AR 2.2.9)
Tuition and fees are public monies within the jurisdiction and responsibility of the Maricopa Community Colleges Governing Board under the laws and regulations of the State of Arizona and must be administered by the Governing Board. The Governing Board reserves the right to change tuition and fee charges when necessary without notice.

All students are classified for tuition purposes under one of the following residency classifications:
1. Maricopa County resident
2. Out-of-County resident
3. Out-of-State resident (including F-1 non-immigrant students)
4. Unclassified, Out-of-County, Out-of-State (1-6 credit hours system-wide)

Residency for tuition purposes is determined in accordance with state law (A.R.S. §§15-1801 et seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

Students attending more than one Maricopa Community College will be assessed fees for their enrollment at each of the Maricopa Community colleges/centers. (Students who are considered to be out-of-state residents for tuition and fees purposes should refer to the Concurrent Enrollment in Arizona Public Institutions of Higher Education policy under the Residency section of this publication.)
The following is the tuition and fees schedule for 2014-2015 and is provided for reference. These tuition and fees are subject to change. Consult the college’s Admissions and Records Office/Office of Student Enrollment Services for course fees in effect during the semester/term in which you intend to register. See Appendix S-4

</table>

* Students from any other county in Arizona are considered Maricopa County Residents (in county) due to a reciprocal arrangement with that county. Reciprocal agreements allow for in-county tuition rates for residents of all Arizona counties *except* Apache and Greenlee counties without an Out-of-County Residence Affidavit.

** According to ARS §15-1802F, “A person who is a member of an Indian tribe recognized by the US Department of the Interior whose reservation lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.” Therefore, unclassified and out-of-state surcharges do not apply to such students.

*** According to ARS §15-1470, community college districts may offer credit and noncredit courses and services outside of this state. A district is not entitled to state aid payments for students who are provided courses and services outside of this state.

+ This rate applies to out-of-state students who are taking distance learning courses or students who are taking classroom-based credit courses through a contract agreement between MCCCD and the company they work for. This rate does not apply to Study Abroad Programs as there is a separately calculated rate for those students.
A. Time of Payment
All tuition, fees, assessments, and deposits must be paid at the time of registration or by the specified deadline date and in accordance with the fee schedule approved by the Maricopa Community Colleges Governing Board.

B. Tuition and Fees Schedule (Effective July 1, 2014 for Fall, Spring and Summer Sessions)
Current information can be found at www.maricopa.edu/publicstewardship/governance/adminregs/appendices/S-4.htm

1. Determine Student Residency Status
   Refer to admissions information (AR 2.2.2) of the college catalog for residency information and to review the requirements for classification as a Maricopa County resident. Contact the Admissions and Records Office/Office of Student Enrollment Services if you have questions about residency requirements.

2. Use the Chart to Locate Tuition Charges
   Determine the correct column based on your residency status and then select the number of credit hours. The general tuition chart is provided for reference only.

3. Add Any Additional Fees
   A one-time, per-semester $15 registration fee is due by the official start of the term (semester) or by the specified due date or at time of registration.

4. There may also be additional course fees for classes; please refer to the college schedule for course fees.

5. If you choose to audit a class, add an additional fee of $25 per credit hour.

6. Additional course fees may apply for specific courses. Check with the college’s Admissions and Records Office/Office of Student Enrollment Services for a current listing of course fees.

7. Pay Your Fees
   Payment of fees may be made by cash, check, money order, VISA, MasterCard, Discover or American Express. Payment Plan options are also available. NOTE: If you do not pay your tuition and fees at the time of registration or by the specified due date, you may be dropped from your classes and may be responsible for the tuition and fees based on the refund schedule which outlines the refund deadlines for each course.

Credit by Examination & Credit by Evaluation
(exclude Allied Health courses)

- Regular Rate: $84.00 per credit hour
- Contract Rate: $42.00 per credit hour

C. Outstanding Debts
Any debt or returned check may revoke a student’s current enrollment and the student’s right to register in subsequent semesters at all Maricopa Community Colleges. Delinquent debts may require penalties, late charges, collection costs, and/or legal fees to be paid before good standing is restored to the student.

The following procedure will be used for the collection of returned checks and other outstanding debts:

1. The designated college official or fiscal officer is responsible for:
   a. Verifying the student’s district wide debt,
   b. Attempting to notify the student of the debt, and
   c. Attempting to collect the debt.

2. Maricopa Community College services may be withheld pending payment of debt (at designated college office) with cash, certified check or money order or online with debit or credit card or in person with credit card. Student may be withdrawn from classes.

3. If other collection attempts fail, the Maricopa Community Colleges District Office will either collect or use other means available, including:
   a. Collection agency, requiring payment of collection fees by the student;
   b. The Tax Refund Setoff Programs as stated in A.R.S. §42-1122;
   c. Litigation, requiring payment of court costs and legal fees by the student.

4. Debt Holds may be lifted only in limited instances by the appropriate College or District business services designee for the extension of services provided that at least one of the following conditions are met:
   a. MCCCD staff verify that full payment has been made to another College;
   b. The College can deduct payment from a financial aid award made to the student (referring to student authorization guidelines for regulations on applying federal financial aid to debt balances);
   c. A third party not related to the student, such as an employer or state agency, makes a verified payment directly to the College;
   d. It is determined and verified with the appropriate MCCCD office that the hold resulted from a system error and the error is due to an activity that requires correction by the appropriate College or District personnel.

Skill Center Tuition Rates

- Regular: $5.00 per contact hour
- Nursing Assistant: $5.60 per contact hour
- Practical Nursing: $6.00 per contact hour
Admission criteria to attend a college within the Maricopa County Community College District (MCCCD) is determined in accordance with state law (ARS §15-1805 and 15-1821) and regulations of the Maricopa Community Colleges Governing Board and the Chancellor. As such, participants enrolled in courses as part of third party agreements are also subject to the same admissions criteria. This includes the participant resolving any current enrollment or administrative holds that are unrelated to the third party in an existing student account, but that otherwise impact his/her eligibility to enroll in courses or participate in programs delivered by MCCCD faculty or staff.

D. Discounted Fees and Waivers
1. Citizens 62 years of age and older shall be issued ID cards that allow them the privilege of attending events at no cost and that allow them to use the library facilities.
2. Employees, Dependents and Mandated Groups
   The Maricopa Community College District waives tuition and student activity fees for credit-hour courses for employees and their dependents, and for legislatively mandated groups. Special fees and fees for Non-credit/Special Interest Community Services courses are not waived.
3. Tuition and Registration Fee Waiver for Members of the Pima-Maricopa Indian Community
   Tuition and fee waivers shall be funded through Auxiliary Fund Monies for college credit courses for the enrolled members of the Pima-Maricopa community who live on the Pima-Maricopa Reservation.

All other guidelines and procedures established for the purpose of administering waivers, affidavits and exemptions are outlined in the Maricopa County Community College District tuition waiver manual.

Refund Policy (AR 2.2.10)

A. Refund Policy for Credit Classes
Students who officially withdraw from credit classes (in fall, spring, or summer) within the withdrawal deadlines listed below will receive a 100% refund for tuition, class, and registration processing fees. Deadlines that fall on a weekend or a college holiday will advance to the next college workday except for classes fewer than 10 calendar days in length or as specified by the college. Calendar days include weekdays and weekends. Refer to individual colleges for withdrawal and refund processes. Never attending is not an allowable refund exemption or an excuse of the debt incurred through registration.

Length of Class Official Withdrawal Deadlines for 100% Refund*
1-9 calendar days Prior to the class start date
10-19 calendar days 1 calendar day including the class start date
20-29 calendar days 2 calendar days including the class start date
30-39 calendar days 3 calendar days including the class start date
40-49 calendar days 4 calendar days including the class start date
50-59 calendar days 5 calendar days including the class start date
60-69 calendar days 6 calendar days including the class start date
70+ calendar days 7 calendar days including the class start date

*Course fees and registration processing fees will be refunded only if the student qualifies for a 100% refund. Debts owed to any MCCCD college must be satisfied before any refunds are paid to the student. Refunds for students receiving federal financial assistance are subject to federal guidelines. Requests for exceptions to the refund policy must be filed within one year from the semester in which the course was taken.

B. Refund Policy for Non-Credit Classes
Unless otherwise specified, students must drop non-credit classes prior to the course start date to be eligible for a 100% refund.

C. Canceled Classes
When a class is canceled by the college, a 100% refund will be made.

D. Refund Exceptions
Students withdrawing from a college or from courses for one of the following reasons must submit a written request for a refund exception to the Admissions and Records Office/Office of Student Enrollment Services or designated college official:

• A student with a serious illness, verifiable by a doctor’s written statement that the illness prevents the student from attending all classes for the semester. The doctor’s statement must be on file with the college before a refund can be given.

• Serious illness or death of an immediate family member that prevents the student from attending all classes for the semester. Immediate family members include spouse/partner, father, mother, grandfather, grandmother, child, foster child, grandchild, stepchild, sibling, stepsibling, stepfather, stepmother, or spouse’s/ partner’s father, mother, grandfather, grandmother, or in-laws in any one incident. Appropriate documentation must be provided before a refund can be given.

• Death of a student. Appropriate documentation must be provided before a refund can be given.
A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a 100% refund of tuition, provided courses have not been completed.

Request for a total withdrawal from a college or courses for one of the above reasons may result in a partial prorated refund of tuition, provided courses have not been completed. All decisions made at the college are final.

Limitation: Never attending is not an allowable refund exception or an excuse of the debt incurred through registration.

Student Financial Assistance
(AR 2.2.11 & Appendix S-5)
The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements. Additional procedural information on financial assistance is available in Appendix S-5.

Appendix S-5: Student Financial Assistance
The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements. Only those with a lawful presence in the United States may qualify for federal financial aid or Maricopa County Community College District (MCCCD) scholarships. Under Arizona Law, any information the student provides about his or her legal status when applying for financial aid or publicly funded scholarships may be subject to mandatory reporting to federal immigration authorities. This does not apply to applications for the private scholarship funds held in and distributed by the Maricopa Community Colleges Foundation.

The office of financial aid may request to have the validity of a student’s high school completion evaluated if either the college or the United States Department of Education has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education. An evaluation may be conducted on the basis of any of the following:

- Alerts, bulletins, or similar communications provided by any state, federal, or other governmental agency, another institution, a professional or similar organization, or any other resource that might provide information helpful to the evaluation;
- A transcript or other record received from another institution the student may have attended;
- The contents of the student’s Free Application for Federal Aid, student information form, or any other information the student provides to the college;
- The independent professional judgment by any official of the office of student financial aid.

How to Apply for Federal Financial Aid
New students must complete the Free Application for Federal Student Aid (FAFSA) or FAFSA on the Web at www.fafsa.ed.gov/. Each academic year, continuing students must reapply by completing a FAFSA, Renewal FAFSA, or FAFSA on the Web. Scholarships require separate applications. Specific information regarding financial assistance, including application deadlines or priority dates, may be obtained from the college Office of Student Financial Aid.

Types of Aid
Grants, loans, student employment, and scholarship funds may be available from federal, state, and/or private sources.

The Maricopa Community Colleges Foundation offers a variety of scholarship opportunities. Scholarship opportunities are available year round. However, most scholarships are posted mid-January and most deadlines are the last week of March. Options are available at www.maricopa.edu/resdev/scholarships/apply.php or by calling 480-731-8400.

Distribution of Aid
Criteria by which aid is distributed among eligible financial aid applicants are available on request at the college Office of Student Financial Aid.

Rights and Responsibilities
Students should read all information provided in the process of applying for federal financial aid in order to gain a greater knowledge of all the rights as well as responsibilities involved in receiving that assistance.

Satisfactory Academic Progress
Specific requirements for academic progress for financial aid recipients are applied differently than scholastic standards. In addition to scholastic standards which are explained elsewhere in this catalog, financial aid recipients are also subject to the following Standards of Satisfactory Academic Progress. Specific information is available at the college Office of Student Financial Aid.

Refunds and Repayments
In accordance with federal regulations (CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw, are withdrawn, or fail
to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student’s ability to receive Financial Aid in the future at any school. For a student receiving Financial Aid, also see Appendix S-7 for Withdrawal procedures.

Verification of Information
1. A Free Application for Federal Student Aid (FAFSA) or a change to that FAFSA may be selected for verification. If a student’s FAFSA is selected for verification, the student will be notified via the Student Center in my.maricopa.edu. In most cases, the student will be required to submit documentation as part of the verification process. The earlier the Financial Aid Office receives the required documentation as part of the verification process, the earlier the student’s eligibility for financial aid can be determined. The verification process must be completed no later than 120 days after the last date of enrollment or August 31, whichever comes first. In addition, the Financial Aid Office must receive a final and valid electronic SAR by the student’s last day of enrollment or June 30 of the award year, whichever comes first. The verification process must be completed before the Financial Aid Office can award any federal aid.
2. If an award has already been made and a FAFSA is selected for verification, the student must provide required documentation within thirty days after it has been requested of the student or on June 30, whichever comes first. If documentation is not received within this deadline, the student’s award may be adjusted or canceled.
3. The required forms and documents a student submits for verification will be compared to the information reported on the student’s FAFSA. If the information provided does not match what is shown on the FAFSA, the Financial Aid Office will submit changes to the US Department of Education FAFSA processor. After all changes are made to the FAFSA data, the student’s eligibility for financial aid will be reviewed. If there are any changes to the student’s financial aid eligibility as a result of verification, the student will be notified by means of the Student Center in my.maricopa.edu. If, following verification, the institution discovers evidence of student aid fraud (including identity theft), waste or abuse of US Department of Education funds such evidence may be referred to the Office Inspector General of the US Department of Education.

Award Amount and Level of Enrollment
Award amount is determined, in part, on the level of enrollment. Federal student aid recipients are advised to register at the same time for all classes they intend to take during a semester to maximize award. Some federal aid may not be awarded for classes added at a later date. Contact the college Office of Student Financial Aid for more information.

Repeated Coursework and Financial Aid Enrollment Status
Federal regulations regarding repeated coursework may impact your financial aid eligibility and awards. Federal regulations specify that students may receive federal financial aid funding for one repetition of a previously passed course. A passed course is defined as one in which a grade of A, B, C, D, or P is received. If you enroll in a course in which you have previously received passing grades twice, the course will not be counted towards your enrollment level for financial aid purposes. You may repeat a failed course until it is passed. Your enrollment for financial aid purposes will be calculated accordingly.

Maricopa Community Colleges Standards of Satisfactory Academic Progress (SAP) for Financial Aid Eligibility
Federal regulations (cfr 668.32(f) and 668.34) require a student to move toward the completion of a degree or certificate within an eligible program when receiving financial aid. Specific requirements for academic progress for financial aid recipients are applied differently than scholastic standards. Federal regulations state that academic progress standards must include a review of all periods of enrollment, regardless of whether or not aid was received. Students will be evaluated using the standards described below. Failure to meet any of these minimum standards will result in loss of title iv, hea program (federal financial aid) eligibility.

Evaluation period
Standards of satisfactory academic progress (sap) will be evaluated at the end of each semester; fall, spring and summer. Programs less than one year in length will be evaluated at the midpoint of the program. Non-standard sessions will be evaluated at the completion of the session.

Standards of satisfactory academic progress
Standards of satisfactory academic progress (sap) are evaluated on each of the three measurements outlined below. Failure to meet any of these standards will result in suspension of eligibility for financial aid.
Note: grades of F,I,N,W,X,Y,Z, and courses not yet graded are considered attempted but not meeting progress standards for the purposes of financial aid.
• Grade point measurement
Students must meet the following credit hour/cumulative grade point average (CGPA).

<table>
<thead>
<tr>
<th>Total Credits Attempted*</th>
<th>Min CGPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt;15.75</td>
<td>1.60</td>
</tr>
<tr>
<td>16-30.75</td>
<td>1.75</td>
</tr>
<tr>
<td>31-45.75</td>
<td>1.90</td>
</tr>
<tr>
<td>46+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

*for which grade points are computed

• Pace of Progression Measurement
Students must successfully complete 2/3 (66.67%) of all attempted course work.

• Maximum Time Frame Measurement
Students who have attempted more than 150% of the published credits required for their program of study are considered not meeting SAP.

Coursework treatment in SAP calculation. Course work taken during the semester also included in the evaluation:
• Courses funded through a consortium agreement
• All attempted remedial credits
• Repeated course work

Course work included in the maximum time frame evaluation:
• All of those included in the semester evaluation
• All evaluated transfer credits
• Any associates degree or higher earned will be considered to have exhausted maximum timeframe eligibility

Course work not included in SAP evaluation:
• Audited courses
• Non-credit courses
• Credit by examination
• Credit for prior learning option (as outlined in the college general catalog)

Notification
Students that have applied for federal assistance, but who do not meet the standards, will be notified. This notification will direct students to information regarding the appeal process.

Ineligibility determination appeal
Any student who has lost financial aid eligibility due to extenuating circumstances may appeal. Appeal must:
• Be in writing and submitted to the financial aid office where the student is applying for aid.
• Include the extenuating circumstances that caused the student not to meet SAP standards.
• Include appropriate supporting documentation.

Include how that condition or situation has been resolved thus allowing the student the ability to meet SAP standards. Students will be notified of the results of their appeal and any restrictions or conditions pertaining to their appeal. The outcome of an appeal may include a probationary term or denial.

Failure to successfully complete all conditions during the probationary period (as defined in the academic plan) will result in loss of financial aid eligibility.

Regaining eligibility
A student who has lost financial aid eligibility may only regain eligibility by meeting the minimum SAP standards. Course work taken at other colleges will not be considered for reinstatement purposes.

Terminology and information pertaining to this policy
• Summer sessions - enrollment in any or all summer sessions within the same calendar year will be considered one term.
• Non-standard session - sessions that do not follow the traditional start and end dates for the semester.
• Attempted credit – any credit for which a grade of a, b, c, d, f, i, ip, p, w, x, y, or z is received.
• Appeal – “a process by which a student who is not meeting the institution’s satisfactory academic progress standards petitions the institution for reconsideration of the student’s eligibility for title iv, hea program assistance.”
• Extenuating circumstance – examples are: personal injury or illness, serious illness or death within the immediate family, or other circumstance beyond the reasonable control of the student.
• Supporting documentation – examples could include: an obituary notice, divorce decree, an accident report, or a letter from a physician, attorney, social services agency, etc.
• Financial aid probation - “a status assigned by an institution to a student who fails to make satisfactory academic progress and who has appealed and has had eligibility for aid reinstated.” A student in this status “may not receive title iv, hea program funds for the subsequent payment period unless the student makes satisfactory academic progress or the institution determines that the student met the requirements specified by the institution in the academic plan for the student.”
• Academic plan – a plan developed through the sap appeal process which will lead a student to qualify for further title iv, hea program funds.
• Financial aid suspension – the status assigned upon failing to meet the minimum SAP standards or the terms of a probationary status. Students in this status are not eligible to receive title iv, hea assistance.
For more information, please contact the college Financial Aid Office.

Treatment of Title IV Aid When a Student Withdraws
The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (you may contact the Financial Aid office to define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receives on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, OR
2. the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. You can view the tuition refund policy and requirements and procedures for withdrawing from school at www.maricopa.edu/publicstewardship/governance/adminregs/students/2_2.php

Vaccinations (as required by 20 USC §1092(a)(I)(V):
The Maricopa County Community College District does not require that students receive vaccinations prior to enrollment. Certain professional or occupational programs do require particular vaccinations for participation in those programs. More information about these programs can be found on college websites.

Veterans’ Services (AR 2.9)
The Maricopa Community Colleges’ veterans’ services offices act as liaisons with the Department of Veterans Affairs. Each program must be approved by the State of Arizona Department of Veterans’ Services. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student’s approved programs. Application forms, counseling, advisement, and tutoring are available for students who are eligible for veteran’s educational benefits. Students applying for veteran educational benefits should allow eight to ten weeks before receiving benefits. The amount of benefits awarded is determined by the Department of Veterans Affairs, and
is based on the number of credit hours or clock hours for which a student is enrolled and the length of the enrollment period for each course.

Veteran’s benefits available:
- Chapter 30 - Montgomery GI Bill
- Chapter 31 - Vocational Rehabilitation (separately served through the local VA office)
- Chapter 32 - VEAP Program
- Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
- Chapter 1606 - Montgomery GI Bill, Selected Reserve
- Chapter 1607 - REAP Reserve Educational Assistance Program

It is the student’s responsibility to notify the office that serves veterans at his/her campus regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran’s educational benefits.

Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits.

Academic progress policy for students receiving veteran’s educational benefits.

Credit Hours for Which Grade Point are Computed at Resident Maricopa Community College Minimum Grade Point Average Required
(A,B, C, D, F, and Y) 12-15 1.60
16-30 1.75
31-45 1.90
46+ 2.0

Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program be making satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards (see above) will be placed on probation for a maximum of two (2) consecutive semesters. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits will be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the office that serves veterans at your campus.

For additional details and information regarding veteran’s educational benefits, contact the office that serves veterans at your campus.

Scholastic Standards

Academic Load (AR 2.3.1)
A credit hour is defined as an amount of work represented in course competencies and verified by evidence of student achievement that reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester hour of credit, or the equivalent amount of work over a different amount of time, or at least an equivalent amount of work for other academic activities, including laboratory work, internships, practicum, studio work, and other academic work leading to the award of credit hours. In accordance with common practice in higher education, instruction representing a credit hour is typically delivered in a fifty-minute class period.

Students carrying at least twelve (12) credit hours will be considered full-time students for the fall and spring semesters. Three-quarter-time is 9–11.9 credit hours. Halftime is 6–8.9 credit hours. Fewer than six (6) credit-hours is considered less than half-time. Academic load for summer and special terms may be defined differently. Contact the Admissions and Records Office/Office of Student Enrollment Services for clarification. As provided in the Reduced Course Load administrative regulation, a student may be deemed a full-time student carrying fewer than twelve credit hours pursuant to an accommodation of a disability.

Courses may vary in length, and begin and end throughout the year. A credit hour indicates the value of an academic credit. Standards for the awarding of credit hours may be time based or competency based. To obtain credit, a student must be properly registered and must pay fees for the course. The fall and spring semesters are typically sixteen (16) weeks in length. Summer sessions are typically five or eight weeks in length.

Students desiring to take more than eighteen (18) credit hours must obtain approval from the designated college official. Ordinarily, only students with a grade point average of 3.0 or higher for the preceding semester or first semester students who were in the upper quarter of their high school graduating class are permitted to carry more than eighteen (18) credit hours.

Students participating in extra-curricular or co-curricular activities or receiving financial assistance may be required to maintain a specified minimum academic load.
Students who are working, have considerable extra-curricular or co-curricular activities, or have been reinstated from academic suspension/probation should plan their academic load accordingly.

Schedule Changes
Students may change their schedule by following the designated procedures at their college of enrollment. It is the student’s responsibility to notify the college if he/she will no longer be attending the class (see Appendix S-7 for Withdrawal Procedures).

Attendance (AR 2.3.2)
Only persons who are registered for a class at any of the Maricopa Community Colleges may attend that class. Attendance requirements are determined by the course instructor. Students who do not meet the attendance requirement as determined by the course instructor may be withdrawn.

Students who fail to attend the first scheduled class meeting, or to contact the instructor regarding absence before the first scheduled class meeting may, at the option of the instructor, be withdrawn.

At the beginning of each course, each faculty member will provide students with written attendance requirements. It is the student’s responsibility to consult with the instructor regarding official or unofficial absences. Absences begin to accumulate with the first scheduled class meeting.

Students bear the responsibility of notifying the Admissions and Records Office/Office of Student Enrollment Services when they discontinue studies in a course or at the college. Please refer to Appendix S-7 for Withdrawal Procedures.

A. Official Absences
- Official absences are those that occur when students are involved in an official activity of the college, i.e., field trips, tournaments, athletic events, and present an official absence excuse form. Absences for such events shall not count against the number of absences allowed by an instructor or department. Students who must miss a class for an official reason must obtain an official absence verification card from the appropriate vice president or designee and present it to the appropriate instructor(s) before the absence. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have been made, the student will not be penalized.
- In the event of military commitments. Absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. The student is required to provide appropriate documentation of the specific orders, length of assignment and location. Prior notification must be initiated with each instructor to discuss make-up work. If the length of the absence will be longer than one week, the instructor and the student will determine whether there is sufficient opportunity for the student to make up the work. If it is determined that the length of absence for the military commitment provides an undue hardship on the student’s ability to make up the assignments, he or she will be provided an opportunity to request an incomplete grade or drop the class or, in the case of open-entry classes, the opportunity to request an extension.

- In the event of the death of an immediate family member, absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. Students should contact instructor(s) as soon as possible to arrange for make-up work. Appropriate documentation will be required (for example, a copy of the obituary or funeral program). In specialized programs that require clinical rotations, this regulation may not apply.

B. Religious Holidays
Students shall have the right to observe major religious holidays without penalty or reprisal by any administrator, faculty member or employee of the Maricopa Community Colleges. Absences for such holidays shall not count against the number of absences allowed by an instructor or department. At least one week before the holiday, students shall submit to their instructor(s) a written statement that includes both the date of the holiday and the reason why class attendance is impossible. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have been made, the student will not be penalized.

Grading (AR 2.3.3)
A. Policy
It is the policy of the Maricopa Community Colleges that a grade will be assigned at the conclusion of the course. Official grades are available on designated college web sites.

Grade Key
<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4 grade points per credit hour</td>
</tr>
<tr>
<td>B</td>
<td>Above Average</td>
<td>3 grade points per credit hour</td>
</tr>
</tbody>
</table>
B. Incomplete Grade

Students who are doing acceptable work may request an incomplete grade “I” if they are unable to complete the course requirements by the end of the term because of illness or other extenuating circumstances. If the request is approved by the instructor, he or she shall define, in a written/electronic contract, how the course will be completed.

Students must complete the requirements within the time period agreed to–maximum time allowed is the approved time period from the last date of class in which the grade of incomplete was assigned. Students who do not complete the requirements within seven (7) months will have their grade recorded in accordance with the written contract. Students should NOT reregister for the course to complete the contract.

A student’s eligibility for financial aid may be jeopardized by an incomplete grade. Refer to the standards of satisfactory academic progress for details.

C. Repeating a Course/Improving a Grade

To improve a previously earned grade, students may repeat the course up to three times after the initial attempt to improve a grade. (A “W” or “Y” is not considered an attempt.) Students planning to repeat a course should seek advisement prior to enrolling. The lower grade(s) for repeated courses will automatically be excluded from the grade point calculation. All enrollments in a course will appear on the transcript. Check individual courses and programs for exceptions.

D. Credit/No Credit Courses (P/Z)

Some courses may be taken under a credit/no credit grading system. These courses carry grades of P (credit, equivalent to a grade of C or higher) or Z (no credit) and are not computed in the student’s grade point average.

Credits earned with a grade of P may be counted toward graduation with the exception of AGEC (Arizona General Education Curriculum).

The prescribed time limits are for full-semester classes.

Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See “Important Deadlines for Students”.

In courses with credit/no credit (P/Z) grading, the student may request standard grading (A, B, C, D, F), within fourteen (14) days including the date of the first class meeting. The instructor must immediately notify the Admissions and Records Office/Office of Student Enrollment Services.

In courses with standard grading (A, B, C, D, F), the instructor determines if the credit/no credit option is available. If the option is available, the student must obtain the permission of the instructor. The instructor must notify the Admissions and Records Office/Office of Student Enrollment Services within fourteen (14) days including the day of the first class meeting.

It is the student’s responsibility to verify the transferability of credit/no credit courses. Some universities place a limitation on the number of credit/no credit courses that can be transferred.

Advisory note: Some institutions outside the Maricopa Community Colleges may translate the Z grade as failing.

E. Audit Courses

Auditors are those who enroll in a course for the sole purpose of obtaining information; they receive no credit, grades, homework, or tests. If an auditor wishes to earn credit, he or she must change from audit status to credit status within the first week. If a student wishes to audit a course for which he or she is enrolled for credit, the change must be made within the first five (5) weeks of a semester. Auditors are subject to the same attendance policies as other students and must meet the same prerequisite requirements or obtain approval of the instructor. See the fee schedule for charges. Financial aid is not available for audited courses.

The prescribed time limits are for full-semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly and appear in the “Important Deadlines for Students”.

Deadlines are based on calendar days and begin with the first day of class.
**Academic Probation (Progress) (AR 2.3.4)**

**A. Probation**

A student will be placed on academic probation after completion of twelve (12) or more credit hours if the student’s cumulative grade point average is less than:

<table>
<thead>
<tr>
<th>Credit Hours for which Grade Points are Computed at Resident Maricopa Community College (A, B, C, D, F, and Y)</th>
<th>Minimum Grade Point Average Required</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>31-45</td>
<td>1.90</td>
</tr>
<tr>
<td>46 +</td>
<td>2.00</td>
</tr>
</tbody>
</table>

(Students should also be aware that graduation requires a cumulative minimum grade point average of 2.00).

Students on academic probation may take no more than twelve (12) credit hours per semester unless approved by the Admissions and Standards Committee.

**B. Continued Probation**

A student on academic probation who fails to raise the cumulative grade point average to the required minimum standards (see above) will be placed on continued probation and may be limited to taking six (6) credit hours. Regulations regarding continued probation do not apply to the summer session. Credit hours earned in summer sessions will be included in the cumulative grade point average.

**Instructional Grievance Process (AR 2.3.5 & Appendix S-6)**

A student who feels that he or she has been treated unfairly or unjustly by a faculty member with regard to an academic process such as grading, testing, or assignments, has the right to appeal according to the approved procedures.

The appeal process for grades must be initiated no later than sixty (60) calendar days from the date the grade was issued. Steps outlining the process are available in Appendix S-6.

**Appendix S-6: Instructional Grievance Process**

A student who feels that he/she has been treated unfairly or unjustly by a faculty member (full-time or part-time) with regard to an academic process such as grading, testing, or assignments, shall discuss the issue first with the faculty member involved. This conference shall be requested by the student within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.

This instructional grievance process should not be utilized in a case in which a student feels he/she has experienced discrimination. If the student feels that he/she has experienced discrimination on the basis of race, color, religion, sex, gender identity, national origin, citizenship status (including document abuse), gender, age, disability, veteran status, genetic information, or sexual orientation, the student should refer to the Discrimination Complaint Procedures for Students as administered by the Vice President for Student Affairs.

**Steps for students to follow:**

1. If, within ten (10) working days of the request for the conference with faculty member, the problem is not resolved or the faculty member has been unable to meet with the student, the student may continue the process by filing a written grievance with the Department/Division Chairperson and appropriate administrative officer at the college/center. This written grievance must be filed within ten working days following the previous deadline. The written complaint will be given to the faculty member five days before any official meetings are convened.

2. Upon receipt of a written grievance, the Department/Division Chair or appropriate college administrative officer will work with the parties in an attempt to resolve the conflict. The faculty may ask that the College Faculty Senate President be in attendance. Every attempt will be made to maintain confidentiality during this process. A faculty member will not be required to respond to a grievance which is not in writing and which, when appropriate, did not have specific documentation including dates, times, materials, etc. The written grievance will be made available to the faculty member.

3. If the grievance is not resolved at this level within ten working days, the student should forward to the vice president of academic affairs or designee, a copy of the original written grievance with an explanation regarding action taken at each prior level. The dean of instruction or appropriate college/center administrative officer will meet with the student, faculty member, the College Faculty Senate President if requested by the faculty member, and Department/Division Chair and attempt to resolve the issues. This level will be the final step in any grievance process regarding grades.

4. If the grievance, other than those concerning grades, is not resolved by the vice president of academic affairs or designee, it may be forwarded in writing by the student to the college president for final resolution. The college president or designee will issue a final written determination in the grievance process.
5. Instructional grievances are resolved at the college level; the district office is not an avenue of appeal for the instructional grievance process.

Note: The grievance process for grades must be initiated no later than sixty (60) calendar days from the date the grade was issued.

Non-Instructional Complaint Resolution Process (AR 2.3.12 and Appendix S-8)

A student who feels that he or she has been treated unfairly or unjustly by any employee with regard to a non-instructional process such as a student or administrative services has the right to file a formal and written complaint according to the approved procedures. See Appendix S-8

Non-Instructional Complaint Resolution Process (Appendix S-8)

A student who feels that he or she has been treated unfairly or unjustly by any employee with regard to a non-instructional process such as a student or administrative services has the right to file a formal and written complaint according to the approved procedures.

Steps for students to follow:
1. Discuss the issue with the employee involved. The student should request this conference within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.
2. If, within ten (10) working days of the request for the conference with the employee, the problem is not resolved or the employee has been unable to meet with the student, the student may continue the process by filing a written complaint with the appropriate supervisor of the employee where authority exists to take corrective action. This written complaint must be filed within ten (10) working days following the previous deadline. The written complaint will be given to the employee five (5) working days before any official meetings are convened.
3. Upon receipt of a written complaint, the appropriate supervisor will work with the parties in an attempt to resolve the conflict. Every attempt will be made to maintain confidentiality during this process. An employee will not be required to respond to a complaint which is not in writing and which, when appropriate, does not have specific documentation including dates, times, actions, supporting documents, etc. The written complaint will be made available to the employee.
4. If the complaint is not resolved at this level within ten (10) working days, the student should forward the original written complaint with an explanation regarding action taken at each prior level. The dean and/or associate dean will meet with the student, the employee, and the relevant supervisor and attempt to resolve the issues.
5. If the associate dean and/or dean do not resolve the complaint, the student may forward it in writing to the college president for final resolution. The college president or designee will issue a final written determination in the complaint process.

Withdrawal (AR 2.3.6)

To withdraw from a course or courses from the college, students must follow approved procedures (See Appendix S-7). The Office of Admissions and Records provides information about the withdrawal process. The official date of withdrawal is the date the withdrawal is received in the Admissions and Records Office/Office of Student Enrollment Services.

Never attending is not an allowable refund exception or an excuse of the debt incurred through registration. Please see the refund policy.

Student And Faculty Withdrawal Procedures (Appendix S-7)

STUDENT WITHDRAWAL PROCEDURES

A. Withdrawal from Specific Courses

A student may officially withdraw from specific courses in the following ways:
1. Through the 7th week*, a student may initiate an official withdrawal from any course by completing the withdrawal process online using the student self service system or by submitting a course withdrawal form to the Admissions and Records Office/Office of Student Enrollment Services in accordance with the published deadlines. A grade of W (withdrawn, passing—not computed in the grade point average) will be assigned.
2. After the 7th week*, a student must initiate a withdrawal request with the faculty member. If, after consultation with the student, the faculty member approves the request, a grade of W (withdrawn, passing—not computed in the grade point average) or Y (withdrawn, failing—computed in the grade point average as a failing grade) will be assigned. If the request is not approved, the student will remain in the course.
3. A student has the right to appeal a withdrawal decision according to the approved procedures. Steps outlining the process are available in Appendix S-6.

* The prescribed time limits are for full semester classes. Time limits for classes which meet fewer
than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

B. Complete Withdrawal from College
Students electing to withdraw from the college must contact the Admissions and Records Office/Office of Enrollment Services no later than two weeks* before the end of the last class meeting and may be required to file a written request.

A grade of W will be assigned in all courses for students who withdraw by the end of the 7th week* of classes. Withdrawals completed after this time will result in a grade of W (withdrawn, passing – not computed in the grade point average) or Y (withdrawn, failing – computed in the GPA as a failing grade).

*The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

C. Withdrawal of Financial Aid Students
In accordance with federal regulations (34CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw or are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student’s ability to receive Financial Aid in the future at any school.

Faculty Withdrawal Procedures
A faculty member has the option of withdrawing a student who has accumulated unofficial absences in excess of the number of times indicated in that faculty member’s attendance policy in the course syllabus (see AR 2.3.2). Students withdrawn for excessive absences may be reinstated only with the approval of the faculty member. A grade of W will be assigned through the 7th week*. After the 7th week*, a grade of W or Y will be assigned. Faculty members electing to withdraw students must record the withdrawal through the online system, including last date of attendance and withdrawal code.

*The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted according to the prescribed time limits for classes which meet fewer than sixteen (16) weeks. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

Academic Renewal (AR 2.3.7)
Students who are returning to this college after a separation of five (5) years or more from the Maricopa Community College District may petition for academic renewal. The request must be in writing and submitted to the Admissions and Records Office/Office of Student Enrollment Services at the college where the grades were earned.

Academic renewal at one of the Maricopa Community Colleges does not guarantee that colleges outside the Maricopa Colleges will accept this action. Acceptance of academic renewal is at the discretion of the receiving institution.

A. Prior to petitioning for academic renewal, the student must demonstrate a renewed academic performance by earning a minimum of twelve (12) credit hours and a cumulative grade point average of 2.5 or higher within Maricopa Colleges after reenrollment.

B. Upon approval, all courses taken prior to reenrollment with a grade of “A,” “B,” “C,” “D,” “F,” and “Y” will be annotated as academic renewal on the student’s permanent record. All course work affected by academic renewal will not be computed in the grade point average. Courses with grades “A,” “B,” or “C” will have the associated credit hours counted in the total credit hours earned. Such credit will not be computed in the grade point average.

C. All course work will remain on the student’s permanent academic record, ensuring a true and accurate academic history.

D. The academic renewal policy may be used only once at each college and cannot be revoked once approved.

E. Students who have been granted Academic Renewal must also meet the Financial Aid Standards of Academic Progress if they wish to receive financial aid.

Honors Program (AR 2.3.8)
Each of the Maricopa Community Colleges has an honors program. Interested students should contact the college honors coordinator for information about the program and available scholarships, including the Chancellor’s, Foundation’s, and President’s scholarships.

President’s Honor List
The President’s Honor List for each college consists of all students who complete twelve (12) or more credit hours in residence in courses numbered 100 or higher in a given semester with a college semester grade point average of 3.75 or higher.
Transcripts For Transfer (AR 2.3.10)
The transcript is issued upon written request only. Those students who want to transfer to other institutions of higher education, including other Maricopa Community Colleges, must request their transcript be sent from the Admissions and Records Office/Office of Student Enrollment Services. However, transcripts may be shared within the Maricopa Community College District without the written request of the student in compliance with FERPA.

Official transcripts will not be issued to students having outstanding debts to any of the Maricopa Community Colleges. The release of transcripts is governed by the guidance of the Family Education Rights and Privacy Act of 1974 (see Records Policy in the Student Rights and Responsibilities section of this manual). There is no charge for unofficial transcripts, or for official transcripts sent between Maricopa Community Colleges. See the Tuition and Fee Schedule for charges for other official transcripts.

COLLEGE ENVIRONMENT
Sexual Harassment Policy (AR 2.4.4 & 5.1.8-16) AR 2.4.4
See the EEO/AA Section of the Administrative Regulations (AR 5.1.8).

Sexual Harassment Policy for Employees and Students 5.1.8
The policy of the Maricopa County Community College District (MCCCD) is to provide an educational, employment, and business environment free of unwelcome sexual advances, requests for sexual favors, and other verbal and/or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by state and federal law.

Each college has designated its vice president for student affairs as Title IX Coordinator, and student complaints of sexual harassment must be reported to him or her. Sexual violence against employees is prohibited by Title VII of the Civil Rights Act of 1964. Employee complaints of sexual harassment must be reported to the District Office of Equity, Opportunity, and Engagement.

Sexual harassments is unwelcome, verbal, or physical conduct of a sexual nature that is sufficiently severe, persistent, or pervasive that it alters working conditions and creates a hostile environment for employees, or that it unreasonably interferes with, limits, or deprives a student of the ability to participate in or benefit from any MCCCD educational program or activity. The unwelcome behavior may be based on power differentials, the creation of a hostile environment, or retaliation for sexual harassment complaints. Sexual harassment by and between, employees; students; employees and students; and campus visitors and students or employees, is prohibited by this policy.

Due process is afforded any employee, student, or visitor accused of sexual harassment. On receipt of a complaint, an immediate preliminary investigation will be conducted to determine if there is reasonable cause to believe the nondiscrimination policy has been violated. If so, then a prompt, thorough, impartial investigation will be conducted by the authorized administrator. If the final decision is that sexual harassment occurred, the college will take immediate action to eliminate the hostile environment, prevent its recurrence, and address its effects. Remedies for the complainant will also be sought. Violations of this policy may result in disciplinary action up to and including termination for employees; sanctions up to and including suspension or expulsion for students; and appropriate sanctions against campus visitors.

This policy is subject to constitutionally protected speech rights and principles of academic freedom. Questions about this policy may be directed to the MCCCD EEO/ Affirmative Action Office.

Examples of Policy Violations 5.1.9
It shall be a violation of MCCCD’s Sexual Harassment Policy for any employee, student or campus visitor to:

1. Make unwelcome sexual advances to another employee, student or campus visitor;
2. Make unwelcome requests for sexual favors, whether or not accompanied by promises or threats with regard to the employment or academic relationship;
3. Engage in verbal or physical conduct of a sexual nature with another employee, student or campus visitor, that may threaten or insinuate, either explicitly or implicitly, that the individual’s submission to, or rejection of, the sexual advances will in any way:
   A. Influence any personnel decision regarding that person’s employment, evaluation, wages, advancement, assigned duties, shifts or any other condition of employment or career development; or
   B. Influence his or her grades, participation in or access to academic programs, class standing or other educational opportunities;
4. Engage in verbal or physical conduct of a sexual nature that:
   A. Has the purpose or effect of substantially interfering with an employee’s ability to do his or her job; or with a student’s ability to learn or participate in a class; or
B. Which creates an intimidating, hostile or offensive work or academic environment;
5. Commit any act of sexual assault or public sexual indecency against any employee or student whether on MCCCD property or in connection with any MCCCD-sponsored activity;
6. Continue to express sexual interest in another employee, student or campus visitor after being informed or on notice that the interest is unwelcome (reciprocal attraction is not considered sexual harassment);
7. Engage in other sexually harassing conduct in the workplace or academic environment, whether physical or verbal, including, but not limited to, commentary about an individual’s body (or body parts), sexually degrading words to describe an individual, sexually offensive comments, sexually suggestive language or jokes, innuendoes, and sexually suggestive objects, books, magazines, computer software, photographs, cartoons or pictures.
Other sexual misconduct may include sexual exploitation, stalking, and gender-based bullying.
8. Treat a complainant or witness of sexual harassment in a manner that could dissuade a reasonable person from pursuing or participating in the complaint and investigation.

Additional Policy Violations 5.1.10
Supervisors, managers, administrators and faculty who disregard or fail to report allegations of sexual harassment (whether reported by the person who is the subject of the sexual harassment or a witness) are in violation of this policy.

Responsibility for Policy Enforcement 5.1.11
Employees and students must avoid offensive or inappropriate sexual and/or sexually harassing behavior at work or in the academic environment.

Employees and students are encouraged (but not required) to inform perceived offenders of this policy that the commentary/conduct is offensive and unwelcome.

Complaints 5.1.12
1. Employees
Employees who experience sexual harassment at work (by a supervisor, co-employee, student or visitor) are urged to report such conduct to the direct attention of their supervisor, their college president or to the Maricopa Community Colleges Equal Employment Opportunity/Affirmative Action Office.

If the complaint involves the employee’s supervisor or someone in the direct line of supervision, or if the employee for any reason is uncomfortable in dealing with his or her immediate supervisor, the employee may go directly to the Maricopa Community Colleges EEO/AA Office.

2. Students
Students who experience sexual harassment in the academic environment (by a faculty member, administrator, campus visitor or other student) are urged to report such conduct to the vice president of student affairs or designee at each individual campus.
A student may also contact the MCCCD EEO/AA Office to obtain the name and phone number of the college official designated to respond to sexual harassment complaints.

3. General - Applicable to Both Employees and Students
Complaints will be investigated according to procedures established by the MCCCD EEO/AA Office. Copies of these procedures may be obtained in the college president’s office, Office of the Vice President of Student Affairs and the MCCCD EEO/AA Office.

The college/center/MCCCD will investigate all complaints as professionally and expeditiously as possible.

Where investigation confirms the allegations, appropriate responsive action will be taken by the college/center/ MCCCD.

Confidentiality 5.1.13
Records will be maintained in a confidential manner to the extent permitted by law and insofar as they do not interfere with MCCCD’s legal obligation to investigate and resolve issues of sexual harassment.

Violations of Law 5.1.14
An employee or student may be accountable for sexual harassment under applicable local, state, and/or federal law, as well as under MCCCD policy. Disciplinary action by MCCCD may proceed while criminal proceedings are pending and will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed or reduced.

False Statements Prohibited 5.1.15
Any individual who knowingly provides false information pursuant to filing a discrimination charge or during the investigation of a discrimination charge, will be subject to appropriate disciplinary action, up to and including, employment termination or academic dismissal.
Retaliation Prohibited 5.1.16
Retaliation against an employee or student for filing a sexual harassment complaint, or participating in the investigation of a complaint, is strictly prohibited. MCCCD will take appropriate disciplinary action, up to and including employment termination or academic dismissal if retaliation occurs.

Emissions Control Compliance (AR 2.4.6)
Pursuant to A.R.S. §15-1444 C, no vehicle shall be allowed to park in any college parking lot unless it complies with A.R.S. §49-542 (the annual vehicle emissions inspection program). At the time of course registration, every out-of-county and out-of-state student will be required to sign an affidavit stating that the student’s vehicle meets the requirements of A.R.S. §49-542. Vehicles that are not in compliance are subject to being towed at the owner’s expense.

Petition Signature Solicitation (AR 2.4.8)
1. This regulation shall govern access to college premises by representatives who wish to solicit signatures on petitions for the purpose of submission of a ballot proposition to voters, or nomination of a candidate for elective office, in a city-, county-, or state-wide election.
2. Each college president shall designate general hours of accessibility for solicitation and a location on college premises where all representatives on behalf of any candidate or ballot proposition may solicit signatures. The location shall be in a common area where the solicitation will not serve as an obstruction to student activities or otherwise disrupt the college environment.
3. All solicitation must take place in designated areas. Standard space may include one or two tables and chairs. Campus restrictions regarding amplification will apply. Representatives may not distribute or make available to students, employees, or college visitors any tangible item, except for informational literature about the proposed candidate or ballot initiative.
4. Representatives shall notify the designated official at each college or center for their intent to be present on college premises no fewer than three working days prior to soliciting signatures. Upon obtaining authorization, representatives shall be provided a written version of this regulation.

Use Of College Grounds By Non-Mcccd-Affiliated Users (AR 2.4.9)
In contrast to traditional public forums such as a public square, park, or right of way, Maricopa’s campuses are dedicated by law to the purpose of formal education. They are, and have been since their creation, for the use and benefit of prospective and enrolled students, the Maricopa employees who serve them, and those who are invited to campus by members of the College community to attend or participate in sponsored events. The Maricopa County Community College District (MCCCD) has a long history of regulating the time, place, and manner in which expressive activities are conducted on campuses, for the purposes of avoiding disruption or interference with its educational activities, and protecting the rights of the members of the campus community and their invited guests to express themselves and access information. While members of the general community always have been welcome to share their ideas with the campus community, they are subject to reasonable, content-neutral regulation of the time, place and manner of the event and to the institution’s mission-based priorities – including but not limited to the need to provide an environment conducive to teaching and learning.

Policy
This administrative regulation governs use of the campus grounds, defined as the open areas and walkways of the campus by non-MCCCD-affiliated users. Use of campus buildings is governed by a separate administrative regulation. Parking lots are not available for events and activities other than those sponsored and authorized by the College president.

Camping is not permitted anywhere on the campuses. Camping is defined as the use of campus grounds or facilities for living accommodations or housing purposes such as overnight sleeping or making preparations for overnight sleeping (including the laying down of bedding for the purpose of sleeping), the making of any fire for cooking, lighting or warmth, or the erection or use of tents, motor vehicles, or other structures for living or shelter. These activities constitute camping when it reasonably appears, in light of all the circumstances, the participants conducting these activities intend to use or are using the facilities or grounds for living accommodations or housing, regardless of the duration or other purpose of the use.

Lawful use of college grounds for events or expressive activities by individuals, groups, and organizations may be authorized by college officials when the events and activities are lawful and consistent with the non-profit, educational nature of the campus, authorized and conducted in accordance with MCCCD policies,
administrative regulations and priorities, and compliant with reasonable restrictions as to time, place, and manner. The content of the expression will not be a factor in authorizing, locating, or scheduling decisions. However, events and activities will not be permitted to disrupt or obstruct the teaching, research, or administrative functioning of the College by means of physical obstacles and crowds, by the creation of sound or noise that would interfere with teaching, learning, and the conduct of College business, or by any other means. Each College president will designate a Responsible Campus Official with delegable authority to approve, locate, and schedule use of college grounds.

Permit Application: Any non-MCCCD-affiliated organization, group, or individual desiring to use campus grounds for an event or activity must submit a request form to the Responsible Campus Official in advance of the use date. If the activities proposed in the application are limited to low-impact, non-commercial activities the request form shall be submitted at least two business days in advance of the expected use date. For purposes of this administrative regulation, “low-impact, non-commercial activities” are defined as: (1) activities that do not seek to sell or promote a product or service for direct or indirect financial gain; (2) activities that are limited to gatherings of five people or less at any given time; and (3) activities that do not involve machinery, temporary structures, tables, chairs, displays or electronic equipment, including amplifiers, or the distribution of food products.

For events that are not low-impact, non-commercial activities, the request form shall be submitted at least seven business days before the expected use. The additional advance time is required to allow the College to prepare for conditions that may affect the flow of foot traffic, involve signs and displays, create crowds, involve significant numbers of participants, or require the use of significant amounts of space and/or use of equipment and resources.

Designated Areas: Because each College has a limited amount of outdoor space, activities and events sponsored by non-MCCCD-affiliated users, including speech and literature distribution, shall be restricted to designated areas. For each College, the Responsible Campus Official shall establish specific designated areas for such activities. A written description of these areas shall be maintained at the office of Student Life and Leadership for each College. Consistent with the goal of providing a healthy, comfortable, and educationally productive environment, the Responsible Campus Official should attempt to locate the designated areas in prominent locations on campus where there is a likelihood of significant pedestrian traffic. The designated areas shall not be located in building stairways and entryways, parking lots, or congested areas. The Responsible Campus Official will make every effort to assign users to their requested space when a specific space is desired. However, in order to ensure the potential success of all scheduled events, the College reserves the right to assign an event or activity to the area the College deems most appropriate in light of the campus capacity, other activities scheduled, and the type of event or activity being planned.

Use Fees and Proof of Insurance: To offset the costs associated with the use of campus grounds, non-MCCCD-affiliated users shall be required to pay a fee of $50 per day or $125 per week. In order to protect the health and safety of College students, faculty and staff and to protect MCCCD resources, non-MCCCD-affiliated users shall also be required to provide proof of insurance that indicates at least $1 million in general liability coverage and names MCCCD as an additional insured for the anticipated use date.

The fee and proof-of-insurance provisions of this administrative regulation shall not be applied to low-impact, non-commercial users. A user may request designation as a low-impact, non-commercial user from the applicable College’s Responsible Campus Official. Any questions or comments about the criteria for approval or denial of such request shall be directed to the District Ombudsman.

Permits: The approved request form will describe the location of the authorized activity and any other restrictions specific to the event. Violation of the terms of the approved request form, District policy, administrative regulation or law shall be grounds for immediate revocation of the permit, and the individual violators and their organizations may be banned from the campus.

Priorities and Criteria for Approval of Permits: The content or subject of the proposed expressive activity or event will not affect approval of the application. Availability of space is not guaranteed. Reservations shall be approved on a space-available basis and will be addressed on a first come-first served basis, subject to the following priorities and criteria for the use and scheduling of space on campus grounds:

Scheduling Priorities (in order):

A. The use of facilities and grounds for the operations of the College. For example, there are times when
the campus is unusually crowded by members of the campus community, such as registration and orientation at the beginning of the semester. Other uses may reasonably be precluded during those times.

B. Activities and events sponsored by the College administration.

C. Activities and events sponsored by MCCCD student organizations or employee groups.

D. Activities of non-MCCCD-affiliated individuals and organizations.

E. Commercial advertising or activities.

Criteria:
Capacity of campus grounds to accommodate the number of participants at the scheduled time and proposed location.
Capacity of Campus Safety staff to provide security for all events and activities scheduled at the time.
Possible interference or conflict with College operations or other scheduled activities and events on the grounds.
General feasibility of hosting the event as proposed.

Other Policies: This administrative regulation will be applied in conjunction and coordination with all other MCCCD policies and administrative regulations and College processes and procedures, including but not limited to regulations on facilities use, signage, sales of alcohol and/or food, and solicitation of donations.

Specific procedures on how to implement the Use of Campus Grounds regulation can be found in Appendix S-15

Children On Campus (AR 2.4.10)
- Children (younger than 18) may not attend any class unless they are officially registered for the class.
- Children will not be allowed on campus unless participating in an authorized college program or under the supervision of an adult.

Crime Awareness And Campus Security Act (AR 2.4.11)
Federal legislation requires the college to maintain data on the types and number of crimes on college property as well as policies dealing with campus security. To obtain additional information on this subject, contact the college Safety and Security Department.

Workplace Violence Prevention (AR 2.4.12)
It is the policy of the Maricopa Community Colleges to promote a safe environment for its employees, students, and visitors. The Maricopa Community Colleges are committed to working with its employees to maintain an environment free from violence, threats of violence, harassment, intimidation, and other disruptive behavior. Violence, threats, harassment, intimidation, and other disruptive behavior in our facilities will not be tolerated, and it is the responsibility of all members of the Maricopa Community Colleges to report any occurrence of such conduct. Every employee, student and visitor on Maricopa Community College District property is encouraged to report threats or acts of physical violence of which he/she is aware. All reports will be taken seriously and will be dealt with appropriately. Such behavior can include oral or written statements, gestures, or expressions that communicate a direct or indirect threat of physical harm.

This policy applies to employees and students, as well as independent contractors and other non-employees doing business with the Maricopa Community Colleges. Individuals who commit such acts may be removed from the premises and may be subject to disciplinary action, criminal penalties, or both. The Chancellor is hereby instructed to enact all administrative regulations necessary to implement this policy.

Student Right To Know (AR 2.4.13)
Under the terms of the Student Right To Know Act, the college must maintain and report statistics on the number of students receiving athletically related student aid reported by race and sex, the graduation rate for athletes participating in specific sports reported by race and sex, the graduation rate for students in general, reported by race and sex and other similar statistics. To obtain copies of these reports, contact the Office of Admissions and Records.

Student Rights/Responsibilities

Copyright Act Compliance (AR 2.4.5)
Students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping. In order to assist students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

Copyright Regulation (AR 3.2)
1. It is the intent of the Governing Board of the Maricopa County Community College District to adhere to the provisions of the U.S. Copyright Law (Title 17, United States Code Section 101 et seq.). Though there continues to be controversy regarding interpretation of the Copyright Law, this policy represents a sincere effort by the Board to operate legally within the District.
2. The Governing Board directs the Chancellor or his designee(s) to develop and distribute to employees guidelines that (1) clearly discourage violation of the Copyright Law and (2) inform employees of their rights and responsibilities under the Copyright Law.

3. Each college president or provost and the Chancellor shall name an individual(s) at each district location who will assume the responsibilities of distributing copyright guidelines, act as a resource person regarding copyright matter and provide training programs on current copyright laws.

4. Employees are prohibited from copying materials not specifically allowed by the (1) Copyright Law, (2) fair use guidelines, (3) licenses or contractual agreements, or (4) other permission.

5. The Governing Board disapproves of unauthorized duplication in any form. Employees who willfully disregard this Board policy and/or the aforementioned copyright guidelines do so at their own risk and assume all liability for their actions.

6. In order to assist employees and students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

What Students Should Know About Copyright

What is copyright?
Copyright is a protection afforded under federal law for various types of creative works. A work is copyrightable if it is an original work of authorship fixed in a tangible medium of expression. Copyrightable works include literary, musical or dramatic works; motion pictures and other audiovisual works; choreographic works and pantomimes; sound recordings; and architectural works.

The owner of a copyright in a particular work has the exclusive right to copy, display, perform, distribute, and create a derivative version of the work. Generally, then, this means that you may not do things like duplicate, show, or perform a copyrighted work unless it is expressly allowed under the Copyright Act or you have the prior permission of the copyright holder.

A copyright exists in a work at the time it becomes fixed in some tangible medium of expression. Neither registration of the copyright with the federal government nor a copyright notice on the work itself is required for copyright protection.

What is copyright infringement?
Generally, copyright infringement occurs when you copy, display, perform, distribute or create a derivative version of a copyrightable work either without the permission of the copyright holder or when such activity is not otherwise allowed under an exception provided by federal copyright law. The penalties for infringement include significant damages—potentially in excess of $100,000 for each work infringed as well as criminal penalties, which may include fines and even incarceration.

How does copyright law affect information I obtain off the Internet?
Copyright law covers works in both traditional and new media, including digital media. Copyrightable materials are often available on the Internet without any indication of their copyrighted status. As a rule of thumb, you should assume that everything you find on the Internet is copyrighted, unless otherwise labeled. Even popular activities, such as file swapping or copying software or pictures from the Internet, may be copyright infringement and should be avoided.

The Digital Millennium Copyright Act, which Congress enacted in 2000, affords greater protection for copyright holders of digital works. Generally, then, even if a work appears solely in a digital form, it is likely subject to copyright law protections.

New technology has made many creative works widely available through the Internet. For example, the technology known as Peer to Peer (P2P) allows for the transmission of music, videos, movies, software, video games and other materials—most of which is subject to copyright protection.

Remember that a copyright exists in a work at the time it becomes fixed in some tangible medium of expression. That means that an image you have downloaded from the Internet, as well as a video or musical performance is almost certainly subject to copyright protection. When you download these works, transfer them to a disk or other medium, or send them to a friend, you are infringing on the rights of the copyright holder. Trafficking in such material without the permission of the copyright holder, then, violates copyright law. This includes unauthorized music file sharing over the Internet.

According to a statement recently issued by representatives of the motion picture, recording and songwriting industries, uploading and downloading copyrighted works over the Internet is theft: “It is no different from walking into the campus bookstore and in a clandestine manner walking out with a textbook without paying for it.”

Why is it important for a student to be aware of copyright law?
Copyright infringement is expressly prohibited by the US Copyright Act. Anyone who infringes another’s copyright in a creative work is subject to liability, and could be required to pay large sums in damages.
In addition, as the law clearly prohibits copyright infringement, using any college resources—such as photocopiers, desktop and laptop computers, printers, central computing facilities, local-area or college-wide networks, Internet access, or electronic mail—for the purpose of infringing a copyright in any work may be grounds for student discipline. According to Maricopa Community College District administrative regulation, “students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping.”

Moreover, under the Maricopa Community Colleges Computing Resource Standards, a student is prohibited from the “use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights.” The Standards also prohibit “transmitting, storing, or receiving data, or otherwise using computing resources in a manner that would constitute a violation of state or federal law.”

A student who violates these policies, then, can be disciplined at any of the Maricopa Community Colleges. This discipline could include suspension or even expulsion.

**Does copyright law allow me to download files from a college website?**

Thanks to recent changes to copyright law, colleges and universities are allowed to transmit copyrighted images, recordings, and other materials over the Internet in connection with distance learning offerings. These changes allow for the performance of non-dramatic literary works or musical works, as well as the display of “reasonable and limited portions” of any work in an amount comparable to that typically displayed in a live classroom setting. Use of the works must, however, be “an integral part” of the distance-learning class session, and available solely to students enrolled in the class. In addition, the transmission of the copyrighted works must be under the direction or actual supervision of an instructor.

Even though the college does not hold the copyright to these works, or even have the express permission of the copyright holder, they may be delivered over the Internet to students in distance learning classes.

The fact that the law authorizes such use of copyrighted materials, though, does not allow a student in these classes to freely download, copy, or re-transmit the works. They are intended solely for use by the institution in connection with distance instruction; any other use would likely constitute a violation of copyright law.

To learn more about copyright, click “Intellectual Property.” While you’re there, you should read the Maricopa Community Colleges’ Copyright Guidelines. You should also review the complete text of the Computing Resource Standards that can be found under the “Information Technology” link. The Standards also appear in college catalogs and student handbooks.

**Taping Of Faculty Lectures (AR 3.4)**

MCCCD acknowledges that faculty members are, by law, afforded copyright protection in their classroom lectures and, therefore, may limit the circumstances under which students may tape (audio/visual) their classes.

Each faculty member shall inform his/her students within the first week of classes to his/her policy with regard to taping. Failure to do so will accord students the right to tape lectures.

Students with disabilities that render them unable to take adequate lecture notes are entitled to reasonable accommodation to remedy this inability. Accommodation may require a faculty member to exempt a student from his/her taping policy.

**Technology Resource Standards (AR 4.4)**

The Maricopa County Community College District (MCCCD) provides its students, employees, Governing Board members and the public with access to information resources and technologies. MCCCD recognizes that the free exchange of opinions and ideas is essential to academic freedom, and the advancement of educational, research, service, operational, and management purposes is furthered by making these resources accessible.

Arizona constitutional and statutory mandates require that MCCCD resources, including technology, be used only for the public’s business, and not for private purposes. Those mandates apply to all MCCCD public officials—employees of every kind and the Governing Board. The aim of those laws is to safeguard the use of resources, including technology resources, acquired and maintained with public funds. Compliance with other laws—both federal and state—also dictates the need for standards for the use of MCCCD technology resources. In some cases, the Governing Board policies emphasize the importance of compliance with the law such as the requirement to adhere to copyright laws. Governing Board policies also establish MCCCD’s own standards, such as the directive that all persons within the MCCCD community be treated in a manner that is humane, fair, and dignified.

This administrative regulation establishes standards for the use of MCCCD technology resources. They should be seen as supplementing, and not in lieu of, Governing Board
policy, applicable law and other applicable administrative regulations such as Administrative Regulation 4.3, “Electronic Communications.”

General Responsibilities
Technology resources (including, but not limited to, desktop and laptop systems, printers, central computing facilities, MCCCD-wide or college-wide networks, local-area networks, telephones, facsimile machines, scanners, access to the Internet, electronic mail and similar electronic devices and information of MCCCD are available to MCCCD Governing Board members, employees, students and, in a limited number of cases, MCCCD contractors and the public. Use of all those resources is subject to the standards set forth in this regulation (Standards).

The first screen that each MCCCD computer exhibits on starting up advises users of these Standards and requires an acknowledgment before the user may proceed to the next screen. Additionally, all MCCCD employees are responsible for annually acknowledging receipt of the Blue Book, which contains this regulation. So, all users of MCCCD technology resources are presumed to have read and understood the Standards. While the Standards govern use of technology resources MCCCD-wide, an individual community college or center may establish guidelines for technology resource usage that supplement, but do not replace or waive, these Standards.

Use of Non-MCCCD Technology
Under Arizona’s public records law, MCCCD is required to transact business so that its records are accessible and retrievable. The policy underlying the law is that work done in the name of the public be transparent, thus, any member of the public may request public records and, except in a few specific instances, are entitled to get copies of them.

Each individual employee or Governing Board member is responsible for ensuring that MCCCD records that he or she initiates or receives are retained for the period of time required by and disposed of according to mandates established by Arizona State Library, Archives and Public Records – the state agency tasked with setting standards for record retention. Therefore, an employee’s or Governing Board member’s use of non-MCCCD technology resources for communication of any type of MCCCD business is heavily discouraged because those records are less capable of being managed according to MCCCD’s process for ensuring retention, retrieval and disclosure set forth in Administrative Regulation 4.15, “Retrieval, Disclosure and Retention of Records.”

Additionally, an MCCCD employee who receives a communication allegedly from another MCCCD employee using a non-MCCCD e-mail address is not required to respond substantively to that e-mail. The employee receiving the e-mail is entitled to verify that the sender is whom he or she says that he or she is. The employee receiving the e-mail may request that the sender provide the information or inquiry set forth in the e-mail via hard-copy form.

Acceptable Use
Use of MCCCD’s technology resources, including websites created by MCCCD employees and students, is limited to educational, research, service, operational, and management purposes of MCCCD and its member institutions. Likewise, data, voice, images and links to external sites posted on or transmitted via MCCCD’s technology resources are limited to the same purposes.

Frequently, access to Maricopa’s technology resources can be obtained only through use of a password known exclusively to the MCCCD employees, Governing Board members, or students. It is those users’ responsibility to keep a password confidential. While MCCCD takes reasonable measures to ensure network security, it cannot be held accountable for unauthorized access to its technology resources by other persons, both within and outside the MCCCD community. Moreover, it cannot guarantee employees, Governing Board members, and students protection against reasonable failures.

Finally, under certain limited circumstances defined in Administrative Regulation 4.15, “Retrieval, Disclosure and Retention of Records,” certain MCCCD employees are authorized to access information on an MCCCD technology device.

It is not Maricopa’s practice to monitor the content of electronic mail transmissions, files, images, links or other data stored on or transmitted through Maricopa’s technology resources. The maintenance, operation and security of Maricopa’s technology resources, however, require that network administrators and other authorized personnel have access to those resources and, on occasion, review the content of data and communications stored on or transmitted through those resources. A review may be performed exclusively by persons expressly authorized for such purpose and only for cause. To the extent possible in the electronic environment and in a public setting, a user’s privacy will be honored. Nevertheless, that privacy is subject to Arizona’s public records laws and other applicable state and federal laws, as well as policies of Maricopa’s Governing Board all of which may supersede a user’s interests in maintaining privacy in information contained in Maricopa’s technology resources.
Prohibited Conduct
Limited incidental personal use of MCCCD technology resources including through use of personal e-mail systems is permitted, except as described in item 16 under “prohibited conduct.” MCCCD employees are responsible for exercising good judgment about personal use in accordance with this regulation, local Colleges’ consistent local guidelines and MCCCD ethical standards. Personal use refers to activities which only affect the individual and that are not related to an employee’s outside business. MCCCD employees are required to conduct themselves in a manner which will not raise concern that they are or might be engaged in acts in violations of the public trust. Refer to the Guidelines for Incidental Computer Usage for the Maricopa Community Colleges (Appendix AS-8) and Guidelines for Incidental Telephone Usage for the Maricopa Community Colleges (AS-9).

Prohibited Conduct
The following is prohibited conduct in the use of MCCCD’s technology resources:

1. Posting to the network, downloading or transporting any material that would constitute a violation of MCCCD contracts.
2. Unauthorized attempts to monitor another user’s password protected data or electronic communication, or delete another user’s password protected data, electronic communications or software, without that person’s permission.
3. Installing or running on any system a program that is intended to or is likely to result in eventual damage to a file or computer system.
4. Performing acts that would unfairly monopolize technology resources to the exclusion of other users, including (but not limited to) unauthorized installation of server system software.
5. Hosting a website that violates the .EDU domain request.
6. Use of technology resources for non-Maricopa commercial purposes, including to advertise personal services, whether or not for financial gain.
7. Use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights.
8. Activities that would constitute a violation of any policy of Maricopa’s Governing Board, including, but not limited to, Maricopa’s non-discrimination policy and its policy against sexual harassment.
9. Transmitting, storing, or receiving data, or otherwise using technology resources in a manner that would constitute a violation of state or federal law, or MCCCD policy or administrative regulation including, but not limited to, obscenity, defamation, threats, harassment, and theft.
10. Attempting to gain unauthorized access to a remote network or remote computer system.
11. Exploiting any technology resources system by attempting to prevent or circumvent access, or using unauthorized data protection schemes.
12. Performing any act that would disrupt normal operations of computers, workstations, terminals, peripherals, or networks.
13. Using technology resources in such a way as to wrongfully hide the identity of the user or pose as another person.
14. Allowing any unauthorized access to Maricopa’s technology resources.
15. Making personal long distance or other toll calls, except where the charges for the calls are incurred directly by the caller or arrangements are otherwise made at the time of the call to directly bill the caller.
16. Intermittent use of technology resources that interferes with the performance of an employee’s main responsibilities.
17. Use of technology resources to market or conduct other activities on behalf of a third party regarding the “hosting” of an event that is prohibited under MCCCD’s Use of college Facilities administrative regulation.
18. Conducting District or college-related business using any electronic mail account other than one hosted or provided by MCCCD, and approved by the Vice Chancellor of Information Technology Services, even when the email account copies all outgoing and incoming messages to the MCCCD hosted account.
19. Deleting or altering a technology public record in violation of public records retention requirements, or in anticipation of receiving or after receipt of a public records request, subpoena, or a complaint filed as part of an MCCCD grievance, investigation or review or other lawful request for the record.
20. Deleting or altering a technology record on an MCCCD device in anticipation or after receipt of a public records request, subpoena, or a complaint filed as part of an MCCCD grievance, investigation or review, or other lawful request for the record where the record may demonstrate a misuse of technology resources under this regulation.

Review and Approval of Alternate E-Mail Account Systems
The prior review and approval by the Vice Chancellor of Information Technology Services is required for the implementation of alternate college electronic mail account systems. Requests will be evaluated based upon the following considerations:
MCCCD POLICIES AND PROCEDURES

1. The system must be compatible and interoperable with the MCCCD e-mail system. All information within the e-mail system must meet the standards and authorize District Office access as specified in Administrative Regulation 4.15, “Retrieval, Disclosure and Retention of Records.”

2. Any proposed changes to an MCCCD’s entity’s e-mail system with e-discovery implications must be approved in advance during the planning stages as specified in Administrative Regulation 4.15, “Retrieval, Disclosure and Retention of Records.”

Disclaimer
The home page of a website must display, or link to, the following disclaimer in a conspicuous manner:

All information published online by MCCCD is subject to change without notice. MCCCD is not responsible for errors or damages of any kind resulting from access to its Internet resources or use of the information contained therein. Every effort has been made to ensure the accuracy of information presented as factual; however errors may exist. Users are directed to countercheck facts when considering their use in other applications. MCCCD is not responsible for the content or functionality of any technology resource not owned by the institution.

The statements, comments, or opinions expressed by users through use of Maricopa’s technology resources are those of their respective authors, who are solely responsible for them, and do not necessarily represent the views of the Maricopa County Community College District.

Information Accuracy and Marketing Standards
In order to help ensure that the most accurate information sources are reflected on web pages, information should be cited, sourced or linked from the website of the official District or college custodian responsible for the particular subject. In addition, the design of web pages shall reflect established marketing standards with respect to the imaging and using of MCCCD marks as outlined in the marketing standards handbook and Use of Marks administrative regulation.

Complaints and Violations
Complaints or allegations of a violation of these standards will be processed through Maricopa’s articulated grievance procedures or resolution of controversy.

Upon determination of a violation of these standards, Maricopa may unilaterally delete any violative content and terminate the user’s access to Maricopa’s technology resources. It is the user’s responsibility to demonstrate and/or establish the relevance of content in the event that a content complaint is made official. Users retain the right to appeal through Maricopa’s grievance procedures or resolution of controversy.

Hazing Prevention Regulation (AR 2.6)
The Maricopa County Community College District (MCCCD) strives to exceed the changing expectations of our many communities for effective, innovative, student-centered, flexible and lifelong educational opportunities. Our employees are committed to respecting diversity, continuous quality improvement and the efficient use of resources. We are a learning organization guided by our shared values of: education, students, employees, excellence, diversity, honesty and integrity, freedom, fairness, responsibility and public trust.

Central to the vitality and dignity of our community of learners is an environment that produces broadly educated responsible citizens, who are prepared to serve and lead in a free society. Academic instruction, co-curricular activities and community involvement come together to meet this goal. All members of the Maricopa Community Colleges’ community, through the best of their abilities, must be provided the opportunity to contribute in a safe, orderly, civil and positive learning environment. One factor that inhibits the achievement of the above stated purpose is the practice of hazing.

1. Haz ing by any student, employee or other person affiliated with the Maricopa Community Colleges is prohibited.

2. “Hazing” is defined as any intentional, knowing or reckless act committed by a student or other person in any MCCCD college or affiliated educational setting, whether individually or in concert with other persons, against another student, and in which both of the following apply:

A. The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any club/ organization that is affiliated with Maricopa Community Colleges; and,

B. The act contributes to a substantial risk of potential physical injury, mental harm or personal degradation, or causes physical injury, mental harm or personal degradation.

3. Any solicitation to engage in hazing is prohibited.

4. Aiding and abetting another person who is engaged in hazing is prohibited.

5. Victim consent is not a defense for violation of the Maricopa Community Colleges Hazing Prevention Regulation.

6. All students, faculty, and staff must take reasonable measures within the scope of their individual authority to prevent violations of the Maricopa Community Colleges Hazing Prevention Regulation.

7. Hazing activities and situations include, but are not limited to, the following:
A. Pre-pledging, illegal pledging or underground activities.
B. Acts of mental and physical abuse, including, but not limited to: paddling, slapping, kicking, pushing, yelling, biting, duck-walking, line-ups, tuck-ins, belittling, excessive exercise, beating or physical abuse of any kind, and the potentially forced consumption of any food or beverage that contributes to or causes physical injury, mental harm, or personal degradation.
C. Sleep deprivation (activities that deprive prospective and/or current students and/or members of the opportunity of a minimum of six hours sufficient sleep each day).
D. Encouraging or forcing use of alcohol or drugs.
E. Any type of student club/organization scavenger hunt, quest, road trip or activity that would physically or psychologically endanger prospective and/or current students and/or members or others.
F. Stroking or physically touching in an indecent or inappropriate manner. See Sexual Harassment policy 5.1.8
G. Student club/organization activities that subject prospective and/or current students and/or members or others to public nuisance or spectacle.
H. Aiding or abetting theft, fraud, embezzlement of funds, destruction of public, personal or private property, or academic misconduct.
I. Being required to wear odd or look-alike apparel that contributes to or causes physical injury, mental harm, or personal degradation.
J. Personal services that contribute to or cause physical injury, mental harm, or personal degradation.

8. Alleged violations of this regulation by students or student organizations can be reported to the vice president of student affairs’ office for investigation by any member of the college community. The vice president of student affairs’ office will investigate the complaint in accordance with college and Maricopa Community Colleges policies, and local and state laws. Any Maricopa Community Colleges faculty or staff member who knowingly permitted, authorized or condoned the alleged hazing activity is subject to disciplinary action in accordance with college and Maricopa Community Colleges policies, and local and state laws.

9. Alleged violations of the Maricopa Community Colleges hazing prevention regulation by any faculty or staff member can be reported to the vice president of student affairs’ office for investigation by any member of the college community. The vice president of student affairs’ office will investigate the complaint in accordance with college and Maricopa Community Colleges policies, and local and state laws. Any Maricopa Community Colleges faculty or staff member who knowingly permitted, authorized or condoned the alleged hazing activity is subject to disciplinary action in accordance with college and Maricopa Community Colleges policies, and local and state laws.

10. If the vice president of student affairs’ office receives a report or complaint of an alleged hazing activity involving physical injury, threats of physical injury, intimidation, harassment or property damage, or any other conduct that appears to violate Arizona state law, the college will report such conduct to the appropriate college safety office. The said college safety office will investigate, respond to and report on the alleged hazing activity in accordance with all college, district, local, state and federal guidelines, policies and laws.

11. Should the proceedings outlined above substantiate an occurrence of hazing activity—where students or student organizations knowingly permitted, authorized, or condoned the hazing activity—the college can recommend the following sanctions against student clubs/organizations:
A. Censure: Censure can include the required completion of a program designed with the intent of eliminating the hazing activity. The programs will be devised with the cooperation of all involved parties and monitored by the vice president of student affairs’ office.
B. Probation: The student club(s)/organization(s) will be placed on probation for a specified period of time. Conditions of probation will be determined by the vice president of student affairs’ office and outlined in writing to the student club(s)/organization(s). The probationary term will be monitored by the vice president of student affairs’ office.
C. Suspension: The student club(s)/organization(s) will be suspended. The terms of the suspension can be defined in the sanction, including criteria the student club(s)/organization(s) must meet within a specified time to be considered for admission or renewal of college recognition status.
D. Revocation: The student club(s)/organization(s) will have its status revoked, with the loss of all college associations, recognitions and privileges. The national or international office of an organization, if so affiliated, will be requested to revoke the charter of an organization.

12. The Maricopa Community Colleges hazing prevention regulation is not intended to prohibit or sanction the following conduct:
   A. Customary athletic events, contests, or competitions that are sponsored by any of the Maricopa Community Colleges.
   B. Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate co-curricular experience, or a legitimate military training program.

13. For the purposes of the Maricopa Community Colleges hazing prevention regulation:
   “Organization” is defined as an athletic team, association, order, society, corps, cooperative, club, or other similar group that is affiliated with Maricopa Community Colleges, whose membership consists primarily of students enrolled at Maricopa Community Colleges and that may also be classroom-related or co-curricular in nature.

Abuse-Free Environment (AR 2.4.7)
See the AUXILIARY SERVICES Section of the Administrative Regulations for Tobacco-Free Environment.

1. Substance Abuse/Misuse Statement
Drug abuse and misuse has become a national issue and is receiving national attention, particularly in the academic community. The insidious effects of the abuse of these agents are also felt by all walks of life and economic levels. Therefore, as an education providing institution, we are responsible to provide knowledge and guidelines about prevention, control, and treatment of the abuse/misuse of alcohol, illegal and legal drug uses, and misuses. Annual acknowledgments for students and employees are provided through the online messaging accounts.

Students who experiment with drugs, alcohol, and illegal substances or use them recreationally may develop a pattern of use that leads to abuse and addiction. Maricopa Community Colleges recognized drug and alcohol abuse as an illness and a major health problem as well as a potential safety and security issue.

Part of the educational mission of the Maricopa Community Colleges, is to educate students about positive self-development, the benefits of a healthy lifestyle and the health risks associated with substance abuse. This mission closely aligns with the drug-free school and communities act of 1989, and other relevant substance abuse laws.

2. Student Program to Prevent Illicit Use of Drugs and Abuse of Alcohol
The Maricopa Community College District fully supports disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse, apossession or distribution of controlled substances or illegal drugs.

   A. Introduction and Purpose
   The Federal Drug-Free Schools and Communities Act of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the administration and Governing Board recognize that substance abuse is a problem of national proportions that also affect students at the Maricopa Community Colleges.

   The Maricopa Community Colleges are committed to maintaining learning environments that enhance the full benefits of a student’s educational experience. The Maricopa County Community College District will make every effort to provide students with optimal conditions for learning that are free of the problems associated with the unauthorized use and abuse of alcohol and drugs.

   B. Standards of Conduct
   In the student handbooks of the Maricopa Community Colleges under codes of conduct, the following are examples of behavior that is prohibited by law and/or college rules and policies:
   1) Drinking or possession of alcoholic beverages on the college campus.
   2) Misuse of narcotics or drugs.

   C. Sanctions for Violation of Standards of Conduct
   Disciplinary actions include, but are not limited to:
   1) Warning,
   2) Loss of privileges,
   3) Suspension, or
   4) Expulsion.

   D. Legal Sanctions
   Local, state, and federal law prohibit the unlawful possession, use or distribution of illicit drugs and alcohol. Conviction for violating these laws can lead to imprisonment, fines, probation, and/or assigned community service. Persons convicted of a drug - and/or alcohol related offense will be ineligible to receive federally funded or subsidized grants, loans, scholarships, or employment.
Any employee is subject to disciplinary action, up to and including employment termination, for any of the following: reporting to work under the influence of alcohol and/or illegal drugs or narcotics; the sale, dispensing, or possession of alcohol and/or illegal drugs or narcotics on MCCCD premises, while conducting MCCCD business, or at any time which would interfere with the effective conduct of the employee’s work for the MCCCD; and use of illegal drugs.

E. MCCCD Program Standards

The Maricopa Community College District is committed to establishing a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances. A main focus of the program will be on education of the campus community and assistance to individuals.

Identify a key individual, at each college, to provide emergency services and/or to contact and work with outside agencies that provide drug and alcohol counseling, treatment or rehabilitation programs that may be available to students and employees.

Support disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse, possession or distribution of controlled substances or illegal drugs.

Establish a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances.

3. Alcoholic Beverages-Usage Regulation (AR 4.13)

This Administrative Regulation prohibits the use of District funds to purchase alcoholic beverages or services related to them except in small amounts to be used in cooking for the District’s culinary programs. Additionally, it generally prohibits the presence of alcoholic beverages on premises owned by the District, or those leased or rented by the institution. It permits a few, narrow exceptions to that latter prohibition. The exceptions are not available to the general population of District employees or officials. More importantly, they are established to ensure that the District’s actions stay within the boundaries of state law and the District’s insurance coverage. Therefore, strict compliance with this regulation is essential.

A. No Funds.

No funds under the jurisdiction of the governing board of the District may be used to purchase alcoholic beverages, except for the limited purposes of purchasing small amounts of them for use solely as ingredients in food preparation for classes and at the District’s culinary institutes. Alcoholic beverages may not be stored on premises owned, leased, or rented by MCCCD except as provided in Paragraph 8.

B. No Service or Sale of Alcoholic Beverages.

The law of the state of Arizona strictly regulates the service, sale, distribution and consumption of alcoholic beverages. In light of that law, the District does not permit alcoholic beverages to be served, sold or distributed on or in the premises owned by the District or leased or rented by the Maricopa Community Colleges for District-approved educational, fund-raising or other community purposes, except as provided in Paragraphs 3 and 7.

C. Service at District Events on District-owned Property.

The Chancellor has the sole authority to approve the service, but not the sale or other distribution, of wine or beer at District events on district-owned property that the Chancellor either sponsors or approves. The only District employees authorized to request the Chancellor’s approval are the College Presidents and the Vice Chancellors. Additionally, the law strictly limits the service of wine or beer by the District on District-owned property, and those restrictions are specified in Paragraph 5. Unless approved by the Chancellor in compliance with the law and this regulation, alcoholic beverages may not be served on District-owned property.

D. Event Form Required

A College President or Vice Chancellor who wishes to obtain the Chancellor’s approval for the service of wine or beer at a District-sponsored event on District-owned property shall forward a completed written request to the Chancellor no later than 30 days before the event. The request form is available at: AS-6 - Notice of Intent to Serve Beer and Wine. On signing the form, the Chancellor will provide a copy of it to the requestor and to the MCCCD Risk Manager. For events that the Chancellor sponsors, he or she will complete the form, sign it, and provide it to the MCCCD Risk Manager no later than 10 business days before the event. The MCCCD Risk Manager will forward copies of the forms to the Arizona Department of Liquor Licenses and Control.

E. Service restrictions required by law.

An event approved under Paragraph 4 must, by law, comply with all of the following restrictions:

1. The only alcoholic beverages that may be served and consumed are wine and beer. Wine consumption is limited to 6 oz. per person, and beer consumption is limited to 24 oz;
2. The gathering must be by invitation only, and not open to the public;
3. The gathering may not exceed 300;
4. Invitees may not be charged any fee for either the event or the beer or wine; and
5. The consumption may only take place between noon and 10:00 p.m.

Additionally, beer and wine may only be served by a beverage service contractor whose liquor license with the state of Arizona is in good standing, except as provided in Paragraph 6. The contractor must provide all of the beverages served and as well as the servers or bartender. Before the event, the contractor must provide a certificate of insurance that meets the requirements of the District’s Risk Manager and that adds the District as an additional insured. The contractor must also agree in writing to indemnify the District regarding the service of the beverages.

F. Culinary Institutes.
The Chancellor may sponsor or approve an event at one of the District’s culinary institutes. Students may serve wine and beer at the event as part of their class requirements, subject to the limitations of Paragraph 5. Any student serving those beverages must, by law, be 19 years or older.

G. Third-Party Event.
The Maricopa County Community College District foundation and the Friends of Public Radio Arizona may, with the approval of the Chancellor, sponsor an event on District-owned property under this regulation. The City of Phoenix and the Friends of the Phoenix Public Library may also do so, with the approval of the Chancellor, at the joint library on the campus of South Mountain Community College. These third-party, non-district entities are solely responsible for determining the steps that they are required to take to comply with Arizona’s alcoholic beverages laws. Additionally, they must comply with the following steps:
1. The entity obtains a liquor license from the Arizona Department of Liquor Licenses and control for each event and fully complies with the laws, rules and other requirements applicable to that license;
2. The entity completes the form available at AS-7 - Request to Serve Beer and Wine - Third Party. And provides it to the Chancellor for approval along with a copy of the liquor license no later than 60 days before the event;
3. The entity provides a certificate of insurance demonstrating that it has liquor liability coverage and that it adds the District as an additional insured;
4. The entity agrees in writing to indemnify the District from any claims of any kind arising out of the event;
5. Beer and wine are the only alcoholic beverages served and only served through a beverage service contractor whose liquor license with the state of Arizona is in good standing;
6. The contractor provides all of the beverages served and as well as the servers or bartenders;
7. Before the event, the contractor provides a certificate of insurance that meets the requirements of the District’s Risk Manager and that adds the District as an additional insured; and
8. The contractor agrees in writing to indemnify the District regarding the service of the beverages.

H. Receipt of beverages; storage.
It is not permissible to store wine or beer on premises owned, leased, or rented by MCCCD, except as provided in this paragraph. Alcoholic beverages purchased for use in cooking in District culinary courses must be stored in such a way that it is inaccessible to anyone except the Director or designee of the culinary program. For wine and beer to be used for receptions at the district’s culinary institutes, as authorized by this administrative regulation, the following storage requirements apply:
1. Wine and beer to be served may only be brought to MCCCD property no sooner than four hours prior to the event, and remain there no longer than four hours after the event; and
2. Once the wine and beer arrives on MCCCD property, the Director of the culinary program shall assign an MCCCD employee to ensure that it is not stolen or that it is not opened until ready to be served.

I. Compliance with law.
In compliance with applicable law, any persons planning an event under this administrative regulation are required to familiarize themselves with the pertinent laws and other requirements established by the state of Arizona for the service of alcoholic beverages, particularly those in Arizona Revised Statutes Title 4 (Alcoholic Beverages) Chapters 1 (General Provisions), 2 (Regulations and Prohibitions) and 3 (Civil Liability of Licensees and Other Persons) as well as Arizona Administrative Code Title 19, Articles 1 (State Liquor Board) and 3 (Unlicensed Premises Definitions and Licensing Time-Frames).
J. Residential Housing.

Lawful occupants of residential housing under the jurisdiction of the Governing Board, if over the age of 21 years and not otherwise lawfully barred from such practice, may possess and consume alcoholic beverages in the privacy of their respective leased housing facility. Guests of such occupants over the age of 21 years shall have the same privilege. No alcohol is permitted in public areas (nor common areas of a dormitory) at any time.

K. Personal Responsibility.

The personal or individual purchase of alcoholic beverages by individuals attending District-approved functions held in places serving alcoholic beverages is a personal and individual responsibility. Administrative discretion shall be exercised in the approval of the location of such activities, as such decision pertains to the nature of the group involved.

L. Miscellaneous Usage Issues.

Any issues that are not specifically addressed within this regulation require the review and determination by the Chancellor or Executive Vice Chancellor and Provost on matters related to culinary programs, academic or student affairs.

Other Health Concerns

General Guidelines Concerning AIDS

Neither a diagnosis of AIDS nor a positive HIV antibody test will be part of the initial admission decision for those applying to attend any of the Maricopa Community Colleges. The Maricopa Community Colleges will not require screening of students for antibody to HIV.

Students with AIDS or a positive HIV antibody test will not be restricted from access to student unions, theaters, cafeterias, snack bars, gymnasiums, swimming pools, recreational facilities, restrooms, or other common areas, as there is no current medical justification for doing so.

Where academically and logistically feasible, students who have medical conditions, including AIDS, may seek accommodation in order to remain enrolled. Medical documentation will be needed to support requests for accommodation through the Office of Disabled Resources and Services or the Office of Vice President of Student Affairs.

The Maricopa Community Colleges acknowledge the importance of privacy considerations with regard to persons with AIDS. The number of people who are aware of the existence and/or identity of students who have AIDS or a positive HIV antibody test should be kept to a minimum. When a student confides in a faculty member, knowledge of the condition should be transmitted to the appropriate vice president or designee who will make the determination if the information should be further disseminated. It should be remembered that mere exposure to the person in a classroom does not constitute a need to know the diagnosis. It is, therefore, unnecessary to document in a student’s file the fact that he or she has AIDS unless the information is to be used for accommodation reasons. Sharing confidential information without consent may create legal liability.

Students are encouraged to contact the Office of Disabled Resources and Services and/or the vice president of student affairs or designee for the types of services available in the district or community on matters regarding AIDS or the HIV virus.

Smoke-Free/Tobacco-Free Environment (AR 4.12)

The Maricopa County Community College District is dedicated to providing a healthy, comfortable, and educationally productive environment for students, employees, and visitors. In order to promote a healthy learning and work environment, the Chancellor has directed that the Maricopa County Community College District serve as a total smoke free and tobacco free environment, effective July 1, 2012. Smoking (including the use of “e-cigs”) and all uses of tobacco shall be prohibited from all District owned and leased property and facilities, including but not limited to parking lots, rooftops, courtyards, plazas, entrance and exit ways, vehicles, sidewalks, common areas, grounds, athletic facilities, and libraries.

Support signage prohibiting the use of smoking instruments and tobacco shall be placed throughout all college and District locations.

Continued violations by and employee or student shall be handled through the respective conduct procedures established for employees and students.

Statement On The Arizona Medical Marijuana Act (Proposition 203) (APPENDIX S-16)

In 2010, Arizona voters approved the Arizona Medical Marijuana Act (Propositions 203), a state law permitting individuals to possess and use limited quantities of marijuana for medical purposes. Because of its obligations under federal law, however, the Maricopa Community Colleges will continue to prohibit marijuana possession and use on campus for any purpose.

Under the Drug Free Workplace Act of 1988, and the Drug Free Schools and Communities Act of 1989, “… no institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal program, including participation in any
federally funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and abuse of alcohol by students and employees.” Another federal law, the Controlled Substances Act, prohibits the possession, use, production, and distribution of marijuana for any and all uses, including medicinal use. This law is not affected by the passage of the Arizona Medical Marijuana Act. Because Maricopa Community Colleges could lose its eligibility for federal funds if it fails to prohibit marijuana, it is exempt from the requirements of the Arizona Medical Marijuana Act. Therefore, Maricopa Community Colleges will continue to enforce its current policies prohibiting the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on its property or as part of any of its activities.

Employees and students who violate Maricopa Community Colleges policy prohibiting the use or possession of illegal drugs on campus will continue to be subject to disciplinary action, up to and including expulsion from school and termination of employment.

Eligibility For Accommodations & Required Disability Documentation (AR 2.8.1)

Purpose
To specify the disability documentation requirements that will qualify (i.e., support current and essential needs) Maricopa County Community College District students for reasonable and appropriate academic adjustments through each college’s Disability Resources and Services (DRS) office or designated professional.

General Eligibility Requirements
DRS applicants must be admitted or enrolled as an MCCCD student, and must provide the Disability Resources and Services (DRS) office with qualifying disability documentation, verifying the nature and extent of the disability prior to requesting or receiving any academic adjustment.

Who Is Eligible For Services?
To be eligible for DRS support services, a student must have a disability as it is defined by federal law (section 504 of the 1973 Rehabilitation Act, the Americans with Disabilities Act OF 1990 (ADA), and the Americans with disabilities act amendments ACT of 2008 (ADAAA)).

Definitions:
• Disability: A disability is any physical or mental condition WHICH causes substantial limitation to the ability to perform one or more major life activities.
• Academic adjustment: an academic adjustment is a modification of a non-essential academic requirement, an examination, or an institutional rule that is necessary to avoid discriminating on the basis of handicap against qualified students with disabilities. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific course required for the completion of degree requirements, and adaptation of th emaner in which specific courses are conducted.

** Documentation can be transferred within MCCCD for current consideration for eligibility.
** DETERMINATION MADE by another institution or organization does not guarantee eligibility.

Special Considerations
Any employee who receives a request for academic adjustment must refer the student to the DRS office. The DRS office alone is responsible for evaluating documentation and determining eligibility and academic adjustments. All situations shall be considered on an individual, case-by-case basis, and all requests for academic adjustments from qualified students with a disability shall be considered by DRS. DRS may exercise its right to require additional documentation.

Academic adjustments ar determined by the DRS office through an interactive exchange with the eligible student. The DRS office will give priority to the request of the student, but will also consider the instructor’s perspective when it is offered. The interactive exchange may continue during the course of the year, and the DRS may made reasonable alterations in approved academic adjustments based on input from the student and the faculty member. Academic adjustment determined by the DRS office are required except when the institution subsequently determines that an adjustment would alter an academic requirement that essential to the instruction being pursued by the student, or to a directly licensing requirement. MCCCD is not required to provide “best” or “most desired” accommodations but rather a reasonable accommodation sufficient to meet accessibility needs.

In the event the instructor believes the modification determined by drs would alter an academic requirement that is essential to the instruction being pursued by the student, or to a directly related licensing requirement, the instructor will first meet with the director of the drs office within three working days of receipt of the determination and attempt to resolve the issue informally. If the faculty member’s concern remains unresolved, within three days of the above meeting he or she may submit a written request to the college’s chief academic officer (or a comparably qualified administrator designated by the college president) for his or her academic judgment on the question.
Any change in the drs office’s initial recommendation resulting from the above meeting or the chief academic officer’s decision will be communicated to the student by the drs office. The interactive exchange with the student will continue in an effort to achieve a mutually satisfactory outcome.

If a student is not satisfied with the academic adjustment provided, he or she may file a complaint under the discrimination complaint procedures for students. In such cases, the vice president for student affairs will assign an investigator whose qualifications and experience include curriculum development and educational accommodations for students with disabilities.

In all cases in which academic adjustments are in controversy, whether as a student discrimination complaint or a faculty member’s appeal to the chief academic officer, the ultimate decision will be informed by consultation with the duly appointed faculty representatives who serve in the development of the curriculum for the institution and the program. The committee will study the requested academic adjustment and alternatives, their feasibility, cost and effect on the academic program, and come to a rationally justifiable conclusion as to whether the available alternatives would result either in lowering academic standards or requiring substantial program alteration. This conclusion will be submitted in writing to the chief academic officer, who will consult with the vice chancellor and the office of general counsel before making the final determination.

Nothing in this policy prohibits a faculty member from making minor, commonsense alterations in the manner in which a course is presented. A student who asks the instructor to change the color of chalk used because he is colorblind may be so accommodated without registering with dso. However, the faculty member must report making such accommodations to dso.

**Documentation Guidelines**

Students requesting accommodations must provide documentation of their disability. Documentation consists of an evaluation prepared by a trained and qualified professional that identifies:

- current level of functioning
- current documentation
- all standardized testing must use adult-normed instruments
- age of the documentation may vary for some disabilities, provided the presence of a substantial limitation(s) is adequately established
- how the disability impacts the student’s learning
- contain information supportive of the student’s request for specific academic support, auxiliary aids, and accommodations

**Specific Eligibility Requirements**

1. **Physical Learning Disabilities**
   A. **Required Documentation**
      SUBMIT a written, current diagnostic report of any physical disabilities that are based on appropriate diagnostic evaluations administered by trained and qualified (i.e., certified and/or licensed) professionals (e.g., medical doctors, ophthalmologists, neuropsychologists, audiologists). Disability diagnosis categories include, BUT NOT LIMITED TO:
      i. Orthopedic Disability
      ii. Blind or Visual Impairment
      iii. Deaf or Hard-of-Hearing
      iv. Traumatic Brain Injury
      v. Other Health-Related/Systemic Disabilities
   B. **Diagnostic Report**
      The Written Diagnostic Report Must Include:
      i. A clear disability diagnosis, history AND the date of diagnosis.
      ii. A description of any medical and/or behavioral symptoms associated with the disability.
      iii. Medications, dosage, frequency, and any adverse side effects attributable to use.
      v. A recommendation for accommodation(s).

2. **Specific Learning Disabilities**
   A. **Required Documentation**
      Submit a written diagnostic report of specific learning disabilities that is based on AGE appropriate, comprehensive, psycho-educational evaluations, using adult-normed instruments.
      The assessment or evaluation which leads to the diagnosis must be administered by a trained and qualified (i.e., certified and/or licensed) professional (e.g., psychologist, school psychologist, neuropsychologist, or educational diagnostician) who has had direct experience with adolescents and adults with learning disabilities.
      An appropriate Psycho-Educational Evaluation must include comprehensive measures in each of the following areas:
      i. Aptitude evaluation must contain a complete intellectual assessment, with all sub-tests and standard scores reported.
      Examples of Measures (INCLUDING BUT NOT LIMITED TO):
1. Wechsler Adult Intelligence Scale (WAIS-R)
2. Stanford Binet Intelligence Scale
3. Woodcock-Johnson Psycho-Educational Battery
4. Kaufman Adolescent And Adult Intelligence Test

ii. Academic Achievement: evaluation must contain a comprehensive achievement battery with all sub-tests and standard scores reported. The test battery should include current levels of functioning in the relevant area(s)
EXAMPLES OF Achievement (INCLUDING BUT NOT LIMITED TO):
1. Wechsler Individual Achievement Tests (WIAT)
2. Woodcock-Johnson Psycho-Educational Battery
3. Stanford Test of Academic Skills (TASK)
4. Scholastic Abilities Test for Adults (SATA)

iii. Information Processing: evaluation should assess specific information processing areas such as short and long-term memory, sequential memory, auditory and visual perception/processing, processing speed, executive function, and motor ability.
EXAMPLES OF Achievement (INCLUDING BUT NOT LIMITED TO):
1. Wechsler Individual Achievement Tests (WIAT)
2. Woodcock-Johnson Psycho-Educational Battery
3. Stanford Test of Academic Skills (TASK)
4. Scholastic Abilities Test for Adults (SATA)

B. Diagnostic Report
The diagnostic report must include the following information:

i. A diagnostic interview that addresses relevant historical information, past and current academic achievement, instructional foundation, past performance in areas of difficulty, age at initial diagnosis, and history of accommodations used in past educational settings and their effectiveness.

ii. A list of all instruments used in the test battery.

iii. Discussion of test behavior and specific test results.

iv. A diagnostic summary OR statement with the following information:

1. DSM-IV, INCLUDING ALL FIVE AXES.
2. A clear and direct statement that a learning disability does or does not exist, including a rule-out of alternative explanations for the learning problems. Terms such as “appears,” “suggests,” or “probable” used in the diagnostic summary statement do not support a conclusive diagnosis.
3. A clear statement specifying the substantial limitations to one or more major life activities.

4. A psychometric summary of scores.
5. A recommendation for accommodations, including rationale.

Diagnosis of specific learning disabilities that do not contain psycho-educational measures may not be SUFFICIENT for determining eligibility for academic accommodations. For example, school plans such as individualized education plans (IEPS) or 504 plans MAY NOT BE SUFFICIENT documentation. DRS reserves the right to request reassessment when questions regarding previous assessment or previous service provision arise.

3. Attention Deficit Hyperactivity Disorder (ADHD) / Attention Deficit Disorder (ADD)

A. Required Documentation
Submit a current diagnosis of Attention Deficit Hyperactivity Disorder (ADHD)/Attention Deficit Disorder (ADD) that is based on appropriate diagnostic evaluations.

B. Diagnostic Report
Acceptable documentation must include:

i. DSM-IV diagnosis (including all five axes)

ii. A summary or statement WHICH includes the following information:

iii. A clear summary or statement specifying evidence of behavior that significantly impairs functioning including degree of severity.

iv. A recommendation for accommodations, including rationale

4. Psychological/PSYCHIATRIC Disabilities

A. Required Documentation
Disability diagnosis categories may include, but are not limited to:

i. Depression and/or Bipolar disorder
ii. Generalized Anxiety Disorders
iii. Post Traumatic Stress Disorder
iv. Psychotic Disorders
v. Autism spectrum Disorder

B. Diagnostic Report
If the diagnostic report is not current, a letter from a qualified professional that provides an update of the diagnosis may be requested.
Diagnostic Report Must Include The Following:

i. A diagnostic summary or statement that includes the following:

ii. A clear summary of statement that a disability does or does not exist.

iii. A clear summary or statement specifying evidence of behavior that significantly impairs functional including degree of severity.
iv. A discussion of medications and their possible impact on academic functioning

5. Neurological Disorders
   A. Required Documentation
      Disorders of the central and peripheral nervous system, including but not limited to:
      i. Acquired Brain Injury/Traumatic Brain Injury
      ii. Epilepsy/Seizure Disorder
      iii. Stroke

   B. Diagnostic Report
      Written statement of diagnosis:
      i. Current functional limitations
      ii. Information regarding current symptoms
      iii. Information regarding prescribed medication(s) and possible side effect and impact on student academic performance
      iv. Restrictions on activities imposed by the condition
      v. Where learning has been affected, a recent neuropsychological evaluation is requested

6. Temporary Disabling Conditions
   i. Required Documentation
      Temporary disabling conditions as a result of surgery, accident, or serious illness may require accommodations for a limited time. Acceptable documentation must include:
      ii. Written statement of diagnosis
      iii. List of current symptoms and degree of severity
      iv. Information regarding functional limitations and impact within an academic environment
      v. Medications and possible side effects
      vi. Duration of symptoms and estimated length of time services will be needed

Eligibility Of Students Taking Reduced Course Loads (AR 2.8.2)

Although any student may register for fewer than twelve credit hours, a student with a disability may request a reduced academic load as a reasonable and appropriate accommodation. A college Disability Resource Services (DRS) professional may certify that a student who is afforded a reduced academic load as an accommodation for a disability shall nevertheless be deemed a full-time student. Such certification shall be solely to enable the student to seek eligibility for health insurance benefits and to seek eligibility to comply with mandates of the National Junior College Athletic Association. The college DRS professional will certify that a student may be deemed a full-time student as provided under this regulation only on a semester-by-semester basis.

The appropriate college offices will receive documentation of the DRS professional’s certification from the professional or the student. An incoming student may apply for such certification upon acceptance to the college. Requests for certification must be made prior to the beginning of each semester. Every attempt will be made to accommodate these requests.

The following criteria also apply:

1. Students taking a reduced course load must register for at least 6 credit hours (based on DRS approval) during the regular fall and spring semesters. It is recommended that students register for at least three (3) credit hours during the summer to offset the impact of academic eligibility.
2. Students taking a reduced course load must maintain satisfactory academic progress standards as defined by the College catalog.
3. The reduced credit load may result in an adjusted financial aid package. There may be additional ramifications including, but not limited to, extra time to complete college, insurance coverage, Vocational Rehabilitation funding, etc.
4. Eligibility for Federal Stafford Loans may be reduced according to the total number of credit hours taken in the full academic year. A student, taking a reduced course load, must be at least half time in a semester (6 credits) in order to receive a Stafford Loan.
5. The amount of Federal Financial Aid (Title IV) awarded is based on the actual number of credit hours taken.
6. Requirements for continuation of funding through Vocational Rehabilitation may differ. The student must contact his/her VR counselor to determine how a reduced course load will impact his/her funding.
7. The National Junior College Athletic Association (NJCAA) has published standards in regard to the designation of Certified Disabled Student-Athlete in Article V Section J of the NJCAA bylaws. This procedure addresses the NJCAA criteria for reduced course loads.

Application Process:

1. Applications for reduced course loads must be submitted to the Disability Resource Services professional with supporting documentation. Requests must be made prior to the beginning of each semester.
2. Supporting documentation must include a diagnostic evaluation from an appropriate professional. The documentation must meet the guidelines set forth by the Maricopa Community College District’s Documentation Policy in order to evaluate the current impact of the disability in regard to the request. Students are required to complete an application form for this status every semester, but do not need to re-submit their documentation. Continuation of this status is not automatic. Each case will be re-evaluated at the end of the semester to determine if this accommodation is still appropriate.

3. Students requesting a reduced course load should consult with their academic advisor regarding the consequences of this status for making progress toward graduation requirements and eligibility for various academic distinctions and designations.

4. Students registered in occupational and/or academic programs that have specific block formats will not be considered for reduced course loads.

5. Students who are approved for a reduced course load will be required to sign the Reduced Course Load Approval Form (see Appendix S-10), which includes a statement acknowledging that he or she has reviewed the consequences that go with reduced load status and accepts them.

6. When a reduced course load status is granted by the Disability Resources & Services professional, a copy of the Reduced Course Load Approval Form will be sent to the appropriate individuals.

Academic Misconduct (AR 2.3.11)

1. Definitions

A. Academic Misconduct - includes misconduct associated with the classroom, laboratory, or clinical learning process. Examples of academic misconduct include, but are not limited to, cheating, plagiarism, excessive absences, use of abusive or profane language, and disruptive and/or threatening behavior.

B. Cheating - includes, but is not limited to, (a) use of any unauthorized assistance in taking quizzes, tests, assessment tests or examinations; (b) dependence upon the aid of sources beyond those authorized by the faculty member in writing papers, preparing reports, solving problems, or carrying out other assignments; or (c) the acquisition, without permission, of tests or other academic material belonging to a member of the college faculty or staff.

C. Plagiarism - includes, but is not limited to, the use of paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. Information gathered from the internet and not properly identified is also considered plagiarism.

2. Sanctions

Any student found by a faculty member to have committed academic misconduct may be subject to the following sanctions (Note: sanctions A, B, C, and D) may be imposed by a faculty member. The faculty member may recommend to the department chairperson and the appropriate vice president of academic affairs or designee that sanctions E, F, or G be imposed. College suspension or expulsion will be imposed only by the appropriate vice president of academic affairs or designee.

A. Warning - A notice in writing to the student that the student has violated the academic code.

B. Grade Adjustment - Lowering of a score on a test or assignment.

C. Discretionary Sanctions - Additional academic assignments determined by the faculty member.

D. Course Failure - Failure of a student from a course where academic misconduct occurs.

E. Disciplinary Probation - Disciplinary probation is for a designated period of time and includes the probability of more severe sanctions if the student commits additional acts of academic misconduct.

F. College Suspension - Separation of the student from the college for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. (A suspension from one Maricopa Community College will apply to all other colleges/centers in the District.)

G. College Expulsion - Permanent separation of the student from the college. (Expulsion from one Maricopa Community College will apply to all colleges/centers in the District.)

Appeal of Sanctions for Academic Misconduct

Students can appeal sanctions imposed for academic misconduct by following the instructional grievance process. (AR 2.3.5; Appendix S-6)

Disciplinary Standards (AR 2.5.1)

1. Disciplinary Probation and Suspension

According to the laws of the State of Arizona, jurisdiction and control over the Maricopa Community Colleges are vested in the District Governing Board. The Governing Board and its agents—the chancellor, administration and faculty—are granted broad legal authority to regulate student life subject to basic standards of reasonableness.

In developing responsible student conduct, the Maricopa...
Community Colleges prefer mediation, guidance, admonition, and example. However, when these means fail to resolve problems of student conduct and responsibility, appropriate disciplinary procedures will be followed.

Misconduct for which students are subject to disciplinary action falls into the general areas of:

A. Cheating on an examination, assessment tests, laboratory work, written work (plagiarism), falsifying, forging or altering college records
B. Actions or verbal statements which threaten the personal safety of any faculty, staff, students, or others lawfully assembled on the campus, or any conduct which is harmful, obstructive, disruptive to, or interferes with the educational process or institutional functions
C. Violation of Arizona statutes, and/or college regulations and policies
D. Use of college computer resources such as the Internet in violation of Technology Resource Standards (AR 4.4) which may result in notification of law enforcement authorities

2. Disciplinary Removal from Class
A faculty member may remove a student from class meetings for disciplinary reasons. If an instructor removes a student for more than one class period, the faculty member shall notify the department/division chair and the appropriate vice president or designee in writing of the problem, action taken by the faculty member, and the faculty member’s recommendation. If a resolution of the problem is not reached between the faculty member and the student, the student may be removed permanently pursuant to due process procedures.

Student Conduct Code (AR 2.5.2)
The purpose of this Code is to help ensure a healthy, comfortable, and educationally productive environment for students, employees and visitors.

Article I: Definitions
The following are definitions of terms or phrases contained within this Code:

1. “Accused student” means any student accused of violating this Student Conduct Code.
2. “Appellate boards” means any person or persons authorized by the college president to consider an appeal from a Student Conduct Board’s determination that a student has violated this Student Conduct Code or from the sanctions imposed by the Student Conduct Administrator. The college president may act as the appellate board.
3. “College” means a Maricopa Community College or center.
4. “College premises” means all land, buildings, facilities and other property in the possession of or owned, used or controlled by the college or District.
5. “College official” means any person employed by the college or District, performing assigned administrative or professional responsibilities pursuant to this Student Conduct Code. The college president shall designate the college or center official to be responsible for the administration of the Student Conduct Code.
6. “Complainant” means any person who submits a charge alleging that a student violated this Student Conduct Code. When a student believes that he/she has been a victim of another student’s misconduct, the student who believes he/she has been a victim will have the same rights under this Student Conduct Code as are provided to the complainant, even if another member of the college community submitted the charge itself.
7. “Day” means calendar day at a time when college is in session, and shall exclude weekends and holidays.
8. “Disruptive behavior” means conduct that materially and substantially interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting.
9. “District” means the Maricopa County Community College District.
10. “Faculty member” means any person hired by the college or District to conduct classroom or teaching activities or who is otherwise considered by the college to be a member of faculty.
11. “May” is used in the permissive sense.
12. “Member of the college community” means any person who is a student, faculty member, college official, or any other person employed by the college or center. A person’s status in a particular situation shall be determined by the college president.
13. “Organization” means any number of persons who have complied with the formal requirements for college recognition.
14. “Policy” is defined as the written regulations of the college and/or District as found in, but not limited to, this Student Conduct Code and Governing Board policy.
15. “Shall” is used in the imperative sense.
16. “Student” means any person taking courses at the college whether full-time or part-time. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the college are considered “students”.
17. “Student Conduct Administrator” means a college official authorized on a case by case basis by the college official responsible for administration of the Student Conduct Code to impose sanctions upon
students found to have violated this Student Conduct Code. A Student Conduct Administrator may serve simultaneously as a Student Conduct Administrator and the sole member or one of the members of a Student Conduct Board. The college official responsible for administration of the Student Conduct Code may authorize the same Student Conduct Administrator to impose sanctions in all cases.

18. “Student Conduct Board” means any person or persons authorized by the college president to determine whether a student has violated this Student Conduct Code and to recommend sanctions that may be imposed when a violation has been committed.

19. “Threatening behavior” means any written or oral statement, communication, conduct, or gesture directed toward any member of the college community, which causes a reasonable apprehension of physical harm to self, others, or property. It does not matter whether the person communicating the threat has the ability to carry it out, or whether the threat is made on a present, conditional or future basis.

Article II: Judicial Authority

1. The college official responsible for administration of the Student Conduct Code shall determine the composition of Student Conduct Board and determine which Student Conduct Administrator, Student Conduct Board, and appellate board shall be authorized to hear each case.

2. The college official responsible for administration of the Student Conduct Code shall develop procedures for the administration of the judicial program and rules for the conduct of hearings that are consistent with provisions of this Student Conduct Code.

3. Decisions made by a Student Conduct Board and/or Student Conduct Administrator shall be final, pending the normal appeal process.

Article III: Prohibited Conduct

1. Jurisdiction of the College

   The Student Conduct Code shall apply to conduct that occurs on college or District premises, or at college- or District-sponsored activities that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his or her conduct from the time of admission through the actual awarding of a degree, certificate, or similar indicator of completion of a course of study, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Student Conduct Code shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

2. Temporary Removal of Student

   Disruptive behavior includes conduct that distracts or intimidates others in a manner that interferes with instructional activities, fails to adhere to a faculty member’s appropriate classroom rules or instructions, or interferes with the normal operations of the college. Students who engage in disruptive behavior or threatening behavior may be directed by the faculty member to leave the classroom or by the college official responsible for administration of the Student Conduct Code to leave the college premises. If the student refuses to leave after being requested to do so, college safety may be summoned. For involuntary removal from more than one class period, the faculty member should invoke the procedures prescribed in the Student Conduct Code.

3. Conduct - Rules and Regulations

   Any student found to have committed the following misconduct is subject to the disciplinary sanctions outlined in Article IV:

   A. Acts of dishonesty, including but not limited to the following:

      1) Furnishing false information to any college official or office.

      2) Forgery, alteration or misuse of any college document, record, or instrument of identification.

      3) Tampering with the election of any college-recognized student organization.

   B. Obstruction of teaching, research, administration, disciplinary proceedings, or other college activities, including its public service functions on campus, in clinical settings or other authorized non-college activities, when the conduct occurs on college premises a faculty member may remove a student from a class meeting for disciplinary reasons. If a faculty member removes a student for more than one class period, the faculty member shall notify the college official responsible for administration of the Student Conduct Code in writing of the problem, action taken by the faculty member, and the faculty member’s recommendation. If a resolution of the problem is not reached, the student may be removed permanently pursuant to appropriate due process procedures.

   C. Physical abuse, verbal abuse, threats, intimidation, harassment, coercion, conduct which threatens or endangers the health or safety of any person, and/or disruptive behavior as defined in Article II.2. above.
D. Attempted or actual theft of and/or damage to property of the college or property of a member of the college community or other personal or public property.

E. Failure to comply with direction of college officials or law enforcement officers in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.

F. Unauthorized possession, duplication or use of keys to any college premises, or unauthorized entry to or use of college premises.

G. Violation of any college or District policy, rule or regulation published in hard copy such as a college catalog, handbook, etc. or available electronically on the college’s or District’s website.

H. Violation of federal, state, or local law.

I. Use, possession, manufacturing, or distribution of illegal or other controlled substances except as expressly permitted by law.

J. Illegal use, possession, manufacturing, or distribution of alcoholic beverages or public intoxication.

K. Illegal or unauthorized possession of firearms, explosives, other weapons, or dangerous chemicals on college premises, or use of any such item, even if legally possessed, in a manner that harms, threatens, or causes fear to others, or property damage.

L. Participation in a demonstration, riot, or activity that disrupts the normal operations of the college and infringes on the rights of other members of the college community; leading or inciting others to disrupt scheduled and/or normal activities within any college building or area.

M. Obstruction of the free flow of pedestrian or vehicular traffic on college premises or at college-sponsored or supervised functions.

N. Conduct that is disorderly, lewd, or indecent; breach of the peace; or aiding, abetting, or procuring another person to breach the peace on college premises or at functions sponsored by or participated in by the college or members of the academic community. Disorderly conduct includes, but is not limited to any unauthorized use of electronic or other devices or to make an audio or video record of any person while on college or District premises without his/her prior knowledge, or without his/her effective consent or when such a recording is likely to cause injury or distress. This includes, but is not limited to, secretly taking pictures of another person in a gym, locker room, or restroom.

O. Attempted or actual theft or other abuse of technology facilities or resources, including but not limited to:

1) Unauthorized entry into a file to use, read, or change the contents or for any other purpose
2) Unauthorized transfer of a file
3) Unauthorized use of another individual’s identification and/or password
4) Use of technology facilities or resources to interfere with the work of another student, faculty member, or college official
5) Use of technology facilities or resources to send obscene or abusive messages
6) Use of technology facilities or resources to interfere with the normal operation of the college technology system or network
7) Use of technology facilities or resources in violation of copyright laws
8) Any violation of the District’s technology resource standards
9) Use of technology facilities or resources to illegally download files

P. Abuse of the Student Conduct system, including but not limited to:

1) Falsification, distortion, or misrepresentation of information before a Student Conduct Board.
2) Disruption or interference with the orderly conduct of a Student Conduct Board proceeding.
3) Invoking a Student Conduct Code proceeding with malicious intent or under false pretenses
4) Attempting to discourage an individual’s proper participation in, or use of, the Student Conduct system
5) Attempting to influence the impartiality of the member of a judicial body prior to, and/or during the course of, the Student Conduct Board proceeding
6) Harassment, either verbal or physical, and/or intimidation of a member of a Student Conduct Board prior to, during and/or after a Student Conduct Board proceeding
7) Failure to comply with the sanctions imposed under this Student Conduct Code
8) Influence or attempting to influence another person to commit an abuse of the Student Conduct Code system
9) Failure to obey the notice from a Student Conduct Board or college official to appear for a meeting or hearing as part of the Student Conduct system.

Q. Engaging in irresponsible social conduct.

R. Attempt to bribe a college or district employee.

S. Stalking behavior, which occurs if a student intentionally or knowingly maintains visual or physical proximity toward another person on two or more occasions over a period of time and such
conduct would cause a reasonable person to fear for his or her safety.

4. Violation of Law and College Discipline
   A. Disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Conduct Code (that is, if both possible violations result from the same factual situation) without regard to pending of civil or criminal litigation. Proceedings under this Student Conduct Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the college official responsible for administration of the Student Conduct Code. Determinations made or sanctions imposed under this Student Conduct Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of college rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

   B. When a student is charged by federal, state, or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under this Student Conduct Code, however, the college may advise off campus authorities of the existence of this Student Conduct Code and of how such matters will be handled internally within the college community. The college will cooperate fully with the law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting within their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

   Article IV: Student Conduct Code Procedures
   1. Charges and Student Conduct Board Hearings
      A. Any member of the college community may file charges against a student for violations of this Student Conduct Code. A charge shall be prepared in writing and directed to the Student Conduct Administrator. Any charge should be submitted as soon as possible after the event takes place, preferably within thirty (30) days following the incident.
      B. The Student Conduct Administrator may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Student Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Student Conduct Administrator may later serve in the same matter as the Student Conduct Board or a member thereof. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s).
      C. All charges shall be presented to the accused student in written form. A time shall be set for a Student Conduct Board hearing, not less than five (5) nor more than fifteen (15) days after the student has been notified. Maximum time limits for scheduling of Student Conduct Board hearings may be extended at the discretion of the Student Conduct Administrator.
      D. Hearings shall be conducted by a Student Conduct Board according to the following guidelines, except as provided by Article IV 1.G below:
         1) Student Conduct Board hearings normally shall be conducted in private.
         2) The complainant, accused student, and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board hearing at which information is received (excluding deliberations). Admission of any person to the hearing shall be at the discretion of the Student Conduct Board and/or its Student Conduct Administrator.
         3) In Student Conduct Board hearings involving more than one accused student, the Student Conduct Administrator, in his or her discretion, may permit the Student Conduct Board hearing concerning each student to be conducted either separately or jointly.
         4) The complainant and the accused shall have the right to be assisted by any advisor they choose, at their own expense. The advisor must be a member of the college community and may not be an attorney. Both the complainant and the accused are responsible for presenting their own information and, therefore, advisors are not permitted to speak or participate directly in any Student Conduct Board hearing before a Student Conduct Board.
5) The complainant, the accused student, and the Student Conduct Board may arrange for witnesses to present pertinent information to the Student Conduct Board. The college will try to arrange the attendance of possible witnesses who are members of the college community, if reasonably possible, and who are identified by the complainant and/or accused student at least two days prior to the Student Conduct Board hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the accused student and/or complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved at the discretion of the chairperson of the Student Conduct Board.

6) Pertinent records, exhibits, and written statements may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.

7) All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.

8) After the portion of the Student Conduct Board hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one person) whether the accused student violated the section of this Student Conduct Code which the student is charged with violating.

9) The Student Conduct Board’s determination shall be made on the basis of whether it is more likely than not that the accused student violated this Student Conduct Code.

E. There shall be a single verbatim record, such as a tape recording, of all Student Conduct Board hearings before a Student Conduct Board (not including deliberations). The record shall be the property of the District.

F. No student may be found to have violated this Student Conduct Code because the student failed to appear before a Student Conduct Board. In all cases, the evidence and support of the charges shall be presented and considered.

G. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the college official responsible for administration of the Student Conduct Code.

2. Sanctions

A. The following sanctions may be imposed upon any student found to have violated the Student Conduct Code:

1) Warning - a written notice to the student that the student is violating or has violated institutional rules or regulations.

2) Probation - a written reprimand for violation of specified rules or regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional rules or regulation(s) during the probationary period.

3) Loss of Privileges - denial of specified privileges for a designated period of time.

4) Restitution - compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

5) Discretionary Sanctions - work assignments, essays, service to the college, or other related discretionary assignments. (Such assignments must have the prior approval of the Student Conduct Administrator.)

6) College Suspension - separation of the student from all the colleges in the District for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

7) College Expulsion - permanent separation of the student from all the colleges in the District.

B. More than one of the sanctions listed above may be imposed for any single violation.

C. Other than college expulsion, disciplinary sanction shall not be made part of the student’s academic record, but shall become part of the student’s disciplinary record. Upon graduation, the student’s disciplinary record may be expunged of disciplinary actions upon the student’s application to the Student Conduct Administrator.
Cases involving the imposition of sanctions other than suspension or expulsion shall be expunged from the student’s confidential record five (5) years after final disposition of the case. In situations involving both an accused student(s) (or group or organization) and a student(s) claiming to be the victim of another student’s conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the accused student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the college community of each may be impacted.

D. The following sanctions may be imposed upon groups or organizations:

1) Those sanctions listed above in Article IV 2. A. 1 through 4.
2) Loss of selected rights and privileges for a specified period of time.
3) Deactivation - loss of all privileges, including college recognition for a designated period of time.

E. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Conduct Code, the sanction(s) shall be determined and imposed by the Student Conduct Administrator. In cases in which persons other than, or in addition to, the Student Conduct Administrator have been authorized to serve as the Student Conduct Board, the recommendation of the Student Conduct Board shall be considered by the Student Conduct Administrator in determining and imposing sanctions. The Student Conduct Administrator is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board hearing, the Student Conduct Board and the Student Conduct Administrator shall advise the accused student, group and/or organization (and a complaining student who believes s/he was the victim of another student’s conduct) in writing of its determination and of the sanction(s) imposed, if any.

3. Emergency Suspension
   If a student’s actions pose an immediate threat or danger to any member of the college community or the educational processes, a college official responsible for administering the Student Conduct Code may immediately suspend or alter the rights of a student pending a Student Conduct Board hearing. Scheduling the hearing shall not preclude resolution of the matter through mediation or any other dispute resolution process. The decision will be based on whether the continued presence of the student on the college campus reasonably poses a threat to the physical or emotional condition and well-being of any individual, including the student, or for reasons relating to the safety and welfare of any college property, or any college function.
   In imposing an emergency suspension, the college official responsible for administration of the Student Conduct Code may direct that the student immediately leave the college premises and may further direct the student not to return until contacted by that official. An accused student shall be in violation of this policy regardless of whether the person who is the object of the threat observes or receives it, as long as a reasonable person would interpret the communication, conduct,

4. Appeals
   A. A decision reached by the Student Conduct Board judicial body or a sanction imposed by the Student Conduct Administrator may be appealed by accused students or complainants to an Appellate Board within five (5) days of receipt of the decision. Such appeals shall be in writing and shall be delivered to the Student Conduct Administrator.
   B. Except as required to explain on the basis of new information, an appeal shall be limited to the review of the verbatim record of the Student Conduct Board hearing and supporting documents for one or more of the following purposes:
      1) To determine whether the Student Conduct Board hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complainant a reasonable opportunity to prepare and present information that the Student Conduct Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
      2) To determine whether the decision reached regarding the accused student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Conduct Code occurred.
3) To determine whether the sanction(s) imposed was appropriate to the violation of the Student Conduct Code which the student was found to have committed.

4) To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board hearing.

C. If an appeal is upheld by the appellate board, the matter shall be returned to the original Student Conduct Board and Student Conduct Administrator for reopening of the Student Conduct Board hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all concerned.

Article V: Interpretation and Revision
Any question of interpretation regarding the Student Conduct Code shall be referred to the college official responsible for administration of the Student Conduct Code for final determination.

Student Records (AR 2.5.3)
1. Definitions
For the purposes of this policy, the Maricopa County Community College District has used the following definition of terms.

A. “College” includes all colleges, educational centers, skill centers and District office.
B. “Educational Records” are any record (in handwriting, print, tapes, film, or other media) maintained by the college or an agent of the college which is directly related to a student, except:
1) A personal record kept by a staff member, if it is kept in the personal possession of the individual who made the record, and information contained in the record has never been revealed or made available to any other person except the maker’s temporary substitute
2) An employment record of an individual whose employment is not contingent on the fact that he or she is a student, provided the record is used only in relation to the individual’s employment
3) Records maintained by the college’s security unit, if the record is maintained solely for law enforcement purposes, is revealed only to law enforcement agencies of the same jurisdiction and the security unit does not have access to education records maintained by the community college.

4) Alumni records which contain information about a student after he or she is no longer an attendant of the community college and the records do not relate to the person as a student.

2. Records Request
Official verification of educational records is issued by the Admissions and Records Office/Office of Student Enrollment Services.

3. Fees
If a copy(ies) of a portion or all of the records in a student’s file is requested, the custodian of the records may charge a fee for copies made. However, the willingness or ability to pay the fee will not effectively prevent students from exercising their right to inspect and review (under supervision of a college employee) their records. A fee will not be charged to search for or to retrieve records. Standard fees for printing and duplication services will apply.

4. Annual Notification (see also FERPA explanation)
Students will be notified of their further rights annually by publication in the college catalog and/or the student handbook:

Individuals requesting admission or enrollment at any of the maricopa community colleges are asked to provide certain contact information that is collected and used for the purpose of responding to the request. The information collected may include your name, address, telephone number or email address. Maricopa county community colleges and/or its agents, including attorneys and/or collection agencies, may use this information to contact you through various means, including phone calls, text messages, e-mail and postal mail. Communication may include, but is not limited to, information regarding account balances, programs and services that we offer.

Rights Of Access To Educational Records
The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

A. The right to inspect and review the student’s education records within 45 days after the day the college receives a request for access.

Students should submit to the college admissions and records department written requests that identify the record(s) they wish to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the
college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

B. The right to request the amendment of the student’s education records that the student believes is inaccurate, or misleading.

Students may ask the college to amend a record that they believe is inaccurate or misleading. They should write the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing. The FERPA appeal process is also outlined in the student handbook and in Appendix [X] of the MCCCD administrative regulations.

C. The right to provide written consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

Conditions of disclosure without consent

FERPA permits the disclosure of personally identifiable information (pii) from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose pii from the education records without obtaining prior written consent of the student:

1. To other school officials, including instructors, administrators, supervisors, governing board members, academic or support staff, law enforcement and health staff, within the mcccd whom the college or district has determined to have legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. This includes contractors, attorneys, auditors, collection agents, consultants, volunteers, or other parties to whom the college has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(b)(1) – (a)(1)(i)(b)(2) are met. (§99.31(a)(1))

2. To officials of another school where the student seeks to or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))

3. To authorized representatives of the us comptroller general, the us attorney general, the us secretary of education, or state and local educational authorities, such as the a state postsecondary authority that is responsible for supervising the college’s state-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of federal- or state-supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs. These entities may make further disclosures of pii to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement, or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)

4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))

5. To organizations conducting studies for, or on behalf of, the college, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

6. To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

7. To parents of an eligible student if the student is a dependent for irs tax purposes. (§99.31(a)(8))

8. To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))

9. To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))

10. Information the college has designated as “directory information” under §99.37. (§99.31(a)(11))

11. To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))
12. To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the college’s rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))

13. To parents of a student regarding the student’s violation of any federal, state, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

Students who believe that the MCCCD or an agent of the college has disclosed information contrary to the provisions outlined in this section may submit a grievance via the non-instructional complaint Resolution process. The process is posted at:

www.maricopa.edu/publicstewardship/governance/adminregs/appendices/s-8.php

D. The right to file a complaint with the US Department to Education concerning alleged failures by the college to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
US Department of Education
400 Maryland Ave., S.W.
Washington, DC 20202-5920

5. Student Directory

A Maricopa community college may release directory information about any student who has not specifically requested the withholding of such information. Students who do not want directory information released may so indicate during the admissions process or notify the Office of Admissions and Records.

At any Maricopa community college, directory information is defined as a student’s name, address, telephone number, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, dates of attendance, part-time or full-time status, most recent previous educational agency or institution attended by the student, college within the Maricopa Community Colleges where the student has been enrolled, photograph of student, and electronic mail address.

6. Disclosure to Parents

In accordance with federal law, college officials may disclose educational records to parents of a student who have established the student’s status as a dependent according to the Internal Revenue Code of 1986, section 152, without the written consent of the student.

FERPA APPEAL PROCESS

In instances where the college decides not to amend an education record as requested by the student, the college will notify the student of the decision and advise him/her of the right to an appeal hearing according to the following process:

- The student must have first presented the issue in writing to the college’s Admissions/Enrollment Office or designee identifying the records that he/she wishes to have amended and provided any supporting documentation. Note: With the exception of clerical errors, requests that are expressly related to grade disputes are not subject to this process and must be vetted through the Instructional Grievance Process.
- If the request to change the record was deemed unsubstantiated by the college designee and the institution was able to demonstrate that the record was accurate, the student will be informed of the right to a formal appeal hearing.
- Students must request a formal hearing within 10 business days from the date they are informed of the right to an appeal hearing.
- The request for a formal hearing must be in writing and delivered to the [Dean of Admissions/Enrollment Services, Vice President of Student Affairs] or designee.
- The college official who receives the formal hearing request will either review the case personally or designate a hearing committee if the issue involves a matter not clearly established by current policy or administrative regulation.
- A written decision will be delivered to all parties summarizing the evidence and stating the reason(s) for the decision. If the decision is in favor of the student, the education record will be amended. If the decision is for the record to remain the same, the student may place a statement commenting on or disagreeing with the decision in the education record.

MCC Maps

MCC All Location .................................364
MCC Southern and Dobson Campus.....365
MCC Red Mountain Campus ...............366
LOCATIONS
Students pursue coursework at two comprehensive campuses, MCC at Southern and Dobson and MCC at Red Mountain. Additional learning sites in the East Valley as well as Internet classes offer easy accessibility to meet our community’s diverse needs.

SOUTHERN AND DOBSON CAMPUS
MCC has provided outstanding transfer, career, and service programs to the East Valley of the Phoenix Metro area for over 40 years. Built in 1965, our Southern & Dobson location is a focus for education and community involvement. MCC is the largest of the 10 Maricopa Community Colleges with over 29,000 students.
Location
1833 West South Avenue
Mesa, AZ 85202
480-461-7000

RED MOUNTAIN CAMPUS
MCC Red Mountain campus occupies 100 acres of beautiful Sonoran Desert in northeast Mesa. Opened in 2001, this comprehensive campus offers an intimate college environment with advanced classrooms, wireless technology, and outdoor teaching spaces. Course offerings at Red Mountain focus on university transfer programs.
Location
7110 East McKellips Road
Mesa, AZ 85207
480-654-7200

DOWNTOWN CENTER
The Downtown Center is home to Continuing & Community Education, Mesa Community Outreach Center, Virtual Incident Command Center (VICC), MCC/NAU Connection, Center for Workforce & Community Partnerships, and New Frontiers for Lifelong Learning.
Location
145 North Centennial Way
Mesa, AZ 85201
Main: 480-461-6220
Public Safety: 480-461-6116

PHOENIX-MESA GATEWAY CENTER
Phoenix-Mesa Gateway Center is home to the Mortuary Science program. This campus was formerly known as the Williams Campus and a joint-use facility we share with Chandler-Gilbert Community College.
Location
7440 East Tahoe Avenue
Mesa, AZ 85212
480-988-8501

MCC eLEARNING
The MCC eLearning represents the college’s dedication to serving students through distance learning programs and online learning
Location
1833 W. Southern Avenue
Mesa, AZ 85202
480-461-7217
