

Applying for Admission

If this is your first time taking a course from Mesa Community College, you will need to apply for admission to be entered into our database.

This is done through the following process:

This will start the MEID Account Wizard. Check the appropriate box.

MEID Account Wizard (MAW)

Portal

The MEID Account Wizard (MAW) assists in creating or verifying a Maricopa Enterprise ID (MEID). The MEID is necessary to access the Online Student Center, Student Information System and Blackboard.

Please check all that apply:

- ☐ I am a current or previous Maricopa Community College District student and need to setup my MEID account for the first time.
- ☐ I have a Confirmation ID ([what is this?](#)).
- ☐ I am a new student and have never attended any [Maricopa Community College or Skill Centers](#).
- ☐ I am a current Blackboard user and need to verify my MEID for the Online Student Center.
- ☐ I am a current or former Maricopa Community College District Employee.

For students who have not taken a course from any of the Maricopa Community Colleges, any time.

Follow the steps in the MEID Account Wizard: **Step 1)** Identity Information, **Step 2)** Additional Information, and **Step 3)** Challenge Question/Answer setup. Step 2 will allow you to set your password.

At the end of the MEID Account Wizard you will see a screen stating "Maricopa Enterprise ID Created." You will need your Maricopa Enterprise ID (MEID) and password to login to your student account.

GOTO PAGE 2.

You will also see your 8-digit Student ID (also referred to as 8-digit College ID). This is the number by which you are identified throughout the Maricopa Community College District, and you will need it to register for classes. Record it for safekeeping.
