Student Information

To Be Completed by Student:

You are a Dependent student who is 22 or 23 years of age (or 21 years of age or younger but answered No to all three homelessness dependency status questions), you must submit this form along with supporting documentation to the financial aid office. A student is considered homeless if they lack fixed, regular, and adequate housing. This is broader than just living "on the street."

Please indicate which situation pertains to you:

- Temporarily living with other people because you have nowhere else to go;
- Living in substandard housing (if it doesn't meet local building codes or the utilities are turned off, it is generally not adequate);
- Living in emergency or transitional shelters, for example, trailers provided by the Federal Emergency Management Agency (FEMA) after disasters;
- Living in motels, camping grounds, cars, parks, abandoned buildings, bus or train stations, or any public or private place not designed for humans to live in;
- Living in the school dormitory if you would otherwise be homeless.

***A student living in any of these situations and fleeing an abusive parent may be considered homeless even if the parent would provide support and a place to live.**

Documentation

Provide one form of documentation to support the information indicated above. Such as a letter from an outside party, for example: a school district homeless liaison, director (or designee) of an emergency shelter program, director (or designee) of a runaway or homeless youth basic center or transitional living program, etc.
