Students currently enrolled at Mesa Community College or other MCCCD colleges may register for classes which a prerequisite is in progress. Registration in these classes may be canceled if prerequisites/requirements are not met. Faculty may require each student to provide evidence of the prerequisite for classes. If the prerequisite evidence is not satisfactory, faculty may withdraw the student. Academic advisement is provided to assist students in understanding information, regulations and requirements set forth by MCC and MCCCD. I understand that the ultimate responsibility for making decisions rests with me. Read the Refund Policy outlined in the college catalog and/or class schedule.
