Why Get Involved?

“Being involved has been invaluable to my collegiate experience. From membership in LDSSA and PTK to my term as student body President, I have grown exponentially. These opportunities have connected me to resources, helped me network and aided me in receiving scholarships. Additionally, the balance of grades, work, family and involvement has prepared me for success in my next steps.”

“One of my greatest accomplishments in college so far has been getting involved on campus. Getting involved in EPC, PTK, and attending leadership retreats has been the spark to my success as a student. Without these life changing opportunities I wouldn’t have received the remarkable college experience I have.”
