

## DOL Supports our Country's Veterans

The Department of Labor supports hiring veterans throughout the agency. A sub-agency within DOL, **The Veterans' Employment and Training Service (VETS)** is

dedicated to the veteran workforce as well. Here are some of this agency's current programs:

The **Off-Base Transition Training (OBTT)** pilot program is an opportunity earned through service for veterans, veterans currently serving in the National Guard and Reserve, and their spouses to take control of their careers through workshops to help meet their employment goals.

The **Transition Employment Assistance for Military Spouses and Caregivers (TEAMS)** is a series of employment workshops that extend the DOL's Transition Assistance Program to assist military spouses and caregivers as they plan and prepare for their job search in pursuit of their employment goals.
