James A. Montoya
Workforce Project Manager with the City of Phoenix | Speaker/Presenter

An Arizona native, James is a workforce project manager for ARIZONA@WORK, City of Phoenix Community and Economic Development Department. He leads the Advanced Business Services Sector Partnership, which focuses on major call centers throughout the metro Phoenix area. He is also responsible for creating and designing the City of Phoenix Community and Economic Development Department's monthly Labor Market Information and quarterly Industry Labor Market Information Reports.

James holds a bachelor’s degree in English from Arizona State University and graduated from ASU’s non-profit Leadership Academy.

James will share the latest statistics on employment, annual growth rate in the labor market, unemployment rate and projections.

*Networking Employers Training Professionals Association’s (NETPA) mission is to provide a vast resource of education, training, and networking to both potential employers and community agencies that provide employment information.*

*Students, community service agencies offering vocational services and their affiliated job seekers are encouraged to attend!*
