- As of a 2023 change in Arizona state law, students, regardless of their immigration status, are eligible for tuition assistance through the Maricopa Grant Program, provided they meet the assistance qualification requirements. Please ensure you review all qualifications for the tuition assistance program for which you seek funds. Where graduation from any public or private high school, homeschool or graduation equivalent is required, Dual Enrolled students, ACE, and other high school students are not eligible.
- The Maricopa Grant may be applied toward resident tuition and registration fees in dual enrollment courses only. Students are responsible for all other fees and charges.
- The Maricopa Grant may cover a maximum of twelve credit hours per student per year for all Maricopa Community College dual enrollment courses (number of credits depends on college budget and funding).
- Students must complete the first semester in which they enroll with a grade of A, B, or C in order to be eligible to receive the Maricopa Grant for the following semester.
- Withdrawal from a course funded by the Maricopa Grant program after the last date for Official Course Withdrawal will disqualify a student for any future tuition assistance while in high school. A disqualified student may request reconsideration based on extenuating circumstances. The awarding of aid will be at the college's discretion.
