

**ALPHA EPSILON CHAPTER  
OF  
DELTA KAPPA GAMMA SOCIETY INTERNATIONAL  
RECRUITMENT GRANT (2018)**

As Chair of the Recruitment Grant Committee of the Alpha Epsilon Chapter of The Delta Kappa Gamma Society International, I would appreciate your help in distributing the enclosed Recruitment Grant applications. Delta Kappa Gamma is an international organization for women teachers who have been recognized for their outstanding work in the field of education.

One of our important goals has been to encourage female students who have started on the road to becoming a successful educator. Of course, our end goal is that the person we choose will become a classroom teacher in the future. After the student has graduated and received her Certification and a teaching placement, our Chapter mentors that teacher for a period of up to five years.

Each applicant must write a letter explaining her educational goals, work related experiences, and reason for requesting the financial assistance. (*Any circumstances the student feels that the Grant Committee should know, regarding her application and needs should be explained in her letter.*) This letter is submitted with the completed application (signed and dated), two (2) Letters of Recommendation, and the student's most recent transcript(s) of college credits. The application deadline is March 5, 2018. (All applications **must be received** no later than **March 5, 2018.**)

Our chapter awards one Recruitment Grant each Spring. This year, the Grant will be in the amount of \$500 to \$1,000. The person that is selected will be notified sometime before the first of May.

Thank you for your assistance with this endeavor. Please feel free to contact me at (480) 969-8238, if you have any questions.
