All-MCC Academic Team Information Sheet

Overview:

The All-MCC Academic Team is sponsored by Mesa Community College to recognize scholarly achievements of students enrolled at Mesa Community College. For the purpose of this award, “scholar” is defined as one who excels in the classroom; who has the intellectual curiosity to pursue academic, career, and cultural enrichment outside the traditional classroom that shows evidence of substantial development of talents in academic and technical education; and who has demonstrated an ability to share this development with others.

Nomination procedures:

All forms must be typed and returned together in one packet. Nominations will NOT be accepted by fax or e-mail; however, photocopies of the original forms are acceptable.

Advice to nominators and nominees:

The All-MCC Academic Team seeks to honor outstanding students from a variety of backgrounds and disciplines to hold up as representatives of all outstanding two-year college students. All elements of the scholarship application should work together to demonstrate nominees’ academic excellence; intellectual rigor, growth, potential; and how the student uses their two-year college education to benefit themselves, the college, and their communities.

The discussion questions are meant to give judges a sense of the nominees’ background and time commitments outside of school so they can better place the nominees’ achievements in context. The questions should not be interpreted to mean that students must overcome obstacles or be somehow disadvantaged in order to be named to the All-MCC Academic Team.

This nomination form is compiled to match the judging criteria for the ALL-USA scholarship. It is important to read the form carefully and follow directions precisely. Be as specific and as concise as possible. Legibility and readability are important. **All responses must be typed in typeface no smaller than 10-point and adhere to length limits specified.** CDs, videotapes, photographs, newsletters, and newspaper clippings will be removed from the nomination packet before judging and will not be returned. Do not include any information that you would not want released publicly. Contents are subject to rigorous fact-checking. PLEASE NOTE THE FINAL APPLICATION WILL CHANGE TO REFLECT WHAT PHI THETA KAPPA PROVIDES in the Fall of 2018.

Required Materials:

- Completed application form, including responses to background, discussion, and essay questions.
- A copy of your unofficial academic transcript(s) including your complete college record within the last five years.

OPTIONAL ADDENDUM:

If you would like to explain special circumstances that have affected the transcript (e.g. withdrawals or a drop in grades), an addendum will be accepted in the section below. Judges will deduct points for a large number of withdrawals or a drop in grades without an adequate explanation.

Recommendation #1 – Leadership Assessment

Letters should not exceed 500 words and must be typed on letterhead in type no smaller than 10 point, Your letter must be clearly identified as Leadership Assessment - Letter of Recommendation #1 at the bottom of the letter.

Leadership Letter of Recommendation UPLOAD: The Leadership Letter of Recommendation should speak to leadership and should showcase specific examples of how you have demonstrated leadership abilities, service involvement, and impact outside the classroom. This recommendation should specifically address the leadership example you discussed in your "significant endeavor" essay. Failure to provide a leadership example and commentary on the essay response may make your scholarship application less competitive. To facilitate this, provide your recommender with a copy of the essay. The leadership letter of recommendation should be completed by a community college faculty member, administrator, dean, or an employer or professional at an organization where you have volunteered. Please upload your Letter of Recommendation in the space provided below. Student Letters of Recommendation give judges an expanded picture of the applicants academic and leadership accomplishments as well as civic involvement. These documents should be submitted within the parameters that outline both the format and the content of each letter. Letters of recommendation that have been requested by the applicant via the Phi Theta Kappa website are not acceptable and should not be submitted.
