Study Abroad Ireland is an academic program, which allows participants the opportunity to earn university transfer credits while being immersed in the rich culture of Ireland. Participants spend four weeks surrounded by the opulent splendor of the Emerald Isle!

Location - Athlone

Situated in the heart of Ireland astride the river Shannon, Athlone is a city rich in culture and history. It is home to Athlone Castle, which was used to control trade along the river through the center of the island nation for much of its history. Modern Athlone is a center of industry and education and home to Ireland's Technological University of the Shannon, Athlone campus. Its central location makes access to the rest of the country convenient via road, rail, and bus.
