A MARICOPA COMMUNITY COLLEGE

The Maricopa County Community College District is committed to continue to promote a learning and work environment that is non-discriminatory. This commitment is demonstrated through the value of inclusion, the implementation of policies and regulations that serve to prohibit discrimination and by practicing non-discriminatory actions in both our employment and academic activities. This means that Maricopa will not discriminate, nor tolerate discrimination, against any applicant, employee, or student in any of its policies, procedures, or practices.
