

# MCCCD Additional Math Placement Protocols During Pandemic Interruption

This is a document/directive to advising and enrollment. These protocols will be in effect until further notice from the Math IC.

## **Placement Protocol - Mathematics**

During the time that students do not have access to the testing centers for accuplacer placement testing, we nevertheless want students to be able to qualify for course placement. The following protocols should be followed for mathematics courses in addition to the already approved course placement chart.

### **MAT155/156 or MAT140/141/142 or MAT120/121/122**

1. QAS EdReady Score of 70 or greater

### **MAT150/151/152 or MAT187**

1. College Algebra EdReady Score of 80 or greater

### **MAT182**

1. Credit for MAT15+

OR

1. College Algebra EdReady Score of 80 or greater
2. AND Concurrent enrollment in MAT150/151/152.

### **MAT212/213**

1. College Algebra EdReady Score of 80 or greater
